LOCK HAVEN STATE COLLEGE, LOCK HAVEN, PENNSYLVANIA

September 25, 1964

HOMECOMING HIGHLIGHTS PENNSYLVANIA PROGRESS

Tomorrow morning one of seven hopeful coeds will find a rose pinned to her door proclaiming to all that she has been chosen to reign as Homecoming Queen. The seven nominees this year consist of four seniors, one junior, and two sophomores. One will be chosen queen and the remaining will comprise her royal court. The girls are Barbara Friel, senior Social Science major for Norwood; Janis Siciliano, junior English major from Pittsburgh; Marny Clauser, sophomore elementary major from Oreland; Joan Kochik, senior elementary major from Snow Shoe; Janet Robb, senior elementary major from Lock Haven; Robin Thomas, sophomore Physical Education major from Littlestown; and Eileen Marsh, senior Social Science major from Waterford. Miss Friel is a member of Sigma Kappa Sorority and the International Relations Club. Miss Siciliano, a sister of Delta Zeta Sorority, serves as a major-ette with the band and is active in English Club and College Players. A cheerleader, Miss Clauser, is also a member of the College Players and is a sister of Alpha Sigma Tau. Miss Kochik, a sister of Delta Zeta, serves on the Student Co-operative Council. Last year's president of the

Panhellic Council, Miss Robb, is a sister of Sigma Sigma Sigma, served on last year's Homecoming Court, and is a member of the Association of Childhood Education. A Sigma Sigma Sigma sister, Miss Thomas, serves as a cheerleader. Miss March, also a member of last year's Court, is a sister of Sigma Sigma Sigma and a member of Aquafins.

The weekend's activities will begin Friday night at 9 p.m. with a pep rally and bonfire on Lawrence Field. The band, cheerleaders, football team and coaches will all be present to aid in the cheering. This year all the classes will build the bonfire. In previous years the freshman class was left with the responsibility. After the bonfire, groups will go to their designated spots to complete construction of the floats and placements, and decorate the gym for the Queen's Ball. During these activities coffee and donuts will be served to workers by the Student Co-operative Council.

Activities will resume Saturday morning at 9 a.m. with Alumni registration in Smith Hall. At 9:30 a soccer game between the Alumni and the varsity team will begin at McCollum Field. Coffee and donuts

will be served in High Hall Lounge from 10 to 11 a.m. and judging of the placements will be held at 10 a.m. At 10:30 the parade units will form in front of the campus and begin their trip through town at 12:00, ending at the football field for the game. Game time is 1:30 for pre-game "Parade of Queens and Sweethearts." Kickoff time is 2 p.m. Half-time ceremonies will include the Band Show under the direction of Mr. John Swartz. Fathers of the members of the football team will be introduced, and the Queen will be presented and crowned. After the game, all will proceed to the Field House lawn for the Varsity Club's Cider Pour.

The Queen's Ball will begin at 8 p.m. and will continue till midnight. Music will be furnished by Maynard Ferguson and his orchestra. Dress will be formal gown or cocktail dress for the ladies and tuxedo or dark suit for the men.

Fraternities and Sororities will hold open house on Sunday afternoon from 2 to 5, and a Parents' Day Reception will be held in Smith Hall Lounge. The weekend will come to a close with the presentation of the film "To Hell and Back" at 7:30 in the Auditorium.

U.S. CIVIL SERVICE EXAMS ANNOUNCED

Applications are now being accepted for the 1965 Federal Service Entrance Examination, the U. S. Civil Service Commission has announced. This examination, open to college seniors and graduates regardless of major study, as well as to persons who have had equivalent experience, offers the opportunity to begin a career in the Federal service in one of over 200 kinds of positions. These positions are located in various Federal agencies both in Washington, D. C. and throughout the United States. A few overseas positions will also be filled.

Depending on the qualifications of the candidates, starting

salaries for persons appointed from this examination will be \$5,000 and \$6,050 a year. A written test is required, except for those candidates who have attained a sufficiently high score on the Graduate Record Examination Aptitude Test. Applicants who have filed by September 17, 1964 will be scheduled for the first written test on October 17, 1964. Six additional tests have been scheduled. The closing date is April 15, 1965.

A limited number of Management Internships with starting salaries of \$6,050 and \$7,220 a year will also be filled from this examination. An additional

written test is required and additional education or experience is required for the positions paying \$7,220 a year. Applicants for these positions must file by January 21, 1965.

Details concerning the requirements, further information about the positions to be filled, an instructions on how to apply are given in Civil Service Announcement No. 333. The announcement may be obtained from many post offices throughout the country, college placement offices, Civil Service Regional Offices, or from the U. S. Civil Service Commission, Washington, D. C. 20415.

SCHOLAR STATESMAN WARNS WESTERN WORLD

Malik Advocates Intellectual Revolution

Dr. Charles Malik

"Out-revolutionizing their revolution and out-subverting their subversion" is the only way the West can answer the challenge of Communism in the opinion of Dr. Charles Malik, former president of the UN General Assembly and ex-Lebanese Foreign Minister.

Dr. Malik, who presented a lecture here on September 17, 1964 for Lock Haven's Academic Convocation under the auspices of the Student Co-operative Council was concerned over what he regards as the tendency of the West to settle for a vague and flabby "co-existence with the enemy that is implacable, enormously energetic and willing to settle only for complete victory." He urged a spiritual and intellectual revolution, not one of violence, that will return the West to faith in its highest values, which he defines as Freedom, Truth and God.

This world-famed scholar-statesman also warned against an easy faith that Communism will eventually mellow and change from within. It will, he asserted, hold fast to the fundamental articles of its credo no matter what happens in the years ahead. These he listed as including radical militant atheism, radical materialism, radical collectivism and an unshakeable conviction in the ultimate world triumph of Communism.

—Continued on page 3

Help Needed In "CITIZENS FOR JOHNSON"

A "Citizens for Johnson" organization was formed September 11th by a group of interested citizens and college students representing the two major political parties. Within the next week there will be set up a Campaign Headquarters in the former Dolly Shop on Main Street where campaign materials, educational pamphlets and other information will be available. Chairmen of the "Citizens for Johnson" organization are Torrence Parsons, graduate student at Princeton.

There will be a vast area of important volunteer services which the "Citizens for Johnson" hope to cover, including staffing of the Campaign Headquarters on certain afternoons and evening hours each week, distributing materials, making phone calls and carrying on door-to-door canvassing prior to the November election.

Because the 1964 November election is considered one of the most crucial facing our citizens, all those students who have been saying "I feel I should be doing something" are herewith offered an opportunity really to serve. The campus "contacts" are: Mr. Neil Wilson of the psychology department, Oliver Gillock, and Melvin Hodes.

The Eagle Eye is published twenty-seven times during the school year by students of Lock Haven State College, Lock Haven, Pa. All opinions expressed by columnists and feature writers including Letters-to-the-Editor are not necessarily those of this publication but those of the individual. Contributions may be submitted to the editor and are welcome from faculty and students. The Eagle Eye is printed by the Lycoming Printing Company.

Fraternity and Sorority News

♦ Skip Fennel, president of the Inter-Fraternity Council, presents the award for highest fraternity scholastic record to "Woody" Salgrath, president of Tau Kappa Epsilon.

LAMBDA CHI ALPHA

The brothers of Lambda Chi Alpha Fraternity welcome all new faculty members to the Lock Haven State College Campus. Among the new faculty are Dr. Werner H. Barth, Director of the Social Sciences; Mr. James B. Bruno, professor of music; Miss Janice M. Bosworth, Department of Physical Education; Mr. John David Fetter,

Assistant Professor in Education; Mr. Edgar C. Grimm, Instructor in Speech; Mr. John P. Irwin, Professor of Philosophy; Dr. Robert F. Lee, Professor of English; Dr. Robert A. McCormick, Professor of Drama; Mr. Robert H. Newall, Associate Professor of English; Miss Evelyn M. Nicholson, Dean of Women; Mr. Prudencio de Pereda, Assistant Professor, Reference Librarian; Mr. Donald E. Simanek, Assistant Professor of Physics; Mr. Eliot Gray Simons, Instructor in Physical Education; Mr. Kenneth I. Sinclair, Associate Professor of French; Mrs. Virginia J. Smith, Associate Professor of Psychology; Dr. Charles

N. Somers, Associate Professor of English and Assistant Dean of Academic Affairs; Mr. John G. Spiess, Associate Professor of History; Miss Dora E. Vandine, Instructor of Physical Education; Mr. Raymond E. Whitney, Assistant Professor of Mathematics and Mr. Franklin H. Vaughn, Assistant Professor of English. All new faculty have our best wishes for a fruitful first year.

The brothers question whether the new faculty should wear a distinguishing cap or name card. For what is worse than to be mistaken for freshman, an upperclassman or a visiting parent when one is really a professor?

We welcome all freshmen, who form the largest class on the campus and hope they will remain with us through their sophomore, junior and senior years.

We regret the fact that Darrel Claar will be unable to resume football practice for the remainder of the season because of a fracture of the neck. Nevertheless Barre Yeager and Dave (Bull) Rhodes will be playing along with two other Lambda Chi's, R. T. Croffert and Bob Wright. Curt van Karssen and Don Schwarz are on the soccer team. The brothers wish all fall sports a successful season.

It is regretful for George Mills that a certain cat with white stripes was visiting our campus during the first week of the Academic year. He was bitten by a skunk.

All student body and faculty are invited to Lambda Chi's open house on October 4.

TWIST AND SHOUT TO THE EXPLOSIVE BACKBEATS!

Tonight's the night, appearing in person for the HOB-NOB sponsored by Alpha Psi Omega and the Council for Exceptional Children will be the EXPLOSIVE BACKBEATS. Pictured above are Dick Herman, Randy Dixon, Lynn McGinness and Harold Laubscher. Their modern music styles are well known to LHSC students from dances past. Contact them to entertain at your party, by contacting Jim Ferguson or Randy Dixon at 748-4788. (ADV.)

TKE

The past year was fruitful in many ways for the Fraters of Tau Kappa Epsilon. Brothers Dick Martz, Joe Grebb and Mike Richino were married this past summer. Mary Fredericks became the pinmate of Joe Coldren.

TKE received three trophy awards, Greek Sing, the I.F.C. Scholarship Award and awards for intramural sports.

Fraters on the various fall athletic teams are: Football—Ron Swierzbis (Co-captain), Doug Baublitz, Don Gibson, Steve Letterman, Joe Coldren, Denny Lowe, Hap Schatz, Don Charlton and Jeff Ward. Representing TKE on the Soccer squad are: Don Lease (Co-captain), Ken VanDemark, Tom Hoover, Dick Martz, Francis Fennell, Bob Kievet and sidekick Scamp.

SIGMA PI

The brothers of Sigma Pi wish to extend a cordial welcome to all incoming freshmen and welcome back all upperclassmen at Lock Haven State College.

We would also like to welcome Mr. William Powell, who replaced Dr. Bernstein, as the fraternity's head advisor.

For the brothers coming back from summer vacations, many changes were evident. Among these changes were the marriages of brothers Ed Banks, Don Olivett, Jim Waltz, Ron Filler, Dick Brown, Rick Hagg, and George Titzell. The engagements this summer were Doug Grabill, Rich Field, Dick Shambaugh, and Steve Corter.

The newly initiated brothers of the Spring 1964 semester are Charles Ackerman, Ken Bower, Ron Cartright, Mike Fabel, Fred Goodspeed, Craig Hort, Jim Laurell, Dave Minner, Carl Mosch, John O'Day, Steve Piper, Alfred Poff, and Dusty Ricker.

The brothers are already looking forward to and making preparations for Homecoming weekend. We think this will be the biggest and best one of them all.

Finally, we would like to wish everyone success in the 1964-65 college year.

SIGMA KAPPA

The Sisters of Sigma Kappa would like to take this opportunity to welcome the Freshmen to the campus and to welcome back all the upperclassmen.

We enjoyed a very busy summer which was started off by the Sigma Kappa National Convention at Hot Springs, Arkansas. Sisters Pat King and Pat Cheek represented our chapter and learned many things of interest. Many sisters were married this summer including Penny Close, Betsy Benning, Janis Cuda, Judy Piraino, Lynne Koerber, Kay Marthouse, and Nancy Peterson. Best wishes go to these sisters. Our congratulations to sisters Pam Geesey, Carole Leonard, and Sandy Herman who have recently become engaged.

Congratulations are in order for the football team's victory over Bloomsburg this past Friday. Also we would like to extend our best wishes and congratulations to the girls nominated to the Homecoming Court.

After the series of bake sales which were held to raise money for the float, the sisters are now looking forward to Homecoming and a successful year. The Sorority House will be open to the public and the college students Sunday, October 4, 1964. We hope to see all then.

Welcome LH State Students!

We at John Marshall's extend our personal greetings to you. We've served students and faculty at Lock Haven State for over a quarter of a century. Here at John Marshall, you'll find apparel and sportswear keyed to YOUR viewpoint. Come in and browse around.

COLLEGE TO HAVE RENOWNED SCHOLAR AS VISITING TEACHER

This is a candid picture of the camera-shy Professor Beberman, taken at the Madelyn Murray for Congress meeting in New York last week.

On October first, Lock Haven State College will be honored by the arrival of a new visiting professor. The guest instructor is Dr. Abner W. Beberman. Dr. Beberman will be teaching one course in the English Department, but will deliver many lectures for other departments during his one-semester stay. Dr. Beberman is coming here after having completed two years of research at Beane University, Canned Cramps, Ontario, Canada.

Dr. Beberman is a noted authority in the fields of English literature, higher mathematics, science, music, philosophy, and history. Dr. Beberman was the

first American to study fish in Wales. In the field of children's literature, the Dr. will be remembered for his delightful book, *The Little Frog That Croaked*.

The course that Dr. Beberman will teach in the English department is for English majors only. It compares the works of William Shakespeare to the Congressional Record.

Dr. Beberman has many hobbies. He is especially fond of cars. He never flies. He always drives his famous silver Volkswagen. He claims to be the only man in America with a complete wood-working shop in his car, which includes a bandsaw, a circular saw, a drill press, miter, and jointer planer. He says that he likes to be prepared when he moves into a new apartment. He has the workshop in his car so he can fix his flat. Dr. Beberman recently got this Volkswagen. "I had to," he explains, "because I had a crowbar in my last car, but all of the birds blocked my vision."

It will be remembered that five years ago Dr. Beberman devoured all of the 18 million books in the Northwestern University Library. When he left the library, he finally wrote his expose, claiming that many of the books were tasteless, and some gave him indigestion.

Dr. Beberman will be sharing an apartment at 1297 West Main Street with his famous Saint Bernard dog, Speedy Relief. Speedy, as Dr. Beberman calls him, carries a small wooden barrel containing two Alka Seltzers dissolved in skim milk.

Psychology Club Planned

Psychology offers a deep understanding of individuals, which is very important to teachers or anyone who comes in daily contact with people.

Mr. Neil Wilson of the psychology department has announced that he will start a Psychology Club on the campus if students show enough interest to warrant having such a club.

Wilson said that he is able to get some very interesting films and speakers should the club materialize.

Anyone interested in a Psychology Club should contact Mr. Wilson in room 410 in the New Classroom Building.

very popular.

In England today, girls dress much the same as boys. They are even wearing ties. Will this catch on at Lock Haven? At a Southern university last year, collegians rolled old-fashioned metal-framed beds from one town to another in an exciting race. Will this catch on at Lock Haven? Will someone try to have a pizza-eating contest, as dad had a pie-eating contest? Well, only time will tell. Fads are not to be overlooked nor treated harshly, for they represent a change or a need for change. But from an observer's point of view they make highly amusing entertainment.

Wild Fads Mean Change

Never let it be said that minority groups on college campuses never make progress. It seems that on college campuses throughout the nation many minority groups are making national headlines, while other groups manage to become a majority group rather than a minority group. To be more concise, we need only mention the minority groups that stuff themselves like mustard-laden sardines in telephone booths for you to recognize a group that made national headlines. And those minority groups that have become majority groups can be illustrated by the "Bermuda Short" wearers.

No, these groups are not radically oriented. But they do represent change. A decade ago, a man would rather be shot than wear shorts. But today, shorts are acceptable sports wear.

What caused these changing trends? A good many new trends began as fads. What new fads lie in store for us on campus this year? Last year, wearing sneakers without socks became

Liberal Education?

In the past few semesters, those students taking one of the many art courses offered, have received a sheet of paper entitled "THE LIBERALLY EDUCATED MAN."

The concise message on the paper seems to point out the real result of a liberal education. It says:

"... The liberally educated man is articulate, both in speech and writing. He has a feel for language, a respect for clarity and directness of expression, and a knowledge of some language other than his own. He is at home in the world of quantity,

number and measurement. He thinks rationally, logically, objectively, and knows the difference between fact and opinion. When the occasion demands, however, his thought is imaginative and creative rather than logical. He is perceptive, sensitive to form, and is affected by beauty. His mind is flexible and adaptable, curious and independent... Above all, the liberally educated man is never a type. He is always a unique person, vivid in his distinction from other similarly educated persons, while sharing with them the traits we have mentioned above."

MALIK — From page 1

"In a great revolutionary age," Dr. Malik pointed out in his addresses in his coast-to-coast tour, "when everything is on the move, when everyone is awakening, when no level of existence is without its ferment—in such an age, for the West to exist as usual and *not* to develop its own distinctive revolution—this is the tragedy of our time."

During his years in the UN Dr. Malik helped to draft the Declaration of Human Rights and succeeded Mrs. Eleanor Roosevelt as Chairman of the Commission on Human Rights. He has lectured widely in this country and abroad. Currently he is Distinguished Professor of Philosophy at the American University of Beirut in Lebanon.

Young Democrats Form at LHSC

With a presidential campaign well under way, a political club has formed again for the election season. The Young Democrats organize each election year to give interested students information about political issues and to give support to candidates of their choice. The club is open to all students regardless of political affiliation or age. The club is under the advisorship of Mr. Neil Wilson of the Psychology Department. His associates are Dr. Nuss, Mr. Showan, and Mr. Bravard.

The Young Democrats will conduct an open forum for all interested students regardless of presidential preference on the issue: "Goldwater has said that no child has the right to a free public education. It's up to his parents to pay for it." The forum will be held Thursday evening, October 1, 1964 in Sullivan Hall, Room 301 at 9 p.m.

RESIDENCE COUNCELLORS ELECTED

Paul Lenihan, sophomore Elementary major from Scranton has been elected by the residents of Smith Hall to serve as president of the Smith Hall Residence Council for the coming year. He will replace Gary Roberts who resigned the position to serve as a Residence Hall Counsellor.

The Vice-President for the year will be Stephen Hancock, junior from Pleasant Gap. Also elected at the recent election was Jack Miller from Linfield who will serve as a new Council member.

POETRY CORNER

by RICHARD F. BALLANTINE

What a pity someone forgot to get clocks — or is our classroom building still unfinished — or are the clock attachments going to remain unattached — or is Governor Scranton still cutting corners for Pennsylvania's War-on-Poverty program. Really — some corners shouldn't be cut.

Viva la architect! What a view out those front windows! As if night prowlers are not enough for the High Hall girls to worry about, now they have three floors of picture windows gazing into their rooms by day.

And is the building going to be open for evening study — whatever the subject?

Our glorious new building seems to rival — indeed exceeds — the fine planning evidenced on the Woolridge Hall front-ramp railing.

Students Have Ups and Downs

School has started once again this year with the addition of a new classroom building. Many students seem to be taking great pains to wait in long lines to use the elevator in this building. But the elevator is supposed to be a means of transportation between floors for faculty members and disabled students only. Several stair wells have been installed especially for the students' transportation. However, many students are using the elevator and not the stairs. For them, school may have glorious ups and downs, while the rest of the students experience only an uphill climb. At least the ones who walk don't have to wait for an elevator even one minute.

IN THE EAGLE'S NEST

by JIM SALMOND, Sports Editor

Football, Soccer, Cross Country and Women's Field Hockey are in new form this season. The gridders under the tutelage of head coach Hubert (Hub) Jack, and assistant coaches Stephen Jacobs and Harold Hacker have already posted an impressive win over the Bloomsburg Huskies. This was due in part to a strong aggregate of returning lettermen, 21 in all, and a host of underclassmen. Losing only two-year letterholder, Lou Mascaro, in the backfield, the Bald Eagles' secondary is well set. Meade Johnson returns for his third year at quarterback with Bob Gutshall, Chris Klinger and Kent Shlopy supplying most of the ground power.

Linemen Joe Eneidy, Bill Lynch, Dick Peterson and Bruce Wicks graduated last year, but veterans Rich Bieda, Mike Minucci, Jim Shimp are still around to give the Bald Eagles plenty of punch up front. Joe Pascale, one of the country's leading pass receivers returns, while Dave Rhoades, a 260 pound sophomore, will give the squad added insurance.

With its biggest, fastest and most experienced starting unit in recent years, Lock Haven could cause a lot of noise in the Pennsylvania State Conference before November rolls around.

For Head Coach Jack, this will be the 19th season at Lock Haven. To date, his teams have won 86, tied 7, and lost 64 varsity games and have amassed a point total of 2603 as compared with opponents' total of 2192. Coach Jack is a native of Grove City and holds degrees from Slippery Rock State and the University of Pittsburgh.

Assistant Coach Steve Jacobs

starts his 11th season at Lock Haven. He is a graduate of Muhlenberg and Penn State and formerly coached highly successful teams at Tyrone High School.

Harold Hacker, now in his 7th season, was formerly at Milton-Hershey Junior Varsity and is head coach of swimming.

The Eagles will be placed to the test once again this week as they go against a powerful California squad. This rivalry began in 1926 and through the years Lock Haven has a slight edge in wins 11-9.

Turning to soccer, Lock Haven has experience and speed which should greatly aid Coach George Lawther who is now in his third season at Lock Haven. Previously he played with the Nittany Lions for three years while attending Penn State. He served as a player-coach for Sampson Air Force Base for four years. He has also played semi-pro soccer for Rochester. Later he served as a varsity soccer and basketball coach at Lycoming College for four years.

Tomorrow the Lawthermen venture to Frostburg State where the current season begins. Returning lettermen include, Francis Fennell, Walt Horner, Bob Kievit, Don Leese, Max Lid-dick, Dick Martz, Gary Myers, Curt Reinik, Bob Sedam and Ken VanDemark. This year's Co-Captains are Don Leese, and Walt Horner.

If past records can be trusted then Frostburg has plenty in store for tomorrow. They are on the short end of the stick, 9-2.

Ten lettermen and the loss of only one of last year's squad to graduation will keep Coach Smith's hockey team in a good position once again this year. Although Betty Gommel graduated, we can hope that Nancy Springs, All-American candidate, can take up the slack. Tomorrow they face the Keystone Hockey Club.

In Cross-Country, Coach Dan Corbin welcomed ten candidates to practice early this fall, as his Bald Eagles aim to improve last year's 1-2 record. Captain Jere Shiner and Walt Thurnau and Frank Sponhauer will again make up the teams nucleus. A lack of depth and experience will plague the Lock Haven coach; Corbin in his second year as Cross-Country coach has previously headed Lock Haven's soccer squad from 1951-1957, producing four conference champions. Other members on this year's team are Larry Adams, George Dubots, John Heins, Jack Jones, Paul Lenihan, Duane Shaulis and Alan Sponhauer.

Eaglettes Open Hockey Season

Fielding a team of ten lettermen plus a host of promising Freshmen, the varsity Women's Field Hockey squad will attempt to better last season's successful 6-2 record. Under the expert coaching of Dr. Charlotte Smith, a graduate of New York University, the team will play their first game on September 26, 1964.

Dr. Smith is heading into her 18th year on Lock Haven's faculty. Through the past years, Coach Smith has produced many top flight athletes and teams. Before coming to Lock Haven she taught at Cleveland and Oyster Bay, New York where she was Director of Physical Education for girls.

This year's team will consist of 4 Seniors, 6 Juniors, 4 Sophomores, and 5 Freshmen. They are as follows:

Player	Class	High School
Blyholder, Diane	Fr.	Cedar Cliff
Detra, Linda, Jr.		Juniata Jt.
Erb, Sandra	So.	N. Lebanon
Friedland, Sue	So.	Cen. Bucks
Crow, Christine	Fr.	Bristol
Harris, Margaret, Sr.		Media
Hawk, Harriet, Jr.		West Snyder
Knapp, Holly	Fr.	Muhlenberg
Kreider, Margaret, Jr.		Solanco
Martin, Brenda	Fr.	Carlisle
Miller, Judy	So.	Upper Moreland
Miller, Margo	Fr.	Cedar Cliff
Mitchell, Lola	So.	Athens
Olt, Shirley	So.	Penn Manor
Sheely, Prudence, Jr.		Carlisle
Spring, Nancy	Sr.	Doylestown
Roberts, Barbara	Sr.	Kingston
Taylor, Sharon	Jr.	Scott
Williams, Phoebe	Jr.	Cen. Bucks

Last year's high scorer and All-American candidate, Nancy Springs, will lead Coach Smith's squad into action this fall. Lost through graduation was Betty Gommel, a four-year veteran.

GRIDDERS CRUSH BLOOM Seek Second Win Tomorrow

In a hard-fought battle, the Eagles of Lock Haven State eked out a narrow 13-7 win over the Huskies of Bloomsburg to initiate successfully their 1964 season before an overflow crowd of excited fans.

Two touchdowns were nullified for the Huskies in the last period by infractions of the rules to save the day for the Eagles.

In the first half, after Bloom had jumped to a 7-0 lead, it appeared as though the offense was finally going to click for the Maroon and Gray of Lock Haven. It struck with authority on drives of 59 and 34 yards, but then faltered for the remainder of the game.

Both scores were registered after an Eagle defensive safety had picked off a Bloom pass. In this department the laurels go to Bob Horak and Barry Heddings. Horak is credited with two interceptions and a definite score-saving defensive maneuver when, with seconds to go in the first half, he deflected the ball from a would-be-receiver in the Lock Haven end zone. The Eagles were leading by six points at the time.

In the first period, LHSC moved to the Bloom 30 yard line the first time it had the ball. Here the drive stalled, and the Eagles were forced to relinquish possession.

After an exchange of punts, the Huskies struck like lightning with a long heave from quarterback Bob Kurzinsky to right end Jerry Doto that covered a total of 77 yards. The play occurred with Bloom in a second down and fifteen situations on its own 23 yard line. Doto found himself alone about the Lock Haven 45 as he gath-

ered in the pigskin and romped untouched the remainder of the way.

Up to this time the Bloomsburg attack had been completely bogged down by the hard charging Eagle line.

The next time the Huskies had the ball, they tried to pass with second down and one to go on their own 35, but the alert Bob Horak picked off the first of his two interceptions for the night.

A few minutes later he intercepted another Kurzinsky pass to give the Eagles a first down on their own 41 yard line. In eight plays they culminated the drive when quarterback Meade Johnson sneaked in from one yard out. Fullback Mike Williams split the uprights to knot the score at 7-7 with 9:00 remaining on the clock in the second quarter.

The Eagles struck again in the period when Heddings intercepted a Kurzinsky pass on the second play after ensuing kick-off. The Maroon and Gray found themselves in excellent field position on the Bloom 34 and wasted little time in taking advantage of it.

On the first play left half Chris Klinger, who shed Bloom tacklers like water all night, shot up the middle for ten yards and a first down on the 23. With Bob Gutshall and Klinger alternating on the carries, the ball was moved to the Bloomsburg two.

Klinger climaxed the drive by bulling into the end zone with 4:22 remaining on the clock for the first half.

Midway through the last quarter Kurzinsky hit his fullback, Clip Martin, with a sideline screen pass on the Lock Haven 41 and he sped down the sideline into the end zone behind a wall of blockers. However, the score was nullified by a 15 yard clipping penalty, and Bloom was forced into a punting situation.

With approximately three minutes left in the game, the Eagles punted deep into Bloom territory where the ball was downed on the 18-yard line. Eight plays later coach Russ Houk's team scored another touchdown that was called back on a pushing penalty.

The touchdown play was a pass caught by end Jerry Doto in the end zone, but another Huskie was detected pushing a Lock Haven safety.

With time running out, the Eagles retained the ball long enough to prevent Bloom from getting another drive under way.
