### **WILLIAM F. FOSTER--HEAD BASKETBALL COACH**

Tall, quiet, and likeable, Bill Foster joined the Bloomsburg faculty in September, 1960 to begin his first assignment as a head coach in intercollegiate basketball circles. He succeeds Harold Shelly, who resigned to accept a post in Wilmington, Ohio.

A 1948 graduate of Elizabethtown College, Foster made the varsity in his freshman year at a college which is noted for outstanding court teams year after year. He was named "Outstanding Athlete" during his senior year, and, in four seasons of intercollegiate competition, scored over 1100 points, winning 4 letters in basketball and 3 in soccer.

Foster began his high school coaching career at Chichester High, Boothwyn, Pennsylvania. After three years, he was named head coach at Abington High School. During the 1959-60 season, his charges compiled a 19-2 record, the best in Abington's history. The squad had only one player slightly over six feet tall, but went on to win the Suburban Section One League Championship for the first time in the school's history.

The new Husky mentor also serves as co-director of the Jim Pollard Basketball Coaches Clinic, and, with Harry Litwack, Temple University Coach, is a director of the Pocono Mountain Basketball Camp for Boys at Camp Sun Mountain, Shawnee, Pennsylvania.

During the two years of military service, he was a member of the varsity squad at Fairchild Air Force Base, Spokane, Washington, before going overseas for duty in England.

### **JOHN SCRIMGEOUR--ASSISTANT BASKETBALL COACH**

A member of the varsity track squad for several years before earning his Bachelor's degree at Bloomsburg, Coach Scrimgeour served nearly four years as a Navy Air Corps pilot. Prior to his coming to Bloomsburg in January, 1959 to teach mathematics and science, he taught in the Bristol Township School District.

## Sports Publicity Office

### BASKETBALL OUTLOOK 1960-1961

With only five lettermen returning to the varsity court squad, Bill Foster, new Husky coach, began an intensive practice schedule on October 17, determined to better last year's record of 7 wins and 10 losses. In spite of the lack of experience reserve strength, Coach Foster feels the squad has good potential and the possibility of a marked increase in overall efficiency as the season progresses.

Jack Mascioli and Al Francis, who were graduated in May, were the only lettermen lost to the squad. Returning letter winners are Norm Shutovich, Phil Houser, and Pete Perialis, seniors, and Dick Lloyd and Roland Farmer, juniors. Reservists who saw both jayvee and varsity service last year are Bill Strausser and Len Ludinsky, juniors, and Barney Gatski and Gary Rupert, sophomores. Pre-season practices would lead most observers to predict that three or four of the most promising freshmen will be pushing upperclassmen for starting assignments.

Norm Shutovich, Hazleton senior, will be a leading contender at either forward or center. In three seasons, Norm has grabbed 773 rebounds, breaking the former record of 594 set by Len Kozick in four years at Bloomsburg. If he scores 284 points, Norm will also break the four-year scoring record established by Bill Swisher with 1014 points.

Dick Lloyd, Upper Darby junior, was the leading individual scorer of the Pennsylvania State College Conference last year, scoring 399 points in 17 games; he broke the conference record of 330 set by Roger Hotz of California. Along the way, he performed well enough to be named All-State second team. He will alternate between front and back court assignments.

Phil Houser and Pete Perialis will give the Huskies experience and scoring strength in backcourt work, and Roland Farmer 6'4" could be a big asset up front.

An increase in average height should help the Huskies in the 16-game campaign. With the exception of Pete Perialis, 5'10", the present varsity squad ranges from 6' to 6'4" including freshman Fran Curran, Jim McKinley, and Jerry Doemling.

For several years, there has been a marked improvement in the caliber of play of all members of the conference. This has resulted in some tight races and what amounts to a "tough schedule" for each team.

The Huskies have good scoring and rebound ability. They must improve their ball handling and general defense to have a winning season against more experienced squads.

## Sports Publicity Office

### THUMBNAIL SKETCHES - BASKETBALL

NORM SHUTOVICH - top rebounder for the Husky attack last season - hard worker who should continue to improve throughout the season - has excellent "moves" in and around the pivot area, plus a good outside jump shot - should set new four-year individual scoring record this season.

FLIP HOUSER - another top scorer and veteran performer - his left hand shooting should give BSC a balanced offensive attack - will aid in the rebounding department.

PETE PERIALIS - back for another year on the Husky varsity, this back-court man should help BSC in the ball handling and backcourt scoring department - should see a lot of action this year.

DICK LLOYD - top scorer in Teachers Conference last year - also named to the second team All-State squad as a sophomore - has improved defensively and should have a greater all-around year this season.

BILL STRAUSSER - strong and rugged driver - should fit into the back-court plans of the Huskies - gives everything he has during practice sessions - saw some varsity action last year.

ROLAND FARMER - saw varsity action last year and could be a big asset to the Husky attack this year. - tallest man on squad.

BARNEY GATSKI - will fit into the Husky plans as an "inside" man - his work around the backboard should help the team rebounding - can go to the outside and shoot well from twenty feet in addition to his inside shooting.

LEN LUDINSKY - possesses good jumping ability for his size - has an accurate outside shot - expected to help the team against the zone defense with his twenty-foot shots.

GARY RUPERT - Bloomsburg High grad who should fit into the Husky plans for 1960-61 - good speed and quickness, in addition to a large variety of shots from any place on the court.

FRAN CURRAN - good ball handler and strong rebounder - will probably play out front in the Husky attack - played for championship teams in high school - will see a lot of action this year.

JIM MCKINLEY - good ball handler and steady performer - will be a "swing" man in the Husky attack playing out front and in the corners.

JERRY DOEMLING - tallest of the Frosh - tough inside and a hard worker - played three years varsity in high school - will be seen offensively in the pivot or corner area for the Huskies.

JEFF GARRISON - fast - possessor of good right and left hand shooting - works hard to improve - helped give Abington their first sectional championship.

LARRY PIEHOTA - tricky and deceptive passer - quick - honorable mention All-State Team last year at Hazleton High - member of high school team that lost one game last year.

Sports Publicity Office

RUSSELL E. HOUK - HEAD WRESTLING COACH

Russell F. Houk, a native of Ellwood City, and an outstanding coach of high school grapplers, joined the college faculty in September, 1957, as head wrestling coach, assistant football coach, and athletic director.

A stellar performer on the Lincoln High School gridiron squad at Ellwood City, Houk served with both the Merchant Marine and the Army during World War II. After his discharge, he entered Duke University, later transferred to Lock Haven S. C. He had an outstanding record in both football and wrestling at Lock Haven, serving as captain during his senior year. He received his Bachelor of Science degree at Lock Haven in May, 1952.

In three years at South Williamsport High School, he compiled an amazing record as head wrestling coach, but his greatest successes came during three years at Muncy High where his squads won thirty-seven meets and lost only six. Several of his schoolboy wrestlers won district honors and three of them captured first or second places in the state championship meets.

He was awarded his Master of Science degree in Education in 1957 at Bucknell University.

In his first year as head wrestling coach at B.S.C., Houk compiled a record of five wins and two losses. Two years ago, the Huskies won 9 dual meets and lost only 1 -- to Lock Haven S. C. In addition, they took the first-place team championship in the annual Teachers College Championships. In March, 1960, the Bloomsburg team completed an undefeated season with 10 victories before going on to their second consecutive team championship in Pennsylvania State College Tournament and their first in the N.A.I.A. Tournament (the first national championship in Bloomsburg's history.) The Huskies have amassed a string of 15 consecutive victories in the past two seasons.

MICHAEL FLANAGAN - ASSISTANT WRESTLING COACH

Mike Flanagan, whose mat squads at Bellefonte H. S. piled up a 35-19 record under his astute guidance, joined the Bloomsburg faculty in January, 1960.

A graduate of Clearfield High School, Flanagan served three years as a paratrooper in World War II, received a B.S. degree from Lock Haven S. C., and an M. Ed. degree from Pennsylvania State University. He has a background of ten years of experience as teacher, athletic coach, and recreation supervisor, having served as assistant football, assistant wrestling, and head track coach at Dubois H. S. and as assistant football coach at Curwensville H. S. before going to Bellefonte.

Hardworking, quiet, and affable, Mike did an excellent job as assistant football coach this fall, and will have plenty of work to do when the track and field season opens in the spring.

## Sports Publicity Office

### WRESTLING OUTLOOK

Five outstanding performers of last year's championship squad were lost to the team this year as a result of either graduation or heavy academic schedules. The loss of Bobby Rohm, Stan Elinski, and Dick Rimple, via the graduation route, did not cause any joy in the Husky camp. But, with five returning veterans, who won titles or placed in either the Conference Championships and/or the N.A.I.A. Tourney, with some good prospects from last year's jayvee squad, and with one or two freshmen, Coach Houk lost no time in welding together another formidable aggregation.

During the past two years, the Huskies have won 19 of 20 dual meets, two P.S.C.C. team championships and one N.A.I.A. team championship. Following a policy inaugurated four years ago, Coach Houk has scheduled meets with some of the best small college teams in the nation. In addition to repeat meetings with non-conference powers like Rochester Institute of Technology (New York) and Waynesburg College (Pennsylvania), the Huskies will come to grips with Appalachian State (North Carolina), Mankato State (Minnesota), Winona State (Minnesota), and Wisconsin State (Wisconsin). Conference rivalries will continue with strong teams from Lock Haven, West Chester, Millersville, Shippensburg, and East Stroudsburg State Colleges.

This year's varsity squad includes only one senior - Walter Fake - and one junior - Tom Gorant. One might correctly assume, therefore, that the bulk of the varsity contenders will be sophomores with one or two freshmen moving up to starting berths as the season progresses.

The squad apparently possesses the same drive and desire but lacks the experience of last year's group. Coach Houk feels that the team will grow stronger with each succeeding meet.

Last year's record of 10 wins and no losses cannot be exceeded, but the string of 15 consecutive victories of the past two seasons can be lengthened.

Sports Publicity Office

THUMBNAIL SKETCHES - WRESTLING

WALTER FAKE - senior, Mechanicsburg - 2 varsity letters - due to an injury, did not participate last year - aggressive on gridiron and wrestling mat - strong contender in 147 lb. class.

TOM GORANT - junior - Shamokin - 2 varsity letters - defending P.S.C.C. champ and runner up in N.A.I.A. - will be vying for national recognition.

GERRY WRIGHT - junior - Forty Fort - wrestled jayvee behind Dick Rimple for two years - best "leg" wrestler on squad.

WAYNE MOSS - junior - Shickshinny - limited high school experience - two years at Bloomsburg have made him one of the better contenders in 147 lb. class.

BILL HUGHES - sophomore - Muncy - runner-up to Lock Haven's Gray Simons in P.S.C.C. last year - placed third in N.A.I.A. - has an excellent knowledge of wrestling - his speed makes him one of the team's best potential wrestlers this season.

DONALD POUST - sophomore - Muncy - placed second in N.A.I.A. - a versatile performer - able to "leg" wrestle or use conventional manner depending on necessity - one of main contenders in 157 lb. class.

GENE DIXON - sophomore - Phillipsburg - P.S.C.C. champ as a frosh last year - fourth in N.A.I.A. - will hold down 167 lb. class - a slow starter early in season - always makes strong finish.

WILLIAM GARSON - sophomore - Williamsport - runner-up in P.S.C.C. - fourth in N.A.I.A. - well-muscled, 200 pounder - has very little difficulty handling bigger competitors.

## Sports Publicity Office

### ROBERT ZEIGLER -- HEAD SWIMMING COACH

A graduate of West Chester State College, Bob Zeigler came to Bloomsburg in September, 1960 as trainer for the Husky football team; his skill, enthusiasm, and effort played a large part in the success enjoyed by the gridgers. This is his first year as coach of the swimming team.

In addition to directing the efforts of the Bloomsburg swimming team, Bob is faculty director of the men's intramural athletic program.

Following his graduation from New Cumberland High School, Bob served four years with the United States Navy. He was a member of the faculty of Susquehannock High School (Glen Rock) before coming to Bloomsburg.

While an undergraduate student at West Chester, Zeigler played baseball two years, served as football trainer for the Rams, and was student director of Intramural Activities.

### THOMAS LITTLE - STUDENT COACH

A transfer from La Salle College, Little will again use his skill and experience to help develop the swimming program at Bloomsburg. Tom gained valuable coaching experience while serving as a United States Marine Corps "judo" instructor - an activity in which he maintains a very active interest.

### OUTLOOK

This is the second year in which swimming is scheduled as a varsity intercollegiate sport at Bloomsburg. Although the team posted no victories last year, they were handicapped by lack of experience and depth, but showed steady improvement throughout the season.

This year's squad is young --- mostly freshmen and sophomores. A hardworking group, they have been training for nearly a month under the supervision of student coach Tom Little. This season will continue to be part of a long-range building program; if enthusiasm is a major factor in winning, the Husky squad should break into the win column more than once.

Swimming is gaining a solid foothold at Bloomsburg, and the team expects to be able to enter several contestants in the State College Swimming Championship.

Sports Publicity Office

THUMBNAIL SKETCHES - SWIMMING

TOM LITTLE - junior - Philadelphia - transfer from La Salle - ineligible last year - hard worker - expected to provide spark and leadership for squad.

RON DAVIDHEISER - junior - Pottstown - experienced diver - one of two best divers - confines efforts to diving so he can also participate in wrestling.

BOB DROGAN - sophomore - Shenandoah - one of most improved men from last year's squad-will give team additional strength in both free-style and breaststroke - letter winner as a frosh.

DON YOUNG - sophomore - Norristown - best all-around swimmer on squad-will be counted on heavily for points in sprints and individual medley-lettered as a frosh.

NELSON SWARTS - sophomore - Bloomsburg - specializes in backstroke - returning letterman - one of vets who is expected to earn points during season.

LOU KONETSKI - sophomore - Our Lady of Lourdes - hard-worker- has made steady improvement - will strengthen team in backstroke and free-style events.

RON LAZARUS - freshman - Arthur Hill - brings to squad valuable high school experience in diving competition - much is expected of him to help garner vital points in meets.

CHARLES JASPER - freshman - Collingdale - although limited in experience, has natural ability which could help him become one of the better frosh tankmen.

FLOYD GRIMM - freshman - Scranton Central - counted on heavily for butterfly and breaststroke - young, hard-working, enthusiastic.

JOSEPH WELTER - freshman - Hughestown - good swimmer - natural swimmer-needs to polish techniques for competitive swimming.
