

# OPERA STAGED AT STEELE

## FILMS SHOWN

The first psychology film series ever to be presented by California State College started Monday and will continue for two weeks.

"Focus On Behavior—The Science of Psychology," is the series title and is being sponsored by the Division of Teacher Education, in co-operation with the Audio-Visual Center.

It will be shown in the Little Theater in Main between 12:05 and 12:35 p.m. daily.

The nine films in the series were originally produced by National Education Television as 30-minute television programs presenting the work of outstanding experimental psychologists

This series presents current research in experimental psychology which reveals significant concepts, methods and new advances in the scientific study of behavior.

Each program is a filmed visit to the laboratories of distinguished men and women, experimental psychologists involved in this study. These films provide the viewer with a deeper understanding of the nature of basic research.

Increased interest by students considering psychology as a major field has prompted the scheduling of this series.

It is anticipated that most psychology classes will view one or more of the films.

"Focus on Behavior" was filmed on location at leading universities, two hospitals, and an Air Force Base. The "actors" were the psychologists and other actual participants in the experiments.

The "sets" were the actual laboratories or other places where the experiments were in progress.

All students on campus are invited to attend this series. The schedule follows:

- December 8 — "A World to Perceive"
- December 9 — "The Conscience of a Child"
- December 9 — "The Brain and Behavior"
- December 10 — "The Chemistry of Behavior"
- December 11 — "Learning About Learning"
- December 14 — "The Social Animal"
- December 15 — "The Need to Achieve"
- December 16 — "Of Men and Machines"
- December 17 — "Computers and Human Behavior"

Left to Right: Miss Sutton, Mark Porter, Gary Inks, Sam Johnson and Abe Allende.

## Ski Lodge In Herron Tomorrow Evening

Committee on Social Activities at California State College will present the annual "Ski Lodge" event. This dance will be held in Herron Hall, tomorrow.

Various acts will start performing at 8 p.m. and the dance will continue until 12:00 midnight.

CSA invites and urges everyone to attend.

CALIFORNIA STATE COLLEGE STUDENT ACTIVITIES ASSOCIATION INCORPORATED

## FILM SERIES

- 1/ 5/ My Name Is Ivan
- The Red Balloon
- 1/12/ The Cabinet of Dr. Caligari
- Marcel Marceau's Pantomimes
- 1/19/ Citizen Kane
- The Barber Shop
- 2/ 9/ Henry V
- 2/16/ The Captain From Koerenick
- Visit to Picasso

The Christmas season will be celebrated at Steele Auditorium with the Choir's presentation of *Amahl and the Night Visitors*, an opera in one act by Gian-Carlo Menotti. The production is being directed by Prof. William Dovenspike and Roger Emelson. Assisting in the production will be the College Players.

*Amahl*, an opera in English (not the standard Italian) was written especially for television and has appeared for consecutive years on the NBC network.

The opera is the story of a crippled shepherd boy and his widowed mother and the miracle which occurs on the evening of a visit from three kings who are following a star in the Eastern sky. The kings stop to rest at the house of Amahl and the gold which they are carrying to the newborn child proves too much of a temptation for the mother who attempts to steal for her crippled child.

*Amahl* will be played by Mark Porter, a student at Noss Laboratory school, who is gifted with a beautiful soprano voice. His mother will be portrayed by Shirley Sutton, a new addition to the California State College Music department, who, like Mark, is soprano.

The three kings; Kaspar, Melchior and Balthazar; will be played by Sam Johnson, Gary Inks and Abe Allende respectively, while their page is portrayed by Bob Rohlf.

Besides the beautiful songs of Menotti, a dance will be featured in the production. The choreography was done by Judy Anderson, a graduate of CSC. The opera will be a matriculation event and tickets are available in the SAA office from T. Leland Moore.

## National Teacher Examinations Here

Tomorrow is the day, Dr. Malverne R. Wolfe, Director of Academic Guidance announced that Registrations for the National Teacher Examinations on Dec. 12, should have been forwarded so as to reach the Princeton office not later than last Nov. 13.

Bulletin of Information describing registration procedures and containing Registration Forms may be obtained from Dr. Wolfe, California State College or directly from the National Teacher Examinations, Educational Testing Service, Box 911, Princeton, New Jersey.

At the one-day test session a candidate may take the Common Examinations, which include tests in Professional Education and General Education, and one of the thir-

teen Teaching Area Examinations which are designed to evaluate his understanding of the subject matter and methods applicable to the area he may be assigned to teach.

Each candidate will receive an Admission Ticket advising him of the exact location of the center to which he should report, Dr. Wolfe advised. Candidates for the Common Examinations will report at 8:30 a.m. on December 12 and will continue, after lunch, until approximately 3:10 p.m. The Teaching Area Examinations will begin at 3:15 p.m. and should finish at approximately 5:20 p.m., according to the time schedule for these examinations which has been set up by Educational Testing Service.

## Ugly Man Contest

Voting for the Ugly Man On Campus contest, sponsored by Alpha Phi Omega, has been going on this week. Today is the last day anyone can vote for their favorite candidate.

## Sock-Hop Tonight

Tonight in McKloskey there will be a 'Sock-hop' for the residents of McKloskey and Johnson Halls. The entertainment provided will include acts by the residents of the two dorms and a group of unannounced feminine visitors.

Since the dance is a 'Sock-hop' all shoes will be collected at the door and everyone will dance in their socks (laundromat business should boom).

Refreshments will be served. Good luck is wished to everyone in finding their shoes when the dance is through.

The polls for the contest are located in the lobby outside of the snack bar. A vote will be counted for each penny dropped in the box of the contestant.

Proceeds from the Ugly Man Contest will be directed towards the buying of toys for children at a local orphanage.

Candidates for Ugly Man are as follows: Herman Fry, Theta Xi; Bill Trembel, Delta Sigma Phi; Fred Dunning, Third Floor Johnson; Glenn Lamison, Alpha Xi Delta; Greg White, Benzene Ring; and Brian James, Sigma Sigma Sigma.

Winners of the contest will be announced at the Ski Lodge tomorrow night.

EDITORIALS

ONE O'CLOCK DECISIONS: TO CUT OR NOT TO CUT

"Don't tell me there's another one o'clock assembly . . . well, I can't go; I have a class." Such is the cry echoed and heard by many. To have assemblies presented by reknown artists, continually at one o'clock is simply unjust.

Each of us pays our activity fee. But because of the poor system of scheduling programs only a few (who are lucky enough not to have scheduled a one o'clock class) get the full benefits of their fee. Then because these programs generally run longer than an hour, the students who must leave so they will not be late for their next class, are called rude and uncouth.

Constantly there are complaints made by the faculty that the students are uncultured but they do not permit the students to cut a class to hear a famed author speak. This is understandable, since these programs are always at one, the same classes would always be missed.

There is a definite need for a new system and we would like to make the following suggestions to be considered.

1. Perhaps the easiest change would be to alternate the time between Wednesday and Thursday at 1:00, 2:00 or even 3:00. It hardly seems possible that as many students would have classes from 1:00 - 3:00 on both Wednesday and Thursday. Although under this arrangement not all could always attend, at least more than at present would be able to do so.
2. If it were possible to have the program run for two hours, those who could not be able to attend the first part might be able to attend the second half. Doing this along with alternating the days and time would enable a far greater majority to see the programs.
3. Another solution might be to cut aproximately seven minutes of each class thus allotting an hour free time for the programs. A regular schedule could be set up so that the assembly would always be held at the same time.

EDITORIAL—

Two weeks ago the Swingle Singers and those members of the audience who cared were thoroughly embarrassed when the sound system failed to respond to the vocalism of the singers.

At the student government meeting of the same day it was proposed that a committee be organized to investigate the possibilities of obtaining a new sound system for Steele Auditorium. The motion carried unanimously and the committee was appointed by Harry Serene. The committee is now taking action on the problem in conjunction with Mr. Dochinez and Dr. Duda.

*Behold! You who criticize constantly of a lack of action on important problems concerning campus. Action is being taken! Work is being done! Will you continue to complain! Will you now admit that the people who take part in student government do not always sit on their hands and talk?*

There are definitely other problems still existing, but action is being taken on at least one. Steele Auditorium will have a new sound system. However, another problem has now stemmed from the discussion on the auditorium's sound equipment. What is being done about the new gymnasium? Will there also be inadequate equipment used in the construction of this new building? If so, why?

Everyone, including the Commonwealth of Pennsylvania and GSA, supposedly learns from experience. It has now been discovered that since the original equipment in Steele was inadequate the SAA has been burdened with the expense of purchasing a new one. Does the GSA intend to make the same mistake twice? The *Times'* staff sincerely hopes it does not!

Greek Civilization

Sigma Kappa Sorority House

Sigma Kappa

The founding of the Gamma Upsilon Chapter of Sigma Kappa was on Nov. 21, 1959. Since the beginning of the sorority at Colby College, Waterville, Maine, in 1874, its objectives have remained the same: to support the objectives of our college; to unite its members in a bond of friendship and sisterhood; to encourage high standards of achievement scholastically, socially, culturally, and spiritually; and to support civic, social, and philanthropic projects.

Sigma Kappa acquired a house at 415 Second St., in Sept. 1963, and has been busy remodeling the rooms. The sisters have come to know the true meaning of sisterhood by working and sharing together all their many projects and activities.

Sigma Kappa has 45 active members and 10 fall pledges. Several of their future activities include an extended gerontology program, possible mixers with some of the fraternities on campus, a Christmas party, and projects for funds contributed to local and national philanthropies.

Sigma Kappa was awarded "Best Young Chapter" out of their 104 chapters across the country and "100% Initiation" from their national.

On campus the Sig Kap's won the "over-all" trophy for Greek Week, including "outdoor sports", "Greek Sing", and tied for "indoor sports", in the Spring of '64. They were also awarded the Scholarship Trophy.

A Ferry Tale

by Jan Ferry

Beyond the vast wasteland of the main parking lot lies CSC's newest playland. Entrenched firmly in the famous bogs of our campus is a structure destined to become the home of our Olympian athletes.

This structure, costing a total of \$2 million, will house our rifle team, an olympic swimming pool, gym classes and all other athletic activities. One story underground, or rather underwater, are the lockers. These lockers, much to our relief, will accommodate twice the present number of those now in use in Herron Hall.

The gym, lying partially under mire, will seat, with the stands now planned, 3,500 people in comparison to the 1,000 our present gym seats. The gym floor, however, is slightly smaller than the combined size of Gym A and B, the two gyms in Herron it is supposedly replacing.

The combined size of the present gyms is 159' x 112' and the size of the new floor is 152' x 109'. Thus, the new floor is about 21 square feet smaller than the original area.

But, Dear Hearts do not despair, for although you may have to peer over the heads of 3,000 students in order to get a glimpse of the action on the court floor, we are hoping that, with a little bit of luck, the new sound system will be adequate and the voice of the announcer will ring loud and clear above the roar of the spirited and enthusiastic student body.

Due to open in February of 1965 this self contained plaza of steel and concrete dedicated to our merriment and pleasure is equipped to handle almost anything. It houses a power plant of its own that will burst into operation if the present system should fail and, we hope, an efficient heating system. It also contains seven classrooms which will augment or replace the present classrooms in Herron.

So as I leave you to put on my trusty boots and grab my shiney shovel I hope you too will be preparing for this blessed event. And, as the sun is not the only thing that is slowly disappearing into the clear glorious currents of the Mon, I bid you adieu.

Christmas Spirit Shown

The Christmas spirit has again returned to the California Women's dormitories. Many of the dorms are planning to celebrate the season by carrying out the traditional Christmas spiring and party.

Spiring consists of the secret giving of small gifts by one girl to another. It is carried on for several days and its conclusion is celebrated by the "spirits" revealing themselves at their party. At this time the person who has been spirited presents her spirit with a Christmas gift.

North Hall carried on spiring from Dec. 7 through the 10. On Thursday, Dec. 10, their party was held at 10 p.m. in the Women Traveler's Lounge. The girls decorated the lounge and presented a fine program of their talents.

Dixon Hall is celebrating Christmas much the same as North, however, their spiring is from Dec. 7 through the 14. On Monday the 14., at 10 p.m., they will have their party in the women's lounge, and will present an Amateur Night program.

Green Street is planning to hold a party on Dec. 17 in their lobby. The girls will entertain themselves but the beauty of carols played on an electric organ will add much to their Christmas spirit.

As of now the remaining women's dormitories have not decided what they will do in addition to spiring for Christmas, however, whatever their plans will be we're sure it will add much to the college's Yuletide cheer.

## Greeks Slammed

Fewer than 20 percent of American colleges and universities with social fraternities on campus have "urged or required" elimination of discriminatory fraternity practices, according to the current issue of RIGHTS, published by the Anti-Defamation League of B'nai B'rith.

The publication summarizes a study of university policy on fraternity discrimination made by the Illinois Commission on Human Rights in Higher Education, with the cooperation of the Anti-Defamation League.

Official college action is needed, the study indicates, if educational institutions are "to support society's ongoing efforts to end discrimination based on race, relation and national origin."

Elimination by the fraternities themselves of restrictive clauses from their by-laws has had little effect on membership practices, the study reveals. It points out that although there remain today only two out of 61 national fraternities that retain restrictive clauses in their constitutions, this has failed "to produce significant racial and religious integration" in their membership.

The Illinois study polled the 365 colleges and universities throughout the country that have fraternities or sororities on campus. Of these, 252, or 69 percent, replied.

Although most schools acknowledged their educational responsibility "in every phase of student activity," the commitments to formal policies against fraternity discrimination differed markedly. Positions varied from officially outlawing restrictive clauses and practices—to working toward that and through "education and evolution" rather than by "fiat or coercion."

Only 130, or 51.6 percent, of the responding institutions had policies affirming non-discrimination in fraternities. Of these, only 71 went beyond the question of discriminatory clauses in fraternity by-laws and "urged or required the elimination of discriminatory practices."

The study data also revealed: —a direct relationship between the level of education offered by the school and its formal stand on fraternity rules. Formal policies have been adopted by 62.7 percent of the colleges offering a doctorate degree; 56.5 percent of those granting a master's degree; and 33.3 percent of those giving only a bachelor's degree. —that the size of the student body is an important factor in the adoption of affirmative college policies. Only 32.6 percent of responding schools with less than 1,000 students have such a policy, as compared with 80 percent of those with more than 10,000 enrollment.

—that approximately the same proportion of publicly-controlled and privately-controlled schools have adopted policy positions; but that church related schools show a considerable lag.

The Illinois Committee on Human Rights in Higher Education, founded in 1951, and composed of educators in that state's colleges and universities, was organized to help eliminate racial and religious discrimination in every phase of university life. Spokesmen for the Committee make clear that it is not interested in either defending or attacking the social fraternity system but in stimulating "reflective, cooperative, modernization of intergroup relationships on American campuses."

### Alpha Kappa Lambda

Alpha Kappa Lambda wishes to announce its Fall pledge class: Rob Snyder, President; Joseph Virtus, Vice President; Sal Diliberto; Tim McBride; Phil Disclafani; and Sheridan Bingner.

AKL is the recent winner of the Greek football championship.

### Alpha Xi Delta

Alpha Xi Delta was visited this week by their Third National Vice President. During this time eleven new girls were initiated into the Sisterhood and a Parent's Tea was held at St. Thomas Aquinas Hall.

### Delta Zeta

Delta Zeta Sorority held their Fall Initiation on December 6, 1964. The following eleven girls were initiated into the sorority: Paula Belch, Alexis Ciferno, Jeanne Gallagher, Gerry Grago, Barbara Horak, Connie Manes, Sandy Riggar, Betty Rozycki, Mary Ann Sepsi, Germaine Stublarac, and Gloria Vanko. The new initiates then held a beatnik party for the big and little sisters on the following evening.

Delta Zeta chapter Zeta Epsilon was visited by the National Traveling Secretary.

### Sigma Tau Gamma

The brothers of Sigma Tau Gamma would like to announce that they have been awarded the Scholastic Scholarship Award for the third consecutive semester.

The Fall pledge class of Sigma Tau Gamma includes: Joe Martin,

president; Larry Andria, treasurer; Mike Tsongaris, secretary, Paul Pollock, Paul Werlink, Jim Garcia, Carl Buthevich, Rich Zizek, Jim Brady, Rich Kotarsky, Lee Beten, Chuck Felony, Wayne Shumaker, Mike Mitch, Chuck Lauderbaugh, Rich Carmen, Jim Buck, Jim Sultzer, Mark Harbough, Denny Carroll, Larry Brdeun, Rich Lazzari, Bob Zondarak, and Bob Haramia.

### Tau Kappa Epsilon

Tau Kappa Epsilon is proud to announce its Fall pledge class: Paul Cucek, Chuck Domba, Jerry Dunn, Dave Grunich, Joe Media, Vince Morich, Stan Myslevich, Henry Shelaheda, and Rod Wentling.

The weekend of Nov. 21 and 22 Dick Maddas, John Paralac, Jack Haywood, John Zavage, and Gordon Longstreet attended a leadership training conference for Tekes at the chapter house at Kent State University, Kent, Ohio.

### Zeta Tau Alpha

The Sisters of Zeta Tau Alpha were recently visited by their national second vice-president.

The pledge class will hold its Big and Little Sister party on Dec. 14, which will include the exchange of sorority paddles and pillows. The Zetas will also go Christmas caroling in the California area on December 15.

### Panhellenic

The Panhellenic Council of California State College, the governing body of all its member sorori-

ties, has undertaken its annual Christmas project and has combined its efforts with Interfraternity Council to conduct a Library Fund Drive for the California Public Library.

The Christmas project, headed by Diane Woolslayer, consists of the collection of canned and dried goods to be distributed on December 16 to the needy families of California.

In the Library Fund Drive, small gift packets for women were offered at the donation of twenty-five cents apiece and all of the profits were turned over to the California Public Library Fund.

These are only two of the philanthropies which will be conducted by the Panhellenic Council during this school year.

In the last issue of the California Times there were several errors made concerning the recipients of Scholarship Awards.

The article should have read thusly:

For the spring trimester of 1964-65, the recipients of the Panhellenic Scholarship Awards include: First Place Award with an overall Quality-Point Average of 2.76 to Sigma Kappa; and Second Place Award with an over-all Quality-Point Average of 2.72 to Alpha Xi Delta.

Also presently Freda Riedel is serving as the Corresponding Secretary of Panhellenic Council; and, Jo Ann Wingrove is serving as the Recording Secretary.

### Kappa Delta Pi

On December 10, 1964, the Epsilon Delta Chapter of Kappa Delta Pi, National Honor Society in Education, held its regular meet-

(continued on page 5)

## CAMPUS LUB CORNER

### Sci-Q

The officers of Sci-Q were elected on November 11, 1964; President, Dennis Spinelli; Vice-President, Judy Zekkey; Treasurer, Jim O'Neal; Secretary, Dolores Lubozynski; Representative to Congress, John Griffith; Alternate Representative to Congress, Bonnie Swagler; Social Chairman, Chris Ball; Publicity, Lee Havrilesko.

### Geography Club

Dr. Jack Willmow will contrast East Berlin and West Berlin with slides and a lecture on December 7, at 12:15 in Old Science 302. All are welcome to attend.

### P. S. E. A.

Thursday, December 3, the California State College Chapter of the P.S.E.A. held a meeting in the Colonial Room at 7:30 p.m. Two student teachers spoke of the problems they encountered on their first days of teaching a class. Their next meeting will be held on Thursday, December 10, at which time elections will be held.

### Children's Theatre

The first meeting of The Children's Theatre of California State College was held last week. Officers for the semester are as follows: President, Richard Anderson; Vice President, John Figola; Secretary, Lee Havrilesko; Treasurer, Bobbi Gasper; and Representative to Congress, Donna Yakin. Meetings for the fall semester are to be held every other Thursday in Steele Lounge from 3:30 to 4:00 p.m.

# Geography Professors Lecture

Recently, Professor Jack Villmow addressed the local chapter of the Phi Sigma Pi. Showing a film entitled "Thirty Days in the Soviet Union."

Professor Villmow illustrated his major impressions of a 10,000 mile trip through seven of the 15 republics of the Soviet Union. His trip was made in 1960.

On Dec. 7, Professor Villmow presented slides to the Geography Club displaying the nature of several air access routes to Berlin, Germany, showing his impression, concern, and contrasts between West and East Berlin.

This film was based upon his 3 visits to Berlin at 2 year intervals; one of these visits was sponsored by a research organization by which he was able to examine the nature of both sides of the boundary.

During the Thanksgiving vacation, Professor William Rampon and Dave Kerns attended the annual meeting of the National Council for Geography education in Minneapolis, Minn.

Professor Ralph Brown made an address at Harpur College, on Nov. 18, to the Broome County Social Planning Committee, the organization that sets policy for all United Fund Agencies in that county.

Also attending the meeting were representatives of Social Planning Councils from other parts of New York State and the New York City area.

Dr. Brown was invited to make the major address at this meeting because of his work done in attempting to determine vocational factors responsible for concentration of unproductive people in the open country.

He studied in detail certain areas in Broome County. The program included luncheon and was followed by cocktails and a dinner.

As a result of the meeting he attended at Harpur College, Dr. Brown has received a number of inquiries and requests regarding his studies.

# Good Morning!

Only 15 more days till Christmas Recess.

All the autumn leaves have finally fallen.

Tuesday and Wednesday night "Amahl and the Night Visitors" will be presented.

The Peace Corps Representative will be in the Alumni Lounge Monday thru Friday.

Wrestling match with Slippery Rock Tuesday,

Two basketball games next week: Marietta and Millersville on Thursday and Friday.

Good luck to all those taking the National Teachers Exam tomorrow.

Ski-Lodge tomorrow evening.

After Christmas, there are only 24 more days left until the end of the semester.

Pre-scheduling was terrible as usual.

In case you didn't notice the California Times went to six pages this week.

College Players are making preparations for the One Acts.

The following has been released by President Duda's office:

On Wednesday, December 9, Mr. Lars Carlson of Putney, Vermont spoke to the student body in Steele Auditorium. His topic concerned a group experiment in International Living.

He explained that groups of young people from all over the world are brought to the United States for one summer. They spend part of their time studying at a U.S. college.

Next summer California will participate in this plan. Several of the "experimenters" will be on campus for two weeks. As yet it is not known how many will be here or where they will be from. However, they will attend classes, live in the dormitories, and become better acquainted with our way of life.

# Art Exhibit

The current painting, ceramic and metalcraft exhibit in J. Albert Reed Library is by Walter J. Kipp, assistant professor of fine art. The exhibit will be on display from Dec. 1, to Dec. 18.

Mr. Kipp is an Indiana State College graduate, where he received his B.S. in Art Education. He has had one year of graduate work at Carnegie Institute of Technology and received a Master of Education degree from the University of Pittsburgh.

He has exhibited in the following: Associated Artists of Pittsburgh Carnegie Museum Butler Art Institute Wichita Art Association, Kansas Metropolitan Museum, Rochester, New York

He received a National Scholarship at Handy and Harman School for American Craftsmen, Rochester, New York

He received the following prizes:

Associated Artists of Pittsburgh Craftsmen's Guild of Pittsburgh

# Snyder To Speak

The California Council of International Reading Association will meet on Monday, at 8 p.m. in the Faculty Lounge of California State College with Dr. Harry Miller, CSC Professor of Education, council president, presiding.

On the program for the evening will be Sam Snyder, reading consultant for Lyons and Carnahan Publishing Co.

Mr. Snyder, well known to the teachers of this area through his many contacts with the schools, brings his unique combination of years of experience in classroom teaching with a keen knowledge and interest in the area of reading to his topic—"The Complete Reading Lesson."

Area Teachers, administrators, and others interested in affiliating with a national group devoted solely to the improvement of reading instruction are invited to attend.

# Keepsake

True artistry is expressed in the brilliant fashion styling of every Keepsake diamond engagement ring. Each setting is a masterpiece of design, reflecting the full brilliance and beauty of the center diamond . . . a perfect gem of flawless clarity, fine color and meticulous modern cut.

The name, Keepsake, in the ring and on the tag is your assurance of fine quality and lasting satisfaction. Your very personal Keepsake diamond ring is awaiting your selection at your Keepsake Jeweler's store. Find him in the yellow pages. Prices from \$100 to \$2500. Rings enlarged to show beauty of detail. ®Trade-mark registered.

### HOW TO PLAN YOUR ENGAGEMENT AND WEDDING

Please send two new booklets, "How to Plan Your Engagement and Wedding" and "Choosing Your Diamond Rings," both for only 25c. Also send special offer of beautiful 44 page Bride's Book.

# Pegasus Moves Ahead

The members of the Pegasus staff, under the direction of Vernon Bloemker, have begun the long and tedious task of publishing this year's Pegasus. All the help that can be secured will be appreciated.

Pegasus is printed with the intention of presenting writing done by you, the students of C.S.C.

If you think you have written fiction, poetry, or expository prose which merits publication, please submit it.

This writing can be placed in the Pegasus mailbox in South Hall, near the mail room.

Photography, art work, and cover art will also be necessary; if you can help in any of these fields, you can contact Mr. Bloemker or Art Waugh, this year's editor of Pegasus.

All written material must be submitted by Jan. 4, 1965. No material will be accepted after this date.

Pegasus will come out sometime during the middle of February.

This is your chance to have your writing, if it is good enough, read by nearly 4,000 students. Make the best of it!

## Biology Program

The revised program in biology, effective October 1964, has many changes. No longer will the Botany I and II, Zoology I and II method be used. Instead, all science majors are required to complete the following courses: General Biology I and II, Inorganic Chemistry I and II, College Physics I and II, Analytic Geometry and Calculus I, Radiation Biology and Health, Individual Work I and II (in area of specialization), and Seminar (in specialization) for a total of thirty-three credits.

In addition, biology majors must complete Organic Chemistry I and II, and acquire sixteen credits in biology electives. Two new electives, General Embryology and Animal History, are to be added to the already present biology electives.

This new biology program is the most difficult in the United States. It should provide a challenge for students, and enhance California College as an institution of higher learning.

According to Dean Walker, a total of 2,900 parking stickers have been issued this trimester. They were issued as follows:

student parking stickers — 2300  
graduate parking stickers — 200  
faculty staff — 400

He added that the number of violations as compared to the number of stickers issued is quite low. Two weeks ago there was a total of only 11 violations for the week.

## Musical Contest Slated

The Fourth Annual Intercollegiate Music Competition, sponsored by the Student Union of Lycoming College will be held at Lycoming in Williamsport, Pennsylvania, on March 25 and 26, 1965. This annual affair provides an opportunity for college vocal and instrumental groups to compete for cash awards totaling \$800.00, as well as trophies, and other prizes.

The Grand Prize winner for 1964 was The Only Two, a folk group from Dartmouth College. Other winners were The Rum Runners from Lehigh University and The City Folk from Bucknell University. These winners, in addition to other first place winners in previous years will not be eligible to compete in the 1965 I.M.C.

Instrumental groups of less than full orchestra size will compete on one evening. Prizes of \$250.00, \$100.00, and \$50.00 will be awarded for these winning groups. Any style of music is permitted, except "rock and roll".

Vocal groups, both folk and popular, will compete on the second night for identical prizes.

Two previous winners in the I.M.C. are now professional groups. The Tradewinds were the grand prize winners of the First I.M.C. in 1962. The City Folk won in the 1963 and 1964 I.M.C. and have been seen on television this past summer.

For further information on the 1965 I.M.C., groups may write to I.M.C., Box 39, Lycoming College, Williamsport, Pennsylvania.

## Looking Back At Old CSC

By Joyce Goodwin  
1933

California, in comparison with other State Teachers Colleges, rated first in having its full quota of students according to figures supplied by Dr. Kriner. The enrollment was 628 full-time students and 126 part-time students.

1935

The Girl's Rifle Club, a sub-organization of W.A.A. (now WRA) was organized.

1941

In a poll made of two hundred students concerning the top tunes of the week, the results were as follows: No. 1—Piano Concerto in B-Flat Minor; No. 2—Chattanooga Choo-Choo; No. 3—This Love of Mine; No. 4—Why Don't We Do This More Often? and No. 5—Yours.

1959

The California colony of Sigma Tau Gamma became the 59th chartered chapter of the fraternity in the United States and the second national fraternity on campus.

### TRIMESTER—

#### Christmas and New Year Recess Schedule

The classes will terminate at the end of the session on Saturday, December 19. The dormitories will be reopened at 3:00 p.m. on Sunday, January 3, 1965. The dining room will be reopened for breakfast on Monday, January 4, 1965 at 7:00 a.m.

The offices of the college will be closed from 4:30 p.m. on Tuesday, December 22 to 8:00 a.m. on Monday, December 28. They will be closed again at 4:30 p.m. on Wednesday, December 30 to Monday, January 4, 1965 at 8:00 a.m.

#### Winter Commencement

Saturday, January 23, 1965

The Winter Commencement is scheduled on Saturday, January 23, 1965 at 2:00 p.m. in the Steele Auditorium. (Specific instructions to the faculty concerning the commencement will be issued by the Dean of Faculty and Academic Affairs.)

#### Fall Trimester Closing

The Fall Trimester will close at the end of classes, tests, etc., on Thursday, January 28, 1965. The dormitories and dining room will be closed after dinner on Thursday, January 28 at 7:00 p.m. (Specific instructions regarding the close of the Fall Trimester will be issued by the Dean of Faculty and Academic Affairs.)

#### Spring Trimester Opening

The dormitories will be opened to students at 3:00 p.m. on Sunday, February 7, 1965. The dining room will be opened for breakfast on Monday, February 8, 1965 at 7:00 a.m.

Registration for the Spring Trimester will be scheduled on Monday, Tuesday and Wednesday, February 8, 9 and 10. (Dr. Kemper will provide the instructions covering the registration.)

Classes will begin on Thursday, February 11 at 8:00 a.m.

## Vietnam Crisis

The International Student Conference has launched a massive appeal to students throughout the world to assist the flood victims in Central Vietnam.

The ISC Secretariat has pledged \$500 as a first contribution to the Vietnamese Flood Disaster Fund, and has appealed to all National Unions to raise money for the Fund, as well as blankets, food and medical supplies to be given to local agencies of the Red Cross, where possible. The ISC has received cables from the National Union of South Vietnam and the students of Saigon University, urgently requesting aid for the flood victims and strongly condemning the Vietcong rebels for attempting to prevent humanitarian rescue operations. The ISC has asked all National Unions of Students, regardless of their political beliefs, to condemn in the strongest terms the inhuman acts of the Vietcong for preventing relief from reaching millions of Vietnamese flood victims.

## The Greeks Speak

(continued from page 3)

ing in the Faculty Lounge at 7:30 p.m. The guest speaker for the meeting was Dr. Miller, Head of the Elementary Education Department. It has become traditional for this organization to have some sort of Education Program with each of its meetings. All students are invited to attend these sessions.

The officers of Kappa Delta Pi for this fall trimester include: Melinda Csensich, president; Elaine Hughes, vice-president; Fran Knepper, historian; and secretary, Philomena Ionneta. Mrs. Cora B. Coover and Nellie Baliker serve as the sponsors.

# WITCHEY MEN WIN 2, LOSE 1

## VARSITY VIEWS

by Art Bochner

After three games, Coach Miles Witchey's cagers show a 2-1 record in competition. They are 1-0 in conference competition.

The season opened at home last Tuesday, with California defeating Waynesburg 106-88. If anything, to the average student, it was an insignificant game.

On the contrary however, many new phases of winning basketball were in evidence. For years now California has been indifferent toward its basketball team, perhaps because we haven't had a winner in recent years.

The team showed enormous spirit against Waynesburg. They really want to win. They played like a team and cheered like a team. If anything is essential to winning it is spirit and teamwork. It appears this team has both.

One pleasant surprise for Vulcan followers was the play of Jim "Mouse" Chacko. Unknown to most fans Chacko is a transfer from Arizona State.

He started the game against Waynesburg and was held to just four points in the first half.

However, with the Vulcans leading by just four points at the outset of the second half, Jim caught fire and sank four quick field goals in his exciting, driving style. A few of them were three point plays and the Vulcans went out in front by 15 points. Chacko finished the game with 18 points.

Individual honors go out to Frank Pilsitz. Thus far in the young season Pilsitz has scored 54 points for an average of 18 p.p.g. Next is Jim Chacko and Jim Vandermer each with 48 points and a 16 p.p.g. average. Skip Kughn has scored 38 points for a 12.6 p.p.g. average and his defensive play has again been superior.

This department wishes to apologize for the lack of news coverage on wrestling matches. Due to a slip up in the department we lacked a reporter assigned to wrestling.

We do however wish to congratulate Paul Ross and the entire wrestling staff for their victories over Frostburg and Edinboro State Colleges. The scores of the matches were 32-0 and 28-5 showing that we have quite a team this year and the vision of a possible championship.

**MISCELLANEOUS:** Frank Pilsitz's 23 rebounds in the Lock Haven game was a new California State Record . . . Congratulations to Alpha Kappa Lambda fraternity for their fine spirit in defeating Tau Kappa Epsilon, 20-6, to capture the Intramural Football Championship . . . Also congratulations to Ron Bradley who made the All Conference All Star team for the second time. This appears to be the only bright spot in an otherwise dismal season.

## PSCAC Notes

### INTRAMURAL BASKETBALL

Monday, Nov. 30, saw the beginning of the 1964-'65 basketball intramural league. This year's league consists of three divisions (town, travel, and fraternity) which amounts to 28 teams which play 108 games. Trophies will be awarded to the winners in all three leagues.

Under the direction of Ted Nemeth, our intramural program has been expanding.

An average of 280 men have participated in basketball over the past three seasons with an average total of 975 students participating in all intramural sports.

This is high percentage of the male student body and it should increase in future years.

There has been some interest expressed in the formation of a Ski Club at California State College. Mr. Dochinez, Director of Student Activities, has requested that those students interested in participating in the formation of such an organization report to the S.A.A. Office and register. It is planned that those interested would ski at Seven Springs near Somerset, Pennsylvania. Special rates would be provided for the Students of California State College. It is proposed that groups would leave the campus on Friday evening or Saturday morning for week-end ski-ing. A similar program has been established at West Virginia University and has been extremely successful.

## Annual Sports Day Held

Women's Recreation Association's annual Sports Day was held recently.

At that time this group sponsored an intercollegiate volleyball tournament. Ten colleges participated in this round-robin tournament in which each school had a chance to play each of the other schools.

The colleges represented were the University of West Virginia, Carnegie Tech, Duquesne, Chat-ham, Geneva, Indiana, Waynesburg, West Liberty, Frostburg (Md.), and California.

The theme was on a national basis.

The activities were arranged by W.R.A. President, Karen Scarpari, the Sports Day co-chairmen, Lois Wilson and Pat Foley and also their committees.

The outcome of the tournament showed California State College as champions and Frostburg, Md. taking second place.

The day was enjoyed by all who attended and participated in C.S.C.'s volleyball tournament.

After the holidays W.R.A. will hold recreational swimming in the pool, intramural basketball in Gym A and individual recreational activities in Gym B. These individual recreational activities include archery, badminton, trampolining, table tennis, etc. All college women are invited to take part on Wednesday evenings from 7 to 9 p.m. in Herron Hall.

## Conference Basketball Standing

### EASTERN SECTION

	W	L	Rtg.
Cheyney (2-0)	2	0	225
Shippensburg (1-1)	1	1	200
Bloomsburg (1-)	1	1	200
West Chester (1-1)	1	1	200
Kutztown (2-1)	1	1	200
Mansfield (1-1)	1	1	200
Millersville (1-1)	0	1	100
E. Stroudsburg (0-1)	0	1	100

### WESTERN SECTION

	W	L	Rtg.
California (2-1)	1	0	200
Lock Haven (1-1)	0	1	100
Slippery Rock (2-0)	0	0	0
Clarion (1-0)	0	0	0
Indiana (1-1)	0	0	0
Edinboro (1-1)	0	0	0

## California Cagers Beat Waynesburg

Scoring 59 points in the second half, California State launched its 1964-65 basketball season with an impressive 106-88 triumph over Waynesburg College in Herron Hall.

Jim Vandermer sparked the Vulcans with 25 points on 10 baskets and five charity tosses. Jim Chacko followed in the California scoring with 18 points while Skip Kughn hit 12 and Frank Pilsitz 10. Dave Bailey led the Yellow Jackets with 22 points while Bill Stohl had 21.

### California 106

Simmons	1	1	3
Vandermer	10	5	25
Kughn	5	2	12

Chacko	7	4
Carr	1	1
Barnett	4	0
Pilsitz	4	2
Kachmarik	1	0
Kotarsky	2	3
Hayward	2	1
Hobart	3	1
Kroner	3	0

### Waynesburg 88

Bailey	9	4
Stohl	9	3
Girardin	2	1
Leshor	1	2
Kelley	5	4
Theofiledes	2	1
Fleishaver	1	0
Cunningham	1	0
Marshall	4	2

## Vulcans Defeated By St. Vincent

Failing to hold a five point lead at halftime, California lost a 73-59 verdict at the hands of St. Vincent College.

Coach Miles Witchey's Vulcans gave a good account of themselves however, and the score is no indication of the closeness of the contest.

Jim Vandermer again paced the Vulcans with 13 points, while Skip Kughn scored 10 and Frank Pilsitz 9 points apiece.

### St. Vincent 73

	F.G.	F.T.	T.
Sweder	3	3	9
Tomasic	0	0	0
Hobart	4	3	11

Gentile	3	2
Ragan	1	0
Pranaitis	5	6
Antkowiak	4	3
Conley	5	4
Lenart	1	0

### California 59

	F.G.	F.T.	T.
Simmons	2	2	6
Vandermer	5	3	13
Kughn	4	2	10
Kotarsky	2	3	7
Chacko	1	2	4
Hobart	1	0	2
Barnett	2	0	4
Pilsitz	3	3	9
Kroner	1	0	2
Kachmarik	0	2	2

## First League Game Won By California

Down 10-0 before they even scored a point, the Vulcans made a quick recovery to defeat Lock Haven 101-98 in an overtime period.

The victory made California's record 2-1 with the big clash against Indiana coming up Tuesday. Frank Pilsitz led all scorers with 35 points and 23 rebounds. Ken Saupp scored 30 for the Bald Eagles.

### California

	F.G.	F.T.	T.
Simmons	1	1	3
Vandermer	4	2	10
Kughn	5	3	13

Chacko	7	12	26
Hobart	0	0	0
Barnett	0	2	2
Pilsitz	15	5	35
Kroner	0	2	2
Kachmarik	2	4	8
Gladney	1	0	2

### Lock Haven

	F.G.	F.T.	T.
Fry	3	0	6
Myers	6	12	24
Saupp	14	2	30
Pascale	2	2	6
