## RECEIVES LETTER FROM ANTARCTICA

### Miss Hazen Is Proud Possessor Of Communication Of Greetings From Byrd Expedition

Miss Edna Hazen, Director of Intermediate Education, is the proud possessor of a letter from the Byrd Expedition which recently returned from Little America, Antarctica.

The letter bears the official insignia of the Expedition on the envelope, while the stationery itself is marked with the personal Expedition seal of Paul Siple, the junior member of the group who sent it to Miss Hazen.

One of the most interesting things about the communication is the date on the letter, "Winter Night" is the date written on the top. Miss Hazen received the letter on April 3, 1935, and it was postmarked from Antarctica, January 30, 1935. In reaching the United States, the letter was handled through the Post Office at San Francisco, California, where it was stamped for March 25, 1935.

Paul Siple will be remembered by many people of town for his part in a scout program carried on in the county some time ago. At that time the youthful adventurer, only about nineteen years of age, spoke before a capacity audience in the College auditorium. It was then that Miss Hazen made the acquaintance of the man.

## M. H. PALM EMPHASIZES IMPORTANCE OF SPORTS

### Tells Those Who Attended Athletic Banquet That They Are Unduly Criticised

The fifth annual Athletic Dinner, conducted by the Athletic Association on May 18, was a huge success. Mr. Bruce Albert, president of the Alumni Association, acted as toastmaster.

The program started with the invocation by Dr. D. J. Waller, Jr., president Emeritus of B.S.T.C. The presentation of keys, chevrons, and special awards was made by Dr. F. B. Haas after the dinner. "The award system has been re-evaluated," he said, "so that a series of awards becomes possible at the end of each year. In this way the highest possible awards will come at the end of the fourth year."

Before the presentation of special awards, Dr. Haas read a letter received from Hackettstown, N. J., commending the boys who participated in the track meet at Hackettstown. The awards were as follows:

Clyde Kitch, golden football; Francis Sell, golden track shoe; Charles Blackburn, golden basketball; Sam Krauss, golden tennis ball.

Mr. M. H. Palm, who was the guest speaker of the evening, is a graduate from Penn State class of '24. He participated in football, baseball, and track and was All America quarterback. For six years he has been assistant coach at Georgetown with Mr. Little. He has played baseball with the Giants in Brooklyn, and Cincinnati. This Fall he will be back field coach at Harvard.

Mr. Palm said that "... some crit-

## Seniors Take Limelight In Activity

### DR. J. E. MORGAN, EDITOR & EDUCATOR, WILL DELIVER COMMENCEMENT ADDRESS

Nationally Known Editor Journal National Educational Association Will Come Here

Complete arrangements have been made for Bloomsburg's sixty-sixth annual commencement. The exercises will be held, May 28, at 10:00. Dr. J. Elmer Morgan will be the speaker. As editor of the Journal of the National Education Association, Washington, D.C., he is considered to be an outstanding national educator. The college is very fortunate in securing him for its commencement.

The traditional procession will start from Waller Hall entrance, proceed down Senior Walk and into the auditorium. A string trio in charge of Mrs. Miller will furnish the music for both the processional and recessional.

Each Senior is allowed six guests. The exercises will start promptly at ten o'clock and there will be no seats reserved after 9:50 o'clock.

## SENIOR BALL WILL CLOSE SOCIAL YEAR

### DANCE TO BE CLOSED AFFAIR

Friday, May 24, marks the last class dance of the Seniors, the Senior Ball. Paul Zimmerman and his orchestra will provide the music in their usual rhythmic style. Plans for decorations have definitely been settled upon, and they will long be remembered for originality and beauty.

To close or not to close the Ball was for weeks a heated question. Protracted balloting results in having the Ball closed. Only stately Seniors will now tread the measures of the sprightly dance, making it a strictly family affair.

## IVY SPEECH WELL CHOSEN

### Interesting Analogy Used

At the Ivy Day exercises, Monday, May 27, John McGrew, recently chosen Ivy Day orator by the class of 1935, will offer in his speech the interesting analogy between a vine and human beings.

Just as the vine needs a tre or something similar upon which to climb and cling, so also do we depend upon knowledge for the same purpose. Mr. McGrew's choice of subject matter may be recognized as one not only appropriate for the occasion of that annual classic known as Ivy Day, but it also adheres to the principal objective of a teacher's college, whose duty it is to provide prospective teachers with all the information necessary for the instruction of our public school children.

Mr. McGrew succeeds Alfred Vandling, who was the Ivy Orator for the class of 1934.

ics have been taking unfair shots at athletics. They judge the sport as a whole by a few participants." He spoke especially of football and said that he believes "It's a grand game!"

Monday, (May 27, two important Senior class activities will take place. In the afternoon at 6 o'clock the Ivy Day program will be held.

The processional march to the pagoda opens the program. Elmer Mc-

PRESIDENT CLASS '35

Elmer McKechnie

Kechnie, Senior class president, will give a short speech and will then introduce the Ivy Day speaker, John McGrew who will deliver the Ivy Day oration. The Alma Mater will be sung after which the group will march over to the south corner of Waller Hall at the end of Long Porch. There the planting of the ivy will take place. Also the spade will be presented to Ernest Lau, the president of the Junior class who will close the program with a short acceptance speech.

The second event which makes this day a red letter day for the seniors is the operetta to be presented Monday evening at 8 o'clock. The play is entitled "Glorious Bloom." It covers the years 1931-35 and the cast of characters is:

Birdie Boggs ----- Anne Quigley  
Amy Arnold ---- Euphemia Gilmore  
Dolly McSpadden ----- Jean Smith  
Miss Agatha Lockstep

----- Loretta Faust

Pianist—Mildred Deppe.  
Directors—Dancing, Miss Mayan; Singing, Miss Moore; General and Dramatics, Miss Johnston; Student directors, John Gress and Walter Hiney.

And now just a sample of what's coming. Snooze Andrews who is always getting into trouble is very close to being expelled from school because of his antics. To avoid being arrested on a traffic charge he disguises himself and is mistaken by the president of the C. G. A. for a Mr. Goldstein of the firm Maroon N. Goldstein, who is a prospective endower of the college. Poor Snooze is obliged to continue the deception, having told only Dolly his sweetheart, and friends the truth. What happens when word from Mr. Goldstein, whose whiskers proved Snooze's win, arrives saying

## CANDIDATES FOR DEGREES NUMBER 103; EIGHT ARE FROM JANUARY CLASS

Dean Announces Large List To Receive Degrees 10:00 A. M. Tuesday, May 28

Dean Sutliff has just released a list of the candidates for the Bachelor of Science degree in Education for 1935. This includes those who completed the required courses in January and those who will complete them in July. Those who will be graduated are as follows:

### Secondary

John T. Beck, Harrisburg; Charles E. Blackburn, Wanamie; Paul Brunstetter, Orangeville; Walter B. Buggy, Shamokin; Edwin R. Creasy, Bloomsburg; Thomas F. Davis, Ringtown; Howard E. DeMott, Bloomsburg; Mildred E. Deppe, Berwick; Sylvester C. Ficca, Atlas; Madeline D. Fiorini, Esby; Mildred May Ford, Bloomsburg; David W. Foust, Washingtonville; Lauretta Mae Foust, Watsonstown; A.

## NINE WILL RECEIVE KEYS FOR SERVICE

### SPECIAL POINT SYSTEM USED

The Awards Committee of which William Reed is chairman, has announced the list of those Seniors who will receive service keys for service rendered in various extra-curricular activities. These activities include student government organizations, athletics, publications, dramatics, class, fraternity, and Y presidents, and musical organizations. The following nine people are to be congratulated for having the highest number of points for their untiring service for the college:

Elmer McKechnie, 56; John Beck, 38; William Reed, 37; Albert Makowski, 28; Stanley Heimbach, 27; John Gress, 27; Elizabeth Row, 27; Charlotte Hochberg, 22; Jean Smith, 16.

## CLASS '35 BANQUETS TONIGHT

### Theatre Party To Follow

This evening, the annual Senior banquet will be held in the College Dining Room. Dr. F. B. Haas, Dr. H. H. Russell and Mr. Elmer McKechnie, president of the class, will make short speeches.

The banquet itself is exclusively for Seniors. After the dinner, however, there will be a theatre party to which friends may be invited.

Mr. Jack Beck is chairman of the committee responsible for the affair.

## HOSPITAL COMMENCEMENT

The graduating class of nurses of Bloom Hospital will hold their commencement in the auditorium of our college Tuesday evening, May 28.

There are fifteen members in the class this year. Miss Seely is president.

that he cannot attend the program remains to be seen. Does the college get an endowment and what happens to the unlucky Snooze and his friends?

## EXPECT 2500 FOR 66TH ALUMNI DAY

### Last Five Classes Graduating To Hold Reunions With Banquet, Baseball, Dancing

Saturday, May 25, will bring to Bloomsburg State Teachers College another Alumni Day, which promises to be more outstanding in many respects than those that have been held in the past. Weather permitting, there will be, in all probability, a crowd of 2500 Alumni on the campus that day.

Alumni Day first originated in 1869 when this institution was still known as a Normal School. This year's reunion will be the sixty-sixth.

This year the committee in charge of preparations for Alumni Day have requested the last five classes graduating from this institution to hold their reunions.

The program for the day consists of the following events:

9:00 A.M. Reunions of the following classes:

Anniversary	Year	Room
x	1870-80	Alumni
50	1885	B
45	1890	C
40	1895	D
35	1900	L
30	1905	H
25	1910	E
20	1915	J
15	1920	Day Men
10	1925	K
5	1930	Gym
4	1931	40
3	1932	21
2	1933	8
1	1934	22

### Schedule of Events

11:00 A.M.—Annual alumni meeting in college auditorium.

12:30 A.M.—Annual alumni banquet in college dining room.

2:30 P.M.—Baseball game, Indiana; tennis match, alumni; band concert, athletic field; reception, gymnasium.

## COLLEGE OFFERS 13 NEW COURSES THIS SUMMER

### Definite Arrangements For Summer Session Courses Depends On Number Enrolled

To the extent that the enrollment justifies, the 1935 Summer Session will offer the regular work of the four-year curricula leading to the degree of Bachelor of Science in the elementary, secondary, and commercial fields. Courses available as free electives in any of these fields will also be offered.

Early next week teachers in service will be asked to list in preferential order at least 3 courses. This information will enable the administration to organize definitely the summer classes so as to meet the needs of teachers in service. A number of new courses that will be offered in addition to the regular courses will include: Elementary School Supervision and Administration, Diagnosis and Remedial Teaching in the Elementary School, The Activity Program in the Elementary School, Extra-Curricular Activities, Secondary

TO THE COLLEGE COMMUNITY

As retiring editor I take this opportunity to thank the members of the Maroon and Gold staff for the fine spirit and cooperation shown by them during the past year. I also wish to express my appreciation for the unfailing assistance and helpful advice given at all times by the faculty committee.

Nor should the attitude of the college community be overlooked, for from this body the staff received many worthwhile suggestions, which added to the mechanical make-up of the paper. May all campus organizations be as helpful to the incoming editor and his staff.

In "handing the reins" to Mr. Bevilacqua, who has worked so diligently this year, I wish him all possible success. I hope, as a member of his staff, to help make progressive strides in journalism at Bloomsburg State Teachers College.

EDITORIAL JOTS

Concerning This Paper

This, the final issue of the Maroon and Gold for the current term, is published under the Editorship of the newly-elected Editor and reveals, to a small extent, a few of the changes advocated for next year's volume.

While the nature of the material for this issue was such that the desired changes in make-up and lay-out could not be effected, the nature of the material on the editorial page alone shows the trend to be continued with the beginning of the next term.

Kampus Kulm will be a regular feature of the editorial section next year. And it will not be double column either! Double column is too wide for such a small paper.

We can definitely promise no more than two editorials, and only one when possible. One good editorial is better than four or five which are nothing more than "prose parodies of Edgar Guest's poems."

Poems? One good one each issue—if we are able to find a good one! Letters to Maroon and Gold? They are welcomed, but names must be signed. If you're afraid to sign anything you write, then for heaven's sake use tact and don't write it.

It's customary to congratulate a winning team in any sport, and Bloomsburg students and supporters should make special note of the most successful spring sports program in years and years of athletics on the Mount.

There's one thing, though, about these sports programs. There's too much overlapping between baseball and track. That is, there are too many baseball players who could contribute more to track and vice versa.

And, oh yes, about these trips to foreign soil. When the track, baseball, and tennis men leave the campus there remain so few in classes that it makes things rather difficult. That happens, of course, only when all the men go away at the same time.

Wit From Away

From Allegheny College comes the following sample of what may be called academic progress—

Freshman: I don't know.  
Sophomore: I am not prepared.  
Junior: I don't exactly remember.  
Senior: I don't believe I can add any constructive ideas to what has already been said.

We might add to this a line about what the alumnus says—"Well, I used to know, when I was in college."

From the Bucknell paper comes the following, which originally came from somewhere else, which originally came from somewhere else, which or well, you know how people will borrow.

"When they take co-education away from the colleges what will follow, I repeat, what will follow?" asked a professor of his class at Purdue.

A loud, masculine voice in the rear of the room replied, "I will."

How good are you at associating ideas? Then associate with this one for awhile. It comes from the "Bucknellian."

Years Ago

Beginning with this issue and continuing with each issue in next year's volume, the Maroon and Gold will publish a column on the editorial page dealing entirely with events of the past, as recorded in the files, pamphlets, and newspapers available.

According to the May 28 issue of the Maroon and Gold, way back in 1926, the Bloomsburg tennis team tied a strong team from Wyoming Seminary, while the baseball nine was contented to take a loss from that same institution, 5-0.

"New Plan For Maroon And Gold" reads the caption to one of the editorials appearing in that same issue. The plan called for the publication of a Maroon and Gold every week, summers and all. The students were to receive their copies through the mail, and even prospective students who had just registered were to receive their copies in order that they might get a good cross section of the institution before they arrived.

A later issue indicates the method used nine or ten years ago to fill space in the newspaper. About an inch of space on the back page, really the second best page in a paper, was taken up with an announcement of the opening of the Sesqui-Centennial in Philadelphia. It even had a headline. Editor's Note — Wouldn't doubt but what we'll be using the same tactics some day.

What did they mean by this—"The picture (referring to a movie) was very much enjoyed, by all, but the moon and the lovely night air encountered on the way home were more enjoyed"?

Here's a joke which looks very much like the prophecy of a crystal-gazer:

Jigger—What happened in 1492?  
Al—I don't know, kid.  
Jigger—Well, where is the place to go if you want to find a date?  
Al—To the library.

The LaSalle Collegian points the story of a student who drank seven cups of coffee for lunch. When a second student exclaimed how he must love coffee, he answered: "Yes, indeed, or I wouldn't be drinking so much water to get a little."

Here's one from Creighton University, but an investigation of the Maroon and Gold files shows that the same thing was printed in the Bloomsburg paper eight years ago.

It reads—"There is a sign on the Dean's office: 'Get your grades and pass out quietly'."

"And then there was the economics professor who had wrinkles in his tummy."

The package left on top of the desk in the office was not a bomb as was expected. It contained a note saying the following: "I am the rattler. I warned you last time what I said about vacations must be published. You defied me! Now, you shall suffer! How? Heh, heh, heh." Here is what Mr. Rattler wanted to publish:

Dean Sutliff:  
As the official rattler of this institution I want to warn you not to send the grades home during vacation again. It's hard enough to explain them in letters, let alone trying to explain them face to face with the family. Rattle, rattle, rattle — (brain).

KAMPUS KULM

'Ray — the end of another semester and another year! Soon the Seniors will be old grads, the Frosh will be Sophomores, etc. Was it Paul Revere or Cleopatra who said, "Tempus fugit"?

Time, too, for the fond farewells. Three months is a long time to be away, isn't it fellows? Better make arrangements to get around to see her during the summer, or you'll be forgotten. The old school will be deserted, silent as a boiler factory at 2 A.M. some Sunday morning in the slack season of a depression.

Coach is attempting to clear away some of the debris collected during the year. A sign in his office last week read, "Fine Quality Gym Bloomers, 69c". Several inquiries by interested girls revealed the fact that Coach knew nothing of such a sale; must have been some practical jokers at work. Asked by a Maroon and Gold reporter if he intended to resign, Geo. C. said, "I hope not."

The girls' dorm must have been practically empty last Wednesday nite. Girls by the dozen signed out to hear Jan Garber at Berwick. Now there was an orchestra for you!

No longer do we hear the sweet (?) strains of "Country Gardens" floating out from the gym. May Day has come and gone again. Did you hear Miss McCammon whistle?

You Seniors have been busy the last few weeks, but it's all been fun. Class nite, Banquet, Commencement — all Senior activities, enjoyed especially by them. Have a good time, you won't be here long any more.

Other groups have been having good times lately, too. "B" club was at Camp Lavigne for a week-end, and all report a great time. The Geographic Society made their annual pilgrimage to Kitchen's Creek, and returned, tired but happy after a day of tramping and eating

Courage

I have failed in a thousand cases,  
But I still have the heart to try;  
I am scarred in a hundred places,  
No darling of luck am I;  
In many a crucial hour  
I have hoped, and been scorned and kicked;  
But never has fate had power  
To convince me that I was licked.

I have trusted and been mistaken;  
My friendship has been betrayed;  
I have struggled alone, forsaken  
By men who have had my aid;  
I have listened to those who flattered,  
Their motives misunderstood;  
But my faith has remained unshattered;  
I believe in the ultimate good.

I ask for no unearned pleasure,  
No pathway through flowery lanes;  
I offer a full, fair measure  
Of effort for all my gains;  
I'll try, though the pace is grilling,  
Nor whine if I'm tripped or tricked,  
As long as my soul's unwilling  
To let me believe I'm licked.

Remember

"When you have gone so far away,  
And left your friends behind;  
Just think of each one every day,

and tramping some more. The A. B. C. Club also went out to Dillon's Hollow and singed a few hot dogs and ate charcoal buns. Cheer up girls, it takes a long time to learn to cook.

Is the baseball team going great guns? Nineteen games won since early last season! Some record. One more game, let's turn out and see them wind up the best baseball season in Bloomsburg history. Watch the tennis team, too! After dropping two matches, they have come along and cleaned up everything in their way. They deserve plenty of credit, as three of the members were new to the team this year.

The Athletic Banquet gets to be a bigger and better thing each year. It's nice to have a strictly college affair, no outsiders.

Things the Seniors will miss: Prof. Shortess' "Well now read over this for the next time"; Miss Mason's "Sssssshh!"; Prof. Fisher's "Pencils up. Begin"; Dr. Russell's "Cite evidences, note with reference to, and interpret figures"; Miss Eismann's shy smile; Coach's lengthy speeches before games; Dr. Nelson's cowlick.

They might also miss: Prof. Hartline's white hair; Dr. Haas' pink memorandums; eight o'clocks; Miss Ranson's efficient methods; Miss McCammon's Packard; Miss Maupin's jokes; SERB checks; McKechnie's chapel announcements; Prof. Rhodes' pleasant voice; Miss Moore's handkerchief; "Search Me, Oh God."

With this issue the new editor takes over the paper. How do you like the innovations which appear this time? It's just as hard to fill up two little columns as one big one. Maybe by next fall we will acquire one or two new ideas (and some new clothes).

Be careful—don't get sunburned, too fat, or forget all you know till September. Nuff Sed.

Goodby

Those angry, and those kind.

"Please remember every one,  
No matter who it be.  
Should you forget all others,  
Try to remember me.

"I am a guy who's had his trouble,  
And one who's never gay.  
Let me have your address,  
And I'll call on you some day.

"I've traveled far and wide myself,  
But always in the end,  
I'm glad to stop in on a friend,  
A happy hour to spend.

"And so, in this new venture,  
Remember this one thought:  
You have our kindest wishes,  
And if you don't succeed, you ought."

The Wanderer . . . John Gress

Kismet

Hath Fate decreed that I must bend  
My worried brow o'er ponderous books  
And burn the midnite oil so long  
To find forgotten things in dusty nooks?

Hath Fate decreed that teachers give  
A six-week test in which I know  
Not one "darn" thing to help me pass  
And fills my soul with deepest woe?  
A thoughtful answer comes to me—  
"Why blame it all on Fate?"  
"The teacher is omnipotent  
And I will never rate!"

# FOUR COLLEGE TRACK RECORDS FALL IN BRILLIANT SEASON ON MOUNT

## NEW MARKS ESTABLISHED AT STATE TEACHERS TRACK MEET AT HARRISBURG

### Sell Breaks 880 yd. Run Record

In the recent Annual State Track Meet at Harrisburg five out of seven Huskies who attended captured individual honors and placed Bloomsburg third with Slippery Rock for team honors. West Chester with 29 athletes present again won the meet with 73 points. East Stroudsburg with 20 athletes captured second place with 24 points. Slippery Rock's six men tied with Bloomsburg for third. Shippensburg with five took fourth place with 17 points; Lock Haven with five athletes took fifth place with 4 points; and Millersville with 17 athletes failed to score.

Sell, four year track and cross-country star, showed real speed in setting a new state meet record for four-curve track in 880 yard run in 2 minutes 3.7 seconds. Sell's ambition which had been for a long time to win the 880 in the state track meet, has been realized.

Vershinski placed second in the broad jump and third in the discus; Blass placed third in the 220 and shot put and fourth in the 100 yard dash; Bertoldi was fourth in the mile and

## SUMMARY OF PLACES AND POINTS IN TRACK

### Team Scores 203 2/3 Points To Opponents 164 1/3; Place 5-7 In State Meet

### BLASS LEADS WITH 69 POINTS

In spite of the close defeat administered by Shippensburg the Husky Field and Track Men have made a remarkable showing of which they may be proud. In the three dual meets they scored 203 2-3 points as against 164 1-3 points for their opponents. Besides these points they placed five out of seven men in the State track meet at Harrisburg, tying with Slippery Rock at eighteen points.

During this brief but glorious season of track Blass was the most outstanding figure having 69 points toward the total. His ability to participate successfully in so many events has made him a very valuable man and the principal point getter. Bloomsburg is indeed fortunate to have him two more years. He placed first in nine events, tied for first in one, placed second in four, and third in three. In the State meet he placed third in two and fourth in one event.

Sell's graduation is Bloomsburg's loss. For four years he ran for the college in cross-country and track, having served as captain for both. His specialty was the 880, and in winning this event in the State track meet he not only set a new record for the State and School but realized a life's ambition. In the dual meets he placed first six times, third once, and tied with a teammate for third in one event. His total contribution was 80 1-2 points.

Bertoldi, Sophomore long distance star, is another outstanding athlete whom it shall be Bloomsburg's misfortune to lose. Besides exercising Huskies and chasing red lights it has

## EASILY OUT-POINT TOTAL OF RIVALRS

### Place Third At Harrisburg Meet

Four old school records were broken during the track season, one of them having stood since 1916.

At the state track meet at Harrisburg Sell ran the 880 yard run in 2 minutes 3.7 seconds to win first place. In doing this he set a new state meet record for a four-curve track and a new record for the school. Rinker in 1932 ran the 880 yard run in 2 minutes 8.6 seconds to win the school record now broken.

Bertoldi did five seconds better than Karnes in '31 to smash his old record of 10 minutes 51 seconds. The new record is now 10 minutes 46 seconds.

In breaking the discus record previously held by Shelhamer, track star and captain of last year's team, Vershinski threw it almost eight feet farther. The old record, as established by Shelhamer last year, was 122 feet 4 inches. Vershinski's new record is 130 feet 6 inches.

The fourth record which was shattered this year was that of the high jump. Baluta in 1916 jumped 5 feet 5 1-4 inches, setting a record which stood until this year. Blass' new record is 5 feet 9 inches.

Next year, perhaps, shall see many more old records broken by more new startling ones.

### Lau To Captain College Harriers

Ernest Lau, Bloomsburg lad and member of the present Junior Class, has been chosen to captain the cross country team for next season.

Lau has been a member of the cross country and track teams for the past two seasons, and he earned his letter award during his Sophomore year at the College. He is also one of the most active students in other extracurricular activities. In assuming the captaincy of cross-country Lau succeeds Bernard Young, Berwick boy.

### LAMAR BLASS EARNS CAPTAINCY FOR '36 TRACK TEAM

Lamar Blass of Aristes, the chief point-collector of this year's track and field team will captain the Husky "cinder pacers" during the spring of 1936. A popular member of the Sophomore class, Lamar has shown his heels to most competition this season in the 100 yard dash, the 220 sprint, the low hurdles, the high and the broad jumps, and the shotput and the discus, in amassing more points than any other member of the squad.

Much credit is due Mr. Blass for his splendid record, for he never had an opportunity to display his athletic abilities until he entered college. Lamar also is pivot man on the basketball team, besides filling a backfield berth on the football squad.

been Bertoldi's pleasure to specialize in the mile and two mile run. During the season Bertoldi took four first places, two seconds, and one third. He also placed fourth in two events in the State track meet. His contribution was 26 points.

Vershinski will again be with us to

## TENNIS TEAM REFUSES TO BE OVERSHADOWED THIS SPRING

### Register Wins Over Millersville, Mansfield, Lock Haven and Shippensburg

With a record so far this season of seven wins and three losses the Husky tennis team, under the tutelage of Coach John C. Koch, is well on its way to the most successful season in years.

So far this year the racquet club has defeated Millersville twice, 9-0 and 10-0; Mansfield once, 7-2; Lock Haven twice; Indiana and Shippensburg each once. They lost close matches to Villanova, St. Thomas, and Mansfield.

The record this season is better than that of a year ago, when the team won five and lost four matches. During the past ten years, the team representing the Maroon and Gold has made the impressive record of twenty-nine wins, eleven losses and two ties.

Shakofski hasn't lost a set in singles competition while at Bloomsburg. This is a record of which the entire College should be proud.

## STATE MEET IN GOLF AND TENNIS IS CONSIDERED

### Buchheit Appointed Chairman.

At the banquet following the recent state track meet in Harrisburg, Mr. W. G. Moorehead, State Director of Health and Physical Education, suggested to the Committee in charge of the track meet that golf and tennis be included on the schedule for the day next year.

Mr. Moorehead believes that those two sports are on the incline in intercollegiate competition and feels that the State Teachers Colleges should add them to their sports programs. Not only do they offer another sport for competition but they are the kind of activities which may be followed after graduation from college.

The Committee for next year, composed of Coach Buchheit, chairman, Coach Pucillo, of Millersville, and Coach Gulian, of Shippensburg, will consider the suggestion made, and it is entirely possible that the two sports will be included in the state meet for 1936.

defend the new School record in the discus which he has set this year. "Tommy" has also given us points in other events. He numbers five firsts, one second, and one third. He had one second and one third in the State meet. His contribution was 34 points.

Line, the hurdles man, is also a Senior. He has been a valuable athlete during his four years stay. He had one fourth place in the State meet. With four seconds, two thirds, and two ties for third place with two others, he has given 18 2-3 points.

Other track men and their contributions for the season in track are as follows: Kafchinski, three second places, nine points; Davison, two second places, one third, and one tie for third, 7 1-2 points; D. Litwhiler, one second place and two thirds, five points; Laubach, two thirds and one tie with two others for third, 2 1-3 points; Cohen, one first, and one tie with two others for third, 5 1-3 points; Lau, one second place, 8 points; Champi; one third place, 1 point; Harmon, one third and a tie with two others for third, 1 1-3 points; L. Dixon, one second place, 8 points; Mericle, one third place, 1 point.

# HUSKY NINE, UNDEFEATED, READY TO CLAIM STATE TEACHERS TITLE

## NINETEEN CONSECUTIVE WINS FOR COACH NELSON'S MEN

### Eleven Victories This Season

Nineteen consecutive victories. That sounds exactly like "Rube" Marquard of the New York Giants, but it is the B.S.T.C. baseball team's record of two years.

The Pennsylvania State Teachers College Champs need only one more victory to complete an undefeated season. The only blot on the 1934 season was the loss of the opener by a 17-5 score at Shippensburg. Thus we have now 19 consecutive wins.

The season in retrospect has many highlights, some of which deserve mention in these columns:

April 26—Vershinski and Kafchinski hit homers their first times at bat in a row against Kutztown. "Kobby" repeats in the fifth.

April 27—Dan Litwhiler clubs a triple to center with the bases full, and Joe Visotski catches his first game, at Millersville.

May 1—"Whitey" Moleski gives Mansfield one hit in 6 innings of relief pitching.

May 3—The team clubbing out 17 hits and McGee leaving the playing field for Kobby's with inning bid for a hit at Kutztown.

May 4—"Woody" Litwhiler's strike outs and 10 runs on 8 hits while entertaining Mansfield.

May 8—Moleski's perfect control as he beat Indiana 5-2.

May 9—Dan Litwhiler's first pitching start for B.S.T.C. easy as Lock Haven is beaten on the way home from Indiana.

May 11—"Ralph move over", as Stroud is beaten in a hot 12 inning game, 8-7, Riley showing us three hits.

May 14—Dan Litwhiler's throw to the plate in the 8th inning as Millersville dies, 11-5.

## MOLESKI WILL LEAD HUSKY GRID TEAM

### Coal Twp. Man Elected Captain; Was All-Teachers College Selection

### SUCCEEDS "DOC" HARTER

"Whitey" Moleski, stocky backfield star from Coal Twp. was elected captain of the football team for the season of 1935.

Moleski, a senior next year, has played an outstanding brand of football for the past three seasons, being one of the flashiest and fastest fullbacks to ever wear the colors of the Maroon and Gold on Mount Olympus. He is especially noted as an extraordinarily hard tackler.

The Coal Twp. youth was one of the three Huskies of last season who won places for themselves on the mythical All-Teacher's-College Eleven. In assuming the duties of captain for next year, Moleski will fill the shoes of "Doc" Harter, Bloomsburg's son. Moleski has been a letterman for three seasons.

## BLOOM LOSES 15 ATHLETES

### Most Of Them Are Lettermen

With the graduation exercises on Tuesday, May 28, Bloomsburg State Teachers College will suffer the loss of fifteen of its very best athletes, all men who have battled against the stiff competition offered in athletics in any college.

These men have come out of their struggles with victories and defeats, and it is with the deepest regret, but with the kindest wishes for success, that the students and supporters of Bloomsburg say adieu to them.

The following is the list of those who will say goodbye to Mount Olympus:

"Columbia" Clyde Kitch — our first four year man in football.

Ernest "Ernie" Line — a versatile athlete, on gridiron and on the cinders.

"Jack" Beck—though lacking in strength and brawn, superior in speed and knowledge of the game.

Francis "Speed" Sell—a grand old man; a lover of competition; a spirited captain of track and cross-country.

Louis "Bart" Bertoldi—a collector of trophies; a lover of first place position; the iron man of cross-country.

Gerald "Doc" Harter—the man with the educated toe; a real football player and no stuffed dummy when it comes to wrestling.

Pete "M-e-a-d" Kundra—a likeable, friendly, and courageous fighter on the football field; a quiet cool-headed man on the basketball court.

"Bill" Pietrusziak — a mass of brawn and muscle; an asset in any football game.

Ward Lichtel—a quiet, resourceful, and tricky backfield star.

Charles "Blackie" Blackburn — as smooth a basketball captain as ever any did see. Also a baseball player who saw little of the bench.

William "Bill" Reed—dangerous for any forward in basketball.

Walter "Wash" Washeleski—the silent athlete who lets action speak louder than words.

"Sam" Krauss—a fiery, tricky, and speedy figure on the wooden way and the tennis court. He was captain of the racquet-wielders for two years.

Anthony "Tony" Shakofski—a persistent figure on the Husky Five, the Nelson Nine, and the Koch Racquetmen.

Samuel "Gold-dust" Rowlands—Sam took up the work left open by the departure of Valente.

## M. H. PALM EMPHASIZES IMPORTANCE OF SPORTS

Continued from first page  
... Some things we derive from football which we can't get from books. One thing is the control of emotions—essential to any walk of life. It controls especially the emotions of jealousy and pride.

The presentation of women's awards was by Miss L. McCammon. Mr. G. Buchheit presented the football and basketball awards, and those of baseball, track, and tennis by Mr. J. C. Koch.

Dr. E. H. Nelson, who was to speak of the athletics at Bloomsburg, surprised and disappointed everyone by speaking for only a few minutes.

The group singing during the program was conducted by Miss Harriet Moore and the symphony orchestra was under the direction of Mr. E. F. Fanstemaker.

# SELL, BERTOLDI RUN TOTAL 170 MILES FOR BLOOMSBURG

Francis Sell and Louis Bertoldi, two graduating students who have done more running together during their college careers than has ever been known at Bloomsburg before, have covered a total of over 170 miles in racing under the colors of the Maroon and Gold.

This total was revealed yesterday in a general check-up of track and cross-country running at Bloomsburg. Sell is recorded as having run 86 1-4 miles during his four years on the local campus, while his running mate, Bertoldi, is credited with a total of 88 1-5 miles during two years at Bloomsburg.

The following gives a more complete cross section of the running careers of the two men:

### Sell's Record

Altogether, Sell participated in 77 races. Of this number he may boast of finishing in first place seven times; in second place, five times; third place, 10 times; and fourth place, four times. Thus he placed in 36 of the 47 races he entered. His order of finish in the races is as follows: 220 yard dash, one third; 440 yard dash, four firsts and three thirds; 880-yard run, eleven firsts, one second, one third, and one fourth; one-mile run, one second and three thirds; cross country, two firsts, two seconds, two thirds, and one fourth.

### Bertoldi's Record

Bertoldi, on the other hand, participated in 37 races. Of this number he finished in first place twelve times; second place, thirteen times; third place, four times; fourth place, four times. His record of wins as compared with events entered, then, is placement in 34 of the 37 races entered. In the 880 yard run, he had two seconds, one third; in the mile run he is credited with four firsts, three seconds, one third, and three fourths. The results of the two-mile run show that he placed first, four times; second, six times; third, once. In cross country runs, he was first, four times; second, two times; third, once; and fourth, once.

## PHILLIPS CAPTAIN BASKETBALL TEAM

Edward Phillips, Senior next year, was elected Captain of basketball for the season of 1936, according to announcement from Coach George Buchheit.

Phillips, who has already played three years of varsity basketball, is looked upon by many townspeople as being a very good choice, principally because of his cool, calm style of playing. No matter what the score is or how exciting the game may be, "edge" Phillips always continues in his distinctive, easy fashion.

Before coming to Bloomsburg, the newly-elected Captain made a name for himself in basketball at Newport, Pa.

## "COBBY" PITCHES COLLEGE TO WIN

Saving his regular pitchers for Saturday's game Coach E. H. Nelson started "Pop" Kafchinski on the mound to help defeat Lock Haven Teachers 10-3.

The big first baseman went seven innings, allowing only six hits, before he was relieved by Dan Slavin, Freshman prospect for next season. He was touched for three hits and a pair of runs, including a homer by Kipp.

The win yesterday was the eleventh straight for this season and the nineteenth consecutive in two years. Woody Litwhiler and "Whitey" Moleski, first string pitchers, watched the game from the bench, being held for the important Alumni Day battle here Saturday against the strong Indiana Teachers.

Bloomsburg dominated all departments of play. Lock Haven was poor on the defense and errors of omission were particularly detrimental to their cause.

The Huskies lost no time in starting. Charlie Blackburn, lead off man, blasted the ball over the left field fence for a homer in the first.

In the second Kashner walked, Visotski doubled and Rompalo singled for two more runs. The game was put in the victory column with five in the third. Kafchinski, Danny Litwhiler and Riley opened with singles. That finished Dressler and Earon replaced him. He fanned Beck but Karshner singled, Visotski was hit by a pitched ball, Blackburn singled and Rompalo beat out a bunt.

In the fourth Kafchinski singled, stole second, went to third on Moon's error and scored on Riley's single to left. In the sixth Danny Litwhiler tripled and scored on Kepp's error.

Lock Haven scored one in the seventh with two down when Kipp doubled and Eld and Myers singled. They got two in the ninth when Shevock singled to right and Kipp hit

## 1935 OBITER ISSUED; DEDICATED TO MR. HARTLINE

The 1935 edition of the college year-book, the Obiter, was issued to the students yesterday and today.

Throughout the entire book pictures and material in keeping with the theme are included. The theme of "Great Education" is considered rather unique and quite fitting, for a college of education.

Mr. Gerald Wolfson, of Scranton, is Editor of this year's annual, while the business and advertising were handled by John Butler.

## FAVORS GOLF AND TENNIS AS ADDITION TO CHAMPIONSHIP MEET

Asked if he favors the organization of State championship meets in golf and tennis, Coach Buchheit, chairman of the meet committee, expressed the opinion that, if such were to be organized, it must be preceded by a careful analysis of the current interest in those sports at the various institutions.

"I do not advocate going into those sports on a championship basis unless interest is shown by enough colleges", Mr. Buchheit said. However, he is of the opinion that the suggestion will be carried out.

a homer over the left field fence. Slavin retired the next three easily.

## DR. H. HARRISON RUSSELL ELECTED NATIONAL PRES. GAMMA THETA UPSILON

### Considered High Distinction

At the annual Founder's Day Banquet of the Delta Chapter of the Gamma Theta Upsilon, a surprise announcement was made by President Elmer McKechnie, acting toastmaster, of the election of Dr. H. Harrison Russell to the national presidency of the Gamma Theta Upsilon, national professional geographic fraternity. He succeeds Dr. Douglas Ridgley, well known author of several textbooks on geography.

Dr. Russell is well qualified to succeed Dr. Ridgley in this capacity. He received his Doctor of Philosophy Degree in geography from Clark University, considered one of the greatest institutions for graduate work in geography. He is a member of the National Geographic Society, the requirements of which are to do a certain amount of outstanding research work each year. Dr. Russell has collaborated with another author in compiling a geography pamphlet now in use on our campus.

The requirements for admission to this fraternity are based upon a certain number of credits in the field of geography in addition to those which are required. A rating above the average in geography and an accumulative average in general scholastic work above par are also required for admission.

At the present time there are thirty chapters scattered throughout the country. This is rather large when taking into consideration the fact that geography as a separate course of study is still in its infancy.

Delta Chapter, one of the most active of all has been in existence four years. It has the honor of having one of the most distinguished geographers in the world, Rear Admiral Richard E. Byrd, as an honorary member.

### '34 Laurel Princess Speaks At Waller Hall House Meeting

Violet Brown, of Carlisle, Elected New President and Assumes Charge Of Meeting

Waller Hall girls held their last meeting of the year on the evening of Monday, May 13. Miss Louise Yeager, the Laurel Princess of last year, gave a very interesting talk on her stay at the Poconos. Miss Charlotte Hochberg was selected as the Princess for this year.

Miss Violet Brown, next year's president, took charge of the meeting. The vice-president is Rachel Williams. The corresponding secretary, Jean Phillips; recording secretary, Julia Schlegel, and treasurer, Victoria Muskalo. The following is the list of chairmen for the various committees: customs, Gladys Brennan; temporary social committee, Sally Davies; upper classmen advisor, Amanda Walsh, and freshman advisor, Audrey Fleming. An official delegation of three girls will be entertained at Lock Haven this week.

### JUNIORS ELECT NEW OFFICERS

#### Mr. Wilson Will Be Advisor

At the last meeting of the Junior class for this year David Mayer, Commercial student from Laketon, Pa., was elected President of the Senior class for next term, and Mary Kuhn was chosen Treasurer for the fourth consecutive time, having acted in that capacity since her Freshman year at Bloomsburg.

The vote for vice president ended in a deadlock between Howard Waite and Howard Bevilacqua, thus necessitating a re-vote for that office some time in the future. The position of Secretary will be filled by Mary J. Fink, of Cunningham. Earl Kershner and Mary Kuhn were chosen Representatives to the Student Council.

For advisor the class of 1936 selected Mr. Samuel Wilson, Head of the English Department. Mr. Howard Fenstermaker acted as advisor during the past two semesters.

### ADD NEW SIDEWALKS

Concrete sidewalks have just been placed along the foot of the grass terrace facing the street between Science and Carver Halls.

The work of improving the front of that particular section of campus began slightly over a year ago, when the old terrace, consisting mostly of vines, was torn out and a new one made.

It has been the policy of the College for several years now to have something new for each Alumni Day. During the past few years new walks were placed in almost all parts of the campus and new concrete steps put in front of Carver Hall.

### GEOGRAPHICAL SOCIETY MAKES ANNUAL TRIP TO KITCHENS CREEK

On Thursday, May 16, members of the Geography Club and the Gamma Theta Upsilon with Dr. H. H. Russell as their leader, journeyed to Kitchen Creek Falls for the annual outing conducted by the Geography Club. Starting from the campus at eight-thirty, the club traveled in cars the entire way. The first stop was made several miles north of Benton where Dr. Russell pointed out to the party evidences of the Terminal Moraine of the last glacier that swept down over our country thousands of centuries ago. Another stop was made at the Observation Tower on the southern part of the Ricketts Estate. Dr. Russell pointed out several interesting features of the landscape, showing where fairly new valleys had cut through the Piedmont Plateau to the valleys below.

The tour of the Falls proved interesting to all. Numerous examples of erosion were in evidence, and a variety of flowers were noted. Many members of the club mentioned the fact that they hoped the national government would take over the Falls and retain their beauty. Dinner and supper were eaten at the foot of the falls.

State College, Pa., May 20—Dorothy Anderson of Butler, has won a place on Penn State's tennis team this season, and is probably the first co-ed on any varsity college team.

## CHARLES MICHAEL TO EDIT 1936 YEARBOOK VINISKY, BUS. MANAGER

### Work Already Begun on Edition

Charles Michael, of Delano, was elected Editor of the Obiter for 1936, and Francis Vinisky, from Simpson, will be Business Manager.

The two elections were made in connection with the general Junior class elections recently held. Mr. Michael is one of the most active members of his class, having served as President of the Y.M.C.A., Vice President of Glee Club, Vice President of Gamma Theta Upsilon, and Assistant Manager of Football. He has had two years experience on the staff of the Maroon and Gold. Mr. Vinsky has been quite active as a member of the Commerce Department and has served as Treasurer of the Junior Chamber of Commerce.

The two officers have already begun work on the College annual and expect to have all contracts signed some time this week. Several of the staff for next year have been named and the work of organizing for publication is well underway. One new feature for the book has already been decided upon and several others are being considered.

### HANDBOOK ABOUT READY FOR PRINTER'S INK

Except for a few small changes and the addition of material which is now unavailable, the 1935 Handbook is practically ready to go to the printers.

This marks a decided improvement over the system used last year in not selecting the Committee until about the last month of the term. The Handbook for last year was not even begun until the last few weeks in May.

### High Schools Visit Campus

Mrs. Flossie D. Strausser, Principal, and the members of the Senior class of the Ralpho Township High School at Elysburg visited the college Tuesday, May 14.

Some Senior girls of Sunbury High School who are interested in B.S.T.C. have been invited to visit the College on Saturday, May 18. The Senior girls of the Catawissa High School have been invited to come at the same time.

### SCHOLASTIC FRATERNITY PRESENTS KEY TO PROF. REAMS AT FOUNDERS DAY

Phi Sigma Pi, national honorary scholastic fraternity and the only men's fraternity on the Bloomsburg Teachers College campus, enjoyed Founders Day with a banquet at the Rose Tea Room, Light Street, during which the address was made by Ted P. Smith, principal of Sunbury High School and the fraternity presented a key to Prof. Edwin A. Reams, faculty sponsor since the fraternity placed a chapter at Bloomsburg. Stanley Heimbach, the president, made the presentation to the popular sponsor. Other officers are Clarence Slater, vice president; William Morgan, secretary; Anthony Shakofski, treasurer. Carl Riggs, an alumnus was a guest.

Miss Anderson who stands high in her class scholastically, takes her tennis seriously and is never flustered by her male opponents. She has already taken part in three varsity meets and has easily defeated her opponents from Carnegie Tech, Bucknell and Gettysburg.

## PROPOSE NEW PLANS FOR ALL-TEACHER-COLLEGE FOOTBALL SELECTIONS

Plans for the selection of another All-Teachers-College football team for next year are already being made and will be proposed to the Sports Editors of the other Teachers College newspapers early in the Fall, before the season opens.

The plans, which are being formulated by Gilbert Kline and Charles Michael, of the local staff, show promise of being a decided improvement over those of last year, which were set up in such a hurry that they were not of the exact nature desired.

Next year it is proposed that each College send the names and position of the outstanding players on their opponent's team after each game, whether the game is played at home or on foreign soil. The names will be sent in a sealed envelope to the office of one of the nearby newspapers, where the Sports Editor has been gracious enough to offer to handle the situation. Then, at the end of the season, all envelopes will be opened and the votes recorded.

The men who are working on the plan also have under consideration the formulation of a point system to be used.

## COLLEGE MAY DAY COLORFUL AFFAIR

Girls and members of the faculties from eleven of the county high schools were the guests, Wednesday, May 15, at the annual College May Day exercises held during the morning and afternoon.

Almost one hundred guests and over a thousand spectators helped to make the celebration the most colorful and most picturesque ever staged on the athletic field. Invitations had been sent to all the county high schools and the following accepted and were represented on the Campus: Bloomsburg, Berwick, Catawissa, Sugarloaf, Scott, Centre, Millville, Orangeville, Mifflin, Aristes and Mount Pleasant.

An acquaintance meeting was held in the auditorium at 9:00 o'clock. At this meeting two girls from each school met in groups. There was a special assembly program at ten o'clock with a musical program and play presented for their enjoyment. At eleven o'clock games were played.

After lunch in the College dining hall, the game period started and continued until almost time for the College May Day Dances, at 8:30 o'clock. The dances by College students were in charge of Miss Lucy McCammon, Director of Physical Education for Women. Practically all the women of the gym classes assumed an active part in the festivities of the day. Music was under the direction of Miss Moore and Mrs. Keller.

### RABER SEELY EXPECTED BACK

According to present arrangements for next season, Raber Seely, of Berwick, will again assist Coach George Buchelt as football mentor for the 1935 season.

Last season the Gettysburg graduate pepped up the College line considerably, and his services will again be a great aid to the local Coach who is kept busy with the backfield.

Anyone desiring entertainment at no cost is directed to the meeting of the poetry committee, where poems of all kinds are read. Best one so far ended something like this—  
"Poems are made by fools like me  
But only God could make Marie."

## MAROON AND GOLD PLANS PRESS CLUB AND JOURNALISM CONTEST

### WILL ORGANIZE IN THE FALL

Definite plans are already underway for the establishment on the campus of a Press Club to operate on an honorary basis.

The club will be organized and charter members taken in early in the Fall and will have an active part in the instruction of staff members of the Maroon and Gold and in the publication of the college paper for next year. A class in journalism may be organized for the benefit of anyone interested in the work, and will be planned to suit the professional needs of prospective teachers.

Also included in the present plans is the sponsoring of a journalism contest for high schools and the establishment of an open criticism service at all times for our scholastic neighbors.

A special questionnaire investigating into the interest of high schools in such a contest will be sent out in September and if enough response is shown, arrangements for the contest will be made.

### FATHER GAST WILL DELIVER SERMON FOR COMMENCEMENT

At 2:30 in the afternoon of Sunday, May 26, the annual Baccalaureate services will be held in the college auditorium. Father Gast, pastor of the Episcopal church of Bloomsburg and a loyal friend of the college, will deliver the baccalaureate sermon to the graduates of the sixty-sixth commencement. The theme of his sermon will not be known until it is expressed during the services.

When the time for the service arrives, the graduates will enter the auditorium by the rear entrance, and with the class officers heading the procession, will march in order down the aisles filling in the front seats. Following them will come the members of the faculty, also in caps and gowns.

Under the direction of Miss Moore and accompanied by Mrs. Keller, the Women's Chorus will sing several selections. The college string trio will also play several numbers. Seats will not be reserved for the baccalaureate sermon.

Immediately following the ceremony, a representative from the Geist-White studio will take the picture of the class in their caps and gowns, and the picture will be on sale for all members of the student body.

### CATAWISSA HIGH SENIORS ARE GUESTS AT COLLEGE

Members of the Senior class of Catawissa High School were entertained at the Teachers College Saturday. The party was in charge of Miss Ella Knittle and Gerald Hartman, of the Catawissa faculty. It reached the College in the morning and had lunch there. The group was shown over the campus and through the buildings and in the afternoon enjoyed the tennis match and baseball game with Shippensburg.

### DR. KEHR SPEAKS

On Thursday morning, May 9, Dr. M. W. Kehr spoke to the girls of Sunbury High School on the subject, "Choosing a Vocation."

On Saturday afternoon, May 11, Miss Kehr spoke on the same subject to the senior girls of Catawissa High School at a tea given by the Catawissa Delta Society.

### ACADEMIC GOWNS EXPLAINED BY DR. KEHR

Dean Kehr, in an interesting talk in chapel Monday, May 20, gave the meaning of the various types of academic gowns worn by graduates.

There are many kinds of academic gowns, ranging from the plain black representing the baccalaureate to the those with beautiful hoods given for honorary and doctor's degrees.

The hood used in the gowns has been evolved from the hood worn by monks in the monasteries. The process of evolution has been a long one, but the resemblance to the original monk's hood can still be seen.

Some of the more handsome gowns have silken bars on the sleeves, which are of various shapes according to one's degree or field. Light blue used on a gown means the field of education.

During her talk, Dr. Kehr used the gowns lent by several faculty members, and worn by some of our students. Gowns belonging to Dr. Haas, Dr. Russell, and Miss Moore, and Dr. Kehr were shown to the student body.

#### Elementary

### EDITOR ANSWERS SOME QUESTIONS ASKED BY HIGH SCHOOL STUDENTS

#### 1. Where is Bloomsburg and how can I get there?

Bloomsburg is the County seat of Columbia County, Pennsylvania, one of the most picturesque sections of the state. The town may be reached over the Pennsylvania, Lackawanna or Reading Railroads, or over the Greyhound Bus Lines. Fine, concrete highways make the town easily accessible from all other towns and cities.

#### 2. Is Bloomsburg an interesting place in which to spend four years of college life?

Bloomsburg alumni always boasts of the town in which they received their college training. The town is made up of 10,000 English-speaking people, all of whom find satisfaction and delight in the prevailing cleanliness, the wide streets, interesting business section, fine church facilities, theatre, etc.

#### 3. What is the purpose of the State Teachers College at Bloomsburg?

The State Teachers College was established for the strict purpose of preparing and training its students to teach in the public schools, from the kindergarten up through the Junior and Senior High Schools. It grants, by state authority, the Bachelor of Science Degree in Education upon its graduates.

#### 4. What are the entrance requirements?

Briefly—graduation from an approved four-year high school, ability shown by graduation in the upper half of your class, good health, and a character and a personality which give promise of professional development.

#### 5. Am I excluded if I graduate in the lower half of my class?

If recommended by the High School Principal an opportunity will be given to enter by examination.

#### 6. What am I qualified to teach after graduation from the State Teachers College at Bloomsburg?

What you may teach depends upon what you chose to study at College. You register in any one curriculum, according to the grades you wish to teach. This may be the Primary, Intermediate, Secondary or Commercial. Special subjects for intensive study are selected within the first three of these curricula. The Commercial Curriculum is included in a department by itself and prepares students to teach all the usual high school commercial subjects. Because the class is limited to thirty-five students, early application for entrance is advisable.

#### 7. Need I have Commercial work in High School in order to take Commercial Course at Bloomsburg?

No. Instruction at Bloomsburg is so given that any graduate of an approved four-year-high school who meets the regular entrance requirements may take the course.

#### 8. What is meant by the term—Elective Fields?

Each candidate who desires to teach in a high school has certain subjects in mind which he would prefer to teach. At the beginning of his Sophomore year he chooses at least two fields in which he specializes for the ensuing three years. He may select two fields from the following: English, Latin, French, Social Studies, Geography, Science and Mathematics.

#### 9. Is it possible to secure certification in more than two fields?

Yes. Capable students usually have three fields, and by the judicious use of free electives and summer sessions may be certified in more than three.

#### 10. Is it necessary to attend college the full four years in order to teach.

An elementary or grade teacher may secure a State Limited Certificate at the end of two years. This can be renewed by earning twelve additional semester hours of credit by the end of the third year following the issue of the certificate.

#### 11. Has the College good Dormitory Accommodations?

Yes. For women students very pleasant and well furnished rooms are available in Waller Hall. Shower baths and an elevator to all floors adds to the comfort of the students. Laundry is taken care of by a modern steam laundry, which is the latest building on the campus.

Men students may live in North Hall, a well-equipped dormitory having steam heat, showers, etc.

#### 12. What provision has been made for Day Students?

Day Students will find accommodations equal for their purpose to those for Boarding Students. Day Women maintain a large, well-furnished room, comfortable in every way, with an adjoining room for the noon-day meal. Day Men also have a large and well-furnished room, located on the first floor of Carver Hall and easily accessible to the lockers.

#### 13. What is the total enrollment at Bloomsburg?

The usual enrollment of regular students numbers between 650 and 700, about 250 to 300 being men.

#### 14. Are there ample library facilities?

Bloomsburg has a library of over 15,000 volumes and an abundance of magazines, newspapers, pamphlets, mounted material and moving picture films. Two trained librarians make it possible to have the library open almost all day and all evening.

#### 15. Are Students allowed a part in College Government?

Yes. The Community Government Association, made up of all students in the College, aims to cooperate with the responsible school authorities in guiding and regulating the affairs of all students under the jurisdiction of the College. The Student Council meets every two weeks and is made up of representatives from each of the four classes and from other organizations.

#### 16. Has the College a good Social Calendar?

Dances head the list of the many social activities; each class sponsoring one in addition to several by other organizations. Two social Rooms; one in Noetting Hall and one in Science Hall, and the Gymnasium furnish ample space for dances.

#### 17. Nothing has been said yet of Extra-Curriculars. Are there many?

A fine gymnasium and large athletic fields, together with tennis courts and other playground space, provide places for the development of excellent representation in all intercollegiate sports. Strong teams are met in football, basketball, track and tennis, and the College always puts out good teams in those sports. Wrestling is the latest intercollegiate sport to be added to the program, while handball, tennis, volley-ball, foul-shooting, basketball, cageball and indoor baseball constitute the intra-mural program.

Women students find plenty of opportunity for hiking, cageball, basketball, camping trips, hockey, skating, horseback riding, etc.

The Dramatic Club, Glee Club for men, Women's Chorus, Symphony Orchestra, Band provide another means of culture and expression. The Y. M.C.A. and Y.W.C.A. have clubs on the campus. Professional and Honorary Fraternities also offer opportunities to carry the expression of professional spirit into the students' extra-curricular life.

For those who write for pastime there are the publications consisting chiefly of the college newspaper, Maroon and Gold, and the college year book, the Obliter.

#### 18. Do I have to pay every time I attend a ball game or a concert?

No. The Activities Fee paid by all students at the opening of the semester admits each student to all athletic events, concerts and lectures given under the direction of the college. All students are thus free to go to all football, basketball and baseball games.

The finest musical organizations and Concert Stars are engaged for the Entertainment Courses offered by the college.

#### 19. What is my first step if I wish to enter the State Teachers College at Bloomsburg?

Write to the Dean of Instruction, William B. Suttiff, and request him to send you the Application Blanks
