Student Body Chooses 1959 Campus Queen Molly Mattern Reigns as New Coed of Year

Miss Molly Mattern, twenty-one year old senior coed, was crowned the most outstanding young lady on campus on Friday, February 27, at the Freshman Hop. Molly, a Business Education student from Forty-Fort, was the winner of the annual Coed of the Year contest sponsored by the "Obiter," the college yearbook.

Miss Nikki Scheno, 1958 Coed, relinquished her throne to Molly, who received a daisy crown bedecked with white rosebuds, an all-white rose and carnation bouquet, and silver charm bracelet from the Freshman Class.

Escorted by Paul Hoffman, the College sweetheart was surrounded by her court of seven other lovely contestants: Joanne Bechtel, senior; Gerry O'Brien and Henrietta Smith, juniors; Carolyn Cribbs and Carol Mazza, sophomores; and Sandra Galli and Nan Strain, freshmen.

Master of Ceremonies, Sam Haupt, who directed the contest, presided over the crowning while Joe Minarchick and his orchestra played "Stardust."

Miss Mattern, Coed of the Year 1959, will reign as Queen of all campus queens until the Freshman Hop of 1960 when she will crown the 1960 Coed of the Year.

Campus Corner

A special meeting of College Council was called on Friday, February 27, for the purpose of allocating money for the purchase of an amplification system for Centennial Gymnasium. A unanimous vote in favor of such a project has resulted in the installation of this much needed facility which was first used on March 6, for the State Teachers College Wrestling Tournament.

In a recent statement concerning probation, the office of the Dean of Instruction revealed a total of 167 probationary students for the first semester of this year.

Of this total, 70 of the students are enrolled in the secondary curriculum, 48 are elementary students, and 45 are business majors.

The breakdown by class is as follows: 102 freshmen, 35 sophomores, 19 juniors and 11 seniors.

The bi-monthly meeting of the Aviation Club was held on February 26 in Science Hall, at which time officers were elected for the current semester. The new officers are Sam Kissiel, president; Ronald Wolfe, vice-president, and Robert Anthony, secretary-treasurer.

Mr. Scrimgeour of the college faculty presented an informal talk on his experiences as a jet pilot in the U.S. Navy aboard the aircraft carrier Randolph. Mr. Scrimgeour served with the Sixth Fleet on the Mediterranean during the Suez crisis.

The next regularly scheduled meeting will be held on March 12 in Science Hall.

On Monday, February 23, at 6:30 p.m.; a panel discussion on the book, "Masters of Deceit," by J. Edgar Hoover, was held in the Presbyterian Church of Bloomsburg. "Masters of Deceit" is the story of the fight against Communism in America. The moderator of this educational event was Dr. Barbara J. Shockley, of BSTC. Panel members were: Elizabeth Sprout, Lois Myers, Donald Morgan, and Charles Hoyt — all senior class members.

Preceding the discussion, panel members were guests at a dinner. The event was sponsored by the women of the Presbyterian Church.

Husky Lounge To Be Gambler's Haven Friday Night

Friday night the Husky Lounge will be visited by the wealthiest students on our campus who want to try their skill and perhaps gain some money, if they do not lose any. It should prove interesting since the House is depending on the overpowering bad luck that usually prevails on all Friday 13s. Actually neither the students nor the House need fear the loss since paper money will be distributed for the gambling.

All the best croupiers have been brought in to handle the gambling devices, dice, poker, wheel of fortune, and roulette tables. Such notables as Robert "Bike" Bottorf and perhaps Bob Gower, January graduates, have offered their valuable services.

The entertainment has not been neglected either. A gala floor show has been arranged by the JAW Services of Bloomsburg. Pantomimes, torch singing, and a zany and spicy routine are all included. The entertainers are Elaine Anderson, Ted Andrewlevich, Rita Botteon, Nancy Dunlap, Dale Gardner, Nancy Engle, Mary Gamble, Joe Haluska, Bob Stish and Ed Zarek.

Like "Monte Carlo" on the Riviera and all the better places in "Vegas," the guests are expected to come in their most sophisticated dress to help them forget the cares and worries of the hectic school life.

Members of the Social Recreation Committee who worked on the affair are Irwin Parry, Erwin Farrow — gambling devices; Judith Wolfe, entertainment; and Rose Mary Hughes and Fran Kozick — posters.

Students Urged to File Classification Forms

Applications for the April 30, 1959 administration of the College Qualification Test are now available at Selective Service System local boards throughout the country.

Eligible students who intend to take this test should apply at once to the nearest Selective Service local board for an application and a bulletin of information.

Following instructions in the bulletin, the student should fill out his application and mail it immediately in the envelope provided to Selective Service Examining Section, Educational Testing Service, P.O. Box 586, Princeton, N.J. Applications for the April 30 test must be post-marked no later than midnight, April 9, 1959.

According to Educational Testing Service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once. The results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

"Spring in Bloom" Previews Latest Modes in Fashions

"New, unique and exciting will be this year's presentation of 1959's modes in fashion," says Nancy Herman head co-ordinator of the Annual Fashion Show.

"Spring in Bloom," under the advisement of Mrs. Margaret McKern

and Nancy Herman, her assistant Sally Riefenstahl, kiddie co-ordinator Carol Mazza, store co-ordinator Molly Mattern and her staff of behind-the-scene workers, will give BSTC the true picture of Spring Fashion Leaders along with a sneak preview of summer beach-wear.

The campus setting, designed by Elmer Mowery under guidance from Mr. Robert Ulmer, includes blossoming trees and beautiful flowers. The sight of it is supposed to convince anyone that Spring is certainly in Bloom.

An array of gorgeous clothes including casuals, suits and ensembles, after five cocktail dresses, formal gowns, lingerie, bathing suits and children's clothing will whirl before the audience in all the latest fabrics and the newest colors. To adorn or complete each one of the outfits, suitable jewelry and hats have been chosen.

Black and white, coffee and cream, and assorted shades of blue will be featured in the fashion show. Some new designs as well as the classic ones will be shown. The Empire look remains on the scene. Co-ordinated outfits ranging from evening apparel down to casual slacks exhibiting the latest rage—the hip-bone jacket or waistcoat, will be found. Jackets are mated with pleated or slim skirts, tapered slacks or bermuda shorts to give a comfortable appearance.

All the clothes which will be seen in the show are being donated by the merchants from the town of Bloomsburg. Participating merchants are: Diesroths', Grants', Polmon, Arcus', Snyders', Ruth's Corset Shop, and Logans.

"Spring in Bloom" will be presented tomorrow at 2:00 p.m. and again at 8:00 p.m.

Husky Matmen Earn First Place; Cop Four Top Berths

Grapplers Close Season With Outstanding 9-1 Card

The wrestling charges of Coach Russ Houk closed the season with a brilliant nine win, one loss record and entered the annual State Teachers College Conference Wrestling Tournament held on campus last week end as top contenders. The only blemish in the near-perfect slate was the 12-20 Lock Haven meet, which saw six of ten Huskies go down in defeat.

The five home matches for the season were heavily attended. A large percentage of the student body witnessed the programs; and for the Lock Haven match, over one thousand crowded into Centennial Gymnasium, filling all the seats, the aisles, and most of the floor space.

Individually, the BSTC squad have impressive records. Jim Garman, 130 pound senior; Bob Rohm, 157 pound junior, and Gary Allen, freshman in the 177 and unlimited classes, all emerged undefeated. Garman, state champion two years running, decisioned weight opponents and pinned one, Hannon of Cortland. Rohm, a three sport competitor, gained eight wins by decision and one by pinning Tom Brachbill of Lycoming; and Allen, a popular crowd-pleaser, registered pins in the Cortland and East Stroudsburg scraps, decisioned six, and tied Charlie Dawson of West Chester.

Beginning at 115 in early season and later moving into the 123 class, Maynard "Luke" Aungst, a quick-moving freshman from Lock Haven, has two pins, five decisions, and one tie to his credit. He was battered only once, when Lock Haven's Gary Simons racked up his winning points in the last seconds of the clash. With seven wins and two losses, Dick Rimple, 137 pound Forty Fort junior can be expected to see further action next season. Sophomore Dale Sullivan collected six wins and three losses, two of which, Lycoming and East Stroudsburg, were decided by a one point advantage. In this last appearance at BSTC, 167 pound Bob Asby secured one pin, received four decisions, was defeated twice, and tied once. In the unlimited division, Stan Elinski left a five win, two loss total for the year.

Making scattered appearances during the scheduled matches were Tom Gorant and Walt Fake. Gorant, a promising freshman from Shamokin, in the East Stroudsburg, Indiana and Lincoln contests at 130, had three pins. Fake scored one pin, one decision, and one loss on the varsity mats.

Coach Russ Houk is pleased by both the seasons results and by the interest in collegiate wrestling shown by BSTC students, and he looks forward to an equally successful year in 1959-60 competition.

Husky Cagers Earn 9-8 Record; Unfamiliar Courts Yield Trouble

BSTC cagers of Coach Harold Shelley completed the 1958-59 basketball season with the record slightly over the 500 mark. The count of conference games was six wins and seven losses, and the total of all season play was nine wins, eight losses.

It is notable that five of the seven conference losses occurred on unfriendly courts. The BSTC basketballers seemed to have trouble adjusting to unfamiliar hardwoods. Perhaps the best example of this was the 74-57 drumming at the hands of Mansfield on their postage stamp court.

A wrap-up of the schedule shows that:

The Maroon and Gold claimed double wins over Cheyney, but suffered double defeat by both Shippensburg and Millersville. Two of these games were the only ones lost on the home floor. The seesaw battle with Kutztown in the first and third games of the season gave the first hard-fought victory to Bloomsburg by a one point margin, and the second to Kutztown by a twelve tally separation. After drubbing the visiting Huskies 74-57, the Mansfield squad was narrowly edged 80-78 by the Shelleymen at Centennial Gymnasium. In their single 1958 season encounter with Bloomsburg, West Chester triumphed 81-51 in a contest in which only Norm Shutovich hit in double figures for Bloomsburg. To end the season, the Huskies handed Lock Haven a 75-62 defeat. "Flip" Houser dunked in 29 of the 75 points.

In non-conference play, the Huskies fared better. A three-one record resulted from the defeat of Lycoming twice, both times by the score of 76-68, and the downing of King's at home. The second game of the King's series, at Saint Joseph's in Hazleton, saw BSTC end up on the losing side of the ledger, 81-63.

For the year, including non-conference bouts, Bill Swisher is high scorer for BSTC with 277 points to his credit. He hit his peak in the first Lycoming match at Williamsport when he bucketed 34 points, twelve field goals and a perfect ten for ten foul shot record. Second in scoring, trailing Swisher by two points with 275, is Norm Shutovich. A steady rebounder and consistent shot, Shutovich showed in double figures in every contest except the last. Dick Lloyd, a freshman from Upper Darby seeing action on the college level for the first time this year, won third honors by chalking 222 markers. Percentage-wise, Lloyd is one of the best Husky shooters from the field. Filling fourth, fifth, and sixth spots in the scoring round-up are Jack Mascioli with 147, Ray Burger with 79, and Al Francis with 74.

By dropping in 294 free throws for 459 attempted, BSTC hoopsters can boast of a neat 65% foul shot made record. This foul shooting proficiency provided victory in several contests. On December 13, Cheyney had 34 field goals to Bloomsburg's 25, yet remarkable foul shooting, 33 for 44, saved the day, and led to a thin 83-81 victory.

Since Swisher and Burger are the only starters graduating this spring, Shelley can expect a large number of returning players. He also anticipates several movements up from the jayvee ranks, and is counting heavily on the entering freshmen this fall to bolster the varsity squad. All in all, the season provided some thrilling wins, several close losses, and a hope for a more brilliant '59-'60 campaign.

Who's more amazed? Allen's winning pin in twenty-seven seconds of the first period in the unlimited semi-finals climaxed a successful afternoon for Husky matmen.

Lock Haven's Jackson does a head stand as Jim Garman prepares to add points in the 123 pound semi-finals.

Husky Duo Nominated For AP All-State Team

Senior Bill Swisher and sophomore Norm Shutovich, outstanding members of the Husky five, have been nominated for the 1958-59 Associated Press All-State College Basketball Team.

Shutovich, a big scorer and the Huskies leading rebounder, and Swisher, holder of several scoring records, have both been big assets to the quint this past season.

Also nominated for the squad are several players who performed against the Huskies this year. They are Jim Davis and Bob Fulton, Kings; Jim Bolden and John Laszek, Millersville; John Scott, Shippensburg; Al Harris, Cheyney; Tony Salerno, East Stroudsburg; and Terry German, West Chester.

The squad will be broken down into first, second, and third honorable mention teams.

Garman, Rimple Rohm, Allen, Lead Team to Victory

Under the able tutelage of Russell Houk, BSTC grapplers completely dominated the Seventeenth Annual State Teachers College Wrestling Tournament. On the basis of their score of eighty-nine points, the first place team trophy went to Bloomsburg. Lock Haven, with a total of fifty-one points, copped second place, and Shippensburg carried away third place trophy with their forty points.

A skillful Bloom aggregation was sparked by the work of Jim Garman, Dick Rimple, Bob Rohm, and Gary Allen, who came out on top in their weight divisions. Garman successfully defended his championship in the 123 pound classification which he won last year.

Outstanding event in the semi-finals was in the unlimited class, when Gary Allen pinned his opponent, Walbert of West Chester, in twenty-seven seconds of the first period.

In the 137 pound finals, Dick Rimple faced Dellapina of Clarion. This match went into two two-minute overtime periods with Rimple winning the decision. Dellapina was the "dark horse" of the tourney, since Clarion has no official wrestling team.

Bloomsburg began to gain her final thirty-eight point winning margin in the Friday night preliminaries, with the Huskies copping seven of eight bouts and drawing two byes. This gave the Maroon and Gold team nine entries in the semi-finals held on Saturday afternoon. Again there was no doubt who had the superior team on the mats, as the Bloom-men took eight of the nine entries. Even before the finals, the team trophy was sewed up for Coach Houk and his boys.

Saturday night a capacity crowd attended, and witnessed the Huskies break up the monopoly of championships held by other colleges, and put them in our sports annals. When the action was over the score cards showed that Bloom had four champs in the final bouts in which they entered, and had captured the top team points as well.

OFF THE CUFF

It's getting to the point where the word "cool" has more different meanings than the Prof. has lectures. To the jazz man, it means a special kind of pleasing beat. The weatherman views it in still another light. But, the style experts give it a new dimension. It is the new lightweight mode of living.

True enough, there is no longer reason to sweat out the summers just because you are male. Science has finally taken pity on us and thanks to a whole new raft of fabrics and weaves, we can feel as cool and comfortable as the gals.

Here's how the "cool" look shapes up for spring according to the Arrow Style Clinic. Ice blue is the big color. This, of course, comes as no surprise with the number of blue shirts that are seen on campus. However, graded shades of blue will dominate the scene in everything from suits — dark here — to undershorts — lighter shades. It will also be used for ties and socks. The textured look is news in suits; the raw silks and slubbed fabrics combine the elegance and casualness to conform to any occasion. And comfortable! Even though they are well tailored, they weigh practically nothing — a real blessing on a hot day. And although one look out the window may make one think that it will never get hot again, the Farmer's Almanac assures us it will. Hence, if you are picking out a new spring suit, keep the warm weather in mind.

Light-weight wash-and-wear pin stripes are the big news in shirt wear. With the blue suit, select a blue and white pin stripe shirt, with tab collar. The girls still favor the neatness of a tab collar, so why not take advantage of a good thing. They give a nice trim look, and do a lot to bring a giraffe neck down to a better length.

Horizontal pin stripes look very new. It seems that the horizontal stripes suggest broad shoulders and a barrel chest under that suit jacket.

There is increased interest in ties and handkerchiefs that are specially designed to complement your shirt. For example, a blue and white shirt with a horizontal stripe might take a solid blue tie in a textured weave, brightened with a subtle vertical motif. The handkerchief will repeat the theme set by the tie, in a border design. These handkerchiefs are planned to be folded square with a straight border showing about a half inch above the pocket. This ready made coordination is pretty nifty — you can't help being well dressed.

As winter fades away, you'll start telling yourself that these scientists aren't so bad after all. The new lightweight shirts will come in real handy and you will develop more interest in them. Keep a weather eye on the batiste oxfords, the sheer batiste broadcloths nicknamed Air Males, and the cooling colors of the Colorama series mint green and ice blue.

Incidentally, good grooming plays a most important part in the style picture. We found a useful item the other day — a piece of furniture called a Valet. It has a built-in hanger for your jacket and a press for your pants. You just hang your pants over the bar, close it, and the next morning you have a new press. It not only keeps a good crease in your pants, but cuts down on tailor bills. There is also a tray on top for keys, change, and other goodies you might have in your pocket. Quite a toy.

Dr. A. Nelson Addleman, President of the Pennsylvania State Education Association was the featured speaker at the February meeting of the Faculty Association, Thursday, February 26, at 4:00 p.m. in the Faculty Lounge.

In recent years, Doctor Addleman has served the Association as a member of the Public Relations Committee and as president, first vice-president, and second vice-president of the Western District. He served three years on the Executive Council of the PSEA.

Dr. Addleman was elected President of the Pennsylvania State Education Association at the annual meeting of the Association in Harrisburg in December, 1958. He will serve in 1959.

Middle East Topic Of Convention on Int'l Relations

On Friday and Saturday, March 13th and 14th, the annual State Convention of the Pennsylvania Association of International Relations Clubs will be held on the Villanova University campus, Villanova, Pa. The topic under discussion will be "The Problems of the Middle East". The Villanova branch of the Association is working hard to make this convention a success. Four expert speakers have been engaged to guide the student delegates in their discussion of the problems.

On Friday evening, 7:30 p.m., at the George Washington Motel in King of Prussia, Pa., Mr. Keith Wheelock, Research Associate at the Foreign Policy Research Institute of the University of Pennsylvania, will present "A General Outlook on the Middle East." Mr. Wheelock has recently returned from Egypt and is currently writing a book on that country.

Saturday, March 14, two speakers will present partisan views concerning the Arab-Israeli relationship. They are Mr. Yaakov Morris, an Israeli citizen and staff member of the Israeli Consulate in New York, and Mr. Jamal A. Sa'd, a citizen of Lebanon and Acting Director of the Arab Information Institute in Washington. Mr. Morris and Mr. Sa'd will speak at 11:00 a.m. and 1:30 p.m. respectively in the Vasey Hall Auditorium, centrally located on the Villanova campus. All interested students are invited to hear them.

Saturday evening will feature Dr. Fred J. Khouri, Associate Professor of Political Science at Villanova. Dr. Khouri will address those attending the banquet in the Forge Room of the George Washington Motel. He will probably lecture on "The United States and the Middle East."

Those who take part in this convention, most assuredly, will gain an insight into the nature of "The Problems of the Middle East."

Etiquette of Pinning

(Continued from page 2)

there is no problem because neither has the desire to date anyone else.

If a couple breaks up, does the girl keep the pin?

Just like an engagement ring, a fraternity pin should be returned to the man if the relationship is broken off.

Is pinning frowned on by authorities?

No. Many experts consider it a time for couples to test their suitability to each other. If it is a success, they may then go on to a formal engagement. If not, there is little if any social pressure to prevent their breaking off the relationship.

Kathy Durkin To Compete in Glamour Magazine Contest

Kathy Durkin, a sophomore student, has been selected as the "Best Dressed Girl" on campus. She was selected by a committee consisting

of Mary Ann Thornton, the editor of the college newspaper, Dr. Barbara Shockley, Marilyn Keefer, Edward Adams, Donald Morgan, and Joseph Zapach, Vice-President of the Community Government Association. This panel's choice makes Kathy Bloomsburg's entry in Glamour Magazine's 1959 "10 Best Dressed College Girls in America" contest.

Hundreds of colleges throughout the United States and Canada have submitted their "Best Dressed Girl" as entries in this contest. Three photographs of the candidate dressed in a typical on-campus outfit, an off-campus daytime outfit, and a date dress (full or cocktail length), were submitted to the magazine. The entries will be judged by a panel of Glamour editors, and the winners will be notified by wire.

Kathy was nominated by the panel on the basis of ten judging points sent by the magazine. They were: good figure; posture; clean, shining, well-kept hair; imagination in managing a clothes budget; good grooming — not just neat, but impeccable; appropriate campus look (she's in line with local customs); a clear understanding her use of fashion type; individuality in her use of fashion color, accessories; a workable wardrobe plan; a neat way with make-up (enough to look pretty, not overdone); and appropriate — not rah rah — look for off-campus occasions.

Twenty-five BSC girls were nominated by the panel, and it was finally narrowed down to six finalists. These girls had their pictures taken in three different outfits, and the snapshots were then submitted to the committee.

Kathy lives in Ashland, Pa. This is her second year as a model in the BSC Annual Fashion Show. Kathy is enrolled in the secondary curriculum with English as her major field and social studies her minor.

Mr. Edwards Speaker At New Kane Area School Dedication

C. Stuart Edwards, Director of Admissions and Placement, was the principal speaker at the dedication exercises of the new Kane Area Junior High School on Sunday, February 22, 1959.

Mr. Edwards was a member of the Faculty at Kane High School for eight years. As head basketball coach, his teams won their conference crown each of the eight seasons, battled their way to 7 district and 2 regional crowns, and copped the State "Class B" championship on one occasion.

A capacity audience attended the dedication of the new building which can accommodate 650 junior high pupils. In his address, Edwards pointed to the continuing need for Education for Citizenship and Education for Change. He referred to the transition which has occurred in our world in the last 15 years, during which we have progressed from the Age of Technology to the Atomic Age, and thence to the Space Age. While emphasizing the definite need for better scientific training, he stressed that there is an equal need for education for citizenship so that we can accept and adjust to changes which may be wrought by science. He summed up his address with the thought that the schools will give society those things which society needs and demands.
