Dear Alumni Friends:

Thank you for your continued interest in Bloomsburg University and your fellow alumni, reflected by your purchase of the 1987 Alumni Directory. At a time when some alumni directories are being offered for \$50 or more, your Board of Directors committed itself to publishing a quality directory at the lowest price possible. The resulting price of \$15 is even less than the 1979 Bloomsburg directory price of \$15.95 for soft-bound and \$29.95 for hard-bound.

As you might suspect, a directory of any kind is out of date even before the ink is dry. For example, the Alumni Office has received as many as 1,300 address changes after just one mailing of THE ALUMNI QUARTERLY. This directory contains information available to us in late 1986. As always, the staff of the Alumni Office stands ready to help you update the addresses of friends and classmates who have moved.

Telephone numbers are not included in the directory because we did not want to publish unlisted numbers inadvertently. With a name and address, you can obtain a telephone number from directory assistance if you wish.

This reference book is actually two directories in one: From the front it is an alphabetical listing of all alumni; from the back it is a listing by class year.

If there is enough interest, the Alumni Board of Directors hopes to publish a directory every three to five years. We welcome your suggestions and ideas for improving future directories.

Sincerely,

Doug Hippenstiel
