BLOOMSBURG, PENNSYLVANIA—SATURDAY, MARCH 2, 1935.

PRICE FIVE CENTS

PROPOSED SLASH IN APPROPRIATION, SUBJ. OF MUCH DISCUSSION

Governor's Plan Would Cut Teachers' Colleges \$500,000; Some Leaders Prophecy Danger of Such a Move.

News from the State Legislature concerning the plans of Governor Earle has become the subject of much discussion among the students of the College. Especially of interest is the proposal to slash the appropriation of the Pennsylvania State Teachers Colleges from \$3,000,000 to \$2,500,000.

Whether the plans will develop or not is rather doubtful, as there are many leaders of both parties who at the present time are opposed to the cut, arguing that such a move will mean destruction to our state teacher-training institutions.

Representative Frank W. Ruth, Democratic floor leader in the House and official Governor's spokesman, is very much in disfavor of the proposal and even goes so far as to suggest an increase in the appropriation to \$4,500,000.

Other leaders do not openly express themselves but claim they are in favor of an "adequate" appropriation. Speaker Wilson G. Sarig, a graduate of Kutztown, is quoted as not favoring a cut. One other member of the House says that it is very unfair to cut the teachers colleges and not such institutions as University of Pennsylvania and Temple University.

Ruth also favors the enlarging of the fields in teachers colleges by making them into junior colleges also. Then students who do not wish to teach may have the benefits of the first two years of liberal education, with transferring opportunities to other colleges for the final years.

There are, however, many who favor the Governor's plan and will support it wholeheartedly when the issue is met. It seems to be one of the outstanding provisions among the new Governor's plans, being the subject of considerable comment by newspapers, especially through the editorial pages.

Since students at Bloomsburg are directly involved in the results of this proposal, it seems only fitting that

Morgan Trio Here Last Night

TRIO MADE THEIR INITIAL APPEARANCE HERE FRIDAY

Harp, Violin, and Piano of Morgan Sisters Receive Acclaim of Influential Europeans, Including Premiere Mussolini.

Last night in the auditorium the music lovers received a treat "fit for a king" on Friday, March 1, when the Morgan Trio, composed of harp, violin and piano, entertained in the college auditorium.

The trio consisted of three Morgan girls: Virginia, Frances, and Marguerite. Virginia, the harpist, has been acclaimed by the crowned heads of Europe. Benito Mussolini, scowling Italian music lover, shouted out loud that she was the best harpist he had ever heard. She and her other two sisters opened the series of winter musicales at the White House for the Roosevelts.

On her recent tour of the U. S. she christened the harp, which has traveled all over the world with her, Michael.

The program, which they selected, boasts such celebrated composers as Schumann, Liszt, Brahms, Chopin, Strauss, and Rimsky-Korsakoff. There are also two compositions of comparatively unknown composers: a Melodie by Marie Antoinette, and a Gavotte by Louis XIII.

The time spent listening to this program was certainly well spent.

they should make this the subject of their informal discussions, both at school and at home.

ANNUAL INTERFRATERNITY BALL HELD TONITE IN GYM

The Inter-Fraternity Ball is to be held in the gymnasium March 2 at 8:30 P.M. Each fraternity member is allowed a guest and a guest couple. Bruno Novak is the chairman of the Inter-Fraternity Ball. The chairman of the finance committee is Dan Jones. The chairman of the decorating committee is Charles Michaels and those acting on this committee are Betty Row, Verna Morawski, Verna Jones and Ernest Lau. Those representing the Fraternity Gamma Theta Upsilon and who are on the committee are Veda Mericle, Frank Wojcek and Earl Kershner.

The programs will cost eighty cents and the flowers will be twenty cents.

This is a dance which brings together all the Fraternities of the campus. We are looking forward to a very colorful and successful night.

TO ATTEND CONFERENCE AT BUCK HILL FALLS

Mildred Auten and Mary Jane Fink Chosen To Represent Bloomsburg At Intercollegiate Christian Conference.

Miss Mildred Auten and Miss Mary Jane Fink, members of the Y.W.C.A. cabinet, will represent our college at the annual Mid-Winter Intercollegiate Christian Conference at Buck Hill Falls, March 1-3.

This conference has come to hold a place of great significance in the minds of students in the middle Atlantic region. This year for the first time the Conference has been planned cooperatively by the Student Christian movement for all groups doing religious work with students in the area.

A very interesting program is offered. Speakers at the conference will include George Stewart, Pastor of the First Presbyterian church, Stamford, Conn.; Francis B. Sayre, Assistant Secretary of State; James H. Franklin, President of Crozer Theological Seminary; Leslie Blanchard, former Executive of the National Student Division, Y. W. C. A.; Paul M. Limbert, professor of Religion and Ethics at New College, Columbia University; Katharine Duffield, Traveling Secretary of the Student Christian Movement in the Middle Atlantic Region; and Robert H. Gearhart, Lutheran Pastor and member of the

PLANS BEING MADE FOR ANNUAL KIWANIS - ROTARY NITE, MARCH 14

PHI SIGMA PI INITIATES

On Tuesday evening, February 19, the Iota Chapter of the Phi Sigma Pi Fraternity held a business meeting for the purpose of initiating four new members. The following members were recently taken into this fraternity: Alvin Lapinski, William Pietruziak, Ray Shrope, and Sylvester Fica.

These members have met the requirements of the fraternity in regard to a high scholastic standing.

The fraternity is now spending most of its time on the preparations that are necessary for the inter-fraternity ball to be held Saturday evening, March 2.

PI OMEGA PI WILL SOON INITIATE CHARTER MEMBERS

Eighteen Students and Alumni Petition For Charter Membership In National Commercial Fraternity.

Initiation will soon take place for those petitioned as charter members of the Pi Omega Pi fraternity.

The aims of the fraternity strive to encourage, promote, extend, and create interest and scholarship in Commerce to aid in civic betterment in colleges, to encourage and foster high ethical standards in business and professional life, and to teach the ideal of service as the basis of all worthy enterprise.

To be eligible for membership a student must meet the scholastic requirements of ten or more semester hours of college credit in Commerce and five semester hours of college credit in Education, a "B" average in the commercial subjects, and at least a 1.5 rating in all other subjects.

Petitioning Group

For charter membership, petitions were made by Arden Blain, Anthony Conte, John Gress, Joseph Gribbin, Betty Harter, Stanley Heimbach, Thelma Knauss, Wesley Knorr, Mary Kuhn, Santina LaBrutto, Adeline Pfeiffer, Mildred Quick, Pearl Savage, Margaret Schubert, Clarence Slater, Howard Waite, Louise Yeany and William Reed.

DR. RAIGUEL TO SPEAK

The student body of the college will again have the pleasure of hearing Dr. Raiguel, Monday, March 8, in chapel. His subject has not been announced as yet, but we can be sure that his speech will be educational and worthwhile. His presence in the past has always been enjoyed and we look forward with much anticipation to his coming.

Special Meeting

The members of the Kiwanis and Rotary clubs are to meet with Dr. Haas, March 4, at which time special plans will be made for the annual Kiwanis-Rotary night to be held in the auditorium Thursday evening, March 14.

Christian Association of the Christian Association staff at the University of Pennsylvania.

College Men's Organizations Will Again Be Featured.

The activities of the evening will begin with dinner in the college dining room, followed by entertainment in the auditorium. Here a cross-section of the student activities of our school will be presented by various organizations of the campus.

The Maroon and Gold orchestra under the direction of Mr. Fenstemaker, will play for us and several selections will be presented by the Glee Clubs with Miss Moore as director. Miss Moore will also direct the college chorus, assisted by Mrs. Miller as accompanist.

Under the direction of Miss Johnston an interesting one-act play will be staged by members of the dramatic club. After the audience and chorus sings the Alma Mater, the meeting will adjourn to the gymnasium, where dancing will be enjoyed by the students and the guests.

ARRANGEMENTS BEING MADE FOR DAY MEN'S PARTY IN SCIENCE HALL FRIDAY

First Of Its Kind On Campus

For the first time in the history of B. S. T. C. the Day Men's Organization will hold a party in the Social Rooms of Science Hall on Friday, March 8. This meeting will bring the majority of 150 Day Men together to celebrate the beginning of a new era for men who commute to B. S. T. C.

As an attractive and exciting program has been arranged under the direction of Sam Cohen, general chairman of all committees, success of the event is assured. Robert (Poet-laureate) Savage, chairman of the Program committee, is supported by Saltzer, Jones, and McKechnie. Earl Kershner, chairman of the committee on cards is assisted by J. Brunner, N. Kitchie, and Jay Pursel. Ed. Brown is chairman of the Refreshment committee, Walt Hill, P. Bianco, and C. Michaels are his associates.

Day Men who have not yet signed up for this gala event, are requested to do so immediately.

STUDENTS ENJOY SONGS OF KEYSTONE QUARTET

The student body was delightfully entertained by the Pennsylvania Railroad Keystone Quartet February 22. The members of the quartet were: C. C. Hartell, first tenor; A. E. Rodign, first bass; J. C. Mainwaring, second tenor; and W. G. Harshaw, second bass.

These four voices, blending in rollicking harmony, were enthusiastically received by the students. Each singer delighted the audience with either a melodious solo or some clever jokes. Immediately after chapel, these busy men, journeyed to Swarthmore, where they entertained.

Arrangements for Teachers' Day have been cancelled and the projects planned for Teachers' Day will be covered by the arrangements for the Northeast Convention District of Penna., State Educational Association.

WALLER HALL PRESENTS FINE PROGRAM

One of the most interesting chapel programs of the years was given Monday morning by the Waller Hall Association. This program was entitled "Waller Girls News" (The World's Greatest Newspaper).

As the title designates, the scene is laid in a newspaper office. Those who participated were as follows: editor, Amanda Jean Walsh; office boy, Edith Justin; associate editor, Sue Morgan; managing editor, Betty Chalfant, with the following assistants: Dorothy Edgar, Udora Mendenhall, Mary Frantz, Minette Rosenblatt and Edythe Reimenanyder; circulation editor, Rosetta Thomas and news boys: Jessie Webber, Amanda Babb, Laura Bonenberger, Edith Phillips, Rose Blatt, Dorothy Krieger,

Rose Saluda and Marie Antonelli; reporters: Sob Sister, Helen Latorre, Waller Winchell, Gladys Brennan; Fashions, Gertrude Dermody with models: Mary Frantz, Betty McGeehan; Julia Schlegal, Betty Chalfant, Helen Latorre, Elvira James, Margaret Schubert, Eleanor Morris, Mary Kuba, Dorothy Chelosky, Hannah Court, Charlotte Hochberg, Eleanor Olshefsky and Irene Smith; Anne Zeigler and Audrie Fleming; Anne Mary Lord; Theatre, Wilhelmina Hayes with dancing co-eds, Betty McGeehan, director, with Corrine Zeigler and Audrie Fleming; Anne Quigley at piano; Twenty-five years ago, Mary Kuhn and photographs: Gladys Boyer, Anne Quigley, Helen Please turn to page 4

FACULTY COMMITTEE

S. L. Wilson Miss Pearl Mason

Published During the School Year 1934 and 1935 by the Students of the Bloomsburg
 State Teachers College

WELL DONE

So far this year the entertainment courses and the frequent chapel programs have aroused favorable comment among the students. For the presentation of and arrangement for these varied and splendid programs we are indebted to the entertainment committee. That this committee has worked diligently and successfully causes the Maroon and Gold to take this method of congratulating its members.

Some people are prone to say that we students merely call for encores during chapel programs in order to get out of class. In a limited number of cases this might be so, but our waiting over an hour for the Milton Symphony orchestra, which we enjoyed very much, proves that we have a leaning toward talented entertainment. We might even congratulate ourselves upon good behaviour during these performances.

But, argue as much as we wish, we dare not credit ourselves to greatly, for after all, our attitudes at the entertainments are caused by one thing—the program itself. Therefore, with all due respect to the ability of our students to be courteous at all times, the success of our entertainment courses this year can be attributed to the entertainmen committee. Psychologists say that one is pleased when he is satisfied. Well, we are pleased.

THINK ABOUT THIS

An editorial clipped from the local "Morning Press" shows the typical material now being published in papers throughout the state with reference to Governor Earle's plans to cut the budget for State Teachers Colleges in Pennsylvania. It is here presented for consideration by students and others interested.

"The clouds are already gathering around those who would drastically cut the appropriations for the coming biennium to the state teachers colleges.

"These colleges so intimately affect so many throughout the entire state that the result could not be otherwise.

"It might be a fine idea for those interested in the maintenance of the state teachers colleges on their present basis to let Representative McHenry and State Senator Sones know just what you think—they are not wholeheartedly with the state teachers colleges, but they'll appreciate knowing your position."

WOULD BE ARTISTS

In the last issue of the Maroon and Gold mention was made concerning the possibility of a poetry contest if enough enthusiasm was shown by the students. Since this idea has failed to develop as it was hoped, perhaps interest can be aroused in a drawing contest. Certainly, some more or less promising talent has left its mark on much school property about the campus.

Perhaps the best way to sponsor this contest will be to go from class room to class room until all have been visited. The reason for this action is to determine the best carving, drawing, or what-have-you on the furniture of each room. Then, from the individual winners of each room, together with the best specimen from the walls of each of the various hallways, will be chosen the grand winner. It might even be better to choose several winners according to the following classifications: Most beautiful, Most original, Most comical, and Most artistic. The only catch is that the artist will be unknown and will probably remain unknown—not desiring acclaim.

Seriously, how much better we would feel and how much better the school would appear if our numerous erstwhile artists should restrict their pens, pencils, and knives to paper. A certain sketch of a Chinaman might have its advantages in a geography room, but surely not in any other. The once even tops of many of the desks are so marred that it is impossible to write unless one has a pack of paper beneath his writing paper.

Whether or not this problem has been mentioned before has no immediate bearing on the question, but it is quite clear that all of us should be-

come "social conscious". This term has been used three times this year and will probably be seen in print again. It's a good term; if you do not recognize it look it up and apply it.

A LITTLE COURTESY

The time is coming when it will be necessary to hold more class meetings in the auditorium, especially the seniors. Many of these meetings are held after chapel exercises, and frequently there is very little time to transact important business.

After thinking along these lines and after analysing ourselves, we begin to realize that it is only fair that the group holding the meeting should not be constantly interrupted by persons passing through the room. It is well known that attention lags enough during some meetings without help from outside sources.

It is not only during after-chapel meetings that such interruptions occur. Every Tuesday night, at dramatic club, just when an important announcement is being made or when an interesting part of a play is being given, a number of persons bolt through the room, even failing to walk quietly.

Although there is no restrictions forbidding one to pass through the auditorium, a little common courtesy and respect should help one to act accordingly. Perhaps it is a good thing that "No Admission" signs are placed at each chapel entrance when very important meetings are in progress. Perhaps each group might post signs of its own when holding meetings, but, really, such actions are unnecessary.

It requires but thought and a temporary changing of one's usual pathway in allowing various group meetings to be uninterrupted. It goes without saying that such actions would be appreciated. If this change is going to be so radical as to harm any one in any way, perhaps that person can at least agree to walk through the auditorium quietly without banging both doors.

THE AMERICAN HIGH SCHOOL

The nation is now celebrating "300 years of the American High School" and with this celebration comes much literature of interest and value to parents, teachers, and prospective teachers. One such message, addressed to Parents and Citizens of America, is quoted below as an editorial. It should be the duty of every student to read this message open-mindedly and spread its significance and meaning to every home into which they come in contact.

The greatest security that any young person has is in himself—what he is, what he can do with his hands or brain, the part that he can play among his fellows. These are the values to which the American high school is devoted. With an enrollment of 6,000,000 young men and women the high school is rapidly becoming a service to all American youth. The school provides wholesale activities for young people who are no longer needed in industry and agriculture. Wise parents have made it possible for their sons and daughters to spend their time in high school preparing for the best possible start in life. Never before until America took this course has it been possible for the son or daughter of the average family to enjoy broader opportunity which the American high school gives. A high school education is as necessary today as was an elementary school education a short while ago. The American high school is the people's college, maintained by all and for all, the mainstay of self government, and the surest guarantee of our liberties.

ALUMNI DISCUSS WORLD PEACE

New York (NSFA)—International harmony was the topic of discussion at a Lincoln's Birthday Alumni luncheon held at Columbia University. Prominent graduates of varied nationalities, several of them well-known foreign newspaper correspondents, voiced their hope for world peace and described the contribution their respective countries were making toward this status.

Chotiro Kuriyama, American correspondent of "The Osaka Mainichi," speaking of the naval problems of Japan and the United States, said that any future attempts to settle the question alone, detached from other political considerations will be futile.

"The task which demands our consideration in the immediate future is an international conversation to reaffirm the open-door policy, and reestablish the equality of psychological security in the China market. When that is done the waves of the Pacific will calm and the volage of the naval conference will be easier."

R. J. Cruikshank, New York correspondent of "The London Daily News-Chronicle," predicted that President Roosevelt's social reform program will draw its inspiration more and more from the political ideas that have dominated Great Britain for the past twenty years.

The Soviet Union has done its full share for the cause of disarmament and world peace, and will continue to cooperate on the problem, Vladimir Romm, correspondent of "Izvestia," Moscow newspaper, told the alumni.

Pierre Denyer, of "Le Petit Parisien," Paris daily, said that the suggestion made by France that an international police force be used in the Saar during the recent plebiscite showed France's desire to live in peace with Germany. The agreement between France and Italy, made in Rome last month, is another indication of France's peaceful intentions, he said.

URGES HEARING FOR COLLEGIANS

South Hadley, Mass (NSFA)—America is not getting the benefit she has a right to expect from those who have had unusual educational opportunities, Dean Theodore A. Distler of Lafayette College told sixty-five representatives of Mount Holyoke Alumnae Clubs.

"During the present depression the administration in Washington has heard the voice of labor, both individually through the various trade unions and collectively through the American Federation of Labor," Dean Distler said.

"It has heard the voice of the American Legion, the American business man and a host of other organized interests, but it has not heard the collective voice of that most intelligent of our constituency, the college man and college woman."

AFTER THE STORM, AFTER THE SUN HAD GONE DOWN . . .

After both storm and sun had gone
 I wandered 'lone
 Where flowers covered as with heavy
 dew
 Bowed low in reverence and awe to
 Him who'd passed;
 Yes, He it must have been who'd
 passed that way,
 For gazing heavenward, in sudden ec-
 stacy
 Beheld I there Magnetic Beauty,
 Proud,
 Supreme, beyond conception true of
 mind:

The sky, touched with a blush, as of a
 new-born morn,—
 Cloud-billows, crimsoning blood-red
 to earth
 Slipped slowly as a misty curtain,
 vague in shape,
 Fading away, then sank behind the
 blackness of dull night.

'Twas not alone this made me wonder
 most:
 I caught some hidden, unseen quality;

Translation for it I found not. I
 searched in vain,
 But still I paused expectantly. The
 Theme

Would find its course and then the
 thought would spring to mind.

At last, with slow and measured tread
 I moved

Away in silent introspection. Then
 'bruptly

My picture crystalized: "I have seen
 God,"

I said in awe, "in His own habitat!"
 —Jay Pursel.

Sonnet To Night

Clouds scud across the sky—
 As though some Unseen Hand
 Had quickly brushed them by—
 And vanish in the Dawn.

Low o'er peaked housetops
 Like a silver lantern
 Hangs the moon. It drops
 Upon the chimney cap,
 Pausing there a moment,
 And bids the world Good Morn.
 New life has come again;
 Death pulls its clinging shrouds
 Loose from the land, and then
 Retreats to join with night.

—Jay Pursel

COLLEGE PUBLICATIONS

A pamphlet, the Department of Commerce announcement, has recently been published, and the College Catalogue is now at the press.

The manuscript for the Summer Session Bulletin is now being formulated and will be printed in a short time.

EVERYTHING IN READINESS FOR FOURTEENTH H. S. BASKETBALL TOURNEY

WRESTLERS IN 16-16 TIE WITH MANSFIELD

In First and Only Intercollegiate Meet of Year; Large Crowd Follows Matches With Interest.

Before a large crowd of enthusiastic spectators and prior to the basketball game with Mansfield, eight Husky wrestlers showed themselves to advantage tying their opponents, eight experienced matmen from Mansfield, by the score 16-16. Those Huskies who wrestled had been selected to represent their respective classes in an exhibition match following the Millersville basketball game.

After lying dormant for the past few years, the sport of wrestling was renewed this year with the hope of developing good material for next year and to see if the sport really appealed to the athletes of this institution. The meet with Mansfield has been the only inter-collegiate competition the boys have had, but it has pointed out some of the boys' desirability for this form of competition and the general interest for this form of competition and the general interest of the student body as revealed by their zest. So much zeal has been shown during the recent short season that it has been planned to make wrestling one of the major sports next year with dual meets scheduled with other colleges.

The boys who represented the college in the meet with Mansfield were Bruner, Tannery, Hunter, Casari, Jones, Harter, Pietruszak and Mericle. The summary is as follows:

- 118 lb. class—Warren threw Bruner, 5:15.
- 126 lb. class—Tannery won on time advantage over Fiester. Advantage 5:00.
- 135 lb. class—Vircito won on time advantage over Hunter. Advantage 5:24
- 145 lb. class—Cesari won by default over Paris.
- 155 lb. class—Close won on time advantage over Jones. Advantage 2:58
- 165 lb. class—Harter won on time advantage over Kitner. Advantage 2:55
- 175 lb. class—Pietruszak threw Kline in 2:55.
- Unlimited—Brew threw Mericle in 5:34

BLOOMSBURG JAYVEES LOSE 35-23 DECISION TO STROUDSBURG IN PRELIMINARY

The Husky Jayvees were defeated by their opponents in the preliminary game to that of the varsity. Collins, a forward, scored fourteen points in the first half which contributed to a 27 to 17 lead at the end of the half. In the second half East Stroudsburg went on to give a 35 to 23 beating to the Husky Jayvees.

The summary:

Bloomsburg		G.	F.	T.
Rowlands, f	2	2-3	8	
Shakofsky, f	1	1-1	6	
Blass, c	3	1-2	7	
Whitka, g	2	1-1	5

Gering, g	0	0-0	0	
Totals	9	5-7	28	

Thirteen Schools Have Already Recognized Invitation With Good Representation and Keen Competition Promised.

The Fourteenth Annual High School Basketball Tournament, a big event looked forward to by all and sponsored yearly by the Letterman's Club, will be held Saturday afternoon and evening of March 16, Friday evening March 22, and Saturday evening March 23. Plans are already well under way and invitations to participate in the tournament have been sent to the various high schools having good teams. William Reed, tournament manager, has announced that he expects some of the best teams in this part of Pennsylvania to participate.

A total of twenty teams will be selected from those accepting the invitations, eight to play under class A, eight under class B, and four under class C. A class includes those teams from the larger high schools, B class the middle-sized ones, and C class the smaller high schools.

Frackville was the winner of the A class in the tournament last year after beating out Bloomsburg in a close, fast-moving game. This year she will be compelled to defend her title against other teams in her class. Two years ago, Coal Township was the winner but was unable to enter last year because she engaged in the state finals. Coal Township had won the Class A title twice. In the event that they should win again this year they will be permitted to retain permanently the beautiful loving cup offered by the Lettermen's Club to the winner of that class. Montgomery was the winner of Class B last year, and will endeavor to keep that title from her other rivals.

Some of the high schools to whom invitations have been sent but who have not yet been heard from are: Class A—Freeland, Frackville, Sunbury, Allentown, Shamokin, Coal Township, Luzerne, Danville, Williamsport, South Williamsport, Bloomsburg, Old Forge, Taylor, Berwick, Kingston, West Pittston, Pittston, Forty Fort, Edwardsville, Plymouth, and Mahanoy City.

Class B—Montgomery, Kulpport, Nescopeck, Leighton, Mt. Carmel Township, Northumberland, Pulaski, and Gilberton.

Class C—Aristes, Benton, Numidia, Orangeville, Rock Glenn, Nuremberg, and Lake Township.

Season tickets for the tournament will be sold by all members of the Letterman's Club for one dollar, a very small charge considering the number of games that the bearer of such a ticket will be able to see. The money secured will be used to defray tournament expenses and to buy "B" sweaters for the new athletes of this year. All students are urged to support this cause and at the same time receive more than their money's worth of entertainment.

J-V'S VITAL TO TEAM

Husky Pups Lose Only 2 Games

Often in our enthusiasm for the larger things of life, we are too apt to overlook the smaller things which contribute much toward the larger ones and make them worthwhile.

It is somewhat in keeping with the adage: "The horse which earns the oats never gets them." This may and does apply to many things, and it is true also of our athletic teams and the athletes which form them.

Until recently, two Jayvee players, namely Krauss and Kundra, played in the Jayvee games and then sat on the bench during the varsity game, their possibilities as real material for the big games apparently unrecognized, or, if recognized at all, with much indifference and little hope. Yet, when these two players were given a chance, prompted by necessity, they made a remarkably fine showing, even outplaying some of the members of the varsity squad. They appear to have supplied something in our team which it lacked in previous games, and which, accordingly, was reflected upon the student body as evidenced by their cheering during the Millersville game, the best heard this season.

Little has been said in praise of the Jayvees team in spite of the fact that it has won every game except the two with East Stroudsburg. It is the members of this team which will supply the future material for varsity teams. Why not give them a chance and see what they will be able to accomplish with an even break? Without a fair chance no one can do anything.

HUSKIES DISPLAY EXCELLENT FORM BUT LOSE TO STROUD. 40-39

Best Exhibition of Basketball Seen For Many Years Ends In Thrilling One Point Loss At Stroudsburg.

In a man to man battle with one of the best court quintets that East Stroudsburg has ever had, the Huskies sought to avenge themselves for a previous 52 to 31 humiliation and came within one point of doing so. The Huskies showed the big Red Five the strongest competition that they have had to contend with this year. It was the best game that the Huskies had played up to this time and was one of the most thrilling ever witnessed. Krauss and Kundra, the newly converted Jayvees, again proved themselves a credit to the team, but to every Husky participating goes the credit for a plucky and spirited battle which caused the score to be 40 to 39 instead of more.

It was a battle where first one team was ahead and then the other. Had the Huskies played as well in their other games as they did in this one more victories would be to their credit.

The summary:

WATERS SERVE SCUMMERS A 28-24 DEFEAT IN FRAGAS

In one of the biggest and most thrilling games of the season, the "waters" manager to defeat their inferiors, "The scummers" in the last quarter, 28-24.

Litwhiler leading the attack for the scummers in the greater part of the game, counterbalanced Schrope's high scoring, thus keeping the score tie throughout the game.

The scummers kept moving about very smoothly in the last quarter until Rokosz, Webb, and Kupstas were put out on personal fouls. As a result, the waters took advantage of the opportunity.

Scummers		G.	F.	T.
Yurgel	2	1-0	4	
Litwhiler	5	3-1	11

MANSFIELD IS BURIED BY COLLEGE GAGERS

Playing Best Defensive Game of Year, Team Limits Opponents To Six Field Goals.

The Huskies came out of their three game losing streak with a bang, when they took Mansfield across by a score of 59-22. The Mansfield team made Bloomsburg put on full power to get a 35-32 win at Mansfield earlier in the season.

Bloomsburg showed its best defensive of the year, and coupled with Mansfield's rotten shooting, held their opponents scoreless from the field for the first 23 minutes of a 40 minute game.

Much of the time the Jayvees showed the visitors how basketball is played, but in the last quarter Mansfield started sneaking the ball through the hoop and scored 14 of their 22 points.

HUSKY CUBS ARE EASY VICTORS OVER MILLERSVILLE JAYVEES 42-16

Literally speaking the Husky Cubs again "went to town" when they administered a thorough beating to the Millersville Jayvees. After exhibiting a splendid passing attack, they defeated their rivals 42 to 16. Kundra, center for the Huskies, had 23 points which was more than the whole Millersville team had together. Clicking together like a well oiled machine, the team, in general, was responsible for the easy triumph.

MEN'S OCTETTE SINGS BENEFIT AT BERWICK

Sing Seyerall Selections At Ball For Benefit of Berwick Hospital.

On Wednesday, February 27, the Double Quarete sang in Berwick at the Benefit Ball for the hospital. The audience liked the group for its tonal blending and balance, and its facile command of color and rhythmic variations.

The future plans for the Men's Glee Club are at present very indefinite and nothing has been fully decided upon. However, in all probability the set-up of the forthcoming concert will be: selections by the Men's Glee Club alone, selections by the Girls' Glee Club alone, selections by the entire group. Neither organization will completely lose its identity in the combination. The two groups together will give a program pleasing in its variety and freshness because of the unfolding possibilities of eight-part music and more complete and enjoyable in compass and power. Veterans will comprise a finished ensemble capable of professional technique.

MILLERSVILLE WINS IN FINAL QUARTER 39-28

Teams Are Tied At 22-22 At Halftime But Millersville Cagers Score 17 Points In Last Quarter.

After being unable to break a stubborn jinx which gave to Millersville nine victories out of ten games the Maroon and Gold Five were again compelled to submit to their rivals after a brilliant fight, 39-28. Kundra and Krauss demonstrated their ability "to go places" when given a chance by doing some remarkable playing and contributing fifteen points toward Bloomsburg's final score.

At the end of the half the Huskies trailed 19-10 but in the third spurted to tie with Millersville at 22 points. However, in the final period the visitors put on a big drive which netted them 17 points against 6 made by the Huskies and which brought the final score to 39-28.

GREATEST DANGER OF WAR IS IN FAR EAST, CLAIM OF PROFESSOR REAMS'S SPEECH TO WOMEN'S CLUB.

At the joint meeting of the Women's Club of Bloomsburg, on Wed., Feb. 20, Prof. E. A. Reams spoke of foreign relations.

He pointed out the importance of foreign relations in the life of a nation and described the set-up for the handling of them, with the President as the head and working through the Secretary of State and our diplomatic service abroad.

He said that the gravest danger of war is in the Far East. He felt that the U.S. under its announced policies, had little interest and should let nations interested in Japan's efforts handle the situation.

He added that the difficulty in getting world disarmament is that, like the attempt to get prohibition in this country, each party believes the requirements meant only for the other.

HUSKIES LOSE TO LOCK HAVEN 39-23

Although the Huskies were compelled to lose out in the first quarter 11-4 due to the splendid work of Buchanan, who put Lock Haven in the lead they made an immediate revenge in the second quarter.

Ruckle as usual, started the Huskies. Lock Haven, still in the lead, was forced to take time out just before the first half ended, with the score 15-13.

During the third and fourth quarters, Lock Haven prevented the Huskies from going ahead.

RESULTS OF LIMERICK CON- TEST AT VALENTINE DINNER

The winners of the limerick contest held at a Valentine dinner in our College dining room, have been released for publication. As there is not space for all of them to be printed, only a few appear here. The judges were: Betty Chalfant, Bob Williams, Woodrow Litwhiler, Frank Rompalo, Bernard Kafchinski, chairman, and the Poet Laureate, ex officio.

A few of the winners:

Dr. Kehr is Queen of Hearts
 All the boy friends she out-smarts
 And each poor cock
 At ten o'clock
 From the hen roost must depart.

A certain young lady named Gert
 Is so very exceedingly pert
 She keeps a Wolfe at the door
 He even lies on the floor,
 Yet he's tamed so he won't bite or hurt.

M. Bowman decided to diet
 It'd be hard—but oh, she could try it,
 No potatoes she ate,
 No white bread or cake
 And golly—Five pounds she gained
 by it

There was a young lady named Quigley
 Whose eyes were wicked and wiggly
 She was dark and petite
 And awfully sweet
 Which made Sam feel happy and gilly

In our midst there's a poet named Savage
 Who once wrote a popular adage
 His work wouldn't sell
 But we thought it was swell,
 So we crowned him with leaves of the cabbage.

To Coach Buchheit:
 There was a young man from the West,
 With knowledge galore was he blest.
 Says he, "Well by golly!
 More Knowledge is folly!
 A college for me is the best."

Popeye Moleski, the blond wonder man
 Eats spinach with joy and he also
 likes ham.
 All feminine charm
 Does him little harm,
 He continues to say, "I yam what I yam."

There was a tall fellow named Cobbie
 Who met a sweet girl in the lobby
 She was short, he was tall,
 But, oh boy, did he fall
 And now they both have a new hobby.

A handsome young fellow was Luther A. Peck
 Six feet from his toes to his beautiful neck.
 He said he was bashful, he said he was shy
 But he surely could give all the girl

WALLER HALL PRESENTS FINE PROGRAM IN CHAPEL

Continued from first page
 Morrix, Anne Nash, Helen Smith and Irene Frederick; Marie Davis at piano. Advice to the Lovelorn, Martha Bowman; poetress, Alice Auch, and Finale, entire cast with Marie Davis at piano.

Chemically Speaking

You may be of the ancient opinion that girls are made of sugar and candy and everything that's sweet, but Albany Medical college students know better. According to their findings, the average female of the species contains:

- Chlorine enough to sanitize 5 swimming pools.
- Oxygen enough to fill 1,400 cubic feet.
- 30 teaspoons of salt, enough to season 25 chickens.
- 10 gallons of water.
- Five pounds of lime, enough to whitewash a chicken coop.
- Thirty-one pounds of carbon.
- Glycerine enough for the bursting charge of a "75".
- Enough gluten to make five pounds of glue.
- Magnesium enough for 10 flashlight photos.
- Fat enough for 10 bars of soap.
- Iron enough to make a six-penny nail.
- Sulphur enough to rid a dog of fleas.

Pittsburg, Kansas.

The annual Sophomore Cotillion, held February 16, was a decided success. Many dancers enjoyed the music of Guinard's orchestra, and the Sophomore class has set a mark for the other classes to surpass.

DR. KEHR AT CONVENTION

During the past week, Dr. Kehr, our Dean of Women, attended the annual convention of the National Association of Deans of Women at Atlantic City.

Miss Kehr led discussions on two papers presented in the Teachers' College section of the meeting.

KAMPUS KULM

Well, Seniors, only twelve more weeks in your Alma Mater . . . time flies . . . six weeks exams upon us again . . . Gosh, is this a busy time . . . Everyone doing something—practicing basketball, going to games, decorating for a dance, giving plays, attending entertainments, anything and everything . . .

You know, the more we're around this college, the more we begin to believe that someone reads this paper . . . Look: the paper comes out with an editorial about movies in chapel—lo and behold, we have movies . . . something about dances ending at 11:30 appears in this column, and, unbelievable of unbelievables, the time is extended!! . . . The powers that be are apparently weakening . . . Or are we just fooling ourselves, perhaps the above were just coincidences? . . .

How does the wintry weather suit you? . . . The old equilibrium is hard to maintain with all the ice around . . . Plenty of tumbles . . . Miss Maupin went tobogganing without a toboggan on College Hill . . . Muriel Stevens faints dead away under furious barrage of snowballs, tossed by Supchinsky and others . . . Waller Hall had a snow-man last Sunday . . .

Varsity basketball season is waning . . . Boys go to Kutztown tonight and the last game is Indiana here, on the ninth . . . Then comes the annual basketball tournament sponsored by our Lettermen's Club . . . Got your ticket yet? . . . There will be some mighty smooth teams competing this year . . .

Folks: . . . Prof. Reams is found asleep in Day Room — and using two whole chairs to do it in . . . tsk, tsk, prof! . . . Mr. Fisher's hobby is antique furniture . . . Sam Green feeds a baby in the Waffle Grill . . . No, dear student, not a co-ed, but a real baby about six months old . . . A moth flew out of Jane Grimes Manhart's hair the other day—honestly it did . . . Maybe mothball earrings would solve the problem, Jane . . . Cleopatra, Reams' dog and the only female member of the Day Boys' Association, increased the canine population of the town last week by about six or seven . . . a regular Dionne . . .

Lots of dancing now . . . Soph Cotillion just over, Kiwanis-Rotary night soon, and this evening the Inter-Fraternity Ball, with the extended time . . . Flowers for the lady friend, too . . .

Students got all steamed up over the Railroad Quartet, but it was justified . . . They surely were good . . . Double quartet from our own Glee Club sang at Berwick Hospital Benefit dance last Wednesday, did a great job

Day Boys getting ready to make whoopee in Science Hall next Friday . . . well, anyhow, they're going to play cards 'n' eat 'n' everything . . . Sorry girls, it's a stag party . . . Waller Hall girls gave a good program in chapel on Monday . . . Dr. Raiguel will be here on Monday . . . We're always glad to welcome him back . . .

Jerry Wolfson is back at work again . . . Can't keep a good man down . . . Except in a wrestling match . . . Congratulations, boys . . . You did very well, considering the fact that Mansfield has had a team for several years, while this is our first for some time . . . Bill Pietruzak didn't waste any time putting his man down . . .

Gosh, it gets harder and harder to fill up space as you go along . . . Flash! . . . Fluffy, another of Reams' dogs, died suddenly . . . Sympathy of the student body is extended to the family . . . Here comes Circovics . . . Has to get his coat out of Prof. Koch's office, which he has lately acquired for wardrobe purposes . . . Wonder what he (Johnnie) carries in the brief case? . . . It might be books . . . Fare thee well, I must leave thee . . . Nuff Sed
