The happiness a daughter brings is a special treasure, a priceless gift to be cherished always. I hope you know how much you are cherished and how deeply you are loved. A daughter brings a special joy and as she grows into adulthood she fills your heart with pride. No words can describe the warm memories, the pride and gratitude that comes from having a daughter like you.

We are so proud of you.

Love,

Mom, Andy, Jeremy, Jason and Jaime

Tenika M Campbell

Hey Pumpkin, we are so very proud of you. This is a wonderful accomplishment you have achieved and you should always remember this. Despite all the distractions you had, you were able to maintain and stay focused to pursue another one of your dreams, which is priceless. You have already changed the lives of many people, whether you know it or not and will change more with your "Bachelors of Arts and Psychology Degree". You did it girl! Smile with Pride! Keep your head up high! Stay strong, stay focused, and please always stay in prayer! Anything worth having takes hard work "and you know this"!

Love Mommy and Daddy

Wassup Neek? ... I want to congratulate you sooo much on your college graduation. I know how much you went through, and if it means anything I'm very proud of you. College took a toll on your level of self-control, but you bounced back and now you're on top of the world. I know these were one of the roughest, but funniest times of your life. You continue to be you and never let anyone make you or try to persuade you to do otherwise. You are beautiful and very intelligent WOMEN, who will make a difference in today's society. For what it's worth, I look up to you in life.

With Love,
Sweet Pea
