There are numerous campus organizations which range from the Philosophy Club to the Ski Club, from the Young Republicans to the Yearbook staff. Greek organizations include professional, honor and service fraternities as well as social fraternities and sororities. The students at Bloomsburg are sure to find something they like and most all the students get involved in some activity on campus.

*Times to
Remember*

Do you remember missing class because you were out late the night before? Can you remember staying up all night studying for your Chemistry test and still bombing it? Or how about the outdoor parties at Sesame Street with the kegs on the lawn and everyone standing around talking? These are just some of the many memo-

ries that you will take with you after spending four years of your life here in Bloom.

*Always to
Remember*

Whether the campus is snow covered like a white blanket or basking in the warmth of a clear spring day, year after year, Bloomsburg University serves as a second home for many people. Every year over 7,000 students migrate to Bloomsburg, PA to share a town, a University and many experiences. No matter how much the campus changes with new freshmen coming in and seniors leaving, the memories and love shared by all continuous going on.

*Amey to
Remember*

Bloomsburg University is a unique university in the State System of Higher Education and students value the education and experiences that come from living at college. Many academic buildings line the 112 acre campus that boasts a low student to professor ratio. And do not forget the building that has withstood the

test of time and has been here since the start of this university-Carver Hall, that still today holds classes in the building and is the symbol of Bloomsburg University.

*Since 20
Remember*

Bloomsburg University has had a long tradition of quality education for the last 75 years. Beginning with name Bloomsburg Academy, the process began to build a university that would teach students to succeed in life. After growing, the Commonwealth of Pennsylvania took over and called the institution The Bloom-

sburg State Normal School. Soon afterwards, due to growing enrollment, the University changed to a state teachers college. Today Bloomsburg has widened it's horizon into many different professions to meet the ever increasing demands of future students.

What happens when you come to Bloomsburg your freshman year? In two words.. a lot!!

Starting the minute you leave your house to come to Bloom, you are already taking part of a ritual of college life.. Fall Move-In. This is a big occasion every fall for the incoming freshman because of all the new faces and meeting that new roommate.

Later on in the fall semester the Bloomsburg Fair comes along to keep you entertained and tempt you to skip your classes. Coinciding with fair week is Parent's Weekend where Mom and Dad are shown that "hey - I can live on my own!!" And who can forget one of the biggest weekends of the year - Homecoming.

Winter passes but soon finals are upon us and frenzied studying happens in many places across campus, whether in the dorm, library, union, or back home- people cram to get the grade.

In Spring Renaissance and Sibling's Weekend show off the town and university. The downtown is closed for one day of fun, food, and all around madness. And then comes the day all of us wait for.. GRADUATION - the time to say goodbye to friends, loved ones, and to the university.

Fall Move In

As Summer Slips Away

We thought it was the end of life as we knew it. Well, it was. There were no more proms, no more hanging out by your locker in the hall. We were moving on, on to a new life, one that was totally unfamiliar to us. The carefree days of summer were over, now we were on our own.

Remember when Mom "helped" you unpack? Remember the hours it took you to find out where she put everything. So began the ritual of moving in.

That was the day you learned about college. The lines were everywhere, registration, the elevators, the bookstore, and worst of all the Commons. There were so many people- your parents, everyone's parents and your new roommate. That was the day the friendships and a new part of our lives began.

We were all in it together. Having someone to share it with helped the transition. The prospect of sharing your room with someone you didn't know scared us all. Luckily, for the most part, it worked out. That's when the questions began-right after Mom and Dad left. That's when we realized that we were on our own. Cooking? Cleaning? Laundry? No one ever said college was going to be easy.

Even before classes began, we started learning. Where do we get change for the phone? Where can I get a good pizza? What's a good radio station? And most important- where are the good parties?

Once classes began, we thought it would never end. Three chapters to be read by next week? Welcome to college. There was so much to do- clubs to join, friends to meet, wing meetings, dances to go to, and oh yeah, studying to do.

Dorm life proved to be challenging. Remember being up until midnight, or 1 a.m. or even 2 a.m. talking to friends or studying and then trying to get up for a 9 a.m. Psychology class. We proved we could survive anything then- fire drills, bomb scares the whole lot.

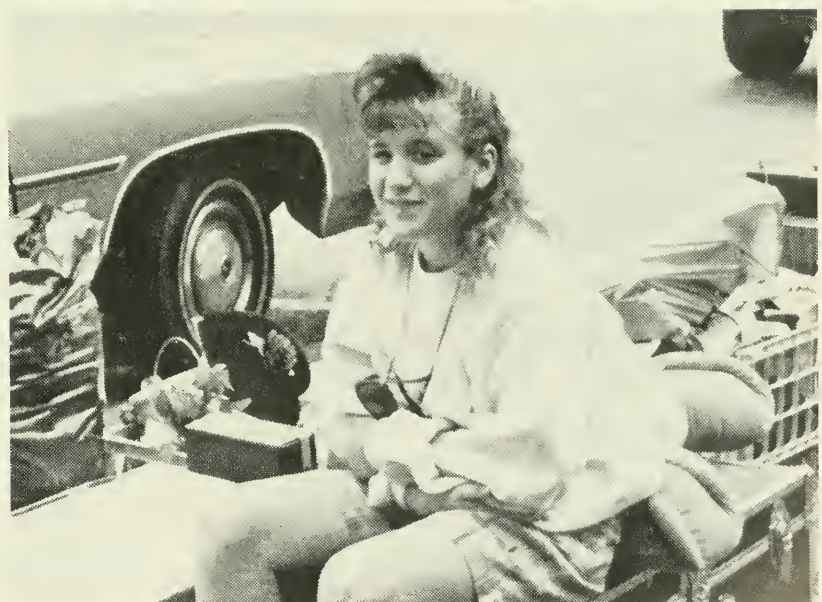

But remember how your parents cringed when you first slipped and called Bloomsburg home? Remember when it finally felt like home? That was the college experience.

Bloomsburg Fair

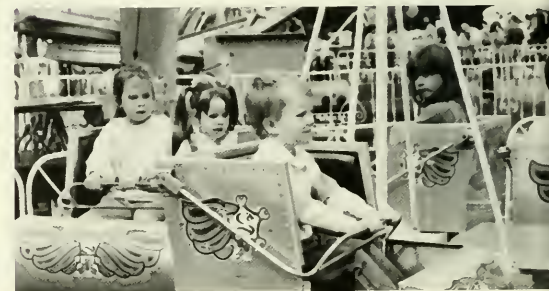

Food, Fun, & Spirits

This year's Bloomsburg Fair provided something for everyone. There were exhibits, shows, games, and food, plenty of food.

Keeping with the spirit of the small town fair the Bloomsburg Fair provided us with a little bit of the country. The exhibits ranged from dairy cows to pet rabbits, from homemade quilts to homemade clothes. There was something that each of us found of interest, whether it was all the games that you played for a quarter, or the exhibits where you petted the animals.

Entertainment was provided for everyone of all ages from the 50's Reviw to Air Supply to Randy Travis, most tastes for music were quenched. The shows brought people from miles around and that was one special quality about the fair-meeting people from all over and sharing ideas.

As we look back over our years at Bloomsburg it may seem like yesterday but, come fall of our four years at Bloom we always looked forward to the fair.

Parents' Weekend

A Timeless Tradition

Every fall there is one weekend that almost all of us know that Mom & Dad will see how our room looks, how we are (or aren't) eating and how our studies are coming along-Parents' Weekend.

Although the 20th annual Parents' Weekend got off to a soggy start, that didn't keep parents and students from flocking to Redman Stadium to cheer on the football team and to see President and Mrs. Ausprich pick the winners of Mom and Dad of Bloomsburg University.

If football wasn't in your taste, there were more than enough other activities to attend. Movies, plays, soccer games, student concert-there was tons to choose from-don't forget the mall and that all important trip to the grocery store to stock up on what the Commons can't provide.

No matter how hard it is to admit, most all of us look forward to and enjoy Parents' Weekend. It's fun to have your parents meet your friends, show off your home decor and just spend time with family. Don't worry Mom and Dad I had to great time as you did.

Homecoming

Music Makes the World go Around

Homecoming. . . A time of reunion, celebration and an opportunity to add good memories to your time spent here at Bloomsburg University. A time for alumni to return and collaborate with cherished friends to share their "Remember Whens" over good food, good drink and a good football game.

This annual tradition lives on as strong as it did when it first began 33 years ago. A planned sequence of festivities, from dances to parades, gets the whole campus involved in expressing their school spirit.

The beaming rays of sunshine and B.U. spirit led the many bands, floats and smiling faces up Main Street and carried Husky fans up to Redman Stadium. The action began with the kickoff as the Huskies and the Mounties battled their way through a game of excitement and anticipation. With a score of 16-14 and only 2 minutes 45 seconds left in the game, Bloomsburg fumbled giving Mansfield control of the ball and a chance to pull ahead. In the last 10 seconds Jim McCarroll

blocked Mansfield's attempt at a field goal and the Huskies were victorious!

During halftime ceremonies Kelly Bracken was crowned 1990 Homecoming queen and the applause continued to roar as various trophies were given to participating organizations including Beta Sigma Delta, Delta Pi, Phi Iota Chi, and Phi Sigma Sigma, Phi Sigma Xi, and Chi Sigma Rho. Delta Epilison Beta, Tau Kappa Epilison and Phi Delta received awards for first, second, and third places in the float competition respectively. They represented their interpretation of this year's theme, 'Music Makes the World Go Around'.

With a few bars of our Alma Mater echoing in our minds we keep these memories alive until we can return next year to relive each one and make new ones to carry us into the future.

This year we attempted to give you the reader a taste of what it is like to attend a Bloomsburg Homecoming.

This year was no exception to the thrill of crowning the new queen pictured here with her court for 1990-91.

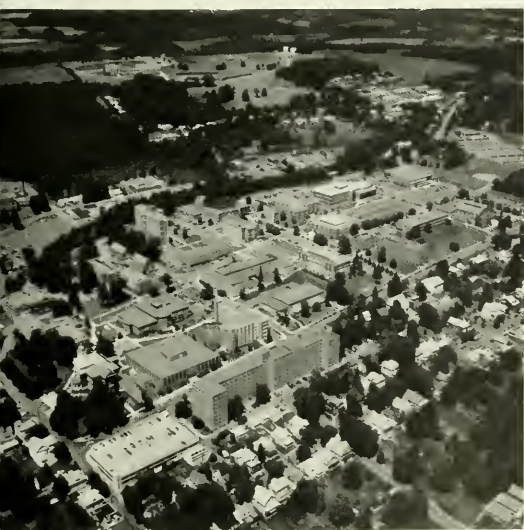

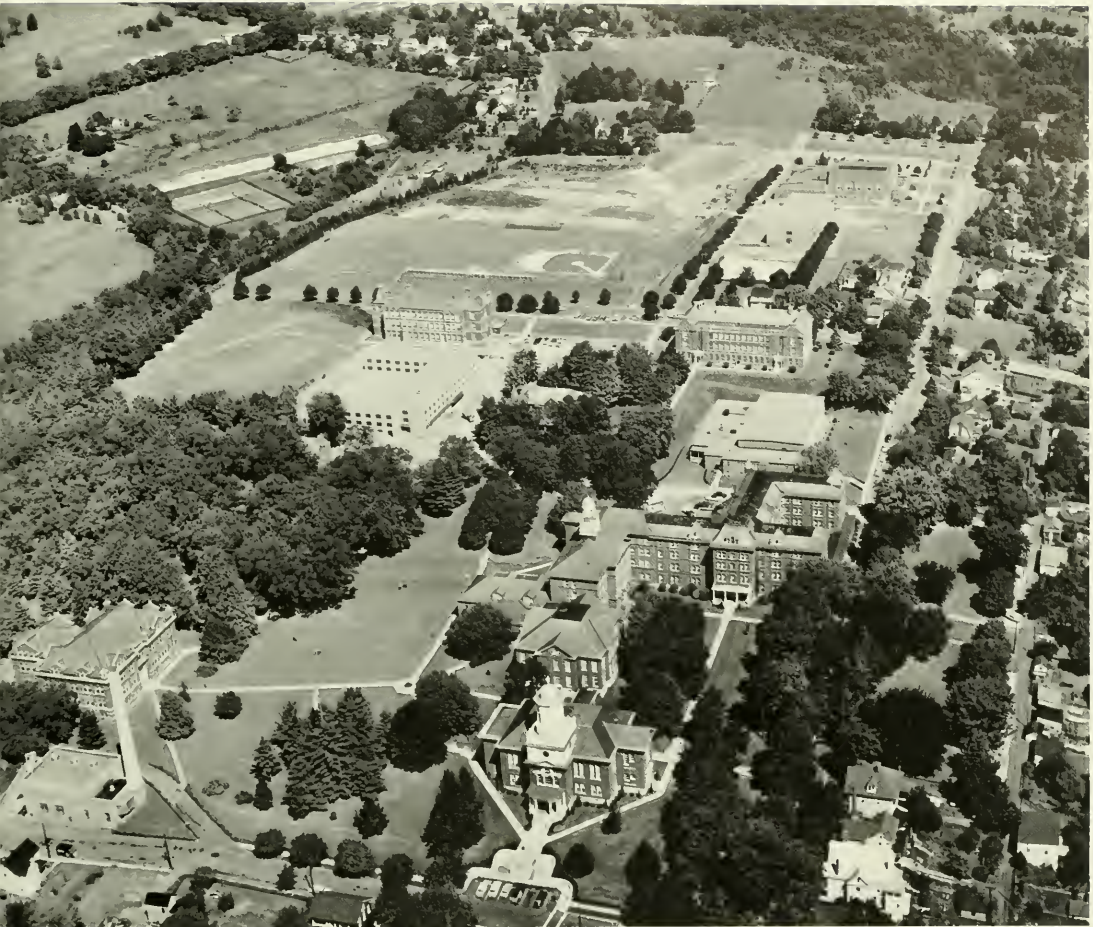

Remembering . . .

75 YEARS OF EXCELLENCE

Remembering the past 75 years at Bloomsburg University from the beginning of the yearbook to now, 1991, has special significance. In the past many students dedicated their school years to producing the yearbook at Bloomsburg University. Their goal was to preserve our memories.

When the first yearbook was published at Bloomsburg University it had a different name. In 1916 a bunch of students gathered and decided to change the name to *The Obiter*, which translated means a slang expression or remark. Though that definition no longer fits the book today, we are very proud to acknowledge all the people over the years who have kept the tradition alive. So take a trip with us back in time to 1916 and see the people who started the tradition that we today still carry on with this the 75th edition of *The Obiter*.

AMERICAN'S BEST COLLEGE BOYS

Exclusive
Rankings

The Top 200 Schools for Your Money
Ten with the Biggest Scholarships
Plus Key Data on 1,000 Colleges

How to Get Financial Aid • The Best Ways to Borrow

Bloomsburg University and five other Pennsylvania State System of Higher Education universities were ranked among the top 100 public-supported institutions in the nation following a survey that examines "America's Best College Buys" recently conducted in "Money" Magazine's fall 1990 issue.

In an article written by Jersey Gilbert for the "Money Guide" issue, BU received a ranking of 30th for "its quality relative to price" in comparison to other public institutions throughout the country. The ranking places BU in the top 10 percent of America's public colleges and universities.

According to Gilbert's article, "Money" developed a system to examine all public higher educational institutions and identified those that deliver the "best education for the buck." The magazine used statistical analysis to determine the expected cost of each school, based on 17 measures of academic performance, and compared that figure to the school's actual cost.

"Schools that charged less than their 'expected' cost scored highly," wrote Gilbert. "Those that charged more fell in the rankings. We eliminated schools whose performance scores indicated that they provide a below-average education."

In the article, Gilbert wrote that "Money" used performance data which could be "compared fairly from school to school," and said that the magazine solicited the help of educational experts and consultants to conduct its survey.

"To create the most consistent system for cost comparison, we decided to use the school's full official price, and to use out-of-state charges in the case of public schools," Gilbert wrote. "We did not consider two-year colleges and those that attract mainly adult students, and we eliminated narrowly specialized and sectarian colleges."

Renaissance & Sibling's Weekend

The Renaissance Jamboree brought together about 8,000 people including students, townspeople, and siblings. This festive weekend was held on April 27th and incorporated various activities ranging from singing, juggling, dancing, twirling, gymnastics, and an obstacle course. There were over 280 arts and crafts exhibits and over 80 non-profit organizations displaying food, and games. This is one of the weekends during the school year that townspeople and students at B.U. come together to share fun, food and great entertainment.

The university provides various fun-filled events to entertain the siblings of the college students. The

weekend kicked off with an open swim at Nelson Fieldhouse while featuring the movie *The Little Mermaid*. Saturday there were many choices such as the Renaissance Jamboree Bingo, a magic show, and a Hawaiian Luau on Schuylkill lawn, with grass skirts, palm trees and tropical non-alcoholic beverages. On Sunday, also occurring on Schuylkill's lawn the siblings were able to tie-dye t-shirts while being entertained by Pete Lieback and Todd Cummings singing their classic rock music.

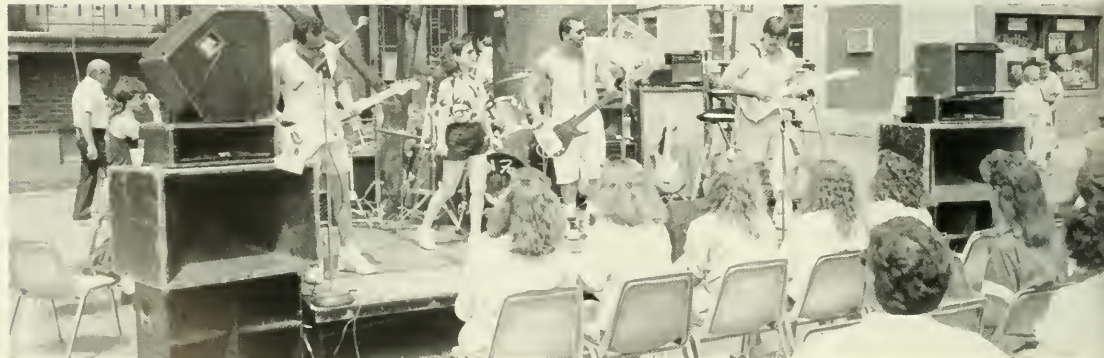

This weekend unofficially marks the end of school which makes the weekend even more enjoyable, until finals come.

Studying at BU

Working hard or hardly working?

Study? Do college students study? With all the parties and activities that go on one would think that we hardly have the time or the energy to study for that Chemistry test or Finance test let alone the presentation that is due tomorrow in Marketing!

But in the end we seem to find the time, whether it is keeping company with the creatures of the night or skipping your favorite sporting event. Finding a place to study is almost harder than the studying itself. The library is too noisy and too many friends are there to get any real work done, the union had the same problems. Study in your room . . . forget it!

Somehow we have all managed to get our studying done. We all found that perfect place to get those last few chapters read or those pesky calculus problems completed. That little table in the basement of the library, the President's Lounge, or even in your own room, we completed the work that has brought us to today, graduation.

Nightlife At Bloom

The Weekend Begins . . .

One of the first questions we asked as freshman was, "What is there to do in Bloomsburg?" After all, wasn't this the "party school" that everyone had talked about!?!

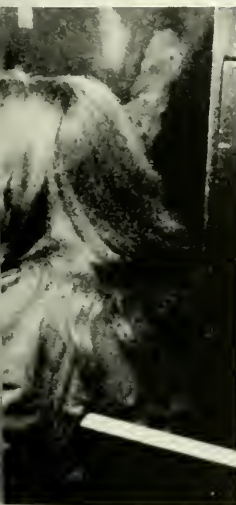

As with everything else at B.U., there was something for everyone. R.A.'s had mixers for us, there were dances sponsored by the Program Board, movies, and hanging out with friends. That was **on** campus. The nightlife that we all had heard about lurked off campus. There were the fraternities, Glenn Ave, Warhurst, and all those colorful houses. As we aged here at B.U., the selections seemed to dwindle, the small, private parties became more common. Of course, those were the days that "Beta" and "riot" seemed to go together.

Finally, sometime during our junior and senior years our nightly journeys took us in yet another direction. A passport or visa at Russell's, Pete & Todd at Harry's, mug night at Good Old Days, Classic Rock Night at Lemon's, and every night at Hess's.

This was also the time many alternative night spots opened up. There was Cheers! in the Hideaway, Theta Chi at the Olde Schoolhouse, and Pi Kapp dance parties. These gave the younger crowd a place to dance and socialize without the presence of alcohol.

The nightlife at Bloom. . . it made these the times to remember.

Of all the world events to happen over the past four years, the one that is freshest in our minds and hearts is the Persian Gulf crisis.

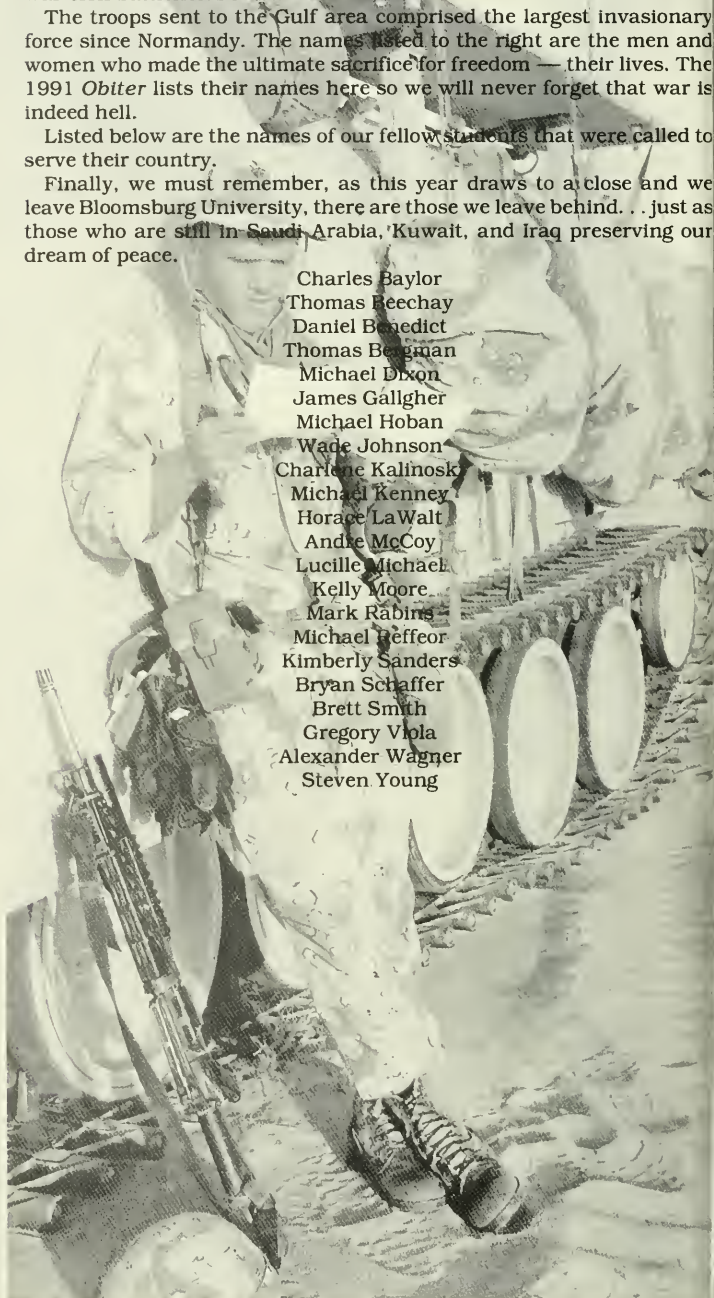

For us, it started with the deployment of U.S. troops in August, 1990, right before our senior year began. As the first few months went by, the feeling that this might start to hit close to home became stronger. Many of our fellow students left the secure atmosphere of Bloomsburg for the war-torn battlefields in Saudi Arabia.

The troops sent to the Gulf area comprised the largest invasionary force since Normandy. The names listed to the right are the men and women who made the ultimate sacrifice for freedom — their lives. The 1991 *Obiter* lists their names here so we will never forget that war is indeed hell.

Listed below are the names of our fellow students that were called to serve their country.

Finally, we must remember, as this year draws to a close and we leave Bloomsburg University, there are those we leave behind... just as those who are still in Saudi Arabia, Kuwait, and Iraq preserving our dream of peace.

News from around the World

President George Bush and President Mikhail Gorbachev of the Soviet Union met several times during 1991 on economic, nuclear, and possible war in the Persian Gulf. The Cold War between the two super powers has ended and an era of cooperation has begun. The Soviet Union is in a critical economic condition and the Communist Party and the government agree that reform is needed, but they disagree on how to achieve it.

After months of debate and years of struggle, East Germany and West Germany became the Federal Republic of Germany on Oct. 3. The new country will have a total population of nearly 78 million people and will occupy 137,743 square miles, or about half the size of Texas.

In the early morning hours of August 2, following negotiations and promises by Iraq's dictator, Saddam Hussein, not to use force, a powerful Iraqi army invaded Kuwait. Within three days, 120,000 Iraqi troops with 850 tanks had poured into Kuwait. The United States wasted no time in answering the aggression. Hours after the invasion, Arabs throughout the world took to the streets in anti-Iraq demonstrations. The United States reacted immediately to the invasion, building up a U.S. force of well over 100,000 troops in neighboring Saudi Arabia. Other nations also sent troops and financial support. And the United Nations voted for an economic embargo against Iraq.

Jim Henson was a puppeteer with an enormous following. On May 16 at the age of 53 he died from a severe case of pneumonia. During his career, he created an endearing menagerie of creatures and characters of timeless appeal. In 1969 Henson's creations, Kermit, Big Bird and Cookie Monster first appeared on public TV's Sesame Street. In 1976 the Muppet Show was born.

When your hot, your hot and the golden girl Madonna has been hot for a long time. The actress, singer and Material Girl has had hit after hit on the charts. As the 1990-91 school year began, Madonna's latest album, Immaculate Collection was high on the list with the controversial song Justify My Love which was banned from MTV.

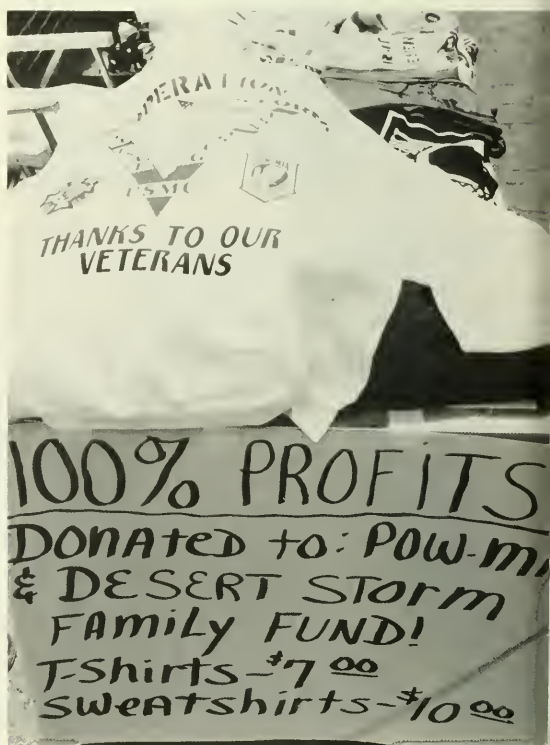

Paula Abdul is a big hit in 1991. The dancer-choreographer turned vocalist hasn't left the top 40 pop charts for a year. Not bad at all for a former L.A. Laker cheerleader. She is one of the hottest female singers at the moment with her songs making the pop charts, the black charts, and the dance music charts and it's not over yet. Her latest album is Spellbound.

2-Live Crew is a group that made hit songs and big headlines this year. Many people considered their album, "Nasty As You Wanna Be" to be obscene, and record stores were forbidden to sell it.

ACADEMICS

Bloomsburg University is an outstanding Baccalaureate and graduate degree granting institution that offers multitudinous opportunities to a distinct and able student body. Bloomsburg University provides many challenges that leads to optimum growth and learning to its students. B.U. has three colleges which constitute over 50% of the areas of study. Bloomsburg University grants on average of over 1000 degrees per year to highly qualified graduates. Included within the three colleges are many areas of specialized study such as: pre-physical therapy. Bloomsburg has widely expanded its academic horizons over the past several years which is something to be proud of. B.U., with its superior academic reputation, enables each student to fulfill their ambitions and goals and to help them become a more independent, mature and well-rounded individual.

President Harry Ausprich

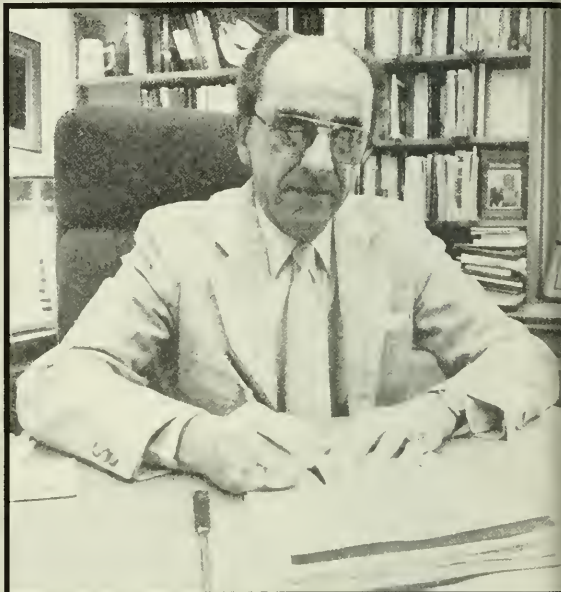

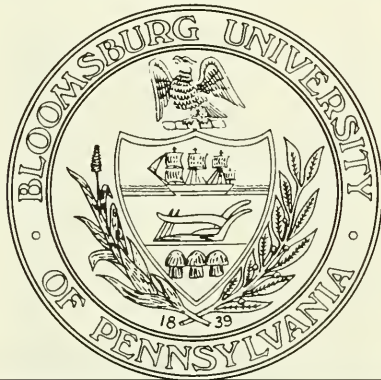

The President of any university has a unique position of being in charge of the whole university community and everything that goes on in and around that community. President Harry Ausprich is such a person here at Bloomsburg University.

Dr. Ausprich came to Bloomsburg in 1985 from Kent State University in Ohio where he was Dean of the College of Fine Arts and Professional Arts for 7 years.

Among his many duties at Bloom he oversees the school's budget, administration and the overall running of the university. President and Mrs. Ausprich can also be seen speaking at the many Homecoming and Parents' Weekend celebrations that take place during the school year.

One of President Ausprich's goals is being able to hear the concerns of the students at Bloomsburg. With this in mind any student can meet with him one day per week to discuss any matter of concern. You can also see President Ausprich walking around campus talking to students and getting to know you; something some university Presidents do not do.

After spending four years at Bloom you will surely run across our President around campus so don't be afraid to talk to him.

Vice Presidents

The four Vice Presidents of our university exemplify the diversity that is felt on campus. Their education and previous work experience is as varied as their responsibilities to the university.

Betty D. Allamong is Provost and Vice President for Academic Affairs. Dr. Allamong earned her degrees in biology. Before coming to Bloomsburg, she filled several niches at Ball State University in Muncie, Indiana. She served as an assistant professor, then tenured professor of biology. She then worked as an intern in the Provost office. That led to Dr. Allamong's appointment as Assistant Dean of Science and Humanities. She then advanced to Acting Dean of Science and Humanities.

As Provost at Bloomsburg, Dr. Allamong is second only to President Ausprich. When President Ausprich is away, Dr. Allamong assumes the role of Acting President. As Vice President for Academic Affairs, she oversees the academic responsibilities of the university. The Deans of the Colleges of Arts and Sciences, Business, and Professional Studies report to her. She also hears from the Dean of Library Services, Asst. Vice President for Graduate Studies and Research, and her Assistant Vice Presidents of Academic Affairs.

Jerrold A. Griffis serves as Vice President of Student Life. Dr. Griffis brings many years of residence life experience to his position. He served as a resident advisor during his undergraduate years at West Chester University, where he earned a bachelor's degree in Health and Physical Education. After earning his master's degree at Ohio University in Guidance and Human Relations, Dr. Griffis went to Penn State to work on his doctoral degree in Counseling and Psychology. He previously served as Assistant Dean of Men at Bucknell, and Area Coordinator in the Dean of Men's office at Penn State. He also served as Dean of Men, then Dean of Student Development at Ohio University.

The position of Dean of Student Life at Bloomsburg was created in 1971 when Dr. Griffis came to our campus. As Vice President, Dr. Griffis oversees the non-academic life of the students. Areas under the Vice President of Student Life's eye include the Greek System, the Campus Child Center, Kehr Union, Residence Life, and the Commons. Dr. Griffis also oversees the Counseling Center, Student Development, Financial Aid, Career Development, and Athletics.

John L. Walker carries the title of Vice President of University Advancement. Mr. Walker earned his bachelor's degree in Business Administration and his master's degree in Education, both from Westminster College. Mr. Walker, before coming to Bloomsburg University in 1965, served as Assistant Director of Admissions at the University of Pittsburgh. In 1965, Mr. Walker took over the position of Director of Admissions at Bloomsburg. He went on to serve as Associate Dean of Students, Assistant Vice President of Student Life, Executive Assistant to the President before his appointment as Vice President of University Advancement in 1983.

As our Vice President of University Advancement, Mr. Walker deals with the external relationships of the university. He represents the University in town matters that affect the University. Mr. Walker also oversees The Bloomsburg University Foundation, Alumni Relations, University Relations, Long range planning and institutional research. He also works with the Affirmative Action program.

Robert Parrish is the Vice President for Administration and Treasurer. Dr. Parrish holds a bachelor's degree in Commerce from Ohio University, a Masters in Public Administration and Ph. D. in Education, the latter two from Florida Atlantic University. Dr. Parrish brings a wealth of experience to his position. At Florida Atlantic University he served as Controller, worked in the budget office, and was Assistant Vice President for Administration Affairs. He also served as Director of Accounting for the State of West Virginia.

As Vice President of Administration, Dr. Parrish oversees the university's investments and the university's budget. He is in charge of the overall Management of Accounts Receivable and Accounts Payable, the operation of the Maintenance center, and university construction. The various departments that report to Dr. Parrish are University Police, Personnel, Accounting, and Computer Services.

The uniqueness and individuality that accompanies each of these people helps to contribute to the atmosphere at Bloomsburg. Each of the Vice Presidents are interested in the students and share our appreciation of Bloomsburg University.

Governor Robert P. Casey

Robert P. Casey was elected governor of Pennsylvania on November 4, 1986 and was re-elected on November 6, 1990 by over a million votes, the largest gubernatorial winning margin in Pennsylvania history.

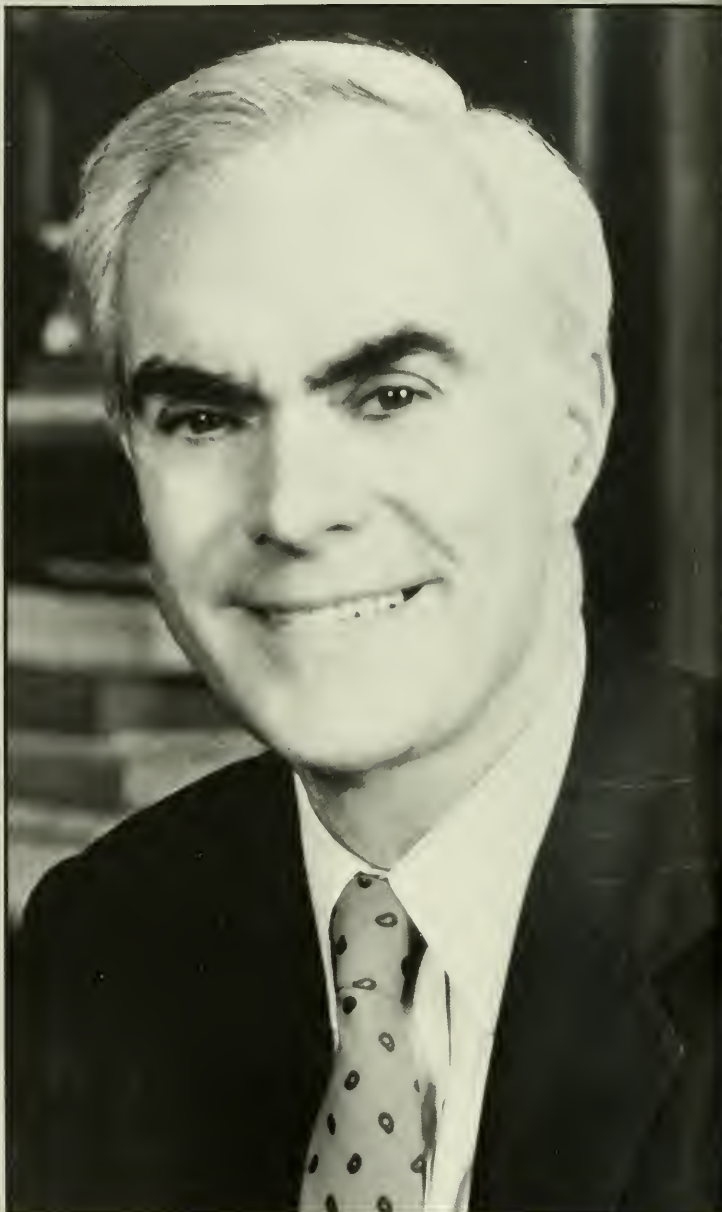

Since being elected, Governor Casey has made dramatic reforms to improve the quality of Pennsylvania's schools. This includes an increase of a school performance incentive program which rewards improved student achievement; the first increase in minimum teacher salaries in 25 years and a college loan forgiveness program for teachers in under-served areas.

To expand access to higher education, Governor Casey has increased funding for student scholarships and challenged the state's public universities to limit their annual tuition increases. Last year, tuition increases were the lowest in 14 years.

Governor Casey has also taken on the crisis of drug abuse starting a program known as PENNFREE. In nearly quadrupling the state's commitment to fighting drugs PENNFREE provides historic support for tougher state and local law enforcement, expanding drug treatment services and increased funding for drug and alcohol education.

He has also taken unprecedented steps to clean up and protect the environment. When he took office, Pennsylvania had no recycling law, no toxic waste clean-up law, no clean water law and no tough enforcement policy against polluters.

Since taking office, Governor Casey has proven himself as a force that changed Pennsylvania.

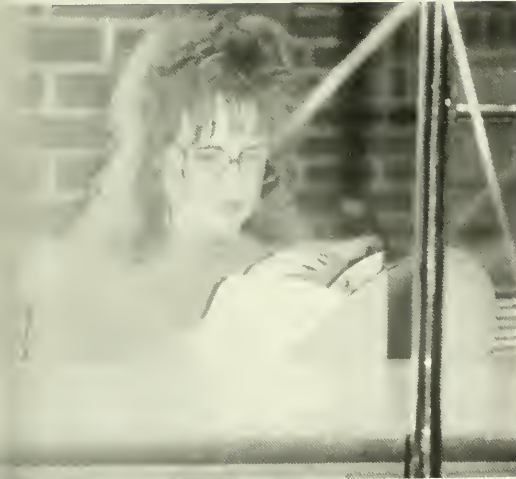

College of Arts & Sciences

The College of Arts and Sciences at Bloomsburg University offers 31 programs leading to the Bachelor of Science and Bachelor of Arts degrees. Each degree program provides you with an opportunity for a broad liberal arts education complimented by an in depth understanding of a specific arts and sciences discipline. When you graduate from these programs, you can either enter the competitive job market or further your studies at a professional or graduate school.

In addition to the regular programs of study, the College of Arts and Sciences offers superior students the opportunity to participate in a scholars program for freshmen and sophomores and an honors program for juniors and seniors.

College of Business

The College of Business at Bloomsburg University is designed to equip students with the skills and experiences necessary to succeed in the highly competitive business world. Graduates generally enter directly into the job market in business, industry, or government, though many have found that these programs also provide excellent preparation for further study at professional or graduate schools.

The college is made up of five departments: accounting, computer and information systems, finance and business law, marketing and management, and business education and office administration. The faculty members in each of these departments bring a wide range of academic backgrounds and professional experiences, ranging from doctoral degrees from some of the world's most respected universities to job experiences at some of the nation's top corporations.

College of Professional Studies

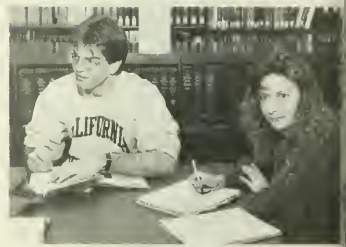

The College of Professional Studies offers a variety of professionally oriented degree programs through the School of Education and the School of Health Sciences. Graduates usually enter directly into their careers, but the academic training provided in the various majors also gives students the necessary background for entry into graduate school or other advanced professional training.

Each degree program in the School of Education begins with a broad base of coursework in the humanities, the natural sciences, the social sciences, and mathematics. Students then undertake concentrated training in the theory and practice of teaching and in selected areas of specialization.

In Allied Health Sciences and Nursing under the School of Health Sciences, students also begin with a broad general education foundation, then concentrate on natural sciences, mathematics courses, and specialized courses appropriate for their specific major. Degrees are offered in nursing, dental hygiene, health services, and radiologic technology.

Sports

Athletics are a significant part of campus life at Bloomsburg University. In the fall, the Robert Redman Stadium is filled to capacity for Husky football games, while in the winter months the men's and women's basketball teams tear up the court in Nelson Fieldhouse. The tennis courts are the action packed spots during the fall and spring seasons.

Besides the sports mentioned above, Bloomsburg is the home of thirteen other intercollegiate programs, including the recently recognized women's soccer team.

It is exciting to watch Bloomsburg's teams compete, but the glory of the sport does not come easy to the athletes. They have trained long and hard to get where they are today. Training requires some to rise early in the morning, while others sacrifice winter breaks with family to spend it with coaches.

Whatever the case may be, each and every athlete is valuable to the strength and success of the Husky athletic program. On the following pages, the teams and their season accomplishments are recognized as are the players and coaches that make it all happen here at B.U.!

2nd Losing Season; Huskies Look Toward Future

Beginning the season with four losses, coach Pete Adrian and the team knew they had to make a quick turn around and they did just that ending up with a 4-7 record overall. The Huskies went on to play for the Eastern Division title for the 3rd time since 1980 at Millersville and went ahead 28-7 in the first half, but ended up losing with a final score of 40-35.

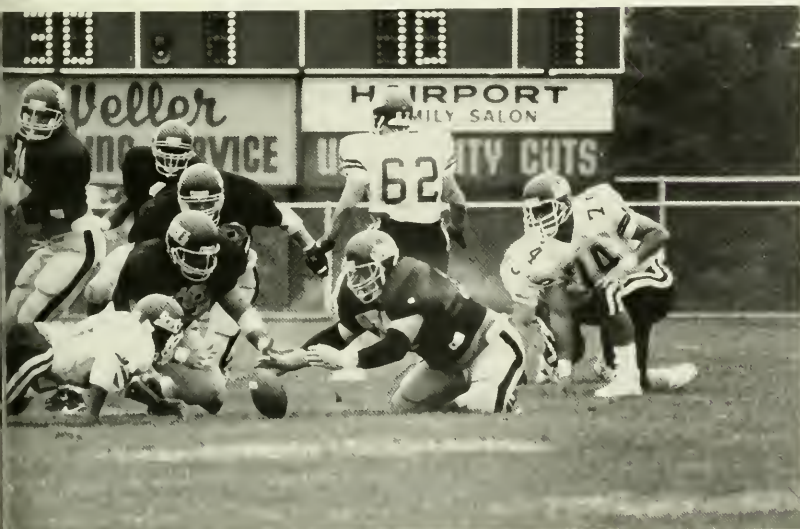

Many of the team members deserve recognition for their outstanding accomplishments. Tackle Eric Jonassen earned All American honors. Senior Steph Kern tied the school record for 21 career touchdown catches. He was also named to Pennsylvania Conference, Eastern Division, co-player of the year. The Huskies will be losing only four seniors; Rob Grow, Steph Kern, Nelson Barr and Brian Cosuthmeal which will allow for much experience for next year's season.

Men's Soccer

Kicking the Competition

The men's soccer team went to the Pennsylvania Conference playoffs for the first time in 15 years. Although they lost to Millersville 2-0 in the semi-finals there are great expectations from both the coaching staff and the players who know they can repeat their showing next year. The team, coached by Steve Goodwin, ended the season with a record of 7-9-3.

Senior Kurt Schmidt led the team in scoring with eight goals and one assist. Two players received All Conference, Kevin Kenjarski and Keith Cincotta. Cincotta along with John Marshall were named to the Pennsylvania All-Regional Selection. Although their season was not outstanding, the men's soccer team was intense and deserving. We will hear a lot about them next year and for years to come.

Women's Soccer

First Varsity Season; Ladies Run Over Competition

Women's soccer had its first season as a member of the varsity program, which was a successful one with a record of 7-7-1.

The team is under the direction of coach Chuck Laudermilch and due to the granting of varsity status he said the team will begin their transition to a more serious approach in some areas. The young team consisted of many talented performers with sophomore Tiffany Burrier as top scorer with 9 goals.

The Huskies had a demanding schedule with 11 out of 15 games which included 4 games against nationally ranked teams. The team has a lot of young players and the future looks bright to their continuing success.

Field Hockey

Huskies make it to Nationals once again

Led by coach Jan Hutchinson for the 13th season, the Highly spirited and talented field hockey team ended the season with an overall record of 23-1 and a title, Pennsylvania Conference Champs. The team went up against Trenton State to compete in the National Championship game which was their only loss this season.

The team possess much individual talent. Three members were named all Americans; Kathy Frick, Criseala Smith and Trudy Horst. Frock also set a new record for goals in a season racking up 26.

The team was rated number one in the nation in the NCAA Division III rankings. This marks the Huskies field hockey teams' 15th winning season in a row which certainly shows the dedication of the players and the outstanding coaching ability of Jan Hutchinson.

Cross Country

Running Toward Success

The 1990 women's cross country season proved to be a successful one. With the hard work and dedication of its 15 member squad, the Lady Huskies ranked 5th at the PSAC meet, and 11th at the Regional meet. The team's top 7 runners included Pam Miller, Loren Miller, Bridget Hedman, Alison Jenkins, Ronnie Yingst, Erin O'Donnell, and Jennifer Randis.

Several runners have been acknowledged for succeeding in the sport. Among these women are Loren Miller and Pam Mitchell. Loren had an "unbelievable year" as stated by coach Tom Martucci, and Pam was the team's top scorer and a 3 time All Conference performer.

Since the team has such a young group do not count the Huskies out for next year.

Men's Basketball

First Pennsylvania Conference Eastern Division Title win.

The Men's Basketball team had another successful year after many people thought the season would be a rebuilding one due to the 7 new freshman on the roster.

The team captured many titles, ranking second in the country in Division II and winning the Pennsylvania Conference Eastern Title

which is the first outright title the men have won. This also marked the Huskies 13th post-season tournament appearance under the direction of coach Charlie Chronister.

Some individual honors included Bob Copolino who made All Conference 1st team and

Craig Phillips who made All Conference 2nd team. Phillips ended his career on the all-time scoring list at Bloomsburg racking up 1321 points. He is one of fourteen players in Bloomsburg history to score more than 1000 points.

Swimmers Stroke to States

The Women's Swimming team finished in style this season with a 6-1 record. This comprised the teams 15th winning season in a row. The lady Huskies handed Clarion their first dual meet loss in 18 years. This tough and talented team ranked second in the Pennsylvania Conference Championships which has become a tradition for the past 11 years that Bloomsburg swimmers are present.

Tracey Price was the top individual point winner and Kim Nelson was third in the Pennsylvania Conference Championship. Price won the 200 individual medley, 200 freestyle and 100 and 200 butterfly. At the NCAA Championship the team placed 9th overall with diver Kim Miller placing 9th on the 1m diving board and on the 5m diving board.

The Men's Swimming team finished 7th in the Pennsylvania Conference Championship and ended the season with a 3-5 record. Jeff Jones took 6th place in the 1650yd. freestyle. The men's team will be losing seniors Dave Danner, Chris Miller, and Gentry Brownie however, optimism of a return to successful years to come is prevalent

Men swing to second place in Conference

A third-straight, second place finish in the Pennsylvania Conference Eastern Division propelled the baseball team into the conference tournament for the second year in a row. First year head coach Matt Haney shared the conference's "Coach of the Year" honors after directing his club to an 18-12 overall mark. The Huskies were 14-6 in the division and upset eventual conference champion Slippery Rock in the first round of the double-elimination conference event before suffering two losses to close the season.

Junior Mike Bruno was the one performer to gain all conference honors, however, several individuals had fine years. Bruno hit .310 while senior Jeff Gyurina led the Huskies with a fine .418 average. Gyurina was also one of the team's top performers on the mound with a record of 5-2 and an earned run average of 2.61.

A trio of first year performers made an immediate impact with their contribution in the starting lineup. Twins Dave and Derek Little, along with Jason Vavra, gave a bright outlook to the future of the team as the Littles hit .348 and .341, respectively, and Vavra had an average of .289. From the numbers these three freshmen paint a picture of brightness for the baseball team for the future.

Softball

Women Look to Avenge Title

For the first time in nine seasons, the softball team did not win the Pennsylvania Conference championship, but came as close to capturing the NCAA Division II title as any team in school history. The Huskies finished with a record of 43-7 after dropping a hard fought 3-2, 10 inning decision to Augustana (S.D.) in the national championship game. Bloomsburg had dropped a 3-1 contest to the same team in the tournament's opening round but battled back through the bracket to get another shot at the Vikings. During the season, the Huskies had just seven losses, four to Augustana.

Several individuals had outstanding seasons, topped by junior shortstop Janelle Breneman and junior pitcher Heather Young. The whole group, as well as senior third baseman Sandy Herr and sophomore rightfielder Denise Miller, were named to the All Pennsylvania Conference team.

Laudato was named to the All American team for the second consecutive season after leading the team in hitting with an average of .453. She scored 40 runs and knocked in 41 others and among her hits were 13 doubles, three triples, and seven home runs. Buckheit scored 42 runs and had 27 runs batted in, while Shelly had 33 runs scored and 48 rbis and had 19 doubles and eight home runs.

Breneman hit .272 and scored 27 runs with an equal number of rbis and Young was the top performer on the mound with a record of 21-5 and an earned run average of .78. Herr had an average of .289 and Miller hit .351.

The solid record marked the third year in a row that the team surpassed the 40 victory plateau and Huskies' 12th consecutive appearance in a national tournament.

Men's Tennis

Roly Lamy named All American for 2nd straight year.

Injuries made for a rough going in the national playoffs for the men's tennis team, but the club finished with a 15-8 record against a grueling schedule and added another All American to an already impressive list. Bloomsburg, which finished the season ranked sixth in the country, dropped all three of its matches in the national team tournament but was forced to use a make shift lineup throughout most of the event. As a result of the injuries, four of the five entries in the national individual tourney were forced to withdraw.

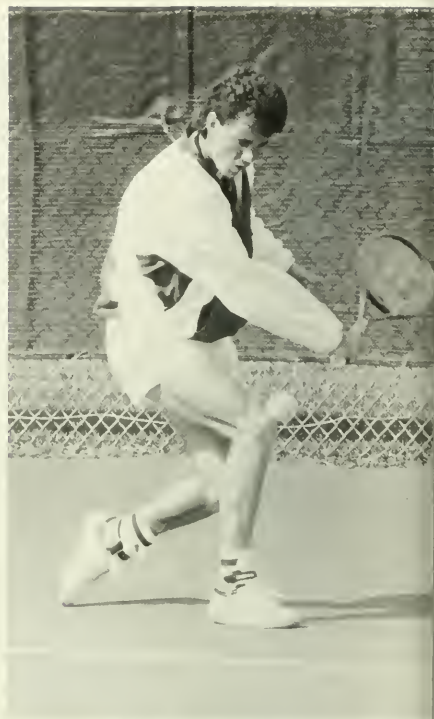

The Huskies won the Pennsylvania Confer-

ence title for the fifth consecutive season and their 10th overall title. The club won all nine flights becoming only the fourth team in history to accomplish the feat and the third time by a Bloomsburg unit.

Senior Roly Lamy reached the national quarterfinals to gain All American status for the second year in a row and was named as the NCAA East Region's top senior performer. He concluded his career with a record of 134-42, easily surpassing the old school mark for victories (119) and was 37-7 this season.

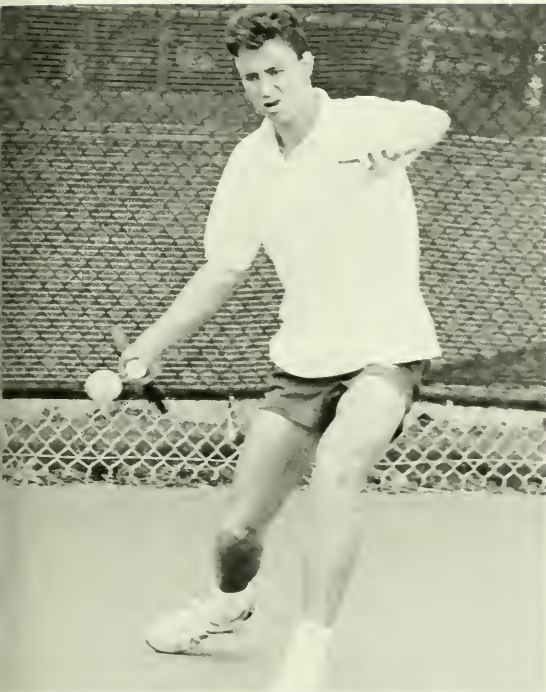

Junior Mike Peterson was the only other performer in the lineup that

was not a freshman and also enjoyed a fine year finishing 24-11 and winning a pair of conference titles. Kyle Barton was the top first year performer and was named as the NCAA Division II "Rookie of the Year". He won a conference title in singles and doubles and posted a 30-7 record in his first season. All three players held high national rankings throughout the season. Other conference champions in singles included Brian Billone, James Mason, and Dennis Lommen, while Mason added a doubles title along with Jeremy Eby and Joe Zapf.

75th Anniversary

GREEKS

The Greek system, although older than many of its members, is relatively young. In 1964, a group of men met to establish a fraternity on the Bloomsburg campus. That group, called the Social Improvement Organization, paved the road for the foundation of a Greek system. After two years of work with the university, the Social Improvement Organization became ΣΙΩ and the Greek system was born.

Although today it consists of 19 unique organizations, the goals of the Greek system are fairly universal. Each was built upon the ideals of friendship and leadership along with scholarship and service to others. The ways to achieve each of their goals is the uniqueness of each fraternity and sorority. Each has an extensive social calendar filled with mixers with other Greeks, date parties, alumni get-togethers, and banquets. Participation in Homecoming competitions and Greek Week are also standard fare. Working together as a Greek organization, the brothers and sisters have contributed to our community through various service projects.

January 26, 1979, marked the beginning of a new bond of sisterhood at B.U., when 46 founding sisters began pledging as the Delta Chi colony of Alpha Sigma Alpha. The aims of Alpha Sigma Alpha, a national

social and service sorority, are to establish a sisterhood that shall have for its four-fold objectives the physical, intellectual, social, and spiritual development of its members following our motto, "Aspire, Seek, Attain." The Delta Chi colony was installed as a chapter on September 8, 1979. There are many service projects that are carried on throughout the year; Alpha Sigma Alpha's

national philanthropic project is to aid the mentally retarded. Our social events include date parties, banquets, and mixers. Alpha Sigma Alpha participates in annual events such as Homecoming and Greek week. Alpha Sigma Alpha has a strong bond of sisterhood and extends the invitation to share it with others.

COLORS: Blood Red and Midnight Black

Gamma Epsilon Omicron was founded in December of 1986 by twenty-two men from Luzerne Residence Hall. In the past five years, there have been nine pledge classes, a current brotherhood of 85 men, and 31 active brothers.

The brothers are involved in many service projects, most notably, visiting Danville State Hospital and skating with mentally handicapped children. Gamma Epsilon Omicron takes pride in being a member of the Inter-Fraternity Council and a recognized organization at Bloomsburg University. In the past, Gamma Epsilon Omicron has had five brothers

serve as officers on IFC Executive Council, including two presidential terms, and six brothers serve the university as class officers on CGA, five of those being president.

Gamma Epsilon Omicron knows that future pledge classes will continue the trends of success that their brothers have set and continue the traditions at Bloomsburg University.

MOTTO: Friendship and Love through Sisterhood

In October 1966, the 21 founding sisters of Delta Epsilon Beta established the first social sorority at B.U. They set up guidelines- "ideals" — that have helped the sisters find the true meaning of sisterhood. Each year Delta Epsilon Bets

holds two banquets, at least two date parties, a spring picnic, and mixers with fraternities and sororities. In the summer Delta Epsilon Beta holds a summer reunion at B.U. for the opportunity to visit with their active alumnae sisters. They are great fun for all and provide many happy memories for the sisterhood. Delta Epsilon Beta also works on improving the town-university relations by conducting a service project each semester.

Some other activities include fundraisers, a Parent's Weekend party, building floats for Homecoming, competing in Greek Week events, and a party in honor of their Senior sisters. The most important part of the sisterhood of DEB is the bond of friendship developed and the understanding and love shared among the sisters. Knowing you are cared about as an individual is one aspect cherished by DEB's. DEB FIRST AND FOREVER.

Delta Pi

KNOWLEDGE: Delta Pi
COLORS: Blue and Silver

Delta Pi is a very well-rounded fraternity- they do not fit into some category. Together the brothers all make a great fraternity where every person is a part to the whole.

Delta Pi lives in one of the biggest houses in Bloomsburg. But more importantly, the brotherhood owns it.

They are their own landlords and make their own rules. Another benefit of the house is that it is inexpensive to live in; the rent is low and all inclusive. Plus, with 30 or so roommates, there is always something to do or someone to party with. Along with having one of the cheapest dues on campus, being a brother of Delta Pi allows brothers to get so much more out than they put in.

Delta Pi has a killer banquet every

semester, a picnic every spring, and mixers every week. As many students know, Delta Pi also has great parties weekly.

Most importantly, Delta Pi is respected on campus. They get along well with the fraternities and the sororities love to mix with them. And unlike many other fraternities, Delta Pi does not have a reputation- every brother is proud to wear his letters.

MOTTO: Esse Quam Videri- To be rather than to seem to be

In the Spring of 1989, a group of women came together with the common goal of forming a new social sorority at Bloomsburg University. This group of diverse individuals was brought together with the aspiration of becoming an organization based upon social, service,

scholarship, sorority and sisterhood. They sought a national sorority backing from a sorority that shared their goals and ideals. That was found in the International sorority of Delta Phi Epsilon. The group decided to establish as the local sorority of Alpha Delta Chi in August of 1990. As Alpha Delta Chi, the new probationary sorority completed all the necessary requirements to become a recognized sorority with full privileges at Bloomsburg. On November 19, 1990, Al-

pha Delta Chi gained full status as a recognized sorority. On December 1990, the local sorority colonized as Alpha Chi Colony of Delta Phi Epsilon. MOTO: "A single soul in friends"

In 1964, several men met in what was then North Hall for the purpose of establishing a social fraternity at Bloomsburg State College. Strenuous efforts, however, led first to the creation of a club as there would

"never be social fraternities at Bloomsburg." The men selected the name "Social Improvement Organization" (SIO) and continued to press for recognition as a fraternity. Two years of hard work led finally to the recognition of SIO — Sigma Iota Omega — by the Board of Trustees as Bloomsburg's first social fraternity. From this early beginning there

has evolved the "Greek System" of campus as it is known today. Dr. Robert D. Warren has been the original advisor of SIO and was, early on, dubbed The Father of the Greek System at Bloomsburg.

Since that cold night in January, TKE has grown to over 320 active chapters and 181,000 initiates. TKE is the fastest growing fraternity on the continent and has pioneered more new fraternity systems than any other fraternity.

Pennsylvania has more fraternity chapters than any other state and is the largest TKE state. Included in this is the Pi Beta chapter of TKE at Bloomsburg University. Pi Beta chapter was founded on April 1, 1978. TKE sponsors a full range of social, service, and philanthropic endeavors. Most recently, TKE has helped usher the Celebrity Artist Series, worked with the group S.H.A.R.E., and with their international philanthropy, Special Olympics.

TKE has also been involved in Greek com-

petitions. TKE won the Homecoming football competition in 1989 and placed third in 1990. Their Homecoming sweetheart candidate was elected as Homecoming Sweetheart in 1990.

Currently Pi Beta chapter of TKE has brothers and over 300 alumni. Their house is fraternally owned and conveniently located on Fourth Street.

Tau Kappa Epsilon's food for thought.

COCKNAME: Chi Theta Pi
FLOWER: Pink Rose
OTTO: "Communication and
 List through Love, Friendship, and
 Sisterhood"

In December, 1986, sixteen very
 enthusiastic and determined women
 established the local sorority Chi
 Theta Pi. The women, who already
 possessed the strong bond of sister-

hood took in sixteen charter sisters
 who helped them to develop and
 achieve future goals for the sorority.
 Since then these goals have been at-
 tained and the sisters of Chi Theta Pi
 continue to follow these goals which
 contribute to their success. Each ses-
 mester the sisters of Chi Theta Pi
 contribute countless hours to serv-
 ing the community as well as the
 university. They are proud to be part

of, and work together with, other or-
 ganizations in the greek system to
 better community relations. Many
 social activities also occur during the
 semester. These include banquets,
 date parties, hay rides, picnics, and
 mixers with other fraternities and
 sororities. All of these aspects com-
 bined provide an enjoyable and ever-
 lasting college experience.

Missa, Dawn, and Shelia welcome parents on Par-

NICKNAME: Chi Sig
COLORS: Yellow and Grey
FLOWER: Yellow Carnation
MOTTO: "Unity Through Individuality"

On October 22, 1967, six women met informally to discuss the idea of a new social sorority at BSC. Following many meetings with ISC and the Sub-Committee on Student Organizations, Chi Sigma Rho was approved to be a permanent sorority on May 19, 1969.

Their motto "Unity Through Individuality", is the basis of the sorority. Chi Sigma Rho is made of many individuals who have a common bond of sisterhood. Each semester Chi Sig participates in many social events such as mixers with other sororities and fraternities, date parties, banquets, and much more. These serve to bring the sisters closer to each other and to other students here at Bloomsburg. Homecoming and Greek

Week are two more activities that Chi Sig enjoys being a part of each year. Alumni are very important to the sisters. This is shown each year at Homecoming and get-togethers at the house with the new and alumnae sisters each semester. Each year brings growth and change, working to improve the sisterhood all the time. Each sister's individuality is something stressed by Chi Sigma Rho.

Chi Sig waits to meet their new pledges.

Phi Delta

SKNAME: Phi Delt
ORS: Navy Blue, Kelly Green, & lite
OWER: Rose
TO: "Believing in what you're ng, is half the battle won."

Phi Delta was formed in the Fall of 1933. Fifty-one women with similar

ideals were the beginning of Phi Delta. Phi Delta's main objective is that one can maintain their individuality while belonging to a Greek organization. Although the special bonds of sisterhood can only be felt within the sorority, other friendships are important. As a social sorority, Phi Delta participates actively in Greek

Week, hay rides, mixers, banquets, and date parties. Many Phi Delta sisters have been recognized by the university due to their outstanding achievements scholastically, athletically, and extra-curricularly.

NICKNAME: Pixies

COLORS: Mint Green and Forest Green

FLOWER: Daisy

MOTTO: "Friendship, Individuality, and Courage"

The fifteen founding sisters, all of whom were freshmen, had many goals in mind. Phi Iota Chi began to strive for lasting and meaningful friendship with each sister being herself, an in-

dividual. Their name was chosen for that reason, Phi Iota Chi, Friendship, Individuality, and Courage. Phi Iota Chi was proposed as a social sorority of BU on March 19, 1974, and was approved on November 5, 1974, by ISC, thus being accepted as a permanent sorority. Phi Iota Chi, like other sororities, participates in the annual events such as Homecoming and Greek Week. They do service projects

each year to help out some organizations in the area. Annual social events consist of banquets, date parties, hair rides, picnics, and mixers with fraternities and sororities. These always turn out to be a great time. With the first few years of their existence, the value of being a sister has grown and meant more each day, and future years promise to be even more rewarding.

CKNAME: Phi Sig Sig
OLORS: King Blue, Gold
OWER: American Beauty Rose
OTTO: "Aim High"

Ten women of different religious backgrounds bonded together in September, 1913, in New York, to form the Alpha chapter of Phi Sigma

Sigma. 34 women at Bloomsburg University gathered and formed the Epsilon Zeta chapter in April, 1988, and has it grown considerably since that time. Throughout their development into a strong part of Bloomsburg's great Greek system, Phi Sigma Sigma have been involved in many philanthropic endeavors

which include helping at the Bloom Nursing Home and the National Kidney Foundation. Socially, Phi Sigma Sigma strengthens their ties through mixers with other fraternities and sororities, Spring Banquets, hayrides, and date parties. Phi Sigma Sigma is proud of their outstanding scholastic achievements.

Greek Week is as traditional as Rush and pledging. This week of games and friendly competition serves to bring the Greek System together. This year's Greek Week was well organized with much of the credit going to ΦΙΧ's Denise Splitt. Many fraternities and sororities that, in previous years did not compete as whole heartedly as others, took to this year's Greek Week a new enthusiasm. A good time was had by all with one TKE brother remembering the week as, "just a blur."

75th Anniversary

ORGANIZATIONS

Program Board on Monday, Fencing on Tuesday, Hall Council on Wednesday, American Marketing Association on Thursday. Bloomsburg University has over 150 clubs and organizations for students to fill their calendars with.

There is an organization for everyone. College Republicans share their ideas on how to run the country while the Community Government Association actually runs our little nation. There are groups for religious fellowship, organizations for your major, a group for your favorite sport, even an organization that plans fun and frivolity for the campus.

Every fall the campus gets a chance to see these organizations in the Activities Fair sponsored by the Program Board. Many of the campus organizations take time to show off their group and gain new members.

These organizations helped to pave the way into college life for many. Our high school FBLA was continued in Φ BA, and Key Club became Circle K. The friendships and ideas fostered in these organizations will be carried for a lifetime.

Opposite Page: Top- CGA President, Joel Tolbert and Vice President, Sharon Siegrist, pose atop their ride at Homecoming.

Middle- 1-2-3-Dip, AΦG's Barry and Meg demonstrate their dancing skills.

"This is the Time"
by Billy Joel

This is the time to remember
Cause it will not last forever
These are the days
To hold onto
Cause we won't
Although we want to

This is the time
But time is gonna change
I know we've got to move
But I don't want to lose
you now

Sometimes its so easy
To let a day
Slip on by
Without even seeing each
other at all
But this is the time you'll
turn back to and so will I
And those will be days
you can never recall.

Procrastination in 16 Easy Steps

- (1) Hit snooze button on alarm clock.
- (2) Hit snooze button again.
- (3) Hit it again.
- (4) Throw clock out window.
- (5) Clean up window you thought was open.
- (6) Go to class.
- (7) Receive assignment due in 1 week.
- (8) Wednesday: Why think about it? You have a whole week.
- (9) Thursday: Can't do work. Hess' is calling.
- (10) Friday: Convince yourself you need a break after a long, hard week of procrastinating. Besides Hess' is calling.
- (11) Saturday: decide that only geeks do work on Saturday.
- (12) Sunday: wonder how the weekend went by so fast.
- (13) Monday: figure it's time to call everyone you know long distance.
- (14) Tuesday: complain to all your friends about this assignment you have due tomorrow and you haven't started it yet. But then decide the apartment needs cleaning.
- (15) Due Date: cry to your professor that your roommate exploded and you were too busy making funeral arrangements and shoveling to finish the assignment. Then ask for an extension.
- (16) Repeat.

Senior Survey:

What is the one thing you've been dying to know, but were afraid to ask?

How do they know Gravy Train gravy tastes like real gravy?

Why do girls always go to the ladies' room in groups?

Which resume did CDC give my interviewer?

How do they build tunnels under water?

How do you get a 4.0?

Why is it called Bloomsburg?

Why do girls only want to be my friend?

Will I get a job?

What's the matter with having the desire to make enough money to continue to live in a style to which I've become accustomed?

Why?

The staff of the 1991 Obiter decided to continue the tradition started in the 1990 Obiter giving parents a spot to say their congratulations. In April, eight hundred letters were mailed to the parents of graduating seniors. All we asked for was a \$5 minimum donation. The response was overwhelming. We would like to thank the parents who responded with such enthusiasm. The patrons are listed as they came in, not in any particular order.

ALUMNI ASSOCIATION

Bloomsburg University • Bloomsburg, PA 17815
(717)389-4058 • 800-526-0254 • FAX: (717)389-4060

Dear Graduate:

WELCOME to the Bloomsburg University Alumni Association!

With Commencement, you have moved from one important part of the Bloomsburg University family — the student body — to another: the Alumni Association. You have joined over 32,000 other alumni who are making significant contributions to society in every state and more than two dozen foreign countries.

Wherever you go, please remember this: The staff of the Alumni Office stands ready to serve you, whether it is next month or in 20 years. That's why we are here, to serve as your liaison with the University. If ever you encounter a problem or need information, please contact us first. We will do everything we can to expedite a solution or a response.

In the meantime, we would like you to know what else you can expect from your Alumni Office. In a word, it is **SERVICE**. Here are some examples:

- * Publishing *BLOOMSBURG*, the publication for alumni and friends of the University. Please feel free to send news about significant events in your life for the "Class Notes" section — the most popular part of the publication.

- * Planning class reunions at five-year intervals on either Alumni Weekend in the spring or on Homecoming in the fall. If you would like to help plan your reunions, please contact the Alumni Office.

- * Arranging regional alumni meetings throughout Pennsylvania and other parts of the United States. Be sure to tell us when you move, so we can let you know when a meeting is planned in your area.

- * Providing opportunities for alumni to return to campus to share their experiences with current students. These opportunities include the Alumni Fellow-in-Residence program each semester.

- * Informing you of ways in which you can serve your Alma Mater, either through financial contributions to the University's Alumni Annual Fund or by contributions of your time and talent.

Above all, please remember that your Alumni Association will be better if you take an active role in its projects and programs!

Sincerely,

Doug Hippenstiel '68
Director of Alumni Affairs

always remember. . .

Graduation is over and the time has come to page through the past four years. . . five years. . . six years. . . oh well! The time has come to page through the years we have all spent together at Bloomsburg University. It seems as if just yesterday we were innocent high school graduates saying good-bye to the past and looking ahead to the future. Did we realize what we were getting into? Most likely we did not.

Here we are, the class of 1991. Once again we must say farewell and say hello to the world. But there are some things we will not say good-bye to — Memories. . .

... remember

... freshman year • (aka) first year • "under 32 semester hours of credit" • a year between 1985 and 1987, but no later than 1987 • freshman orientation • OWLS • experiencing the Commons food for the first (and last) time • learning the tricks to scheduling • an occasional party • meeting your roommate • making new friends • calling home every other day when you swore to never talk to your parents again, until you need money • MAC attacks (MAC machine, that is!) • another party • liking your roommate • forming a group of friends to "hang with" • eight o'clock classes • hitting the 8 minute snooze button... for an entire hour...

...remember

... meeting the girl or guy of your dreams • Sal's Place • studying in the library (not!) • socializing in the library (that's more like it!) • walking to the fieldhouse for a gym class or team practice in sub-zero weather • party • watching your favorite soap in the television lounge • hating your roommate • R.A.'s • hall meetings • the mythical "freshman fifteen" • hanging out with your friends • another party • to your surprise... finals week snuck up on you, huh? • **STRESS** • that's it, you have to kill your roommate (4.0) • snack night at the commons • you can always count on your friends • your first year went by so fast • isn't partying at BU a "RIOT"? • phew! • three more years to go, or is that four...

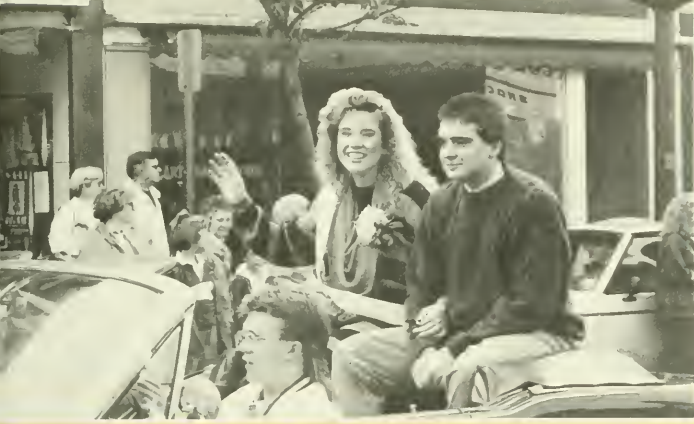

...remember

... sophomore year • (aka) second year • over 31 credit hours • etc • it's time to get involved... CGA • clubs • fraternities • sororities • off campus housing • so that is how a stove works • a schedule that fulfills requirements in your major • the Bloomsburg Fair • "townies" • the perfect opportunity to make fun of the incoming freshmen • town police crackdown on the party scene • your second year is a good time to start studying • friends • Homecoming • support gay rights — blue jeans day • sporting events • maybe you'll go to a party tonight, maybe not • oh no! you have just started a relationship with the girl or guy of your dreams — what will your friends say? • late night runs to the Uni-Mart • date parties • Cheers • friends • and so on...

About this time in our college career we settled into our own system of living at Bloomsburg. We all know that the list of things to remember from our first two years at BU is much too long to record, but easy to recall at any time. Now, it is time to turn to our final years at Bloomsburg and remember. . . . junior year • end of summer break • Harry's Bar and Grille • Russell's • Lemons' Tavern • Good Old Days • Hess's Tavern • quick! what should I major in? • procrastination • friends • one too many extra curricular activities, but they sure look good on your resume • senioritis set in already • new Kehr Union proposal • internships • friends • campus parking • what parking? • campus security, oops! university police • road trips • beer goggling • upper campus apartments • sunbathing at the basketballs courts • friends • greek week • etc, etc . . .

...remember

... senior years • so soon? • senior *Obiter* portraits • the great Bloom-
sburg mud slide • flex freedom •
friends • mixers • Pete's Arena •
hayrides • the Gulf War • recom-
mendations • GRE's • NTE's •
nursing finals • CPA exam •
friends • LSAT • graduate school
applications • deadlines • friends •
"all i want is out" • the job search •
party • the final finals week • bac-
calaureate • friends • nurses' pin-

PARTY • Hello World ...

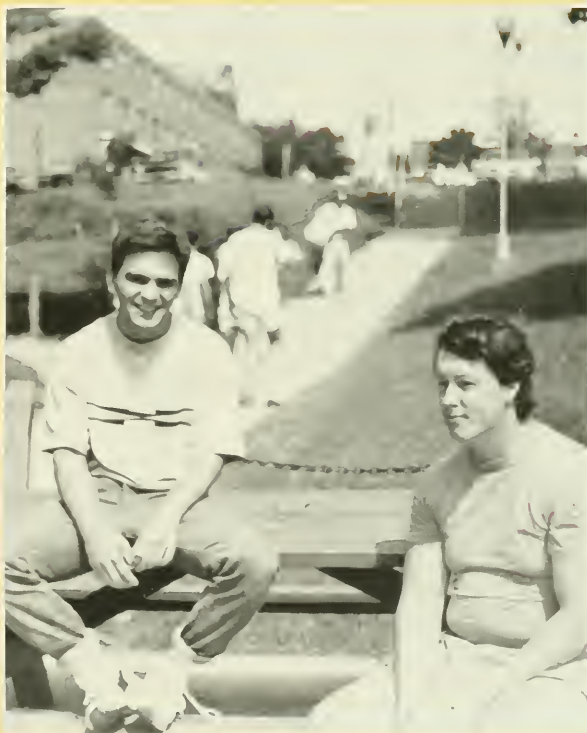

... remember

... No matter who we were or what we did at Bloomsburg University, we all had one thing in common ... memories. Whether good, bad, happy, sad, the friends we made and the memories we made with them will always be with us forever. The time has come to say good-bye and move on, but when we need a shoulder to cry on or someone to laugh with we will remember the people who went through these past few years with us. Keep in touch, drop a line now and then. As the theme of the 1991 *Obiter* quotes, "This is the Time to Remember ... these are the days to hold onto ... the time is gonna change" ... but the memories stay the same.

Well here it is the last page to go in and the book is finally done (key word is Finally!). There are so many people I owe so much to that I know I will forget some so please accept my apology for this.

Susan My Asst. Editor. Thanks for coming all those times I called you at 7:30 in the morning. You did a great job on everything you did for this book and I wish you all the luck in the future.

Nellie You and Susan really helped me keep my head above water in doing so much at a moments notice. Just remember, I hope you don't lose Susan again!

Jennifer The ads never looked so good! Thanks for all your help with the ads and especially taking a big load off my shoulders by running the business part of the book without me having to be constantly there. I look forward to working with you in about one month.

Ed Patrick Jr. Ok, I know I am late with my deadlines but all I can say is that you should get a pay raise after dealing with this university and especially me. Taylor Publishing is very lucky to have a person like you working for them. Just think, we begin the whole process over again in about one month! Scary isn't??

Melody I was always constantly amazed at the organization you possessed and was wondering how you pull the whole deal off. Without your help I would not be able to publish this book. Thank you a million for putting up with the address problems and all the phone calls trying to find out what pages I had down in Dallas. You along with Ed deserve a pay raise.

Andi Or shall I say Andrea? I will not be able to do anything to repay you

for all the dedication you showed throughout the making of this book. I will be losing a great friend, and one valuable yearbook person that I know knew more of what was going on than I did. Maybe I should have resigned and made you Editor? Good luck with your career and Please keep in touch.

There are many other people that have played a pivotal role in helping me with this book. University Relations, Jim Hollister, you saved my butt many times and I thank you for putting up with all the calls concerning sports pictures and the time you took to help me. Joan Helfer, thanks for giving me the pictures I needed when I needed them. I look forward to seeing on the football field this fall. Dr. Hill, all those times we sat down and went over spelling mistakes I made while typing this book. Thank

God we are getting that new computer. Thank you for all your help and advice throughout the year. And last but certainly not least.. Evelyn. Thanks for giving me the kick in the butt when I needed it and all the pep talks about this book. You always knew what to say and do to help. Just think one more book to go!

I know this book that sits in front of you may not live up to your expectations and I welcome constructive criticism and I take sole responsibility for the content of what is in this book. This book marks the 75th year of the Obiter and as you can see we changed the whole book. I hope this change will continue after I am gone. Thanks Bloomsburg for giving me this opportunity to grow, and mature.

The original purpose of my column was to make a

formal apology to Mike Jemo and CGA for inadvertently leaving them out of the Organization section. So, Mike, here is your apology. . . I honestly didn't see that picture until you stopped into our office - Sorry. The rest of this column came as a gift from the boss, Chris. Thanks! I finally get to say the good-byes and thank you's that are so hard to say in person. Here goes....

Chris, Thanks for believing in me. This was a great opportunity for me. The late night runs to Mr. Donut, Perkins, and Little Caesars, early mornings in the office, that all-nighter that only lasted a few hours into the morning — you've become a great friend. Good luck next year with the 1992 book. It will never compare, though, to this one!

June & Marge, my Bloomsburg Moms, I loved working for you two. The concern you always showed for me is not forgotten and will always be appreciated. By the way, when I own the Reds, you both get season tickets!

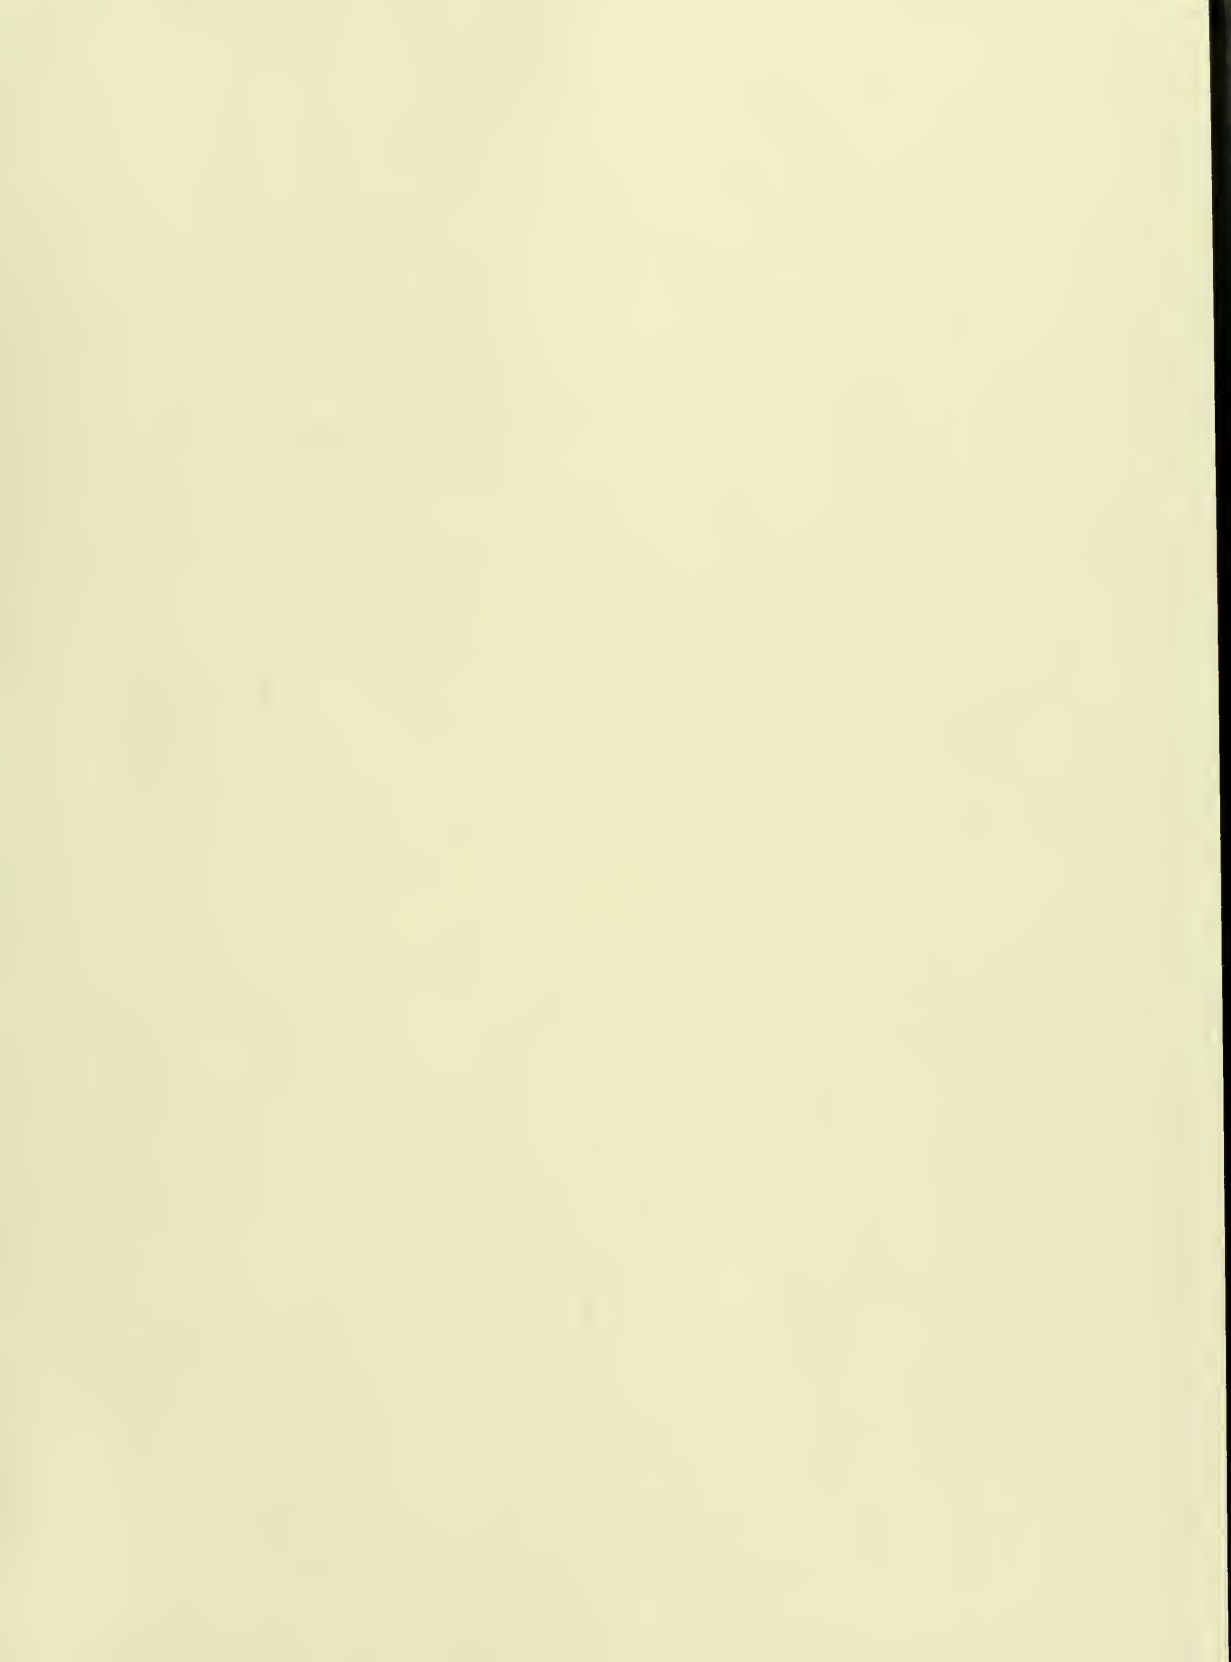

To all my AΦΩ brothers, Thanks for the service and most of all, the friendship.

Mom, This was all for you. I kept you from getting your degree many years ago, (even though it was all Dad's fault) therefore my degree is dedicated to you. I hope I can be as successful as you are. I love you! At least you got your "husbandry" degree. I'm still working on that one!

Daddy, thanks for the credit cards!! Congratulations to the Class of 1991! - Andi

P.S. Chris, that outfit looks fine and you still owe me a Democratic newspaper! -ALC
