Co Returning Alumni and Friends:

In this Mid-Century Year of 1950, we cordially welcome all Alumni and Former Students back to Bloomsburg with the thought

that they will see signs of progress in the plant, personnel, and plans for the future.

Recognition by the Middle States Association and our selection by Teachers College, Columbia University, as one of eight Teachers Colleges in the United States to cooperate in a national Citizenship Project, financed by the Carnegie Foundation, are developments which parallel the growth of our Alumni Association, which ever remains a bulwark of strength.

My sincere greetings to all of

FACULTY REMINISCENCES . .

by MARIE MATTIS and JACK REECE

AS students of the college, you have probably wondered, as have many others in the past, just what it was like at Bloomsburg State Teachers College 40 years ago and through the years up to the present time. On the faculty, at the present time, are ten graduates of the college who cover a span of 40 years.

If you were to talk with Mr. Fenstemaker, Class of 1912. he would tell you that when he was a student here there was a bridge running from Noetling Hall to Carver Hall. He would also reveal that there were many more restrictions on the students than there are

Mr. Fenstemaker's class is the one which presented the college with the lions on the steps of Senior Walk. These lions, appropriately named Leo and Leona, are the stalwart guardians of the walk on which freshmen are forbidden to tread during Customs each year. Leo and Leona make up what is probably the most famous of all college landmarks.

Howard F. Fenstemaker

also said (with a twinkle in his eye)

during the years. Parallel with physical development, the college has had its social development. For example, in 1917, it was not customary to see a coed walking down college hill without a chaperone.

It was the Class of 1917 that presented the Greenhouse as its class memorial. Here are grown plants of all sižes, shapes, and varieties.

Mrs. Anna Scott

Mrs. Scott, Class of 1921, training school teacher, was a member of one of come out of the Normal School. She many more facilities for the day students now, while in her days as a stuto shift for themselves.

Welcome Alumni!!

Largest Class in History of Bloomsburg To Receive B.S. Degrees

B. S. T. C. will commemorate the mid-century year of 1950 with the graduation of two hundred students who will receive Bachelor of Science degrees in Education on Monday, May 29. The mid-century commencement exercises will be the scene of the graduation of the largest class in the history of the college.

The Business Curriculum is graduating 63 seniors; the Elementary Curriculum is graduating 57 seniors; and the Secondary Curriculum is graduating 80 seniors including 34 teachers in service.

The Class of 1950 has given as a gift to the school, a scholarship fund which is to be handled by the alumni. President of the Class, Donald Butcofsky, recently announced.

This year's graduating class has many people of outstanding leadership in it. Those individuals excelling in the literary field include Michael Bell who has had several articles published in magazines and William A. Stimeling, editor and founder of the college magazine, the Olympian. Jounior L. Eddinger is a very versatile poet and perfectionist. Kay Chapin and Donald Butcofsky have shown their merits in the student publications. Donald has also done a wonderful job as president of the Senior Class.

In the radio field we have Frank Johnson who has been a radio announcer for several years in Bloomsburg and also Nancy Wesenyak who has her own program in Berwick. John Richard Wagner will always be remembered as President of the C.G.A., 1950 as well as for his many talents in the musical field. Dick is C. M. Hausknecht and Berwick High Girls' talents in the musical field. Dick is well known for his part in the piano duo team and also in the Bloomsburg 'Quartet."

We cannot forget Joseph Currilla who was Editor of the 1950 Obiter and who helped to organize the Yearbook Clinic here at B.S.T.C. Joe was also business manager of the Basketball Tournament for 1950.

Bloomsburg To Send Delegates to N.S.A. Regional Convention

The sixth Regional Assembly of the Pennsylvania Region, U.S.N.S.A., will

In an attempt to provide an atmosphere of fellowship, Camp Hilltop, located just outside of the City of Brotherly Love, has been selected as the site of the Regional Assembly.

The "theme" of the Conference will be "Why N.S.A.?" Along with the keynote speaker will be a panel of students plus the chairman of the Advisory Council. The panel will take up the theme of the conference using as a basis the keynote address.

Other student panels to take place during the conference will cover the general areas of Student Government, Human Relations, International Affairs and Educational Problems. Each panel will include one faculty or administrative representative. The conference has been planned to allow two hours each day for some form of

A group of students from Blooms-Campus N.S.A. Committee. Those attending will be Tony Grabowski, Al-Dzuris, Merlin Beachell and Tom Anthony.

Bloomsburg Alumnus Named U.S. Member Geography Commission

Dr. Henry J. Warman, associate professor of geography and secretary of the Clark University Graduate School of Geography, has been named the United States member on the Committee on Teaching and Methodology of the Commission of Geography, Pan American Institute of Geography and History.

Dr. Christoram Leite de Castro of Brazil, president of the Commission, has also named the following to the committee: Prof. Carlos Delgado de Carvalho of Brazil, chairman; Prof. Horacio Ureta Martinez of Uruguay, Prof. Levi Marreo Artiles of Cuba and Prof. Javier Pulgar of Peru.

Dr. Warman, Scranton, Pa., native and graduate of Bloomsburg, Penna., State Teachers College, Temple University and Clark, also studied at the University of Pennsylvania and Berlitz Schools in Philadelphia, and was teacher, coach and athletic director in the Norristown, Penna, schools, He is the husband of the former Miss Rita Ann Montgomery of Drexel Hill, Penna.

Nevin T. Englehart Leave College Service

The faculty and students of BSTC bid farewell to two veteran administrative officers. Mr. Nevin T. Englehart, Superintendent of Grounds and Buildings, and Mr. C. M. Hausknecht, Business Manager are retiring this spring, and it is with regret that their legion of friends and acquaintances see them leave our campus.

Nevin T. Englehart was graduated from the Bloomsburg Literary Institute and State Normal School in 1905. He was one of the first two graduates of the commercial course, as it was known at that time.

In August of that year, Mr. Englehart returned to the campus as the college bookkeeper. Following the retirement of Perry Freas about 1917, Mr. Englehart took up the duties of maintenance man which, at that time, included the duties of supervising buildings and grounds and managing the dining hall and kitchen.

When plans were completed for expanding the college plant, Mr. Englehart devoted his entire time to the program of renovation and buildings, landscaping, tree planting, walks and driveways. Mr. Englehart has seen the erection of six hew buildings and the acquiring by the state of many acres of land.

Mr. Hausknecht came to Bloomsburg in September, 1925. He has held the position of business manager since that date. Mr. Hausknecht was graduated from the Lycoming County Normal School in 1905, and later, from the Rochester Business Institute. After fourteen years of teaching in Lycoming, Clinton, and Tioga counties, he accepted the principalship of the Lock Haven High School, Lock Haven, Pennsyvania. After ser-

(Continued on page 3)

Throughout the past year, one of the most active organizations of the college community has been the College Council. Meeting regularly on the second and fourth Monday evenings of each month, the members feel that a number of accomplishments have been made. To this, the activities of the various committees which are under Council jurisdiction have added numerous contributions.

Always necessary for the operation of the Community Government Association is a well-planned budget. This Community Activities budget was arranged early in the year by a committee of students under the supervision of Gordon Kemp, C.G.A. Treasurer. Another group, of Council members, prepared the annual budget for the Council. Contributions to worthy charities have been made from Council funds. Included among these charities are World Student Service Fund, United Negro College Fund, Bloomsburg Youth Center, and the Boy Scouts of America. The activities of the Assistant Treasurer in collecting class dues from all students have played an important part in adding to the class sinking funds in a local

Chorus In Recent Assembly Program

A delightful program of song was presented in the morning assembly period of Thursday, May 18, by the Berwick High School Girls' Chorus. Enthusiastic approval of the varied selections of choral compositions and vocal solos was indicated by the spontaneous applause of the audience. Director of the morning concert was Mr. Russell R. Llewellyn, supervisor of music in the Berwick school system, who is regularly in charge of rehearsals of this group as well as of the Berwick High School Band and of the Berwick Young Men's Chorus.

Especially enjoyable choral numbers of the first part of the program included "It's a Grand Night for Singing," "Tico Tico," and the "United Nations Hymn." Both compositions featured incidental vocal solos by Miss Mary Ann Fink, a senior.

Three soloists were well received at intervals throughout the opening half of the concert. Miss Erla Mae Meyers sang "A Heart That's Free." Miss Fink offered "When I Have Sung My Songs" as her solo contribution. 'Come Back to Sorrento" was the vocal selection chosen by Miss Catherine Daniels. Accompanist for the soloists and for the chorus was Miss Ethel Lutz.

Concluding portion of the program consisted of the popular Waring arrangements of a group of numbers from Tchaikovsky's "Nutcracker Suite," as arranged for women's choral singing. Included were the "Overture Miniature," "Dance of the Sugar Plums," the firey "Trepak," "Dance of the Toy Flutes," and the melodious "Waltz of the Flowers." Assisting Miss Lutz in the two-part piano accompaniment of these final selections was Miss Ruth Terry.

Kimber C. Kuster

Dr. Kuster, Class of 1913, informed this writer that day students in his day traveled to the college by trolley line and electric car from Berwick, Danville, Catawissa, and intermediate points. He that boys and girls used separate steps in those days, in addition to separate check rooms for boy and girl students somewhere in the vicinity of the old gym, a place now known as Waller Hall recreation room.

Mr. Keller, who has numerous relatives who are alumni of B.S.T.C., was get underway on the evening of June a member of the Class of 1917. In 11 and continue through June 12 and reminiscing, he mentioned how the phy- 13. sical plant of the college has grown

The Right to Speak vs. Public Opinion

OFFICE - NOETLING HALL - BOX NO. 284

The Danville American Legion's recent onslaught on Norman Thomas, an ordained minister who was invited to speak here at the Baccalaureate services of the Class of 1950, casts a disparaging light on the students at Bloomsburg, the college educators, and the American way of life as a whole.

Why should an avowed Socialist be allowed to address this Senior graduating class, you ask?

Here are some very obvious and practical reasons:

1. Norman Thomas is an American citizen and as such is entitled to free expression of his views no matter what they may be. He is also entitled to be the guest of whomever he chooses. The College does not weigh judgment on the relative merits of persons chosen to entertain or instruct Legionaires on their festive occasions.

2. If the seniors at Bloomsburg have not already learned to sift and evaluate what they hear and see, their education has already been an irreparable failure and will not be helped or harmed by a sermon from Norman Thomas.

3. Why should college seniors be "protected" from listening to the views of any man, state, or nation? These young people are embarking on a life which will be far from "protected" in the future. Can we combat evil by shoving it behind a door? If such evil is existent, it should be brought face to face with America's future educators so of the year, we all danced like farmthat it will be recognized by them in future years when perhaps the ers. The basketball team — what same "bill of goods" will not be so obviously labeled.

4. Norman Thomas was invited to the College by educators who have been trained in and who are now teaching and living the American democratic way of life. These men apparently do not consider college seniors to be naive children who will be despoiled by one lecture which is contrary to the instruction which they have received for four long years. Would these instructors risk the ruination of four years' work if they did not believe that their students were now prepared to cast off the rose-colored glasses of "book-learning" and meet conditions as they are? Has red-hysteria caused you to lose confidence in the men who are training the future teachers of America?

5. If we as a nation are fighting for the life of democratic principles, we must not, in hysteria, kill them with our own hands. These words by Voltaire should be engraved on the hearts and minds of every calm, solid American:

 $\lq\lq I$ disapprove of what you say, but I will defend to the dearh

your right to say it!

This must be the stand of the American people; therein lies our strength and our salvation. If our nation is truly democratic, it is not the prerogative of any one organization to decide who is and who is not to be accorded the four freedoms.

If America is to remain the Land of Freedom and Opportunity, it must be so for all people-not just those whose views correspond with ours. In the words of an immortal American I . . . Abraham Lincoln:

"Those who deny freedom to others deserve it not for themselves and under a just God cannot long retain it."

The entire college community wishes the graduates of the 1950 class, who receive their sheepskins on Monday, all the success and advancements that are possible.

Of course, they all have looked for- While backward-thinking minds ward to the day when they would Recall the past of receive their diploma, but we, the underclassmen hope that they will miss B.S.T.C. as much as we'll miss

The class of 1950 has produced Shared together. some of the most outstanding students that Bloomsburg has ever known. On the athletic field, few again?" former athletes could compare with In unison, walking . . . this year's graduating stars. As one In unison, wond'ring . . . famous gentleman once said, "Lét's When? look at the record," that's all we need When? do, to say, "nice work boys."

In the academic field, many seniors have shown the brilliance of most Bloomsburg grads. Several members of the class of '50, have been listed in the meritous publication of outstanding college students. All these achievements can make the entire college proud, including the faculty the earnest desire to learn. Again we say, best wishes, and good luck in day, May 16, 1950 at the home of Miss whatever each of you may attempt.

Now that the scholastic year has drawn to a successful close, we can look to the future and all hope we have as much fun, as much to gripe to, as we have had in the past.

How can we forget the terrific Waldron. times we had at those football games? Or the square dances, where everythrillers! Despite the fact that the year. boys started out on a sour note, they ended the campaign in championship Tribute to Seniors fashion.

Last of all we can point to future classes under the excellent tutelage of the many profs on "The Hill." Yes, Bloom won't be too bad to come back to come next September. In fact, it will probably be a pleasure after we work all summer.

See you next September!

A girl who has a soft spot for a fellow had better look close—it may be his head.

FASHIONS

a la femme

by Dot Cedor

For those dressy afternoons, when you want to be as decorative as the flowers, we suggest a circle skirt of many attractive patterns of gay, bright flowers and checks. You will want a lovely peasant cotton blouse too! Nylon blouses are attractive with any summer skirt—they may be worn for sport as well as that late afternoon or evening date.

Cool, crisp, and fashionable are the new organdy dresses. We suggest ribbed organdy with a black rayon velvet accent, embossed with black tracery and jet-buttoned. Rustling pastels under white organdy has an elegant summer look.

Cool-looking and cool-feeling during soaring temperatures are shear rayon prints. For afternoon teas or shopping, a print is a summer indispensable. A horse-shoe neckline, by Dior, gives your print that Paris-inspired look.

The most refreshing summer fabric to be seen is fine imported cotton voile . . . washable, crease resistant, and airy without being sheer. "Cool as a South wind and delicate as cobwebs" describe the new voile dresses.

Piquant and pretty 'neath suits and atop skirts is a misty dotted swiss blouse of nylon, possessing extra news and extra charm. The blouse may be disarming collared, pearly-buttoned down the front with sleeves that push up with a florish which is acclaimed as the smartest of the season.

Yearbook Clinic Held Here for Benefit Of Future Editors

A very interesting and profitable lecture was presented to B.S.T.C. students and interested outsiders on Thursday, May 18, by Mr. Edward Sprout, representative of the Campus Publishing Company of New York and Philadelphia. Mr. Sprout had with him an interesting collection of college and high school yearbooks which the group looked over before the meeting began. Of the people present, some were members of the staff of Obiter 1950; others were prospective members of the Obiter 1951 staff. Still others were editors or advisors of high school year-

The purpose of the clinic was to give valuable help to editors and advisors of college and highschool yearbooks.

In the meeting, Mr. Sprout presented what the Campus Publishing Company calls the Campus Percepti Plan. This was a graphic presentation of Campus Organized Method for planning and operating staff, budget. and general yearbook production. The group was exceedingly interested in learning what the cost of Obiter 1950 would be if published by either the letter press method or the offset method.

The group derived many beneficial ideas concerning yearbook layout, engraving, and printing.

I had a little bunny And his name was Jim Got sixteen now ---Her were no him.

A spanking is administered at one end to impress the other.

Little cuts from classes, Little slips marked 'late,' Make the students wonder If he'll graduate.

Albert: What color bathing suit was she wearing?

Alfred: I don't know-she had her back turned.

New College Mascot Roonga III Joins Husky Kennel on "The Hill"

Roongo III wagged into town May 19th and was apparently pleased with what he saw of his new home town from the confines of a wooden cage.

Following his arrival by express at the Pennsylvania station, the new College canine mascot was whisked away to a veterinarian's for medical surveillance.

Roongo III, eighteen months old, is a Siberian Malamute of the same breed of canine that gave the Bloomsburg State Teachers College teams their title of "Huskies." For some time, the College has been without a mascot. Through the interests of alumni and Prof. George J. Keller, the new Husky was obtained from the Greenlawn Kennels, Laconia, New Hampshire.

Roongo I was acquired by Keller for the formation of a dog sled team, and shortly became the College's mascot. He was borrowed by the Huskies of the University of Washington and went to the Rose Bowl in 1937. There wasn't much heard of Roongo I after that. Washington lost to Pittsburgh, 21 to 0.

Not long afterward, Roongo II put in his appearance. He finally went South with Admiral Byrd.

The name "Roongo" is contrived from a corruption of the names of the school colors, Maroon and Gold. Drop a couple of consonants and you've got a Husky.

Richard Whitner, of town and a student of the college, will be in charge of the animal. He received the shipment and transported the dog to the kennels of Dr. W. P. Bond, Espy veterinarian. Whitner reported that the dog is friendly and well behaved.

Errors Cost Huskies 7-6 Defeat at Hands of Lock Haven Teachers

A pop fly that dropped in the center of the infield and another infielding error gave Lock Haven S.T.C. two runs which were enough to defeat the Huskies 7 to 6 at Lock Hav en last Friday.

Bill Byham who relieved Mike Evans in the eighth frame after the first Bald Eagle batter singled was charged with the loss of the shortened

Byham struck out the first two batters that he faced. The next batter lifted the pop that Ed Piestrak missed for an error. The next batter rolled to Riley who threw into the dirt at first for the error that meant

It was loss number two of the season for the Huskies.

The Husky batsmen who at this writing sport an eight and two record on the diamond, complete the spring season on Saturday by meeting powerful Wilkes College on the Mount Olympus diamond. Earlier this season, the Maroon and Gold swatters dropped the Wilkes-Barre nine by a 6-3 count. Big Bill Byham worked in the last tilt, and was the victor for the B.S.T.C. boys. Coach Redman has not yet indicated who will be his pitching selection for the battle, but there is a chance that Byham will work since his performance was an impressive one against the Colonels in the previous fracas.

That long-awaited trip that the Maroon and Gold swatters were to make to Philadelphia didn't pan out too well. Yes, the boys made the journey to meet Temple and the West Chester tutors, but the old nemesis, rain, halted both contests before they were even started.

With the school year having come to a successful close, all intramural activity, perhaps more extensive this year than any previous year, is over. The softball victors have proclaimed their crown, along with the volleyball champs. On the horseshoe scene, the winners have also been decided there. Much credit goes to the sponsors of these activities and also the boys who willingly participated to make them a success.

On the cinder paths, the Husky runners bowed in their final meet of the year. Although the cinder chasers lost all but one affair, they still showed some strong points and bright moments at times. At least Mr. Shelley will have something to build around next year, with virtually the same boys on hand for duty.

If an individual award were to be given for the most outstanding athletic team on College Hill this year, it would be a difficult task to select which sported the better squad, the basketball team or the gridiron eleven. Both turned in sterling performances, with the Husky gridders boasting a more successful chart. However, the many congratulations from all sources go to the entire coaching staff for building B.S.T.C. athletic teams to the heights of which we all may be proud. We all naturally hope for an equally successful athletic year come next September, when the footbal and soccer teams start out the campaign.

Noted on the other part of this page is the complete records of all B.S.T.C. athletic teams for the school year of 1949-50, to show all who are interested just how successful the teams and coaches were throughout the year. Let's hope that Bloomsburg can boast even a partial amount of glory in the future.

Coach Redman Speaks At Sports Dinner

Coach Robert B. Redman was the featured speaker at the annual Sports Dinner of the St. Vincent's High School, of Plymouth, Wednesday having compiled one of the outstandwas director of the annual cage tourney, also attended as a guest of the Association.

"Smokey" Andrews Wins Horseshoe Tournament

The finals in the Bloomsburg State Teachers College Intramural horseshoe tournament were decided on night, May 24. Coach Redman's | Monday afternoon, May 22, on the "Huskies" will be remembered for North Hall pitching grounds. From a long list of prospective champions, ing records in the Pennsylvania inter- the field was narrowed down, after collegiate baseball. The Plymouth several weeks of activity, to a mere basketball team, which won the Class handful of candidates for the title. Tournament, were honored by the the two final survivors in the tourney, Plymouth fans. John A. Hoch, who under the direction of Dr. Satterfield, were Bob, "Smokey" Andrews, and trackman, Frank Gallo. In the best St. Vincent's High School Athletic of three tilts to decide B.S.T.C.'s top horseshoe pitcher, Andrews won out to become 1950 champion in that intramural sport. Frank Gallo took the runner-up spot in the battle.

> John: There's only one thing that keeps me from cuddling you in my

Tilly: What is that? John: My brawny stomach.

Come On In, the Water's Fine!

This old familiar call will be a welcome and oft heard sound ringing throughout the corridors of Centennial Gym as many students prepare to Two out when winning run scored | return to the campus for the annual summer sessions.

1949-50 Goes Down on Record as Outstanding Year in Sports at B.S.T.C.

Womer Sets New Pole Vault Record at State Teachers' Meet

Led by Frank Womer, the College trackmen finished fifth in an eight-College Track and Field championship at Shippensburg Saturday.

West Chester Teachers nipped Shippensburg 70 5-8 to 68 1-2 for the title. East Stroudsburg was third, Lock Haven fourth, and the College, with 7 1-2 points, was fifth.

Womer tied for first in the pole vault with Steve Hatfield, of Shippensburg, the two athletes setting a went over on the first try at that height. Womer nearly cleared the bar three times at thirteen feet.

Tommy Goodwin, tiny blond sprinter, finished fifth in the 220 behind Bob Hillman of East Stroudsburg whose time was 22.1. Hillman also won the 100.

Al Eremich picked up a fourth place in the discus with a heave of 118 feet. The winning toss was 125

Those were the Husky point winners. Joe Feifer, Mt. Carmel frosh ran a good 2.03 in the 880 but finished sixth behind a winning time of 1:58, a fraction of a second off the record time of Bloomsburg's Don Hippensteel.

Don Evans, of West Chester, was the only double winner besides Hillman. Eyans set a new record in the two-mile with a 9:50.9 performance and also grabbed the mile.

Huskies Ahead When Rain Halts Game

Bloomsburg College Huskies were leading Kings, 6 to 3, on the local College field Tuesday when the rains came after three innings. Byham was pitching for the Huskies and McGuigam was on the mound for the Wilkes-Barre boys. King's got its runs in the third on two hits, two errors, and a base on balls. Mike Evans hit a home run for the College in the first inning C championship in the 1950 B.S.T.C. With the process of elimination tak- with Don Butler on first. The Husk- the books as one of the best in BSTC Invitation High School Basketball ing place over the last four weeks, ies tallied four times in that inning history. and two in the second.

ving in that capacity for four years, he came to our campus as bursar.

These two men were honored at a dinner Wednesday evening, May 17, at the Pine Barn Inn in Danville. The dinner was sponsored by the Bloomsburg Branch of Pennsylvania State

local PSEA branch called upon Dr. that, Mr. Hausknecht and Mr. Englehart were each presented with a consistory ring for their outstanding service to the college by Dr. K. Kuster and Mr. H. Fenstemaker respectively.

Psalm to My English Teacher

Mr. Devoe is my teacher; I shall not pass. He maketh me to go to the board. He compelleth me to write Compound complex sentences. He maketh me sit down for my class'

Yea, the I study until midnight I shall gain no knowledge, For my homework sorely bothers me. He giveth me "E," Surely grammar and composition

shall Follow me all the days of my life, And I shall dwell in the English class forever.

Ed: I saw you chasing girls down beaver holes.

Ted: Sure, it's more fun than chasing beavers down beaver holes.

Football, Basketball and Baseball Pose Impressive Record in S.T.C. Competition

Football - - -

Bloomsburg gridiron activity was an exciting, thrill-packed adventure team field at the State Teachers all the way down the line this past fall, from the opening tilt in Wilkes-Barre to the brutal battle, and final game of the campaign when the Huskies dumped their rivals, East Stroudsburg Teachers. By losing to Wilkes College in the opening fray of the season, an enviable twelve game winning streak was smashed. However, the Maroon and Gold gridders showed all the glory of the 1948 new state mark of 12-feet six. Both season, by walloping the next eight foes on the card. Perhaps the most thrilling game of the year was that battle with Lock Haven under the lights at Athletic Park in town. The Huskies had to rally in the last minute to streak to two touchdowns to nose out the visitors by a 26-14 margin, then too, when the Red Raiders from Shippensburg journeyed to Mt. Olympus and almost defeated the B.S.T.C. boys before the locals finally won out 14-13. To the players and Mr. Redman goes the congratulations of all the armchair quarterbacks and spectators who thrilled to the play of the 1949 Bloomsburg gridders.

Even by meeting some of soccerdom's greatest foes, the Maroon and Gold still slated an excellent record. From the standpoint of the won and lost record, the campaign might not appear to have been too much a success, but considering the formidable opposition, the season will go down in

The 1950 addition of the Bloomsburg State Teachers College baseball (Continued on page 4)

Outstanding Year In Sports

(Continued from page 3)

squad witnessed another bright camhelm. After extending their win streak to seventeen straight over the last two years, the Huskies finally bowed in mid-season. Pitching and batting of the 1950 team could not quite compare with that of the 1949 team but nevertheless the squad earned itself an enviable reputation. The Huskies were in every game until the final putout, and played superb, errorless ball during most of the season.

With twelve victories being carried over from the 1949 season, the Husky batters extended their winning ways to seventeen straight before they finally lost to Shippensburg. The final record will be decided on Saturday afternoon after the Maroon and Gold swatters will have played the Wilkes College Colonels. Whatever the final chart may read, it is still one of the best in the past ten years of diamond activity on the Hill.

| | At Bat | Hits | Aver. |

| Track | | | ļ |
| | | | |

Track on College Hill was far from successful this past campaign, mainly because of the lack of talented, experienced runners. Mr. Shelly, a first year man as head mentor of the thinclads, did a fine job considering all the handicaps he had to face in order to produce a winning track team. On the field, we must look for the laurels to fall our way in future years.

Faculty REMINISCENCES

(Continued from page 1)

Mr. DeVoe, Class of 1931, graduated with the first full-fledged paign with Coach Bob Redman at the four-year class from B.S.T.C. He was editor of the Obiter then and still is connected very closely with the annual senior yearbook.

Harold H. Lanterman

Edward T. De Voe

Another graduate of the Class of 1931 is Mr. Harold Lanterman Mr. Lanterman and Dr. Kuster, Class of 1913, both of the science department, have their offices in Science Hall, where the biology, chemistry, and physics laboratories are located.

Both Mr. DeVoe and Mr. Lanterman, of '31, recall the times when the day rooms were found in the basement under the old gym. They recall, too, the major campus improvements that were begun while they were students at B.S.T.C. These developments were initiated by Dr. Francis B. Haas, now Superintendent of Public Instruction of Pennsylvania.

One of the most important of the improvements of this period was the erection of the Benjamin Franklin Training School that was first opened for the 1930-1931 school year. This building is one of the most modern and most progressive of its kind.

Clayton C. Hinkel

Earl A. Gehrig

Mr. Gehrig, Class of 1937, has recently entered the educational spotlight for his work in writing a textbook for use in teaching Accounting. He, along with Mr. Henrie, of the Class of 1938, recall when the students of the gym classes had to run up around where Centennial Gymnasium is now. Along with Mr. Hinkel, Class of 1940, these faculty members of the Business department were students here when the college was undergoing a very marked physical change. The new gymnasium, one of the finest in the region, was erected in this period; as was Navy Hall, the building which the United States Navy used for its V-12 officer training program.

Charles C. Henrie

Marjorie Stover

Miss Stover, Class of 1946, remembers when the Navy V-12 and V-5 were here. One day the sailors were here and the next day they had been withdrawn, a move which created a change in the life of the college, especially, no doubt, for the girls. The community government was run by the girls then, and they probably, as Miss Stover hinted, had a difficult time because of the lack of men around to help.

It is evident that the College on the Hill has come a long way in 40 years. What changes will take place in the next 40 years is anyone's guess. The year of 1950 marked the erection of a modern brick porch connecting the wings of the Waller Hall women's dormitory. This porch has been appropriately called the Colonnade. According to reports that are prevalent on the campus other additional changes are planned for the near future. Let us hope that the Bloomsburg State Teachers College will continue to improve and progress as it has in the past, with every change for the good of the students, the faculty, and the college itself.

HUNGRY OR THIRSTY Try the Texas Lunch D. J. COMUNTZIS

Have You Heard?

by Marie Mattis =

In spite of the fact that B.S.T.C. is graduating a large number of "future profs" this year, many of the graduates give indications that they have no intentions of following the proverbial pattern of absent-minded professors. Here are some replies made by a few soon-to-be-departed seniors who were asked, "What will you best remember of your years at B.S.T.C.?"

Nancy Crumb-freshman initiation and those little green hats.

Lionel Livingston — walking into English literature class, and seeing, for the first time, my future wife, Muriel Marks.

Madelyn Schalles -- the profs and their stereotyped jokes.

Charlie Roberts—dancing the light fantastic with Miss Kunkel during the summer session.

Shirley Jones - the time I was a bridesmaid.

Steve Kriss — the Husky football

Marcey Evasic—the "daze" in Mr. isher's class.

Mike Bell-meeting my wife. Honey Tarole-Joe.

Bernard Zelinski-last summer. Muriel Marks - my mouse, Oscar, whose escapades enlivened the long winter's nights.

Glenn Koplin-my friends. Berdine Logar-student teaching. Norman Keiser—my senior year.

Kay Chapin-fun we've had in the dorm-like the time we poured a cup of coffee through our transom on a gal who was pounding on the door. Paul Plevyak—our soccer trips.

Dick Wagner — the Botany field trips to Ricket's Glen last summer. Nerine Middlesworth -- handing Thomas L. Thomas a program from Eulah Beale's concert and asking him

to autograph his program. Leon Grant - working in the science lab, and the excellent sport's record of the Huskies.

Elmer Wyant—Joe Curilla.

Don Butcofsky—the time I went to he women's dorm on the Obiter picture-taking expedition.

When asked the same question, the underclassmen promptly replied, "The class of 1950."

Thus endeth another year. In the words of George Bernard's guest who realized that it was growing late . . . 'Oh, Shaw! I must go now."

A graduate of B.S.T.C. was recently represented in the May issue of "The Instructor." Miss Virginia E. Cruikshank, author of the words and music for a song entitled, "Let's Go Travelling," was graduated from the College with a Bachelor of Science degree in 1939. Miss Cruikshank is presently teaching the fifth grade in cratic institution does not grow much the Fourth Ward School, Sunbury. The song "Let's Go Travelling" appears in the program material section of the magazine.

College Council Active

(Continued from page 1)

The Used Book Mart has come into being as a result of Council action taken in response to student requests in one of the C.G.A. open discussion meetings. Chairman of this project was Tom Anthony.

Revision of the Constitution has been attempted by the Council in a special committee, although the outcome of the balloting awaits the final count. Particularly of inte est in the proposed changes were the order of the articles and the election proced-

In the hope of being able to learn and benefit by participation, representatives of the college have attended regional and national meetings of the National Student Association. Attending the Second National Student Congress at the University of Illinois last summer was Richard Wagner, C.G.A. President. Delegates also took an active part in a recent meeting of the Association of Student Governments of State Teachers Colleges of Pennsylvania.

Elections have been conducted efficiently by the Election Board, of which Tony Grabowski was chairman until political aspirations beckoned to him. The work has now been taken over by Frank Dean and Agnes Valimont.

A complete consideration of the Awards (Service Key) Policy has been undertaken this year by the committee, chairman of which is Eleanor Johnson. Several changes in policy as well as in point scale have been suggested and approved by the Council.

New features have been added to the assembly calendar. Maintaining the well-received student talent shows, several forums have also been conducted.

Helping to preserve and further our reputation as the "Friendly College," the Hospitality Committee, under the direction of Dick Kressler and Doris Bowman, have been doing their best to make all visitors feel "at home."

New furniture, and equipment for the kitchen of Science Hall social room, has been purchased at recommendations of the Furniture Committee. The Dining Room Committee has aided in preparing lists for table seating.

Surely few who attended will forget the square dances, or the allcollege round dances, arrangements for which were effected by the Social and Recreation Committee. James Babcock, chairman.

A good year? The College Council thinks so. However, none of it would have been possible without the general interest and participation of the college community. Democracy is a slow process, it is said, and a demoin a year. Perhaps, but what has been started this year will be continued, and undoubtedly equalled, if not enlarged upon, in years to come.
