Norwit Maza

In 1895 a movement was started in this college for student government. A joint committee of students and faculty furmulated a plan for a school Senate. The members of this senate were elected by the student hody and were expected to have an advisury and executive authority in matters "pertaining to the welfare and reputation" of the student body: This Senate acted entirely independently of the faculty. It had the respect of the students and handled cases of discipline quite satisfactorily.

At times in the growth of the college this interest in student government was lost at other periods it was prominent in the schools activities. In 1926 student government again came to the forefront. A group of students drew up a tentative constitution

[^1]and in 1927 it was formally organized. Officers were elected from the student body; and the student comeil, the executive body of the Community Government Association, was organized with delegates from the various student organizations.

In 1938 the name "College Council" was adopted for the executive division of the Community Government Association because the Council was not a "student" council. The Council is a group of students and faculty members organized to create a better feeling of cooperation among students, faculty and administration.

The Commmity Covernment Association sent its president. Norman Maza, to Minnesota to represent them at the annual convention of the National Students' Federation of America, of which Bloomshurg is a memler. The local group attended in a body the comention of the Eastern States Association of Professional Schools for teachers held in New York City.

Each spring the Waller Hall girls elect a Governing Board for the following year. This board consists of fourteen members: a president, a vice president, and three members representing each of the four classes.

The president is responsible for all functions and activities transacted under the name of Wraller Hall, and supervises all the committees acting in Waller Hall.

The outstanding event of the year, sponsored by the girls of Waller Hall is the Christmas party for crippled children. At this time the erippled children from Bloomsburg and its nearby vieinity are entertained at a party and program.

In April the dormitory girls meet with the day girls at annal He-She party. At this time the new officers for both organizations are announced.

## Nor'th Hall Association

The year found North Hall men enjoying the same fraternal spirit chatacteristie of the dormitory as in previous years.

During the first month the fellows concentrated most of their spare time on orienting the "frosh" into their new surroundings. The newcomers som adjusted themselves (through varionsly directed efforts of the upper-classmen) and entered into the spirit of goodfellowship.

Pinochle tournaments, in which heated competition took place, took up much of the leisure time. Thrise not very adept in the art of card playing engaged in ping peng contests.

Naturatly, the radio played an important part in the entertainment. An interested group was always listening in to their favorite spurts. comed. drama or educational programs.
smokers again were the highlights of the year. These gatherings are always lowked forward to. The programs are presented ly local talent in the form of music, dancing. singing. and skits. Of course, the ever-present eats left all in a jovial mood.

As each sports season willed around the follows could always be found engaging in games out on the athletic field. Rivalry sprang up between the various flows of the dormitory, and the atmosphere gradually took on that of a professional league. All the boys partieipated at one time or another.

Despite the time fome for extra-rurricular acticities, the men did not neglect their studies, but spent many hours on their subjects.

The men were led during the year by Juseph Hudoek, who performed his dutien rery rapably. John C. Kowh is the resident dean.

## SCORES

## Fontball

The 1939-10 foothall seasm saw the completion of one of the most disastrous records in Bloomsburg's history. Playing a schedule of eight games against other teacher colleges, the Huskies failed to come out victorious in a single encounter. However, the boys in Maroon and Gold proved themselves to he fine sports and gentlemen. In every game, the Bloomshurg eleven was out-weighed by its opponent hy at least twenty pounds per man. Still they fought down to the last second in an effert to prose their worth and mettle.

The first game of the season opened with Bhomsburg playing at Millerssille. The Huskies led all during the game. lut an official's decision in the last quarter on a forward pass proved to be their downfall, and Millersville went on to win 19-7. Following this heartbreaking defeat. the Tate-men nerer found themselves again, and seven straight set-lacks resulted.

The finest game of the past season was played against the Bald Eagles of Lock Haven. Out-weighed and out-manned. the stalwart Huskies came lack in the second half to orercome a $12-0$ deficit only to have an out-uf-hounds derision emable the Bald Eagles to overcome the stubborn and determined Huskies ly a score of 21-18.

One of the major disapprintments of the season was the age-old injury jinx. Tom Jenkins. an aggressive tackle. was lost to the squad after the first week of practice due to a knee injury. Kirk. anothes great tackle. had a recurrence of an old shoulder injury in the third game. and his loss was gravely felt during the rest of the season.

The Senior lettermen were Carl Welliver. James Hinds. Don Hausknecht. Frank Koniecho. and Willian Kirk. Other lettermen were William Herhert. George Menarick. Joe Suorin, George Donachy. Len Lehman. James Dormer. Stephen Roovaki. Harr

[^2]Jenkins. Bill Kerchusky, and Bill Troutman. Miles Smith served as senior manager in whicla capacity he had participated the previous year. He was ahly assisted by Edward Delesky and Morris Caleelly.

Coach Tate will luse onll five varsits men in June, all of whom have given good accomnts of themselves on the gridiron. It will he a difficult task (t) replace such players as Kirk. Hinds, Welliver, Hausknecht, and Komiecko, lut a fine group of sturdy underclassmen give prospects of a bright season in 1910 .

Receiving the Jomior Varsity award were the following: Walinchus. Keller. Maslowsky, Tomlinson, Wesley, Yanalevage, Jury, Hubiak, Lutskus. Horvath. Brittingham. Schaeffer. Kozlowsky, Petinato. Mahsimiuk, and Alkinson.

## Bowling

The Huskie bowling team, under the leadership of Dean John C. Koch, represented B. S. T. C. in one of the bowling leagues in Bloomsburg this past year. The team is above average in the league and their scores have heen followed with interest by a great many of the college students. Bowling started som after schowl opened and continued all throngla the year.

Thuse who bowled this year for Bhomshurg were Lawrence Kiefer. Donald. Rishe. Howard Williams, Ralph Crocame, Philip DeFrank. Nerin Slusser, and John C. Koch. Dean Korts and "Red" Williams shared the scoring homors although Crocomo and Kiefer gave them a run for their money every unce in a while.

Larry Kiefer, graduating this year, will leave the only vatanc! in the team. Prosperts should certainly be hright next year.

## Cross Comutry

The Marom and Gold cross country team, coached by George C. Buchheit, closed the 1939-40 season with the three wins and but a single set-back. Damm Kemple was the outstanding Husky harrier, but several other members of the squad proved to be able rumners.

Individually, the greatest achierement of the past season was Donald Karns smashing victory in the ten-mile Berwick Marathon on Thanksgiving. Karns finished among the first twenty to claim for the second consecutive year the first local award.

The varsity lettermen for the past season were Daniel Kemple, John Lavelle. Hugh Niles, Donald Jenkins, and Robert Joy. Receiving the junior varsity award were Theodore Radai, Walter Reed, and Howard Halpin.

The veteran Dan Kemple is the only harrier lost ly graduation, but the loss of this consistent winner forms a major problem for next season.

## Girls' Sports

L'uder the capable management of Miss Lucy Mc Cammon. director of girls* athletics and Miss Mar! Whitenight. assistant director. sports for girls at Blomslurg have reached a high level of achierement with respect to numbers and also in individual attainments. Sports for which girls are eliyible include tean games and individual activities. The benefits from this arrangement are two-fold: the girls enjoy the participation in actual competition and also receive points in the various sports toward athletic awards and admittance to the " $B$ " Club.

The first Saturday after school starts in the fall the girls of the college hold a tea and hike as a social function for the freshman girls. The tea. held at Miss McCammon's home gives the girls a fine chance to become acquainted with the new girls.

At Blommshrg a girl may participate in any of a large number of sports. Teams are organized in hocker. soccer, haskethall, volley loall. and other games. These games give many girls the opportunity to act as referees and ufficials in man! types of sports, experience which is apt to prove "f great value in getting a teaching position. The point system allows players, scorekeepers. umpires. and anyone who takes part in a game a vertain number of points. In the line of individual sports. a girl may take part in roller skating. hiking, sorial dancing. bicycling, bowling, temis. and swimming.

When a girl has accumulated five hundred puints (both team and indinidual) she receives her numerals. She earns her "B" when she has a thousand prints. At this print each additional fire hundred points entitles the girl to a cherron.

The Freshmen came through their customs with flying colors. As they found their way over the campus hearing their signs to tell the upperclassmen and each other who they were. they had some strange experiences. On Stunt Day, as is the custom at Bloomshurg, they marelled over the walks singing at the tops of some of their mices about the intensity of the color they were. A new feature was the hobly horse of this year's celebration. Any number of varieties were observed. from three-footers to
ten. but all seemed in serve the purpose. The three weeks of customs ended with a surprise party given by the upperclassmen.

The Freshmen were given their chance to rise and shine in their very own assembly program. The impersonation of "Grump!", (Graut Brittingham), was a real joy to all the Frosh in the gallery, as well as to the rest of the audience in the "monderworld."

Next on the Freshman calendar, and strictly Freshman too. was the Kid Party. This uproarious affair was held in the gym on Octoher 20th. The costumes and refreshments were all appropriate, and the games for the guests included "London Bridge," "Farmer in the Dell." "Go ln and Out the Window," and "Piggie in the l'en." Following this the entertainment committee presented a much enjoyed program. Nembers of the committee were Robert Llewellyn. Richard Mathes. Edward Hollis, Mary Middleton, Ruth Hope, ant Eleanor Althoff. The night is sure to be long remembered by the clasi of "13."

In Norember the "lass settled down to lusiness and elected officers 10 handle the class affairs. The election was strictly according to Hoyle, with mo stuffing of the ballot hox. The ufficers elected were: George Piarote. president: William Ilorvath, vice president: Barbara

One of the social highlights of the year was the Freshman Hop on March 30. Something new was the date bureau conducted by the class for the henefit of bashful students at B. S. T. C. The dance was a gata affair in an outstanding way. The decoration and programs, under the superision of Donald Jenkins, proved to be quite appropriate.

In discussing the activities of the Freshmen. we must mention the athletic talent which the class brought to Blownshurg. In fowthall we ser James Dorner and Genrge Menarick. In haskethall there are three outstanding Frosh: Edward Walinchus. "Whity" Maslowsky. and Theron Bardo.

Now the Freshmen are looking forward to a new and eren more eventul Sophomme year, but they cannot help looking back to those happ! days when they were just the "Green Frosh" of "39."

The members of the class of 1942 returned to the college in September. 1939. with a new manner. No longer were they the underdogs. the timid souls. They were determined that they would carse for themselves a niche in the college life and make their presence felt. as a group. and as indiiduals. From the first school bell of the fall. the Sophs were after the poor green Frosh. just to make af, for the well-remembered time the sear before when they lad to duck at the sight of an upperclassman or take the consequences. We are sure
that the class of 1943 will long remember the stem commands of the class of 1912.

The class got off to a good start under the leadership of the fine officers whom the? had chosen the previnos spring. Serving very capahly in the various offires were Ralph Macracken, president: Dasid Nelson, vice president: Mary Davenport, secrelary, and Robert Hartman. treasurer. Nerrill Deitrich and Ida Jane Shipe represented the class in the College Comeil.

The next chance the Sophomores had to strut their stuff was in their ammal chapel program. This was a dandy affair presenting "School Days in Modern Times." The time was mostly swing and somewhat "comy." as interpreted by a prick-up band composed entirely of Sophomores. Among thuse listed in the program were Paul Klinger, the trumpeter par excellence: Ruth Baird, who has delighted college audiences with her hric soprano rice on many weasions: Ray Perry, the little boy with the drums. (he surely knows what (1) do with them): and Arleen Hagenbuch and Rolvert Niller in a novelts tap dance that hought down the house. Gag-happy Bill Booth. the school marm. was master of reremonies and did a fine job.

On February twenty-furth came a great night for the Sophomores, the Sophomore Cotiltion. It made a distinct hit. The decorations. in charge of Norman Coosl. were red. white and blue, appropriate to the sea-

son. The nusic delighted evertone. Frank Shope, the general chairman. and his helpers are certainly to be complimented on a fine piece of work. Other committee chaimen who served were Bill Booth. Eleanor Twardzik. Emily Nitliams. Miriam Mensch.

One field in which the sophomores shine is athletics Ray spence is one of the mainstays of the temis teant. On the haskethall squad are "Shim" Herr. known to all Bloomsbure opponents. sented by Bill Wanich. George Donarhy was one of the foothall stars of the year, while llarry Jenkins was active in looh foothall and track.

Another noted man in the class is Noman Cool, still the tallest one around the cullege. Spencer Roberts, a Sophomore is one of the most active musicians in school. acting as accompanist to the Nixed Chorns and also playing organ solos many times in the chapel hour.

With the fine showing they have made in their two years at the college, we may expect great things of the class of 1942.

The Class of 194

## OFFICERS

The Junior Class is probally the most active on the campus. for its memhers are found in leading positions in almost every extracurricular organization on the campus.

The real hig gun of the chass is Howard Tomlinson. who besides being vice president of the college council is president of the Co-uperative Association of Pennsyl. rania State Teachers Colleges. President of the class of 1941 this year was Stuart Edwards. He was on the baskethall squad and also in dramatics. He played the lead, as Charles Donkin. in "Bachelor Born" in a fime manner.

Vice president of the class this year was Helen Johnson. Who is also known as treasurer of the Walter Hall

Association and a member of the "corps des majorettes" which leads the Marom and Gold Band at every foothall game. June Eaton. who was secretary of the class this year, is seheduled to be treasurer of the Community Gorernment Association next year. Floralielle Sthreeongost was the efficient treasurer of the class.

Among the Juniors who served in important places were Virginia Hughes, the secretary of the Waller Hall Association: and Joseph Hudock. president of the North Hall Association. Reher Fisher, as chairman of the elections looard of the C. G. A., had a lig joh this year. with all the primaries and inconclusive elections he and his committee had to supervise. Congratulations are in order for the fine way in which the committee performed.

Orthids are also due Bob, Borneman who, as chairman of the ehapel committee, worked hard to secure programs which the students would enjoy. Junior Class. In the "Expert" chairs were Mr. Fenstemaker. Dr. Kuster. Wr. Russel. Mr. Reams. and Mr. MeMahan. Since the were not Juniors ther were allowed time to think. after Dr. Russell's request. In the drivers' seats for this unusual program were Dick Foote. Jack Shortess, and Stuart Edwards. The audience certainls harl a good time watching the faculty raise their hands and answer their questions. By the way, they didn"t all score a hundred.

Among the affairs to which we look forward as the Obiter goes to press are the Junior Prom. siheduled fur May tenth. and the musical eomedy. The musical comedy was the work of Dick Foote and Eda Bessie Beilhartz.

Dick wrote and arranged most of the music, and will direct the orchestra at the world premiere in the college auditorium. Eda Bessie took charge of the story and wrote the script.

The Juniors also shime in athletics. Among those they brought to school are Leo Lehman, the football player. and Bill Kerchusky. Who has three strings to his bow -foothall. hasketball, and baseloall. On the track team many Juniors are active. Joe Sworin was unfortmately kept out "f the meets this year with an injured arm, but Howard Tomlinson. Walter Reed, John Lavelle, and record-breaker Dan Bonliam have done their hest and have fully equaled their fine performances of the past.

## Varsity Baskethall

Under the guidance of Coarh George C. Buchheit the 1939-1940 "Husky" haskethall squad turned in a highly surcessful season. Winning a total of ten games as against four losses, the Maroon and Gold basketeers high-lighted their season with a hard-fought victory wer the strong West Chester Teachers fise.

Taking the season in review, the schedule upened with a 57-41 victory over a surprisingly strong alumni outfit. Following this came successive tictories over Lock Haven. Shippensburg, and Mansfield hy lop-heavy scores. Millerstille. the team that later went on to win the mythical State Teachers Cullege championship. then administered the first "Husky" defeat by the close score of 59-53. Snapping right back after this defeat. E. Stroudshurg was defeated 1.3-30. but Shippenshurg then upset the Huskies on the Red Raider"s new gymmasium, and the powerful Millersville quintet added a second straight sethack upon the Huskies. Again regaining its stride the Bloomshurg five emerged victorious over Mansfield, Lock Haven. West Chester, and Montrlair of New Jersey. Of these hard-fought virtories, the game against West Chester stands as the standout

[^3]
achievement of the season. Rated as strong as the championship Millersville team. West Chester expecterl little trouble with the Huskies. However, Coach Buchheit placed an inspired squarl on the floor who went on to win by a close $59-54$ score. The fourth and final defeat of the season was suffered at E. Stroudshurg ly a score of 58-43. However, the "Huskies" clused the season just as they began it-with a victory. This was a $71-31$ drubbing over Indiana on the ludians' home court. Many Indiana rooters stated after the game that the exhihition of baskethall displayed ly the Blomomourg quintet was the finest ever witnessed at the school.

Leading the "Husky" fise to most of its victories was the harddriving Bill Kerchusky. A consistent point-getter and fine lloorman. Kerchusky gained state rerognition by being named on the second All-State Teachers College team. Pacing Kerehusky was Leonard "Slim" llerr, a sophomore, whose outstanding offensive work earned him honorable mention on the All-State Teachers College selections. Another boy who contributed many points the enviable Bloomshurg total was Walinchus, a promising freshman. Rounding out this trio were two of the finest defensive players in many seasons. Maslowsky and Baird, two newromers to the squad. Looking toward next season, Coach George C. Buchheit cannot help but feeling optomistic as not one single player is lost by graduation. With the same outfit representing Bloomsburg next year. the Marom and Gold squad should go far toward winning the mythical state title.

## Jay Vee Basketball

The Jay lee season was one of the leat of its kind in Bhomshurg history. Indefeated in six encounters. the "Husky pups" gave evidence of producing some very fine material for Coach George C. Burhheit's varsity squad of next year. The season included victories over Edwardsville All-Stars. Pem State Extension School of Hazleton. MaCann Business. Dansille Doctors. Mansfield Jay Vee. and a strongr Luzerne Mohank quintet. The victory over the Luzerne five was perhaps the highlight of the season. Opposing a team of seasoned laskethall players. the Jay Vee squad put on a determined last period drive to emerge sictorious by the score of 11-22.

Standout performances were given in every game by Halpin and Kashuba. fwo very tall freshmen who lonked quite promising. The Jay Vee squad also had a brother act by the Valentes. Tony and Frank, whose speed and alertness stamp them as. future varsity material. The past Jay Vee squad was made up almost entirely of freshmen and sophomores. making the outlook on next season's schedule indeed bright.

## Day Women's Association

## OFFICERS

An organization comparable to our Day Women's Asswiation is found on ver few college campuses. In many sthools the day girl is left to shift for herself. This was once true here at Bloomsburg. lout in 1930 the small group of "Locker Rom Cirls" organized formally, elected officers. and drew up a ronstitution. Since then the organization has grown steadity and today we have a wellequipped day rom and an organizatim which promotes the interests of all women day students.

All of the women that commute and all that live in the town of Bloomslurg are members of the Day Women's Assoriation. The Official Board is the executive boody of the assoociation. There are ten members on the board-the President and Vice President who are elected by the association, and two representatives elected by each of the classes. After the loard members are elected, one member of the hoard is selected to each of the following positions: Secretary Treasurer, Chairman of House Committee, Sucial Chairman, Publicit! Chairman, and Puhlic Service Chairman.

The members of the board for the following year are elected in the spring. The results are kept secret until the new members are presented by the old members at the annual He-She I'arty which is held in April and sponsored by the Day Women's Assoniation, and the Waller Hall Association.

During the Christmas seasom the Day Women's Association secures the names of four needy families from the Red Cross. Each class takes charge of one family. and contributes food. chothing. and toys or anything else that may make their Christmas a happy une.

## The Day Men's Association

The Day Room is the part-time home for most of the commuting men students at B. S. T. C. Located in the basement of North Hall. it is not a quiet place. The radio is going full blast all day long. and someone is usually trying to harmonize with it. Besides the racket from the radio, there is always a good argument between the hoys from Berwick and Coal Township about the basketball games for the past ten years.

The art of tahle tennis was to be seen in its rarest form until someone broke the table down during a wresting match. Now the loys seem to be content to argue about an exciting game of pinorhle. and the game goes along peacefully unless somenne tears the deck to pieces.

Sleeping is a popular indoor sport in the day-room. Every morning at least a half dozen lads are stretched out on what is left of the furniture. snoozing peacefully, forgetting they are supposed to be in class.

The latest fad that has taken the dayroom by storm is photography. Candid shots are being snapped continually and one no longer feels safe to make an ont-ofthe ordinary move for fear that his picture will be taken.

# The Bloomshurig Players 

OFFICERS

The purpose of the Dramatic Club is to provide a workshop wherein the members of Bloomshurg State Teachers College who wish to have some training in dramatics. may not onty learn to take part in plays themselves. and so gain more poise and ease in appearing before the pullic. but also learn to direct and produce amateur plays, especially in schools where they may go.

The Dramatic Club is one of the most popular extra-curricular activities on the campus of Bloomstrurg as well as the oldest. The present organization provides for student-directed plays to be presented each week. followed by constructive criticism be members and director of the club. Valuable experience can be gained by every member of this organization in acting and directing plays.

The Dramatic Club furnishes plays fur college affairs and for organizations in the town and outlying communities. "Bachelor Born." a play given with the assistance of the dramatic fraternity. was presented for the benefit of the pullic. This play was greatly enjoyed and helped to give the people an idea of the kind of work the members of the club are capable of doing.

One of the outstanding events in the clul) program is the annual Chitdren's Theater. This is a presentation of a play for the benefit of the children of the town and the training schnol. It is given under the auspices of the Parent Teachers Association. Members of the

Bachllor Rums
college are insited guests, and it has proven to be vers much worthwhile. Last year there were approximately 1,000 children who attended the play. This year will be the fouth year that the event has heen given by the dramatic club.

A service pin is awarded to members who have done outstanding work in the chub during the year. Nembers of the club are chosen for Apha Psi Omega. national honorary dramatic fraternity. These two awards are considered to be well earned and worthwhite honors.

Students are able to join the club by a tryout before a committee composed of club members and director.

## Student Christian Association

The Student Christian Association which was organized this year by the merging of the former Y. W. C. A. and Y. M. C. A. had a ver! successful and interesting year.

This organization had a membership of over one hundred fift! students and each took an active part in the work of the association.

During the Freshman Week, the association put on a special Sunday afternown meeting in the auditorium with Reverend Dr. S. A. Harker as speaker. followed by a tea in the Lobby for all students and their friends.

The annual Winter Festival was ronducted with huge success and included some very interesting games and programs along with fortune-telling and refreshments.

Representatives from the S. C. A. were sent to conferences at Gettysburg College. Bucknell University. Eagles Mere and Buck Hill Falls.

Sherwood Eddy. a well known lecturer, addressed the student body here at a chapel program which was sponsored by this association.

Some of the speakers for the year have included: Dr. Kehr. Dr. Maupin. Mr. MeMahan, Dean Andruss. and Harry Barton. Some very interesting socials have been

Singing has been an outstanding feature of the programs of this association, and the S. C. A. not only has had "rld-fashioned songs" at its meetings, but has led the singing of hymns in the main lobby on Sunday afternoon.

From the interest and cooperation shown this year the association will be successful. It would seem that the merging of the two christian associations on our campus has been entirely successful.

Esery dar of our lives history is heing made. News events of great importance are happening before our very eyes. Heallines are big but tell us little of the true situation which can he arrived at only by study and discussions of contrasts and comparisons drawn lyy authorities. Such distussions are bound to give understanding on the sulject. And so the Public Affairs Formm meets to discuss "topics pertinent to the affairs of the world today and also problems of purely local interest."
lu the spring semester of 1938 the l'ulbic Affairs Formm was organized under the direction of the College Council and sponsored by Prof. E. A. Reams of the Soeial Studies Department. It has been functioning successfully ever since its organization.

The Formm meets Munday evening in the social rooms of Noetling Hall where spirited discussions take place. Some of the topics discussed were. "German-Russian Alliance. Dies lnvestigation Committee on C'u-American Activities, Chapel l'rograms and Evening Entertamment Courses at B. S. T. C.. Neutrality Bill. Capture of the City of Flint. Background for War. Smoking Rooms for Girts at B. S. T. C.. "A New Far West in the Far East," "Eses on Russia." Possihle Presidential Candidates, "Is Youth of America Doing Its Share."

The orchestra has had a busy year. It played for the dramatic production, "Bachelor Born," for the Rotary-Kiwanis evening, for the musical comedy, and for the May Day program. Smaller groups from the orchestra have, from time to time, furnished music for banquets in the dining-room.

## The Maroon and Gold Dance Band

The Maroon and Cold Dance Band was revived this year for the first time since 1931. It was organized to furnish dance music for social events on the campus, and is composed entirely of students. The Band has played for a chapel program, for the lnter-Fratenity Sorial Evening. for several dinners at the college, and for a number of dances off the campus. It is hoped that the organization, with the foundation that has been laid this year, can continue to grow and supply a definite need in the social life at B. S. T. C.

The 1939-40 edition of the Maroon and Cold Band has made a very creditable showing. It appeared at all of the home foothall ganes, and accompanied the team to Shippensburg. It participated in the Btomomburg Hallowe'en Parade and drew much favorahle comment from the spectators. The big event of the year came on December 20, when the hand played a concert for the schowl children of Btommburg and vicinity, and appeared in an evening concert, which was a part of the College Entertaimment Course.

## Science Club

The Seience Clul, was organized in the spring semester of 1937 under the sponsorship of Dr. K. C. Kuster. The aim of the club is to promote throughout the student lowdy of the college an interest in both linlogiral and physical science.

The progran of the elub has been most varied and interesting. The artivities this year have included reports on the New York World's Fair, discussions on "The Night Blomming Cereus," "Superstitions and Lnfounded Beliefs," and "Chemical Warfare." The group spansored a muel-enjoyed chapel program and also held quizzical quizzes and went on field trips to many points of interest in this section, satisfactorily combining fun and study.

## Poetry Cluh

In 1935 a group of students interested in reading and writing poetr! frunded the Poetry Clut. The idea of forming this club is said to have originated in the Day Men's Room where a limerick written by Robert Savage appeared. The club has grown each year and now averages a membership of fifty students.

The first spmsor was Miss Ruth Eisman. The present sponsor is Mise Ethel Shaw. Former presidents have been Ja! Pursel, Syhia Conway. and Ethel Lauer. The president this year is Victor Turini.

The members of the Poetry Club hold an informal meeting each week during which they discuss the lives. works and philosophies of varions poets. Among the poets discussed this yeas are Stephen \incent Benet. Dorothy Parker. Edua St. Vincent Millay. James Russel Lowell. Alfred \eyes. Edgar Allen Poe, and Harriet Monroe.

Sometimes we have had poems on such topics as Comage. Humor. Poetry for the Athlete. Poetry Set to Music. and Dialect Poems. Each season has lieen celebrated with poems which glorified it for us and each holiday has heen celebrated with appropriate poetry. The Christmas celehration and St. Valentine's Day were special occasions for which each member of the chb wrote an original verse.

Our guest speakers have included members of the faculty and prominent citizens of Bloomshurg who have shared with 1 s original or favorite poems. Visitors who appeared on a chapel progran sponsored by the Poetry Club were Miss Dorothy Watkeys, socalist, and Mrs. Walter Zerbe, pianist, who presented original verse and music.

It was Dr. Marguerite Kehr who suggested a Bloomsburg Book of Verse in which such poems as are deemed worthy of a plare are recorded.

The aim of the Poetry Club is to endeavor to create an opportunity for the enjoyment of poetry. for as Walt Whitman said. "To have great poets. we must have great audiences." and this is the motto of the Poetry Club.

## Business Education Club

The Business Education Club, by far the largest organization on the campus, had a most successful year. both socially and educationally.

Outstanding among the social events of the year was the Business Education Club Victory Dance, the first big dance on the college calendar. Another enjoyalle and interesting feature was the annual outing held at Columbia Park where faculty and students "Iet themselves go" in ball games, skating, dancing, and eating picnic fashion.

The Program Committee, with the willing cooperation of the members of our group, really did a fine job in presenting interesting, educational entertainment at the meetings. The programs included educational films, mu-

sical cut-ups, skits, talks by prominent business educators, and interviews of student teachers.

As in previous years, the Business Ed Club sponsored the Commercial Contest for high schools. We credit the cooperation of our teachers and students for successfully administering so great an undertaking. The results of the contest and the growing interest of sehools in this area in our work point toward keener competition and still better contests in the future.

A great step was taken by deciding to send a delegate to attend the convention of the Eastom Commercial Teachers Association so that we may benefit from his report on important discussions in our field.

## Inter-Fraternity Council

The Inter-Fraternity Conncil has had a very busy and profitable year this term. The Council was organized in 1937 to create greater barmony in fraternity relationships, to encourage educational activities among the members, and to promote all social activities sponsored by professional fraternities. Each fraternity has four representatives on the council: the president. two elected delegates. and the faculty sponsor.

The Council held a social evening in the gymnasium with cards, other games, and dancing. The Maroon and Gold Dance Band delighted the audience with its fine music.

The main affair which the Council sponsored this year was the Service Area Day. This was held at the college on February tenth. with teachers attending from Columbia. Montour and Luzerne counties. At the general session. Dr. C. O. Williams of the Pennsylvania Department of Public Instruction spoke on teacher rating. Each fraternity then held a panel discussion of a topic of interest to its members and guests. All the groups met for lunch in the college dining room at noon. Following the meal. Robert L. Sutherland. Dean of Men at Bucknell L'niversity. spoke on "Inventions in Morality."

The Council performed a great service to the school in sponsoring this fine program.

## RESULTS

## Tennis

Credit must be given Cuach "Prof" Koch for the fine temnis team that represented Bloomsburg during the 1939 season. Participating in ten matehes, the Huskies lost only three encounters with only one teachers college, Mansfield, able to defeat them. However, Mansfield was later defeated to give Blowsburg claim to the mythical state teachers college championship. The fact that Bloomshurg played teachers colleges from every section of the state gives the Huskies precedence mer Mansfield. The varsity lettermen were Maclyn Smethers. Bill Strawinkki. Edmund Villa. Raymond Spence. Lloyd Smith. and Rohert Flopkins. William Yarworth filled the position of manager.

The season opened with the Huskies bouing to a strong Nlansfield sextet. However, the very next match found Bloomshurg gaining revenge with a $5-4$ victory over the same team. Twu more sictories. one over West Chester. 6-2 and the other (ner Shippenslurg. i-l. Followed before guing down to defeat at the hands of a strong Bucknell aggregation, 5-1. The next three matches saw Bloomshurg defeat Susquehama, Kutztown, and Indiana in succession by top-hear! sores. Then came the return match with Bucknell, and again the Bisons emerged ictorions. this time by a $7-2$ score. The season closed successfully. howerer. with the Huskies easily defeating East Stroudsburg. 8-1. The season's record stands at 7 wins as against 3 lowses.

Graduation last June left sereral vacancies that will be difficult to fill. Bill Staninski, one of the finest temis players ever seen on the hill, Maclyn Smethers and Robert Hopkins all received their diplomas. Along with this, Lloyd Smith failed to jeturn to school this year. However. Raymond Spence and Edmund Villa remain to form the nucleus of another fine team. With the addition of sereral promising freshmen, "Prof" is confident that his 1910 tean will ably defend its claim to the mythiral state title.

## Track

Coach George $C$. Buchheit in the 1939 season produced for the third consecutive sear the championship Pemsslyania State Teachers College track team. Winning all four dual meets of the season. the Huskies concluded their fourth straight season without loss in a dual meet and competing on the team throughout the building of that fine record were four athletes who were graduated last June. They were Frank Yan Devender. Edward Mulhern, Stanley Zelesky, and Frank Parker.

The Huskies opened the season victorious over East Stroudshurg 91-35. Captain I'an Devender capturing five events.

The next event was the Penn Relays at Philadelphia in which the Naroon and Gold quartet triumphed in its classification. defeating Rider Cullege ly nearly thirt! yards. The relay team was composed of Van Devender. Mulhern, Zelesky, and Kemple. In the teachers college championship of America event. the Husky quartet fimished second after run-

ning the fastest mile in Husky history. Dan Kemple took third in the 3000 meter steeplechase and Dan Bonham was fifth in the javelin to give Blomstburg the distinction of placing in each of the four events in which Husky athletes competed.

The next dual meet saw Bloomshurg down the strong Bucknell Chiiversit! track team ly a score of $721 \%-531 \%$. Following this event, the Huskies look Shippenslurg into camp by the overwhelming score of $3916361 \%$. The season was officially closed with a $742 / 3-511 / 3$ victor: orer the Bald Eagles of Lock Haven.

The most outstanding feature of the season was the state meet at Shippenshurg in which the Huskies amassed 61 1/3 points compared with 52 points recorded by their nearest competitor. West Chester. This being Bloomslourg's third atraight championship. it gave the Huskies permanemt possession of the cherished trophy. The "Flying Van" collected 16 puints to be the highest individual scorer of the meet for the third straight year.

The varsity lettermen were: Dan Bonham. Ken Hippensteel. Harr Jeukins. Dan Kemple. John Lavelle, Edward Mulhern. Robert Parker. Walter Reed, Juseph Sworin. Howard Tomlinson, Frank Van Devender, Stanle! Zelesk!. with Georce Washinko acting as manager. Although the loss of Van Devender, Harwood, Zelesky, Mulhem, and Parker will he greatly felt by their graduation last year, it is expected that our great track coach. George C. Buchheit, will again place another great team on the hill to gain recognition for Bloomshurg.

## The Magee Carpet Company

BLOOMSBURG, PA.

The dusty records of over a half a century ago reveal the fact that the Magee Carpet Company was organized in
 1889 by James Magee, 2nd, for the manufacture of Ingrain and Body Brussels carpets and rugs and carriage carpets.

The small building that housed a few looms and a few employees has disappeared. Today in its place stand the huge mill structures of the company containing the most modern of the intricate machinery necessary for the manufacture of high grade floor coverings. Fifteen hundred en1ployees are required to operate the industry. Millions of pounds of wool, cotton, and jute are used in a year, and millions of yards of carpet are woven and distributed in every state of the Union.
The business of the Magee Carpet Company is nation-wide. It has
 offices in the principal cities of the United States. The company manufactures Room Rite, Axminster, Wilton, and Broadloom carpets and rugs in all grades and sizes for homes, churches, theaters, railroads, lodges, hotels, and offices.

The Magee Carpet Company's plant in operation is open for inspection Friday's, 10 a . m. and 2 p. m.
