Bloomsburg 1st, Berwick 2nd in Class "A"; Nether Twp. Wins Class "B"

The close of the ninth annual Commercial Contest sponsored by the Bloomsburg State Teachers College found the team from Bloomsburg High School victor over 15 other high schools with the highest total ever amassed by one team in the history of commercial competition.

Second place was taken by Berwick High School, with eleven points, Ridley Park third with ten, Abington fourth with seven, Fountain Hill fifth with five, and Wyoming sixth with two. Other schools entered were: Sunbury, Sayre, Reading, LeMoyne, Mount Carmel, Clifton Neights, Muhlenburg Township, Kingston, and West Hazleton.

Class B

In class B competition, Nether Township finished on top with 12 points. The other winners followed in the following order: Catawissa, Scott, Treverton, Slatington, 5 points each; Tunkhannock, Ashland, Springfield, Arendtsville, 3 each; Stroudsburg, Wilkes-Barre Township, Cass Township, 2 each.

Yesterday's Program Reminiscent of 1839

The program in chapel yesterday consisted of the pageant that will be presented for the Alumni Centennial Exercises on May 26 by the combined associations of the Day Women and Day Men. The pageant was entitled "The Passing Review in Style and Song." Costumes and songs dating back to 1839 and through the years to the present day were used.

NORTH HALL ELECTION

The North Hall Student Government Association of the Bloomsburg State Teachers College, comprising the men students who board at the college, elected officers to represent them for the 1939-40 term.

The following officers were selected to head the group: president, John Plevyak, Carbondale; vice-president, Alfred Washleski, Simpson; Robert Webb, Pine Grove, Secretary; and treasurer, Arthur Davis, Taylor.

Willard Christian Is Ivy Day Orator

Shamokin Student Named in Election by Seniors

In a recent election held by the Senior Class to select the Ivy Day Orator, Willard Christian, Shamokin, was chosen to deliver the address.

Mr. Christian was graduated from Shamokin High School in 1934, and entered Bloomsburg State Teachers College the following year, enrolling in the Business Education Department.

LIST THIRTEEN NUMBERS FOR CENTENNIAL PROG.

Miss Mary Whitenight released a list of the acts which will feature the centennial program this year. Thirteen events are scheduled to make up this part of the revue.

The events include: jumping rope act, marching, Indian clubs, clown act, group tap dancing, solo tap dancing, social dancing through the ages, wands, modern dance, training school dances, high school events, ships, boy's tumbling.

Saxophone Recitalist In Auditorium Friday

Mr. Cecil Leeson and Piano Accompanist in Tour Of Country

Mr. Cecil Lesson, saxophone recitalist, will appear on the Bloomsburg campus next Friday morning to present a program during the auditorium period. Mr. Lesson, accompanied by Mr. Joseph Wagner, pianist, are touring the country, and last week appeared at Indiana State Teachers College as part of the evening artists course. Reports from the Indiana Penn, school paper of that college, indicate that Mr. Lesson was received with great acclaim.

Mr. Lesson displays the capacity of the saxophone for really beautiful solo work. The Indiana Penn has this to say: "There was a grave sweetness of tone, a sonority in the lower register, and a purity in the upper range suggestive now of the English horn, now of the clarinet, now of the French horn."

With numbers chosen from various fields of musical literature, including some of his own arrangements, Mr. Lesson exhibits a technic of refinement, a delicacy of detail, a beauty of phrasing and of color that makes his program most enjoyable.

May Day Exercises Pageant of Color

A large and unique program is being planned for May Day, May 17, when the May Queen and her court, representing the pinnacle of pulchritude of Bloomsburg's Coeds, present the annual pageant of color and beauty that mark this day.

The "B" Club will act as hostess to the guests who have been invited from nearby high schools to share in the fun of Play Day.

The college program will follow the traditional form, but a new feature

Miss Donnabelle Smith Selected Queen of May

Miss Donnabelle Smith, a Senior enrolled in the Business Education Department at Bloomsburg State Teachers College, will preside over festivities on May Day this year, having been elected by the student body to reign as Queen of the May.

Attending Miss Smith as attendants to the Queen, will be: Annabel Bailey, Secondary, of Danville; Virginia Burke, Elementary, Towanda; Elizabeth Jenkins, Secondary, Edwardsville; Ruth Kleffman, Commercial, York; Marguerite Lonergan, Commercial, Berwick; Jane Oswald, Commercial, Allentown; Anne Seesholtz, Secondary, Tower City; and Jennis Tewksbury, Meshoppen.

will be added. This feature will be in the form of a dance, the participants of which will wear costumes of 17th century.

The Benjamin Franklin Training School program is made up of dances and games made popular by recent revivals in pictures and in popular music. Second grade children will be dressed like children of 100 years ago.

Campus Organizations Elect Officers for Next Year

HELEN POWELL ELECTED WALLER HALL PRESIDENT

The Waller Hall Association elected recently to govern the group next year. Miss Helen Powell, junior elementary, of Nanticoke, was chosen president. Other officers include: vice-president, Mary Swelgart, Lancaster; secretary, Virginia Hughes, Wilkes-Barre; treasurer, Helen Johnson, Galeton; junior representative, Marjorie Young, Kingston; senior representatives, Eleanor Cooper, Laffin, Mary Davis Kingston, and Betty Larrue, East Berlin; sophomores, Ruth Baird, Mill City; Altha Stiles, Red Lion; Ruth James, Taylor.

DAY WOMEN ELECT OFFICERS FOR 1940

In a recent election the Day Women's Association selected the following students as officers for next year: president, Kathryn Walp, Berwick; vice-president, Barbara Straub, Berwick; senior representatives, Mary Stine, Numidia, Josephine Brown, Bloomsburg; junior representatives, Eldra Henrie, Mifflinville, Ruth Brandon, Berwick; sophomore representatives, Ida Jane Shippe, Berwick, Mary Davenport, Berwick.

GERALD FRITZ TO EDIT '39-40 MAROON AND GOLD

In the election for editor of the Maroon and Gold for next year, Gerald Fritz, Sophomore Secondary, of Berwick, was selected from the three candidates to fill the position. Other candidates in the election, in which the entire college voted, were Gwladys Jones, Junior Secondary, and Joseph Hudock, Sophomore Secondary.

BUD SMITH TO PRESIDE OVER DAY MEN'S GROUP

In the Day Men's Association election held last Friday, four new officers were chosen to head the organization for next year. Officers chosen were: Miles Smith, Berwick, president; Byron Shiner, Berwick, vice-president; Ed Balchunas, Shamokin, secretary; David Snyder, Catawissa, treasurer.

Plans are under way for a party to be held in the Day Men's Rooms.

GEOGRAPHY FRATERNITY

The Bloomsburg chapter of Gamma Theta Upsilon, national geography fraternity, recently elected officers for next year. The following people were chosen to head the group: Paul Kokitas, president; Lillian Yeager, vice-president; Bruce Miller, recording secretary; Gerald Fritz, corresponding secretary; Dorothy Derr, treasurer; and Eunice Laubach, representative to the interfraternity council.

The annual banquet for the geography fraternity was staged at Rose's Team Room, Light Street Road. Invitations have been sent out to all former members to attend.

Complete Plans For Centennial Here May 26, 27

Celebration Expected To Be Biggest College Event in Hundred Years

* Plans are being rapidly completed for the Centennial Celebration which will be featured on the Bloomsburg campus Friday and Saturday, May 26 and 27. The program for the two-day event has been finished, and from all indications, this affair will mark the biggest thing ever attempted by the Bloomsburg State Teachers College.

The program for the celebration follows:

May 26 Alumni - Community Day

10:30 A. M. Inspection of All College facilities and exhibitions of College and Training School activities capable of visual presentation.

The exhibition will consist of files of all Student, College, and Alumni publications, publications of faculty members and graduates, pictures, charts, and maps covering the various activities and functions of the college.

11:00 A. M. Presentation of the Frances H. Jenkins Memorial Picture—Alumni Room.

12:30 P. M. Luncheon Service—College Dining Room. Available by securing tickets in advance from the Business Office.

3:30 P. M. Sports Program—New Gymnasium. This program will be presented by selected groups of students, pupils from the Benjamin Franklin Training School, and the Bloomsburg High School Gym Team.

6:30 P. M. Dinner Service—College Dining Room. Tickets should be secured in advance from the Business Office.

Tolerance

May 1 was Americanism Day. How many of us gave it any thought? In our perpetual damning of the authorities both civil and otherwise, how many of us stopped to realize the privileges we have in this country? If we don't like something one of our teachers does, we shout to high heaven that we're being abused, that the teacher is unfair and that from college students yet. In any other country we wouldn't be allowed to express our opinions even to our own friends. We'd take it and like it.

We've got the greatest country on the face of the globe. We have the best people, the most beautiful countryside, the most industries, all the fundamental liberties which are a freshman's due, and advantages the like of which are not to be found elsewhere. Let's think of them and be thankful, not abuse them by indiscriminate criticism of anything that comes along. It is the mark of an educated man to realize that nobody is perfect, and to be broadminded about the faults of others. Tolerance is the basis on which this country was founded. Let's not forget it.

Welcome Alumni

Note: For the remaining issues of the Maroon and Gold, the editorials will be unsolicited articles written by students expressing their views on the Centennial Celebration to be staged on the campus May 26 and 27. There is a standing invitation to one and all to express their opinion in this way.

Your Alma Mater is stretching forth eager arms to welcome you back. Alumni Days, May 26 and 27 will mark the 100th Anniversary of "Old Bloomsburg"—A full century of service!

A fine program has been planned in honor of this momentous occasion and each and every friend of Bloomsburg will find a hearty welcome awaiting him. In addition, the new buildings will be open for inspection.

You have no doubt been informed of the Alumni Project. This year, instead of some material gift such as a monument, the Alumni is endeavoring to increase the Student Loan Fund. Because of this Fund many worthy students have been able to complete school who otherwise would not have been able to do so. The Fund has been in operation for 45 years and, to date, not a dollar has been lost because of misplaced confidence. Truly this is a noble project.

Books and Authors

by Paul Kokitas

Up to July 1938 there has been sold 1,425,000 copies of Margaret Mitchell's novel "Gone With the Wind." In 1937 there were sold 729,000 copies of Dale Carnegie's book "How to Win Friends and Influence People." Kenneth Roberts novel, "Northwest Passage," has run over the 365,000 figure to date.

Theodore Roosevelt is known to have been a rapid reader of books. Though he liked Charles Dickens' novels immensely, he has this to say of the latter's works as well as all other writings, "the wise thing to do is simply to skip the bosh and twaddle and vulgarity and untruth and get the benefit out of the rest."

Napoleon Bonaparte made use of books at any convenient moment. He read often and widely. He had 800 books with him at the Battle of Waterloo. If he finished a book or if it did not seem interesting to him, he would fling it out of his coach window while traveling. It is said that much of the continent of Europe was strewn with volumes once owned by Napoleon.

Alexander Hamilton would walk the floors of his home for hours while engrossed in the latest books that came from London.

It is estimated that there are 50,000,000 books published in the United States every year.

In Russia 240,000,000 books are published each year. But few people can pay a high price for them so almost all are published in paper covers to sell at low rates.

The Russian masterpiece, "Crime and Punishment," by Dostoevsky, looked at from the psychological angle, is considered the most astounding and frightful book in all literature.

WITH A GRAIN OF SALT

As regards the European situation, I'm still curious as to what the Austrian people think of the transition in tempo from the three-quarter time made famous by Johann Strauss, and which we associated with Vienna, to the faster four beats of Hitler's goose-step.

Then there was the teacher who remarked in geography class last week that 'the reason so many people still think the world is flat is because they have never seen any of the round places.'

I'd like to see one of them myself.

One of the speakers said recently that he didn't mind people looking at their watches, but he did think it was going too far when they held the timepieces to their ears to see if they were still running.

Joe's lament last week was: "It seems that the only affair at which a man is needed anymore is a wedding."

Speaking of tempo again, it is easy to see how the rate of living has been stepped up. In the old days, if a man missed a stagecoach, he waited contentedly three or four days for the next one. Nowadays a man is extremely irked if he misses one section of a revolving door.

Another example of how things get around: If a girl wears too much rouge it will be on every man's lips.

AROUND THE CAMPI

Dr. Carleton Palmer, who lectured here this year on the "Joy of Pictures", as part of the entertainment course, is still engaged in a tour, and appeared at Kutztown State Teachers College last week.

Norman Thomas, several times candidate for president of the United States on the Socialist ticket, spoke at Shippensburg State Teachers College the other day on "America's Foreign Policy."

A current issue of the 'Keystonean,' publication of Scranton-Keystone Junior College, carried a picture of 1897 football team, of which Christy Mathewson was a member. This is especially interesting since Mathewson, long noted as the best pitcher that professional baseball ever knew, will be signally honored at the 100th anniversary celebration of the founding of baseball at Cooperstown, New York, in June.

The last issue of the De Sales Transcript, paper of the De Sales College, of Toledo, Ohio, carried his warning:

In the Spring a young man fancies less his classes,
 When winter's gamut's run, he cares not if he passes,
 So lads, to this wisdom listen;
 Watch closely classes you've been missen.

May 31 will see the retirement of Dr. Fausold, president of Indiana State Teachers College. Dr. Fausold leaves behind his retirement many years of sterling accomplishment and administration.

We thought you might be interested in this verse which originated in the Spectator, and which has been seen wide publication:

They find fault with the editor
 The stuff we print is rot
 The paper is about as peppy
 As a cemetery lot.
 The paper shows poor management
 The jokes, they say, are stale;
 The upper classmen holler
 The underclassmen wail.
 But when the paper's printed
 And the issue is on file
 If some one missed a copy,
 You could hear them yell a mile.

For your edification, the modern gentleman is defined thus, according to the Notre Dame News: "Till next time, remember, a gentleman, when he sees an empty seat in a street car, always points it out to a lady—then races her for it."

The home economics column of the "Court Page" offers this solution:
 First Bachelor Girl: "I'm so glad you dropped in for dinner. How do you like your rice?"
 Second Bachelor Girl: "Thrown at me."

THE FORUM SPEAKS

Is Hitler justified in all his demands? In taking what rightfully belongs to one there is no wrong. Therein Hitler bases his whole theory of justification. Ruthlessly he has entered countries belonging to Germany, and deprived them of the freedom which was theirs for so short a time. In doing this he took from them their sense of independence, and more important, caused them untold misery and suffering. Now we might ask: Is he justified in so doing if his aggression causes others to suffer? A man may take and take and take as long as in his taking he does not rob or hurt anyone else. Hitler has caused suffering. He has robbed others. We as onlookers question the justifiability on that score.

Would the youth of America be willing to fight in a war involving foreign countries on foreign ground? A recent census gave the following results: 94% of the boys answered in the negative. The remaining 6% advanced the reason for their doing so as being purely remunerative. In a measure they cannot be considered mercenary. The causes which they champion by such action places them in an unfavorable light.

Among the reasons given for not participating in a foreign war, these predominated: the war is not ours to fight; we have nothing to gain and everything to lose; our fathers have instilled within us the horror of war, stripping from it all glory and glamor—it is no longer some great exciting adventure, but rather a sordid, ugly, bloody mess to be avoided.

Maza Hurls 2-Hit Ball To Beat West Chester

Doc Nelson's baseball team snapped their losing streak at three when Norm Maza yielded but 2 hits to a powerful West Chester nine, and won 3 to 0.

Maza had things well under control all throughout the contest allowing only one man to reach second base, and two of the six that reached first safely did so on errors.

Bennish, West Chester right fielder collected the only two singles that the Killinger proteges could muster. He hit a single to center in the first inning and another safe bingle to the same spot in the fourth.

The Huskies scored two in the first on a walk, error, double, and single, and added another marker in the sixth when Giermak's long sacrifice fly scored Koniacko from third.

Three pitchers, Freveenheim, Heating, and Malsberger, worked on the mound for West Chester and were touched for a total of seven hits:

Huskies Win Pitching Duel with Crusaders

The strongest team Coach Alonzo Stagg, Jr. has had at Susquehanna in many years fell before the much-improved Huskies last Wednesday afternoon, 3-2.

All of the scoring was done in the first inning, and from then on it was a pitching duel between Maza, of Bloomsburg, and Hauff, sturdy right-hand Crusader hurler.

The Huskies scored when Harman walked, and scored on Koniacko's triple. Banta reached first on an error, and Koniacko scored from third. Banta then scampered home as Giermak grounded out.

A double by Helt, a single by Cornelius, and another double off the bat of pitcher Hauff accounted for the 2 Susquehanna scores.

BUILDING PROG. AGAIN HALTS SCHOLASTIC MEET

The annual invitation high school track meet sponsored by the Bloomsburg State Teachers College will be postponed for the second consecutive year because of the lack of facilities for holding the meet. Building operations on the campus for the college prevent holding the meet again this year, but it is hoped that next year will see the reinstatement of this event on the activity calendar.

Van Devender Leads Mates to Win Over Bucknell as Records Fall

Led by the brilliant Frank VanDevender, the Husky track team defeated a strong Bucknell squad at Lewisburg, last Wednesday, 72½ to 53½. Winning firsts in all of the track events and all but three field events Bloomsburg jumped into an early lead which they never relinquished and when the afternoon was over, three new Husky records had been established and two tied.

Dan Kemple started things off by running an outstanding race in the mile and breaking a 44 year-old record. His time was 4:22.2 seconds as compared with the former mark of 4:34 seconds made by Shivelhood back in 1895. Ken Hippensteel, regular two-miler had been sick and ran the shorter distance second to Kemple.

Kemple later came back in the half mile and would have made another record had he not slowed up and let

Reed, a teammate, finish in front. Reed's time was 2:05.6 seconds. The star distance runner again slowed up in the two mile run to let Howard Tomlinson in ahead and received much praise from Bucknell fans for his good sportsmanship.

In the dashes it was Frank VanDevender all the way, and the "Flying Van" was without doubt the outstanding performer of the meet. He ran the 100 in 9.9 seconds, tying the record set by Harry Van Gordon in 1936. He ran the 220-yard dash in a flat 22 seconds breaking Van Gordon's old mark of 22.1, set in 1936. In the 120 yard high hurdles he broke his own record of 16 seconds flat with a time of 15.8 seconds. Then running true to form he tied the record jointly with Van Gordon, with a time of 24.8 seconds, then finished third in the broad jump to compile a total of 21 points. Frank appears to

Husky Relay Combination Second To Record-breaking Hampton Team

Turn in 3:22.2 Mile at Penn Relay Carnival To Help Push Virginians to 3:21.4 Record

Coach George C. Buchheit's Huskies made a remarkable showing at the Penn Relays last week-end. The relay team composed of Van Devender, Mulhern, Jenkins, and Zelesky, were nosed out in record time by a sensational quartet of negro runners from Hampton. Hampton won the Class B college championship at the Relays last year and decided to enter the Teachers College Championship for the one mile relay this year. They covered the distance in 3:21.4 seconds for a new record. In finishing second the Huskies were clocked in 3:22.2, the fastest time they have run in competition. Montclair Teachers of New Jersey finished a poor third.

Earlier in the afternoon the relay team ran in a one mile college class event and won with ease in the time of 3:25.8 seconds. Rider College finished second, 30 yards behind the leaders and Wagner, Howard, LaSalle, Hofstra and Ithaca finished in this order.

Saturday morning Dan Bonham placed fifth in the javelin throw with a toss of 181 ft. ½ inch. Nick Valkmanic, National Champion from Penn State, won the event with a throw of 207 feet ¾ inches.

At the opening of the Relays the preceding afternoon, Dan Kemple, Husky miler, entered the 3000 meter steeple chase and finisher third after leading the field until the last lap. It was Kemple's first try in the steeple chase and his showing was outstanding as the distance was much greater than he usually runs. He also ran a leg for the relay team in the first race.

be rounding out a brilliant career on the cinder paths with his best year.

In the other dash, the 330, Harry Jenkins, who placed third in both hurdle events, won with Slim Zelesky running third. Jenkins time was 51.8.

Bonham had a first place in the javelin throw with a distance of 175 feet, 6 inches and Jenkins third with 164 ft. 6 inches. Danny also won first in the discuss with 122 ft. 10 inches and third in the shot put with 38 ft. 6 inches.

Clarence Parker was in a three way tie for first in the high jump at 5 ft. 9 inches, Bud Herbert was tie for third in the pole vault, and Van Devender assured Bloomsburg with victory by taking a third in the broad jump.

In the one mile relay Teachers College Championship Captain Frank Van Devender drew the pole position with Montclair, Hampton, West Chester and Tuskegee of Alabama. "Flying Van" hugged the inside of the track and passed "Slim" Zelesky the baton at the end of the first quarter with a lead of several yards over Montclair. At the half way Mark Hampton had pushed out in front with the Huskies second and Montclair third. Ed Mulhern and Harry Jenkins stepped off the last half mile in good time but not quite good enough for the Virginians who hit the tape 15 yards in front for a new Teachers College record of 3:21.4 seconds. The Huskies time of 3:23.4 was the fastest mile a Bloomsburg Relay team has ever run and it was done just forty-five minutes after they had completed their first race.

Coach Buchheit had intended to enter the relay team in only the Teachers College mile because he thought that the three year ruling of the Carnival would disqualify them in the class runs, but when he was informed by the officials that the team could run providing no freshmen were entered. Dan Kemple was immediately substituted for Harry Jenkins, and the team easily won over Rider by 30 yards.

In outclassing all other Teachers College teams at the Carnival, the Huskies placed in each of the four events they entered and compiled the finest record at the Relays of any team that has ever worn the Maroon and Gold.

Bucknell Summaries

Husky Winning Streak Unbroken In Four Seasons

Four Participants Wind-up College Careers as Team Downs Lock Haven

With a 74 2-3 to 51 1-3 triumph over Lock Haven here yesterday afternoon the Husky track team completed its fourth year of successive wins in dual competition, and Bloomsburg track enthusiasts saw the final performances of VanDevender, Mulhern, Zelesky and Parker.

While the boys lacked the drive and force shown in earlier meets this year, they were never in trouble during the afternoon and had no real reason for shooting at better records.

VanDevender for the first this year bowed to an opponent in the matter of individual point-earning, Hopkins of Lock Haven having garnered a total of 15 in four events. Jenkins, Husky frosh, was just behind the Lock Haven star with 13 points in five events. VanDevender of the Huskies and Nevins of Lock Haven each had 12 points.

Ball Team Defeats Danville Hospital

Score First Win Over Down-River Opponents by Score of 8-3

Coach Nelson's Husky nine defeated the Danville State Hospital team yesterday on the Danville diamond by a score of 8 to 3. This was the first Bloomsburg win in several years against their strong Danville opponents.

Pavlick, Freeland hurler, turned in a good performance on the mound for Bloomsburg, giving up only seven scattered hits.

New Equipment Adds To Efficiency of Lab.

The biology department of the college has increased its efficiency with the addition of new equipment. The laboratory has been furnished with 40 desks supplied with individual electrical outlets, in turn permitting the use of 40 new microscope lamps. Dr. Kuster feels that 40 students well accommodated are enough for one laboratory section. With these lamps it is no longer necessary to depend on sunlight or swaying lights from high in the ceiling.

The purchase of new aquaria and collecting nets ensures plenty of fresh material for study. In addition, there are new biological charts, an electric oven, and a very lifelike model of a human torso.

Loan Fund Drive Alumni Response

Campaign Brings More Than Ten Thousand Dollars

With several weeks to go before the Bloomsburg State Teachers College celebrates its Centennial here May 26 and 27 with a gala program, the Alumni drive to raise \$50,000 for the student fund gains impetus daily, and has now reached \$10,500 in the campaign.

Response coming in from all sections indicate the genuine interest of graduates and friends in building this fund up sufficiently to give aid to worthy students so that they may conclude their college course.

The largest individual subscription yet to reach R. Bruce Albert, president of the General Alumni Association, and drive head, is one for \$300 given by Miss Minnie Gernon, of Scranton, class of 1894, as a memorial to her parents and her brother.

Dr. Ida Sitler, of the Biology Department, Hollands College, Va., member of the class of 1905, joined the Centennial Club with a \$100 contribution as a memorial to Miss Virginia Dickerson, a former member of the faculty.

A period will be set aside in the general alumni meeting, to be held in the new gymnasium the morning of Saturday, May 27, for the presentation of all testimonials and memorials, so that due recognition will be given in the presence of the graduate body.

The faculty of the college has given splendid support to the drive, with thirty-seven contributing thus far, and of these all but four have become members of the Centennial Club with \$100 contributions.

The class of 1905, with eleven contributions totalling \$542, heads the classes in amounts turned in to date. Following is the class of 1911 with eleven subscriptions totalling \$485. In third position is the class of 1894 with three subscriptions totalling \$425. Fourth place goes to the class of 1906, with seven subscriptions totalling \$380.

Biography In Brief

ANNA ORNER—"Ann" was born on August 25, 1918 in the Bloomsburg Hospital—on a quiet Sunday afternoon—at the tender age of twenty-two months explored the sights of Shamokin from the back porch roof—fell seventeen feet and landed on top of her head only one inch from the concrete walk—being a school teacher's child "attended" school at Clark Summit, Nicholson, Orangeville and Bloomsburg—once was underweight—has gained some since then—broke her collarbone showing off in front of guests when six—pet aversion—milk—favorite food—"Lives to eat"—second home—administration offices—suppressed desire—to have one full free hour to herself—hobby—reading good literature—entered B. S. T. C. because it was the natural thing to do—took the commercial course because her girl friend was signed up there—greatest thrills—passing her driver's test, so excited she parked the car three feet from the curb, and being toastmistress at the Pi Omega Pi banquet this year—the only female ever to fill the president's chair of a coeducational fraternity—future, either a good office job or doing her best to be an understanding and efficient teacher.

WILLARD CHRISTIAN — born May 30, 1915, midst the blare of bugles and the rolling of drums (Memorial Day), in Shamokin. At the age of three became lost while picking huckleberries. Moved to Phila. for a period of three years. City life didn't agree so returned to the good old coal regions. Became a paper boy at the age of 7, held job until old age crept in (13). Rather ordinary life during high school, spent winters in Shamokin, and the summers at camp (Boy Scout) was graduated from high school in 1934. Joined the ranks of the unemployed for two months—became tired of the life of leisure so became a clerk in a grocery

Entertainment Course Artists in New Opera

Miss Mary Hopple, world famous contralto who will be available to Bloomsburg State Teachers College next year when she makes her tour, is now appearing in the title role of Gion-Carlo Menotti's opera "The Old Maid and the Thief." This opera was produced over the NBC network recently and received so much acclaim that it was again put on last Saturday evening over the blue network of the National Broadcasting Company. This opera bids fair to rank as one of the greatest American works in this line. Mr. Menotti is conductor of the NBC Symphony Orchestra.

Mr. Reams, chairman of the entertainment committee, just received a circular announcing the fact that Miss Hopple will be available next year. Whether or not she will appear here is as yet unknown.

store. Stuck this out until Sept., 1935 when he decided to enter Bloom. Hopes to be graduated in May, and also hopes to secure a job as a school teacher. Any leads?

MARY MARGARET JOHNSON — born July 5, 1916, in Shamokin, Pa. Better known as Peggy—likes "would be" doctors and bridge—wins all the prizes—likes dancing, but dislikes being called Mary—earliest recollections, Bud Christian as Santa Claus and herself as an angel (?) in a first grade (second rate) Christmas program—was known in her freshman year as the "girl who commutes with all those fellows; nice fellows"—ambition — to be some school board's choice.

ELIZABETH JANE HART—born October 12, 1917, during the "tall end of the war," at Berwick, Pa. Earliest remembrance — those of a teacher who wore earrings that jingled as she moved her head—Likes hamburgs, flowers, and "Mush". Hates lightning and police dogs. Am-
