

Eagle Eye

Vol. XVI No. 8

Monday Sept. 17, 1973

The first major production at Lock Haven State College this year will be "Philadelphia, Here I Come!" Dr. Denys Gary is the director of the play which will take place October 15, 16, and 17 in Price Auditorium.

Dr. Gary explains that the play is the story of a young Irishman who finds his whole world collapsing before him and decides to escape to the United States.

A unique feature about the play is the main character, Gareth McDonald who is really divided into two people. Dr. Gary stated "by having the public and private Gareth McDonald, one can see and hear both sides of the individual". The public Gareth is to be played by Charlie Charette with Brian Stoppe taking the role of the private Gareth.

Through a series of flashbacks, the play can explore Gareth's last night home and the problems Gareth was trying to run from.

Mordecai Lisschutz is to play Gareth's father. He has had little communication with his son and this proves to be an important reason why Gareth is leaving. Gareth has also lost his girl. Helayne MacArthur has been selected

to do this role.

All areas concerned with the play have gotten underway. John Gordon and Felice Proctor, both members of the faculty, are technical designer and costume designer.

Dr. Gary concluded by saying "this is the first semester students in theater can get credit for working on areas concerning the play." He added "young people will find this play a very relevant situation and little more understanding on each side could bridge the gap."

Look INTO Varsity Club

The LHSC Varsity Club took a giant step in a new direction at its first meeting of the 1973-74 school year Thursday evening. By a five vote margin the Bald Eagle male athletes approved full membership status eligibility to all LHS's female athletes.

The unprecedented vote took place after nearly one year of thought, discussion, and argument by the club members and various faculty members in the Dept. of H, PE & R.

Ms Sharon Taylor and Ms Mary Bried were the driving forces behind the acceptance of women into the club. Their argument was that women's athletics at LHS should exist on a equal basis with the men's athletic programs. They felt that in view of the club's policy of only recognizing and supporting the men's program the

SCC Election
Noted for
Tomorrow

The Student Cooperative Council will hold elections for senatorial seats on Sept. 18.

Anyone wishing to run for a SCC senatorial seat must be in good academic standing with the college and he must also have a petition with fifty signatures. These petitions may be picked up at the PUB's reception desk. The deadline for these petitions will be September 17.

There is one senator for every one hundred students in each dorm and off campus. There will be an estimated twenty-seven seats to fill. If there are not enough people on the ballot to fill all the seats, the people with the most write in votes will be elected. Last year four people were elected by write in votes.

On campus residents may vote in Bentley lounge on election day September 18. Off campus residents may vote in the basement of the PUB at the reception desk. Voting time will be from 10 o'clock a.m. until two o'clock p.m.

The SCC needs student help to man the ballot box at Bentley Hall. Anyone wishing to help should contact Dave Drabot at 748-6923 or 748-6931.

Mankeiwicz, Man With a Front Row Seat

It was one minute to 2 a.m., June 6, 1968, in a littered gymnasium used as press headquarters, when a man bit his lip and read the following announcement. "Senator Robert Francis Kennedy died at 1:44 a.m. today, June 6, 1968. With Senator Kennedy at the time of his death was his wife Ethel; his sisters, Mrs. Patricia Lawford and Mrs. Stephen Smith; his brother-in-law Stephen Smith; his sister-in-law, Mrs. John F. Kennedy. He was 42 years old."

These are the words Frank Mankeiwicz used to break the stunning news to the world. As Senator Kennedy's press secretary, it was his job to convince the disbelieving country of the second tragedy to strike the Kennedy family.

By being one of President John F. Kennedy's press secretaries at the time of his death, Mankeiwicz may have been a little more prepared for the shock and what was to follow.

Frank Mankeiwicz graduated from YCLA in 1947. He received his masters from Columbia the following year, and in 1955 received his degree in law from the University of California in Berkeley.

Between 1948-52 he was engaged in journalism in Washington and Los Angeles. In 1955 Mankeiwicz was admitted to the California Bar Association, where he set up a practice in Beverly Hills until 1961.

After working for President Kennedy for a short time he became director of the Peace Corps in Lima,

Peru, for two years. Then in 1964 he was appointed regional director for the Corps in Latin America. Two years later he quit that position to become press assistant to Senator Kennedy, a job which he held until the Senator's death.

In 1968 Mankeiwicz became a syndicated columnist and TV news commentator and although he worked closely with Senator George McGovern during his presidential campaign in 1971-72 he continues with this career.

Frank Mankeiwicz speaks well of today's students saying they are the best educated and the most committed in the nation's history.

Mankeiwicz has insight and effectiveness with young people probably because of his own youthful idealism. "You can look as you have in the past", he has told students, "to your own instincts of decency, human values of honor and commit-

ment, you can continue to take into the streets what you have learned in the classrooms and apply it seriously to the problems of our time. And to take into the larger society those values you have learned and apply them in concrete ways in continuing revolution of our time."

By working with, and backing people like George McGovern, Robert Kennedy, and John F. Kennedy, Frank Mankeiwicz has proven his openness to new ideas. Mankeiwicz also has certainly had ample opportunities in the past to erase and doubt of his ability to operate under great strain.

Allowing an opposing Alumni team just eight shots at the goal, the Bald Eagle booters "booted" the Alumni Stars last Saturday, 5-0.

Defense was the name of the game for LHS, as they recorded their fourth consecutive shutout, running their pre-season record to 3-0-1.

Rather than play 3-30 minute periods as in regulation soccer matches, 2-45 minute halves were played with a half hour break between each.

The first 15 minutes of the first half found both teams playing irrationally on offense. However, the LHS defense showed its strength within the first few minutes of play and throughout the game.

With 22 minutes gone in the half Darrell Nagle, second from the 8 yd. line off a corner kick, zipping the ball into the net on a head shot with an assist from Roger

Bernecker, Nagle gave the Eagles a 1-0 lead. Even though the Eagles moved the ball well, neither team could score the rest of the first half.

LHS fired 27 shots at the Alumni goalie with the All Stars managing but one shot the entire first half.

Whatever changes head mentor Karl Herrmann made at halftime paid off. Tom Rowan scored from 10 yards out on an assist from Bill Bush with less than a minute gone in the second half.

This was just a preview of things to come. Bill Bush scored an unassisted goal less than 10 minutes later on a beautiful left-footed kick. This made the score 3-0 in favor of LHS. With 21:35 left in the second half, Roger Bernecker slapped in a 12 yard shot from the left side making it 4-0 in favor of the Eagles.

Mike Siegfried scored on an 8 yard center shot with

the help of Roger Bernecker 23 minutes into the final period. The last twenty minutes of action saw Coach Herrmann substitute freely as all 40 Eagle booters saw action. Final score: LHS-5 Alumni-0.

The Eagles fired 30 shots at the Alumni goalies with the opposition managing just 7 shots the entire second half.

Commenting on the game, Coach Herrmann stated the moves he made at half-time paid off.

"Moving Don Copeland closer to the front line in the second half gave us that extra punch we needed. With only a 16 man squad the Alumni tended to tire by the second half. This was expected as they had not been in the condition our boys were," Herrmann added.

Herrmann stated that certain members of the team deserved special recognition for the job they did Saturday. Herrmann remarked: "Darrell Nagle played a very good game today. He was very quick and really hustled.

Tom Rowan and Bill Bush played well as did Mike Siegfried and Bob Boles. Don Copeland played his played usual great game with the team as a whole doing a good job. Roger Bernecker played very well but is a transfer student from Penn state and is not eligible to play this year."

The Alumni did a good job defensively as was shown by the fact that they held LHS to just 1 goal the entire first half. Lack of not only conditioning but of a larger squad from which to substitute more freely took its toll in the second half.

Two of the eleven varsity regulars did not play Saturday due to injuries. Fullback Lenny Long is out with an inflamed Achilles Tendon while alternating halfback Sandy Bush is sidelined with a pulled groin muscle. Both, however, will be ready for Wednesday's encounter against St. Francis. Game time is scheduled for 3:00 p.m. on the St. Francis Campus field.
