SENIOR CLASS

MR. CAREY MARCH
Class Adviser

Looking backward at the past four years, we have known two distinct phases, two vastly different kinds of college life. Our first two years at Lock Haven were war years. There were constant depletions and additions to our membership. We saw our boys leave day by day to serve their country; several of our girls chose to wear their country's uniform; a small group went out to teach on emergency certificates to help supply the overwhelming demand for teachers. Over fifty per cent of our class spent from four to nine hours a day working in a defense plant in addition to their college work. True, many doubting Thomases looked skeptically upon our combined work-study program here at Lock Haven After the first year we proved ourselves ready and capable to adjust to and handle the arising emergency. We were extremely proud of our men and women enlisted in the armed forces all over the world. We were proud too of the small yet important part we at home were able to play toward winning a lasting peace for our country and all mankind.

The war having ended, we returned in the fall of 1945 to begin our Junior year with a new optimism, a new enthusiasm, and a new hope. Our boys were coming back! We could now look forward to a normal college life. Our halls no longer looked desolate and deserted, our classes were returning to their normal size, there was the customary noise and chatter in our dining room, rendezvous at the C. C., formal dinners, and dances, concerts, teas, yes, and we were to have a football team! — the pride and joy of any campus. We were at last enjoying the kind of campus life that we had dreamed of and hoped for.

Time is fleeting and it was hard to believe that we were Seniors. Under the skillful direction of our loyal and efficient president, Jesse Lyon, we became the most active class on campus. Our last year was highlighted by many enjoyable social functions and climaxed by our Senior Banquet and Ball at the Country Club.

WE, the Seniors of 1947, are leaving our beloved Alma Mater to step out into a vast new world—a new world finding itself in the infant stages of a great atomic age. All that it holds must be a great challenge to us as future teachers of the youth of America.

JUNIORS

As Juniors, we have experienced a great many new things. For many of us, our closest friends appear to be our pitch pipes and crayons. Others have been concentrating on the finer things in life, gymnastics and folk dancing. All in all we can't do too much complaining, as we've had a happy year.

Our biggest event of the year was sponsoring the spring formal or "Junior Prom." It was made a great success by the many newcomers on our campus.

As in our sophomore year, we were troubled with keeping our class president because our president, Arden Monson became a senior in January; therefore, Gloria Bauman, our former vice-president, became president and David Barnhart was elected vice-president..

This year has gone by very swiftly. Before long we'll be seniors and worrying about our student teaching. It seems only yesterday that we were freshmen and were bowing low and mumbling "Allah" to our upper-classmen.

SOPHOMORE CLASS

We sophomores are proud of our class.

Our orientation into the Sophomore Class was the G.I. rebellion against customs. We had looked forward to giving the incoming "Frosh" all the rough treatment that we had been given the previous year. After overcoming our disappointment, our interests and enthusiasm were devoted to college life, its activities and opportunities.

The big Sophomore event of the year was the sponsoring of the Valentine Dance, the fifteenth of February. The success of the dance automatically showed our class spirit, cooperation, and efficiency.

We sophomores enjoy life at T.C. with all its teas, dances, sports, formal dinners, educational lectures, and musical programs.

FRESHMAN CLASS

There are so many ways to talk about a college class — mention of the football team or the dean's list, the assembly programs or the bull sessions. If you add up all these things you really have the story of the Freshman Class, or a reasonable facsimile.

If the right words could be put down on paper, perhaps they would give a mirror image of the class of 1950. We have a great deal to remember about our first year at Lock Haven—the many veterans, the formals, learning new things and realizing how much we have still to learn.

The words that could make the class of 1950 different from the others who have shared our experiences would be just what being at Lock Haven has meant to each one of us. But until the old words can be made to express something that is always new, the real story of a college class can never quite be written.

COLLEGE TIMES

College Times atmosphere is created by the clicking of typewriters and familiar quotations such as: "Where is the ruler, I must measure this column? How can I change this paragraph to increase its dynamics? Where is the write-up on the last basketball game?" Editor Betty's, "Please get your articles written, the deadline is twelve tonight," is a good sign that the paper is getting ready to go to press.

The inconvenience of having the Times room in the library, has made Betty Lorigan's room the official office for the paper staff.

This year the Times has been increased to six sheets and is published twice a month with well written editorials and articles on sports, assembly programs, and interesting happenings on campus.

Those who know the news of T.C. read the Times.

Board of Directors of Student Cooperative Council

The Student Cooperative Council is composed of all members of the college. As the name suggests it is the student's governing board.

The powers of legislative actions are invested in the Board of Directors. This Board consists of the president of the Cooperative Council and the representatives of the four classes, and of every organization on campus. At least one faculty member is represented.

The biggest problem of the Board of Directors is to budget the Student Activity Fees among the different organizations on campus according to their needs.

Also, the Board of Directors annually sends two of its members to a meeting where all Teachers College students are represented to discuss topics of student government such as compulsory assembly, inter-circular activities or study hours. In this way we exchange ideas with other colleges, and see in what way we can improve ours.

In the past years the Council has sponsored an Artist Course of three numbers. The events for this year were Nan Merriman, mezzo soprano, The Baltimore Symphony, and Platoff Don Cossacks.

The Board of Directors aims to encourage good sportsmanship, courtesy, cooperation in all activities, and loyalty to the ideals of the college.

KAPPA DELTA PI

"The spirit of learning is contagious. It is caught rather than taught. It is transmitted only by those who are intellectually alive." The preceding quotation suggests the ideals of Kappa Delta Pi, an honor society in education. Membership is gained only by students having a high scholastic average in addition to possesing desirable personality traits. Our purpose is to advance the interests of education as a profession.

As an organization on campus the Delta Sigma Chapter was installed on May 12, 1928, by Dr. William C. Bagley. It has not only tried to keep people intellectually alive but has helped maintain high standards of professional growth. The meetings are concerned largely with professional topics and educational issues. Among our groups of discussions for the year were: Professional Ethics, Graduate Schools, Mental Hygiene and Education, and Current Changes in Education. As a service to the college Kappa Delta Pi members were responsible for guiding visitors during the P.S.E.A. Convention.

Th culmination of the year's activity was the banquet at the Country Club, to which alumni were invited.

SIGMA SIGMA SIGMA

Sigma Sigma Sigma successfully faced the housing shortage and began its sorority year in a new home. Rooms 130-132 were attractively arranged for both business meetings and parties.

Tri-Sig had a very full year. One of the first outstanding events was a national sorority meeting held at the Hotel New Yorker in New York City on October 26th and 27th. Three of the girls from our Alpha Rho Chapter of Sigma Sigma Sigma attended. Another highlight of October was a barbecue at the Naturalist Cabin. Guests were invited, and all enjoyed the singing and eating before the fireplace. On November 11th Tri-Sig entertained its alumni with a party in the music room. In December a Christmas party was held. Highlights of the remaining winter and spring months here at school were an all-school square dance in January, formal initiation in February, and the annual Founders' Day Banquet on April 20th at which alumni and members bade farewell to our graduating seniors.

Anyone going through Social Square shortly before Christmas vacation stopped and bought his Christmas seals at the booth provided by Tri-Sigma.

"The Harmony Hour," our sorority discussion group, was continued and each of Tri-Sigma members received the harmony booklet "The Gracious Greek."

Sigma Sigma Sigma appreciated having Mrs. Graffius continue as adviser.

The officers of Tri-Sigma are the following:

President Mary Curran
Vice-President Gwen Kephart
Recording Secretary Myrtle Stabler
Corresponding Secretary Dorothy Fletcher
Treasurer Genevieve Arseniu

First row, left to right: V. Gunsallus, H. Day, S. Mauger, B. Nevins. Second row: M. Stevenson, N. Zimmerman, J. Cook. Third row: L. Hinchcliffe, A. Curran, J. McCloskey, G. Bauman, V. Baugher, P. Bodle, J. Remick. Fourth row: J. Cummings, P. Brumbaugh, L. Conser, F. Kilsdonk, M. Bossert, M. Cook.

PI KAPPA SIGMA

The Pi Kap season was (to say the least), quite unusual, in that it functioned without sorority rooms. We couldn't complain too much though, because the other sororities faced the same handicaps. Yes, we had our full share of trouble, but sharing it made the burden seem very light.

Bar-B-Q sales — Halloween — bidding — initiations — parties — parties — parties — were prominent on the fun side; such activities completely overshadowed all our cares. Judging from our happy times together, our motto should be, "fun for all, and all for fun, and don't forget the food."

The friendly spirit makes one glad to say, "I'm a Pi Kap."

The officers are:

President	 Mary Bossert
Vice-President	 Patricia Bodle

ALPHA SIGMA TAU

When we returned to school, we discovered that our sorority rooms had been converted into apartments for faculty members. Nevertheless, we carried on an active year. We held meetings every other week in classrooms, dorm rooms, or wherever we could. At our first meeting Helene Porter, our president, gave a report on subjects brought up at the National Sorority Convention which she attended at Cincinnati, Ohio, in August.

A pledge party was given at Geraldine Petrucci's home to welcome three new pledges — Lura Lietzel, Sarah Kline, and Sally Davis. In October we gave our annual Founders' Day Banquet at the Salladaysburg Hotel. Active members, the pledges, and a number of alumni attended. Before Christmas vacation we held a party. Singing carols and going on a scavenger hunt added to the fun. In March our St. Patrick's Day Musical was given by the talent from the school and town. Our year ended with the annual Spring Banquet at the Dutch Inn.

The Zeta Chapter of Alpha Sigma Tau Sorority, under the guidance of Dr. Bottorf, spent a busy and happy year.

PANHELLENIC COUNCIL

The Panhellenic Council is an association representing all National Sororities on campus. It is composed of three members from each sorority; Sigma Sigma Sigma, Pi Kappa Sigma, and Alpha Sigma Tau.

The business this year concerned the naming of dates for bid days; the sponsoring of the annual Panhellenic tea for freshmen girls to become acquainted with sorority girls; the issuing of Panhellenic pamphlets that explain the purpose of the council and give information about each sorority; and planning for formal dance held for all sororities at the close of the school year.

Dr. Bottorf, the adviser of Alpha Sigma Tau, served as our ever helpful counselor for this year in directing the Panhellenic Council.

DELTA RHO BETA

Acquiring the room under the auditorium started the fraternity on another memory making year. Returning brothers found many new faces; found a few lost forever in Freedom's fight; and found many more married and "settled" which, in itself, is strange — for a Derby.

Remember those tureen smokers . . . the serenades to the Girls Dorm . . . the flaming Delta out front . . . those "dee-vine" tenors in the background (by special permission of the Mrs.) . . . the Derby band in assembly . . . "ARE YOU WITH US?" . . . the pajama parade and bonfire . . . the Xmas open-house with music, soft lights, refreshments — and mistletoe . . . the Derby Dance . . . the paper ceiling and colored spots . . . the Hokey Pokey?

Finally the Country Club dinner dance with the Derbies and their Alumni at their best came as a climax to a grand year's activities. Yes, in scholarship, in sports, in social life, in general school spirit, the Delta Rho Beta man measures up.

GIRL'S DORMITORY COUNCIL

The governing board of Ivy Hall is the council whose members are elected by the girls of the dormitory. Dr. Warters, the dean of women, is the adviser of this board. It is the duty of the Council to see that every one in the dormitory is given proper consideration during rest and study hours. If a girl breaks the house rules for rest and study hours a council member gives her a warning.

Ivy Hall housed approximately 160 girls this year. Dormitory life held its usual joys and excitements for everyone. The senior girls lived on first floor which was properly called "Senior Hall." On all three floors there was an atmosphere of friendliness.

Everyone helped to raise money for the student kitchen equipment by buying hot dogs which were sold by the council. Another project of the council was to raise funds to send delegates to the Eastern States Conference of Professional Schools.

One of the outstanding events of the year was open-house sponsored by residents of the men's and women's dormitories.

BOY'S DORMITORY COUNCIL

The Council consisted of eight members, two from each class. This Council cooperates with the Dean of Men H. Jack and Dean of Women J. Warters in promoting personal and group responsibility and guiding and regulating the affairs of the three hundred boys residing in the dormitory.

There was a time when one could find empty rooms throughout the boys' dorm but now one can find four or five boys in one room which makes living conditions unsatisfactory for normal living.

The boys in the dormitory are to be congratulated upon their cooperative spirit in keeping the high standards of living in the crowded dormitory.

Left to right: E. Johnson, G. Bauman, M. Swope, M. Stevenson, J. Remick, and K. Furst.

GIRLS' DAYROOM COUNCIL

The girls' day council is composed of four girls, one from each class. It cooperates with the Dean of Women in promoting personal and group responsibility in guiding and regulating the affairs of all girls in the day room.

The girls' dayroom is full of good cheer, and abundance of good fellowship. They always give a willing hand to all that need it regardless of the time of day. The dayroom will always hold a warm spot in everyone's heart long after college days are over.

The officers are:

President Carol	ine Diack
Vice-President	
Secretary Phylli	s Sechrist
Student Council Representative Jea	n Remick

MEN'S DAYROOM COUNCIL

The Men's Dayroom Council has been a campus organization for years. It aims to provide more convenient and comfortable living, for all men not residing at the college. Through the Council's efforts the men have been supplied with better facilities, including lockers, furniture, and recreational equipment.

The Christmas Formal will long be remembered not only for the excellent decorating that was done, but for the wonderful time provided all. The Council was also responsible for a number of teas that were very efficiently managed and which furnished the added spark of energy so needed for the inevitable afternoon class between three and four.

One might find upon entering the Men's Dayroom what appears to be utter chaos, ping pong, music, last minute speech and theme preparation, all appear to be going on at once. Yet a spirit of kindred friendship prevails in the highly cooperative group.

ASSOCIATION OF CHILDHOOD EDUCATION

The purpose of the Association of Childhood Education is to acquaint the members with some of the improved methods of teaching and to develop a more thorough knowledge of children in the elementary grades.

Our local chapter had a very successful year which was highlighted by parties, discussions, speakers, and various types of programs. One of the main topics reviewed for us by Mrs. Graffius, our faculty adviser, was a Year Plan for the following purposes:

- 1. Learning more about children, their habits, and activities.
- 2. Interpreting the school program.
- 3. Improving school facilities.
- 4. Improving the health of children.
- 5. Improving ways of working in the school.
- 6. Understanding the importance of state and National Organizations.
- 7. Improving local A. C. E.

ART CLUB

The Art Club was organized for students who were interested to further their knowledge in this field.

With the helpful guidance of Dr. Bottorf and Miss Wible as advisers, the club aimed to develop creative talent, student and community cultural appreciation through projects and exhibits.

For this past year the club presented several programs for assembly. The first consisted of a lecture on "Understanding the Child Through Art" and the second was a chalk talk. The Art Club also took an active part in the art conference which was held in New York.

The club closed its year with an annual banquet.

ALPHA PSI OMEGA

The National Dramatics Honorary Fraternity is the highest goal of College Players members. Membership is gained through participation in dramatic activities rated on a point scale.

Lock Haven's cast is known as Theta Zeta. It is through this organization that those college students, who are talented and extremely interested in dramatics, gain added advantages and wide interests in their field.

This year Alpha Psi Omega took into its organization three new members. Graduation time many members take leave of this fraternity. The graduates are Dorothy Heston, Peggy Swope, Patricia Bodle, James Peet, Caroline Dack, Virginia Speaker, Russell Gabel, and Henry Ryan.

COLLEGE PLAYERS

A Clare Tree Major production of "The Secret Garden" was sponsored by the club as its first activity this year.

As usual, the Costume and Make-up Forum and the Staging and Lighting Forum worked hard in preparing for "The Nativity." New wings were made for the angels and many of the costumes were revised.

A three act comedy drama, "The Bishop Misbehaves," was presented in April. Theta Zeta Cast of Alpha Psi Omega, honorary dramatics fraternity, gave an Easter play in Assembly. A number of new members were initiated into Alpha Psi Omega.

College Players welcomed into the club many former members who had returned to school after service with the armed forces.

THE LUTHERAN STUDENT ASSOCIATION

Two years ago the Lutheran students on our campus organized the Lutheran Student Association. The local branch of this association is comprised of every Lutheran student enrolled in the college.

The Lutheran Student Association aims to afford an opportunity for Lutheran students to become acquainted with one another so that they may consider and may act upon common problems in order to strengthen and encourage Christian faith.

The meetings of the group are held twice a month. The first of these meetings is in the form of a worship service. Local ministers are asked to speak. The second meeting is always of a social nature. This year both a Thanksgiving and a Christmas party were held. We also have met at the home of our advisor, Mr. Smith.

We appreciate the helpful guidance of Mr. Smith who has been our advisor since the Lutheran Student Association was formed on campus.

NEWMAN CLUB

The successful completion of its fourth year of Catholic activities at Lock Haven Teachers College is being marked by the Newman Club. The purpose of this organization is to organize Catholic students on the campus for the purpose of mutual helpfulness and united effort in promoting their religious, intellectual, moral and social standards. Other duties are to promote and to help to maintain group growth, to aid in the works of the church and to aid in the relationship of the college and the Catholic students.

The club meets twice a month to discuss current and pertinent Catholic subjects and to enjoy social events. The third Sunday of every month is set aside for the members to receive Communion at the Immaculate Conception Church.

The events for the year were discussions on marriage, rites of the church, and Catholic policies were held during the year. Socially the group has met for a "get together party," a Communion breakfast, an informal dance and an annual banquet which closed the year's activities.

THE BEL CANTOS

The large influx of new students in September brought many new members to the Bel Cantos. The lovely voices of the girls have contributed to many programs on campus and for other schools and organizations.

Under the patient leadership of Miss Ullemeyer the girls have faithfully practiced two and sometimes three hours a week. Rehearsing is such a pleasure when the girls are working with music.

The choral will close a joyous and successful season with an annual Spring Concert.

The band was there . . . all the time . . . While people cheered or did not cheer . . . When the spirit was low . . . there were concert programs . . . assembly programs . . . stirring marches, stately overtures . . . tone poems, medleys, boogiewoogie . . . every Friday afternoon at four — in the auditorium . . . one tap of the baton — a commanding look . . . the band is ready . . . the results — we have heard — the results we like . . . Some types of music, that were included in the programs, are as follows:

THE COLLEGIANS

Listen, chillun! Do you hear music? And, could it be the familiar melody of "Seems Like Old Times?" It is! That harmonious theme song will be the anchorage for many sentimental memories in future years.

The Collegians were organized in 1945 as a five-piece combo unit. After a year of inactivity, The Collegians were reorganized by Jesse Lyon and Robert Williams. After a month of independent operation, The Collegians voted unanimously to become an organization under the music program at the college. From this time on, The Collegians have played an integral part in campus activities.

The Collegians has had an outstanding record of dances. No matter where The Collegians presented their musical stylings, some renditions of certain tunes brought acclaim from all crowds. Some of these outstanding hits were: "Sophisticated Swing," "Southern Fried," "Without A Song," "Jangled Nerves," "Pretending." Oh yes! "Seems Like Old Times," the theme song that heralds both beginning and end of the dance, and also heralds the end of this article until the 1948 PRAECO.

The Collegians of this year were by no means a small band. The instrumentalists of The Collegians are as follows:

Saxes Jerry Rybicki, Kenneth Stearns, Joseph Hintenlang, Mr. Valgene Routch
Trumpets Ralph Johnson, Jack Miller, Robert Williams
Trombones William Reiter, Fletche Martin
Piano Arden Monson
Bass Viol William Whitney
Drums Keith Kline
Violins Jess Lyon, John Vairo

ENGLISH CLUB

This school year of 1946-1947 has been another one of enthusiasm for the English Club. Although most of its members are English majors or minors, the club is not exclusive. Anyone who is interested in literature is welcome.

Drama was the center of interest for the meetings this year. Consequently the meetings, except the Christmas one, were devoted to the discussion of the drama of Shakespeare, Congreve, Sheridan, Gilbert, and Sullivan, Oscar Wilde, and Bernard Shaw. The December gathering was celebrated at the Naturalist Cabin in the traditional manner — Dickens Christmas Carol (on records), carol singing, the blazing plum pudding — and the reading of The Littlest Angel. The highlight of the year was local talent night, at which time everyone was given a chance to present some writing of his own.

Each year this organization publishes the *Crucible*, a collection of literary work done entirely by students. Everyone is encouraged to submit material to this publication.

The officers for this year:

President Miriam Niemond
Vice-President Gwendolyn Kephart
Secretary-Treasurer Mary Curran
Student Council Representative Anna Lee Barnes
Crucible Editor Betty Lorigan

NATURALISTS CLUB

In 1925 the Naturalists Club was organized and known as the "Happy Harvesters." The club was named by the Normal School students, who were interested in outdoor life and nature study. Mr. Levi J. Ulmer, the father of Mr. David Ulmer, our biology teacher, was the founder of the club, and remained its adviser until 1943.

At the present time the adviser is Dr. Fountain. The emblem of the club is the acorn, the flower is the sweetpea, and the colors green and white. Its membership is limited to thirty. Three new members were elected second semester to fulfill this quota, for those who graduatd in January.

1947 was one of the top years for the Naturalists. The outstanding events of the year included our parties in the fall, roasting hot dogs and singing songs, repairing our cabin, and early morning breakfast.

Our greatest event, as every year, was Homecoming. It was a great pleasure to see our alumni back in an environment they enjoyed so much when they were students.

DIRECTORS OF PHYSICAL EDUCATION

Lock Haven State Teachers College specializes in the prepation of teachers of physical education and health education. Nearly half of its students expect to be graduated with a degree in that curriculum. Graduates in this field have professional opportunities of many different kinds. Most popular is the teaching of physical education and health education in our Pennsylvania High Schools. Some graduates prefer coaching positions in sports such as football, basketball, softball, swimming, track.

Both undergraduates and graduates also have many opportunities for profitable part-time employment as camp counsellors and summer playground leaders. Year round employment in organized recreation includes work as leaders in city recreation programs and in organizations such as the Y.M.C.A. and Y.W.C.A.

Successful teachers frequently become supervisors of health and physical education in the elementary and secondary schools of larger cities and administrators of departments of health and physical education in large schools and in organized community recreation.

The science courses required of all students majoring in the curriculum of health and physical education give excellent preparation not only for positions as health education teachers but also for increased specialization in many different aspects of health. The fields of physical therapy, public health and social service are expanding rapidly and there are many professional calls for trained health educators.

During the past year the program in this professional curriculum has been greatly improved by the addition of several new staff members with advanced technical training and the gradual improvement in facilities. Standards of accomplishment are being raised in both activity courses and the academic work so that our graduates should soon compare favorably with the best in the country.

Courses are being made very practical by the frequent use of projects in real life throughout the college and surrounding communities. The students actually coach and officiate, conduct recreational programs and put on demonstrations of various activities before they actually begin their formal student teaching.

A varied program of intra-mural and inter-collegiate sports competition makes it possible for every student to participate in advanced competition of his choice. The caliber of competition offered here compares favorably with that in the better colleges of the state and is steadily improving.

With sound preparation in the fundamentals of physical education, health education and recreation, graduates will be increasingly successful in their professional careers, adding further prestige and status to the fine accomplishments of many graduates now active throughout the state and the nation. The staff of this department is definitely committed and earnestly working to make it one of the best of its kind in the country. The students in the curriculum have responded well. Definite progress is being made toward this end.

After a five-year absence from the campus, Varsity Soccer once again became a major sport. The team got off to a late start, and due to the lack of equipment and scarcity of soccer teams in this region, played an abbreviated schedule.

The team did not have a full time coach. Clair Young, who is a graduate of this year's class acted as student coach.

Lock Haven's first post-war boxing team under the guidance of George Barnes, completed the season with one win against 4 losses. Most of the scrappers were inexperienced, with the exception of Jim Smith, who was the only undefeated scrapper on the team.

CHEERLEADERS

This year a new group of girls under the W. A. A. worked together as cheerleaders. The members of the squad were selected from a large number of tryouts.

Since the group of girls was new, it meant that each member must practice and practice; with a great deal of enthusiasm the girls worked hard. Even though crippled and tired from practice they kept discouragement under control.

Dr. Zimmerli, the adviser, should be saluted for the success of the squad. She kindly helped the cheerleaders with their troubles and faults. Every practice ended with more pep in movements and more zip in every cheer.

"Bo Faust," the captain, a long time cheerleader, encouraged and worked with the squad on their "YEA TEAM . . . FIGHT! FIGHT!"

Next year the squad's intentions are to strive towards cheering which will put Lock Haven in "there" for more and more V-I-C-T-O-R-Y.

WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association again took the leadership of the women's organizations of the campus. Under the guiding hand of Barbara Coates as president and Miss Smith as adviser many sports, both varsity and intramural, were provided for the girls.

One of the first sports sponsored this year was an archery tournament. Later as the year progressed such activities as volleyball, badminton, synchronized swimming, varsity and intramural basketball, varsity and intramural hockey and tennis were offered.

A new system of planning meetings was tried this year with great success. The members of each class were appointed to take charge of the monthly meetings, such varied programs as a wiener roast at the Naturalist cabin and recreational games in the gymnasium were enjoyed.

The organization closed the year's activities with the annual picnic at Price Park. At this picnic those girls who had earned enough points were given awards ranging from letters to sweaters for the Senior award.

THE GIRLS' FIELD HOCKEY

The girls' field hockey team chased through another season with one loss to three victories. The girls lost to Millersville 7-5 on the opponents field but won all other games by a large margin.

Without a doubt, the home game with Millersville was the best of the year. The girls swam through six inches of mud and water to defeat their rivals. Only one player, Helen King, goalie, survived without falling at least once during the period of the game.

The four dorm teams were The Characters, captained by Barbara Gardner, the ? Champs led by Martha Markley, The Big Timers under leadership of Phyllis Sowers, and The Its captained by Betty Lou Thompson.

A round robin tournament was played and the Its captured the champion-ship.

GIRLS BASKETBALL VARSITY

The girls had a light schedule this year, because many colleges have discontinued inter-collegiate basketball. However, Virginia Baugher, manager, did arange games with four other schools.

Betty Hanka, captain, and Barbara Gardner led their teammates to three victories and a tie game.

The Junior Varsity team also had several games scheduled with the Lock Haven Y. Our Junior Varsity won both games.

SYNCHRONIZED SWIMMING

The synchronized swimming team was organized in the fall under the supervision of Miss Spikings. This year the group consisted of both girls and boys. For those who are not familiar with the term synchronized swimming, it can be defined in several words, swimming together and also to music. Many lovely patterns and floating formations can be made as well as performing stunts and combining strokes. In general, synchronized swimming requires endurance, not speed, but versatility in the use of all the strokes not the specialization of one stroke but the ability to adopt one's stroke to the average rhythm of the group.

This type of swimming is not only fun to participate in, but also to see. The first performance by eight of its members was held Dec. 13, 1946 at the Y.M.C.A. in Harrisburg for the A.A.H.P.E.R. Convention. The group demonstrated stunts and stroke and participated in several synchronized numbers. T.C. was proud to be able to contribute to the convention program with Temple University and West Chester.

After practicing for several months the swimming team was ready to entertain the public with stunts, formations, ballet and swimming in unison to music. Two performances were held on March 12 and 13 before a crowded audience.

Several of the main features of the program were: Stunts and strokes demonstrated by F. Kilsdonk and W. Golebieski, "Rhapsody in Blue," a duet by B. Bonfilio and R. Castle; "Sonata" by a trio consisting of B. Faust, M. Simpson and J. Miller, and a "Candlelight" number by six girls. Another attraction was many types of dives by J. Miller, B. Golebieski, L. Brion, D. Hurd, B. Castle, H. Pinge, and S. Dann.

The members of the synchronized swimming team are:

Bonnie Bonfilio, Ronald Castle, Sye Dann, Joan Murphy, Betty Lou Faust, Betty Lou Thompson, William Golebieski, Shirley Cohick, Marian Fredricks, Frances Kilsdonk, Martha Simpson, Jack Miller, Helene Porter, Virginia Baugher, Edith Mechtely; Adviser, Lorraine Spikings.
