Freshmen Appoint Committee Heads

At its first formal meeting, on Friday, October 22, the Freshman Class elected two Student Council representatives. Two of the candidates, Dick Klingensmith and Virginia Smith, were nominated by the class officers, while three others, Eugene Schaffer, Arthur Woodard, and Dorothy Tucker, were nominated from the floor. Elected were Eugene Schaffer and Dorothy Tucker.

Following the election, the chairmen of the Freshman Dance committees were announced. Ronald Coleman was appointed chairman of the Social Committee; Gerald McCartney, the Decorating Committee; Jean Portz, the Invitation and Advertising Committee; Marjorie Race, the Business Committee.

After a discussion concerning class dues, a motion was passed setting the class dues at two dollars per freshman for the school year. The payment of this sum entitles each freshman to a ticket to the Dance on November 20.

Mr. Mackey Leaves For New Position

Last week Dr. Van Houten announced the resignation of Mr. Brentford R. Mackey, who, in the words of the President, "has rendered valuable service here since the fall of 1946." In making public the popular instructor's leaving, Dr. Van Houten expressed his personal regret and also that of faculty members and students.

Mr. Mackey left last Saturday, October 30, to accept a position as a civilian instructor of electrical engineering at the Naval Training School, Newport, Rhode Island. Having done the same type of work during the recent war, he is well qualified to undertake this responsibility.

Mr. Mackey came to E.S.T.C., in '46, with the returning veterans and the first Penn State assignees. He has been teaching mechanical drawing, descriptive geometry, and, occasionally, first year physics.

Mr. Mackey stated that he has enjoyed his stay at E.S.T.C. and that he and Mrs. Mackey will miss "the pleasant associations formed here at Edinboro."

Off-Campus Women Choose Officers

The Off-Campus Women, under the direction of Mrs. Miller, recently elected the following officers: President, Clea Johnson; Vice-President, Esther Beck; Secretary, Doris Zindel; Treasurer, Mary Sweeney; Social Chairman, Kris Krings; and Student Council Representative, Ruth Belt.

At the third meeting of this organization, held last Friday, a committee, headed by Kris Krings, Social Chairman, volunteered to plan a social function, to be held in the near future. Other members of this committee are Barbara Spiesman, Carolyn Barrett, Ruth Brown, and Jeanne Pfister.

Members are requested to drop their snapshots into the boxes provided for that purpose in Haven Hall and Normal Hall.

Phi Sigs To Hold Open Skating Party

A skating party, sponsored by Phi Sigma Pi, will be held at Lake Le Bouef, Waterford, this Friday evening. Free skates and transportation will be provided. The buses will leave from the rear of Haven Hall at 7:00 and will return at 11:00.

Tickets may be purchased from any Phi Sig, or from a representative in the parlor of Haven Hall, for seventy-five cents. And here is an item of interest to the girls: Mrs. Miller has announced that late permission will not be necessary!

Vitale President Of Newman Club

The Newman Club, having reorganized, now boasts of approximately one hundred members. Succeeding last year's president, Angelo Juliano, is Angeline Vitale. To aid her, Leonard Lucia has been elected vice-president; Kris Krings, secretary; and Gene Latini, treasurer.

The Club will meet this evening at 7:30 in Normal Hall. Following the business session, there will be a social hour.

On the agenda for Sunday, November 14, is a Communion Breakfast, to be held at the Ye Olde Robinson House.

STUDENT COUNCIL TO MEET WEEKLY

Several important items were cleared up at the Student Council meeting last Thursday.

Dr. Johnson presented the Financial Report, which was received and filed by the Council. The members then elected Jack Greenawalt to the office of vice president, while Dona Flower, Nancy Coates, and Bob Rosequist were named as the committee in charge of the "Rec" Room. A juke box has been ordered for this room and should be here very soon.

It was also moved and carried that the Council meet every Thursday, rather than every other week.

Student Teachers Assigned To Posts

Forty-five seniors are now doing their student teaching. Twenty-six of these are at the Training School, working under the direction of Miss Whitney, Supervisor of Student Teaching.

Those in elementary education include: Katherine Bartoo, Music 5, arithmetic, history; Dorothy Davies, English 3, science, health; Helen De Flavio, Reading 1; Irene Kellogg, Reading 1; Dale Milligan, Geography 5, English; Alice Mills-paw, Spelling 6, English, geography; Mary Alice Noxon, Arithmetic 6, history, health; Mrs. Helen Porter, Arithmetic 4, health; Virginia Ransom, Spelling 4, arithmetic, reading, science; and Jean Webster, Reading 3, music, and spelling.

In secondary education are: Charles Bennett, general science, History II; Lee Davis, chemistry, Algebra II; James Fordenbacher, History II, biology; Jeanne Fuller, Algebra I, chemistry; Raymond Goodwill, Algebra I, physics; Betty Gross, Math 12, English 10; Anna Johnson, English 12, History 7; Angelo Juliano, English 8, P. O. D.; Jeanne Kennedy, P. O. D., English 10; Benjamin Knopp, Geography 7, biology; Edwin Kwiatkowski, English 11, History 7; Dorothy Peplinski, English 8, Civics 9; Adrian Sorenson, History

Mu Kappa Gamma Honors Twelve

Mu Kappa Gamma, honorary music fraternity, recently held initiation ceremonies for twelve new members, persons who have contributed "in an outstanding way to the musical life of the college." Those so honored were Bill Buchanan, Audregene Nicely, Norma Lalley, Virginia Batchelor, Marjorie Boney, Mary Lou Handley, Katherine Kenney, Winnie Kisthart, Ross Steadman, Jeanne Kennedy, Helen De Flavio, and Cynthia Lane.

Under the direction of Mrs. Campbell, club advisor, the initiates have undertaken the writing of a new theme song for the fraternity.

11 Campus Leaders Win Distinction

Eleven outstanding Edinboro students will be included in the 1948-49 edition of "Who's Who Among Students in American Universities and Colleges," according to a recent announcement from the officers of that publication.

Edinboro students who will receive the "Certificate of Merit," an official statement of the award from the publication, are:

Katherine Bartoo — Band, Choir, Ensemble, Mu Kappa Gamma, Dean's List, and hockey.

Barbara Buckley — Delta Phi Delta, ScaRAB, Dean's List, Haven House Council, class officer, and hockey.

Dewey Davis — Phi Sigma Pi, Dean's List, and wrestling.

Marion Eades — Choir, ScaRAB, Dramatics Club, Spectator, Alpha Delta, Delta Phi Delta, Dean's List, and Editor of '49 Conneautteean.

Margaret Gilbody — Delta Phi Delta, Haven House Council, Phi leader, W.A.A. president, Dean's List, and hockey.

Raymond Goodwill — Band, Forum Club, Mu Kappa Gamma, Phi Sigma Pi, and Dean's List.

Betty Gross — Y.W.C.A., Forum Club, Dramatics Club, and Dean's List.

Anna Johnson — Forum Club, Dramatics Club, Y.W.C.A., Choir, Alpha Delta, Dean's List, class officer, and hockey.

Clea Johnson — Mu Kappa Gamma, Alpha Delta, Choir, Ensemble, Dean's List, hockey, and swimming.

Leroy Peck — Forum Club, Phi Sigma Pi, Choir, Men's Ensemble, Mixed Ensemble, and Dean's List.

Jean Webster — Choir, Ensemble, Alpha Delta, Mu Kappa Gamma, Dean's List, and swimming.

Inclusion in the periodical is generally recognized as an outstanding honor for college students. Selection is based on service to the school, leadership, extra-curricular activities, scholastic achievement, character, and potential usefulness to society.

Selection of Edinboro students for inclusion in the collegiate Who's Who was made by a faculty committee appointed by Dr. Van Houten. The quota for each school is restricted to 11% of the total number in the junior and senior classes.

Dick Schlessinger Progressing Well

Mr. Schlessinger, science instructor, says that he is glad to be able to report that his son, Richard, is "progressing beautifully," following a double kidney-stone operation on October 20. He was released from the hospital last Thursday.

Thirteen-year-old Richard received serious injuries when he was struck by a truck while alighting from a school bus last December 19. Since that time, faculty members and students alike have been keenly interested in Dick's welfare. News of his gradual recovery — marked by a series of operations, temporary relapses, and periods of improvement — will be welcome to all.

News Briefs

Dr. Van Houten has announced the resignation of Miss Mary Portz, who has been his secretary for the past three years. A resident of Erie, Miss Portz found daily commuting to be somewhat strenuous.

Mrs. Miller, Dean of Women, has announced a Sunday afternoon record concert, to be held in the Haven Hall parlors this coming Sunday from 2 to 4 p. m. The music will be semi-classical; everyone is invited.

The square dance which was originally scheduled for Saturday, November 13, has been changed to Friday, November 12, at 7:30 p. m.

Members of the contemporary world history class, taught by Mr. Neel, will participate in a Forum Club program on the evening of Wednesday, November 17. The program will feature talks by members of the class, to be followed by a general discussion.

There will be a meeting of the Conneautteean staff in N. H. 6 at 7:00 tomorrow night. Anyone who is interested in working on the yearbook is invited to attend. Sophomores, particularly, are requested to join the staff in order to get some experience for next year's annual.

Maria Jane Eades, a senior at North East High School and sister of Marion Eades, was chosen Grape Queen at North East. She presented Governor Dewey with a basket of grapes during the Governor's recent visit to Erie.

Mrs. Miller has announced that the "Rec" Room will be open this Saturday evening from 8:30 until 11:30 P. M.

The Brighter Side

About this time of year, a certain amount of worry grows in the minds of some of the students about their quarter grades. If you are overly anxious about your marks, here are some consoling facts which Mr. Mallory, Acting Dean of Instruction, recently pointed out.

First, grades issued at the quarter are not permanent; that is, they are not entered on any permanent record in the office. Instead, they are merely indications of an apparent trend.

Secondly, as a general rule, the grading system in college differs from that of the average high school in that good work is shown by a "C". For one to get a "B", he must do superior work; and if he is to achieve an "A", the student's work must be exceptional.

The lower grades are given as a warning that something is wrong. In such cases it is a good idea for the student to see the instructor to ask him just what can be done in the way of improvement. Any instructor on campus will go out of his way to help one solve academic problems.

In general, the attitude to take is that any mark shown at the quarter is only a "Scrooge's Ghost" of what is possible. The rest is left up to you.

Future Citizens, Edinboro Style

As the important significance of the national election hangs over us, it is interesting to take a closer view of the actual potential voter as we see him ambling about the campus of E. S. T. C.

Is he interested in the issues on which balances either war or peace? Is he aware of our problem of taxation to maintain peace or taxation to fight a war? Does he care about the countless millions whose very existence depends upon the policy of the American Government? Of course he is interested — any informed person is interested.

Now, let's take a look at the statistics as we have them at hand. In the Forum Club straw vote here on campus, out of approximately 850 students, faculty members, and State employees, only 610 were registered. That is 70%. Out of the 610 registered voters, only 364 actually voted. That is 60% of the registered voters but only 43% of the college population.

It is not an encouraging picture to find that the supposedly intellectual leaders of tomorrow's America are not interested enough to vote. It seems to us that college students should be the first to help maintain our democratic form of government. After all, democracies are based on the idea that the people themselves will help chart their country's course.

Letter to the Editor

Homecoming at Edinboro was again a glorious affair, clouded only by the defeat of our hard-fighting football team. The initiation of the float contest and the winning of it brought about a very strong revival of the school spirit which seems to have been lacking for the past few years. But the CROWNING event of the whole day was the dance held by the "E" Club in Crawford Gymnasium.

The soft music vibrating against the streamers, the crowning of Clea Johnson as the "E" Club Queen, and the marvelous decorations all made for a glorious evening. BUT have you congratulated any of the boys who were responsible for the affair? It may be enough to say to your roommate

that you had a nice time, but how about telling the fellows who were responsible for it?

Sam Nan, president of the "E" Club, asked me time and time again how I thought everyone was enjoying himself. I spoke for myself when I said that it was the best I have ever seen the gymnasium decorated; but I think I speak for everyone when I say, "Thanks, Sam and the rest of the club members and sponsors, for a swell night that we will not soon forget. Your work has not been in vain, but has rather set a goal that every group on campus should aspire to — a dance conducted in a manner that affords all a grand evening."

—Signed: Tom Brown.

"On The Road"

At least fifteen E.S.T.C. instructors are willing to dispute the old theory that one of the advantages of the teaching profession is the relatively short working day. These members of the faculty travel from twenty to seventy miles, spreading the torch of knowledge far and wide. Enrolled in extension classes in Corry, Erie, Franklin, Meadville, Sharon, and Warren are 143 students.

On Monday, Mr. Neel and Dr. La Follette journey to Warren, where Mr. Neel has a class in American Government and where Dr. La Follette teaches Ethics.

Tuesday is a very busy day for the "commuting" instructors. Dr. Hendricks and Mr. Zahniser drive to Franklin, where the former teaches the History of the U. S. and Pennsylvania and the latter has a class in the Teaching of English.

Mr. Boak, Mr. Griffin, Mr. Lowder, and Mr. Neel also take a trip on Tuesdays. They brave the chilling winds of Sharon to teach, respectively, American Literature, U. S. History I, the Teaching of English, and American Government.

On Wednesday, four more faculty members leave E.S.T.C. for the thriving cities of Corry and Meadville. In the former, Miss McDonnell teaches the Short Story; and the "Roving Musician", Mrs. Campbell, lectures on Music Appreciation. In Meadville, Miss Morton teaches the Short Story and Dr. Butterfield conducts a course in Educational Psychology.

On Thursday, to conclude a busy week, five instructors miss a delicious home-cooked meal to go to Erie. Dr. Hendricks teaches the History of U. S. and Pennsylvania; Miss Shenk lectures on Child Psychology; Mr. Ellenberger has a class in School Law; Mr. Wozniak teaches U. S. History I, and Miss Baron presents a course in Children's Literature.

Hut Breezes

by PAN and FAN

With some unbelievable spare time ahead, and no special way to amuse ourselves, we wandered into Hutch's Hut, thinking that perhaps a coke would inspire us.

We walked in and were greeted by George Garfield, who, between dates with cute Izzy Hale, entertains the crowd with his "Oh, boy!" —Donald Duck style.

We squeezed into the seat with Donna Norris and Addie Flack. Donna, it turned out, was waiting for Fred Abbott to drive up in his shiny maroon car.

Across from us sat Dot 'Peppy' Peplinsky and Camillo Bonomi, who were having a steaming hot conversation over steaming hot coffee.

Food was secondary to Louie Cicchini, who was engrossed in pretty, blonde Barbara Giddings, one of our drum majorettes.

We were attracted to Chuck Bleakney, who was sobbing convulsively into his "hamburger-with." Dick Parry and Ed Horanic were vainly trying to console him, as they explained to us that he had been stood up.

That team of fast talkers, Herky Allison and Dick Hartle, were airing their grievances about a certain test in which a trick question appeared: "What was the color of the hair of Charlemagne's grandmother?" The catch was that she was bald.

The door flew open and Bill Snyder stepped in, frantically searching for his roommate, Eddie Ranalli, who was under the table all the time.

From outside, we were thrilled by the tender, musical setting provided by Chuck Lodge, George Smittle, and Ed Bielec, as they sang "Candy Store Blues" down by the moonlit outlet.

The dashing Harrison Brothers offered competition as they walked by singing "All Alone and Lonely."

Marty Murdock and Sam Nan stole a glance into Hutch's as they strolled by, while Marty Evans and Paul Haley just breezed past, not far behind.

Diane Stearn wandered in, absently knitting on a scarf. She was looking for Joan Lehrian, who usually helps her rip out the first six rows.

Evelyn Froess and Janet Rieger, being happily true to "steadies" in Erie, munched on hot dogs together.

Barbara Spiesman didn't really feel the need of Hutch's hot chocolate, since she felt comfortably warm, wearing John Palmer's varsity sweater.

Howard Fleming and Jack Hildebrand came in to get food for

"Spectator" Visits Trailer Family

by DON TURCHAN

The Spectator assigned me to interview the Drobka family, and it was truly a pleasure. I knocked on the door of their cozy trailer and was warmly greeted by Al, who had a dainty apron tied around his waist, his hands dripping with soapsuds. "The duties of a family man," he mused, as I entered. Margaret was busy sweeping the floor, and little Susan was trying to make a "horsie" with her modern plastic kit.

The first question I put to them was "How do you like living in a trailer?" Al's first comment was, "It is rather congested, but we like it as a temporary home. We wouldn't want to live in one permanently, though." Margaret quickly countered with, "Where else can you scrub the entire house in five minutes before the bell rings?" They both agreed that they weren't tempted to buy too many clothes, since there isn't too much closet space.

This took me back quite a bit, so I proceeded to a subject that couldn't be contested so easily. Since they are both veterans, I couldn't resist asking them about their areas of service. Al said that he was inducted into the army in July of '41, before the war started. He was in 42 of the 48 states, and also overseas in New Guinea, the Philippine Islands, and Japan. He was a staff sergeant in the Transportation Corps when discharged. His total service time was four and one-half years.

Margaret enlisted in the WAC in May, 1943. She had her basic training at Fort Oglethorpe, Ga., and it was here that she and Al were married in the Army chapel. She spent her three and one-half years of service between Fort McPherson and Atlanta — as a teletype operator and supervisor of the major relay station in Atlanta.

Susan, who insisted on showing me her toys, is the darling of the family. She amuses herself by marching with the Band every noon, and has taken a liking to jumping into huge piles of leaves. But even more important, she takes pride in saying, "I go to Mr. Bates' class," which is true. Between her parents and two college

girls who serve as baby sitters, Susan is watched except for those three glorious periods of modeling each week.

When I asked them about studies, their faces lit up. As Al explained, "It was difficult at first for Margaret and me, but it's a great deal easier now. Why, even Susan is learning! Her vocabulary has increased very much since we have been here." Al is a Penn State assignee who plans to major in horticulture, and I was glad to hear that he was doing well in such a rugged course. Margaret

gave the reason why. She said, "We have more time to study since we are a married couple. Single students spend a lot of valuable time in social activities."

I scribbled down the most interesting item of all as I was leaving. Both Margaret and Al have been out of high school for fourteen years. This can be a terrific handicap, but not to a couple so determined. I thanked them and waved goodbye to Susan, and in my mind I thanked the Spectator for introducing me to such friendly people.

the increased shortage of elementary teachers.

Mrs. Frances Campbell, manager of the college laundry, returned to work at the beginning of this week. Mrs. Campbell has been recuperating from a serious operation.

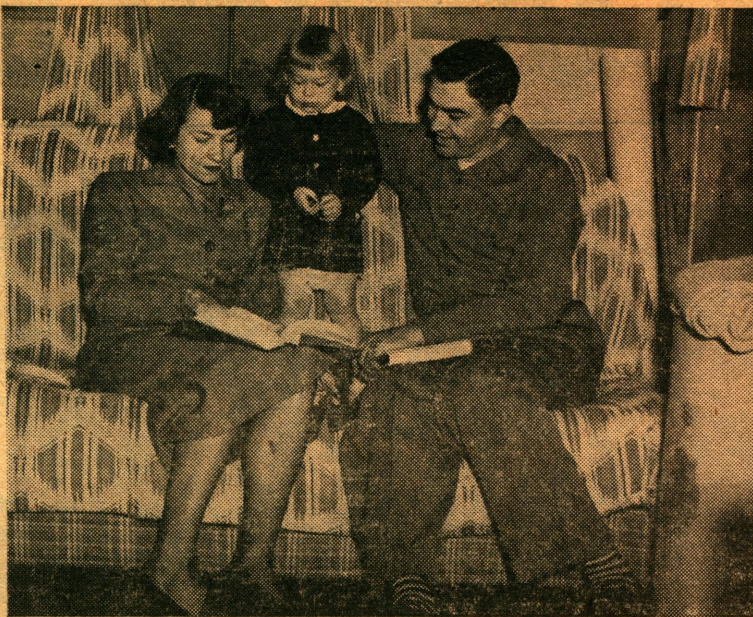

There will be a meeting of the entire Spectator staff tomorrow night at 7:00 in the basement of Normal Hall. Any members who can not attend should see the editors beforehand. Others interested in working on the Spectator are invited to come.

The Y.M.C.A. will hold its second meeting tonight. At an organization meeting on October 21, the following persons were elected to act as a steering committee for the year: Ted Davenport, Kenneth Reardon, James Pasike, Al Pettit, and Bud Nicholson. New members are welcome.

Serving as a member of the Committee on Local Arrangements, Dr. Hendricks attended a dinner meeting of the Pennsylvania Historical Society at Gannon College, on October 22. Among those present were representatives of many Pennsylvania liberal arts colleges, universities and teachers colleges.

The Eva Jessye Choir will provide top-flight musical entertainment during the assembly period on November 17. This famous Choir is noted for its wonderful blended voices, fascinating form of song presentation, and irresistible rhythmic appeal.

"Susan Is Learning, Too"

Seniors Win Hockey Tourney

With one game remaining on the inter-class hockey schedule, the Seniors are reigning supreme. A Sophomore-Junior tilt, scheduled for today, will end the competition.

Although the Freshman scores didn't mount, Miss Ruttle states that this group has the most enthusiasm and spirit since the freshman team of 1945, which is the present senior team. The frosh work very well together, and from all aspects looks like a future championship team.

Betty Gross Winner In Tennis

The advanced-group tennis finals resulted in a victory for Betty Gross, with Ruth Knapp as runner-up. Betty has been playing for four years in the tennis tournaments here at Edinboro. The first year she won the beginners' tournament; in her sophomore year she was runner-up in the finals; and last year she was also runner-up, losing only to Shirley Campbell, who is now at the University of Pittsburgh.

The tournament's consolation awards go to Marty Evans and Virginia Smith. In the sophomore contests, which have not been

Magoon At Grove City Conference

Kathryn Magoon represented Edinboro at a Pennsylvania conference of the Athletic Federation of College Women at Grove City last week-end. She participated in a panel discussion which had as its purpose the setting-up of a state branch for the national organization.

Women Golfers Continue Play

Those entered in the advanced golf tournament are Winifred Kisthart, last year's winner; Lois Byers, runner-up; and Virginia Beck, Nancy Dundon, Betty Wimer, Madelyn Petruso, Jayne Brown, and Virginia Rice. Play is not far enough advanced as yet to give any results.

The Once Over . . .

by GEORGE JEFFRIES

Three cheers for Dr. Van Houten for declaring a Monday holiday in recognition of the Raiders' defeat of Brockport.

What with the football and soccer seasons drawing to a close, winter sports will soon predominate here at Edinboro. It is also at this time of year that the intramural athletic program first begins to function — on the basketball court.

With Edinboro's male enrollment hitting an all-time high, the 1948-1949 intramural cage season should be highlighted by keen, spirited competition and top-flight individual performances.

Coach "Sox" Harrison's soccerites were once again held to a 1-1 tie, this time by Indiana in a hard-played away contest, Oct. 22. Dick Mazzetti scored the Raider goal, in a game which went into two over-time periods. This marks the second game in which the Red and White booters have been held to a 1-1 tie . . . Edinboro soccer team stock dropped with the announcement that reserve Gene Hardy had suffered a broken leg in a collision with the Indiana goalie.

Because of the publication date of "The Spectator," we regret that we are unable to bring our readers an account of yesterday's Edinboro vs. Grove City soccer game.

Boyd-DeRubies Pass Nets Winning Tally

by DICK HARTLE

A victory-starved Edinboro football team scored a touchdown in the first period, added the extra point, and then went on to hold Brockport scoreless the rest of the game, last Saturday afternoon on the Edinboro field. This was the first win for Coach Art McComb's hard-pressed '48 Raiders.

The lone six-pointer came after an intercepted pass had set up the score. Chuck Lodge, who played a brilliant defensive game for the home lads, picked a Brockport pass out of the ozone and ran it back from the enemy 47 to the 31. With third down and nine yards to go for a first down, Jim Boyd faded back and connected with Lou DeRubies in the end zone for the TD.

Following a hard-driving first quarter, the Edinboro offensive machine seemed to lose its punch. The remainder of the game found both teams in a see-saw battle up and down the field.

The visitors threatened seriously late in the second quarter, but they were stalled on the 5-yard stripe as the half ended. A series of passes, following a short Red Raider punt, had spearheaded the drive.

This Saturday afternoon, the Red and White eleven will be at Mansfield seeking its second triumph in a row. One week hence, Edinboro will close its 1948 football season in a home engagement with Alliance College.

Having beaten Brockport and having lost to Thiel, 15-7, since The Spectator last went to press, the Red Raiders now have a record of one win and five losses.
