## WELCOME ALUMNI!!

### Five Instructors Plan Retirement At End of Term

Five members of the B. S. T. C. faculty are retiring at the close of this semester. Announcement of the retirement of the teachers was made at a faculty dinner held by the B. S. T. C. branch of the Pennsylvania State Education Association in the Char-Mund-in-the-Country.

The retiring group is made up of Miss Harriet M. Moore, Dr. H. Harrison Russell, Mr. Samuel L. Wilson, Mr. S. Irvin Shortess, and Mr. John J. Fisher. In announcing the retirements, Dr. Andruss cited the loyalty and faithfulness of the honored guests. He pointed out their long period of service at the college and announced that the aggregate years of teaching of the instructors amounted to more than 191.

Miss Harriet M. Moore, supervisor of music in the Benjamin Franklin Training School and director of the Women's Chorus and Men's Glee Club, has been a member of the faculty since 1921.

Graduating from high school at Festus, Missouri, of which state she is a native, Miss Moore attended the State Teachers College at Kirksville, Missouri, where she completed the four year Music Supervisor's Course.

In 1920, Miss Moore entered Bush Conservatory, in Chicago, where she received a degree of Bachelor of Music.

For twelve years, she taught in the elementary grades in the public school of Webster Groves, Missouri, and supervised music in the public schools of Winnetka, Illinois and University City, Montana. She entered Bloomsburg in 1921 as instructor in Public School Music. When the Benjamin Franklin Training School was completed, Miss Moore was appointed supervisor of music.

Taking a leave of absence from B. S. T. C., Miss Moore entered New York University, where she was awarded the degrees of Bachelor of Science in Music Education and Master of Arts in Teachers College School Education. She also did graduate study at the University of Chicago and at Washington University in St. Louis.

During the summer session of 1931, she taught at Clarion S.T.C. Here at Bloomsburg, besides teaching classes in Music and various professional subjects in the field of education, Miss Moore has also directed several downtown choirs and choral groups.

Dr. H. Harrison Russell, has been teaching Geography at the College for the past quarter century. Prior to 1925, he was an elementary teacher and supervisor (Continued on page 4)

### Alumni Day Activities To Begin with Annual Meeting In Carver Hall Auditorium

Celebration Expected to Bring Hundreds of Graduates to Campus

#### Grand Old Alumnus

William B. Sutliff

It was springtime in the year 1889 when William B. Sutliff came to Bloomsburg and enrolled in what was then the Bloomsburg Normal School. At this time the school offered a two-year course in teacher education. During his first year, Mr. Sutliff boarded in town, just as many of our students today are doing. Then in the fall of 1890, he moved to the campus and was among those to graduate with the class of 1891. Herein, the story of William Sutliff could have ended very simply, but he was destined for greater horizons—not in far-off places, nor in a prominent public position, but right here on the campus of the Bloomsburg State Teachers College.

After his graduation in 1891, he began his career as a teacher in the classrooms where only a few short months before he had been a student; and for five years after his graduation he taught at this institution. In 1893 the girl who was later to become Mrs. Sutliff, came to the Bloomsburg Normal School.

By the year 1896, Mr. Sutliff began to feel that he should broaden his field of knowledge, (Continued on page 4)

Alumni Day, May 26, 1951 again welcomes back to the campus those who in years gone by have passed through the portals of B. S. T. C.

This year, class reunions have been scheduled for classes who graduated at intervals from five to seventy years ago. Today the grand old alumni of '81 to '90 inclusive, '91, '96, '01, '11, '16, '21, '26, '31, '36, '41, and '46 reign supreme.

At 10:00 A.M., the annual alumni meeting will be held in Carver Auditorium. From 12:00 noon a self-service luncheon will be served in the college cafeteria for all those who have not planned otherwise. At 2:00 P.M., the above mentioned classes will meet in their assigned rooms.

The classes of 1941 and 1946 have arranged to have films shown at this time. At 2:30 P.M. there will be a baseball game on Mt. Olympus, where B. S. T. C. will meet Wilkes College in what should prove to be a thrilling contest.

Holding their twentieth reunion today, the members of the Class of 1931 has engaged the Elks Dining Room in Bloomsburg for a dinner at 1:00 P.M. Mr. Edward T. DeVoe, Obiter Editor in his senior year and now English instructor at B. S. T. C. is chairman of the affair.

The class will have as their guests Dr. Francis B. Haas, State Superintendent of Public Instruction; Mrs. Haas; Dr. Harvey Andruss; Dr. Thomas North; Dr. Elna Nelson, President of the Alumni Association; Mrs. Nelson; Miss Harriet Moore, who was advisor of the class of 1931; Mr. Samuel Wilson, to whom the class dedicated its yearbook.

### Seniors' Annual Ball and Banquet At Irem Temple

More than three-hundred people, including Seniors and their guests, attended the Senior Ball and Banquet, Thursday evening, at the Irem Temple Country Club, Dallas, Pennsylvania.

A holiday atmosphere prevailed as Host, Ukasin Vukceovich, announced the stagey, "Dinner is served," at 6:55 p.m. The first stanza of "America" was sung when everyone was seated, led by songleader, Charles Edwards, and accompanied by Elvira Thomsen at the piano. Grace was then offered by Eloise Symons, Hostess of the affair.

At appropriate times during the banquet, community singing was led by Charles Edwards. The main course consisted of turkey, filling, and vegetables. Following the meal, Richard Kressler, President of the Senior Class, welcomed the class and its guests, and then turned the program over to Russell Hawk, Chairman of the Ball, who introduced the guests. Mrs. Swartz and Doctor North spoke briefly, following which Gloria Dawn Long rendered a piano selection. President Andruss then spoke a few words.

Next on the program, Marie Mattis narrated a brief but interesting history of the senior class. She noted the progress had achieved through unity. After the narration, several verses of a parody of the popular song, "So Long, It's Been Good To Know You" were rendered by various members of the class, joined in at the chorus by the entire congregation.

Richard Kressler then thanked everyone who had worked diligently to make the Senior Ball and Banquet a successful affair, (Continued on page 4)

To Returning Alumni and Friends:

We welcome you to the 1951 Alumni Day.

In view of the drain of man power occasioned by the outbreak of the Korean conflict, and the consequent induction of a large number of men into the Armed Forces, we have managed to meet the problems of this college year as they have arisen with a reasonable amount of equanimity, courage, and sound judgment.

That you may notice some of the plant improvements while on the campus of your Alma Mater, and renew old acquaintances on this Alumni Day, is the wish of

*Harvey A. Andruss*

President.

### Two Distinguished Alumni Named Recipients of Service Award

Dr. Champlin and Gen. Edwards Recognized for Outstanding Achievement

#### Award Recipient

Dr. Carroll D. Champlin and Lieutenant General Idwal H. Edwards have been named recipients of the Distinguished Service Award presented by the Alumni Association. This high honor is annually bestowed upon alumni who have achieved meritorious recognition for outstanding work. The award is never given to more than three persons in one year.

Dr. Carroll D. Champlin was graduated from Bloomsburg High School in 1904; Bloomsburg State Teachers College, in 1906. He received his M.A. degree in 1915 at Haverford College and a Ph.D. in 1925 from the University of Pittsburgh.

Dr. Champlin, who is Professor of Education at the Pennsylvania State College, was head of the department of Education and Psychology at California State Teachers College from 1921 to 1926. During the first semester of 1932-1933, he served as exchange professor at the University of Puerto Rico. Dr. Champlin was in the Federal Forum service for five months during 1938 in four states—Pennsylvania, Virginia, Vermont and Rhode Island.

He is the author of numerous articles and studies dealing with international, social, and cultural problems. These articles have been found in various publications including the New York Herald Tribune, School Review, School and Society, The High School Teacher, and T. C. Journal of the N.E.A.

Gen. Idwal H. Edwards

In the summer of 1947, Dr. Champlin made a European tour in order to catch the educational, religious, and moral significance of the European scene. On this tour, the educator visited nine countries, and interviewed sixty ambassadors, party leaders, economists, editors, foreign correspondents, industrialists, and educators. He attended sessions of the British Parliament and the French National Assembly.

The tour extended over a period of fifty-five days.

Lieutenant General Idwal H. Edwards graduated from B. S. T. C. in 1914 and was president of his graduating class. He enlisted in the army in 1917 and transferred to the Air Corps in 1918.

During the period between the two World Wars, he served in the Philippines, Hawaii, and at several stations in the Continental United States.

Lieutenant General Edwards was commissioned a second lieutenant in Infantry Reserve in 1917 and received his Regular commission as a second lieutenant of Infantry on October 25, 1917. (Continued on page 4)

## Speaking of . . . OPERATIONS

by Calvin Kanyuck and Max Kaplan

This is a special alumni issue of Speaking of Operations. It is also the last edition of this column. For those of you who remember the good things about college life and for those who have only vague recollections, we hope this column awakens memories.

Something new has been added . . . Wednesday evening was a busy time here at B.S.T.C. Besides the annual Senior Class ivy planting, we had the formal dedication of the new fountain in the Waller Hall Court. The official dedication was made to the college by Sarah Graham, a member of the class of 1949. The affair was indeed a colorful one. Colored lights had been placed along the eaves of the colonnade to add an extra touch of color to the lights which are an integral part of the new fountain. We kept our fingers crossed during the entire proceedings in the hope that nothing would go wrong with the gizzmo, thus shooting colorful electrical sparks instead of light rays around the area. The fountain will be a great addition to the beauty and grandeur of our campus.

**Gems from the Operations** book of philosophy . . . The trouble with the law of supply and demand is that those who have the supply usually make the demands . . . Some people must have a sixth sense because they show no signs of the other five . . . If you are average, that means that you are just as close to the bottom as you are to the top . . . The difficulty with dating a television actress is that there is no place to put one's fraternity pin . . . Some people climb the ladder of success wrong by wrong . . . Most people are happiest when wealth is only a state of mind.

**Suggestion Box . . .** What this school needs is not a good five-cent cigar, but something it does need is more activities at the beginning of the school term. Why? To eliminate the congestion and crowding which occurs at the end of the year. The trouble is, the first few weeks you are here you do nothing but, pardon the expression, squat on your posterior extremities. You do nothing for the first month or month-and-a-half. Then they decide to have intramural football. This lasts a few weeks, then it's over; and about a month after the second semester somebody gets the brilliant idea to have intramural basketball. After a few weeks, that dies out; and we have nothing again until the last few weeks of school when they decide to have intramural softball, tennis tournaments, picnics, horseshoe-pitching tournaments, outings, parties, field trips, and what not.

Why don't we have some of these tournaments at the beginning of the school year? It's warm enough then for horseshoe tournaments, tennis tournaments, and softball. This activity would aid in helping the freshmen get adjusted. That's the time to have these things because that part of the school term is slack. The students have time on their hands because the instructors are waiting to get started, waiting to start the big drive; and the students could use some sort of activity to take up the extra time.

**For the Record . . .** In the May issue of the NEA Journal, there is a quotation by Theodore Roosevelt: It is not the critic who counts, not the man who points out how the strong man stumbled or where the doer of deeds could have done them better. The credit belongs to the man whose face is marred by dust and sweat and blood; who strives valiantly; who at the best knows in the end the triumph of high achievement; and who at the worst, if he fails, at least fails while daring greatly.

We have had a column to write. We tried to do a good job. We made mistakes, and we sure heard about them. Sometimes we did good work, and sometimes people let us know they liked what we wrote.

In this, our closing paragraph, and the final paragraph of Speaking of Operations, we would like to thank our friends and readers (How are you, mother?) for their cooperation, encouragement, and constructive ??? criticism. Writing a column is blood, sweat, and tears. Your writers have tried to please a lot of people, including themselves. This was a big order. But while we were sweating, we were laughing. And now, like the old soldiers that we are, we will just fade away. Good luck, have fun, and keep smiling.

## Roongo III Welcomes Returning Alumni . . .

### Alumni Association Of Columbia County Organizes 'Ten Club'

At the annual dinner of the Columbia County Branch of the Bloomsburg State Teachers College Alumni Association, held in Berwick on April 2, 1951, Edward T. DeVoe, the president, was authorized to establish what is hoped to be a long-range scholarship program for worthy students at B.S.T.C.

It was agreed at the meeting that each Columbia County graduate should be asked to contribute ten cents per year for each year which has elapsed since the time of his or her graduation from the college up to the present year, with a minimum contribution of one dollar.

Here is how the plan will work in actual practice. If an alumnus is a recent graduate of B.S.T.C., in 1946, for example, his contribution will be \$1.00. If he or she were graduated in 1931, the contribution will amount to \$2.00. If the graduate belongs to the class of 1897, his contribution will be based on fifty-four years of alumni membership and will amount to \$5.40. The assumption is that older graduates benefited yearly from the training they received at their Alma Mater and that they are in a better financial position than the neophytes. If all Columbia County Branch members join the "Ten Club", the scholarship fund should be adequate for at least a decade.

Payment of contributions will automatically qualify a Columbia County alumnus for membership in the "Ten Club." Recognition of such membership will be made in the Alumni Quarterly through the cooperation of Dr. Elna H. Nelson, president of the Alumni Association, and Howard F. Fenstermaker, editor of the alumni magazine.

Dr. Kimber C. Kuster, a member of the Science Department and a Columbia County alumnus, has accepted the chairmanship of the scholarship committee. All contributions should be addressed to Dr. Kuster, in care of the college. The chairman will have a free hand in the distribution of these grants-in-aid and will give a report of receipts and expenditures at the annual branch dinner.

The next dinner meeting of the group will be held next fall in the college dining room through the courtesy of Dr. Harvey A. Andruss, president of the college. An effort will be made to hold the dinner on an evening when an outstanding number of the evening entertainment program is being presented.

### Annual Ivy Day Exercises Held in Waller Hall Court

On Wednesday evening, May 23, annual Ivy Day exercises were held in Waller Hall Court outside the college cafeteria. The traditional oratory was given this year by Edward W. Steiner.

The Senior Class, clad in their caps and gowns, marched from Carver Hall Auditorium to Waller Court, where they began the program by singing "Halls of Ivy." Following Mr. Steiner's address, the ivy was planted and the spade was presented to Thomas Anthony, President of the class of 1952, by Richard Kressler, president of this year's Senior Class.

The feature of the ceremonies was the presentation of the outdoor color-change fountain to B.S.T.C. by the class of 1949. Miss Sara A. Graham presented the fountain to Mr. Hemingway, President of the Board of Trustees, on behalf of her class. Ivy Day was held in the evening this year in order to present the fountain in all its colorful beauty. Faculty advisor of commencement activities was Mr. Walter Rygiel.

Ivy Day originated at B.S.T.C. about the year 1909; earlier exercises being much more elaborate than now. The class of 1917 was the first to use the pergola for their ceremonies. Some classes once gowned in their respective class colors for the event, but later changed to white dresses or suits and colored pendants and still later to commencement caps and gowns.

In 1924, the stressing of poetry initiated a new program for Ivy Day. At this time many poetic references to ivy were made and gay dances and costumes were featured.

It wasn't until 1925 that Ivy Day and Class Night were divided into two separate programs. However the class song was retained and the speeches radically reduced.

In 1925-28, plays and Greek myths were included in the activities; such productions as "Robin Hood" and "A Midsummer Night's Dream" were presented.

Folk and May Dances were given in 1931-33. Since 1934, the observance of Ivy Day has been of simple nature. Most of the speeches have dealt with the symbolism of ivy and its close association and parallelism to the future of the class.

In 1945, simple exercises were held after the Baccalaureate sermon, in the morning. This had been the procedure for the past six years, until this year, when evening services were held along with the fountain dedication.

### Senator Mundt Will Be Commencement Speaker Mon. May 28

Senator Karl E. Mundt of South Dakota will deliver the 1951 Commencement address on Monday, May 28, in the Carver Auditorium. An outstanding statesman and speaker of our time, Senator Mundt was secured as speaker when Miss Nora Wain, distinguished American author, was suddenly called to England because of the illness of her husband. Miss Wain was to have spoken on "China As a Factor for Peace in Asia."

Senator Mundt is a member of the Senate Committee on Executive Expenditures and its importance (Continued on page 4)

## 1950-51 School Year Marked By Many Improvements And Innovations on Campus

### New Husky Mascot One of Year's Most Popular Additions Here

This year vast improvements and renovations have been constantly going on at B.S.T.C. Throughout the school year the gloomy, dark woodwork in Waller Hall from Dean Kehr's office to Noetling Hall has been repainted with a much more cheerful shade of green.

In October, the class memorial of 1947, a new and modern outdoor grill, was built behind Navy Hall and opened to student use. During this year also work was started and completed on the Class of 1949 Memorial Fountain. This new masterpiece is located in Waller Hall Court outside of the dining room and is equipped with an attractive array of colored lights.

Perhaps the greatest renovation has been going on in Science Hall. There an entire new roof has replaced the leaky, unsightly creation of bygone days. Inside the building complete replastering and painting is well under way.

New porches have also been constructed onto North Hall and Dr. Andruss' residence. Repainting of Waller Hall Dormitory is also under way.

This year has been an eventful one for B.S.T.C. September brought a total of 831 students to the portals of our college for the first semester. Honors went to the Freshman Class, who added 342 students to the enrollment.

Another popular addition to our campus was the coming of our new Husky mascot, Roongo III, a lovable 18-month old pup of the same breed that gave B. S. T. C.'s team the title of "Huskies."

College life reached full tempo as customs were administered to incoming "Frosh" with more vim, vigor, and vitality than ever. Customs ended with a Freshman Talent Show on October 26, a month of "College orientation" for the 'Frosh' being completed.

"Welcome Alumni" was the cry that rang on October 28, when a record number of our "grads" returned to their Alma Mater. With a band concert and football game during the day, the evening featured a dance in Centennial Gym to the music of Al Anderson.

Early in the school year a

new Audio-Visual Department was established on campus, and every student learned he was required to take a Visual Aid course before graduation. Ted Krensavage, graduate, class of 1950, was appointed Film Librarian.

On October 18, the Barter Theater of Virginia presented their version of Shakespeare's "Comedy of Errors" in Carver Auditorium. In November, the 1949 Class Memorial, a fountain for Waller Hall Court, began to be constructed. Dr. Ralph Herre returned to B.S.T.C. from a nine weeks Citizenship Project at Columbia. Mr. Russell Schleicher was added to the Training School faculty. Mrs. Marjorie A. Keller, sponsor of this year's Senior Class, became Mrs. Willard Swartz.

A new fraternity was also initiated into B. S. T. C. during November. Sigma Alpha Eta was organized for speech correction and speech and hearing students. The Class Memorial of 1947, a new outdoor grill located behind Navy Hall was opened to student use.

The Sophomore Cotillion was the gala event of the Christmas season. The theme of "A Winter Wonderland," the music of Lee Vincent, and the crowning of Terry Ann Cierlitsky, class of 1950, as "December Queen," were the highlights of the evening. James Whibley was general chairman of the affair.

Dr. Engelhardt, director of the placement bureau, announced in December that 90% of the class of 1950 had received employment. Under the editorship of Dave Newbury, the first issue of "The Olympian Magazine" of the year was placed on sale. Before Christmas vacation, all B.S.T.C. students joined together in buying Christmas gifts for the Special Education Class of the Training School, the Child Welfare Organization, and the Salvation Army.

On January 9, Dr. Kimber Kuster, chairman of the Scholarship Committee, announced the awarding of five scholarships to B.S.T.C. students. Dr. Elna Nelson, president of the Alumni Association, made the awards to Alice Quick, Alex Koharski, Alfred Chiscon,

(Continued on page 4)

# '50-51 Marks Another Fine Year in Husky Sports

## Husky Basketball For 1950-51 Shows Record of 9-7

From where we sit, our eyes glance over a campus blossoming into leafy spring, with heat waves bouncing from the concrete. But our minds' eye travels back through the past winter when the crowds moved into Centennial Gym to watch Coach Harold Shelly's 1950-51 edition of Husky basketball move through a 16-game schedule and emerge with a 9 win, 7 loss record.

As they prepared for the opener, Shelly's forces faced the worst handicap a team can face—lack of height. The Huskies were good shots and fairly fast, but without the height to match some of the giants on opposing teams, they could hardly hope to stand on equal ground. The experience was there as Shelly opened the season at Wilkes College. From the varsity squad of 1949-50, Captain Walter Banull, Plymouth ace (now in the U. S. Army), Bob "Smokey" Andrews, of Johnstown fame, and Bill Byham, of Kane, were on hand; along with Don Butler, Warrior Run's greatest, and Chuck Daly, Kane set-shot ace, they formed the starting nucleus for this year's squad. Dave Linkchorst, Jim Thompson, Danny Boychuck and Al Williams were all used extensively by the hard-work mentor. Banull and Andrews graduated in the January commencement, and that left Shelly his whole team for next year, as none of his players will graduate this week.

The individual statistics show some very fancy shooting, Chuck Daly led the hoopsters with a total of 213 points as he racked up 89 field goals and 35 fouls; Don Butler followed with 69 field goals and 32 fouls, for a total of 170 points. Bill Byham was close behind, hooping 168 points on 62 field goals and 44 fouls. Dave Linkchorst and Jim Thompson rounded out the first five, with 119 and 115 points respectively. The Huskies scored, as a team, an even 1,000 points for the season, on 384 field goals and 232 fouls.

The courtmen moved into Wilkes College's new gym for the opener and defeated the Colonels in a very loosely-played game which saw Don Butler lead the Huskies to a final 53-44 score.

### LOCK HAVEN

There's not too much to say about this one. The Huskies only had 11 points at half, and their last-half surge fell way short of the skyscraping gym teachers, who scored a 70-45 victory.

### MILLERSVILLE

The biggest upset of the year was posted, as the Huskies thrilled the fans with a 62-58 win over the state champions. The locals played an inspired brand of ball to win going away.

### WEST CHESTER

The surging Huskies almost spoiled the unblemished record of West Chester, but they fell short as Walt Banull left the game in the last period, via the foul route. The game went on to a 62-58 loss for the locals.

### LOCK HAVEN

The Bald Eagles again displayed their superiority and ran rough shod over the Huskies to a 62-32 win.

### SHIPPENSBURG

Bob Chubb, 6 foot, 9 inch center, and company extended the Husky losing streak by dumping the locals, 64-59, on the Shippensburg court.

### MILLERSVILLE

The Marauders avenged their defeat by moving to a 70-55 win on their home court. It marked the fourth loss in a row for the Huskies.

### HARPUR COLLEGE

With Banull and Andrews playing their last game for the Huskies, the locals defeated a scrappy New York state squad, 75-68.

### SHIPPENSBURG

A thrilling game from beginning to end saw the locals lose, 57-56, to the tall Shippers. The Huskies looked good but could not cope with the height of their rivals.

### MANSFIELD

This game proved to be the starting point of the Huskies' longest win streak, as they moved out to win, 72-66, over Ted Casey's team, at Mansfield.

### MANSFIELD

The Shellymen rolled to their (Continued on page 4)

## 1951 Husky Baseball Team

First row (left to right) — Butler, Byham, Levan, Hummel, Evans, Glosek, Ledyard. Second row — Dan Boychuck, Lambrinos, Linkchorst, Thompson, Johnson, Kearns, Fitzpatrick, Alex Boychuck. Third row — Coach Redman, Costa, Steinbach, Verhousky, Kapsak, Stoutenburg, Jones. Missing when the picture was taken were — Kotula, Makowski, Haninck.

by Harry Brooks

This last issue of the Maroon and Gold for the year, the Alumni Issue, makes the best time to review the year's athletic accomplishments here on College Hill.

Orchids to . . . .

Coach Bob Redman, whose football team captured seven battles in their eight-game schedule. The only defeat was at the hands of West Chester, the down-state rival which is again scheduled for this fall. More laurels to Mr. Redman's baseball nine, who will complete their present campaign today against the Wilkes College team. In a previous meeting, the Colonels licked the Huskies for one of their few setbacks of the year.

Head basketball and track mentor, Harold Shelly whose hoop boys showed fine form in winning nine games on their sixteen game card. Mr. Shelly built the 1951 track team from the hapless team of 1950 into a respected foe for the present year. Throughout the season, the team performed well, and did better than expected considering the tough opposition. In their last meeting at powerful West Chester a week ago yesterday, the Shellymen lost by a meager twelve points. The experts had them tabbed for a shellacking that they didn't get.

Dr. Wagner, a new face on this year's faculty and coaching staff, aided in much of the coaching for all the major sports. In addition to this, "Doc" built a representative intramural program at Bloomsburg; five sports being on the intramural card throughout the year.

Dean of Men and Athletic Director, John Hoch, whose athletic aid of all kinds and direction of the High School Basketball Tournament has added friends and students to the Maroon and Gold alma mater.

To those students who supported the various athletic teams no matter on what field of battle they performed. Student spirit increased somewhat for this year, but it can still be better.

Here's hoping that the school year of 1951-52 will bring additional fame to the Friendly College, more friends to the ever-growing list, and as fine a representation as we have had in the past — academically, athletically, socially.

## Husky Thinclads Come Up With Good Record for 1950-51

Opening the season at Scranton, the Husky track team dropped a 76-53 dual meet to Scranton University. Chilly winds held down performances, with no outstanding times or distances recorded. Frank Womer was the chief point-maker for the Huskies with a total of 12 points in four events included first in the pole-vault and high hurdles. Tom Spack racked up a first in the javelin and second in the shot put, for eight points.

The Husky mile relay team finished fifth in a nine-team field in its race at the Penn Relays, Franklin Field, Philadelphia on Friday, April 27. Representing the College were Tommy Goodwin, Bill Gilbert, Joe Feifer and Charley Brennan. Tom Spack and Frank Womer were both entered in the javelin and pole-vault events, respectively.

In one of the most dramatic finishes to a track meet held here in years, the Husky thinclads defeated Lock Haven 68-63. Going into the last event, which was the mile relay, the score was tied at 63 all. In the mile relay it was all Bloomsburg as Goodwin, Brennan, Feifer and Gilbert defeated their opponents by a good margin, to give the Maroon and Gold a well earned victory.

The Maroon and Gold sprinters finished fifth in an eight team field at the State Teachers College meet held at Shippensburg on May 12. Bloomsburg recorded 16 points. In the javelin, Tom Spack annexed first place with John Scrimgeour finishing third. Frank Womer tied for first place in the pole-vault while Joe Feifer finished second in the half mile.

The Husky track team dropped its meet against a powerful Buck-

nell University squad on Monday, May 14, by a score of 97-29. Coach Shelly's team captured first place in only three of the fourteen events.

Frank Womer set a new record for the Lewisburg Stadium when he pole-vaulted 12 feet, 3 inches. In addition to Womer, Tom Spack won the javelin contest with a heave of 176 feet 8 3/4 inches and Joe Feifer ran home first in the half-mile on 2:08.5.

Shippensburg Red Raiders outscored the College in a dual meet on May 8, 75-51. However, Frank Womer gave an added attraction to the affair as he pole-vaulted 12 feet, 8 inches for new college record.

Tom Spack, Joe Feifer, and Bill Radzwich captured the other first place honors; Spack in the javelin, Feifer in the half mile and Radzwich in the 220 yard dash.

Coach Shelly's runners closed its season on May 18 by dropping a 69-57 decision to the state champion, West Chester squad. The contest was held on the winner's field.

The Huskies captured seven first places with Womer taking the pole-vault and low hurdles, winning the high jump, Spack capturing the javelin, Radzwich annexing the 100 yard dash, Feifer triumphing in the mile and Evans winning decisively in the shot put.

As a result of a popular poll conducted recently at the college, the following athletes were voted the most valuable players of the year in their respective sports.

- FOOTBALL Dan Parrell
- SOCCER Frank Furgele
- BASKETBALL Bill Byham
- TRACK Frank Womer
- BASEBALL Don Butler

## Huskies Blast Millersville; Set For Wilkes in Alumni Day Tussle

### Husky Baseball Record Impressive For 1950-51 Season

The 1951 edition of the Husky baseball team closes out its season tomorrow with an Alumni Day game against Wilkes. Our baseball season has been a very successful one; a record of ten wins and three losses to date is a very commendable one. Following is a brief resume of each game:

**BLOOMSBURG 8, Lock Haven 4**  
Effective pitching by lefty Bill Byham, who gave the visitors only six scattered hits and struck out fourteen, was the bright spot of the game. Don Butler's home run in the first inning duplicated the feat that opened the 1950 season in the same manner. Dave Linkchorst and Byham also added round-trippers to the Husky cause.

**Bloomsburg 13, TRENTON 14**  
Don Kearns, getting his first starting assignment of the year, pitched very well but was hampered by poor support. Don Butler led the Husky attack with four hits including another home run. Lambrinos also hit a four-bagger.

**BLOOMSBURG 10, Temple 9**  
Bill Byham notched his second victory of the season although he was hit fairly hard. Butler, Evans, and Lambrinos led the Husky attack with two hits apiece, with Butler hitting his third home run in as many games.

**BLOOMSBURG 4, King's 3**  
Lefty Bill Byham pitched his third complete game of the young season. Butler, Lambrinos, Glosek and Ledyard each collected two hits.

**Bloomsburg 2, WILKES 5**  
Clem Makowski made his first appearance of the year on the mound for the Huskies and pitched a very fine game. The Huskies could only garner four hits from the offerings of Zigmund, the Wilkes hurler, who had complete control of the game all the way.

**BLOOMSBURG 10, Shippensburg 8**  
Butler led the assault with two doubles and a triple, while Linkchorst, Hummel, Evans, Lambrinos, Glosek, and Thompson each added a pair of safeties to the imposing array of base hits amassed by the Huskies. Kearns relieved Byham in the eighth and received credit for the win.

**BLOOMSBURG 4, Mansfield 3**  
Effective clutch pitching by Clem Makowski was very instrumental in determining the outcome of the game. Makowski scattered eight hits over the route and was only in trouble in the fourth inning when the mountaineers scored all three of their runs. Butler again led the Maroon and Gold hitters as he collected two hits.

**BLOOMSBURG 7, Scranton 6**  
Don Kearns recorded his second win of the year and scattered seven hits in the process. Butler and Hummel led the Husky attack with two hits apiece. Linkchorst and Butler each notched a triple and both were telling blows.

**BLOOMSBURG 8, Kutztown 4**  
Makowski, again receiving the starting nod, went all the way to record his second win of the year against one loss. Butler, Hummel, and Evans showed the way for the Maroon and Gold offense. A triple by Butler was the big blow of the game.

**Bloomsburg 5, LOCK HAVEN 11**  
Bill Byham, making his first appearance since he was injured, absorbed the loss. Hard-hitting Don Butler again showed the way for the Husky hitters. Jimmy Thompson with a triple and a single was the only other Husky to garner more than one hit. A beautifully executed triple play was pulled off by the Huskies in the eighth inning.

**BLOOMSBURG 17, King's 2**  
Evans, Thompson and Byham led the hitting parade with three singles apiece. Byham pitched the first eight innings and received credit for the victory. Don Butler used his defensive prowess to great advantage, making three sparkling catches.

**BLOOMSBURG 12, St. Francis 0**  
Clem Makowski was on the hill for the Huskies and allowed only two hits to the Dutchmen in those six innings. Butler had collected three hits in that short time and led the Husky attack.

**BLOOMSBURG 12, Millersville 2**  
Bill Byham pitched his best game of the season. The hitting (Continued on page 4)

Byham, Ledyard, and Lambrinos Homer in Husky Hitting Spree

The Husky seige guns were booming on Mount Olympus last Saturday afternoon and when the smoke cleared, the Huskies emerged as the victor over the Millersville Teachers, by a 12-2 score.

Starting early, the Huskies blasted six big runs across the plate in the second inning. The big inning was started by Steinbach, a very able replacement for the injured Mike Evans, and was climaxed when Byham lined a two run homer over the center fielder's head.

The Huskies tallied three insurance runs in the third as Dick Ledyard walloped a home run into left center field.

Big George Lambrinos tallied the twelfth run in the eighth inning as he lofted a Ruthian wallop far, far into left field.

The two Millersville runs came as the result of a well-hit home run by Eckert, with one on, in the fourth inning.

"Wild Bill" Byham became "Bullet Buck" Byham as he leveled the opposition with only four hits, striking out 10, and walking none. Whoever said that pitchers can't hit should talk to Byham, for he smashed three hits including a home run and a triple.

"Rochs" Butler, Jimmy Thompson, and Steinbach also rapped three hits in the 18-hit Husky attack on three Millersville tossers.

## K.P.s Win Title

Myrt's KP's, title-holders in the American Division of the Men's Intramural Softball League, defeated Daddy's Boys, hoop champs in the National Division, by a score of 8 to 2, to gain possession of the championship crown on Monday, May 21.

The KP's got into this playoff game after they had finished out in front in their section, with a record of 5 wins and one setback. They beat their nearest rival, the B-R's, 12-1, in the final game of the regular season. Their lone defeat was at the hands of the Coalers, who dumped them by a count of 11 to 5.

Much of the credit for the championship caliber of Myrt's KP's must go to their sturdy little pitcher, Larry Ksanznak. Larry's record for the season shows that he won 6 games (counting the championship playoff) and that he lost none.

Daddy's Boys were in this championship game by virtue of their winning a 6 to 5 playoff tilt for their division crown from the Outcasts, who had previously defeated them, in the final regular game of the season, by the score of 11 to 3. Much credit for the fine showing of Daddy's Boys should go to their sterling pitching ace, Bob Lang.

## Five Instructors Plan Retirement

(Continued from page 1)

in the public schools of Illinois for four years. He also served for eleven years as an Assistant Professor of Geography and Director of Athletics at the Illinois State Normal School, now the State Normal University, Normal, Illinois.

Dr. Russell, a graduate of the Illinois State Normal University, holds graduate degrees from Clark University, Massachusetts. He has written a number of articles in the Geography field, and has served as a member of several state-wide commissions for the revision of Geography in the public schools and Teachers Colleges in Pennsylvania. Dr. Russell has also served as an officer for several state and national associations of Geography teachers.

In addition to his academic duties, Dr. Russell is also a radio commentator over Station WCNR. Mr. S. Irvin Shortess, a graduate of the Milton High School, has taught at B.S.T.C. since 1923. His retirement marks the end of twenty-eight years of continuous service. Mr. Shortess came to Bloomsburg from Girard College, Philadelphia, where he was an instructor in Biology. During his long service at Bloomsburg, he has taught classes in Chemistry, Physics, Biological Science and Physical Science.

Mr. Shortess received his Bachelor of Art Degree from Albright College and the Master of Science degree from the University of Pennsylvania. He did graduate work at the University of Pennsylvania and New York University.

He began his teaching at Sunbury High School, and for a number of years was also principal of high schools at Berwick and Jenkintown. Before accepting a position at Girard College, he was head of the Physics Department at J. M. Coughlin High School in Wilkes-Barre.

Mr. Samuel L. Wilson came to B.S.T.C. in 1923, previously having taught in the Technical High School in Harrisburg. Mr. Wilson attended Homestead High School. He received his Bachelor of Arts degree at Bucknell University and his Master of Arts degree at Columbia University. Mr. Wilson has also done graduate work at Harvard and New York University.

For a number of years Mr. Wilson was principal of High Schools at Pleasant Gap and Ralston. He has also taught English during summer sessions at Penn State.

Besides being head of the English Department here at B.S.T.C., Mr. Wilson has served as faculty advisor of our various publications. Through the years he has been of invaluable aid to the Maroon & Gold and Obiter Staffs. It was to him that the Obiter—1931 was dedicated; it was through his guidance that the Obiter—1951 was produced.

Mr. John J. Fisher, a native of the State of Indiana, is psychology instructor and director of the Psychology clinic at B.S.T.C. He has taught here for the past twenty-six years. A graduate of the Goshen, Indiana, Academy and Goshen College, he received his Master of Arts degree from Indiana University. He did further graduate study at the University of Pennsylvania, Columbia University, and Ohio State University.

His experience in the field of education includes teaching in the rural schools in the state of Iowa and classroom teaching at the Academy at Goshen, Indiana. He also taught at Goshen College and Indiana University before coming to Bloomsburg in 1924. At Bloomsburg, Mr. Fisher has been in charge of the development and administration of a complete testing program.

## Alumni Named

(Continued from page 1)

He was promoted to first lieutenant in 1918, to captain in 1920, to major in 1935, to lieutenant colonel in 1938, to colonel in 1941, to brigadier general in 1942, to major general in 1943, and to lieutenant general (temporary) in 1947.

Gen. Edwards has been awarded numerous decorations by foreign governments, as well as by the United States. These include the Distinguished Service Medal with one Oak Leaf Cluster, the Legion of Merit, the Commander of the Order of the British Empire, and Commander of the French Legion of Honor.

He is presently assigned as Deputy Chief of Staff for Operations at Air Force Headquarters. General Edwards is married to a B.S.T.C. alumna, Katherine Bierman. They are parents of two daughters.

## Dean Sutliff

(Continued from page 1)

and leaving the campus, he enrolled at Lafayette College. Upon graduation from Lafayette in 1898, he received his Bachelors Degree. His Masters Degree was also earned at Lafayette.

Having been away for 2 years, Mr. Sutliff again returned to Bloomsburg to resume his role as a faculty member of the Normal School and to marry his campus sweetheart. For six years Mr. and Mrs. Sutliff lived in the Normal School, where Mr. Sutliff taught mathematics and Mrs. Sutliff taught music.

In 1919, Mr. Sutliff started a summer session at Bloomsburg—the first in the history of this college. It seemed to be an excellent idea, and the following summer found another session in full swing under the complete and competent guidance of William E. Sutliff. It was only a year later when Mr. Sutliff added another "first" to his list of accomplishments in education. It was then that C. H. Fisher, the new principal, came to Bloomsburg; and it was then that Mr. Sutliff became Dean William Sutliff—the first Dean of Instruction ever to perform his duties on the campus of our Alma Mater. While serving in this capacity Dean Sutliff became very closely associated with Mr. Jenkins, under whom he had studied English while a student in the Normal School.

William Sutliff worked hard and studied in many colleges in order to achieve his position. His graduate work was done in the University of Pennsylvania, Columbia University, New York University, and Pennsylvania State College. For seventeen years he held the position of Dean of Instruction at this institution; and to all who came in contact with him, he was a wonderful friend. His ready wit and understanding made him the type of man in whom students had confidence.

Even though his record of service is already long and honorable, Mr. Sutliff has not been idle since his retirement. At present he and his wife are living in Bloomsburg, where Mr. Sutliff now serves as secretary of the local school board.

Perhaps this little poem, which is only one of the many written by Mr. Sutliff, entitled "On Being A Dean" best expresses his deep faith in human nature and particularly in youth itself.

"What a job!" said a casual caller to me,

"Records and grades, letters and files," said he.

But you don't understand this job, my boy,

These files are alive—they cannot annoy

When each stands out as a boy or girl

Toiling and serving midst life's busy whirl,

Smiling and happy as fitting their youth

Earnest and steady in facing the truth,

This is the thing twixt the lines in the files

That makes the job easy and smooths the rough miles.

## Husky Basketball

(Continued from page 3)

highest score as they posted their second win in a row, 90-77. Don Butler, Chuck Daly, and Jimmy Thompson were the ace point-getters.

### KUTZTOWN

Always a threat on their home court, the Golden Avalanche held an 18-point lead at half; but the locals rolled to their third win in a row as Dan Boychuck climaxed the Huskies uphill climb with a bucket just as the whistle blew, to give Bloom the game, 52-50.

### HARPUR COLLEGE

It took an overtime to stop the New Yorkers, but, aided by fine reserve work by "Greek" Lambros and Bob Gerhard, the Huskies won their fourth victory in a row, 72-70.

### WILKES

George Ralston brought an improved ball team to Bloomsburg, but the Shellymen had progressed also and won, before an enthusiastic crowd, by a score of 85-69.

### INDIANA

This was the last game of the year, and the Huskies found the going still tough as they tried to penetrate the unfamiliar zone defense. Chuck Daly's sets from the side provided most of the winning margin, as Bloom won, 68-57.

Doctor: "The thing for you to do is bury yourself in your work."

Patient: "Gosh, and me a cement mixer."

## 1950-51 School Year

(Continued from page 2)

James Ciavaglia, and Vincent Nawrocki.

The Senior Ball for January graduates was held at Irem Temple Country Club in Dallas on January 16. Commencement was on January 18, as forty seniors received diplomas. Ex-senator Robert LaFollette of Wisconsin was speaker.

In February, Aaron Rosand, prominent violinist was featured by the Civic Music Association. The Sophomores and Freshmen conquered the Juniors and Seniors in a battle of wits during an assembly quiz program, the subject being, "Contemporary World Affairs and Figures."

On March 8, the Retail Sales Conference was highlighted by addresses from H. Bruce Palmer, executive vice-president of the Mutual Benefit Life Insurance Company, and "Sunshine Gene" Flack, Sales Manager for the Sunshine Biscuit Company.

Russell Looker and Henry Marini succeeded Anthony Grabowski and Tom Anthony as President and Vice-President of the C.G.A. for next year. Dianne Snyder was elected Queen for the annual May Day festivities.

On April 2, the famed Westminster Choir presented a concert in Carver Auditorium. It was announced that Donald V. Hock, Mayor of Allentown, would be the principal speaker at the annual Secondar Conference held April 21, the theme being "Growth in Service."

April 6 marked the coming of the Junior Prom, with its oriental theme and gay floor show. Joyce Mac Dougall was general chairman of what proved to be the most successful dance of the year. Dr. Kuster was class advisor.

"Our Town" was the production of the year for Miss Johnston and the Bloomsburg Players. Their play was more than unique because of the almost complete lack of scenery.

Scholarships were again granted to four B.S.T.C. students on May 1. Recipients were Antoinette Czerwinski, Keith Smith, William Carson, and

Jeanette Travers. Mr. Harold Lanterman of the Science Department attended an Atomic Energy Conference at Indiana S.T.C.

The annual Fashion Show sponsored by the Retail Selling Classes was presented, on May 4. The placement bureau announced that 94% of the 1,918 graduates between the year 1931-48 are employed. The Alumni Association of Columbia County organized a "Ten Club" to provide scholarships for worthy B.S.T.C. students.

Richard Kressler, President of this year's Senior Class, was chosen as one of twenty students from the entire United States and Canada to participate in a tour of European countries this summer sponsored by the National Lutheran Association.

Finally, as the year drew to a close, it was disclosed that Senator Mundt would be the speaker at Commencement Exercises on May 28 and that Edward Steiner would deliver the Ivy Day Oration on May 23. The 1949 Memorial Fountain in Waller Court reached completion and was dedicated during Ivy Day Ceremonies.

The Senior Ball and Banquet was held at the Irem Temple Country Club on May 24 with a gay color scheme of green and white. At the Annual Faculty Banquet, it was announced that five B. S. T. C. instructors pictured in this issue would retire at the end of the school year.

And so with Alumni Day set for May 26, the year was brought to a close. Today alumni from the eighteen hundreds to just five years ago have gathered to view the accomplishments of B. S. T. C. through the years.

## Annual Ball

(Continued from page 1)

and announced that dancing would begin at 9:00 p.m. He introduced Paul Keener who presented Mr. Andrus with the flower centerpiece. Following this, carnations for the men were distributed, and as they were being fitted through lapel holes, the candles were lit, the lights were dimmed, and Charles Edwards sang the beautiful, "May The Good Lord Bless And Keep You," accompanied by Elvira Thomsen at the piano.

ant sub-committee on Senate Investigations. He is also co-author of the famed Mundt-Nixon Bill.

Prior to becoming senator in 1949, Senator Mundt spent twelve successful years in the House of Representatives. There he was an important member of the Foreign Affairs and Un-American Activities Committees. His work has given him first hand opportunity to study Communism within the limits of the United States. He was acting chairman during the hearings resulting in the discovery of the "Pumpkin Papers" of Whitaker Chambers.

Senator Mundt is well known as a forceful speaker of rare wit and philosophy.

## Baseball Record
