O R E W O R D

"1950"

A one and a nine, a five and a naught:
These cryptic symbols stand clear and sharp
As the promise of fullness we pledge to the world.

Into a flame-lit sky, scarred by atom-glare,
Into an age half-marked by Man's seeking mind,
We thrust, like wheatlings, our upraised arms
To grasp the fruition of Knowledge and Hope.
From nurtured past to blossoming future,
We shall grow fruitful with the Wine of Life;
And like golden sheafs of sun-ripened wheat,
Drop upon the fertile ground about our feet,
The precious kernels of our mortal sagesness,
So that, Time unto Earth, and Earth unto Time,
We may, with sureness, tighten the slim circle
That binds without measure, the souls of men
To Love, to Wisdom, . . . to Infinite Greatness.

Dedication

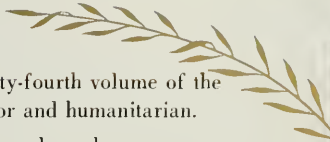

The Class of 1950 dedicates this thirty-fourth volume of the OBITER to Dr. Harvey A. Andruss, educator and humanitarian.

Nurtured by his gentle philosophy, we have become more tolerant in our outlook toward life

Inspired by his example, we have learned to be more sympathetic and understanding toward our fellow men

Influenced by his judgment, we have grown in stature as useful and productive members of the Democracy in which we live

And now as we ourselves go forth to become teachers of youth, we take with us lives infinitely enriched by our association with a wise and patient man who has done much toward making us what we are today.

THE COLLEGE

1750

Far above the river winding,
Midst the mountains grand..

Stands our college, dear to
students, Far throughout the land.

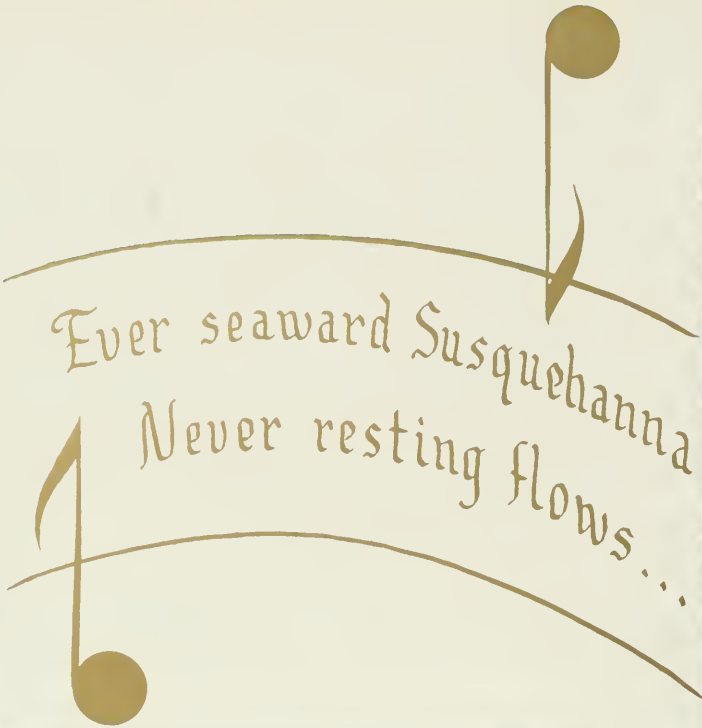

Far and wide though we may
wander, Still our hearts are true..

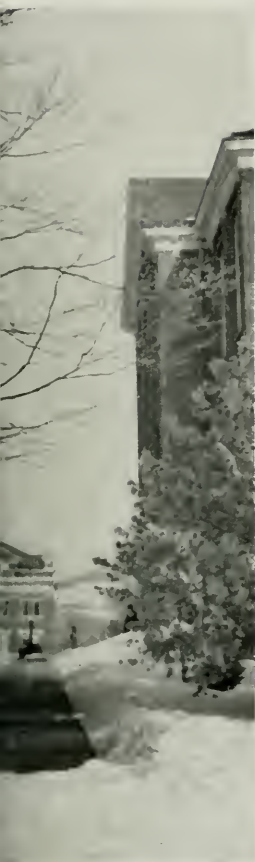

To our hilltop Alma Mater,
We our pledge renew.

A decorative graphic consisting of two curved lines, one above and one below the text, with a vertical line connecting them. At the top of the vertical line is a solid black circle, and at the bottom is another solid black circle. A stylized musical note is positioned between the two curved lines, with its stem extending upwards and its head pointing downwards.

Ever seaward Susquehanna
Never resting flows...

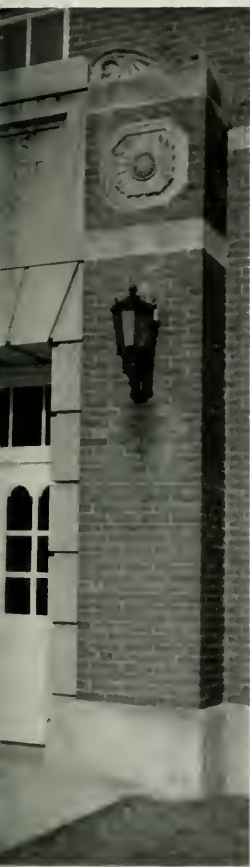

Ever upward, striving, climbing
Onward Bloomsburg goes.

Bloomsburg, Bloomsburg, Bloomsburg
College, Up on College Hill...

Years to come shall find us ever
True to Bloomsburg still,

GOVERNOR OF THE COMMONWEALTH OF PENNSYLVANIA

His Excellency, JAMES H. DUFF, *Governor of Pennsylvania*

To the graduating class of this mid-century mile-stone, the name of The Honorable James H. Duff, Governor of the Commonwealth of Pennsylvania, should be revered for his deep interest in Public School Education. Under his tenure, the cause of education has found a worthy champion and friend. OBITER 1950 proudly salutes a great governor and a great man.

His Honor, DR. FRANCIS B. HAAS, *Superintendent of Public Instruction*

SUPERINTENDENT OF PUBLIC INSTRUCTION

*To the 1950 Graduates of the
State Teachers College at Bloomsburg:*

OBITER 1950 has graciously given me this opportunity to wish you success in your chosen profession. In the finest sense of the word, teaching demands much of those who devote their life to this profession. In return it gives much—rich and varied friendships, appreciative understanding of people, contentment; and it also provides for the individual a lifetime of personal satisfactions.

Sincerely yours,

FRANCIS B. HAAS.

DR. HARVEY A. ANDRUSS

PRESIDENT OF THE COLLEGE

As we stand at the middle of the present century we can look backward at the past of our college and forward toward its future.

To pierce the fog of the future and attempt to delineate its shape, we can well be guided by the examples of the past. If Bloomsburg, as a collegiate institution, is to maintain and increase its usefulness to society, both in teaching and in other fields of education, the same sound, sane policies and performances are to be expected from its Boards of Trustees, its administrative officers, faculty, students, and Alumni.

We look forward with confidence that this Class of 1950 will exemplify the past traditions of those who have gone before, and yet temper the shape of the future as members of one of the greatest professions, that of teaching.

Class of 1950, I salute you!

Harvey A. Andruss
President.

DEAN OF INSTRUCTION

DR. THOMAS P. NORTH

TO THE PROSPECTIVE TEACHER:

Intelligent and active membership in the profession of teaching demands that you have a clear conception of the good teacher.

The good teacher is a good citizen. He not only possesses a great breadth of materials in his field but is informed of current social and economic problems, of which he reads and thinks critically. He not only understands nature and his environment but is able to make himself clearly understood. He understands and is considerate of his fellow men. He lives ethically and beautifully.

He is the person you would like for a teacher. He is the person you should be.

Sincerely yours,

Thomas P. North
Dean of Instruction.

Left to Right—Dr. Andruss, Mr. William C. Kreisher, Mrs. Elsie Yorks Jones, Mr. Reginald S. Hemingway, Mr. Howard S. Forster, Mr. George L. Wor.

BOARD OF TRUSTEES

The Board of Trustees of Bloomsburg State Teachers College is composed of prominent citizens who are deeply concerned with the growth and progress of the Commonwealth's teacher training institutions. Through their foresight, Bloomsburg State Teachers College has met the challenge of a changing world. War and peace have brought conflicting problems, yet Bloomsburg moves forward under their skillful guidance, constantly extending its influence in the field of education.

TO THE CLASS OF 1950:

My hope for you is that BSTC has helped you toward being the kind of persons described by Isocrates many centuries ago:

"Whom, then, do I call educated? First, those who control circumstances instead of being mastered by them, those who meet all occasions manfully and act in accordance with intelligent thinking, those who are honorable in all dealings, who treat goodnaturedly persons and things that are disagreeable, and furthermore, those who hold their pleasures under control, and are not overcome by misfortune, finally those who are not spoiled by success."

Sincerely yours,
MARGUERITE KEHR

TO BLOOMSBURG MEN AND WOMEN:

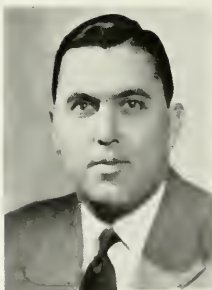

The beginning of a new century poses many questions and problems that only the passing of time can answer. It also presents a challenge to young people to think and build constructively so that the "brave new world" envisioned by many will become an actuality and not merely a passing dream.

Best wishes for success.

"An ivy charm to unlock the chest . . .
A green-leaved emblem of philosophy . . ."
—EDDINGER.

In making the transition from college life to the life of educators and civic leaders, the Class of 1950 leaves behind it a tradition of progress achieved through unity. In addition to its outstanding achievements as a group, numerous individual members of the Class distinguished themselves by making signal contributions toward the welfare of the entire College Community. So to those who remain to carry on the work to which the Class of 1950 gave its selfless and tireless devotion is flung the Flaming Torch. Hold it high and keep it burning brightly!

ELEMENTARY CURRICULUM

Laboratory School

The Department of Elementary Education offers curriculums leading to a Bachelor of Science degree in Education, with college certification in the elementary grades. The Elementary Department is situated in the Benjamin Franklin Laboratory School, where teachers in training are given the opportunity to observe and practice progressive teaching methods. The offices of the Department are located in the Laboratory School.

Miss Edna J. Hazen

"The teacher is an artist; he works with the precious clay of unfolding personality."

—MORGAN.

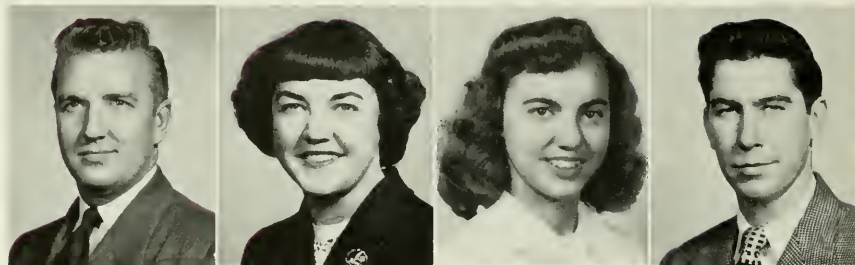

"The teacher is a prophet; he lays the foundations of tomorrow." —MORGAN.

In addition to regular classroom instruction which is offered in the first six grades, the laboratory school presents courses in kindergarten and special education for mentally retarded children. Modern demonstration rooms are used daily for the benefit of those students who have chosen the elementary curriculum as their field.

SECONDARY CURRICULUM

The Department of Secondary Education offers curriculums leading to a Bachelor of Science degree in Education, with opportunity to secure college certification in two or more of the following fields: Biology, English, French, General Science, Geography, Latin, Mathematics, Physical Science, Social Studies, Spanish, and Speech. The offices of the Department are located in Benjamin Franklin Laboratory School.

"These semi-circular canals are . . ."

"The teacher is an interpreter; out of his maturer and wider life he seeks to guide the young."
—MORGAN.

DR. ENGELHART

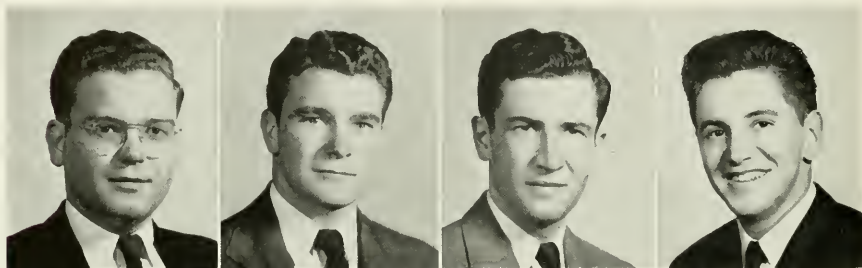

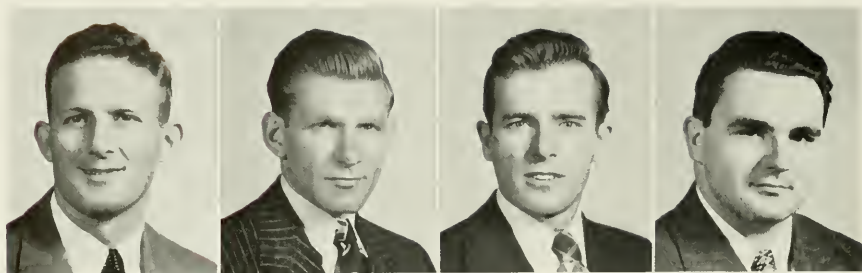

With the increased demand for teachers, opportunities in the field of Secondary Education are especially good at this time. The impact of the accelerated birth rate as a result of World War II will make itself felt during the 50's in the nation's secondary schools. The demand for teachers trained in this particular field will far exceed the supply by the end of the decade.

Who's Who in American Colleges and Universities

Each year a limited number of Seniors are chosen by a faculty committee for recognition in *Who's Who Among Students in American Colleges and Universities*. Traits taken into consideration in making the awards are scholarship, leadership in educational and extracurricular activities, general citizenship, and professional promise. The 1950 selections represent those upperclassmen who have made outstanding contributions in service to the College Community.

As their outstanding project, the Sophomore Class dazzled the College Community with one of the most unusual dances ever held in Centennial Gymnasium. Based on the theme of "An Evening at Antoine's," the setting recaptured the atmosphere of the famous French cafe. The guests, in festive mood, danced to the strains of Lee Vincent's music in the candle-lit setting. The winners of the OBITER Coed of the Year Contest were announced at intermission.

Mr. Don Butcotsky
 Beauty Contest Chairman
 STATE TEACHERS COLLEGE
 Bloomsburg, Pennsylvania

Dear Mr. Butcotsky:

I have been a great pleasure to select the "Cord of the Year" and her attendants for your yearbook, **OBITER**. The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winner, Miss Nancy Inner, and the four attendants, Misses Laura Philo, Kitty Mitchell, Polly Cooper and Jane Keller, were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of **OBITER**, and to the students of State Teachers College, I am

Sincerely yours,
John Robert Powers

The Men's Glee Club is one of the largest and one of the most enthusiastic organizations on the campus. The Glee Club presents several concerts each year which are warmly received by the College Community. A series of off-campus concerts are also presented. The Club joins with the Women's Chorus in the annual program of Christmas music, which represents one of the most impressive choral presentations of the year. The Glee Club also presents several radio programs.

Future Teachers of America

Chapters of Future Teachers of America are organized under the auspices of the National Education Association. The purposes of F. T. A. are to acquaint teachers in training with the problems of the profession and to interest the best young men and women in Education as a career. The Bloomsburg chapter is named in honor of Professor Oscar Hugh Bakeless, whose life on this campus was devoted to the advancement of Education.

Bloomsburg Players

The Bloomsburg Players is the College dramatics group. Weekly workshop meetings serve to instruct the members in acting, directing, and stage arts and crafts. In addition to presenting plays for the College Community, the group also participates in radio programs and presents plays in nearby communities. Aside from its cultural contributions to campus life, the organization also serves a valuable purpose in providing experience for students who are interested in dramatics from an educational viewpoint.

CONFERENCE CHAMP

The 1949 edition of the Bloomsburg State Teachers College football team came within one victory of matching the undefeated record of the past season. It is true, therefore, that this Husky squad cannot be ranked as the most successful team in our history, but certainly it will go down in the record books as the most colorful and versatile of all Husky elevens.

Coming out on top in eight of nine contests, the Huskies pounded the opposition's goal to the tune of 229 points with amazing passing and running attacks, while the rugged line held all Bloomsburg opponents to an average of ten points per game.

BLOOMSBURG 7—WILKES 20

In the season's opener, played at Plymouth, the Huskies dropped their first contest since the Shippensburg game of 1947. The Wilkes Colonels, taking advantage of numerous Husky miscues, were outplayed in almost every statistical department, but came out of the game on top in the all important scoring column, 20 to 7. Two intercepted passes gave Wilkes a 14-0 lead mid-way in the third quarter; then Steve Kriss, who played brilliantly, put the Huskies back in the game on an end sweep for Bloomsburg's only score. Ed Tavalsky added the extra point to make it 14-7. Wilkes clinched the upset by scoring another six pointer in the fourth quarter on a sixty yard pass play.

BLOOMSBURG 26—MANSFIELD 0

The first Conference game of the season was a complete reversal of the opener against Wilkes. Bloomsburg resumed its undefeated form as they pushed Mansfield all over Berwick's Crispin Field, hammering the Mountaineers, 26-0. Reedy sneaked across for the Huskies' first counter, followed by Jake Lichty's plunge for a tally, and Kriss's famed reverse. The last TD was added on a pass from Dietz to Stefanik. Ed Tavalsky accounted for the remaining two points with conversions.

BLOOMSBURG 26—LOCK HAVEN 14

This thrilling ball game gave indication that "Redman's Wreckers" were definitely out to capture their second straight Teacher Title. With the score 14-13, the Huskies on the short end, and only two minutes remaining in the game, sophomore George Lambrinos tossed a pass to Steve Kriss which was good for sixty yards to the one yard stripe. From here, Jim Reedy plunged over for the winning touchdown. Ten seconds later, Lambrinos made the score 26-14 by intercepting a pass which resulted in a Husky TD. A fifty-nine yard run by Steve Kriss was the feature play of the game.

BLOOMSBURG 21—KING'S 0

King's College was victory number three on the Huskies' list as the Monarchs were decisively crushed at Wilkes-Barre's Artillery Park. B. S. T. C. amassed a total of nearly three hundred yards gained via ground route, while piling up thirteen first downs. Parrell, Lang, and Lichty scored on short line bucks with Ed Tavalsky adding the extra points.

"Hold that line!"

BLOOMSBURG 32—MILLERSVILLE 7

Playing perhaps their finest game of the year the Huskies mauled a highly rated but rather impotent Millersville eleven by 32-7. The issue of this contest was never in doubt as Bob Lang galloped eighty-three yards to paydirt for one tally, and scored a second time on an off-tackle slant from the two. Jake Lichty and Danny Parrell scored on line bucks, while Maturani returned a pass interception for a Bloomsburg score. Late in the game, Millersville's passing began to click, a factor which resulted in their lone tally.

BLOOMSBURG 14—SHIPPENSBURG 13

Overcoming a thirteen point deficit, the Huskies made it five straight by downing a very powerful Red Raider eleven, 14-13. The expert place kicking of Ed Tavalsky spelled the difference between victory or defeat. The Red Raiders jumped to an early lead when Jack Hopper returned a Bloomsburg punt for sixty-five yards and a touchdown. Then in the middle of the second period, Ed Gerlock cut off tackle for twenty-five yards for a TD which made the score 13-0. But then a highly insulted Husky growled back. Steve Kriss passed to Lang for thirty-two yards; another pass placed the pigskin on the Skippers' twenty-seven. George Lambrinos then fired one to Steve Kriss and the Huskies were back in the game. Tavalsky's kick boosted the score to 13-7 as the half ended.

Kriss again came into the spotlight when he intercepted a Raider pass and carried it to the visitors' twenty-eight. After a series of plays "Jarim Jim" Reedy plunged over from the one. Then Ed Tavalsky's educated toe put the Homecoming game on ice as he split the uprights to make the scoreboard read, Huskies 14—Shippers 13.

BLOOMSBURG 27—KUTZTOWN 14

Previously unbeaten Kutztown was toppled by a determined Bloomsburg squad that once more had to come from behind to win. Rolling up nineteen first downs to nine, the Huskies, after spotting the Berks county eleven seven points, were in complete command throughout the remainder of the game. Behind big Rod Morgans' splendid downfield blocking, Kriss, Parrell, and Bob Lang notched touchdowns. Center Bernie DePaul scored his first collegiate TD on a lateral from quarterback Jim Reedy, as the Maroon and Gold swept to an easy win. Tavalsky converted three times.

BLOOMSBURG 48—LYCOMING 0

The Husky avalanche continued to roll as it crushed impotent Lycoming by a score of 48-0 at Williamsport. Coach Redman gave his gridders a holiday following the Kutztown victory and the Huskies showed their appreciation by completely outclassing the Indians. The most noteworthy party of this game was the showing of Wayne Von Stetten's freshman team that seemingly scored as often and as easily as the varsity. TD's were notched by Kriss, Parrell, Lang, Lichy, Thurston, Stonik, Poli and Brennan. Ed Tavalsky brought his season's total to twenty-one, as he placed kicked six for seven extra points.

BLOOMSBURG 23—EAST STROUDSBURG 22

In a game marked with solid, rough blocking and vicious tackling the Huskies completed the second most successful season in our school's history. The Stroud victory was the twentieth out of the last twenty-one games and the fourteenth straight victory in the Teachers' Conference. The Huskies drew first blood in this traditional battle early in the first quarter when Jim Reedy sneaked across from the one after a sustained drive of fifty-five yards. Ed Tavalsky converted and the Huskies led, 7-0.

East Stroudsburg was forced to punt after three running attempts and Joe Apichella returned the ball sixteen yards to the visitors' forty-six. From here another drive was started, highlighted by a Kriss to Tavalsky pass that the Johnstown end caught beautifully in the end zone for the Huskies' second tally. Ed "The Toe" Tavalsky converted again to make it 14-0.

Stroud came roaring back through the great passing of Jack Swartz that carried to the Huskies' one. From here, quarterback Swartz bulldozed his way through the Maroon and Gold for the visitors' first score.

The Huskies' third TD took seven plays, terminated by Witchahoo Lang's twelve yard pass to Kreiser, who rammed his way over the double-stripe for the score. Tavalsky split the up-rights again to make it 21-7.

The third period play was strictly dominated by the boys from the Pocono Mountains. After Swartz passed for another TD, Dan Parrell was tackled in the end zone to make the score 22-16. Bloomsburg came back to start another drive but Bob Lang was unable to hold the pitch-out which an alert Indian grabbed and legged to the goal to make the score, Stroud 22—Bloom 21.

The Huskies wasted no time in marching for the winning touchdown. The drive was led by "Dapper Dan" Parrell, with Danny going over for the final touchdown. Tavalsky made it four for four and the game ended shortly after, with the Huskies on top, 23-22.

Bloomsburg-----	6	Scranton University-----	0

The B. S. T. C. JV squad, under the tutelage of student coach Wayne Von Stetten closed the 1949 season with a record of two wins and one defeat. Their initial contest was against the Lock Haven Bald Eagles in which the Pups went down to defeat by a 14-0 count.

The Pups racked up victory number one by shellacking the Wilkes College JV's 18-6. Spotting the visitors an early touchdown, the Pups roared back in the second half with TD's by Green, Hammershock, and Poli, which netted the victory.

Winding up the season against Scranton, the Husky gridders made it two in a row by virtue of a 6-0 win. Fred Denesovich earned the right to plunge two yards for the tally with a forty-eight yard run early in the fourth period.

Husky Hoopsters, 1949-1950

With five veterans back and a few newcomers on hand, the 1949-50 version of the Husky basketball squad, under the direction of Harold Shelly, made a commendable showing despite the toughest schedule in the history of BSTC.

Missing from last year's Wisler-coached five, which split even in eighteen contests, are Charley Boyer, Pottsville standout; Elmer Kreiser, Columbia giant; Paul Slobozien, Johnstown performer; and George Lambrinos, Endicott, New York, athlete.

Six veterans answered Coach Shelly's initial call in early November, and on the shoulders of these boys rested the hopes of a successful cage campaign.

SOCCER

The Bloomsburg soccer squad of 1949 finished the season with a record of four wins, three losses, and one tie. The season inaugurated Coach Harold B. Shelley's tenure as a Bloomsburg mentor, and the former Ohioan brought his squad through a successful season.

Coach Shelley started his Bloomsburg coaching career with a victory over Wilkes College 2-1. Second on the Huskies' list was the highly touted Lincoln eleven. Not upset by the pre-game notices the Huskies sent the Lincoln boys home, white-washed with a 2-0 score. Paced by Dick Gearhart and Bucky Richards, the local booters won over previously unbeaten Elizabethtown College before a large crowd at the down-state school. Final score Huskies 2—Elizabethtown 1. Lock Haven continued its jinx over Bloomsburg soccer teams by stopping the locals 2-1 in a rugged battle played on Mt. Olympus. A powerful West Chester soccer club then drubbed the Shellymen for their second straight defeat. Defeat number three was inflicted on the B. S. T. C. soccer team's record as Howard University traveled from Washington to paste the Huskies 3-0. The Huskies' losing streak was stopped when they held Indiana to a scoreless tie at the Western Pennsylvania school. In the final game of the season the Husky kickers scored their second victory over Wilkes College at Mt. Olympus by a score of 3-1.

UNDEFEATED 1949

With a crop of new talent and old vets on the scene, Coach Bob Redman developed one of the finest ball clubs to represent Bloomsburg in over a decade. The 1949 edition of the Huskies completed the first undefeated season since Danny Litwhiler lead the Husky attack in 1935. The outstanding season was attributed to the combination of superb pitching with powerful hitting. Each of the Husky hurlers was helped by excellent infield and outfield play. That the Huskies played an outstanding brand of ball all season was evidenced by the large turnouts on airy Mt. Olympus. Nearly five-thousand spectators saw the Bloomsburg nine in action this year as compared to a meager few hundred in previous years.

First Row, Left to Right—W. Byham, J. Buynak, M. Evans, D. Butler, J. Czerniakowski, H. Bruhn, P. Slobozien, D. Hummel, O. Piell.

PENN RELAYS—Bloomsburg placed fifth in a special State Teachers event in the Penn Relays. The Huskies' relay team was composed of Bob Conrad, Arthur Urban, Frank Gallo, and Bill Gilbert.

STATE TEACHERS MEET—The Huskies could do no better than come in sixth during the annual State Teachers Meet held at Shippensburg. Frank Womer continued his fine work by breaking a twenty year record in the pole vaulting event. Womer vaulted twelve feet, three-eighth inches for a new Teachers College record.

CHEERLEADERS

"Come on, let's have a cheer!" This was the by-word of these vivacious cheerleaders during the Huskies' 1949-1950 sports season.

The spirited squad was on hand for all varsity football and basketball games. They lead several pep rallies and were highly influential in the return of school spirit to Bloomsburg.

The spirit injected into the spectators by the untiring efforts of the squad, Captain Delphine Buss, their faculty advisers, Miss Honora Noyes and Mr. Richard Hallisy, fostered school loyalty among the students, and added winning spirit to the efforts of the players.
