# Foreword

As we approach the half-century mark of continuous publication, the staff of the OBITER, Bloomsburg State College's proud annual, salutes you—our faculty, student body, and friends.

It is difficult to evaluate what any yearbook represents, for it is only with time that the true value of such a publication becomes apparent. It is our desire to present in this forty-sixth edition of our college annual a true picture of student life, to portray all of the activities, both academic and extra-curricular, which go into the making of a college graduate. You, however, must be the judge of whether we have succeeded.

In the following pages we have tried to represent you and trust that this memento will recall your pleasant college days at Bloomsburg.

## THE STAFF

The color photo at right is a reproduction of a familiar campus landmark. One of the harbingers of spring is the shad bush (*Amelanchier canadensis*) adjacent to Carver Hall.

# The Campus

On these pages we have selected photographs which reflect the seasonal changes on the campus and the various moods of the college year.

Winter is featured in the shot below of Science Hall. In a few short weeks, the splendor of an autumn landscape has been turned into a fairyland by an early winter snowfall.

On the opposite page are the familiar college lions photographed against a brisk fall background. This scene reminds freshmen and seniors alike of a busy college year ahead.

What better way to symbolize spring than a shot of Long Porch with its colorful rockers and the musical plashings of the fountain in Waller Court. And how inspiring is the view of the College Commons on a bright summer morning.

Continuing our seasonal theme, we present here the contrasting scenes of winter and spring. The somber scene of New North Hall during last winter's heavy snow storm is offset by the brilliance of a spring day represented by the infrared photograph of the Benjamin Franklin Laboratory School at the right hand corner.

Benjamin Franklin Laboratory School is an important asset in the training of the elementary teachers.

## THOUGHTS FOR SENIORS

"By a small sample we may judge the whole piece."

—CERVANTES

Your Alma Mater is composed of its alumni. Your success in your chosen profession will reflect itself in the next generation and those to come in the years thereafter.

May Bloomsburg be proud of your spirit of service to students.

# Graduate Program Inaugurated at Bloomsburg June 15, 1961

Bloomsburg State College has taken another step forward in expanding its services to public school teachers with the inauguration of a program of graduate studies. On June 9, 1960, the State Council of Education of Pennsylvania authorized the College to develop graduate programs in Business Education and Elementary Education and to confer the Master of Education degree. Approval has recently been granted for graduate offerings in special education and speech correction. Graduate courses were first offered during the summer term, 1961, with a complete schedule of classes available in each of the summer sessions. During the current academic year, classes are scheduled on Saturday mornings to permit teachers in-service to continue their program of advanced study without interference with normal professional duties. The pleasant atmosphere found on the campus, the well-trained faculty available for graduate instruction, and the excellent classroom and library facilities make the Bloomsburg State College ideal for persons desiring to further their professional growth through graduate study.

The program of graduate studies at Bloomsburg is designed for persons who wish to:

1. Secure permanent certification by earning credit in graduate courses;
2. Become eligible for additional salary increments in those school systems that have adopted salary schedules recognizing graduate credit earned by their faculty members; and/or
3. Earn the Master of Education degree (and secure permanent certification simultaneously) in:
  - Business Education
  - Elementary Education
  - Special Education for the Mentally Retarded
  - Speech Correction

Although the program is now limited to elementary school teachers, teachers of business subjects, teachers of the educable mentally retarded, and teachers of the speech and hearing handicapped, careful consideration is being given to the development of curriculums in English and social studies. With the passage of time, graduate programs in other subject areas will undoubtedly be added to the offerings of the College.

Shown above are the first students enrolled in the Graduate School Division on the opening date, June 15, 1961. Members of the Graduate Council are shown seated in the front row. From left to right are Dr. John J. Serff, Dr. Ernest H. Engelhardt, Dr. Royce O. Johnson, President Harvey A. Andrus, Dr. Thomas B. Martin, Director of the Division of Graduate Studies; Dean John A. Dear Fellow Graduates:

As the end of our college days draws near, our minds return to that day when we first entered Bloomsburg State College. Most of us were fresh out of high school. We were ready to conquer the world, inspired by fresh ideas, by dreams and by ambitions . . . immature youth on the threshold of a new experience. The following years found many of our dreams shattered. Many of our ideas proved impractical. We continued to strive toward a goal that seemed uncertain at times.

During the course of our education at Bloomsburg, we grew in understanding of ourselves. We developed sound judgment, and we began to comprehend this great thing called "life." We gained many new friendships, and achieved self-confidence. We learned to think, to make decisions, to accept responsibility, and to teach.

To teach—the goal toward which we have been striving for all these years . . . a reality! Once more we face a new challenge, but we are older and more mature. This time we stand ready to meet any challenge, confident of our ability, and proud of our chosen profession.

We now face the greatest challenge of our lives—to educate the leaders of tomorrow. If our country is to remain free, we must be the best educated nation on this earth. It is, therefore, the responsibility of each of us to contribute our small part to attain these ends.

Although we are many in a long line of Bloomsburg classes, we will not be forgotten. We have given much of ourselves to Bloomsburg both on the athletic field and in the classroom. We have spent countless hours and contributed numerous ideas to help Bloomsburg grow and progress. As the years slip by, we shall continue, through our Alumni Association, to support Bloomsburg State College as we have done for the past four years.

To our parents, the President of our college, the Board of Trustees, the Commonwealth of Pennsylvania, the administration and the faculty, our class advisers—Mr. Scarpino, Mr. Scrimgeour, Mr. Cope, and Mr. Bashore, we say thank you for your patience, inspiration, and guidance throughout the years. We will do our best to make you proud of the Class of 1962.

And now, with graduation just around the corner, I would like to thank the class for giving me the honor and privilege of serving as your president. May I extend to each member of the class my sincere congratulations and best wishes for continued success in the years to come. May our thoughts return often to Bloomsburg State College and the Class of 1962.

Sincerely yours

*Richard R. Lloyd*

## Junior Class

The major activity of the Class of 1963 was the Junior Prom held on April 27 in Centennial Gymnasium. The winner of the Laurel Queen contest, which is sponsored by this class, was announced at that time. In addition to the Prom, the Class of 1963 entered a float in the annual Homecoming Day parade and won a prize with an animated German clock. Each year the Junior Class officers are responsible for ordering class rings. Two junior representatives participate in the annual Battle of the Classes.

The Freshman year is ever an exciting one. It begins with customs week with "Buttons, Frosh!" and terminates with the title of sophomore. The year's activities include the Annual Freshman Talent Show, which is eagerly awaited by the entire college community, along with the Freshman Hop, at which time the Coed-of-the-Year is crowned. The Class of 1965 has displayed true school spirit and is proud to be a member of the BSC student body.

*The Coed  
of the  
Year*

# Coed of the Year Contest

The Coed-of-the-Year Contest is sponsored annually by the college yearbook and the Freshman Class for the purpose of selecting the most popular coed. The initial selections are first made by a nominating committee consisting of the presidents of the respective classes, with a coordinator appointed by the editor of the *Obiter*. Eight candidates are selected—two from the freshman, sophomore, junior, and senior classes. The entire college community then selects the winner from these eight nominees in a general student election supervised by the Community Government Association. The impatiently-awaited announcement of the winner is made at the Freshman Dance in Centennial Gymnasium, which is usually held early in the spring.

We congratulate this year's winner, Miss Dolores Keen, of Sunbury, Pa., a junior in the Elementary Education curriculum.

Manuel Gonzalez, coordinator of the Coed-of-the-Year Committee, crowns the winning contestant.

# Community Government Association

President, MYLES J. ANDERSON

The Community Government Association co-operates with the responsible authorities in promoting personal and group responsibility in regulating the affairs of all students. Upon entering college, all students and faculty members automatically become members of the Association. The meetings of the Association are held during assembly periods upon call by the President of the Association, or by petition of twenty or more members. The legislative, executive, and judicial body of the Association is the College Council. College Council meets on the second and fourth Monday of each month to carry out the responsible legislation of the Association. Matters of extreme importance are submitted to the Association by referendum. The membership of College Council is composed of the officers of the Association, the Presidents of each class, a man and woman representative from each class, the Presidents of the two resident associations and two non-resident associations, the editor of the college newspaper, the Dean of Students—adviser, Dean of Instruction, the Dean of Instruction, the Dean of Women, the Dean of Men, and the Director of Public Relations.

The Community Government Association standing Committees assist the officers of C.G.A. in making it a functioning, as well as a formulation organization. The committee Chairmen are appointed by the President of the Association for a term of one year and are usually selected on the basis of previous experience in that particular type of committee work. They are responsible to the Vice-President for a monthly progress report on the activities of their individual committee. The Vice-President, in turn, presents these reports to College Council. At present, there are thirteen standing committees, two of which were created this year—the Husky Lounge and Decoration Committee. The functional structure of the committees is far-reaching in the development of our College programs.

This year has been one of great challenges. Challenges which, upon being met, resulted in establishing a stronger Association as well as creating new activities and expanding old. For instance, we established the weekly office-adviser Cabinet meeting which was found to be quite successful in contributing better executive planning, building intragovernmental rapport, and broadening distribution of our services. In addition, we enlarged our cabinet with the establishment of the much needed post of corresponding secretary. The appointee to this position was Jeanne Fischer, a junior in the Business Education curriculum.

# College

It was found that College Council directed most of its efforts in the area of all-college functions. With the aid of excellent committee work, we strengthened and spread our services into all areas of college life. There was a two-fold increase in student activities; therefore, this meant supplying the student with a variety of activities in a non-stereotyped manner. For example, our Homecoming and Spring Weekends were found to be very successful even to the degree that they will be a part of our social calendar for many years to come. This year our Big Name Entertainment event met with financial success and added the last block to the economic will—insofar as making it an annual affair. With the legislation of College Council, we created several new campus organizations—the Circle K Club, the Amateur Radio Club, and Le Cercle Francais. We strengthened our living areas by purchasing furniture and coin-operated washing and drying machines. Obviously these are just a few examples; it would be impossible to list the large gamut of accomplishments of College Council for the academic year of 1961-1962.

It should be noted that Bloomsburg State College, being a unique leader in the student government field, was very influential in giving birth to a new Pennsylvania Association of Student Governments, in addition to playing host to the first pre-planning conference for this particular purpose.

*Seated, left to right:* John Bayson, Macyle Phillips, Robert Strunk, Penny Harvery Kemler. *Standing:* Patricia Biehl, Dean Hunsinger, Edward Fetzko, Dean Hoch, Thoman Hixon, Ann Golder.

This year the major concept that was projected and carried out by the Community Government Association was the importance of "the student point of view." With our independence, freedom, and wholehearted cooperation with the college administration, we were able to carry out the student point of view wherever it was found to be possible. This is not only a present, static concept, but a living, growing one that must be shouldered and nourished by tomorrow's student leaders.

To serve as the president of the Student Government Association has been a singular honor. I have enjoyed a wealth of academic experiences, and rewarding relationships with the faculty and student body alike. It is doubtful whether these experiences could be duplicated or equaled in any other field of endeavor. My good wishes go with you as you enter your chosen profession.

## THE OBITER

The *Obiter* is the annual published each spring by the college community. It contains a review of the activities of the graduating class, with illustrations of campus, students, clubs, teams, and informal shots of students and faculty. It is the aim of the *Obiter* staff to present a realistic portrait of college life at Bloomsburg.

### IBM Equipment To Be Installed Soon

The regional representative of IBM Corporation has recently notified the BSC administration that the first units of the data processing equipment will be ready for installation before the end of the current semester. It is thought that the equipment will be fully installed by the first week in July.

Between the months of March and May each student will have a conference with his divisional director and choose his electives for the fall semester. In the advance registration the student will prepare a trial schedule. His final approved schedule will then be sent to him during the summer.

In order to facilitate this program, each student will be assigned a matriculation number. Each subject will also have a code number and the schedule card form will undergo a radical change.

This system will eliminate the formerly necessary individual class cards and the yellow schedule card that is filled in at registration.

### Regulations For Parking Enforced

Because of the increased number of parking violations and the continued number of illegal parking complaints by Bloomsburg property owners, it will be necessary for the College to make an all-out effort to enforce the parking regulations.

The College Campus Officer has been instructed to check closely all cars in the vicinity of the College including Penn Street, and Penn Street extension, which runs up to the hospital. Also Light Street Road and the area around the hospital will be kept under close surveillance.

### Students Visit Stock Exchange

Members of the Business Education Club and Pi Omega Pi Fraternity toured New York City recently. Highlights of the trip were guided tours through the New York Stock Exchange, the Federal Reserve Bank, and the American Stock Exchange.

Those attending were: Dale Anthony, Marianne Antonetti, Patricia Biehl, Mary Ann Bodolus, Raymond Bowersox, Arlene Boyer, Irene Brown, Laura Mae Brown, Carol Bunnard, Nancy Cotner, Hazel Crain, Ronald Cranford, Jnanne Curry, Robert Derkits, Carole Doehler, Nola Ellenberger, Hilda Farley, Howard Griggs, Donald Hawthorne, Joseph Jennings, James MacNeal, Jr., Raymond Miller, Thomas Nawrocki, Garold Newman, Lois Rathmell, Robert Rehkop, Faye Scheidt, Gary Schell, Linda Schlegel, Lynn Shoop, Emily Shultz, Barbara Twitmore, James Sipple, and Walter Veranda. Mr. Norman Hilkar, sponsor of the Business Education Club, served as chaperon. Mrs. Margaret McCern also accompanied the group.

### Sterling Assumes Position As New Math Professor

Mrs. Bernice Sterling has recently become a member of the BSC faculty in the mathematics department.

### Tomorrow THE Day Winter Carnival Pledges Much Fun

The BSC Winter Carnival will be held at Eagles Mere tomorrow, February 10. Buses will depart from BSC at one o'clock p.m. The price for bus transportation and the day's activities will be two dollars, for those not planning to take the bus, the charge will be one dollar per person. Tickets may be purchased outside of Husky Lounge and in the dormitories.

There will be skating, and tobogganing in the afternoon. During the evening there will be a dance from 9 until 12 in the Eagles Mere Inn to the music of the Entertainers.

Winter Carnival is the Waller Hall the Men's Rooms from dormitory event preparation. Jessie

## "Plain and Fancy" Coming Soon.. Largest Cast In College History

### Bloodmobile Will Visit Thursday

On Thursday February 15, the Red Cross Bloodmobile will make its twelfth annual visit to the BSC campus. The Bloodmobile Unit will be set up in Centennial Gymnasium from 10:00 a.m. to 1:00 p.m. "Walk-ins" from the Bloomsburg area will be welcome.

### Musical Comedy Opens Thursday

by KEN MUSSELMAN

Cast members of "Plain and Fancy" as students and faculty work together to prepare for BSC and community.

The musical comedy will have its opening night, February 15 at 8:15 in Carver Auditorium. The musical, "Plain and Fancy," will be produced by students in the leading roles, the first on Thursday, Feb. 15 at 8:15 p.m. and the second on Friday evening at the same time.

The production will bring together the largest cast in the history of the college, plus an orchestra and chorus.

### Faculty and Students Combine

Speech and director of the musical, said that the combination of student and faculty to my knowledge that a play at BSC has never been attempted. He went on to explain that comedy has been a practice at many large colleges.

The combination helps in giving the audience a better performance. In this instance the combination was dictated by necessity.

This student-faculty cast will be portraying a story that is more "plain" than "fancy." The audience will see a typical New York native and his sophisticated girlfriend coming to the Amish country to sell a piece of property that he has never seen. The audience will laugh when they see how the New Yorker and his girlfriend react to the quaint customs, stern morals, and Pennsylvania-Dutch English of the Amish. Such melodies as "Young and Foolish," "Follow Your Heart," and "Plenty of Pennsylvania" are among the more well-known songs from the musical. When the curtain falls, the audience will be pleased to see that the metropolitan couple has arranged things so that everybody is in love with the right person.

### Impressive Production

Yes, "Plain and Fancy" is a musical comedy. The music was written by Albert Hague and the lyrics by Arnold Horwitz. To put such a play on the stage requires the cooperation of many people. (Continued on page 4)

### Co-Ed Crowning To Highlight Dance

The main attraction of the Freshman Hop to be held on February 23 will be crowning the "Co-Ed of the Year." The dance, "Stairway to the Stars" will be held from 9-12 p.m.

Music for the evening will be furnished by Johnny Miller and "The Stralighters." This band is known as having "music with that dancing sound."

The president of the Freshman class, Thomas Miller, said that the chairman and members of the various committees are working very hard to make this dance the most successful one yet. The first year class at BSC has been very successful in the past.

### Library Receives New Subscriptions

Two one year subscriptions have been received by the BSC library. Lars Edburgh, 1961 Pennsylvania Target Champion and a sophomore at BSC, has donated a year's subscription of the magazine **Bowhunting** to the library in order to create an interest among other students in the field of archery and bowhunting. Two issues of this magazine are on file in the library.

Also, the Delta Chapter of Gamma Theta Upsilon, national professional geography fraternity, has renewed the college library's subscription to the **Geographical Journal**. The library has issues of this magazine on file dating back to March, 1960.

### An Afternoon At Abercrombie and Fitch

By Eric Horton

There it lay. Right at that moment, it was the only gun I would ever see in town.

"Pick it up, if you like," said the salesman, indicating the double Purdey he had just laid on the green felt country top. It was a warm Monday in August, and I had left the office early. Walking down town, I had stopped at Abercrombie and Fitch for no other reason than the fact that it was air-conditioned and I liked good guns. There was where I didn't know they had started making Purdeys again.

My friend, since the war. This is one of the pre-war models, they haven't since the war. This is one of the pre-war models, they haven't since the war. This is one of the pre-war models, they haven't since the war.

The Circle K Club is not a social fraternity; it is a service organization for college men operating on the campus and is similar to Kiwanis and other service clubs. It is a leadership and character-building group which serves the campus and the community. It provides a means for the development of initiative and leadership among students not to be found in the regular curriculum. It helps the schools to make its students conscious of basic American and Canadian ideals and of the responsibility for preserving them. It provides the medium for accomplishing projects to assist the school in social, academic, and rehabilitation programs. It maintains an important tie with the community and enhances the campus-community relationship.

The French Club—Le Cercle Français—is one of Bloomsburg State College's newest extracurricular activities, organized in September 1961 and officially recognized by the Community Government Association at the onset of the second semester. Realizing a need to implement the normal study of French, this group was founded to create an informal learning experience for all those interested in acquiring a facility in speaking the language. *Parlez français seulement* is our motto; all club meetings are conducted entirely in French. In addition to the regular club members, Le Cercle Français also includes affiliate members who join us during the conversation hour.

During our fledgling stage, we were guided by Mlle. Margaret Eggar, and M. Howard Fenstemaker, Chairman of the Foreign Language Department, who are now acting as advisers to the club.

Club activities during the year included guest speakers, exchange visits with similar groups on near-by campuses, French films, film strips, and slides, a tutoring service, and formulation of plans for accreditation by the National French Honorary Society, Pi Delta Phi.

BSC 37

SHIPPENSBURG 7

The Huskies opened up their season at Mt. Olympus with a decisive victory over perennial foe Shippensburg. The lonely end system which Coach Walt Blair introduced in this game produced three touchdowns through the air.

Rohrer's passing was responsible for two touchdowns as he passed 52 yards to Davala for a touchdown and 88 yards to Scott for another. Ribble, a sophomore quarterback, also figured in the passing attack when he completed a 47 yard pass to Scott for a touchdown.

The other two scores came on a 20 yard interception by Ken Robbins and a brilliant 81 yard run by Ed. Cocco.

BSC 31

KINGS 12

The Huskies continued their winning ways at Athletic Park as they racked up their second win of the season, mainly through the efforts of their hard charging backs and the sure hands of Moses Scott.

Scott scored twice in the game—once, on a 69 yard pass from Rohrer and another time on an 85 yard interception.

The other scores were made by Cocco, on a 6 yard run, Rohrer on a 1 yard plunge, and English on a 5 yard drive.

BSC 8

CORTLAND 16

The Huskies suffered their first defeat of the season at the hands of a big Cortland squad on the latter's field.

The Huskies, outweighed at practically every position were never ahead in the game. The Dragons began scoring after receiving the initial kickoff.

The lone touchdown for the Huskies came on a 39 yard pass from Rohrer to Scott.

The other tally came when the Dragons made a bad center which went out of the end zone.

BSC 7

LOCK HAVEN 19

For the second week in a row, the Huskies dropped a closely contested ball game. The Huskies were ahead 7-6 with 1:21 of the game remaining, when the Bald Eagles put together a pass for one score and an interception for another to pull out a victory.

The lone score came for the Huskies when Moran, subbing for the injured Rohrer, plunged over for the touchdown. This score came as a result of Ray Peffer's recovering a fumble on the Lock Haven 15 yard line.

The Huskies got back in the win column with a decisive victory over a strong Mansfield eleven. The victory was mainly due to the hard, grinding, ground-attack of the local eleven.

Scoring for the Huskies were English, from 31 yards out; Peffer on a 35 yard pass from Rohrer; and Ken Dries on a 4 yard run. The 3 extra points were added by Moses Scott.

The Huskies suffered their worst defeat at the hands of a determined Warrior eleven. The local squad never really got in the game as the visitors scored on the 5th play from scrimmage, and ended the game leading in every statistical department.

The one bright spot in BSC Homecoming defeat was the punting of Ray Peffer who punted 10 times for a 34 yard average.

The Huskies bounced back after their fiasco with East Stroudsburg to completely trounce hapless Cheyney.

Leading the attack for the Huskies was Ed. Cocco, who saw action for the first time since the Lock Haven game when he was injured. He scored on runs of 7 and 17 yards. Dick Rohrer was responsible for the other scores as he passed 13 yards to Klembara for one touchdown and 65 yards to Peffer for another. Scott added all 4 of the extra points.

The Huskies ended their season on an even keel as the Golden Rams racked up a decisive victory at Mt. Olympus.

The Huskies showed a determined defense in this game which slowed down the Rams' running attack, but which was no match for the Rams' passing game. The Rams scored 4 times through the air.

The lone score for the Huskies was made by English on a 15 yard run.

## Diamondmen Post 4-7 Record for Season

The Husky diamond-men, hampered by wet grounds in early spring training, never quite got on the winning track this year and finished with a weak 4-7 record.

However, bright spots of the season were the fine pitching of first-year man Jim Dixon and the timely hitting of first baseman Flip Hauser. Filling out the lineup were: Dwain Butte, 2b; Gary Rupert, ss; Charlie Brown, 3b; Don Springer, lf; Charles Bartol, cf; Bob Christina, rf; and Joe Blackburn, c.

Coach Blair was not too disappointed with their performance though, for five of the starting nine were first-year men. He also saw future hope in the fine showing of the pitchers Jerry Doemling, Jim McKinley, and catcher Art Tinner.

The Huskies ended the season with a win over East Stroudsburg State College.
