FOUR ENTERTAINMENTS PLANNED FOR SUMMER

Song Recital by Franceska Lawson
on July 12, First on List

DEVEREUX PLAYERS LISTED

Four first class entertainments are planned for the Summer Session, according to a statement made by Dr. J. S. Heiges, early this week.

The next on the list will be a song recital given July 12 by Franceska Kaspar Lawson of Washington, D. C. The program is an excellent one consisting of classical airs, Russian and French songs, American songs, and airs from Romeo and Juliet.

The third entertainment will be the presentation of "Enter Madam" by Guy MacLaren, July 25. Miss MacLaren has invented a new art song. She attends four or five performances of a production and then interprets the play. She never sees the manuscript of a play but makes mental pictures of the characters. In this way she recalls the words spoken. Miss MacLaren not only remembers the lines but the intonation, gesture, and mannerism of the character.

On August 9 the Devereux Players will present two plays, one in the afternoon and the other in the evening. The plays will be "Arms and the Man" by George Bernard Shaw and Shakespeare's "Much Ado About Nothing." "Arms and the Man" is a three act play with scenes laid in Bulgaria.

CONLY CONCERT COMPANY GIVES PLEASING ENTERTAINMENT

The Frank M. Conly Concert Company gave a high grade entertainment to the Summer School students in the Memorial Lutheran Church last Monday evening. The Concert was held in the Church because the Normal School Chapel is being remodeled. This was the first of a series of entertainments to be given during the Summer.

The Company consisted of Kinard Florence, Soprano; Marie Stone Langston, Contralto; Royal MacLellan, Tenor; Frank Conly, Bass; William Silvano Thunder, Pianist.

The program was as follows:

1. Quartet—Riggoletto . . . Donizetti
2. Bass-Danny Deever . . . Damrosch
3. Soprano—"To Hear the Gentle Lark" . . . Bishop
4. The Lament—Pagliacci
Leoncavallo
5. Contralto—"My Heart at Thy Sweet Voice" . . . Saint San (Samson and Delilah)
6. Air de Dallett—G Minor
Moskowski
7. Quartet—A Group of Pretty Little Quartet Numbers.
(a) Just a Wearyin for you Bond
(b) The Bells of Saint Mary's Scott
(c) The Rosary Nevin
(d) Autumn Moon Penn
8. Duet—Tenor and Contralto—Home to our Mountain Verdi (11 Trovatore)
9. Trio—Prison Scent Faust Gounod
10. Piano—Caprice Chamonode
11. Quartet—
(a) Kiss Me Again Victor Herbert
(b) Street Scene . Victor Herbert (Naughty Marietta)

The cost of Education for each pupil in the schools of Philadelphia in 1922 was \$97.36 according to figures recently published by the Board of Education. The cost for 1921 was \$81.89 and for 1920, \$81.56.

A panoramic picture of C. V.'s 789 students was taken at one o'clock today by Mr. Laughlin.

UNDER WEIGHT LUNCH HAS FEW CUSTOMERS ON OPENING DAYS

The opening of the free, mid-morning lunch for under weight students on Tuesday morning was a quiet affair entirely unlike the prosperous times during the last semester when this institution was immensely popular. Only a few people were on hand when the doors opened and but one or two of these were students who were not here during the past year. Succeeding days have shown no increase in the patronage.

Miss McWilliams, the school dietitian, when interviewed yesterday said she could not believe that there are so few students interested in maintaining a high standard of bodily health but feels that the students generally do not know that the lunch is being served.

Miss McWilliams urges all students to be weighed at the gymnasium and then present themselves at the cafeteria where the lunch is served at 10:15 o'clock every morning. The lunch is free to all boarding students. It consists of a cup of cocoa or a glass of milk and several kinds of nourishing wafers.

Students during the winter months were at first skeptical about the merits of the lunch, but this quickly wore off and Miss McWilliams was soon busy refusing those who did not really need it. Students who take advantage of the lunch say that it is just the thing to relieve that empty feeling that manifests itself about the middle of the morning.

SCHOOL PICNIC TO BE HELD AT MIDDLE SPRING JULY 7TH

A faculty committee is making arrangements for a school picnic to be held on the green at Middle Spring, the afternoon and evening of Saturday July 7.

Middle Spring has been chosen for its historical significance and because of the many opportunities it affords to spend a pleasant afternoon and evening. The committee in charge is making extensive preparations for the event. Every student is included in their plans, and hence arrangements for all the events are ample and well planned.

A nominal fee of fifteen cents will be charged to each person to cover the expenses of the trip. According to the present plans the students will be conveyed to Middle Spring in trucks and will walk back in the evening.

INITIAL SUMMER DANCE IN GYMNASIUM TOMORROW NIGHT

The social season of the summer session will be opened by a dance and reception to be given the students by the members of the faculty, in the gymnasium Saturday night. A departure from the ordinary custom will be the formation of the receiving line in the gymnasium instead of the parlor. Dancing will be from seven to ten. The committee has arranged for games and other entertainment in the parlor. Music will be furnished by Neusbaum's Orchestra of Carlisle.

The committee in charge of the reception consists of Professor Gilbert, chairman, Professors Grove and Stewart, Misses Robb, Parks, Cox, Patterson, and Nora Keefer.

DAY STUDENTS

You are asked to write your present address after your name on the list posted on the chapel door. Do this as soon as possible if you expect to receive the paper in the future.

MUSIC TEACHER MARRIES SHIPPENSBURG MAN

Taught Voice and Piano at S. N. S.
for Two Years

MISS WRIGHT BRIDE OF LEE HALE

On Saturday, June 16, Miss Blanche Elliott Wright, daughter of Mr. and Mrs. C. B. Wright of Lisbon, was united in marriage to Mr. Lee Martin Hale, son of Mr. and Mrs. Thomas M. Hale of Shippensburg, at the bride's home, by the Rev. W. M. Barr of the United Presbyterian Church of Lisbon.

Miss Wright for two years has been instructor of voice and piano at the Normal School.

Miss Gertrude Rutherford of Ogdensburg, cousin of the bride was the bride's maid while Mr. Leslie M. Raper of Carlisle acted as best man.

After the ceremony a wedding luncheon was served to thirty-five guests, near relatives and a few intimate friends. Mrs. Hale is a graduate of Westminster College, New Wilmington, Pa. She is a talented musician of both vocal and instrumental music and for the past two years was instructor in vocal and piano at the Cumberland Valley State Normal School. Mr. Hale is a graduate of C. V. S. N. S. and the Wharton Extension School. He holds the position of teller in the first National Bank of Shippensburg. Mr. and Mrs. Hale spent their honeymoon at Lake Saranac. At present they are residing at their home on East King street, Shippensburg, Pa.

NEW TEACHERS ADDED TO THE FACULTY

A number of new teachers has been added to the faculty for the summer term. All are specialists in the department where they are teaching.

Dr. George Wolf has been an instructor in the Department of Science at Girard College since 1915. For the past two summers Dr. Wolf has been an instructor in the Indiana State Normal School in Pennsylvania. He received his Doctor's degree from Columbia University, New York City in 1919.

Prof. George W. Peffer received his B. S. degree from Dickinson in 1917. In 1919 he was granted an A. M. degree from the same school. Since 1915 Prof. Peffer has been principal of the Hanover Schools, Hanover, Pennsylvania. He is teaching science and Mathematics.

Dr. George Carl, a native of Greencastle, Pennsylvania, graduated from State College in 1919. He received his Ph. D. from Harvard University with the graduating class of 1923. Dr. Carl was principal of the Holidaysburg High School, Holidaysburg, Pennsylvania from 1919 to 1922. He is teaching courses in Psychology.

Prof. H. J. English graduated with the degree of B. A. at Dickinson College in 1906. For the past year he has been doing graduate work at the University of Pennsylvania. Prof. English is Supervising Principal of the Royarsford Schools, Royarsford, Pennsylvania. He taught in the Normal School last summer. Prof. English is teaching mathematics.

Miss Grace Evans, Assistant in Music took special work in Music at Cornell University, Ithaca, New York, in 1917. In 1917 she received the degree of B. S. and a Supervisor of Music Diploma at Columbia University, New York City. Miss Evans was Director of Music in the Tower Hill School of Wilmington, Delaware from 1919 to 1922.

Miss Marion Blood of Philadelphia graduated from Washington Seminary in 1906. In 1921-22 she took special

RED AND BLUE LOSES TO C. V. DIVISION TEAM

Sheaffer from Perry Co. Shows
Good Form

Wednesday evening June 27, the Red and Blue team was defeated on Eckels Field by the strong Chambersburg C. V. League team by the score of 5 to 1.

The game was hotly contested throughout. Aside from the fourth inning neither team was able to score throughout the seven frame contest. In the fourth frame the Normalites faltered allowing Chambersburg to score 5 runs. During this period the Visitors massed several hits, which together with a free ticket to first and several errors on the part of the Red and Blue gave the visitors the lead. Normal found itself and in a short rally during the finish of the same inning and drove in one run.

The game was featured by flawless fielding of the Chambersburg team and the spectacular catches of Rice, Normal's stellar fly chaser. Raffensberger did some good fielding for the Red and Blue having 5 outs and 6 assists to his credit. Luse's two base hit drove in Normal's only tally while a well executed double play, Grove to Raffensberger, to Grba held the Cumberland Valley Division Boys scoreless in the 6th.

Both pitchers depended upon their teams for support as they had few strike outs. Shaeffer, Normal's twirler allowed three free passes to first base, while Naugle the Chambersburg moundsman gave only two such passes.

SUMMER SESSION LARGEST IN HISTORY OF SCHOOL

The enrollment for the present term exceeds the enrollment of any summer session in the history of the school. The records show a registration of 557 boarding students and 178 day students, or a total registration of 735 students. Last year's enrollment for the summer was 568 students.

Bedford County heads the list with an enrollment of 133 students. The registration of the other counties is: Franklin 115, Cumberland 104, Dauphin 68, Adams 61, York 44, Fulton 43, Huntingdon 32, and Mifflin 14.

WEDDING ANNOUNCEMENT SURPRISES S. N. S.

Prof. Gilbert Married in Baltimore
Last September

AFFAIR KEPT CLOSE SECRET

Prof. Levi Gilbert, dean of men, astonished the faculty and students of C. V. S. N. S. on Tuesday when he announced his marriage to Miss Evangeline Kauffman, of Washington, D. C., on September 30, 1922. The wedding was celebrated in Baltimore, the ceremony being performed by the Rev. Thomas S. Davis, a Methodist Minister. The couple were attended only by a few close friends of the bride.

The bride has been head of an office in the War Risk Insurance Department in Washington for a number of years. Her home is in Akron, Pa. Professor Gilbert is a graduate of Shippensburg Normal School class of '17. He was graduated from Franklin and Marshall College in 1922 and since that time has been dean of men at this institution.

When asked why the announcement of the wedding had been withheld, Professor Gilbert said that his duties as dean of men made it impossible for him to bring his wife here and Mrs. Gilbert wished to continue her work in Washington for at least a year longer so they kept their marriage a secret. Professor and Mrs. Gilbert plan to take up their residence at the school with the opening of the fall term in September.

BOARDING MEN ORGANIZE SUMMER STUDENT BOARD

Bozidar Grba '23 was elected President of the Men's Association at a meeting held on Wednesday evening, June 20th. Prof. Levi Gilbert, dean of men, presided at the meeting. He explained the rules and regulations to the men, and suggested that a new constitution be framed by the five representatives from the different corridors. In general the regulations are to be the same as last year.

Ralph Orner '23, a corridor representative of last year's Student Board, was elected secretary. Before the meeting adjourned Prof. T. J. Pennington gave a brief explanation of the Campus Reflector to the men, and urged that more subscribers must be had in order to publish the school paper.

DEAN HEIGES IS HONORED BY DEGREE FROM URSINUS COLLEGE

Prof. J. S. Heiges, dean of Shippensburg Normal School, received the degree of Doctor of Pedagogy from Ursinus College, Collegeville, Pa., on June 11. This honor was conferred as a recognition of his services as a member of the faculty here and his success in institute work.

Dr. Heiges is a graduate of C. V. S. N. S. class of '91. He was graduated from Ursinus College in 1898 and received the degree of Master of Arts from that institution in 1917.

NO SCHOOL ON JULY 4TH. SPECIAL PROGRAM PLANNED

At a recent meeting of the faculty it was decided not to hold any school on July 4th. Other years it had been customary to have a half day session.

Patriotic exercises similar to those of May 30th will be held on the campus at 6:00 P. M. The program will consist of singing, recitations, addresses, and music by the band. Later in the evening the students will be entertained by movies on the campus.

The economic department wishes to call attention to the fact that umbrellas are more expensive on rainy days because on those days they go up.

FIRST VESPER SERVICE

ADDRESSED BY DR. LEHMAN

The first vesper service was held on the campus at 6:30 o'clock Sunday evening. The student body was well represented. Dr. Lehman addressed the meeting. The spiritual reference, "The Sermon on the Mount," was appropriately selected for this out-door service. The central theme was, "Seek ye first the kingdom of God and all these things shall be added unto you."

Dr. Lehman brought forth the idea that the thing most desired in life is not wealth, health or power, but happiness. Happiness is gained by the moulding and shaping of our lives so that we get out of them all we demand. Failure to get happiness is due to lack of harmony in life. The world today is a picture of discontent. This is due to the efforts to find happiness not existing in the present conditions in the world. We do not find happiness because (1) our professions are clashing with actual life, (2) our ideals are too low, (3) our lives are not unified. We should seek to develop ourselves intellectually, physically, and spiritually, so that we fit into God's plan for securing happiness.

LAUNDRY REGULATIONS

ANNOUNCED BY MR. JONES

Mr. Jones, Mgr. of the school laundry, has issued the following information to the boarding students:

The laundry will be collected each Monday morning at 7 o'clock.

Have your laundry numbered plainly.

Have your laundry out on time. Each student will be allowed 12 pieces.

Three of these may be starched or hand-laundried.

One-piece dress counts two pieces.

Two napkins count one piece.

Three handkerchiefs count one piece.

One pair of stockings counts one piece.

Students having more than twelve pieces will be charged for each extra piece.

The boys can obtain their laundry Friday afternoon between the hours of 1 and 5.

The girls can obtain their laundry Saturday morning between 7 and 12.

**FOLLOW THESE SUGGESTIONS
IN USING THE LIBRARY**

Students will be able to get the library assignments better if they follow the instructions given below:

The shelves labeled Ancient History, English History, and How to Teach History may be found on the left-hand side of room near the left hand entrance.

The geography teacher's reserve will be found in the case near the alcove entrance.

The books on Methods of Teaching Arithmetic will be found in regular places on shelves 510 on right hand side of the room near the radiator.

Reading, Story Telling, and Introduction to Teaching are all kept on reserve on right hand side of the room, Section VI, from right hand door. The shelves are labeled.

The Psychology books will be found in their regular places, 150, near right hand entrance in Section I.

Persons wishing to use bound magazines for reference will find the Reader's Guide to Periodicals in the case on the right hand side of the alcove door. The bound magazines are found just to the left of the Reader's Guide shelf. The Reader's Guide gives the author, title, and subject. Index and the topics are arranged alphabetically as in a dictionary.

All daily papers and unbound magazines should be returned to the racks and cases.

Consult the librarian if you wish to see mounted pictures for illustrative work in class.

On entering the library you will see a sign which reads: "Please do not return books to the shelves unless you know definitely where they belong." Leave the books on the front table near librarian's desk instead. It is very important that you follow this instruction.

All books must be charged at the librarian's desk. Reserve books can be kept only over night and should be returned to the desk before 8:15 the following morning. Other books may be charged for a longer time.

When you enter the library place the slips issued by the corridor teacher on the table near the librarian's desk. These slips will be signed by the librarian when you leave and should be returned to the person on corridor duty in the dormitory immediately.

The librarians are anxious that you do not leave the library until you have the information that you are seeking. Do not be afraid to consult the librarian when you cannot solve your own difficulty.

**ARKANSAS PROFESSOR
STOPS ON WAY TO YALE**

Prof. Delzie Demaree, head of the Department of Biological Science, of Hendricks College, Arkansas, and William Hays, a student in the same college, stopped here last Monday afternoon. Prof. Demaree and Mr. Hays are hiking to New Haven, Conn., where they will take up Summer work in the School of Forestry of Yale College. Prof. Demaree and Mr. Hays left Hendricks College two weeks ago.

While at the Norml School they were in company with Professor Shearer who is making a Biological survey in Cumberland Co. Professor Demaree and Professor Shearer were members of the same Geological Survey party in Colorado last year. Professor Demaree was a student in the University of Chicago for two years.

**TWENTY-FIVE MEN FORM
GLEE CLUB FOR THE SUMMER**

Twenty-five men were present at the first meeting of the Men's Glee Club last Tuesday evening. Professor Slyter, the director, is well pleased with the interest shown by the fellows and hopes to produce with their cooperation a chorus that will do very efficient work. The regular time of meeting is on each Tuesday at 7:00 P. M. More tenors, baritones, and bases are needed.

According to a statement made by Professor Slyter this is a very good chance to learn part singing as music of the quartet arrangement will be used.

**RAPID PROGRESS MADE IN
RE-MODELING MAIN BUILDING**

The remodeling of the Administration building is progressing rapidly and will be finished by September 18, the date of opening the fall term, according to Dr. Lehman and Mr. Lackhove, the bursar.

New plumbing is being put in throughout the whole building. This work is being done by the Chambersburg Construction Co. New bath rooms are being constructed on each floor at both the east and west ends of the building.

For fire protection four six inch water mains are being laid beneath the first floor. Two fire stairs from the fourth floor to the ground are under construction.

At present the addition to the kitchen is nearing completion. This will necessitate the rearranging the kitchen equipment. Work on the dining room will be started at the close of the summer session. When this is completed this will give an additional seating capacity of 60 people.

The work on the renovation and decoration of the chapel is progressing rapidly. The stage will be larger and better equipped and a new gallery is being constructed. A private office for Dr. Lehman will soon be under construction. The other offices will be rearranged and redecorated.

**CLASS OF 1903 PRESENTS GIFT
TO THE TRAINING SCHOOL**

The graduating class of the Training School of the year 1903 on their twentieth anniversary presented the school with a Seth Thomas clock which has been placed in the main hall of the Training School. There are thirteen members of the class who are now scattered to different parts of the country.

The gift was secured especially through the efforts of Mr. Bruce Berry and Mrs. H. W. Allison. This is a very generous gift to the Training School and the members of the class in their twentieth anniversary have renewed, not only their allegiance to the school, but have set a splendid example to present and future classes.

**COACH AND MRS. SHARADIN
ATTEND CLASS REUNION**

Coach Sharadin with Mrs. Sharadin and son Harold spent the greater part of last week in Springfield, Mass., attending the 37th Commencement of Springfield College and the Tenth Anniversary of the class of 1913—the Coach's class. The trip was made by auto over the Delaware Water Gap and Mohawk Trail Routes, two exceptionally beautiful sections of the East.

**RURAL WORKERS PLAN
SUMMER ORGANIZATION**

Nearly two hundred students interested in rural education and rural school problems in Pennsylvania responded to a call from the Rural Supervisor, Miss Hannah Kieffer, for a meeting on the campus Thursday evening, June 21. The object of the meeting was to discuss organization of the group for the summer. The organization plans to invite noted rural leaders to address its members at the meetings. Two meetings of one-half hour each have been scheduled for each week. The days for these meetings have not yet been decided upon but one will be held at 3:15 o'clock and the other at 6 o'clock.

Music, radio, and recreation will be stressed. It is hoped that a picnic for the organization can be arranged some time during the summer. Officers will be elected in the near future.

EMPLOYMENT OF NUTRITION WORKERS IN NORMAL SCHOOL

The value of a trained nutrition worker in the Normal School, who exemplifies classroom instruction in kitchen and dining room has been proved. Miss McWilliams has resumed her duties along this line in our Normal School this summer.

In 1920, nutrition instructors in the Normal Schools were unthought of. Today, nine of the fourteen Normal Schools are promoting organized Nutrition programs under trained instructors, and two other schools are projecting plans for similar programs to begin this fall.

SUMMER TRAINING SCHOOL OPENS WITH 100 STUDENTS

The Training School opened for its summer session on Tuesday, June 19, with an enrollment of almost one hundred. All grades of the school are represented and work is in progress preparatory to demonstrations and observations which are customary parts of the summer school work.

This work promises to be interesting under the direction of Professor Harley. Miss Mary Good and Mrs. Hazel Burk, of the class of '23, are assisting Miss Harris in supervising the primary work. Miss Mildred Shambaugh '23 is supervising the intermediate work in the absence of Miss Snively. Miss George Krall '23 is supervising the junior high grades.

STUDENTS RUSH BOOK ROOM FOR MUCH NEEDED SUPPLIES

One of the busiest places of this institution since the opening of the Summer term has been the book room. This room has been crowded with students trying to secure books and supplies for their classroom work.

Miss Campbell and Mr. Barnhart have been working full time unpacking supplies and attending to the wants of the students. Mr. Easterbrook and Mr. Kriner have been assisting during their vacant periods.

ORCHESTRA AND BAND ORGANIZED FOR SUMMER

The Normal School Orchestra for the Summer term was organized last Thursday evening by Professor Slyter, director of Music. Twenty candidates responded to the call, among them are several former members of the Normal School Orchestra. They are: Violins, Hoerner '22 and Good '23; Trombones, Reisinger '24; Bass Horn, Rice '24; Horns, Orner '23; Traps, Blanche '23; Piano, Neusbain '23; Flute, McClay '23, Heiges '23; Cornet, Harbaugh '24.

The prospects for a School Band during the summer are very good, according to Professor Slyter. Twenty-three musicians reported last Friday evening ready for work. Dr. Carl of the faculty, former student director of the Penn State Band, is filling the position held by Jesse Snyder '23 a Baritone player. Former Normal School Band musicians who reported are Reisinger, Rice, Orner, Blanche, McClay, Brougner, Heiges, Coover, and Harbaugh.

HEALTH OF STUDENTS GOOD ACCORDING TO SCHOOL NURSE

According to information from Miss Kyle, the School Nurse, the general health of the students is very good. Few students have applied at the infirmary for medical aid. Among these was Miss Montgomery who was ill with appendicitis. She was later removed to the hospital. A few people were confined to the infirmary for a short time due to the effects of the heat.

MISS ARNOLD EXPLAINS RULES AT MEETING OF BOARDING GIRLS

The rules and regulations of the school as stated by the traditional "Little Brown Book" were explained by Miss Arnold at the meeting of the Boarding Girls, in the Chapel, Tuesday evening. Additional information and notices will be posted on the bulletin board in the dormitory from time to time.

And meters in musical tones;
But the meter that's sweeter,

NORMAL SUMMER BASEBALL TEAM DEFEATS ALL STARS

The Normal School baseball team opened the summer season with a 3 to 2 victory over the Shippensburg All Stars on Eckels Field, Thursday evening, June 21.

The Normal team was made up of the cream of the Spring squad with a good sprinkling of new talent. Coach Sharadin distributed the twirling among three of the Red and Blue pitchers, Shull, Mellott, and Shaeffer. All of the three moundsmen did good work.

At the outset the game had all the characteristics of a close contest. Neither team was able to do anything until the fourth inning when Normal bunched a series of hits resulting in three runs. From the fourth frame on there seemed to be little doubt as to the outcome of the contest. Normal continued to hit well but lost two good chances to score.

The visitors bunched several hits in the final inning which together with several errors on the part of the Red and Blue gave them two tallies. This final rally was of no avail as it failed by a small margin to tie the score.

The game was well attended by the student body. The grandstand was filled to its capacity and many spectators were compelled to stand along the side lines.

MANY ALUMNI RETURN FOR SUMMER SESSION

Clarence Grove '20 who attended Columbia University last semester is taking post graduate work. He has also reclaimed the position which he held for three years as short stop on the Red and Blue varsity Baseball Team. Mr. Grove will return to his former position as coach of athletics at Conemaugh this fall.

C. D. Mellott '19, principal of the West Telford High School, West Telford, Pa., once more greets C. V. S. N. S. as a special student. Mr. Mellott expects to enter Franklin and Marshall College this fall.

Theodore Mellott '22, teacher of English and Athletic coach at Perkasi High School, near Philadelphia, returned to his alma mater for the summer session. At the close of the term Mr. Mellott will return to Perkasi.

Eugene Raffensberger '21, for the past year principal of Hazelhurst High School, is taking preparatory work to enter the University of Pennsylvania as a junior this fall.

Charles Lee Hoerner '22, best known as Jack, is again at Shippensburg Normal School after a year's successful teaching at Mount Union Junior High School.

Rev. Amos M. Funk '21, pastor of the Orange Street United Brethren Church, is enrolled for special courses this summer. Rev. Funk has occupied the assistant principalship of Quincy High School during the last year.

CAFETERIA PLAN OF SERVING MEALS TO BE CONTINUED

Miss McWilliams, the school Dietician, has announced that the Cafeteria plan for serving meals will be continued during the entire summer term despite all hopes that some other plan might be adopted. This plan must be used because the dining room is too small to accommodate all the students enrolled.

It may be of interest to the students to know the amount of food consumed in one day. The following is typical of the day's rations: 3 quarters of beef, 450 quarts of milk, 60 dozen eggs, 3 dozen boxes of shredded wheat, 6 bunches of bananas, 6 carcasses of veal, 1000 rolls, 200 loaves of bread, and about 8 bushels of potatoes.

OUR SUMMER PAPER

Shippensburg Normal School has the distinction of being the only Normal School in the State to issue a weekly summer paper. This paper is to be issued free to all students. Often it is the tendency to regard lightly those things which we obtain without extra expense. We hope that this will not be the case in regard to THE SUMMER REFLECTOR. We shall endeavor to maintain the same high standards that have characterized the paper during the past semester. In order to do this we solicit your hearty co-operation. It takes more than an editorial staff to make a successful paper and we must have the support of every loyal student of C. V. S. N. S.

If you have any news to contribute, write it up and put it in the box in the REFLECTOR office. It is impossible for the reporters to get everything. We are ready to accept new ideas. If you have any suggestions to make, let us know about them.

If the paper pleases you, save your old copies and show them to your friends so that they may know the kind of a school we have. With your aid in these matters we may safely predict a successful SUMMER REFLECTOR.

MAKE THE BEST OF IT

The noise and confusion caused by repairing the main building have been a frequent source of annoyance during the past week to both faculty and students. It is unfortunate that such a condition must necessarily prevail. In many class rooms it is almost impossible to work with any degree of satisfaction. However, we must make the best of these circumstances. Due to the fact that school is in session here practically the whole year it is impossible to make the repairs at any other time. It is a case of either closing the school for a period or enduring the inconvenience caused by the remodeling. We are suffering the lesser of the two evils so let us bear these unavoidable conditions as cheerfully as possible. When the noise is loudest and when the confusion is greatest we can console ourselves with the thought that the long-talked-of improvements are at last in progress.

SPARE THE GRASS

"Please walk on the grass." This unusual sign can be seen directly in front of the entrance to the main building. It was placed there by Prof. S. S. Shearer with the hope that some of the students who possess a sense of humor would spare that newly sodded part of the campus. However, many of the students chose to obey instructions literally and as a result much of the sod is already killed. We do not like to believe that any student would deliberately damage the campus in this manner. But carelessness is doing just as much to kill the grass as any deliberate action could. So when you read the sign the next time correct it mentally to suit yourself, and walk around that portion of the campus.

NEW TEACHERS ADDED TO THE FACULTY

(Continued from First Page)

work in English at the University of Pennsylvania. Last year Miss Blood taught in Temple University in Philadelphia in the English Department.

Miss Mary Leal of Landsdown, Pennsylvania is another teacher of English. Miss Leal took her B. A. degree from Vassar College in 1907. In 1923 she was granted the degree of M. A. from the Pennsylvania University. From 1920 until 1922 Miss Leal taught in the Public Schools of Landsdown.

Miss Dorothy Clever is assisting in the Music Department. She is a graduate of this Normal School and has taken special work at Cornell University under Dr. Dann who is now State Director of Music in Pennsylvania.

Miss Beula Neusbaum, a member of this year's graduating class and Mr. Chas. Hoerner, a member of the class

of 1922 are teaching special work in the Music Department. Miss Neusbaum has students in piano and Mr. Hoerner in violin.

CLASS OF 1922 HOLDS REUNION AT CALEDONIA

A reunion of the class of 1922 was held at Graffensburg Inn, near Caledonia on June 11. Eighty members of the class of '22 were present. The class went from Shippensburg in cars. Shortly after those expected had arrived dinner was served. This was followed by a program. The first number was an address by the class president, Charles L. Warren. This was followed by: Vocal Solo, Helen M. Aughinbaugh; Class Dean's Address, Prof. L. C. Krebs; Piano Solo, Hildah Fahs; Reading, Mildred Warwick; Vocal Duet, Miss Fisher and Miss Davis; Dance, Kathryn Daniels; Reading, Esther Smith; Violin Solo, Chas. D. Hoerner.

Dr. and Mrs. Lehman and Prof. and Mrs. Krebs were guests of the class.

RED AND BLUE LOSES CLOSE GAME TO SHIPPENSBURG A. C.

Coach Sharadin Has Fine Quartet of Hurlers

The Normal Team suffered defeat on Eckels field Saturday afternoon in a bitterly fought contest with the Shippensburg A. C. by a score of 12 to 9. The game was loosely played and developed into a hit and run affair. Features of the game were the fielding of Rice and the batting of Raffensburger and Jacobs.

Coach Sharadin sent Mellott to the mound while Zinn was chosen to twirl for the Shippensburg A. C. Normal played a listless game the first few innings and their errors coupled with a few hits enabled the town team to get a lead that was never headed.

Meanwhile the Red and Blue was losing good chances to score. Grove was caught off third base with Orner occupying the initial sack in the first inning. Coach Sharadin removed Mellott and sent Shull to the mound in the fourth inning with the score 7-0 against him. A snappy double Grove to Grba to Snyder cut short a batting spree by the town team that would have caused havoc with the score.

Normal began to find itself in the fourth and pounded in four runs. Hays hit a home run to left and boosted the A. C. score considerable. The Red and Blue continued to score in their halves of the sixth and seventh innings but were unable to overtake the town team who kept adding runs throughout the game. Jacobs, stellar right fielder of Normal, set the spectators cheering with his Ruthian Wallop to center in the seventh inning.

THIRTY-FIVE CANDIDATES REPORT FOR BASEBALL

Thirty-five men reported for uniforms at the first call for baseball candidates on Tuesday, June 9. From the collection of athletes on hand and by the type of work that they have shown so far the prospects for another corking strong team are very encouraging. Quite a few of the men have had several years experience on organized teams throughout the East.

A strong quartette of hurlers is found in Lefty Mellott, Raffensberger, Shull and Shaffer with Boz Grba, Normal's most dependable all-round athlete, in reserve if any of the four mentioned should falter. Boz can always be depended upon to deliver in a crisis.

On the receiving end Jack Hoerner, G. Shaeffer, Snyder and Miller, are all tried and experienced. For the infield positions a splendid quartette can be secured from Orner, Rice, Red Grove, Raffensberger, Grba, Luse, Baulblitz, Myers, Sertz, and Barnhart, while outfield positions are to be filled from a small army of fly chasers, including Fraker, Jac Shaeffer, Eppley, Thornton, Shope, Anderson, Mulhollen, Snyder, Shuman, Coover, Robinson, Deihl, Sellers, Trilley, Shenk, and Smith. The games played last week with the Shippensburg All Stars and Shippensburg A. C. are a good index of what can be expected along the battling line, while a little more practice will do wonders in the way of making a powerful baseball machine.

REFLECTIONS

THE FIRST WEEK

'Twas on June the 18th, Monday
We began this summer term,
A detour to Education
Of unknown things to learn.

While some recall old faces
They on the campus met—
Others had a new experience
That they will not soon forget.

As in the ranks they crowded,
All lonesome, full of fright;
Obeyed commands Miss Horton gave
While praying for the night.

Next to get a room key,
Then—what a horrid sight—
To see the regulations,
You can't go out at night!

Slowly the first day ended
All too soon another came,
With program, chapel, rooms, and things
You rivalled Paddock's fame.

Third day just getting settled,
The Fourth you're feeling glad,
Then you begin to wonder
Why the first day made you mad.

Surely with all sports to follow;
The first of summer here,
You gain additional vigor
And are far from feeling drear.

Baseball just beginning
Keep trying hard to shine;

Just attract the coach's eye
And you will make the nine.

Some time is spent in Tennis,
Good plays, swift and true;
Time passed in Campusology
Keeps students far from blue.

Oh for the stroll on Saturday
About this little town;
Making friends by glances,
While pacing up and down.

Oh perhaps 'tis Red Bridge,
The place to strut your stuff,
If there's a chance to get a girl
Oh you've been here long enough!

Now it's Sunday morning,
With a chance to stay in bed;
Unless someone unwisely
Shies a pillow at your head.

Somehow the day seems easy
So off to church we go,
Yet by noon all are returning
To the dining room below.

So the first week passes,
And we promise to be true
To our far famed Alma Mater,
The dear old Red and Blue.

Oh! How they tried to vamp him,
They worked with might and hand;
But now the news is out,
I guess they'll understand.
