Committees in charge of arrangements include: Willard Christian, Shamokin, general chairman; Program, Robert Hopkins, Lost Creek; William Moratelli, Kulpmont; Betty Hart, Berwick; Orchestra, Ray Zimmerman, Nuremburg, Margaret Cheponis, Plymouth, George McCutcheon, Winers Mills; Decoration, Alvin Lipfert, Wilkes-Barre, Joseph Baraniak, Shenandoah, Ray McBride, Berwick; Refreshment, Ray Evans, Taylor, Elizabeth Jenkins, Edwardsville, Lois Farmer, Bloomsburg.

Officers of the class are: James DeRose, Peckville, president; Fred Houck, Catawissa, vice-president; Helen Mayan, Danville, secretary; Virginia Burke, Sugar Run, treasurer.

College Observes Ivy Day Custom

Yesterday afternoon at 4 p.m. the annual custom of the planting of the ivy by the Senior Class was observed, with Willard Christian, of Shamokin, Penna., delivering the Ivy Day Oration. The date of Ivy Day this year was advanced in order that the undergraduates might participate in the ceremonies.

The Seniors, attired in their customary caps and gowns, formed a procession at the gym and then marched to the grove. Here the orator of the day was introduced by James DeRose, president of the Senior Class. Mr. Christian then gave his oration in which he likened the student in his growth to the ivy plant in its growth. The procession then moved to the new Junior High School building where the planting of the ivy took place. After planting the ivy, Mr. DeRose presented the spade to the Class of 1940, who will accept it through Donald Hausknecht, their president-elect. The ceremonies were properly closed with the singing of the "Alma Mater."

Loan Fund Drive Gains Materially

Over Eleven Thousand Dollars Already Realized in Drive For \$50,000 Total

In recognition of the Centennial of the College in May, 1939, the Alumni Association is endeavoring to increase the Student Loan Fund to \$50,000. —We are anxious that every friend of the College will contribute liberally to this fund. There is an urgent need for the enlargement of the fund in order to provide financial assistance to worthy students.

Contributions are being recorded by classes. Which class will have the largest average subscription? Which class will give the greatest amount to the fund? Time will tell.

The following clubs have been formed:

1. Centennial Club. Persons subscribing \$1.00 per year for each year of the history of the institution, or \$100.
2. Fifty Dollars Club. Persons subscribing 50 cents per year for each year of the history of the institution.
3. Twenty Five Dollar Club. Persons subscribing 25 cents per year for each year of the history of the institution.
4. Ten Dollar Club. Persons subscribing 10 cents per year for each year of the history of the institution.
5. Dollar per year Club. Persons subscribing \$1.00 per year for each year since graduation.
6. Miscellaneous Club. Persons giving as much as possible under their present financial circumstances.

As the Maroon and Gold goes to press, there are approximately 350 subscribers to the fund in the amount of \$11,500. It is expected that many graduates will subscribe with other members of their class on Alumni Day, May 26 and 27.

The object of the drive is: "To keep the door of opportunity open for Worthy American Youth." The slogan is: "Every friend of Bloomsburg contributing to the Centennial Student Loan Fund."

Two-day Program Opens Next Friday Morning With Day Devoted to Community, Alumni and Other Friends

Plans are being formulated to entertain approximately 3000 alumni who are expected to return to the campus for the Centennial Celebration to be staged by the Bloomsburg State Teachers College, May 26 and 27. Friday, May 26, will be Alumni-Community Day, and Saturday, Alumni-Reunion Day.

The program for the celebration is as follows:

May 26 Alumni - Community Day

Greetings from Dean of Instruction

At the end of this college year, a century of educational progress looks down upon us. May we be worthy to catch the challenge and carry the torch of learning forward into a second century. To do this, we must work with others in the complex society of TODAY, so that TOMORROW may be a little better than YESTERDAY.

Harvey A. Andrews
Dean of Instruction

Greetings from President of College

This is a significant year in the History of the College. The institution, as we know it today, traces its beginning from a small private school opened by Mr. C. P. Waller, an uncle of Dr. D. J. Waller, Jr., President Emeritus of the College. Doctor Waller will honor us again by his presence during our Commencement Week Activities.

I am happy to have this opportunity to thank our Trustees, our Faculty and General Employees, and our Student-Body, for the splendid cooperation which has made the Centennial Year of 1938-1939 a high-water mark in our History.

Sincerely yours,

Francis B. Haas

A CENTURY OF PROGRESS

A Century of Progress! Bloomsburg has trod a long path, but has never lost sight of that inspiring goal—the training of efficient and understanding teachers. Yesteryear differs so little from today. We find the same hopes, the same trials, and the same goals, now as then. Time mellow's fast-fading memories—the laughter, the subdued voices in the classroom have died away to mere whispering echoes. The past with its memories gives way to the practical present, and the present will soon make way for the uncertain future.

The men and women attending Bloomsburg will attain more than mere "book learning;" they will gain a spiritual link to the future. Each succeeding generation will share the honor of carrying the torch of knowledge; and they will thrust this torch into the hidden recesses of the mind and banish darkness. From this torch will be thrown rays of courage, beams of knowledge, and emanations of spiritual insight.

We are a queer lot. We spend the present sighing over the past and pondering over the future. It is well that all of us do take heed of coming events. Bloomsburg is planning for tomorrow by endeavoring to increase the Student Loan Fund. That is the spirit of "Old Bloomsburg". On the 100th anniversary of the birth of Bloomsburg, the past and the present will converge to create a future of opportunity and to celebrate a century of progress.

CELEBRATION

Bloomsburg has incorporated in her plans for the Centennial Celebration the themes of two World Fairs. First, A Century of Progress, which was the idea back of the Exposition at Chicago in 1933; and second, The World of Tomorrow, the theme of the present World Fair at New York City.

A Century of Progress: Bloomsburg looks back in retrospection, satisfied with the results that 100 years of service to education has given. And as for The World of Tomorrow, Bloomsburg looks ahead, to see how best she can serve those of future generations who shall pass through her portals.

In keeping with this idea of service, Bloomsburg has set for herself one of the noblest goals possible; a drive to increase the Loan Fund for Students to \$50,000, so as to enable many to obtain the enlightenment that otherwise might have been impossible.

We are proud of Bloomsburg! Proud of the work she has done for 100 years, but we are more than

Will Help Bring Back Many Memories to Alumni

Carver Hall, erected in 1867, and named in honor of Henry Carver, first principal, is the oldest building on the campus at the present time, and while the newly constructed gymnasium, junior high school and maintenance building will hold the greatest interest for returning alumni of the younger generations, it will be "Old Carver" at the head of College Hill which will bring back fond memories to those who attended Bloomsburg back in the days when the former model school building was the principal structure on the campus.

MUCH ADO ABOUT NOTHING

by Lawrence Myers

The year's almost over and what a relief it will be to be out for the summer . . . It's a toss-up as to whether the profs or the students are more pleased . . . Between May Day, tests, and all the other last minute events, it's hard to know where to start this column

Wish I could have seen Fred Keath pushing the peanut from Long Porch to North Hall with his nose . . . He did it on a bet . . . Wonder if his nose is sore . . . Donnabelle Smith made a very attractive May Queen surrounded by her pulchritudinous court . . . Hope we do as well next year . . . Why is it that all the "litterbugs" congregate in the corner of the gym down by the orchestra? . . . They really went to town at the Prom . . . Nice dance, that . . . The Freshmen are really beginning to feel at home at the dances by this time . . . Quite a few of the clubs seem to be having their picnics these days . . . The Forum Club had one on the 15th up along Fishing Creek The president, Johnny Bower, and his committee, did a great job planning it . . . Everybody had a lot of fun, with Alex McKechnie leading a bit of impromptu tomfoolery . . . "Eddie the Rat" was tried for murder The jury found the judge guilty ! ! ! The woebegone looks on the faces of the Frosh at the beginning of last week at the prospect of a week of tests was something to write home about . . . The old rivalry between the "Callies" and the "Philos" represented on the campus by Mr. Fenstermaker and Dr. Nelson will be revived in two plays to be put on by the Dramatic Club under the direction of Miss Johnston . . . Sons and daughters of the old members will be included in the cast . . . Those from this territory are Martha Wright, Howard Fenstermaker, Jr., Dick Foote, Fay Gehrig, and Jerry Fritz . . . Wonder how "Pud" Lewis feels with that haircut???? Professor Keller is joining up with a traveling carnival this summer, rumor has it . . . His animals are going with him, of course . . . Helen Brady says that she's going to take life easy this summer . . . What a life! . . . Betty Collett and Hannah Culp expect to work in Atlantic City, the lucky stiffs . . . Picture-of-the-week: VanAntwerp doing his tumbling act over the Long Porch railing . . . Looks as though he needs a little practice . . . Why do so many dorm students go home for the weekends? Something interesting to do Saturday nights might be arranged . . . Perhaps have informal dances with a four-piece orchestra or at least raise the time limit for the girls till 11:00 Saturday nights anyway . . . That ought to be looked into next year . . . Polly Reigle has been in the Sunbury hospital after an attack of appendicitis . . . Too bad . . . She has our sympathy . . . Who knows the significance of the raincoat . . . Some of the people up here think that the profs have as their motto, "They shall not pass" . . . Cheer up it's not quite that bad . . . To the weary faculty and students we extend wishes for a very happy, restful, and joyous vacation.

CHIPS

"What do you think of our two candidates for mayor?"
 "Well, I'm sure glad that only one can be elected."

GIRLS ARE LIKE NEWSPAPERS BECAUSE:

They are healthier and stronger than formerly.
 They have many type faces.
 They are worth looking over.
 Back numbers are not in demand.
 They try hard to be up to date.
 They aren't afraid to speak their minds.
 They have much influence.
 They can make or break a man.
 A little color adds to the appearance.
 They carry news wherever they go.
 If they know anything they tell it to all.
 Every guy should have one and leave the other fellow's alone.

 "Do you care for dancing, Rita?"
 "No. It's just hugging set to music."
 "What's wrong with that?"
 "I don't like the music."

"Mr. Jones," began the timid young man, "er, ah, that is, will you, er, can you . . . Oh—"
 "Why, yes, my boy, you can have her," smiled the girl's father.
 The young man gasped. "Have who? What's that?"
 "My daughter, of course. You want to marry her, don't you?"
 "Why, no," said the young man.
 "I just wanted to know if you would lend me five dollars."
 "Absolutely not. Why, I hardly know you."

"Nurse, if the children won't keep quiet for you, send them in to me and I will sing to them."
 "I have already threatened them with that, madam."

"I'm thinking of opening a movie theater."
 "Well, I hear there's money in it."
 "It's not the money so much. I just want to see my wife and children once in a while."

Butcher: "How did you like the ox-tail I sold you last week?"
 Young Wife: "It was simply marvelous. I want another off the same ox."

"I'm my wife's fifth husband."
 "Huh, you're not a husband, you're a habit."

Mother: "Mary, did you find the tea strainer?"
 Mary: "No, mam, but I used the fly swatter."
 Then, seeing that her mother was about to faint, she added: But it wasn't the good one. I used the old one, so don't worry."

AT PARTING

Suppose that we should never meet again
 And your life's path lie far distant from my own—
 I shall not grieve, nor yet feel parting pain,
 For just in knowing you I feel my soul has grown.
 Grown, yes grown, yet you with much derisive laughter
 Would question that there be a soul;
 Would scorn at our dumb hopes for life hereafter
 When our last flight of fancy takes its toll,
 Believe, dear friend, believe in what you may,
 For should we meet in some far distant place
 I shouldn't want to see you changed in my way
 I'd want to see the same sweet, happy face.
 Bee.

Buchheit Trackmen Gain Permanent Possession Of Cup in Capturing State Championship Title

Van Devender Sets Enviably Record

When Frank Van Devender receives his diploma this spring, and hangs up his spikes for the last time, he will leave behind him on Mt. Olympus the most colorful and outstanding track record ever achieved by a Bloomsburg athlete.

It all started during the season of 1936, when, as a freshman, "Van" compiled a total of 43 points in five meets. He competed in the 100, 110, 440, low hurdles, and broad jump, taking five first places, four seconds, four thirds, and a fourth. He won the 440 at the State Meet, and placed fourth in the 220.

The following year he contributed 68 points to the team's total in five meets. He only ran the 100 in one meet, and did not perform at all in the broad jump, but in the 220, 440, and low hurdles he had 12 firsts and two seconds. In the 440 and low hurdles he was undefeated in dual competition, and won both races at the State Meet.

During the 1938 season the "Flying Van" amassed 70 points in only four meets. His record shows three firsts in the 100, three firsts and a second in the 220, three firsts and a third in the high hurdles, three firsts in the low hurdles, and a first and third in the broad jump. He was undefeated in the 100-yard dash and the 220 low hurdles in dual competition, and won the 220 and both low and high hurdles in dual competition, and won the 220 and both low and high hurdles at the State Meet.

This year Frank has compiled an even greater list of accomplishments to date. He started against Stroudsburg with 25 points, and then recorded 21 against Bucknell, 25 against Shippensburg, and 12 against Lock Haven for a total of 88. During this past season, "Van" set two records and tied two.

"Van" ran under the Maroon and Gold colors for the last time at the State Meet Saturday, and previous to this event had collected a grand total of 264 points in four years of competition. He led his teammates those four years undefeated, and with them garnered two successive State Teachers College Championships. The student body of Bloomsburg owes a great tribute to such an outstanding athlete, who is not only a three-letter man, but a fine scholar and a gentleman.

Plan Return of West Chester Laundry Bag Loaned to Them As Cover Two Years Ago

Van Devender Shatters State Meet Records

The 1939 Husky track team returned to Bloomsburg Saturday evening with the trophy symbolic of the Teachers College Track Championship safely tucked away in the West Chester laundry bag. It was the third consecutive championship for the Buchheit team which gives them permanent possession of the trophy, and since West Chester is now "washed-up" in their efforts to capture the trophy, the laundry bag which they so kindly loaned the team to cover it with three years ago will be returned with the compliments of the student body.

Five schools were represented at the colorful event on Heiges Field, Shippensburg, but soon after the start it was quite evident that the meet was really a dual contest between Bloomsburg and West Chester. Continuously throughout the afternoon the lead changed hands between these two teams and the winner was not officially decided until the last event was finished.

With but two events remaining on the program, the broad jump and the 220 yard low hurdles, the Huskies held a lead of 3 1-3 points. West Chester had two entrants in the broad jump to Bloomsburg's none, and captured third place. They also started Miller, high hurdle champion, in the low hurdles but he was beaten to the tape by both Van Devender and Jenkins and the meet was officially clinched for Bloomsburg.

The Huskies were paced by their sensational captain, Frank Van Devender, who established two new records in scoring 16 points. Frank has now been high scorer for the State meet for the past three years and since his freshman year has collected an unbelievable total of 51 points to the Husky cause. Of the six new records established, Van Devender was clocked in 9.7 seconds for the 100-yard dash and 24.5 seconds in the 220 low hurdles.

Eddie Mulhern, another Senior, also broke a state record by running the quarter mile in 50.5 seconds. Other new records were: Zalonka, Shippensburg, shot put, 55 feet 6 1/4 inches; Armstrong, Shippensburg, javelin, 206 feet 1 inch; Miller, West Chester, high hurdles, 15.5 seconds; and Ward, West Chester, 220, 21.6 seconds.

Danny Kemple, Husky distance star, successfully defended his championship in the mile and one-half mile runs and also finished third in the two mile. Harry Jenkins, Frosh sprinter placed second in the low hurdles and third in the high hurdles. Dan Banham captured the discuss with a throw of 126 ft. 10 inches and placed third in the javelin and fourth in the shot put. Ken Hippensteel won the two-mile run in the fast time of 10:12.1 seconds, while Walter Reed finished second in the mile and Bud Herbert was tie for fourth in the pole vault.

The Huskies completely dominated the running events and it was in this department that they built their margin of victory. They won first place in seven of the fourteen events.

Behind the great string of Bloomsburg track victories has been hard work by every man on the squad along with Coach Buchheit. The student body salutes the 1939 champions and hopes for much future success to the four members of the graduating class, Van Devender, Mulhern, Parker and Zaleski, whose absence will be a great loss.

COLLEGE MILE RELAY TEAM

Zaleski, Mulhern, Kemple, Van Devender

SUMMARIES 1939

The Husky track and field team won their sixteenth consecutive dual meet in four years when they pushed aside Lock Haven 74 2-3 to 51 1-3.

Opening the season in impressive style, the Huskies had things all their own way as they conquered East Stroudsburg 91 to 35. Captain Frank Van Devender led his teammates to the tape in four runs and then captured first place in the broad jump to gather 25 points. He set new records in both hurdles.

At the Penn Relay Carnival the following week-end a group of six men under the direction of Coach George C. Buchheit added new laurels to their steadily growing list of achievements. The one mile relay team won a class relay race then came back forty-five minutes later to finish second to a record breaking Hampton quartet in the Teachers College One Mile Championship of America. Hampton set a new record at 3:21.4 seconds compared to the Huskies' time of 3:23.2.

Dan Kemple who made the trip as a substitute relay man, entered the 3000 meter steeple chase, and finished third to Bradley Rendell of Alfred.

Dan Bonham, handicapped with a sore arm, made a good showing in the javelin throw by placing fifth in a good field.

The next stop on the victory parade was at Memorial Stadium, Bucknell, where the Huskies overpowered the Bisons 72 1-2 to 53 1-2. Van Devender broke two records and tied two as he again led his team with 21 points.

Shippensburg entertained the Huskies several days later and fell before the Maroon and Gold onslaught 89 1-2 to 36 1-2. The Lock Haven Bald Eagles gave the Buchheitmen their most competition when they were defeated 74 2-3 to 51 1-2.

Other highlights of the season were the relay team's victory in the Teacher College Mile at the Penn A. C. invitation meet and a visit by Glenn Cunningham, worlds greatest miler.

The individual scoring for the closing season excluding the State meet was as follows:

Van Devender—83, Jenkins—50, Bonham—42, Kemple—31, Mulhern—22, Zeleski—14, Hippensteel—14, Reed—12, Parker—12, Tomlinson—11, Lavelle—10 1/2, Sworin—10, Giermak—5, Herbert—4 5-6, Karnes—3, Hausknecht—1 1-3, Baker—1, and Williams—1.

RADCLIFFE COLLEGE GIRLS SIMPLIFY DATE-REPORTING

Bright red entries in one dormitory register at Radcliffe College brought forth sighs and squeals of joy recently, for red, under a new "date reporting" system devised by the girls of the house, means anything but a deficit.

"An entry in green means that a girl had just a plain nice time—a date with a Harvard man, for instance. They usually average green."

"As for red—that's another story. In dormitory language it spells "a perfectly swell time."

Tops, however, is purple. When a girl reaches for a pencil with purple lead she means her experience was "too, too divine."

Yellow means "an utter flop. The evening was simply awful."

College Net Team Defeats Stroud 8-1

Coach John C. Koch's racquet wielders made it eight victories in ten starts at Stroudsburg Thursday when they had little trouble in pushing aside the Big Red 8 to 1.

Hopkins sustained his first defeat of the season against Hanas of Stroud in straight sets 6-3, 6-3. This was the only Husky defeat in the singles and they made a clean sweep of the doubles matches.

PHI SIGMA PI FINISHES MOST SUCCESSFUL YEAR

The Iota Chapter of the Phi Sigma Pi is finishing its most successful year on the college campus. This fraternity, the only one on the campus composed entirely of men, has thirty-one active members and five faculty members. The fraternity recently extended honorary membership to Ray Cole, Superintendent of Schools of Columbia County. During the past year the fraternity sustained a severe loss in the death of W. W. Evans, former County Superintendent whose wide experience and keen interest in the work of the fraternity was a great inspiration to our members. Mr. Cole has found kindred interest with the members of our fraternity, and his inspiration and cooperation has already been evidenced in the meetings of the fraternity.

The following were recently elected the officers of the fraternity for next year:

President—Charles Girton, Vice-President—James Dolly, Secretary—Don Hausknecht, Assistant Secretary—Gerald Fritz, Treasurer—Reber Fisher.

Professor E. A. Reams and Doctor Thomas P. North are the faculty sponsors of the fraternity.

11 Varsity Athletes On Dean's Honor List

Eleven varsity athletes, including four captains, were listed on the Dean's honor roll with a scholastic average of 2.0 or better for the first semester.

Some men who have accomplished outstanding feats in athletics have also been leaders in the classroom. Four captains have been leaders in both fields. They are: Sterling Banta, basketball; Fred Houck, baseball; Walter Waytovich, wrestling; and Frank Van Devender, track.

The following varsity men are included on the honor roll: Walter Reed, track; Joseph Sworin, football and track; Edmund Villa, tennis; Byron Shiner, wrestling and soccer; Fred Houck, baseball and soccer; Harold Coblenz, football; Leonard Herr, basketball; Sterling Banta, basketball and baseball; Edward Mulhern, track; Frank Van Devender, track, football and basketball; and Walter Waytovich, wrestling.

BUSINESS EDUC. CLUB HOLDS ANNUAL PICNIC

Last Friday, May 19, 1939, the Business Education Club held their annual spring outing in the form of a picnic at Columbia Park. It was estimated that 150 members of the club enjoyed the roller skating, softball, and quoits that the Park has to offer.

The picnic was suitably "topped off" with a meal of baked beans, potatoe chips, hot dogs, ice cream, and coffee.

Husky "9" Waste Hits in Losing To Stroud 10-3

Plenty of Hits but Not of a Timely Nature; Pavlick Wild On Mound

The Huskies inability to hit in the clutch along with the wildness of right hander Steve Pavlick gave East Stroudsburg a 10 to 3 win last Thursday.

The Big Red jumped into an early lead and held a 9 to 1 advantage at the end of the fourth. Sterling Banta relieved Pavlick on the mound with the bases loaded in the fourth and gave up only one run and four hits during the five innings he pitched. The Huskies out-hit their opponents 12 to 7 but couldn't hit behind the runners, and had 17 men stranded on the bases.

Bloomsburg scored in the first inning on McCutcheon's single, Konieck's bunt, and Fred Houck's single. In the sixth a single, a base on balls, and Jimmy Harman's booming triple added two more tallies to the hopeless cause.

Andy Giermak carried off batting honors with two singles and a double. McCutcheon, Harman, Houck and Banta also collected two bingles each. The summary:

Christian Association Concludes Season Work With Outdoor Meeting

The Y. M. C. A., now organized as the National Christian Association of B. S. T. C., held its last meeting of this school term on May 17, 1939. A weiner roast previously scheduled for this date was postponed until the very first meeting of the next school year, and instead the meeting was held outside on the lawn near Science Hall.

Irene Diehl and Virginia Dean favored the club with some very delightful songs. A short business meeting was conducted by the president, Robert Borneman. Songs were sung by the entire club and refreshments were served. The final meeting was concluded with a friendship circle and the benediction prayer.

National Rural Forum Listed for Penn State

The American Country Life Association will sponsor the annual forum to be carried on by the Youth Section of the Association, a group made up of young people both in and out-of-college, at Penn State College, August 30 to September 2.

Teachers and prospective teachers in rural and village communities will discuss the interests they have in common with all the other types of workers. Usually about four to five hundred young people from various states attend. Since the 1939 Forum meets in State College, central Pennsylvania, only eighty miles from Bloomsburg, it is hoped that a goodly number from the present student body and alumni will avail themselves of the opportunity to share in this conference.

The Association has prepared a handbook which describes the work of the Youth Section as well as a study outline for the 1939 meeting, entitled "What's Ahead for Rural America?"

Miss Edna J. Hazen, Director of Rural Education at Bloomsburg State Teachers College will be glad to talk with any persons who may be interested in the hopes that there may be a good Bloomsburg delegation among the Teachers College groups at the National Rural Forum.

Public Affairs Forum Holds Final Meeting

The Public Affairs Forum held their last meeting in the form of a picnic at the Girl Scout Cabin along Fishing Creek. A short business meeting revealed the following officers for next year: Carl Oliver, president; Florence Park, vice-president; Bernice Blaine, secretary; Sam Miller, treasurer.

Next year even greater care will be taken to plan the programs for each meeting. An invitation is extended now to all who may care to join to do so next year.

NOTICE

The entire college community is deeply grateful to Dillons for the beautiful flowers which they so graciously donated to make May Day a complete success.

Twelfth May Day "Best in Series"

Approximately 3500 Persons on Hand to Witness Impressive Campus Ceremony

Three and one-half thousand people witnessed what was probably the most impressive May Day ceremonies staged on the Bloomsburg State Teachers College campus since the inception of this custom twelve years ago, on May 17.

Miss Donnabelle Smith, selected Queen of the May, was followed by her court, composed of Jane Oswald, Annabelle Bailey, Elizabeth Jenkins, Ann Seesholtz, Ruth Kleffman, Virginia Burke, Jennie Tewksbury, Margaret Lonergan. The Queen was crowned by Ray McBride, president of the Student Government Association.

Participating in the ceremonies were the grades from the Benjamin Franklin Training School and the College. The events listed on the program included: May Song, by the Training School; Old English Dance, by the college women; Mother Goose, medolles by the kindergarten; Melodies by the first and second grades; selections by the A Capella Choir; May Pole winding.

An entirely new feature, and easily the most popular in the program, was an esthetic dance feature, called "Reverie"; this was a dance composition of a group of five college girls performed by fifteen dancers wearing gossamer gowns of deep shades of rose, blue, green and yellow.

Acknowledgement must be made to Dillons for the beautiful flowers which they gave. Without these the ceremonies would not have been near so impressive. Appreciation is also shown for the accompaniment provided by John Young at the piano.

Do's and Dont's for Dames on Dates

Collegians throughout the nation will stand up and cheer the recent pronouncement of "Do's and Dont's for Dames on Dates" made by Augustana College men.

Just to clear the air of a lot of disturbing thoughts and actions, Augustana men have drawn up 15 rules they believe their co-ed companions should follow. Here they are:

1. Don't keep your date waiting. Be prompt.
2. Don't try to make too good an impression the first night.
3. Don't be a walking cosmetic counter.
4. Don't ponder over the menu for half an hour and then eat only a small portion of your order.
5. Don't eat too much. The boy wants to go to school four years too.
6. Don't try to attract the attention of other fellows while on a date.
7. Don't retouch makeup in public.
8. Do something to show your appreciation.
9. Do your education justice by keeping the conversation interesting.
10. Do something to overcome the desire to be sophisticated and glamorous. Be natural.
11. Do your part in this dating business by at least presenting the opportunity for our asking you.
12. Do your best to converse and mix with us.
13. Do your share in supporting sports events.
14. Do believe us when we say "looks" aren't everything.
15. Don't each of you take each of these suggestions to heart. We believe many of you are going all right—but there is always room for improvement.

Dont's for Campus Romeos

Campus Casanovas have been given their orders at the University of New Mexico, and the co-ed order-givers have formed an organization to enforce them.

After the women formed the "Rehabilitation Project on Rapid Romeo Reform," they listed the following as being detrimental to masculine appeal:

1. Failing to remember that only crude country lads sit in the car and honk the horn instead of coming to the door like a gentleman, when calling for a date.
2. Forever bragging about how he never cracked a book, and how he can polish the apple and still manage to pull down an "A" in a course.
3. Making an effort to impress everyone with the importance of the fact that he and his prof are old pals.
4. Embarrassing a girl by getting intoxicated.
5. Insisting on telling a girl of all her faults when she did not ask for the information.
6. Asking her to his fraternity dance and upon her arrival to it, stating that he doesn't yet know how to dance.
7. Being late for a date.
8. Leaving her alone while he goes to talk to someone else.
9. Saying to his date: "Why can't you be like Mary?"
10. Failing to indicate that he was glad to have been introduced to a girl's parents. (Sincerity goes far.)
11. Being rude when a girl, for some reason, refuses a date.
12. Telling jokes that might be considered a trifle shady.

Begin Booking Artists For Next Year's Series

The entertainment committee has taken the view that the "Danse", because of its modern emphasis and appeal, should be included along with other art on the entertainment course. Students in recent years have had the opportunity to observe various types of the dance. Next year the Ballet will be presented for the first time to a Bloomsburg audience. This ballet group of ten artists is led by Addison Fowler and Florenz Tamara, two internationally known artists who have appeared in all the capital cities of Europe.

Dr. Raiguel, who was to have appeared here this year, will again be the speaker for Armistice Day, November 11, next year. During this summer he will visit Italy and the Balkan countries, returning through central Europe, France and England.

Books and Authors

by Paul Kokitas

THE GRAPES OF WRATH

by John Steinbeck

This is the longest novel Steinbeck has written. At present it is leading the list of best sellers. The story centers about the Joad family during their trip to California in an old car. The Joads are one of the many small farmers of the Southwest who were compelled to move from their homes in search of a better chance of livelihood. The book is realistic, hard, and at times pitiful in its depiction of wandering, uprooted American farmers of the West.

This is the first novel Steinbeck has written since his popular "Of Mice and Men", came out a few years ago.

REACHING FOR THE STARS

by Nora Wain

The author lived four years in Germany, going there with her husband in 1934. At first she believed in the Nazi government. Her beliefs did not last long while she viewed what was going on under Hitler. She saw the German people suffer, and she pictures this suffering with a clearly detached appraisal. Four years of observation has assured her that the German people are not in full tune with the Hitler movement.

AUTOBIOGRAPHY WITH LETTER

By William Lyon Phelps

Well-known and very interesting characters are brought to light in this reminiscent work by America's dean of literary critics. Phelps not only writes about people he has known, but slips into the book miniature stories of cats, after-dinner speeches, readings on trains, and evaluations of the younger generation. The book is a random recollection of a full life.

Lope de Vega, Spanish playwright, is said to have written 1800 plays. Three hundred of them are known to exist. He often wrote a play a day.

It is uncertain whether there ever was a Greek poet named Homer to whom the Iliad and the Odyssey is credited. Scholars hold forth that these two poems grew slowly for centuries, different poets contributing parts until both were completed.

Robert Louis Stevenson and Rudyard Kipling, English authors, both married American women.

Irvin S. Cobb left Paducah, Kentucky as a young man to seek newspaper work in New York. Unable to see the editors personally for many weeks, he at last decided to write a letter to 13 of the leading metropolitan papers. Five editors answered his letters, each offering him a job.

The greatest satirist of his time, Jonathan Swift in his book "Gulliver's Travels" held up to ridicule and scorn the human vices and follies of the English people living at that period. In his later life Swift became deaf and giddy and was a victim of constant attacks of epilepsy and insanity.

John Masfield poet laureate of England once worked in a beer parlor in New York City.

George Bernard Shaw's first play, "Widowers' Houses" was written in 1885, when the author was 29 years old. The play was produced seven years later, meeting with poor success.

Charles Reade's "The Cloister and the Hearth" is considered one of the greatest historical novels since Scott's books.
