Number 14

Miss Joan Christie — 1956 May Queen

## Weatherman Provides March Winds for May Day

Festivities Prove Huge Success To Spite Weather As Three Hundred Participants Fight Through Program

Approximately three hundred college and Benjamin Franklin Training School students participated in a colorful May Day program May 9, 1956, on the lawn of the college.

Preceding the traditional festivities, the Maroon and Gold Band under the direction of Mr. Nelson Miller, presented a concert. Promptly at 2:30 P.M. the procession began, led by the Senior Woman who carried an Ivy Chain. Joan Christie, the Queen of May, was preceded to her throne by eight Senior women who were her attendants. After being crowned by Robert Evans, president of the Community Government Association, she took her place to view the activities of the afternoon.

The entire program emphasized scenes from various areas of the nation. First on the program were skits portraying summertime everywhere, including beach scenes, picnics and many types of sports. A highlight of this portion of the program was the bathing beauty contest in which several college women vied for the honor of becoming "queen of the beach".

The Kindergarten Class of the Benjamin Franklin School presented their thoughts on patriotism in their dance, "Yankee Doodle". The Fifth and Sixth Grades presented Pennsylvania, the Southland and Texas by singing three songs, "The Ash Grove", "The Night Herding Song" and "Swing Low, Sweet Chariot".

Looking wintry in their white costumes, a group of Sophomore girls presented a dance depicting a snow storm.

An enjoyable change of setting was produced when some of the college men, dressed in their finest hillbilly attire, did an excellent job with the dance, "Arkansas Traveler".

The Fourth Grade presented a scene from Louisiana when they did the old French dance, "Farandole", better known to many of us as "Follow the Leader".

The Southwest was represented by a colorful and gay fiesta dance, entitled "The Lady Anne", which was presented by the Third Grade.

The Second Grade demonstrated their square dancing ability to the All-American tune, "Oh! Suzanna".

Two hundred college women, attired in soft pastel skirts and white blouses, presented a creative dance to the tune of "Greensleeves." Made more colorful by the flowered wands waved by the girls, the dance ended with a graceful bow to the queen.

As an appropriate and spectacular ending to the program the entire cast of May Day performers wound eighteen gaily colored May Poles, arranged on the terraces outside the Husky Lounge.

Responsible for the beautiful and well-organized May Day program were Miss McCammon and her committee consisting of Dean Hoch, Mrs. Miller, Miss Hazen, Mr. Shelley, Mr. Blair, Mr. Herberholz, Mr. Miller, Mr. Henrie, Mr. Knoeble and many student aides.

## SAE Held Annual Banquet, May 10

Dr. Eugene McDonald Gives Inspiring Talk

The Iota Chapter of Sigma Alpha Eta, professional speech and hearing fraternity, held its annual banquet Thursday evening May 10, at the Hotel Magee.

Guest speaker for the evening was the well known Dr. Eugene McDonald, director of the speech and hearing clinic at Penn State University and founder of Sigma Alpha Eta.

Dr. McDonald gave a very inspiring talk concerning the difficulties and unforeseen situations which may be encountered by graduate speech therapists. He gave realistic and practical suggestions in co-operating with parents and school administrators so that an adequate and wholesome therapy program can be developed.

An Honorary Membership award was given to Dean John A. Hoch in recognition of his outstanding interest and co-operation in furthering the principles of Sigma Alpha Eta.

Dr. Donald F. Maietta, director of the speech and hearing clinic and advisor of the Iota Chapter, was honored with a personal gift from members of the fraternity.

Miss Charlotte Rummage and Miss Doris Krzywicki were awarded Honor Memberships in recognition and their high professional promise and outstanding work in the field of speech and hearing. Following these awards the new officers of SAE were installed.

## Students Visit United Nations Headquarters

The Teaching of Social Studies Classes, taught by Miss Barnes, continued their study of the United Nations by taking a field trip to visit the U.N. headquarters in New York City on Tuesday, May 1, 1956.

Before they began the journey, the college cafeteria provided a 6:00 a.m. breakfast for the travelers. They also received bag lunches furnished by the college. During the trip, a short lunch-stop was made at Howard Johnson's in New Jersey.

Upon arriving in New York, the group toured the United Nations buildings led by official guides from many nations. Beginning the tour from the public lobby in the

(Continued on page 4)

## Three Faculty Members Retire After More Than Thirty Years of Service

Miss Grace H. Woolworth

Miss Grace H. Woolworth, Assistant Professor of Education and kindergarten teacher in the Benjamin Franklin Laboratory School, will retire at the end of the current semester. Miss Woolworth's retirement will terminate more than three decades of teaching in public schools and colleges in various parts of the nation, including twenty-five years of service to B.S.T.C.

## 1956-57 Budget Lists Increases

President Andruss has noted several important changes in the 1956-57 budget. Four of the five athletic teams are receiving increases as follows: football, \$6400 to \$6500; baseball, \$1200 to \$1850; an additional \$200 to the basketball team, which brings their budget to \$1900; \$350 increase in wrestling budget to raise their amount from \$850 to \$1200. Their necessity for uniforms and equipment has stimulated these increases.

Regarding the more cultural vein, \$500 has been set aside to further those evening programs, sponsored by Bloomsburg. The Morning Assembly Committee, which now receive \$1500, will receive \$2500 in the coming college year.

The Maroon and Gold Band will receive \$750. A sum of \$2000 has been allotted for organ repairs. College Council, which now receives \$1200 annually, next year will receive \$1600.

(Continued on page 3)

## Day Women's Board Attend Banquet

Midst the last minute scramble for completing term papers and studying for exams, members of the old and new Official Board gladly took time out to attend a dinner held Tuesday, May 8, at the Pine Barn Inn, Danville. A delicious meal was served to Miss MacDonald, hostess, Miss Waldron, Carol Nearing, Diann Jones, Dorothy Diltz, Alice Eyer, Yvonne Zeisloft, Sally Ridgway, Katie Keller, Shirley Edwards, Elaine D-Augustine, Arlene Rando, Jeanne Concannon, Ruth Ann Musselman, and Sue Hayhurst. The group announced next year's officers and committee chairmen.

(Continued on page 4)

Miss Woolworth began her work as a kindergarten teacher in Minden, Nebraska, teaching at the University of Omaha, Nebraska, she joined the faculty of the State Teachers College at Bowling Green, Ohio as a college teacher and kindergarten-training teacher. Her service to education at the State Normal College, Ypsilanti, Michigan, preceded a summer position at the College for Women, Greensboro, North Carolina. During the fall of that year, she joined the staff at Bloomsburg. Here at BSTC Miss Woolworth taught college classes in the afternoon in addition to kindergarten in the morning.

For a number of summers, Miss Woolworth has managed a camp in the Rocky Mountains at Estes Park, Colorado. Her current plans indicate that she will continue this work when she leaves Bloomsburg. In past years, she has traveled to various parts of the United States and Canada, and travel ranks high on her current list of plans for the future.

Mrs. Lucille J. Baker

The retirement, in May, of Mrs. Lucille Johnstone Baker, Assistant Professor of Education and Grade I teacher in the Benjamin Franklin Laboratory School has recently been announced. During her thirty years on the campus, Mrs. Baker taught children in grades I, II, and III, demonstrated class-room procedures, supervised student teachers, and taught college classes which were part of the summer work-shop.

Prior to her service at Bloomsburg, Mrs. Baker spent a number of years as a kindergarten teacher in Telluride, Colorado; critic teacher at the Tri-State College in Angola, Indiana; and Grade V supervisor at the Dillon Extension of the University of Montana.

Community interests and activities in the Presbyterian Church, Eastern Star Lodge, and American Association of University Women supplemented her work in teaching and her professional interests in local, state, and national education associations.

Mrs. Baker, like many of her friends and colleagues, enjoys traveling and new experiences. She has toured parts of Europe, and plans to move west this summer to accept another teaching position and live near her daughter and family, Mr. and Mrs. Robert Laubscher and son, in Whittier, California.

Mrs. Anna G. Scott

A teaching career of more than thirty years will be climaxed in May with the retirement of Mrs. Anna G. Scott, Assistant Professor of Education and fourth grade teacher in the Benjamin Franklin Laboratory School.

For several years, prior to the time she joined the college faculty, Mrs. Scott taught in the public schools of both Berwick and Bloomsburg. A past member of the Business and Professional Women's Organization, she has retained membership in the American Association of University Women and in national, state, and local education associations.

Mrs. Scott has announced no specific plans for the future, but she has indicated there are many activities in which she was interested.

Senior models: Barbara Bennett, Judy Stephens, Doris Krzywicki

## FADS 'n FASHIONS

by SANDY

Well, here it is the end of the year. Can you believe it is time to leave the friendly institution on the hill? It has been a nice year, hasn't it? Just think of all the fun we have had. In case any parents might be reading this, I will say that we have done our share of work, too. But I guess I should stick to the business at hand and leave this sentimentality for Long Porch on the afternoon of the 24th!

As for fads and fashions this year, we have had our share. I don't mean to steal from "The Male Scene", but I really believe that the male fashions have been more changeable than those of the female world. A good example is kakhi slacks. First they were seen in the kakhi color they were intended to be. Before too long, however, they appeared in black, sporting the Ivy League mark of a buckle in the back. Now, by the end of the year, kakhis have made a third appearance, this time in olive green. Along the sweater line, crew neck sweaters almost caught up to the V-necked variety in popularity. Belts switched from plaids to diagonal stripes. Men seen in Bermuda shorts were few and far between, but maybe by next year we will have more brave souls.

I know this sounds like I am stealing Tom's thunder, so I'll move on to the female line. Before I do, though, I want to say "hats off to a group of stylish fellas." No wonder Bloomsburg will be preeminently a girls' school next year. You men have undoubtedly been part of the attraction.

It's hard to know where to begin in the female world. Bermudas have been tops again this year. Believe me, the one thing they will never have to fight for is popularity among the coeds. I hope we will see more of them around the campus next year.

Kakhi has definitely found a place in our wardrobes. Thanks to the fellas for that, along with the traditional buckle in the back.

Come to think of it, we haven't had too many elaborate fads this year. I guess the most popular one was trying to stay off probation!

Before I forget, I must get a plug in for the big shin-dig on Saturday night. Here is your chance to cease those frustration blues, girls. Let's give the fellas a break and treat them to a real Sadie Hawkins affair. They really deserve a treat. Anyway, the Sophomores are going out of their way

(Continued on page 5)

## The Male Scene

by TAG

For summer days, summer suits. Here in capsule view is what we've heard.

You need a loose weave so that air can pass through readily. For example, stay away from gabardine, for it is about the tightest of woven fabrics. A nine-ounce fabric of great popularity is the 55% dacron-45% wool combination.

The cord suit is in for another big showing this summer. The amount of cotton determines how this suit looks, and it usually looks casually crushed. You can purchase blends of 75% dacron and 25% cotton all the way down to all cotton models. Some men wear cotton cords immaculately; others, oh well!

For almost pressing-free comfort from Palm Beach comes a fabric (25% dacron, 15% mohair, and 60% viscose) that has a linen-like appearance and can be had in a full range of colors. The Spring-weave line by Palm Beach has the look of a tailored tropical worsted with a fabric blended of wool and mohair.

To look like a million bucks, crawl into a coveted silk suit. It creases like mad, but it feels and looks great.

We have "hemmed and hawed" for a year now and we rather liked it. We sincerely hope you enjoyed it, too. We have tried to keep you up-to-date on styles, colors, and fabrics. We've thrown a few duds here and there because of personal feelings toward some new styles. We will probably fall in line with these new fads, so nothing was really meant except that we are sometimes conservative. We look at it this way: if it is appropriate, looks well, is comfortable and accessorized to your individual taste, who the heck cares, and you will feel like the top ten well-dressed men.

That's the way we think. Have a carefree vacation; school begins September 11.

## "B" Club Members Enjoy Weekend Trip

On Friday afternoon, May 11, the "B" club traveled to Eagles Mere for their annual trip. The girls who went were: Pat Eyer, Enola VanAuken, Kaki Crew, Barbara Lentz, Deets Stanton, Diane Somosise, Margaret Brinser, Margie Meyers, Audrey Brumbach, Barbara Curry, Gloria Barber, Kay Nearing, Judy Muir, Jane Ott, Jane Martini, Molly Mattern, Wendy Rundell and "Mousie" Davis. Miss McCammon sponsor of "B" club, Miss Betty Fisher and Miss Mary Kramer were chaperones for the trip.

Friday evening, a delicious dinner was prepared by a committee of girls at Margaret Brinser's summer cottage. After dinner the girls relaxed and played games and then returned to the Allegheny Hotel where they rested up for their eight mile hike to Canyon Vista the following morning.

On Saturday morning, after a hearty breakfast and a good night's rest (?), the girls started off on their journey. After an hour and half of hiking up mountains and over swamps they reached their destination. The beautiful view of World's End and it's surrounding villages made the hike well worth its blisters.

One of the main events of their trip was the installation of next year's officers, by Pat Eyer, president of "B" Club. They were as follows: Kaki Crew, President; Marilyn Ritter, Vice President; Barbara Lentz, Secretary; and Margaret Yohn, Treasurer.

Of course, an Eagles Mere trip wouldn't be complete without initiation. Molly Mattern, Jane Ott, Enola VanAuken, Kaki Crew, Barbara Raski, Barbara Lentz, Deets Stanton, Judy Muir and Jane Martini well earned their membership, after being led through bushes and under water blind-folded. The rest of the ceremonies remains a secret.

On Sunday morning, Miss McCammon drove the girls over to the Rainbow Farms. This estate, which was owned by a millionaire at one time, is a spectacular as its name. After the excursion, Miss McCammon provided rides for those girls who wished to go to church.

For Sunday dinner the girls had as their guests, Mr. and Mrs. Jack Yohe and Gary, Mr. and Mrs. John Hoch, Mr. and Mrs. Howard Fentemaker, Mr. and Mrs. Howard Shelly and family, Miss Edna Barnes, Miss Edna Hazen and Mrs. Lucile Baker. After dinner, numerals, letters, and awards were presented by Miss McCammon, Mr. Yohe, and President, Pat Eyer.

With arching backs, blistering feet and a few extra pounds the girls prepared to leave. On the way home they stopped at High Knob Lookout. This ended the activities for a busy and enjoyable week-end.

## Band Concludes Successful Year

The Maroon and Gold Band concluded the highly successful year by participating in the May Day activities. The band accompanied the various numbers including the winding of the May poles. Before the program the band presented a half-hour concert.

The band has also elected new officers for the forthcoming year.

At the close of the year Larry Fiber, outgoing President, and Mr. Miller thanked the members of the band for the fine cooperation extended to them throughout the year. Mr. Miller was then given a gift from the band in appreciation for his hard work and leadership.

## Hidden Talents in BSTC's Library

"Books, books everywhere and not a one uninteresting." That may be a take-off on a quote from S. T. Coleridge's "The Ancient Mariner", but I bet there are dozens upon dozens of interesting books in our library, which no one has looked quite far enough or long enough to find.

Did you know we have a book of poetry about Pennsylvania written by a man from Honesdale? "Poems of Pennsylvania" by Irving Sidney Dix is right here on the shelves waiting to be taken out. Mr. Dix has sometimes been referred to as "the Poet of the Pocosinos", due to having depicted in verse and rhyme the virtues of rural life in that delightful region of the state. He has given an intimate picture of the splendor of Pennsylvania scenery and of the nobility of its pioneers.

Did you veterans and World War II enthusiasts know about the book "Okinawa: Victory in the Pacific" by the U.S. Marine Corps? This book is one of several designed to give the military student and casual reader an accurate and detailed account of the operations in which Marines participated during World War II. The pictures should prove rather interesting to some of you fellows who were in that area and such words as Iceberg, Sugar Loaf Hill, and Battle of Motobu Peninsula may sound very familiar.

## Governing Board Members to Enjoy Picnic on May 21

A picnic will be held on Monday evening on the Navy Hall grounds for the Waller Hall Governing Board. The affair will be enjoyed by both the old officers and representatives and the newly elected officers and representatives. Incoming officers are listed in the Student Directory on page 4. The newly elected representatives to the Governing Board are as follows: 1956-57, Seniors, Enola Van Auken, Kaki Crew, Sue Osborn and Anne Geary; Juniors, Bette Hoffner, Jean Benfer and Rose Coulter; Sophomores, Pat Antonio, Sara Shilling and Janice Coons.

## WHY EVALUATE?

Evaluation is a word that has been tossed around in the field of education. We, as students in a State Teachers College, are familiar with the sound of the word. Are we familiar with its depth of meaning and application?

In education evaluation is most important, as a good teacher evaluates each day's work both on the part of the children and herself. Therefore, we, as future teachers, should be concerned with evaluation. We must learn to condition ourselves and our actions in order to be receptive to evaluation.

A job done well has as its final step the evolution of the work. As we near the end of the school year, each of us should take a backward glance at what we have accomplished. Our hopes and ambitions will not all have been attained but a certain percentage should have been. In looking back we should not only be concerned with our scholastic development but also think of the social and cultural advancements. Each student should develop in the manners which are most advantageous for him. When evaluating a year spent in college preparing to educate our nation's youth, many factors must be under consideration.

Yes, now is your opportunity to reminisce and evaluate this college year. Make the word "evaluation" have meaning for you and apply it to your life. It is a sure way of assuring yourself that your time will be wisely spent.

## VETERAN'S PIPELINE . . . by RICHARD MEASE

This question of VA hospitalization for discharged veterans has long been a thorn in the side of many GI's. In response to these inquiries the VA has recently disclosed that veterans with only peace-time service will not be entitled to VA hospitalization if they have no service-connected disabilities.

The only conditions under which peacetime veterans may be admitted to VA hospitals are:

1. If they were discharged under other than dishonorable conditions for a disability incurred in the line of duty.
2. If they are receiving VA compensation for a service-connected or service-aggravated disability.

Generally speaking, peacetime service for VA hospitalization falls between the following dates:

- Nov. 12, 1918, when World War I ended for all except a few and Dec. 7, 1941, when World War II is deemed to have started.
- Dec. 31, 1946, when World War II ended except for a few, and June 27, 1950, when the Korean conflict started.
- Jan. 31, 1955, when the Korean conflict ended, to the present time.

Veterans who served only during the above periods are considered as peacetime veterans for the purpose of VA hospitalization and therefore may be admitted to VA hospitals only if they meet the eligibility requirements established by Congress for these veterans.

\* \* \*

### LOAN LIMITS

Q. How much money can a veteran borrow on his permanent GI insurance? The insurance has been in force for several years.

A. A veteran may borrow up to 94 percent of the reserve value of his permanent GI insurance. The insurance must be currently under premium payment status and have been in force for at least a year. Any VA office can determine the exact amount of loan value on any given policy. Interest is charged at the rate of 4 percent per annum and repayment may be made at any time in \$5 multiples.

\* \* \*

### ACTIVE DUTY DATE

Q. Does the time limitation for beginning Korean GI Bill education begin with the date of release from active duty, or discharge from the inactive Reserve to which I have been assigned?

A. It is three years from the date of discharge or release from active duty.

\* \* \*

### NO DIVIDEND

Q. I am a veteran and would like to get some information about the bonus that is to be paid on the NSLI policies. I have carried \$10,000 from the time of induction, which was June 28, 1953. I was released from active duty May 11, 1955.

A. You are not eligible for the 1956 NSLI dividend, which is payable only on "participating" National Service Life Insurance. Your insurance, which is authorized by the 1951 Indemnity law, is "nonparticipating" and does not earn dividends.

\* \* \*

### SUSPENSION OK

Q. I am a veteran attending the second semester of college under the Korean GI Bill. If I stay out of school next semester to work, will my GI Bill be void if I apply for school again the following semester?

A. No, Veterans are permitted to suspend their GI Bill training for up to 12 months without VA approval and without losing further entitlement. Continuous pursuit of a GI Bill course is not required before the cutoff date—three years after discharge. However, a veteran must be in actual training on that date, except where he interrupts for other reasons beyond his control, or under conditions deemed by VA to be otherwise excusable.

## HONOR ROLL of HITS . . . . by ANNETTE

Here it is—May, already! Seems as if it were only a few weeks ago that September was here, and we were just starting out this new school year. But now it's nearly over, and we'd like to refresh your memories a little.

Do you remember what was the biggest hit of September? Or what was so very popular way back in January? If not, we'd like to mention some of the biggest hits of the past school year.

Of course, these are all from the popular field, which is the point of interest of today's column. And they're not in the order of their popularity.

Do you remember: "Unchained Melody," "Autumn Leaves," "Suddenly There's a Valley," "Lisbon Antigua," "Memories Are Made of This," "Love Is A Many Splendored Thing," "Cry Me a River," "No, Not Much," "The Poor People of Paris," "The Man With the Golden Arm," "Heartbreak Hotel"?

Well, probably most of you remember them, but just as a matter of history, your reporter did a little research and found some interesting news on the "top ten" of five years ago, when most of us were enjoying our high school flings. Think back to the good old days of April, 1951, when the most popular tunes were: "Mockingbird Hill," "If," "Aba Daba Honey-moon," "Be My Love," "Would I Love You," "Sparrow In the Tree-top," "How High the Moon," "On Top of Old Smokey," "Tennessee Waltz," "I Apologize."

Well, stretch your memories a little further—way back to April 1941, and the top ten of that period, when many of us were still in grammar school. The big hits of that day in order of their popularity were: "Oh!" "What It Seemed to Be," "One-zy-Two-zy," "You Won't Be Satisfied," "Personality," "Day By Day," "Shoo Fly Pie and Apple Pan Dowdy," "Laughing on the Outside," "Doctor, Doctor, Lawyer, Indian Chief," "Sioux City Sue," "Prisoner of Love."

Enough for the pop hits of the past—let's take a look at the present! There have been an unusual amount of released recordings to hit popularity in the past two weeks. Some of these are: "Just as Long as I'm With You", Pat Boone; "In the Mood," The Mattox Brothers; "Church Bells Will Ring," The Diamonds; "The Happy Whistler," Don Robertson; "Standing on the Corner," The Four Lads; "The Wayward Wind," Gogi Grant.

Usually we mention the hit song of the week at the close of each column, but since this is the last for the year, we'd like to name our choice of the top tune of the year. It's a difficult job to say which of the many tunes have been most popular on campus, but we have noted "Autumn Leaves" by Roger Williams as the all-time favorite of '55.

Well, that's it for this year, but it's going to be a great summer—so keep listening.

— Nettie

Jean Zimmerman, Joanne Hester, Barbara Bennett, Tina Valente, Queen, Joan Christie; Judy Stephens, Pat O'Brien, Wylla Mae Bowman, and Doris Krzywicki.

# MAY DAY 1956

The Maroon and Gold Band, under the direction of Mr. Nelson Miller, presents a concert to set the mood for the festivities of May 9.

Our May Queen and her royal court ascend the throne through a human ivy chain of the senior girls.

Bob Evans, President of the Community Government Association, places a crown of flowers on Miss Christie's head. Tiny train bearers from the Benjamin Franklin Training School look on.

Two hundred and forty college women perform an interpretive dance to "Greensleeves". Four hundred and eighty wands of flowers moving in precision make a spectacular sight.

The Arkansas Travelers, just off route 65, do an hilarious regional dance for the "city folks". One of the highlights of the affair, these "travelers" are in reality the men of Mr. Shelly's elementary physical education classes.

The terraces on campus are transformed into a mass of bright colors and whirling May poles. The eighteen gay May poles are wound by children of Benjamin Franklin Training School and college students. A spectacular finale to a day never to be forgotten!

## Life Begins At Graduation

With graduation just around the corner, many Bloomsburg seniors have made definite plans for the future. Some have plans for marriage, some will enter the armed services, and a great majority of them will enter the teaching profession. For the interest of all the students, we have inquired into the plans of some of these seniors and have listed them below.

**Jackie Albert** will be teaching second grade in Doylestown, Pa.

**Donald Beck** has been married almost six years—plans to go on for a masters degree.

**Charlotte Rummage** will marry Theron Winter, Jr., in August, and teach in the Philadelphia area.

**Ron Kraffack** is marrying Louise LaSorsa on June 9—he'll be teaching general science in the Clark Summit-Abington High School.

**Bill Bitner** and **Wylla Mae Bowman** are also getting married on June 9—they will both be teaching in Scotch Plains, N. J.

**Charles Skiptunas** plans on teaching in Lindenhurst, N. Y.

**Mo Morson** will be teaching in Roselle, N. J.

**Joan Christie** will marry **Ens. Edward Connolly** on June 9—her teaching plans are still undecided.

**Bob Evans** intends to enter the service.

**Helene Clark** plans to teach in the Wilkes-Barre area.

**Marilyn Schraeder** will be teaching in Allentown, Pa.

**Jo Hester** will be teaching in Jacksonville, Fla.—she plans to marry in the summer of 1957.

**Betty Carvoth** would like to teach in Pennsylvania, but she has not accepted a job as yet.

**Jim Starr** expects to teach in Lemoyne, Penna.

**Joni Raab** is going to marry **Richard Stine** on August 25—she will teach in York Township Elementary School, York, Pa.

**Tina Valente** has a job in the second grade of Doylestown Elementary School.

**Lorraine Deibert** will be teaching fourth grade in Hershey, Pa. (she is replacing **Relda Rohrbach**—B.S.T.C. '55—who is getting married and teaching elsewhere).

**Martha Starvatow** will be marrying **Drew Canouse** on July 28—she will teach in Key West, Fla.

**Ed Siscoe** plans to teach in Southold High in Long Island, New York.

Newman Club members will terminate their activities this year with a picnic to be held Sunday, May 20 at Knoeble's Grove. Members may bring a friend for 25¢.

## FROM THE CLUB HOUSE . .

### FUTURE TEACHERS OF AMERICA

The final meeting of the Future Teachers of America was held on Thursday, May 10, 1956, with Thomas Higgins presiding.

The election of officers for the 1956-57 school year took place at that time. The officers elected were: President, Dick Strine; Vice-president, Marilyn Friedman; Secretary, Enola Van Auken; Treasurer, Marilyn Ritter; Program Chairman, Margaret Yohn.

Raymond Edwards reported on the High School Visitation Day which was sponsored by the Future Teachers Organization. A total of 205 high school seniors attended and he reported that the program was favorably received, and well organized.

Enola Van Auken, one of the representatives who attended the State Convention at Millersville, gave a report about their activities at the convention. Those who accompanied Miss Van Auken were: Bill Bitner, Dick Strine, Bill Pohutsky, and Marilyn Friedman. Two men from the North-Eastern District are among the officers for next year, they are the President from East Stroudsburg, and Representative-at-large, who is William Pohutsky from Bloomsburg.

Walter Rudy, who is head of the committee on club membership, reported that he had received 78 replies in answer to a questionnaire which was sent to all club members. The results showed that a majority favored opening the club membership to sophomores and making it mandatory for all members to pay N.E.A. and P.S.E.A. dues. However, it was pointed out that no action can be taken on these proposals until year's new members have had a chance to vote on them.

### ALPHA PSI OMEGA

On May 6, the Alpha Psi Omega fraternity held a wiener roast on Mr. Boyd Buckingham's grounds. Games were played and a good time was had by all.

### PHI SIGMA PI

The annual Phi Sigma Pi banquet was held on May 3, at the Dutch Hill Church (a country church about four miles from Bloomsburg). This chicken and waffle banquet was prepared and served by the members of that church.

President Harvey A. Andruss spoke to the group about the origin of the Phi Sigma Pi Fraternity and other Greek letter fraternities.

### KNOX FELLOWSHIP

The last meeting of the college year for Knox Fellowship was held Monday, May 14, 1956, at 5:30 p.m. in the church gymnasium. A

Don Alter, Instructor, and Students Who Completed Water Safety Course.

## Did You Know That Day Women's Board Students Visit

The figures show wives do more than two-thirds of the family shopping. The husbands can't afford to.

The balloon of conceit swells fast, but deflates even faster.

Some gals live a date-to-date existence.

The horse and buggy are disappearing, but not the wagon tongue.

A doctor is a pillitician.

All the average gal wants is a husband who is handsome, intelligent, understanding, and wealthy.

Life is not all joy and laughter; nights have their mourning after!

delicious meal of roast beef was enjoyed by all members.

The minister of the Milton Presbyterian Church led an interesting discussion on becoming a minister. He explained how a person may be deeply and inwardly confused as to his life's work.

The meeting was adjourned by wishing the members a very happy and prosperous vacation.

The members of L.S.A. enjoyed a spaghetti supper at their meeting held on May 7.

During the business meeting which followed, it was decided that the present officers would remain in office—new officers to be elected next December.

Dr. Serf will serve as L.S.A. advisor next year.

(Continued from page 1)

A spaghetti supper was held recently at the home of Mr. and Mrs. Wesley Barber, Danville. Girls who attended include Mary K. Fritz, Lynn Raker, Jo Atkinson, Donna Auten, Betta Hoffner, Shirley Edwards, Nancy Hughes, Nancy Suwalski, Katie Keller, and Gloria Barber.

Church bells will be ringing this summer for some of our altar-bound Seniors. First on the calendar of weddings will be Lovell Lindenmuth, who will marry Reed Kahley of Ringtown, June 2. Peggy Bartges and James Lechner, both of Danville, have set the date for June 15, and on the following day, June 16 Irene Sones and Bill Huntsman, of Bedford, R.D., will take their vows. Janet Wintersteen and Richard Kocher of Bloomsburg will be wed July 21. Congratulations, girls! Our best wishes go with you.

We'd also like to bid farewell to these Seniors who will be graduating this month: Bertie Knouse, Dorothy Diltz, Diann Jones, Earla Myers, Nancy Oberdorf, Lovell Lindenmuth, Mrs. Diehl, Nancy Ebersole, Joanne Dauber, Peggy Bartges, Janet Wintersteen, and Irene Sones. Good luck, girls. It's been a pleasure to know you and to work with you!

The officers for the coming year of Sigma Alpha Eta will enjoy a picnic this evening. The festivities, under the direction of Dale Springer, will be held at Light Street.

(Continued from page 1)

General Assembly Building, the groups visited and discussed the Trusteeship Council Chamber, with contributions from Denmark, the Economic and Social Council Chamber with Norwegian contributions, the Security Council room decorated by Norway, and the General Assembly Room.

After completing the guided tour, the group had an hour to browse around the U.N. lobby and gift shops, and to visit the Meditation Room.

The group separated for the afternoon with a few attending the afternoon sessions of the Economic and Social Council. The members of this council discussed UNICEF's program. The other members of the group went by bus to the Hayden Planetarium to hear a demonstration-lecture entitled, "Our Spinning World—From Pole to Pole". Following a tour of the Planetarium, the group visited the Museum of Natural History.

Later, the group was free to see some of the interesting spots of New York City and to have dinner in many of the well-known restaurants.

At the designated time, all met at the Greyhound Bus Station to begin the trip back to Bloomsburg. They returned at approximately 12:00 midnight.

The following advisors accompanied the classes: Miss Barnes, Miss Hazen, Miss Pooley, Mrs. Riffel, and Mr. Johnson.

## Tentative Summer Schedule Released

John A. Hoch, Dean of Instruction, recently released a tentative schedule of classes to be offered this summer at Bloomsburg State Teachers College.

In addition to making it possible for undergraduate students to accelerate their college education, the schedule of classes provides an opportunity for teachers-in-service to extend or complete their elementary certification or to take courses which will qualify them to teach mentally retarded children.

In order to help train and prepare the number of teaching personnel necessary B.S.T.C. is tentatively offering, during the four three-week sessions, every course required by the Commonwealth for certification in the field of teaching the mentally retarded. These courses are: Arts and Crafts I and II, Child Development, Education of Exceptional Children, Clinical Psychology, Mental Hygiene, Speech and Hearing Problems, Workshop in Problems in Special Education, and Mental Tests.

Summer session bulletins and postal cards for reservations are available upon request at the office of the Dean of Instruction.

## Epitaph of the Social "Recs"

We had fun in '56, and here are some of our favorite picks, Splash parties, dances and crazy hats, to you, the students, we give congrats! You made them successful, you gave them the zest, in making this year rank with the best. Here's to more fun in '57!

# Student Directory of 1956-'57 Officers on Campus

### College Council Officers

Pres. . . . . William Kautz

Treas. . . . . Jeanne Crocker  
Program Chm. . . . . Shirley Wagner

# SPORTS SCUTTLEBUTT

by BILL BITNER

THEN THERE WERE NONE . . . There is little question in Scuttlebutt's mind (as well as in the mind of the editor and the advisor) but what our typewriter has written too many words concerning Dame Fortune and her treatment of our beloved Huskies during the past three years. However, we have never felt that the mediocrity of our adjectives have done justice to the Men of College Hill. We have thoroughly enjoyed watching the B.A.R. (Browning Automatic Runner) dazzle the opposition with a long run on a beautiful autumn afternoon, or Barney Osevala and Joe Malczyk fight for the crucial first down. Certainly we shall never forget the precision of a key-block thrown by Harvey Boughner to spring Boychuck, Rainey, Tilburg, or any of the Husky Horses.

The Centennial Gym has had its nights too. The night Dave Linckhorst made a set shot from the farthest foul line was one of them. Keith had his one-hand bank shot and Evans his two-way hook. The set shots of Al Williams, Fred Betz and Bob Boyle will be compared for a while. The rebounding of Morson and the jump shot of Gustave brought other moments of grandeur when we were charting the Hardwood Huskies. All these things made our omni-popular but lonely priest-hood of the statistician somewhat more pleasant.

When it was baseball time it has always been with anticipation that we watched the fabled John Huda or Johnny Dennen break off their offerings to the discouragement of the opposing batters.

It has never been our intention to paint a dainty watercolor of story-book college heroes defending the name of the College on the athletic field. It isn't even our intention to become sentimental but it must be admitted we enjoyed the experience. In three years the Bloomsburgs have probably won more than their share of the applause. So, as we note seconds ticking away on the old scoreboard clock, and in case we had any readers during the past three years we want to say thanks to them for giving us a look as well as say to the Coaches and athletic teams of College Hill we are very grateful for the association and the best of luck for the future.

## Students Complete Safety Instructors Courses in Swimming

(Picture on page 4)

Water safety here at Bloomsburg has taken two steps forward in the courses offered. In September the Senior Life Saving Course was given to 33 people out of which 21 passed. Instruction was given every Tuesday for 2 hours. The Senior Life Saving certification must be renewed every three years. Those who passed the Red Cross Life Saving course are Barry Beilharz, William Calderwood, Gary Egli, Fern Goss, Ivan Hartman, Emma Kovalevich, Jane Martini, Molly Matern, Julia Ann Muir, Kay Nearing, Jane Neff, Jane Ott, June Pope, Linda Ruggieri, Matthew Sasso, Sally Ann Smith, Marcia Storm, Ronnie Taylor, Mary Ann Thornton, Ralph Wetzel, and Willard Ziegler. The possibility of going on to the Instructors course was determined by two qualified people here on campus, Don Alter and Margaret Brinser.

Persons who show ability are recommended for the advanced Instructors course. As a result of this course, there are 17 persons who are certified Red Cross Water Safety Instructors. Part I of the course was taught by Don and Margaret, Part II entitled—Final Exam—was handled by Mr. Z. V. Harkleroad, the eastern safety services representative of the American Red Cross. The following people successfully completed the two parts of the Instructor's course. Robert Asby, Barry Beilharz, William Calderwood, Gary Egli, Larry Fisher, Emma Kovalevich, Jane Martini, Molly Matern, Julia Ann Muir, Kay Nearing, Jane Neff, Jane Ott, Matthew Sasso, Sally Ann Smith, Mary Ann Thornton, Ralph Wetzel, Willard Ziegler, Margaret Brinser and Mrs. Mary Lou Thomas. The last two people were re-certified.

Don Alter, a Junior from Danville, is also a certified Red Cross Water Safety Instructor in this area, and it was his responsibility to teach and test the trainees in the first two courses. He has been engaged in this type of work for more than five years. During that

## Diamondmen Record Third Victory Over Wilkes College

The colorful nine of BSTC chalked up their third straight victory April 25 with a 7-5 win over the determined Wilkes College Colonels. A large crowd was on hand at the Mt. Olympus diamond to see the last local athletic contest between the two schools.

It took three Husky hurlers to win it, but Coach "Doc" Wagner's men came through in fine style. Starter Dick Reichart of Light Street pitched good ball for the locals, but needed help from Dan Fritz and Bob DiPippi to gain the win. This Husky mound trio held the visiting Colonels to only 6 hits.

Moreover, the Husky hitters had a field day. The Maroon and Gold stickmen pounded out 13 hits off Wilkes righthander, John Milliman. Freshman shortstop, Joe Pendal, led the Husky hitting barrage with 3 for 3 and drove in 3 runs. He was backed up by Charlie Casper, John Oustrich, and Jim Snyder with 2 bingles each. Four extra base blows highlighted the game: 2B—Oustrich and Joe Parsnik and Jim Ferris (Wilkes); 3B, Bob Boyle.

The Huskies jumped to an early 3-0 lead in the first inning. Lead-off man, Charlie Casper, reached first on an error. He moved to third on a double by Oustrich. Milliman then walked Boyle to fill the bases. Ed Shustack drove in one run via a fielder's choice. After Jonah Goebic fouled out, "Tiger" Dancy smashed a single to left that sent two tallies across for the Huskies. Other Bloomsburg runs came in the third, fifth, and sixth innings.

Currently, the last contest between the two schools will be played May 19 at Artillery Park in Kingston.

time, his duties included teaching survival swimming to navy personnel at both the Newport Naval Base in Rhode Island and the Naval Reserve Training Center in Williamsport. This summer Don plans to teach swimming courses at the Sunnybrook Farm in Danville.

## Tucker Winds Up Fabulous Cinder Career at BSTC

Alfred (Al) Tucker, outstanding Husky Trackman for the past three years, hails from Coatsville, Pennsylvania. Al won the varsity letter for his efforts on the Coatsville High School track squad three times. He also won a varsity monogram for his baseball prowess as a member of the Coatsville baseball team. Another member of the same team was Bob Cummings, a former Husky athlete in the class of 1955.

Al Tucker

After coming to BSTC, Al answered Coach Harold Shelly's call for trackmen and set about winning a position in the sprint department. After an injury in his freshman year, he came back and is now a three-time winner of the Varsity award at the Friendly College.

Al calls Browning not only his best opponent. Each time Jimmy and Al are entered in a sprint, it is not only competition from the other team that makes them move so fast, but the competitive spirit displayed by both boys in an attempt to beat each other. Each time you see them run, you are watching a race between the two; with all respects to other opponents.

Al says his greatest thrill in sports came while a member of the Coatesville High School baseball team. He hit a pinch-hit double with the bases loaded in a tie ball game. The runs produced by the hit won the game for Coatesville. Among his many abilities, Al is one of the most outstanding softball pitchers on campus. His team—the Norwall Dragons—won the intramural championship in 1953. There are very few men playing intramural softball that enjoy stepping to the plate when Al is pitching.

Al's choice of leisure time activity is listening to Hi-Fi music, and watching major league baseball.

After graduation, his plans call for a tour with the Army, upon Uncle Sam's request, and after that a career as a teacher and a coach. We at the Friendly College extend our best wishes to Alfred Tucker. We know that next year when the call goes out for trackmen, Al's running shoes will be hard to fill.

## Rider College Ends Victory Skein at 6

Bloomsburg's Huskies dropped their first game of the season on Saturday, May 12, bowing to Rider College 8-7 on the Trenton, N. J. Field.

Coach "Doc" Wagner started Paul Reichert on the hill and the right hands lasted until the third frame.

Charlie "Ski" held Rider at Bay until the ninth when they pushed across the winning tally.

Casper, Shustack and Parsell led the Husky attack, each man garnering three hits.

## 1956-57 Budget

(Continued from page 1)

These increased allotments are coming from the increased semester activities fees, which will be \$20.00 per student starting September, 1956. This means that \$10.00 more annually will go toward the student activities; however, of this \$10.00 increase, \$2.00 will go to the Obiter, \$1.00 to the respective class treasuries, and \$1.00 to the Dormitory or Day Associations, thus eliminating the

## "Ski" Plays in Final Ball Game For Wagner Nine

Charles "Ski" Kwiatkowski, a native of Plymouth, Pa., will leave the Friendly College via graduation this spring.

"Ski" began to develop his athletic talents while a student at Plymouth High School. He gathered no less than four varsity letters at the Valley school. He was a quarterback on the football team four years and a member of the basketball team two years.

After a hitch in Uncle Sam's Navy, "Ski" enrolled at BSTC. He lost no time getting back into his favorite sport on the football team. He didn't participate in the hardwood sport at Bloomsburg, but saved his energy for baseball instead. In four seasons as a member of the Husky mound staff, "Ski" has amassed a very impressive record of nine wins against only three losses. He is a winner of the varsity monogram six times at BSTC, four baseball and two football.

Charlie's biggest thrill in sports came in the 1954 Lock Haven vs Bloomsburg football game. Dubs Thomas, a tackle on the '54 team, had always wanted to score a T.D. This was his last chance as a Husky and his last chance to score. He scored that T.D. via a pass from "Ski" to Bob Stroup, and Stroup lateralled the ball to Thomas, resulting in a Bloomsburg touchdown.

When asked whom he regarded as his team mate, Charlie made this reply. "It takes 11 men to play a football game and 9 to play a baseball game; they have all been my favorite team mates."

Charlie Kwiatkowski

For his leisure time, "Ski" picks sports, reading, and cooking, in that order. He not only enjoys good food, but also likes to prepare it. In spite of a very healthy appetite, he manages to keep his weight at an even 169.

"Ski" is a veteran of four years in the Navy; he was discharged as a 2nd Class Petty Officer. One thing he isn't looking forward to is a hitch in the service. After graduation, his plans call for teaching in Pennsylvania, and marriage to Miss Jan Ference, class of '55. He would also like to coach along with his teaching.

Your many friends on College Hill wish you all the luck in the world in anything you undertake. "Ski", I'm sure you will be missed next year on Mt. Olympus when the umpire shouts, "Play ball!"

## Starr Stifles Lycoming 8-0

Jim Starr, senior from Williamsport, was in top form as he set down the Lycoming nine 8-0, allowing 6 hits in eight innings. Jim displayed good control as he walked only one and struck out four. Bill Freed looked good in his brief stay as he pitched the ninth and gave up only one hit.

Chuck Casper grabbed top batting laurels with three hits for four times at bat. One of his hits, a double, was the only extra base hit of the contest for the Huskies. Ed Shustack, John Oustrich, Jim Starr, and Joe Malczyk, had the remaining hits, the latter driving in two runs.

Post and O'Connor gave Starr the most trouble by banging out two hits each for Lycoming.

necessity of paying these fees separately at the time of registration.

There will be 1100 students on campus next year—and each one should experience a bigger and better Bloomsburg!

## College Track Season Dismal As Shellymen Fade

Cheyney Meet . . .

The thin clads of Coach Harold Shelly opened the 1956 track campaign with a 66 to 61 win over the Cheyney track and field crew in a meet held at Cheyney. This was the first win for the Shelly-coached cindermen over a Cheyney team in track. Charlie Loughery and Buzz Wool each copped two events, Loughery taking the 120 high and the 220 low hurdles; Wool broke the tape in the mile and half mile. Gerald Wood won the discus and took a second place in the shot put event.

Pennsylvania Relays

The historic Penn Relays, hosted by the University of Pennsylvania at Franklin Field in Philadelphia, saw West Chester fleet-footed mile relay team run away with the honors in the Pennsylvania State Teachers College mile relay. Bloomsburg finished in sixth place out of a field of eight entries. Running for the Huskies were Buzz Wool, Jim Browning, Charlie Loughery, and anchor man Eddie Watts.

Lock Haven Meet

The Bald Eagles sporting more depth than they have been during the past few years beat the Huskies on the Navy Field Cinders by a 72 to 49 final reading. Bloomsburg wasn't able to muster enough strength to overcome a much larger Lock Haven squad. John Wool took first place in the 440-yard dash and second place in the half mile. Gerald Wood won the discus and Al Tucker the 100-yard dash. Jim Gustave walked away with the high jump, clearing six feet.

State Teachers College Meet

West Chester, the perennial favorites in the State Teachers College Championships, lived up to their advance billings by copping all but three events as they played host to eight other tutor cinder squads. Bloomsburg mustered only eleven team points. Charlie Loughery took third place in the 120 high hurdles and third place in the 220 low hurdles. Gerald Wood weighed in with a fourth in the discus throw less than 12 inches behind the winning throw. Al Tucker placed fifth in the 100-yard dash.

## Huskies Blank Rams For Sixth Victory

Behind the clutch pitching of southpaw, Johnny Huda, the Huskies' baseball squad trounced the Rams of West Chester, 11-0, on May 18 at West Chester. The win enabled the locals to move another step higher in their bid for their second straight Teachers' College Championship. This was the sixth straight triumph for Coach "Doc" Wagner's nine.

Sophomore hurler, Johnny Huda, allowed the Rams only seven hits and struck out eight in gaining his third win. Huda gave up four walks in twirling the shut-out.

Catcher Jonah Goebic was the hitting star for the Maroon and Gold squad. He smashed a homer and two singles in four trips to drive in three runs. Other stickmen for the Huskies included Bob Boyle, Joe Pendal, and George Parsell with two hits each. While the men of Glenn Killinger failed to hit any extra base blows, the Huskies banged out three. Boyle blasted a double and triple; Pendal smashed a three-bagger.

The locals had three big innings in which they scored all their runs. Five runs came across in the fourth, two in the seventh, and four in the ninth frame.

## Fads 'n Fashions

(Continued from page 2)

to make your last Saturday night here a nice one. It will be Friday when you read this, but there is still time. And fellas, if you have not been asked yet, it's permissible for you to ask a girl if you are real desperate. So remember, girls, it will be your last chance before that long, lonely summer. Tickets may be obtained in rooms 311 and 313, girl's dorm. I want to see YOU behind some bale of hay!

This being my last column, I could go on forever paying compliments to people. My biggest cheers go to the Senior class. May your success go with you long after you leave Bloomsburg. Next in line is the entire student body for giving me the material for the column. Finally, thanks to YOU for just reading the columns.

Don't forget the hayride tomorrow night. I'll be seeing you in one corner of the truck or another!

# Hilltop Hi-Lites

by SUZY HUGHES and  
EVIE GILCHRIST

We know that you're not going to grieve  
On the day that you're planning to leave  
The campus that's nothing like home;  
And so we're writing this poem (?)  
To tell you to have a good time,  
But stay away from bad places and wine.

Take a walk on some warm summer's night  
When the moon and the stars are just right  
Til you come to a comfortable nook  
(The type that belongs in a book!)  
Then sit down, and relax, and review  
What has happened to you and your crew.

For baseball we had a great team  
'Doc Wagner walked around in a dream  
Eleven-to-nothing brought us our fame  
Killinger's still singing "Ain't That A Shame."  
If they did give out trophies to put in a case,  
This year's teams would need the most space.

You think it was fun to wind a may pole?  
Frankly, we'd much rather fall in a hole.  
Remember the travelers from old Arkansas?  
Didn't Arnie Redboard make a cute maw?  
Did you notice the holes in Phil Mosier's pants?  
He may not be graceful, but he still did the dance.  
Then there was Herman with the rose tatoo —  
By the time he was finished, it was covered with dew.

A few student teachers had some hard times.  
I hope we can think of something that rhymes!!  
Eyebrows are something Buzzy Wool needs,  
'Cause Martha's been up to her dastardly deeds.  
Bubble gum's usually a harmless thing —  
But not in the hands of Martha Persing.  
"Plain and Fancy" was a high-class show,  
But some of those clothes have got to go!  
Sure all the models looked nice and cute  
But give us a man in a gray flannel suit.  
Now we're only speaking for the girls of the college  
Who are looking for men as well as for knowledge.

On top of old Carver all covered with tin  
There sits an old bottle of powerful gin.  
After a test we were having a party.  
The jokes were off color, the laugh's were hearty.  
Al Hoffman suggested "Let's think up a scheme  
To prove that this session is not just a dream."  
We thought of a trophy, or maybe a plaque,  
Or kidnapping Roongo and painting him black.  
Nothing quite suited the gang that was there;  
Then Jakes thought of a plan that curled our hair.  
We took the last bottle without wasting time  
Over to Carver and started to climb,  
Now there on the tower—right under the clock  
Stands the bottle of gin and Gary Yohe's sock.

So we've completed another year  
And for you all we shed a tear  
Because next year we may not see  
The kid who sat by you or me.  
The reasons are not hard to find,  
So we will not bring to mind  
The list that tells of every grade  
And of fees that won't be paid.  
Just remember that you're better off  
With measles or with whooping cough  
Than to have received a dirty "E"  
From a professor at B.S.T.C.
