Bloomsburg State College**

DEPARTMENT OF PUBLIC INSTRUCTION  
BLOOMSBURG STATE COLLEGE  
BLOOMSBURG, PENNSYLVANIA**

**THE PRESIDENT**

To the Members of the Class of 1967:

One of society's most valued and essential institutions, the college, is presently going through a period of transformation. There have been crises and reports of unrest in colleges throughout the country. Colleges have been criticized and even attacked.

Such stresses are inevitable in any transition from old habits and ways of thought to new ones. That Bloomsburg students, faculty, administrators, trustees, alumni, and the public will recognize this process and work moderately and constructively to help us move successfully through this period of change is the wish of

A handwritten signature in cursive script that reads "Harvey A. Andruss".

The brick-red school stands alone on a windy hill ... she is a place, a time ... the time is now, the place is ours ...

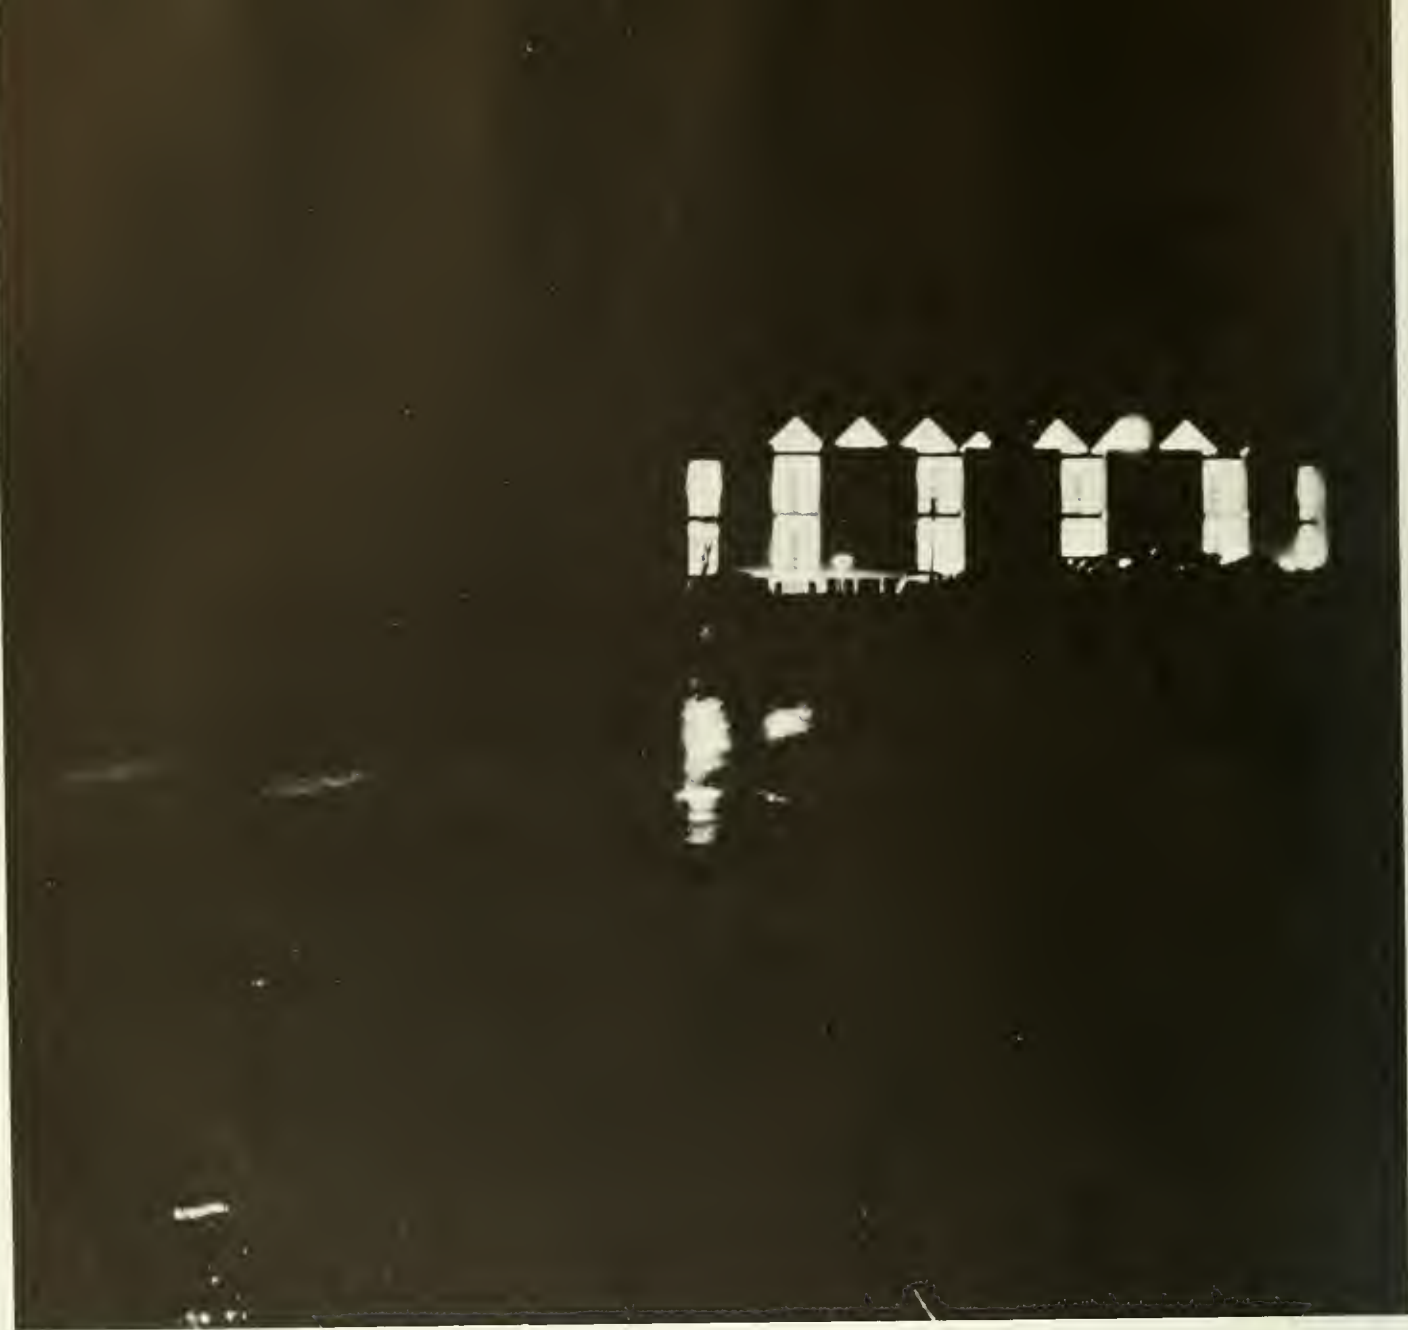

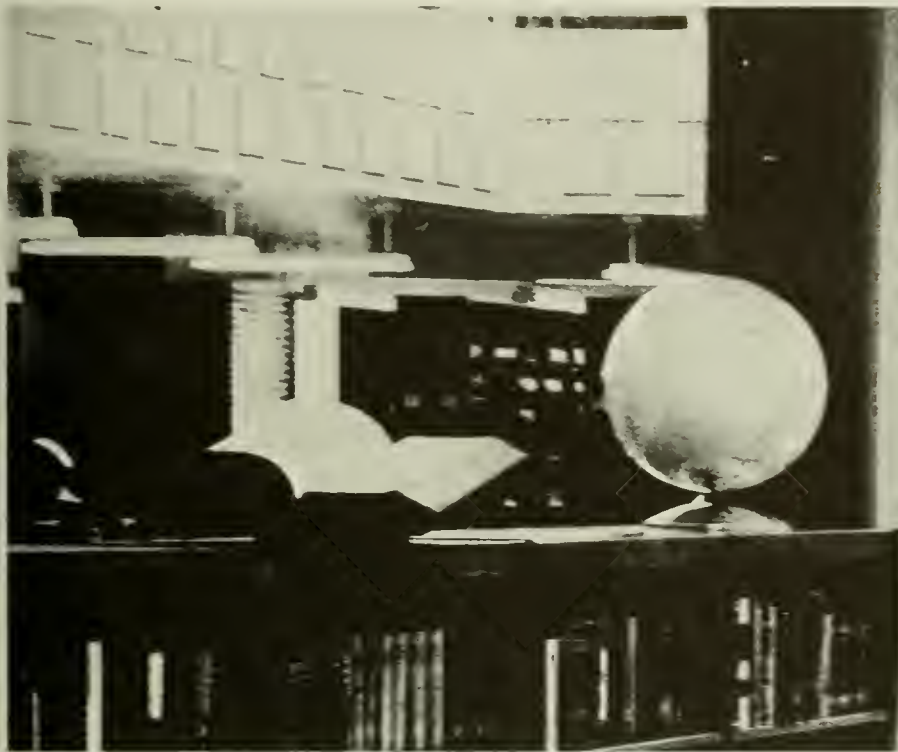

A living, breathing thing, she stands to teach, to shelter, to comfort, to frustrate . . .

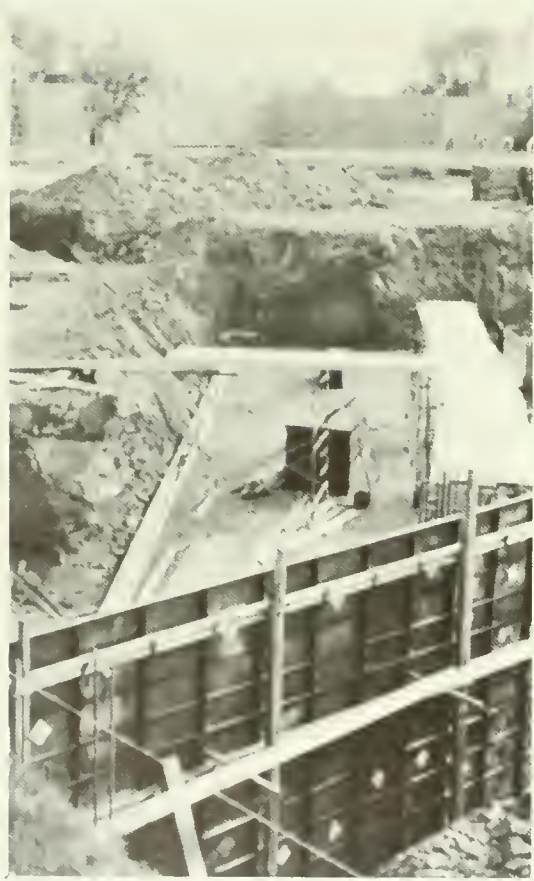

As our campus shifts and moves, new things appear. Last fall—a library ... it is somehow odd that its sturded maze of books stands where once the Huskies fought for victory on the gridiron ...

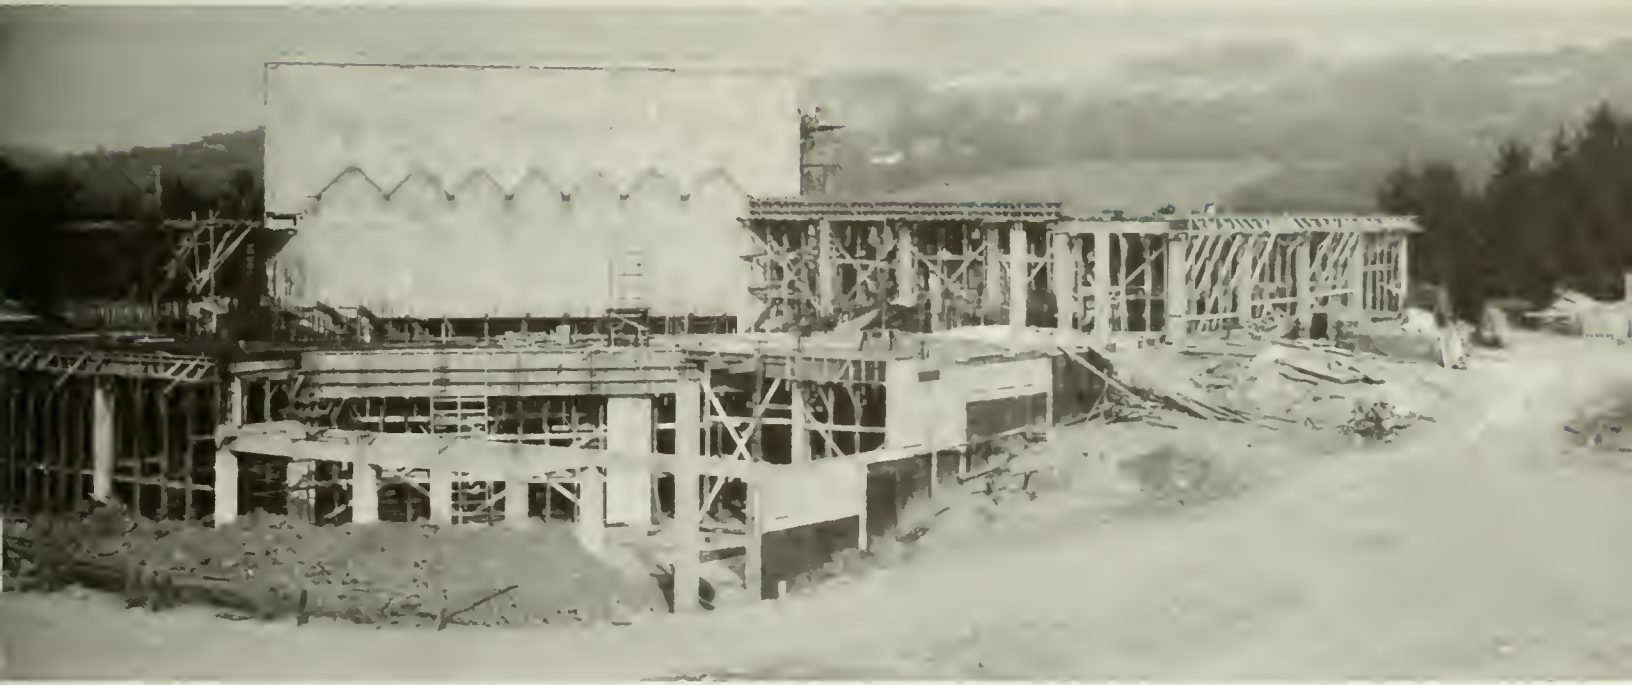

In fall and winter the student remains the same  
... a reflection of progress comes from within and  
without his world ...

The change comes slowly, but it surrounds us constantly ... noise and mud, the re-routing of sidewalks—these are physical symbols of progress ... concrete and steel has grown from the ground

Student life—a composite experience four years in length ... a mold, a cast, the final preparation ...

And so the brick-red school, a breeze still in her trees, finally casts off her young. She is busy growing. The street on the hill leads to ... and from.

The green had finally settled last spring when Bloomsburg saw the crowning of a beauty and the recognition of a beast. The beauty was Jane Ellen Turnigan as Miss Eastern Pennsylvania; the beast? —Jon Ackley, the infamous Ugly Man on Campus. The spring also brought the Chiffons; and at the same time, an illusion came to life with the day-dreamin' music of the Lovin' Spoonful. Unfortunately for some, the illusionary daydreams were replaced by headaches.

... chaos ... dinks aflame ... whipped cream ... and Bloomsburg accepts the Class of 1970.

It was a week of many things ... of poems by Pulitzer Prize winner Richard Eberhart ... of Schubert and Haydn played by the Curtis String Quartet ... Scott Elledge talked about the essays of E. B. White ... Bloomsburg Players presented "You Can't Take It With You" by George Kauffman ... The Bruce Cameron Jazz Quintet ... The Pennsylvania Ballet Company ... It was Spring Arts Festival, 1966. It was culture at Bloomsburg.

# Laurel Queen Joan Trimble

The weekend of October 22, 1966.—Homecoming arrives at Bloomsburg. It was a time for pep rallies, entertainment by the Highwaymen, and jokes by Long and Daniels. A time for a beautiful autumn Saturday with the golden leaves and the clear blue sky setting the perfect stage for the game with Millersville, and the Homecoming parade.

A time too for floats, the Queen and her court moving down Main Street, past Hess' and the alumni outside, to the football field. Then the game; a real cliff-hanger on a sunny afternoon with the Huskies bringing home the pigskin to a 21-20 victory.

Homecoming '66—a time for parties and reunions, a time for us to enjoy the present, and for those who return to remember the past.

Bloomsburg Players scored a dramatic success this year with their production of Euripides' "Trojan Women." The Greek drama provided an uncanny reflection of our own times, and the people who left Carver Hall that cold January weekend had witnessed a 2,000 year-old representation of the suffering brought by wars, both past and present.

Sometimes we wonder if player Siemsen isn't slightly schizophrenic...  
... "A plot sir, your kingdom for a plot,"—what do you think?

Was it—No, Flowers Send Me? or Me Send No Flowers?—can't remember. Curtain up, lights on, action ... darn good fun in Carver Hall. Good show.

Winter Weekend—'67. A four day blast with pep rallies, sports, parties, and finally a day on the slopes. Some went skiing, others tobogganing—although there's one we heard wished she hadn't. Others just stayed in the best place of all—the Lodge. It was another success for this year's CGA, and another good time at BSC.

## Fraternities

Alpha Phi Omega, the National Service Fraternity, has as its purpose the assemblage of college men in the fellowship of the Scout Oath and Law, to develop leadership, to promote friendship, to provide service to humanity, and to further the freedom that is our national, education and intellectual heritage.

With a Brotherhood of seventy men, Xi Lambda Chapter carries out many projects through the course of the year, not only of service to the college, but to the community and nation as well. Among these projects are the help that is given to the school administration at registration and scheduling, the "shuttle service," provided the girls dormitories at vacation time, the sponsoring of the "Ugliest Man on Campus" contest for all college male students, and the help that is given the town of Bloomsburg for their "beautification" program.

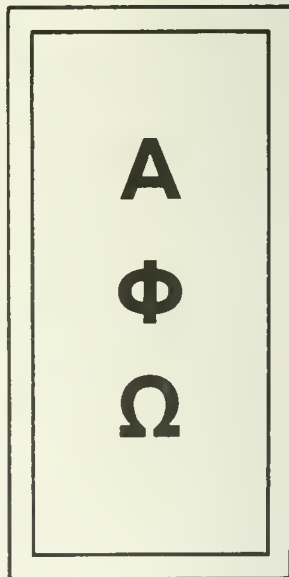

At the close of each school year, Xi Lambda sponsors an annual "Awards and Recognition" banquet. At this gathering, the men of Alpha Phi Omega are given recognition for outstanding service in furthering the ideals of this fraternity.

Phi Sigma Pi, formerly a professional fraternity, established a social fraternity to initiate, extend, and maintain high standards of fellowship, scholarship, and gentlemanly conduct. During the school year, Phi Sigma Pi sponsors the "Battle of the Bands," the book exchange, and a tutoring service. Tentatively, the activities listed include a faculty smoker, winter weekend, a banquet, and a formal dance. All of these activities are intended to fulfill the objectives of the fraternity and to further the social growth of the brothers and the student body.

# Pi Kappa Delta

The Pennsylvania Delta Chapter of Pi Kappa Delta is an honorary fraternal organization for intercollegiate debaters, orators, and instructors teaching debate and forensic speaking. Its purpose is to promote scholarship, especially in the field of intercollegiate forensic speaking. The membership of the fraternity is composed of those men and women united in the ideal of free speech—the art of persuasion.

Two of the main projects for this academic year were attendance at the Province of the Lakes Convention in Minnesota, and the induction of new members.

# Sigma Iota Omega

Sigma Iota Omega has achieved the admirable distinction of being the first recognized social fraternity on the Bloomsburg campus. The group has a long history of hard work and frustration in its efforts to be acknowledged as a true social fraternity. The work finally paid off in May 27, 1966, when the Board of Trustees of Bloomsburg State College approved social fraternities for the first time in the school's 126 year existence.

SIO sponsors functions, not only for the benefit of the school, but for the mutual benefit of the brothers as well. Through parties, picnics, hayrides, and other extracurricular activities, they have moved from a college-centered atmosphere to one on a more social basis.

Through their determination, and the invaluable guidance of Dr. Robert Warren, fraternity advisor and honorary brother, they have paved the way for the development of a sophisticated social fraternity system at Bloomsburg State College.

Sigma Tau Delta, the national honorary and professional fraternity in English has as its purpose "To promote mastery of written expression, encourage worthwhile reading, and foster a spirit of fellowship among men and women specializing in English."

The Bloomsburg chapter has concentrated on developing a strong sense of pride in academic and professional achievement among its members. Problems involving student teaching, English grammar—both traditional and linguistic—are key points of attention within the organization.

With programs such as round-table discussions of classical authors, and group commentary on contemporary literature, the fraternity provides an interesting and informative outlet for English majors.

This year's Community Government Association, under President Steve Boston, has gone a long way in erasing the "second rate" feeling at BSC. Both Freshmen Orientation and Homecoming far exceeded those in the past. Social Fraternities were finally approved through the backing of College Council. Along with this approval came the establishment of an inter-fraternity council to enable the new fraternities to meet on a common ground.

CGA meetings were held on an open basis in Husky Lounge so the students could witness the operation of their governing body. This has provoked a better understanding of the function of College Council, and an awareness of its importance in the management of student affairs.

Council also promoted the first Winter Week-End held at Bloomsburg campus. The re-organization of the Pep system put some new and needed spunk in student participation at sports events. And finally, we have a radio station which should be operational in the spring.

The 1966-67 CGA has definitely succeeded in its aspirations. As Bloomsburg grows, internally and externally, it will be the responsibility of our Community Government Association to continue representing the student as well as it has in the past. Future college councils may well look to President Boston and his administration as the beginning of the new era in student government at BSC.

# Shadows . . .

The evening mood has settled over Carver tower . . . soon the night, sometimes hectic, often quiet, will grace our world . . . it is the time for rest, for tenderness, for discussion . . .

The faces of intensity, of contemplation, of determined intent ... another side of our evening mood ... a task, a goal, an academic necessity ...

Illusions, shadows, a tower distorted by the summer screen of leaves ... we feel the abstract emotion of darkness ...

The last lamp before the dawn waits for its rest  
in the sun, the time of darkness ends ... a time  
for morning twilight, the reflection of progress ...  
a leisurely gaze ... and, a flower in the new light  
... our world, today.

# Coaches

Carl Voss, Ronald Puhl, John Jones, Russell Houk, Craig Himes, Eli McLaughlin.

#### HEAD FOOTBALL COACH—RUSSELL E. HOUK

Serving double duty as head coach of wrestling and football, Russ Houk can be seen spurring the Huskies on the gridiron as well as the mats. In his third year as helmsman of the football team, he is working to establish a well-fortified team with depth and an ability to present a varied and respected offense.

#### BASKETBALL—EARL VOSS—Head Coach

Taking over the Varsity team after a 1965 record of 17 wins and 4 losses as coach of the freshman basketball team, Mr. Voss comes to the top position with an impressive backlog of basketball experience. He is a former captain of the West Chester State College basketball team, and as coach at Wilmington High School had a number of players who made All-State selections.

#### VARSIITY SWIMMING COACH— ELI McLAUGHLIN

Coach McLaughlin came to head Bloomsburg's tankmen in 1961. In the past five years his concentration on building a well-rounded and experienced swimming team proved itself in the 1965-66 season. It was the year the team posted a winning season with a record of 8 wins and 4 losses, an impressive accomplishment when one considers the competition we face. McLaughlin, who has an extensive background as a swimming coach and is an active collegiate swimming official, hopes to continue developing the depth that is needed to build a championship swimming team. This year his sights are set on the Pennsylvania State College Championships, no easy goal, but one we know the ambitious coach and his team will work for in every way.

#### WRESTLING—RUSSELL E. HOUK

Since Coach Houk came to Bloomsburg in 1957, the grappling mats in Centennial Gym have never been the same. He has taken the Huskies to five Pennsylvania State College championships, three N. A. I. A. titles and one Wilkes Tournament title. In 1959-60, 1961-62, and 1964-65 the team was undefeated. Under his coaching, many of our wrestlers have claimed national recognition. He has given Bloomsburg one of its outstanding claims to fame in the sports area, teaching and inspiring

those who work for him to achieve the victories which give the name of the wrestling team a proud ring on Bloomsburg's campus.

#### GERALD MAUREY—Assistant Wrestling Coach

Behind every man on top, so the saying goes, there's a fellow who the man on top couldn't get along without. Mr. Maurey, coach of the Freshman wrestling team, has supplied the varsity with top notch material. He has had two undefeated seasons so far, and by the time you read this we hope he has had a third. A veteran of Penn State's mat squad, Maurey is a valuable asset to the wrestling program at Bloomsburg, providing the necessary foundation to the champion varsity team.

#### CROSS COUNTRY AND TENNIS— JOHN H. JONES—Head coach

Mr. Jones comes to the top position of the Tennis team as an experienced member of East Stroudsburg's varsity tennis squad. Last year, as coach of the Freshman team, he had a 2-2 season, and with those boys coming to the varsity, plus several returning lettermen, he is looking forward to a winning season in 1967. With the advent of indoor practice, beginning in January of this year, Jones hopes to have the squad in top condition for their first match.

The Cross Country team had a 2-5-1 record this year compared to an 0-3 record last year. The freshmen ran up an undefeated score of 5 wins and no losses under his coaching. On this basis Jones feels that next year's Cross Country will be the most impressive to date at BSC.

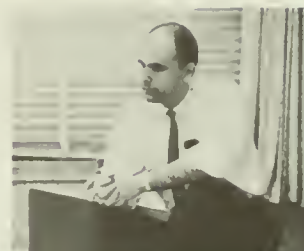

#### GOLF—CRAIG L. HIMES

A member of the Biology department at BSC, Mr. Himes came to the campus in 1961. As his field of special interest is botany, it is only natural that Himes leads the Golf team across the greenery of the local Country Club. In the spring of the year he can be seen, not identifying plants, but rather correcting hooks, slices, and replacing divots as the coach of the BSC golf squad.

## *The Obiter . . .*

*Student Yearbook of Bloomsburg State College*

*Bloomsburg, Pennsylvania*

May, 1967

Fellow students,

Editing a yearbook is one of the most rewarding, and probably most nerve-racking, positions on a college campus. This year our book incorporates many revisions and additions. The re-arranging of the sections, the use of color, the general layout, and the new sections are factors designed to present a better yearbook from Bloomsburg State College.

I have been very lucky this year in having a staff of experienced people. All of my editors did a good job on their individual sections. There are two people to whom I must give special recognition. The first is Mrs. Claudette Stevens, our advisor, without whose time and assistance the book would be far less than it is. The second is our photographer, Jerry McBride. His tireless devotion gave us the fine photos shown in our book.

Finally I would like to thank the students and faculty of Bloomsburg for their patience in the scheduling of pictures for the book. The worry and work is over for another year, a year that you can always remember in the 1967 OBITER.

Sincerely yours,

*Michael V. Mellinger*
