## jim sachetti

running a college newspaper frequently resembles leading a band of thirsting cape buffalo into a lake without allowing them to drink. in a college year fraught with rampant bickerings, bitchings, and various assorted tripe, sachetti managed not only to sift out the valuable and informative news from the worthless and inferior garbage; but he presented it in a clearly understandable way. with the *morning press* being the only other "newspaper" in the good ole bsc homestead, the importance of the *maroon & gold's* coverage of such events as the january (*et. al.*) board of trustees meeting proved invaluable to the college community. despite threats from everyone from advertisers to deake porter, jim sachetti wrangled his way through to become one of the most successful college newspaper editors in bloomsburg's history. but the problems on campus were not the only headaches of the paper's editor. organizing and directing a staff of aspiring young journalists (from lost freshmen to know-it-all upperclassthings) is an important task of the editor. jim was not immune to grumbles and gripes from those who felt "things" should be different. jim actually managed to get his staff to work, most of the time. in bloomsburg, that's something. now that sufficient praise has been aptly showered over he who peers from the opposite page, we close on a somber note — gone home to his "cooch" in metropolitan hazleton, sachetti reigns no more.

it has been a year of rebuilding for rookie coach sproule and the huskies. however, the young team edged out a 4-5 record in rough conference competition.

bob warner, co-captain of the huskies, was the leading rusher with 543 yards and second highest scorer with 32 points. he also was second in rushing in the conference, named twice to the e.c.a.c. player of the week, and placed on the first team of the all penn conference. in the thirteenth round of the pro-football draft, he was selected by the denver broncos. along with bob, other three-letter winners were; tom baltuskonis, kenneth klock, robert parry, and daniel stellfox.

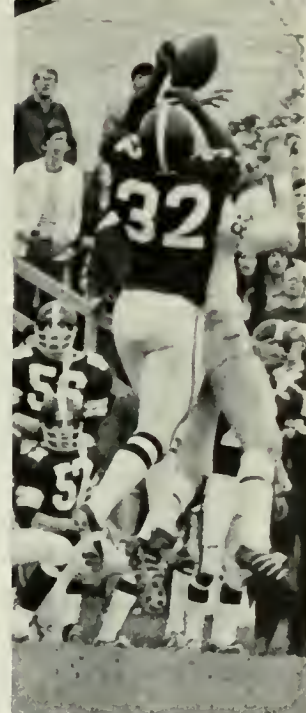

rich walton was picked by the all penn conference for their first team. rich, john cox, glen dewire, len house, henry johns, neil oberholtzer, steve shiffert, galen troup, and jeff white were all double letter recipients.

named to the second team for the all penn conference were; joe courter, bill o'donnell, ken klock, dan greenland, and steve shiffert.

with the loss of only three seniors and the experience of the sophomores and juniors, coach sproule will have fine veteran players for the club next season.

the b.s.c. wrestling squad on december 1 voted to suspend the 1971-72 season. the team, cut to 15 members due to injuries and sickness, discussed the problems numerous times with dr. stephen bresett, chairman of the dept. of physical education and athletics, dean edson drake, and carl hinkle, acting wrestling coach. unable to resolve their problems, the team voted 12 to 3 against continuing the season. the reasons given were lack of interest on the part of the student body, lack of men, there weren't enough guys to compete, circumstances brought on by last may's incident, things just weren't the same, lack of men in each weight class to continue, for the purpose of preserving the college's outstanding reputation in wrestling, and too much player dissention. we can only hope that until next year most of the existing problems can be resolved, and that bloomsburg state can once again produce the fine wrestling teams which it has done in previous years.

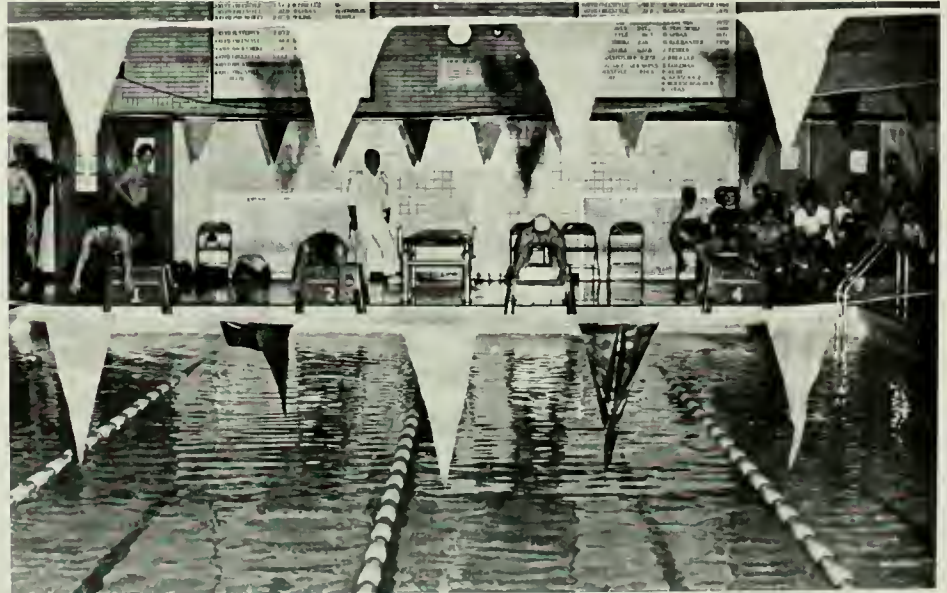

coach mclaughlin and his aquamen kept their winning streak rolling for the seventh successive year. after dropping the first couple meets, the tankmen won nine straight meets. they ended their season with a 10-4 record.

dave gibas, bloomsburg's all american swimmer, led the team to a third place finish at the penn conference championships at clarion state. dave placed first in the 50 yd. and 100 yd. freestyle events, both in record breaking times. following dave was bob herb, he placed third in the 50 and sixth in the 100 yd. freestyle events. doug yocum took seventh in the 200 yd. freestyle. ken narsewicz seized tenth in the 200 yd. butterfly. dale alexander took tenth and bob jones swam to seventh place in the 200 yd. backstroke. jim koehler placed seventh in the 100 yd. breaststroke. jon stoner, bob herb, doug yocum, and dave gibas broke the state record in the 400 yd. freestyle relay. steve coleman took twelfth and eric cureton seized tenth in the one meter diving event. bob myers found eleventh place in the three meter diving contest. dave went on to take fourth in the 50 yd. and eighth place in the 100 yd. freestyle events at the n.a.i.a. championships. many congratulations are due to coach mclaughlin and team for their fine performance.

senior paul kuhn averaged 15.6 points per game and scored 390 points. he was the team's top scorer. he and howard johnson, who netted 363 points. were this year's co-captains. the center, john willis, a 6'8" sophomore averaged 7.9 rebounds and 14.5 points per game. the playmaker, art luptowski, contributed 146 assists and 275 points. gary choyka, another sophomore, scored 192 points for a season's average of 8.7. senior forward, bob consorti, hit over 50 percent of his shots from the floor and grabbed many key rebounds.

luptowski was named twice and johnson once to the weekly team of the e.c.a.c. division 3. kuhn and willis received honorable mention twice. they all were named to the second team of the all penn conference team.

rookie coach chronister and the huskies have had an outstanding year, something they and we can be proud of.

it has been a rough year for coach noble and the marathon men. many injuries to top runners kept the team at less than full strength the entire season. however, the team captured third place in the district 19 n.a.i.a. meet on october 26 at millersville state college and placed sixth at west chester on november 6 in the penn conference championships. coach noble will be losing only two men and have a strong core of veterans returning for next years schedule.

ron puhl's cindermen capped a successful season with a second place finish in the 37th annual state championships. the record stands at 11-2 with losses only to the university of maryland and millersville, ending the year five points away from a defeatless season.

senior captain, jim davis set a new record in the 100 yd. dash and became a double winner in the 100 and the 220 yd. contests at the state meet. larry strchl was undefeated in the one half mile event. state record holder john flook lost once this season in the shot contest. bob lapock set a new b.s.c. mark in the high jump at 8'5". a freshman, eric ketariz, vaulted 13' for another b.s.c. record. over the past three years, the cindermen have compiled a most impressive 36-3 record. the new field house should be in use for the 72-73 season, improving the practice facilities for a greater, if possible, year.

mock democratic convention

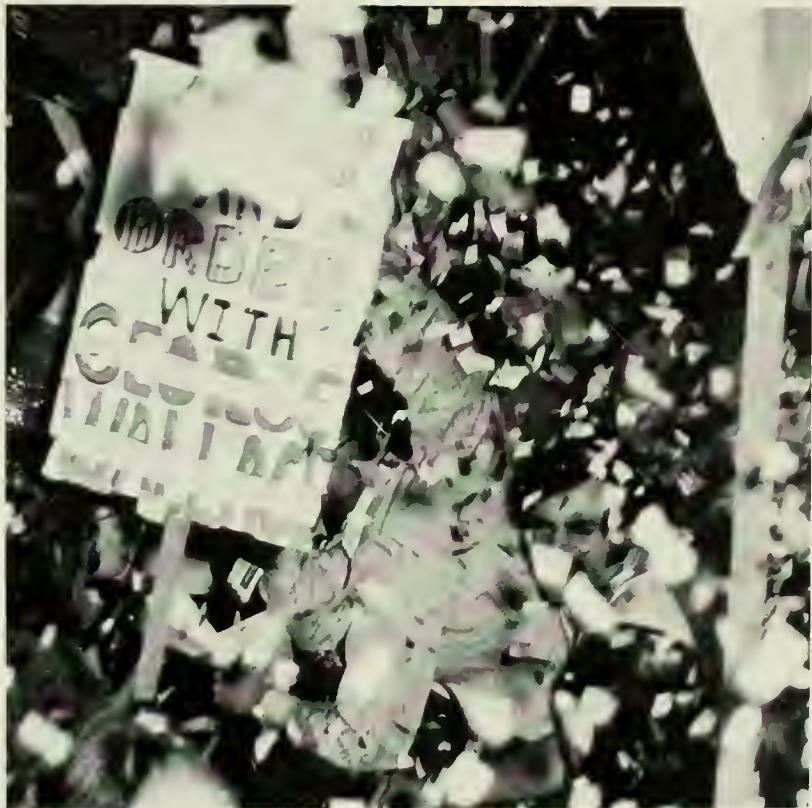

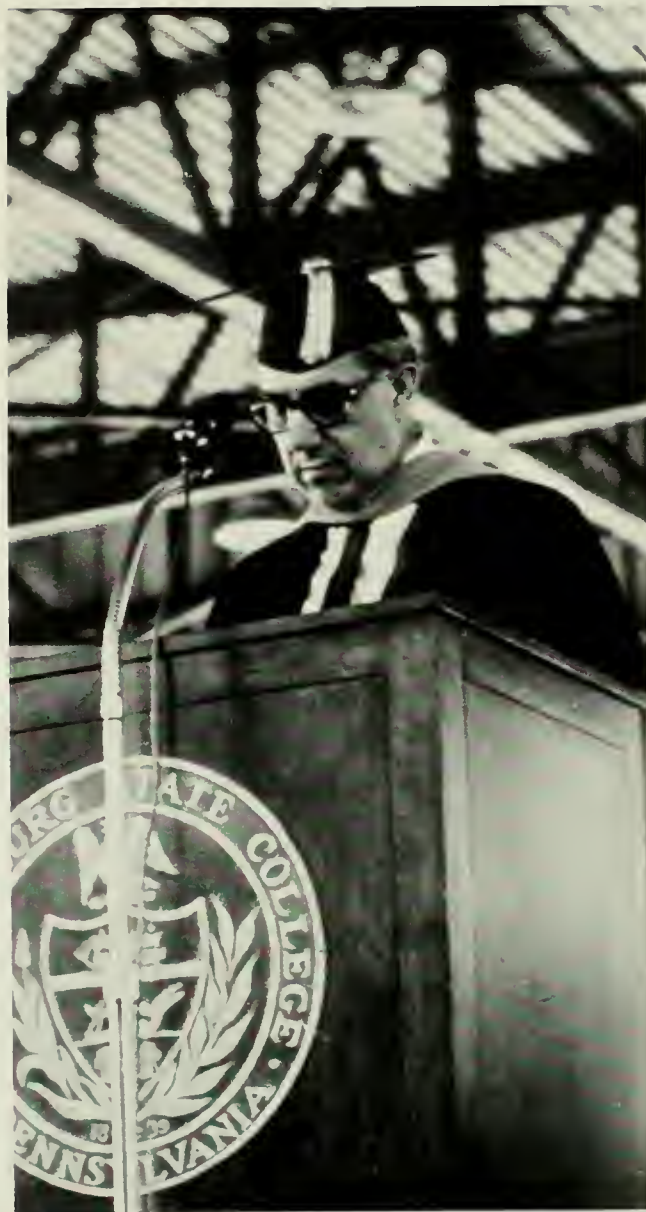

... and a new v-p for student life too ... yeah, a doctor griffis ... but whatever happened to hunsinger?  
oh, they hid him somewhere in ben franklin ... and hoch's out too ... but whatever happened to the coaches?  
... well houk's still wrestling coach ... but i hear bresett's head of the department ... yeah, and i wonder if  
we'll ever have any more demonstrations ... but how did the football team do? ... better than that group in the  
union last night ... hey and i hear houk's resigned again ... yes, and isn't the weather beautiful this time of  
year? ... maybe we'll have another demonstration ... in bloomsburg? ... but second street is impossible  
when it rains ... there was a kegger on the floor on friday ... and i was just sitting there when someone shoves  
this fact sheet under my door ... and hey, are ya goin' to the big rally? ... in Bloomsburg? ... but you should  
have been there ... yeah, houk gave it to nossen ... and some other guy named williams ... and they kept  
talking about six dollars ... and the whole place was almost in tears ... it was almost as good as the sexuality  
program ... was it dirty? ... no, but i hear they have two thousand names on it ... well what did nossen have  
to say? ... i couldn't understand him ... did he answer the questions? ... what questions? ... what did the  
governor say? ... i couldn't understand him ... did he take the petition? ... yeah, and i hear it had two  
thousand names on it ... what did it say ... i dunno, i couldn't understand it ... but homecomings are always  
like that ... well how was the rock ensemble? ... very nice ... the weather? ... very nice ... the queen?  
... very nice ... did anything exciting happen? ... in bloomsburg? ... did you register to vote? ... no, but  
we had a panty raid last night ... and i got a check for six dollars ... from the college? ... yeah, for some test  
i never took ... well what's the difference? ... among cga ... the senate ... apscuf ... who knows ...  
there's a forum tonight ... who cares ... in Bloomsburg? ... nobody ... but i saw "arsenic and old lace" ...  
how was it? ... it was funny ... and i hear that seatrain is coming ... now that's funny ... and now there are  
twenty-three student senators ... and a student on the board of trustees ... now that's really funny ... hey  
what's a board of trustees? ... you'll see ... they want to get the faculty's opinion on nossen ... that's funny, i  
didn't know they had opinions ... they don't ... or at least they're not telling if they do ... and some students  
went to a trustee meeting ... what's a trustee? ... you'll see ... and the gadfly got a hundred dollars from  
cga ... say whatever happened to the gadfly? ... whatever happened to seatrain? ... and whatever happened  
to the wrestling team? ... they don't have a coach ... yes they do ... no they don't ... but ... no they don't  
... and another sex program ... yeah, about rape ... and at Christmas time too ... yep, a brick right through  
his window ... and they wrote obscene things on the side of his house ... at Christmas time? ... in  
bloomsburg? ... and the board of trustees had a wild meeting ... if you want to call it that ... what would you  
call it ... the ad hoc committee to reinstate russ houk ... now that's funny ... and black speakers and a black  
weekend ... in bloomsburg? ... yes, and the basketball team's doing quite well ... but what about the wres-  
tlers? ... i still say they have a coach ... no they don't ... but ... no they don't ... well then what's this  
about a convention? ... yeah, didn't ya hear? ... shirley chisholm for president ... of the college ... no, of the  
country ... she can't do that ... you wouldn't say that if you'd heard her speak ... and now i hear they're  
investigating the college ... well someone ought to ... and the wrestlers while they're at it ... now they say  
they have a coach ... no they don't ... yes they do ... but ... yes they do ... Porter's losing his cases in  
court ... who's Porter? ... but primack won a lot of money ... for not teaching here ... who's primack? ...  
and what's this about a black weekend? ... and did you go to see bread in concert? ... you didn't ... lucky  
you ... and sonia sanchez was here ... and there's gonna be a convention ... and a co-ed dorm! ... my  
god! ... yes, jesus christ is coming here too ... to bloomsburg? ... my god! ... yes, he's been indicted for  
perjury ... something he said about porter ... who's this porter? ... and you know that convention? ... well  
it happened ... and it was really great ... was shirley chisholm there? ... no, frank church ... and they  
nominated a president ... of the college ... no, do we need one? ... yes, our's just resigned ... my god! ...  
what's a trustee again? ... by now you should know ... wrestling season's over ... did they win? ... yes ...  
no ... yes ... but they have a new coach ... no they don't ... why not? ... cause the trustees liked the old  
one better ... now i remember what a trustee is! ... and nossen sang his swan song to the faculty ... did they  
like it? ... who knows? they never say ... and shapp struck again ... what did he do? ... he got rid of two  
trustees ... well it's about time ... but why only two? ... it doesn't matter ... why not? ... cause he just  
reinstated them ... my god! ... in bloomsburg? ... yes ... what did he say? ... he said that the people of  
bloomsburg have been good ... bad ... wonderful ... rotten ... petty ... active ... disinter-  
ested ... brilliant ... stupid ... sane ... crazy ... interesting ... boring ... funny ... sinister ... and  
when you get right down to it ... a bunch of normal old everyday people existing in a very weird and often  
unbelievable environment called college ...  
tell me something ...  
yes? ...  
did all those things really happen ... in bloomsburg? ...  
yes ...  
my god!

## editor's message

putting together a yearbook isn't an easy task. putting together a yearbook that pleases everyone is even more difficult. we don't promise that this book will satisfy everyone, because it won't. it represents a conglomeration of a years thought, work and happenings, placed together as graphicly as we know how. please look, and remember.
