Rooted to Bloom

The Community Government Association better known as CGA has provided this yearbook to every graduating senior free of charge to say, "Congratulations!"

UP CLOSE AND PERSONAL WITH C.G.A.

The mission of the Community Government Association is to provide an opportunity for students to govern themselves in a democratic manner.

The association also oversees the operation of various areas including Community Activities, Kehr Union, University Store, the Student Recreation Center and Honeysuckle Student Apartments.

The organization provides guidelines for administering the affairs, activities, concerns, and general well-being of all students under the jurisdiction of the University and seeks to establish working relationships and open lines of communication with administration, faculty and staff.

The Community Government Association encourages diversity in all its efforts and seeks to encourage all constituents to become involved in the governance process.

'Midst the mountains grand
Stands our College, dear to students,
Far throughout the land.

Far and wide though we may wander,
Still our hearts are true
To our hilltop Alma Mater,
We our pledge renew.

Ever seaward Susquehanna,
Never resting flows,
Ever upward, striving, climbing,
Onward Bloomsburg goes.

Corazones Unidos Siempre Chi Upsilon Sigma National Latin Sorority Inc. was founded at Bloomsburg University on April 15 1994. Chi Upsilon Sigma is a Latin based organization but works towards the betterment of all women from all background.

The primary roots of Lambda Sigma Upsilon began in 1978. During that time, Rutgers University was a hotbed of political and academic controversy. Minority students, in particular Latinos, felt that they were not getting the attention they so desperately needed to succeed in their academic endeavors. This negligence was most prevalent on the Livingston College Campus of Rutgers University in New Brunswick, NJ.

Mu Sigma Upsilon Sorority Inc. was founded on November 21, 1981 at Rutgers University New Brunswick as the first Multicultural Greek Letter Organization in the Nation. The Palenque Chapter of Mu Sigma Upsilon Sorority Inc. was established on November 14, 1998 by six women who felt the need to bring the idea of Multiculturalism to the Bloomsburg campus. We incorporate our goals, Academic Excellence, Unity Among All Women and strive to be active in both the university and local community through our events and programs.

Alpha Phi Alpha Fraternity, INC., the first intercollegiate Greek letter fraternity established specifically for African American men at colleges and universities, was conceived and organized on the campus of Cornell University in Ithaca, New York. This momentous time in history would culminate on a Tuesday, December 4, 1906 when the decision was made to officially become Alpha Phi Alpha Aims: Manly Deeds, Scholarship, and Love for all Mankind

The Lamda Alpha Chapter Of Kappa Alpha Psi Fraternity Inc. was founded November 7, 1981. Kappa Alpha Psi was the first African American Greek Letter Organization at Bloomsburg University. Their motto is "Achievement in every field of human endeavor"

The Rho Omicron Chapter Of Sigma Gamma Rho Sorority, Inc was founded at Bloomsburg University by Chief of Police Maggie Boykins. Sigma Gamma Rho strives for scholarship, sisterhood, and service which is reflective in their motto "Greater Service, Greater Progress"

The Rho Iota chapter of Delta Sigma Theta Sorority Incorporated was chartered May, 1991 and is currently a joint chapter with active members on the campuses of both Bloomsburg and Bucknell Universities. Delta Sigma Theta Sorority Inc. wanted to use their collective strength to promote academic excellence and to provide assistance to persons in need.

Tau Kappa Epsilon was founded on January 10, 1899 at Illinois Wesleyan University in Bloomington, Illinois. 252,000 members as of August 24, 2010. 274 active chapters and colonies located throughout the United States and Canada.

Chi Sigma Rho was founded in 1969, is a local sorority at Bloomsburg University. Our address is 100 East St, and our colors are yellow and grey. Chi Sig participates in fundraisers and community service events including the annual Bloomsburg Historic Homes Holiday Walk, and The Big Event. Chi Sig's motto is Unity through Individuality.

CT 101 / EOP is a program that works with approximately 620 students. Students in this program do not match the usual admissions profile and they possess a financial, cultural, social or educational disadvantage as defined by state or university program guidelines. Students come from both urban and rural environments. About half represent minorities, 60% are women and 20% are older than the typical college freshman.

Wrapping up another successful summer!

Bloomsburg University's ACT 101 / EOP celebrated another successful summer program on August 4, 2010. Program members came together to have a picnic at Bloomsburg's Town Park in honor of the program. The turn out was great, nearly 200 students were present at the picnic!

Joining in the celebration were Bloomsburg Chief of Police Leo Sokoloski, Bloomsburg Mayor Dan Knorr and Bloomsburg University President David Soltz.

Each summer, the CGA executive staff takes time out of their busy schedule at home to come back to Bloomsburg and conduct a summer meeting to get a jump start on the upcoming semester. This year after the conclusion of the meeting, the entire executive staff joined with Quest to have an exciting teambuilding experience. The photos on the preceding page, as well as, this are reflective of that adventure!

MEN'S BASKETBALL

Refuse to Lose...

The Huskies finished with an overall record of 11-15 and 7-7 in conference play with a young starting line-up consisting of 3 juniors and 2 freshman. It came down to the very last regular season game at West Chester University, where the Huskies did what they needed to do and pulled off a solid win 61-58 but unfortunately Cheyney University upset top seed Mansfield University to seal the last playoff spot. The Huskies lost 6 games on the season by a only one basket respectively. Some highlights of this season included red-shirt freshman Dontahe Jordan earning Rookie of the Year and the only underclassman awarded PSAC 1st team all-conference honors, junior Trevon Johnson was awarded PSAC 2nd team all-conference and junior Larry Webster became the school's all-time shot blocker and finishing 2nd in the Nation in field goal percentage. Jordan lead the Huskies this season in scoring (15.8 ppg & 9.1 rpg), Johnson finished second in scoring at 15 ppg and Webster third in scoring 12.2 ppg and 36 blocks giving him a career total of 131 which tops Lee Gump's 130 blocks set in 1996. The Huskies will miss the leadership and toughness that Jesse Betar and Earl Knight gave to the program. We will miss them but they will always be a valuable part of this program. The future does look bright for the Huskies next season as they will return 4 starters, several key returners and a strong recruiting class for 2011-12. Go Huskies!

On April 4th and 5th, a delegation from Bloomsburg University attended the PASSHE Advocacy Days at the state capitol in Harrisburg. Among the group were students, faculty, trustees, and President Soltz. Attendees spent two days meeting with state representatives, senators, and legislative staff about the State System. Governor Corbett's proposed budget cuts in higher education have shaken leaders across the board. PASSHE upholds its mission across the fourteen universities in offering a quality higher education at the most affordable cost among all four-year institutions in the Commonwealth. The purpose of the two-day visit was to spread this message and educate the legislation about the vast opportunities, benefits, and significance PASSHE brings to Pennsylvania. Bloomsburg delegates joined representatives from each of the fourteen universities, the university presidents, Chancellor Cavanaugh, and his staff in meeting with Representatives George, Hanna, and Reed and Senators White and Gordner. They attended educational sessions in preparation for their meetings and helped PASSHE make a professional presence in Harrisburg!

THE BIG EVENT

In 1982, Joe Nussbaum (then vice president of the Student Government Association at Texas A&M University), began The Big Event as a way to say thank you to Bryan-College Station — a community continuously supporting the university. Twenty-seven years later, The Big Event has grown to become the largest one-day student-run service project in the United States, presently occurring at 72 universities, including Bloomsburg University. The Community Government Association and more than 1,000 members of the Bloomsburg University community spent Saturday, April 9, volunteering in Bloomsburg, Pa as part of "The Big Event." The Big Event is a nationwide day of community service when colleges and universities send all active organizations out to volunteer in the community. Odd jobs ranging from raking leaves, picking up trash, washing windows and much more.

Organizations that volunteered for The Big Event were: African Student Association, ACEI, Exercise Science Club, Future Business Leaders, Campus Crusade for Christ, DASL, Disciple Maker Christian Fellowship, Education LLC, English Club, Frederick Douglas LLC, H.A.B.L.A.S, Honors Program, Husky Ambassadors, Ladies First, Model UN, NCASC, NSSLHA, OWLS, Program Board, Protestant Campus Ministry, Red Cross Club, Woman's Club Soccer, Social Work Club, SCEC, SOL United Skate Association of Bloomsburg, Vice Versa, The Voice, W.I.S.E, all Greeks letter organizations, Athletic Sport teams and other individuals.

The Purpose: The Big Event impacts the community by bringing the campus together with the surrounding community in an effort to show gratitude to those who help others. Numerous community-based and non-profit organizations and agencies benefit from volunteer efforts, as well as local residents, including those that provide services to children, senior citizens and low income families, or those that promote the quality of life. Volunteers are proud to help others improve the lives of the people who rely on these important services and facilities. The Big Event's theme is, "United, Mobilized, Ready To Serve".

Today nothing matters, not the pain you went through to get here, not the tears of frustration or hours of practice, not how hard you've played or the mistakes you made, none of it matters. Not the months of training or the heart and determination of giving it all you've got. All that matters is that TOGETHER we got here...and that today is GAME DAY!

From the first day we went to Bloomsburg with you, we knew you were going to make the very best of your college years. You entered as a girl ready to take on the challenges of this new phase in your life and you are leaving as a young woman with poise, grace and the ability to leave a positive mark on the lives of everyone you touch. Alan R. Bond

Alan,

Congratulations to you at your graduation. Your academic achievements are very noteworthy and impressive: your self-discipline, desire to excel and innate intelligence have led you to this point. Even more important to us is the manner in which you have always conducted yourself along the way. You demonstrate an ethical and moral personal code in your daily decisions that, along with the traits already mentioned, will truly lead you to success in life, not just business.

We are very proud of you. We extend our best wishes to you in all of your personal and professional pursuits.

With love and pride,
Mom, Dad & Eric

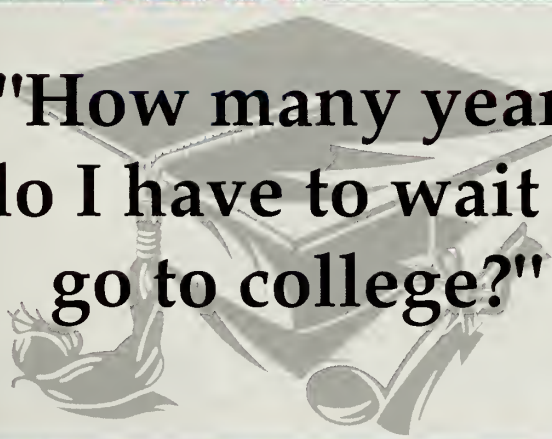

"Graduation is only a concept. In real life every day you graduate. Graduation is a process that goes on until the last day of your life. If you can grasp that, you'll make a difference."

"I hope your dreams take you... To the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known."

Congratulations Tiana we are tremendously proud of you! You have endured a long journey to get to this moment. Your journey was filled with life shaping experiences that will be eternally embedded into your heart. We love you, we honor you and we appreciate the special woman that you have become. You are a champion, a princess and an inspiration. Success is the ability to go from one failure to another with no loss of enthusiasm. It will be that enthusiasm that will lead you into your next expedition in this thing we called life. Remember: Dream no small dreams for they have no power to move the hearts of men. We ask that you embrace impossibilities and shape them into success. We ask that when you leave here, do not forget why you came. Philippians 4:6-7 states: Be anxious for nothing but in all things by prayer and supplication with thanksgiving, let your requests be made known unto God and the peace of God which passes all understanding shall keep your heart and mind at peace through Christ Jesus. You did it MOO MOO!! Enjoy, Grow and Be Bexy :0)

The Lord brought you into this world on December 30, 1988; one week earlier than originally anticipated and you have been a true blessing ever since.. Here are pictures of you . . .

. . . was much more pleasant as you were on your way to becoming a

Bloomsburg Senior and on to the next phase of your life.

The first two are of one of the toughest days of our lives, letting you go on your first day of kindergarten. The third however . . .

You have grown into a beautiful, well-balanced and independent woman. We can only begin to express, just how proud you have made us!

We know you don't need luck, but only our continued encouragement, ongoing support and prayers, so that you continue on the path of a great life's journey designed and guided by God.

Never forget to stop and smell the roses along the way or to give thanks to those you come in contact with, as they represent the ones who help you become someone special.

Congratulations, "Lil Bit",

Elysa R Zertz

Dear Elysa,

It doesn't seem all that long ago that we held you in our arms and looked down at your happy, smiling face.

Through the years we've watched with pride as you've grown from a child into a woman. It's a journey we're honored to be a part of. And what a journey! We've had wonderful times together. We've had laughter and tears, joy and sadness, hope and pain, but through it all you kept moving forward with a smile on your face.

Today, marks the close of another part of that journey, as you graduate from college and get ready to create a life of your own. We know that you will face many more challenges as you move forward and begin creating a life of your own, but we also know that if you approach those challenges with the same love and courage that you have now, you will find your way in life and you will be happy.

Elysa, we're so proud of all you have accomplished, all you have created and all you have done with your life so far...we can't wait to see what the future will hold for you!

All our love,
Mom and Dad

Lauren Rumberger

We had a "wish", our "wish" was you!!!!

To our daughter Lauren,

The day you were born we thanked God for blessing us with a beautiful baby girl. Your sister was thrilled!!! Only now do we know why...What a special bond you and your sister share!

Your dedication, hard work and love of learning is truly impressive. You have blossomed into a confident young woman placing goals and setting the bar a little higher each time. Your brilliant mind, bubbly personality and dazzling smile make you the special person you are.

We are incredibly proud of you! Remember your family will always be here for you.

All our love,
Mom, Dad, Mara and Lizzie

Allison R. Ziants

Through all of the ups and downs these past few years, you picked yourself right back up and kept moving positive and forward. You became the best you could be in the sport that you loved and have now found a new love...serving as an Officer in the United States Army! The look on your face going to jump out of a perfectly good airplane shows the excitement and drive you have in your whole being. When you received the Alan D. Gardner Award and received an engraved saber (the saber is presented to the cadet in the graduating class who has been the most outstanding cadet over the course of their ROTC care, as voted by their peers) with his and your name on it, it showed the world who you are. I look forward to watching you grow and lead in your new journey. Allison I am so very proud of the person you have become and I love you with all my heart!
