DR. WILFRED T. GRENFELL WILL SPEAK TO STUDENTS

During Lecture Moving Pictures Will
Be Shown Illustrating the Story
of The Northland

ONE OF WORLD'S FOREMOST MEN

Dr. Wilfred T. Grenfell, famous medical missionary, will speak to the students and faculty next Monday evening at eight o'clock. This is the first appearance of Dr. Grenfell in the school.

Not only will a lecture be given, but twenty-five hundred feet of moving-picture film will be shown illustrating the story of the Northland.

In presenting the lecture Dr. Grenfell unfolds an epic story of work and service in wild and inaccessible lands.

In 1892, at the suggestion of Lord Southborough, Dr. Grenfell first visited the coast of Labrador and North Newfoundland in a Hospital stiling ship to see if medical and surgical aid were available.

From this simple beginning has grown during the past thirty years one of the great service workers of the world. Devoted and loyal helpers from all over the speaking worlds have given their services, and beginning with one small hospital vessel there have grown up along one thousand miles of coast, a chain of six hospitals, four nursing stations, two orphanages and several small schools, a large Seaman's Institute at St. John, Newfoundland, and a hospital steamer.

Many great honors have been bestowed on Dr. Grenfell for his great work. He is recognized as one of the foremost men in the world.

The topic on which Dr. Grenfell will talk is "Midst Ice and Snow in Labrador."

GIRLS' VARSITY PUTS UP HARD AND FAST GAME

The crowd at the game between the Carlisle and the Shippensburg sextette on Friday evening was tense with excitement during the last forty seconds when the score board registered 21-23 in favor of Carlisle.

The score was opened by Mabel Smith's accurate throw for a field goal after some sly passing from the center. After failing to score on a foul, Smith neatly netted a two-pointer. Carlisle then slipped a field goal through and tallied steadily with a few cut-ins by the Shippensburghians until Smith registered 3 points on fouls. The latter part of the first half was a clean sweep for Shippensburg for Peggy Lehman made 4 field goals. The first one was netted after a free throw from the center. She also made a basket on a long distance toss and the last two were made by maneuvering through heavy guarding. The first half closed with the score 17-12 in favor of Shippensburg.

The second half was opened by Carlisle scoring 3 on tosses from the free throw box. The Shippensburg lassies now began to fight. A field goal was made by Smith who got the ball which Minehart had rescued by crafty maneuvering. Carlisle next scored 8 points on baskets and fouls. Normal managed to get only 4 recordings the entire last half.

The score was then 21-23 with Carlisle nosing ahead. Carlisle ended the game by tallying 2 more, making a final score of 21-25.

The line-up was:

Shippensburg	Carlisle
Felton	JC
Minehart	SC
Smith	F
Lehman	F
Rhine	G
Tiley	G
	Brebendorf
	Ord
	Potticker
	Baubaker
	Arnold
	Teitrick

TENTH ANNUAL DANCE TO BE HELD BY PRESS CLUB

Color Scheme in Keeping with
St. Patrick's Day

The Spring social affairs of the school will be ushered in by the Press Club Dance to-morrow evening in the gymnasium. For ten years Press Club members have reigned supreme on this occasion when only they and their guests have had the privilege of paying tribute to the gayety and pleasure which abounds at these annual events.

The dance comes just before the last part of the second semester and is a reward for the newspaper corresponding work done by the members during the entire year. The Press Club is a very elite organization allowing membership to only fifty boarding students, who represent the school in the various daily papers throughout the state. The committee in charge expects to entertain nearly one hundred persons. The following members of the faculty have been invited: Miss Edna Arnold, Dr. and Mrs. Lehman, Dr. and Mrs. Heiges, Prof. and Mrs. Gilbert.

The Club Royal orchestra in charge of Harold Neusbaum of Carlisle, has been engaged to play for the dancing which lasts from 7 until 11 o'clock. The musicians are to occupy an elaborately decorated platform in the center of the floor. During intermission refreshments will be served to the guests; at the same time speeches will be given by Dr. Lehman, Dr. Heiges and Prof. J. K. Stewart, advisor of the Press Club.

The color scheme is green and white in keeping with St. Patrick's Day. Small shamrock dance programs will serve as a remembrance of the affair.

FACULTY CLUB MEETS IN NEW PARLOR

The Faculty Club held its regular meeting in the new school parlor last Tuesday evening. There were about thirty faculty members present.

Miss Arnold and Prof. Krebs read papers to the club. "Youth Movement," was the subject which Miss Arnold discussed. She described the "Youth Movement" in Germany and gave the ideas of social leaders and educators concerning the importance of this movement. She also pointed out the influence of that movement in the American Colleges and Universities.

Mr. Krebs' paper was on "Geography of Games." In this paper he traced geographical facts by the use of games. He went back to the primitive man and showed how games can emulate certain geographical facts. A spirited discussion was the result of these thought producing questions.

The table decorations were in keeping with St. Patrick's day. The refreshments served were: ice cream with chocolate dressing, chocolate cake, nuts, candy in form of Shamrocks, marguerites and coffee.

The committee in charge was Miss Parks, Mrs. Lehman Miss Cunningham and Dr. Heiges.

DR. GRENFELL'S LECTURE ANNOUNCED IN CHAPEL

Dr. Lehman, who conducted the chapel exercises on Tuesday made a formal announcement to the student body of the lecture which Dr. Wilfred T. Grenfell, the famous medical missionary will deliver at C. V. S. N. S. on Monday evening in the chapel. All students were urged to be present.

On Thursday, owing to Dr. Lehman's absence, Dr. Heiges conducted the chapel exercises. The new seating arrangement introduced by the music department seems to be a great advantage over the old. The boys are all seated together.

RED AND BLUE STARTS BASE BALL PRACTICE

Six of Last Year's Squad Report for
Practice Along with Many
New Men

NEW CANDIDATES LOOK GOOD

The closing of the basketball season last Saturday brought a call from Coach Ingalls for base ball candidates. The men were ordered to report Monday in the gymnasium for the initial workout of the season. A fair-sized squad of men reported and from first appearances Normal should have a fast nine.

There are several players left from last year's team who will form a nucleus for this year's team. Walter Strike, infielder last year, will captain the team. Eby, "Cliff" Smith, Bailey, Harbaugh and Walters are the other players who saw service in last year's games. The new men, however, have shown that they will be capable of filling the vacant places on the team.

The new men who have had experience on high school teams have shown considerable promise in their first workouts in the gymnasium. Three new pitchers have reported for work, "Pal" Smith and Dan Grove, who were steady winners for Shippensburg High School, and Harvey Hamil, a product of Mercersburg Academy. Grove is a left-handed twirler while Smith and Hamil are right-handers.

The new infield candidates are: Bob Line, third baseman, of Carlisle High School and Mt. Holly A. A.; Chet Miller, first baseman of the fast Mercersburg A. A. team and Sam Angle who has had experience at short stop. Harry Smith from West Chester Normal is the only new aspirant for the catching department. The new men for the outfield berths are: Jimmie Swope, Gettysburg College Freshman; Jimmy Smith, Woodlawn High School; Geedy and Blynn, Shippensburg High School.

A schedule including all the Normal's rivals in base ball has been arranged. The schedule is as follows:

Apr. 9—Gettysburg Academy	at Shippensburg
Apr. 23—Mercersburg Academy	At Mercersburg
Apr. 26—Kutztown Normal	at Shippensburg
May 3—West Chester	at West Chester
May 7—Mercersburg Academy	at Shippensburg
May 10—Millersville Normal	at Millersville
May 17—Kutztown Normal	at Kutztown
May 24—Millersville Normal	at Shippensburg
May 30—Bloomsburg Normal	at Shippensburg
June 7—Open	
June 10—Open	

ST. PATRICK'S DAY DINNER REAL IRISH MENU PLANNED

St. Patrick's Day will mean another chance to have a dinner party at C. V. S. N. S. The usual prize will be offered to the least expensively and most attractively decorated table. There will be music by members of the student body and as everyone knows at these holiday dinners, one may eat as long as he wishes for Monday evening there will be no activities following dinner until the time for the lecture. 'Tis rumored that chicken will be served in some form and the rest of a real Irish menu is as follows:

Murphies Shamrocks
The Wearin' o-the-green

GIRLS' DORMITORY BUILT IN THE LATE NINETIES

Occupy Building for the First Time in October, 1899.
Building Filled to Capacity Five Years After
It Had Been Erected.

CAUSWAY WAS BUILT IN 1902

Well, girls of Main, you aren't the first lady students to have the Administrative building as an abode. Before 1897, the girls, who were, by the way, far outnumbered by the men, made their way to the Normal on the hill, by means of a boardwalk laid to the boys' and girls' dormitory and was not replaced until 1897 when a path of crushed stone took its place. The passing of the old boardwalk was a sad event in the lives of the lady students.

In the January Herald for 1896, is quoted the following:

"The New Dormitory Building for ladies is completed with the exception of the heating and lighting. The building is beautiful in design and is splendidly arranged for its purpose. When occupied it will be a source of great pleasure and comfort to the lady students."

During the summer of 1897 the trustees decided to furnish the new dormitory. Probably it was the attractiveness of these plans which led more ladies to come to C. V. S. N. S. For the first time in the history of the school, the ladies outnumbered the men by a small percentage in the fall of 1898. Plumbing was installed and steam heat was introduced; the furniture had arrived, and the young ladies were anxious to get into their new home. A great deal of delight was registered over the arrangements which were being made for their pleasure and comfort.

However, the young ladies were not privileged to occupy their new abode until September 1899 when they were sent over to the new dormitory for the first time. They found the building as delightful as they had anticipated and every one "grew quite used to the changes." The ninety rooms, with their handsome furniture and carpets presented an inviting and attractive appearance to lady students and teachers of the institution. When the students returned to

school in September, 1900, they found that plans were in sight for the construction of a covered way between the ladies' dormitory and the main building, connecting the second floors. The bridge was planned to be of ornamental design. The bridge or causway was completed a few months later.

Five years after the building was completed—in 1904 to be exact, it was filled to capacity by the lady students, a very remarkable thing, in the minds of the trustees, who expected that many years would elapse before it would be filled with students.

In 1907, about four thousand feet of carpet and rugs were put down in the dormitory and polished hardwood took the place of the old cocoa matting and linoleum used in some parts of the dormitory.

During the summer of 1908, all the rooms and halls in the Ladies' Dormitory were painted and made "as fresh and sanitary as soap, paint and good plumbing could make them."

With the exception of some painting and slight changes in the heating system no further change was made in the girls' dormitory until the summer of 1918 when the entrance was rebuilt and greatly improved. Electric lights were installed for the first time then. During the following summer some slight repairs were made.

A new pipe line was laid improving the heating system for the dormitory in 1920 and the further work of painters added to the attractiveness of the building.

During the summer of 1922 many improvements were made in all the buildings, and among other things, a new and artistic front entrance was erected for the girls' dormitory.

Today, the dormitory is splendidly equipped, attractively decorated both inside and outside, and presents a pleasing appearance to all who visit it.

MIRIAM EMBICK PRESENTS PLAY, "RAYMOND'S RELEASE"

"Raymond's Release," a short historical play dealing with early Rome, was presented by Miriam Embick at the Teachers' Club last Friday morning. Raymond Kornbau took the part of Raymond, Beatrice Myers that of Victoria, and Walker Nelson that of Anselm, the priest.

Professor Houck spoke on the subject, "Industrial Arts in the Public Schools." The fact that modern factories have replaced the use of tools in the home and not more than 10% of the school children know how to handle the commonest tools, was emphasized. "The best method of having children work is thru communities. Every child should be made to feel that the project is his own," concluded Prof. Houck.

In the topic of the day Mark Green discussed the French and German problem. The musical numbers on the program were a double quartet, Miss Swope, chairman, and a piano duet by Anna Sourber and Sarah Rider.

The present teaching group has been organized as a Teachers' Club for the past several weeks. The officers are President, Merle Gabler; vice president, Anna Sourber and secretary, Edith Williams.

GIRLS' VARSITY TO CLASH WITH CARLISLE HIGH SIX

The past week has seen a marked improvement in the technique and team work of the girls' varsity. Tuesday afternoon the Juniors met the varsity to play off the tie existing from the former week. The varsity girls won 25-6, much to the chagrin of the plucky Juniors.

Wednesday a game was staged between the varsity and a picked team from all the classes. At the beginning the game was a close one but the varsity lassies forged ahead and the game ended 16-7.

Tomorrow the local team goes to Carlisle to battle with the victors of last week. The Carlisle game was, however, the closest of the season. Again fate knocked at the door of C. V. S. N. S. for the regular guards are both on the wounded list. Smith hopes to be able to play although she is suffering from an injury to her shoulder sustained during the game Wednesday evening. The Carlisle girls have also had a hard season and are especially anxious to win this game.

A group of rooters will likely attend the game for about twenty girls have expressed a desire to go. The team will go by taxi.

THE CAMPUS REFLECTOR

ADVISORY BOARD

Thomas J. Pennington J. W. Lackhove

The Campus Reflector invites communications of interest to the school. All letters must bear the signatures of the writers.

Subscription Price, \$1.00 the school year for resident students; \$1.75 the school year for non-resident subscribers.

Office Room, 23 Main Building, C. V. S. N. S., Shippensburg, Penna.
Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized February 9, 1923.

FRIDAY, MARCH 14, 1924

SUBSCRIPTIONS OVERDUE FOR "REFLECTOR"

Six months have passed since the first issue of the "Campus Reflector" for the year 1923-1924 was published. For six months the students, alumni, and persons interested in the school have been receiving the paper and eagerly perusing its columns for the latest school news. The majority of the persons who read the paper subscribed for it last year. To be sure there are a few students who, since this is their first year in the institution, subscribed in the fall, but these students are in the minority when the number of subscribers who have not paid for the paper are taken into consideration.

There are ninety-five non-resident subscribers who have not paid for the paper during the entire year and this is the beginning of the second semester! There are also fifty students who have made no effort to pay for the paper. Bills have been sent repeatedly to these individuals but to no avail.

The business staff of the "Reflector" is very anxious to settle accounts for the first semester but until these bills are paid, it will be impossible to balance the books. The staff is endeavoring to conduct the financial management of the paper in a business-like way, but without the co-operation of every one of the subscribers they will have failed in their aim.

Members of the Alumni, we are appealing to the school spirit that you once possessed (we hope you still are the owners of a considerable amount of it.) We ask you to resurrect at least a portion of your esteem for your Alma Mater and help her along by paying that small amount of money that you owe her.

And you students who have not yet paid for the paper—we know that you have not met the obligations through any lack of school interest in your part, but it is a bad example of negligence.

The "Reflector" is making a drive to settle all accounts for the first semester and to collect those due for this semester. The staff plans to bring the drive to a close with the publication of the next issue and it hopes that the subscribers will comply with its request and settle all accounts within the next week.

SPRING FEVER

The atmosphere surrounding C. V. S. N. S. has been disturbed during the past several weeks. To be sure the change has been a gradual one, but to the keen observer it is indeed very evident. The boys have been astounded with the sight of some of the co-eds sauntering out to church in newly purchased bonnets—straw ones—and Easter isn't here yet!

The girls gabble, gabble here and gabble, gabble there. They wail because they are tired of winter garments and are very anxious for a change of raiment. They open yet another buckle on their galoshes (they are beginning to get rather scratchy) and flop grumblingly across the Campus.

But the alteration of the girls' attire isn't the only common topic of conversation these days! With the boys it is no longer that of basket ball, but baseball and track have come into their own.

Even the atmosphere of the class room has been tampered with. The faculty despairs of bringing the students flying thoughts back to earth again. The students in turn bewail the burdens of lessons and are contemplating the taking of a vacation from text books. The boys may be seen sidling up to mud puddles and sticking their fingers in to test the temperature. No, they aren't arguing about the advisability of going in swimming in said mud puddle. They are merely wondering how much longer it will be before the water at Big Pond will be warm enough for a dip.

And have you noticed the new strikes? The old flames appear to be burning brighter than of yore and many new aspirants have singed their wings in the smiles of some co-ed.

Yes, all these things are but the trumpet of a prophecy! Oh, students of C. V. S. N. S., if all these disturbances are rife, can Spring Fever be far behind?

RED AND BLUE PASSERS

BOW TO MILLERSVILLE

Coach Ben Ingalls with his cage squad, journeyed to Millersville Saturday to play the final game of the season with the Normal School of that place. They returned however with the short end of a 48 to 24 score. Millersville presented a strong lineup and Saturday's defeat was the second this season that the Red and Blue cagers have received at the hands of Millersville.

The game started off rather slowly but it was not long until things were traveling pretty lively. The Orange and Black opened up with an attack that the home team was unable to solve and soon they were in the lead, never to be overcome.

The playing of Herr at forward for Millersville was by far the outstanding feature of the game. This tall lad collected 10 field goals and 8 fouls for a grand total of 28 points. He simply ran rings around the Red and Blue guards. For Shippensburg, McCullough was the leading scorer with 8 points to his credit.

The Ingalls men were guilty of consistent fouling, Eby and Smith being removed from the game because of violating the personal foul rule. Perhaps if these two men had been allowed to remain in the game the score might have been slightly changed at the end of the game.

McCullough substituted for Smith and played an excellent game, while Line was sent in for Eby and had two field goals chalked up in his favor. Millersville should be highly commended for furnishing such an efficient referee for the game. He was the best that the Red and Blue cagers have played under this season.

Instead of earning the Southeastern title this season as C. V. S. N. S. has done for two successive years, it must be content to live in the cellar for one year at least. West Chester holds the honor position both in football and basketball.

The lineup and score:

REFLECTIONS

"Boots" Shuler '24

Reba Shue

In my voice a tone of sorrow,
And a teardrop in my eye,
For it may be on the morrow,
That we must say good-bye.

To a certain group I now refer,
Yes, to the school's elite.
Oh, a life with many a scarlet blur,
Is the life of the athlete.

A table with its ups and downs,
To appease the craving hunger.
We say farewell, for we must go,
We cannot linger longer.

A table with its ups and downs,
An outcast of the lot.
Surrounded by eleven frowns,
When the dessert is forgot.

Our morning guests we too shall miss
Of the boys across the way.
They think it is a place of bliss,
And cannot stay away.

To give the names would cause a
blush,
And this I would not do.
And now from them I hear a hush,
And they say I know 'tis true.

'T was interesting on a Sunday,
After saying Grace
To see these stars on Saturday,
Scramble for there a place.

And now we've made you history,
Our old Training Table.
Yes, yours is full of mystery,
Of keeping napkins we were able.

No more shall the lunch cry sever,
Nor the floor be covered with bread.
We have left the Training Table forever,
And I wish that I were dead.

MEMBER OF CLASS OF 1879
DIES SUDDENLY IN CHINA

Mrs. Rebecca Hykes, widow of Rev. John R. Hykes, a Methodist missionary in China, died suddenly in Shanghai, Feb. 25. Mrs. Hykes before her marriage was Miss Rebecca Marshall and was graduated from Cumberland Valley State Normal School in the class of '79. Shortly following her graduation Miss Marshall married and left with her husband, Rev. John R. Hykes for China, where she has lived since that time. Several years ago Rev. Hykes died but Mrs. Hykes remained in China. Since 1881 Mrs. Hykes has made eight trips to the United States and was prepared to sail Feb. 27th, for California. Here she had planned to spend the remainder of her life.

Let's have a star track team. We need another opportunity to display school spirit.

WE INVITE YOU

"The Students Rendezvous"

Of Intelligence Tests there is no end. This Latin one is contributed by the "Forum Romanum," a Latin publication of the Brooklyn Boys' High School.

1. Give full name of Caius Julius Caesar and tell why.

2. Who was Gerundire and what dealings had he with Caesar?

3. Give all the advantages of studying Latin.

4. Supply the other three.

5. Draw the map of Cicero.

6. What relation have petitis and timetis to bananas?

7. Who was Philippus and when?

8. During which of the three Mithridatic wars was the second fought?

9. Tell specifically in one line, giving all details all the Latin you have learned.

10. Why wasn't Caesar assassinated before he actually was?

N. B.—Don't forget to mention name and author of pony you used this term.

We are told "we learn to do by doing." That makes some Seniors anxious about the manner in which the Juniors, having become accustomed to interior decorating, will conduct their Saturday nights out. Maybe proper attitude acquired by the experience will be passed down with the privilege.

A word to the wise is sufficient—sometimes. Juniors, the Press Club has not been able to suspend the rule of compulsory church attendance.

The Underclassmen studying Latin now have a fairly good idea of the way a native feels under a missionary's efforts.

It has been definitely decided that every Saturday night at C. V. S. N. S. for which entertainment has not been provided by the school shall be declared and celebrated as "Senior Night Out," provided such an oversight on the part of the faculty occurs not oftener than once a month.

First student—Are you going to the dance on Saturday night?

Second student—Oh, I haven't decided yet. I'm afraid there won't be a good orchestra and the floor won't be waxed. I don't like to dance unless the floor's a little crowded. I'd like to see the movie that's on for Saturday night.

First Student—When'd you get your invitation?

Second Student—Well, you see, I don't have any yet. It isn't my policy to make arrangements ahead of time.

ALUMNI NOTES

Mary Funk is teaching at Geis-town, Pa. Miss Funk was graduated from C. V. S. N. S. in 1922. Theodore Barnhart was a recent visitor at Normal. Mr. Barnhart was a member of the class of 1923. He is teaching near Williamson.

ADDITIONAL PRIZES WON BY WINNERS OF ADV. CONTEST

The winners of the prizes awarded several weeks ago by Mr. J. F. Lehman, proprietor of Lehman's Drug Store, for the best advertisements submitted for Happiness Chocolates, were agreeably surprised upon receiving an additional prize from the United Retail Candy Stores, Long Island City, N. Y. Mr. P. F. Ralph, manager of the Agency Department for Happiness Chocolates, was so favorably impressed with the project in advertising as presented by Mr. Lehman that he wrote a personal letter to each of the prize winners, congratulating them upon the nature of the work done.

In addition to this, a box of Happiness Gladiola Assorted chocolates was sent as "a sort of additional prize" to the winners, who were, first prize, Myrtle Eshelman '25; second prize, Wallis McKendree '25 and third prize, Mae Parfet '24. The original project was worked out in Prof. Pennington's journalism class.

FAST MILLERSVILLE TEAM DEFEATS LOCAL CO-EDS

A veritable whirl wind of defensive playing met the local co-eds when they clashed with the fast Millersville sextette on the latter's floor last Saturday afternoon. The Red and Blue girls were defeated 25-11.

The first few minutes of play were spent in scrapping over the ball and accomplishing nothing. "Red" Carpenter with a brilliant tip-off sent the ball flying into the Millersville territory. A field goal resulted. The local lassies were unable to score. They committed numerous fouls while few were called on the Orange and Black cagers and the latter had seventeen free throws while the Shippensburg six had only four. "Short" Breckbill led the C. V. guards a merry chase as she scored twelve points before the first half was called. Smith scored the only point during the first half by a foul. At the end of the first canto the score stood 15-1 with a dreary future for the visitors.

In the second half the game became more exciting. Within the first minute of play Smith broke the spell and registered the first two pointer for Shippensburg. Reynolds, a Millersville forward then scored a two pointer. Lehman followed with two goals from mid field. Smith registered another foul and Millersville came to life with two two pointers. Smith by a foul with Millersville followed suit by scoring two in like manner.

Lehman netted the last two pointer a few minutes before the end of the game.

The local team was severely handicapped by the absence of both Morrow and Heckman. Millersville comes to C. V. S. N. S. the twenty-second of the month and the Red and Blue lassies expect to avenge the recent defeat.

The line-up was as follows:
 Shippensburg Millersville
 Smith F Brackbill
 Lehman F Reynolds
 Rhine G Kreider
 Tiley G Seiverling
 Felton JC Carpenter
 Minehart SC Hopkins
 Substitutes—Eisenhower for Felton;
 Throckmorton for Tiley
 Referee—Miss Casey.

Many students seem to have flunked the course that was given in Campus-ology last fall. A little more work in March means fewer tears in June.

Even though baseball season did not open until Monday, several strikes were taken on Sunday.

PROMISING WEATHER RAISES HOPES OF TRACK TEAM

With the weather promising to break, the hopes of the track team are rising, for soon they will be down on the cinder path. Although the team is working hard on the indoor track it is not large enough for the proper development of the team.

Basket ball is now finished and there are on the squad several men who will be a valuable asset to the squad. Tryouts will soon be in order and to make the team the men will have to come up to all the qualifications set by the coaches.

West Chester Normal has sent an invitation for the team to attend a Track and Field Day on Wayne Field, May 17th. It has not been decided definitely whether or not C. V. will send a team.

One more Press Club dance is passing into history.

At The Office At Home

Some Typewriters are made just for the office—others are made just for the home.

CORONA—Being an office Typewriter in portable form, is equally useful in office or home.

The cash price is \$50—terms arranged if desired. The original Portable Typewriter.

CHARACTER DOESN'T HAPPEN

Its a matter of development. The character of

WHITE HOUSE COFFEE

is the result of more than thirty years of earnest effort to exceed all accepted standards of coffee excellence, and today there is none better at any price.

White House Tea is in the same class with White House Coffee. All varieties in 1/4 and 1/2 lb. sealed canisters. All packed under the White House brand.

**THE FACULTY HOLDS
REGULAR MEETING**

The regular meeting of the faculty was held on Monday evening. Part of the meeting was taken up in a discussion of a proposed plan to help Seniors who are weak in English.

An explanation was given by Dr. Lehman about certain blanks to be filled out by teachers for the state Department. Matters pertaining to delinquent students and routine matters of business were discussed. The meeting adjourned to meet again at 12:50 Tuesday.

At the special meeting held on Tuesday the petition of Seniors concerning the election of class officers was presented. Voting upon the question was deferred until the next meeting as members of the faculty wish more time to consider the proposed plan.

Another most important question which was discussed was the crowded condition of the library. A committee of Dr. Lehman, Dean Heiges, Miss Arnold, Miss Bragg and Mr. Gilbert, was appointed to consider ways of relieving the situation. At present it seems likely that students will be divided into sections according to names and a definite time for each group to go to the library will be arranged. A few specific cases of bad conduct and wasting time in the library were also discussed.

Dickens' Works--25c

per volume. Also, at same price, these standard authors:—J. Fenimore Cooper's Works, George Eliot's Works, Sir Walter Scott's Works, A. Conan Doyle's Works, Julian Hawthorne's Works, Jules Verne's Works, Washington Irving's Works, Rudyard Kipling's Works, Marion Crawford's Works, Robert Louis Stevenson's Works.

LITERARY AND MUSICAL PROGRAM AT NORMAL SOCIETY

A literary and musical program was given at Normal Society last Friday evening; every number was presented by members making their first appearance before the society.

Calder Geedy '26 came to the front as Normal's new cornetist. He played "Cosy Corner Waltz," by Raymond, with evident mastery and skill. Louise Stewart '24 sang "Goodbye Sweet Day," by Celia Thaxter. The Glee Club presented "A Travesty" by A. M. Stultz; this song was a delightful arrangement of humor and beauty.

The income tax question was discussed in detail by Robert Bergstresser '27. Prof. Gilbert, critic teacher, commented on the quality of this number. He said that to him it was the best number on the program. Longfellow's "Psalm of Life" was recited by Paul Barnhart '27. Miriam Hoover '24 gave a reading "Taking Advice from a Physician" by Bell.

The impromptu class instructed by Clair Deardorff '24 was full of instruction and wit. Claude Mellott '27 gave an imitation of selling a book; Vincent Tritch '26 discussed the outlook for C. V.'s track team; William Parthemour '25, from his study in agriculture, gave an enlightening talk on the uses and value of pork; Josephine Corle '26 played a piano solo while Arthur Filler '25 completed the impromptu class by playing a violin selection.

The new officers: President, Charles Gentzler '24; Secretary, Anna Altland '24; Critic, Jessie Baylor '24; presided at this meeting, Mr. Gentzler addressed the society and asked their support during the coming term of office.

TALKS ON TEACHING LATIN GIVEN IN HORACE CLASS

Mr. Stewart's class in Horace enjoyed talks on the teaching of Latin last Tuesday morning. The talks were given by Reba Shue '24, Dorothy Ritter '25, Donald Ritter '25, and Phillipus Mosescu '25. The talks were reports from an essay written by Mr. Stewart. The speakers emphasized the difference existing among the aims for teaching Latin in high schools, preparatory schools and normal schools. The aim for teaching Latin in normal schools is to prepare Latin teachers and consequently there is need for careful and systematic teaching.

The talks were repeated in Prof. Stewart's Caesar and Cicero classes.

PHILO LITERARY SOCIETY PRESENTS BRIEF PROGRAM

The live question, "Resolved, that the Mellon Tax Bill Should Be Adopted" was debated at Philo Society on Friday evening, affirmatively by John Miller '25 and Raymond Grebb '24 and negatively by Harvey Tilley '24 and Merle Hammond '24. The fact that the passage of the bill will automatically prevent the adoption of the soldiers' bonus bill, constituted the principal bone of contention.

The decision of the judges was 2-1 in favor of the affirmative.

The rest of the program was unusually brief for there were only four additional numbers.

Mrs. Clara Sipe '24 made her initial appearance before the society and scored a success with her recitation, "Thanatopsis" by William Cullen Bryant.

Kathryn Kauffman '24 gave a discussion of current events.

The only musical number on the program was a violin solo by Eleanor Nesanger '24.

Philo Review, under the direction of Gertrude Campbell '24 represented a scene on a train and the passengers furnished the school news and other material of the review.

Miss Cox, the visiting teacher supplemented the student critic's remarks on the general quality of the program

Culture is to know the best that has been said and thought in the world.
