There's Been Some Changes!

NEW INSTRUCTORS ADDED TO STAFF

Thirty-seven new faculty members are making their premier appearance on CSC's campus this trimester. This increase in faculty was necessitated by the growth in enrollment.

The new additions to the English Department are the following: Mr. Ronald M. Ducoff, Dr. Sumner J. Ferris, Mr. Timothy W. Johnson, Mr. L. Terry Oggel, Mr. George Ralph Smith II, Miss Astrid A. von Muehlenfels, and Mr. Don A. Woodworth.

The Geography Department has added to its staff Mr. James T. Anthony, Mr. Thomas A. Leavy, and Dr. Jack R. Villmow.

The Social Studies Department welcomes Mr. Edward E. Fear, Dr. Veronica Maz, Mr. George A. Papacostas, and Dr. Harold N. Friedman.

The Education Department is being augmented by Dr. Arthur L. Ball, Dr. William F. Daniels, Mr. Burton S. Fettik, Mr. George F. Helfinstine, Mr. Donald C. McFeely, Mr. John O. Schickling, Mr. Charles W. Slick, and Dr. Alexander Tsambassis.

The Speech and Hearing Department additions include Mr. Edward R. Coursey, Mr. Berlie E. Dishong, and Mr. Albert E. Yates.

The IA Department has built up its staff with Dr. Nevin E. Andre and Mr. Daniel Lee LaBute.

The "quiet" of the Library will be enforced more efficiently with the aid of Miss Julia T. Campbell and Miss Salma S. Johnson.

The Science Department staff has assimilated Dr. Edward P. Fox, Mr. William E. Gabor and Mr. John H. Riggle.

The Fine Arts Department has acquired Mr. Walter J. Kipp and Miss Shirley J. Sutton.

Mr. Frank E. Kennedy has joined the Modern Language Department and Miss Margaret M. Martin will add vigor to the Physical Education Department.

The CT on behalf of the student body extends a warm welcome to these new instructors.

LEWIS APPEARS

On Wednesday, October 7, Fulton Lewis, III and Dr. James A. Burkhart of N.Y.U. will debate the topic, "The Campus Generation, Right or Left."

The presentation will be at 1:00 p.m. in Steele Auditorium and is open to the student body.

Registration

Registration for the fall trimester is being held September 28 through 30. According to Dr. Kemper, 725 incoming freshmen are expected to register on the 29th and 30th. Full time students are expected to number approximately 3,150; part-time students 300; and transfer students about 120. The graduate school expects approximately 200 to register.

Dramatics On Campus

"Come Blow Your Horn", Broadway's romantic comedy hit, will be the Fall Production by the College Players.

CP director, Roger Emelson, has announced that auditions will be held September 12 and 13 at twelve noon and 7:00 p.m. in Steele Auditorium.

The Circle-in-the-Square Players will present "Desire Under the Elms" in Steele Auditorium, on October 20, 1964 at 8:00 p.m.

This play has received overwhelming favorable criticism from such critics as Howard Taubman of the New York Times and Walter Kerr of the New York Herald Tribune.

This indicates the rewarding experience that this presentation of "Desire Under the Elms" holds.

The Circle-in-the-Square Players are well-remembered at CSC for their performances last fall of "Under Milkwood" and "Six Characters in Search of an Author."

Tickets for "Desire Under the Elms" may be obtained at the student Activities office after October 5.

PARKING RULES ARE CONFUSING

CSC's new parking regulations go into effect with the beginning of the fall trimester.

The regulations were set up by the following committee appointed by Dr. Duda: Dean Walker, Dean Roadman, Mr. Dochinez, Mr. Dixon, and the borough Chief of Police, Mr. Robert Elliot.

TOP BRASS SHUFFLES

CSC is making changes this trimester and they are starting from the very top. At the state level CSC is under the jurisdiction of the Department of Public Instruction and its auxiliary bodies, the State Board of Education and the Board of Presidents. Next a little closer to home, is the Board of Trustees. Then at CSC, President Duda heads the administration. Directly under Dr. Duda are four administrative heads: Mr. Wickerham, the Business Manager; Mr. Welsh, Dean of Student Services and Affairs; Mr. Walker, Dean of Administrative Affairs and Services; and Dr. Roadman, Dean of faculty and academic affairs.

Under Dr. Roadman is Dr. Philip J. Proud, Dean of Teacher Instruction, Dr. Gabriel P. Betz, dean of Liberal Arts, and Dr. Stephen E. Pavlak, Dean of Graduate Studies.

Later articles will explain more of the functions of these people and others not yet mentioned.

Parking has been assigned by areas as follows:

Area A — for faculty and staff use — located on the Corner of Second Street and College Avenue. Area A is also designated for use by evening graduate students between 6:00 p.m. and 10:00 p.m. Area O — located behind New Science is for Administrative parking. Area B — behind New Science and the Power House, is for faculty and staff parking. Area C — between the power house and the Industrial Arts building is for faculty and staff use. Also reserved for faculty and staff parking are Area D — behind Noss, Area E — which is the area beside the barn adjacent to the power house, and Area F between Johnson Hall and McCloskey Hall. **Area S which is behind Steele Auditorium and along the riverside is reserved for student parking.** A new parking lot for student use is being developed along Third Street behind the new gymnasium.

The general parking rules are as follows: 1. Student parking spaces are limited to commuting students. 2. Noncommuting freshmen may not have a car on campus. 3. Students must register their cars (Post 12-registration line). 4. **The campus thorofare is one way and to be used for emergency purposes only. Students are not permitted to drive through campus.** 5. All cars without stickers or parked in the wrong area will receive tickets. 6. Only specially designated cars are permitted on the campus thorofare between Third Street and Binns Hall.

A parking lot is being developed for guests and visitors. It will be marked as such.

Parking on campus is a privilege, not a right. These regulations are designed to make possible the maximum use of the available facilities. Parking is a serious problem and without the co-operation of all those involved the new parking program cannot be effective.

FRESHMEN WELCOME MESSAGE

The governing body of Freshman Customs, the Tribunal, has prepared energetically to welcome you to our campus. Our intentions are to give you a fun-filled and well planned way to get to know California State College and its students, as well as a way to let you become known. Your first two and one-half weeks of activities will include pleasurable, we hope, moments to brighten your hours of study. (We hope you indulge in that as well.) Your creative instincts will be used purposefully to instill in you a sense of belonging and enough school spirit to last for years.

Let it be said now that you will not be facing the wrath of 2300 upperclassmen; instead, you will be working with 40 Tribunal members so that California will soon become your campus. You may participate in activities such as "Coke and Chips" sessions, dances, Class games, etc., where you will meet all of us personally.

The worth of Freshman Customs will be up to you. Your class is the largest to ever enter CSC, and if you add quality to your quantity you may find yourselves a driving force in California's progress. The

Tribunal will be working hard to help you get moving toward your goal of an outstanding education and a full, rich college life.

We will do our best to be in as many places as possible, as many times as possible, to help you in as many ways as possible. All Tribunal members will wear identifying ribbons and will be the **only** upperclassmen by whom you will be governed. The other upperclassmen will participate in the activities and will be of great help to you in your getting to like CSC.

The entire Tribunal sends its wishes for a rewarding Customs period as well as a successful college life.

HOMECOMING QUEEN REGULATIONS

Nominees must be a junior or senior and in good academic (2.0) and social standing.

Formal campaigning begins on October 6, 1964; (posters, etc.) As in the past, posters must be approved at the office of Student activities.

Voting for nominees shall take place on Friday, October 9, 1964, in the Snack Bar Lobby and the Colonial Room. Student Identification Cards must be presented.

Five nominees shall be announced at the Bonfire at the College Farm on Friday evening, October 9, 1964.

The Homecoming Queen will be selected by a group of specially selected judges the morning of Homecoming Day. The winner will be announced at half-time at the football game. The finalists will be notified as to the schedule of activities and the attire needed.

FIRST ANNUAL SUMMER COMMENCEMENT HELD

CSC held its first Summer Commencement ceremonies on Saturday, September 19, 1964, at 10:00 a.m. in Steele Auditorium.

Degrees were conferred upon 210 graduates who received their Bachelor of Science Degrees and Bachelor of Arts Degrees, and 13 graduate students received their Master of Education Degree.

Of the 210 under graduates 20 were Atypical majors, 79 English majors, 42 industrial arts majors, 6 public school nurses, 62 science

majors, and one Liberal Arts major.

Dr. Shepherd L. Whitman, President of the Regional Council for International Education, and Director of the office of Cultural and Educational Exchange at the University of Pittsburgh, spoke on the "International Dimensions in Education." In his talk Dr. Whitman stressed the necessity of liberally educated leaders to apply the knowledge of the specialists to the solving of the world's problems.
