KENNEDY'S LATEST MIRACLE PLAY A GREAT SUCCESS

Easy Life of Christ Well Portrayed
by Players

The climax to this year's entertainment course was the presentation of "The Chastening," a modern miracle play by Charles Rann Kennedy, in the auditorium last evening. This play is considered by some critics to be his masterpiece. Mr. Kennedy himself played the part of Joseph, the carpenter. Edith Wynn Matthison, who in private life is Mrs. Kennedy, was his wife, Mary. The part of the son was presented by Margaret Gage.

The audience seemed almost immediately to enter into the spirit of the play. As a miracle play dealing with a simple domestic problem, it portrayed the great unselfish sacrifice of mother love. The need for understanding and sympathy with the desires of each individual of a family group stood out plainly. As a spiritual factor, the force of the play moved the entire audience. The human, everyday qualities of the Holy Family made their appeal. Mr. Kennedy is one of the few writers who consider the stage a power for didactic and spiritual purposes. This play coincides with that belief.

In the performance of this unusual and original play, great dramatic ability was displayed. Even though the play does not contain a large amount of external action, the dramatic effect was remarkable. The audience sat tense with interest as they listened to the unfolding of the story.

"THE ROMANCES" TO BE

HIT OF CLOSING SEASON

"The Romances," a three act comedy by Edmund Rostand, has been selected for the dramatic presentation of Commencement week. This play may take place anywhere, but the scene of version that the English Department will present, is laid in France. The time is about 1700.

An especially strong cast selected only after many try-outs will present this high light of the Commencement season. Elaborate costumes and decorations will make this humorous drama the peer of all the plays given at Shippensburg Normal this year.

Miss Jean Ferguson '23, will play the leading role as Sylvette, ably supported by Nesbit Straley '23 in the character of Percinette. William Hudson '24 will take the part of Straforel. Wilson Dodd '24 will portray the character of Bergamin, Percinet's father while Roy Kriener '23 will play the part of Pasquinot. Sylvette's father. Philip Mosescu '24 will take the part of Blaise, the gardener.

Miss Parks head of the English department is directing the play and has planned for very elaborate costumes and decorations for the occasion.

WARFEL ADDRESSES Y. M. ON "PRIDE AND HUMILITY"

The topic, "Pride and Humility," was discussed by Harvey Warfel at the Y. M. C. A. meeting on Sunday evening. Mr. Warfel stated that Humility would be a good motto for life. He gave as example to prove his statements the lives of Christ, David, Lincoln and several others, all of whom were great men on account of their humility. In this discussion Mr. Warfel quoted the well known passage from the Bible, "pride goeth before destruction and a haughty spirit before a fall." He gave as examples of men who fell because of pride; Saul, a Biblical character, and the Kaiser, a present day character. In closing Mr. Warfel said, "Let us be humble all thru life, even during success, then we will be truly great."

NORMAL ANNIVERSARY TO PRESENT ORIGINAL PLAY

H. H. Baish '95 Will Preside and
Deliver Opening Address

The Fiftieth Anniversary of the founding of the Normal Literary Society will be celebrated next Friday evening in the chapel. A program of unusual calibre is being prepared with much care. The society is sparing no pains to make this one of the biggest events of the school year. The decorations planned are of a different nature from those of former occasions such as this one.

Probably the outstanding number of the program will be the play written by Miss Carolyn Cox '23 and Miss Aleta Hatch '23. This sketch is to portray school life at C. V. S. N. S. several decades ago and at the present time. Persons who have been around the school during the past years say that nothing of this sort has ever been attempted before and is a departure from the usual order of events.

The musical side of the program will consist of a male quartet by Clifford Smith '25, Andrew Sterner '23, Harry Markley '26, and Clarence Shuler '25. The Glee Club will present the opening musical number with two selections from "High Jinks." A violin quartet will complete the music of the entertainment.

Wilson Dodd '24 will deliver the oration. Although Mr. Dodd has been at Shippensburg but one year his work in the society and school has been outstanding. Miss Cassandra Flaherty '23 has always been able to give to the society a recitation or reading in a most creditable manner so when the program was being made out she could not help but be asked to take a part on this program.

Little is known as to the nature of the dance but some equal to the rest of the numbers will be presented. H. H. Baish '95 will be the presiding officer for the evening and deliver the address at the opening of the program. The Society orchestra will furnish music at different intervals during the evening.

MT. ALTO FORESTRY TEAM PROMISES HARD FIGHT

Shippensburg students will witness what promises to be one of the most closely contested baseball games of the season when the Red and Blue diamond artists cross bats with the Mt. Alto Forestry School nine at 2:30 o'clock tomorrow afternoon on Eckels Field. The Cumberland Valley Camp is not in possession of much definite knowledge about the strength of the invaders but all indications are that the back-woods school has a fighting squad of batsmen who are out to avenge the defeats they met at Shippensburg's hands during the past basketball season.

Coach Sharadin has given the men a careful grooming since the Millersville defeat last Saturday and they should be in top form for the fray. Shull, who has made an enviable record with a large number of strikeouts so far this season, is scheduled to do the twirling.

The line-up will probably be as follows:

Mt. Alto		Shippensburg
Carnegie	1f	Bailey
Smith	1b	Grba
Bowlby	ss	Rice
Sipe	3b	Orner
Sweitzer	rf	Uish
Oetmeier	cf	McDermitt
Forsyth	2b	Strike
Sebring	c	Hays
Dunmire	p	Shull

Irate student—I am going to sue my English teacher for libel. He wrote on my theme, "You have bad relatives and antecedents."

PLANS FOR COMMENCEMENT ARE NEAR COMPLETION

Dr. Lehman to Be Toastmaster at
Senior Banquet

Gala plans are nearing completion for the Commencement exercises of the class of '23. From the time of the Training School Commencement on June 7, to the Commencement of the Seniors on June 13th, the school will be in one whirl of excitement.

A varied program is planned for the recital to be given by Miss Wright's students Friday, June 9th. The guests and student body will be entertained by vocal solos, duets and piano selections. Mr. Slyter will conduct a concert Monday, the 11th. The Girls' Choral Society, Boys' Chorus and the orchestra will furnish the selections that evening.

Saturday morning the Senior Class will be addressed by the Dean, Professor Heiges. Dr. Lehman will be toastmaster at the Senior Banquet Saturday evening. That same evening the remainder of the student body will attend the dance at which the Underclassmen are the hosts.

Class day exercises will be held Tuesday morning and the rest of the day will be given over to the Alumni. The students are looking forward to the alumni parade to be led by the school band. There is much speculation as to the outcome of the Alumni-Varsity Base-Ball game to be played at 4 o'clock.

The Commencement play and the dance arranged by the Alumni conclude the activities of the day.

The Baccalaureate Services will be held Sunday evening, June 10. Rev. S. Winfield Herman of Zion Lutheran Church, of Harrisburg will deliver the address.

VARSLITY OPPOSES MILLERSVILLE NINE NEXT WEEK END

Normalites who are back for their annual society reunion will have the opportunity of seeing the Shippensburg nine battle with the diamond men from Millersville Normal, C. V.'s ancient rival, when the two aggregations meet in mortal combat on Eckels field next Saturday afternoon.

Already Millersville has taken the measure of the Valley men, having captured a dearly bought 14 to 12 victory on the former's field last Saturday, but the attitude of the Shippensburg squad is that the visitors will have to perform miracles in order to repeat this win.

The Orange and Black team will come here with a string of victories behind them and this contest promises to be one of the highest lights of a gala week end. Coach Sharadin's proteges will spend the next five days in strenuous work outs preparatory to this important game.

GIRLS' TRACK MEET TO BE HELD THIS EVENING

The girls' annual combined track and field meet was held this evening at 4:15. The events were as follows: 50 yard dash, running board jump, 100 yard dash, relay race—four members to a team, standing broad jump, running highjump and basket-ball overhead far-throw.

The average record taken in each class shows the seniors to be superior in all of the events, with an average of 3-2 in the high jump, 5-2 standing broad jump, 8-10 running broad jump, and 28-2 in the basket-ball throw. The Juniors stand second with an average of 3 ft. in the high jump, 4-9 standing broad jump, 8 running broad and 37 basket-ball throw.

Representatives of the three classes were selected and have worked hard in preparation for the event. One added attraction to the program was the stunt "skin the snake."

MILLERSVILLE AND SHEPHERDSTOWN HAMMER RED AND BLUE PITCHERS

Jinx Hits Shippensburg Batsmen Last Saturday And Stays Throughout Week

The Shippensburg Varsity journeyed to Millersville last Saturday where they crossed bats with the Millersville squad which finally proved a win for the Millersville aggregation with a tally of 14 to 12. The contest was played on a rain soaked field and the last three innings were played in a driving rain which made the fielding nearly impossible. The game was slow from start to finish and many errors were accredited to both teams; Shippensburg's errors, however, were the most costly ones of the game.

Bailey opened the initial inning of the fray with a single while Capt. Hays stepped to the plate with one on the hook and clouted out a double bagger thus scoring Bailey and Hays, triple sack. Grba made a sensational hit by driving the ball into the lake in deep left which was good for a two bagger thus scoring Bailey and Hays. The Millersville outfit came to the bat and also registered two tallies which tied the score in the first inning. Strike kept up the good work in the second by romping home on Uish's two baser which put Shippensburg in the lead by one score. The second, third and fourth sessions were uneventful for Millersville while only the third was without events for the Red and Blue lads. During the fourth and fifth three more circuits were completed by Hays, McDermitt and Orner. The Millersville lads kept pounding away in the fifth and sixth and secured two points when Detweiler tallied in the fifth and Larkins smashed out a triple bagger and scored on the two runs in the sixth which made the score 8 to 4 with the Red and Blue at the big end of the string. McDermitt again circled the bases in the seventh session accompanied by Shull which gave Shippensburg a very comfortable lead. Millersville came back strong in the seventh with four runs from the first five men at bat which brought the score up to 10-8. The eighth session was uneventful for the visiting lads at the bat while the Millersville boys opened the inning by scoring twice. Coach Sharadin recalled Shull from the mound and installed Harbaugh for the Cumberland Valley nine. The four succeeding men up, from Millersville found Harbaugh and knocked two doubles and a pair of singles out, and all four men registered thus putting Millersville in the lead by four tallies. Harbaugh was

(Continued on Page Four)

FORENSIC ARTISTS TO BE AT PHILO TONIGHT

The question, "Resolved, that the permanent officers of the Senior class should be elected by another method," will be debated at Philo tonight in the meeting held at the Training School. Reba Shue '24 and Frank Thornton '23 compose the affirmative side while Mildred Kapp '23 and John Seal '24, are on the negative side.

There will be several musical numbers on the program. A quartette consisting of Josephine Clark '24, Mildred Mercer '23, Dorothy Curtis '24 and Clara Robinson '23, will sing negro folk-songs. A piano solo, "Woodland Echoes" by A. P. Wyman will be rendered by Thelma McBride, while Philo march composed by a former Philomathean will be played by Anna Steele '23.

Dorothy Koser '23 will recite "The Leak in the Dyke" by Phoebe Cary. The impromptu class this week will be in charge of Jess Guyer '23 and the Philo Review will be edited by Maryetta Houck '23.

Unable to stop the heavy slugging of the West Virginians the Varsity nine bowed to the Shepherdstown College boys when they invaded the Eckels Field last Thursday evening at 4:15 o'clock.

The Red and Blue outfit started off with a bang when McDermitt came to the plate with one on the hook and smashed out a double bagger. Capt. Hays hit a single and McDermitt advanced to third. Grba hit a two bagger into deep left and McDermitt and Hays crossed home. Rice knocked a fly ball but the opponents receiver muffed and Rice reached first. Strike slammed out a single to short and Grba was thrown out running to third.

The College gang started off the second session with a strike out and two put outs at first which brought our boys from the field and Uish to bat where he was hit and stepped to first. Shull swung the club second and fled out. Bailey was put out at the initial sack and McDermitt at the bat. Uish stole toward the triple bag but was caught between second and third by short.

The visitors began the third inning with a strike out and a little swat which climbed over Strike's head on the first bounce and the man made first base. The third man up pounded out the ball into deep center and sent his man home but was caught himself on the home stretch in trying for a complete circle. Hays was the only one who was permitted to score for the Normalites in the third stanza which made the score 3 to 1 with Shippensburg at the top. The West Virginia batsmen showed their skill in the fourth with a pair of triples and a pair of singles and registering five tallies which put them on top with a lead of 3 scores. The fourth, fifth and sixth were without events for both teams. Grba was sent in the box in the fifth session to relieve Shull who was shifted to the first hassock in Grba's absence. The Red and Blue swatters were strong in the seventh when McDermitt and Hays were on base with two gone to the wind and Grba clouted out a neat single into center which sent McDermitt and Hays across the pan at home. The visitors located Grba in the eighth and due to a few errors in the field the College nine tallied thrice in the eighth and once in the ninth which put the score up to 12-5 with Shippensburg dragging up in the rear, but the ninth stanza looked as though defeat would be turned into victory when McDermitt, Grba and Hays scored

(Continued on Page Four)

NORMAL SOCIETY TO OBSERVE MUSIC WEEK

Normalites may expect one of the best programs of the year tonight. The play committee expects to give a special feature which will be different from anything ever presented at Normal. Miss Ruth Wahrman '24 will recite the selection, "Press On," by Park Benjamin. The topics of the day will be discussed by Clair Kelly '22. The Question Box, a unique form of entertainment in charge of Miss Alma Crawford and the Gazette by Miss Bertha Keemer '23 will tend to make the literary part of the program a success.

A fitting observance of Music Week has been arranged. Miss Mary Cross '23 will play a piano solo, "Star-Land" by Losey. The Boy's Chorus, Mr. Andrew Sterner chairman and the instrumental music, Mr. Arthur Filler '24 chairman, conclude the evening's entertainment.

THE CAMPUS REFLECTOR

FRIDAY, MAY 18, 1923

A BETTER CAMPUS REFLECTOR

As the second semester draws to a close, the staff of this publication is beginning to make plans for the school year of 1923-1924. It is sure that the official paper of the school will grow in proportion to the school itself and will also be honored with a greater responsibility. A slow but steady growth is predicted.

For almost one semester the CAMPUS REFLECTOR has endeavored to give the best of service to the friends of Shippensburg Normal and its present condition is a mute testimony to the assertions that it has succeeded. But the staff is not satisfied, and an unusual effort is to be made in the near future to increase the subscription among the students and the alumni and to make the paper more of a chronicle of the day's events.

The staff has a right to expect the co-operation of the student body and of the alumni and it is fairly well assured of this co-operation through the record of the past. Nevertheless, the staff feels that a more hearty response on the part of the students would be a great help in making a bigger and a better paper for next year. Let's all get back of the REFLECTOR and help put it across for next year.

WHY WORK?

Generally speaking, everybody hates to work, so why work? Why not go ahead having a good time continuously? Ask that question of Dean Heiges and he will probably have something to say about the matter, for more below grades were sent into the office this past month than have been for several years. "Work," said a prominent writer, "is a panacea for many an ill of human kind" and it is also the only remedy that can be found for the present epidemic of below grades at this school.

We have had our fun. We have attended numerous social functions, anniversaries and athletic contests. The casual observer might be led to believe that a great many students are here for the express purpose of attending such affairs. Primarily, however, most of us came to receive professional training and the report of the office certainly indicates that a great many students are not getting as much out of their courses as the school demands.

Work is the only cure and the time to begin is the present. The four weeks that are directly ahead are undoubtedly the most important of the semester. The work done now will greatly determine the grades that will be handed into the office in June. Every student who is below grade will have to get to work. Get busy and make C. V. S. N. S. a champion in scholarship.

PHILO REVIEW SCORES SPECTACULAR SUCCESS

The program at Philo Society last Friday night was largely a musical one. The Boys' chorus with John Harris '25 in charge made its initial appearance. The chorus sang "Sweet and Low" which was well received by the audience. Miss Mary Stoner '23 sang "The Sunshine of Your Smile" and Miss Nellie Lindemuth '23 and Miss Mary Wierman '23 gave a piano duet entitled "O Belle Nuit" from "The Tales of Hoffman."

The main feature of the literary part of the program was the Philo Review which was edited and read by Miss Prudence Markey '23. Miss Trimmer '23 gave an essay on the "Life of Florence Nightingale" which was most interesting. The remainder of the literary program consisted of a humorous recitation "In the Elevator" by Miss Mildred Strike '23 and a book review by Miss Rose Umbrell '22. Miss Robinson as the visiting teacher complimented the society on its splendid reunion program and made suggestions for bettering the attendance.

MOTHER'S DAY OBSERVED IN SUNDAY SCHOOL

The Mother's Day services held last Sunday morning in the chapel during the Sunday School hour were in charge of Prof. J. K. Stewart who read a "Tribute to Mother." Miss Miriam Embick '24 gave a reading entitled "Mother's Love." Mr. Edward Bowman '23 gave a good presentation of "Somebody's Mother." The musical numbers were given by Miss Nina Ruth '23 and Mr. Harry Markley '24. Both selections were full of praise and love for all mothers.

JUNIORS TO RECEIVE SPECIAL PRIVILEGES

At a meeting of the Representative Board of the Men's Student Government Association held on Wednesday evening it was decided to extend the special privileges to the Junior men following the installation of next year's officers. It was also decided to call a meeting of all the male boarding students for the purpose of electing officers for next year. The Board will furnish pictures of all the athletic teams of the school beginning with the year 1918, for the Y. M. C. A. room.

RESERVES DROP FIRST GAME TO SHIPPENSBURG A. STARS

The Reserve nine played their initial game of the season here last Saturday when they met and were defeated by the fast Shippensburg All Stars by the score of 6 to 4. The game was played despite the fact that a heavy falling of rain and a strong westerly gale swept over the diamond during the opening innings of the fray.

"Lefty" Walters twirled for the Normal outfit and was in rare pitching form as he had twelve strike-outs and allowed the dark nine only two earned runs. The school boys played a good game considering the fact that the lineup was born on Saturday morning and that the team had no practice together at all.

The colored aggregation opened the game by scoring a run in the first inning while the reserves were unable to score until the fourth inning when Greb, Henry, and Walters crossed the home plate and registered three runs thus putting the reserve in the lead by two tallies. The town batsmen came back in the fifth session strong with two runs and tying the score. In the sixth session Greb scored for the normalites which put the town nine in the arrears by one tally, but they came to their own rescue in the seventh and eighth innings when they tallied three more runs, which gave them the big end of the string.

The features of the game were the home run which was slugged by the opponents' left fielder, Paoiton, and the timely two-bagger of Harrey's which scored Walters and Greb in the fourth inning.

The Score by Innings

Reserves	0	0	3	0	1	0	0	0	4
All Stars	1	0	0	0	2	0	2	1	0

TRAINING SCHOOL SINGS IN OPERETTA

The outstanding number on the Training School assembly program for this week was the operetta, "The Shut Up Posy," an allegorical story in song and dance, recitation and dialogue, of the awakening of Spring.

The sleeping spring lay on a verdant couch before an attractive vine-latticed background; while the variedly costumed flower and folk and fairy people strove in vain to awaken her until the Shut Up Posy's plea aroused her from her deep sleep.

Unusual credit is due the committee for the praiseworthy way in which the program was planned and carried out. The program was the best that has been given in the training school this year.

In addition to the operetta, the program included a solo, a quartet, and two excellent illustrated talks—one on Shubert and the other on Pennsylvania composers.

The regular assembly program for next week will be omitted because of the May fete which is to be given on the lawn by the Training School children on Friday, May 25.

SH-H-H-H

Here's a secret to be whispered in strictest privacy, for it is not yet generally known. Perhaps you better have your roommate read this article before you peruse further. He can tell you it is safe for you to learn about this surprise. Meanwhile, to prepare your mind for this remarkable disclosure, just ask the best dressed fellows at the school where they buy their snappy clothes. A great many of them journey to Harrisburg in order to get good looking clothes of worthwhile quality at Doutrich's. It's always worth the trip for they get their money's worth. (This is the song the motor chugs or the rails hum over and over: Onward to the reliable store. Where style excels and money's more. Without a nymore ado, even though the verse does keep ringing in our ears, we'll impart this state affair which you may have faintly suspected. "CY" Bambuger bought that dashy new suit of his at Doutrich's this week. If you haven't seen it, girls, just keep your eyes open. It's appearance is soon due. He's a regular patron of this store. He's looking forward to being a model in this establishment.

REFLECTIONS

"BOOTS" SHULER '24

To tennis season we remove our hat,
To all the players, this and that
We hear "Forty Love"
Or "Heavens above"
Or "I never knew you could play like that."

The wind began
At half-past two,
With much destruction
It's fury grew.

We sat together
In Two Forty Five,
Fearing each minute
The loss of lives.

The window glass
Above the door,
With a terrible crash
Covered the floor.

Bed covers flew
In upward flight,
And little sleep
Was secured that night.

The chairs began
The floor to roam,
Our thoughts return
To those at home.

We longed to be
Where wind blows not,
Where bluebirds sing
Whether cold or hot.

NORMALITES DELIGHTED BY IMPROMPTU CLASS

The question, "Resolved, that the Daylight Saving Plan should be adopted in Pennsylvania" was debated in Normal Society last Friday night. Miss Zoila Gardner '23 and Miss Pearl Witmer '23 debated the affirmative side, while Francis Firth '23 and Roger Jones '23 defended the negative side. Mr. Firth gave the society interesting information about farm-life, especially concerning the habits of cows and chickens. The decision of the judges was in favor of the affirmative. The decision of the house, after an interesting general debate, was also given affirmatively.

The Impromptu class with Mr. C. Sell '24, chairman, was instructive and entertaining. A brief debate on the question, "Resolved, that Campusology is detrimental to the student," was one feature of this number. The Gazette, Rose McCahn '23, chairman, was both original and clever. Clifford Smith '25 as "Jim" and Madelyn Brown '23 as "Sadie," represented "Fifth Alley," while Ruth Frank '25 as "Miss Brown" and Paul Shull '23 as "Mr. Lansing" represented "Fifth Avenue." Miss Margaret Saunderson '23 recited "Asleep at the Switch."

The musical numbers were a selection by the Glee Club and a violin duet by Miss Mary Good '23 and Miss Helen Emig '23.

At this meeting new officers were installed. Miss Harris, the visiting teacher, made favorable comments on the program.

PUBLIC SCHOOL READING CLASS LISTENS TO VICTROLA CONCERT

A second victrola entertainment was given by Miss Turner for the pupils of the two seventh grade reading classes in the Shippensburg Public Schools on Friday last.

A similar program for the two eighth grade reading classes was given about two weeks ago.

This seventh grade program was made up mostly of musical interpretations of memory gems, and included the following:

The selections were prefaced with explanatory talks that added greatly to appreciation and sometimes by the reading of the poem to be sung. Two timely and much appreciated numbers were those made up of twenty or twenty-five bird songs; while the closing popular melody was "The Whistler and His Dg."

The program was declared a huge success, and a vote of thanks was tendered Professor Harley for his kindness in furnishing the victrola.

VIRGINIA RANCK '23

We wished in vain
In peace to be,
From this terrible wind
And misery.

Our prayers were heard
The rain drops ceased,
The wind's great fury
Also decreased.

And now the room
Awaits the day,
When things in position
Shall be placed to stay.

Saturday night is at hand once more,
Seniors out, as we said before.

One thing we know
Roll Call at the show.
Of the girls of third and fourth floor.

DON'TS

Pay your class dues until the fifth notice from the rostrum
Tell the truth to the Student Council. The shock would be too strong for their weak constitutions.

Take two cuts in a class. Take as many cuts as you can get.

Pay for your tennis racquet. Have it put on your book bill.

Be too polite to the Faculty. They want to feel at home.

Go to the edge of the campus. If you do feel like going away, don't express your thoughts.

Recite on hot days.

MENTAL TESTS GIVEN IN TRAINING SCHOOL

The Terman Revision of the Binet Simon Mental Test is being administered to one hundred five children in the Training School who were not tested last year. This work is being done by the class in Mental Measurements under the supervision of Miss Robinson.

There are also being given by members of the class in Educational Tests, the Monroe Silent Reading Tests, the Gray Oral Reading Tests, the Thorndike Vocabulary Tests in reading; spelling tests devised from the Buckingham extension of Ayers Scale; Harlan's History Test, and the Monhoe's Reading Tests in Arithmetic.

INTERESTING SUBJECT DISCUSSED AT Y. W. C. A.

The "Inner Circle," a discussion by Miss Virginia Ranck '23, who was in charge of the Y. W. C. A. services last Sunday evening, was instructive and unusually interesting. The circles of faith, service, fellowship, privilege, and love, were explained respectively. In the inner circle of love there are few people because the majority of Christians are satisfied with the outer circle. That the "Inner Circle" should be the goal of the Y. W. C. A. was a thought forcibly presented.

"Tender Recollections" a musical selection in keeping with Mother's Day, was given by Miss Nina Ruth '23. Sentence Prayers were offered by a number of the girls.

HYPOTHETICAL CASE TRIED BEFORE STUDENT COUNCIL

The newly elected officers of the Girls' Student Council met for the first time with the members of the old council last Monday evening. Since there were no cases of discipline to be brought before the council a hypothetical case was discussed and action was taken in order to give the incoming officers an idea of the nature of their duties and to familiarize them with the method of procedure used in council meetings.

The misuse of the electric iron in the pressing room was discussed and the importance of care in handling the iron was heavily stressed.

The council was very much pleased with the noticeable improvement in the order before bells. The girls who rise early for tennis and cycling have cooperated with the council and as a result there have been no complaints of noise.

Patronize our advertisers. You are helping your paper when you make a purchase. Tell the salesmen that you are a student of C. V. S. N. S.

PROF. STEWART TO SPEAK AT MEMORIAL SERVICES

Professor J. K. Stewart, head of the Latin Department, will be the principal speaker at the Memorial Day exercises May 30, under the auspices of the local posts of the American Legion and the G. A. R. On next Friday night, Professor Stewart will officiate in a similar capacity at the annual Commencement exercises of the Thompsettown High School. Mr. Stewart plans to attend a number of schools during the next few weeks and to deliver addresses at the Commencement exercises of those schools.

GIRLS' STUDENT COUNCIL OFFICERS INSTALLED

The installation of the new officers of the Girls' Student Council was held last Tuesday during Chapel. Mary Hoover '23, the retiring Pres., enumerated the responsibilities of the new officers. After taking the oath of office, Helen Miller '25, the new president, asked the students for their cooperation and promised to do her best for the girls.

The new officers are: Helen Miller '25, Pres.; Sarah Rider '24, Vice Pres.; Thelma Heckman '24, Sec., and Margaret Felton '24, Treasurer.

Some people don't get spring fever. They keep it.

APPROPRIATE PICTURE SHOWN ON EVE OF MOTHER'S DAY

An especially appropriate movie, "Over the Hill," was shown last Saturday evening, the eve of Mother's Day. This scenario is based on the widely known poems of Will Carlton, "Over the Hill to the Poor-House" and "Over the Hill from the Poor-House." While some liberty is taken with the story as told in the poems the theme is followed throughout the picture.

Besides the main picture there was a Pathe Comedy entitled, "Sunny Sam" and an educational film dealing with the historical buildings and statues of ancient Rome.

REV. LINDSAY LEADS MID-WEEK PRAYER SERVICE

Rev. J. D. Lindsay, Pastor of the Presbyterian Church of Shippensburg, addressed the mid-week prayer service Wednesday evening. His text was taken from the fourth chapter of Mark; "All wonder at the gracious words that proceed out of his mouth." Professor Heiges was in charge of the meeting.

The treasure of the school organizations seem to have effected a money collectors' union. Their slogan is "Now is the accepted time."

BAND GIVES SECOND OF SERIES OF EVENING CONCERTS

The school band gave an open air concert on Tuesday evening at 6:00 P. M. This makes the second concert given by the band under the direction of Professor Slyter. The band plans to continue these evening concerts as long as it is possible to do so. Quite a large number of students turned out to enjoy the evening's entertainment.

Cheer up! All the inconveniences of remodeling can't possibly continue for as long a time as it took to decide to begin the work.

ARTS AND CRAFTS CLUB

The Arts and Crafts Club met in the art studio Tuesday evening at 6:15. Some of the members of the club are working with charcoal while others are doing clay-modeling. There are also members of the club who are weaving with raffia.

Don't cheer loudly at the base-ball games. It is unbecoming to a young teacher.

SHIPPENSBURG LOSES BY RALLY IN LAST INNINGS

(Continued from First Page)

withdrawn from the box and sent to right field while Ulsh was sent to twirl for Sharadin's team, with one down. Ulsh did not permit a hit during the remainder of the eighth. The Shippensburg team showed its fighting spirit in the nines when a rally was made which registered two more tallies. (The Red and Blue had a dying chance to tie the score in the ninth when Ulsh came to the bat with Orner on the Third sack and Strike on second and two men down. After driving two long fouls Ulsh wound up the fray by fanning which gave Millersville a victory by a two point lead.

Box Score:—

ORAN HAYS TO RECEIVE CITIZENSHIP MEDAL

The Chapel service yesterday morning was featured by a talk by Dr. Albert Lindsay Rowland, Director of Teacher Training in the Pennsylvania Department of Public Instruction, who spoke of the grave responsibilities which present day public school teachers must face.

Selections by the Girls' Choral Club and the school band made up the musical part of the program.

Oran Hays '23 was announced as the winner of the Citizenship medal which is to be awarded to the person who has done the most for the school. The faculty selected the winner from the list of the ten highest persons elected by the student body several weeks ago.
