

BEST DANCERS, Barb Kwiatkowski and Michele Blozinsky proudly display their trophies after 50 hours of dancing.

53 couples finish dance

By ROBERTA CLEMENS
After dancing 50 hours, Barb Kwiatkowski and Michele Blozinsky were named the best dancers of the 6th annual Dance Marathon, before a packed Centennial Gym.

The Marathon, whose proceeds benefitted the Mental Health Society of Columbia and Montour Counties, raised approximately \$8,000. Out of approximately 180 original dancers, 52 dancers finished. About 25 dancers completed the 12 hour mini-marathon.

Camille Strausser and Deb DeMarco were chosen as the most exciting couple after finishing 50 hours also. The marathon was sponsored by the Kehr Union Program Board. Radio stations WBSC and WHLM assisted, providing music throughout the 50 hours along with 6 local bands.

The theme of this year's marathon was "Famous Faces of the 70's." A costume contest was featured in the first hour of the marathon where three couples best depicting the theme were awarded prizes.

Carole Stauffer and Eric Harriz were awarded first prize for their Kermit the Frog and Miss Piggy outfits. Second prize went to Debra Dura and Catherine Andy who were dressed as Barbra Streisand and Donna Summer. Third prize went to Lyndee Stadler and Tammy Derr who were dressed as characters from the TV show Laugh-In.

First prize for the costumes in the 12 hour marathon went to Jan Walters and Bob Crawford. Second prize was awarded to Marian Durkes and John Beierle.

To coincide with the 70's

theme, dance contests were held throughout the marathon. The dances featured were all types of dances which were popular in the 1970's.

Winning the bump contest was Robin Weid Moyer & Joan Ganssle.

Winning the Disco contest was Eric Harriz and Carole Stauffer. Winning the Freak Contest was Barb Kwiatkowski and Michele Blozinsky. Top honors in the Robot dance contest went to Joe Hartman. Barb Kwiatkowski and Michele Blozinsky also won the Rock contest.

The rest of the awards, which will be decided after all the pledged money is turned in, will be given out at an awards dance for the marathon participants on Feb. 17, featuring Frenz. It will be held at 9 p.m. in the Kehr Union.

Have a Heart: Protest Tuition

by BOB KLEIN

Students of BSC will be signing their names to valentines to fight a proposed 15.8 percent student fee increase for 1980-81, forcing tuition up \$150.

The proposal was submitted to Governor Thornburgh by the Board of State College and University Directors (SCUD Board) and the Department of Education, to help alleviate the inflationary costs of operating the PSCU system during the last two years.

According to the Board's statement, 39.5 percent of the funds should be from student fees and the remaining percent the Commonwealth appropriates.

'Have a Heart and keep tuition low.'

Using the 3:2 formula, this would mean an 11.4 percent increase in student fees and 8.5 percent in state appropriations.

However, the 3:2 ratio may not be used, and the possibility of student fees increasing 15.8 percent would be the result. This increase excludes the recommended 3.1 million increase for room and board fees.

Despite the large student increase, the Board also proposed cutbacks in fulltime PSCU personnel from 9882 serving us now to an expected 9714 for next year.

The state-wide ratio of all full-time equivalent (FTE) Professional Personnel to all FTE students is one Professional to 8.5 students, but, in the PSCU the ratio is one Professional person to 13.5 students.

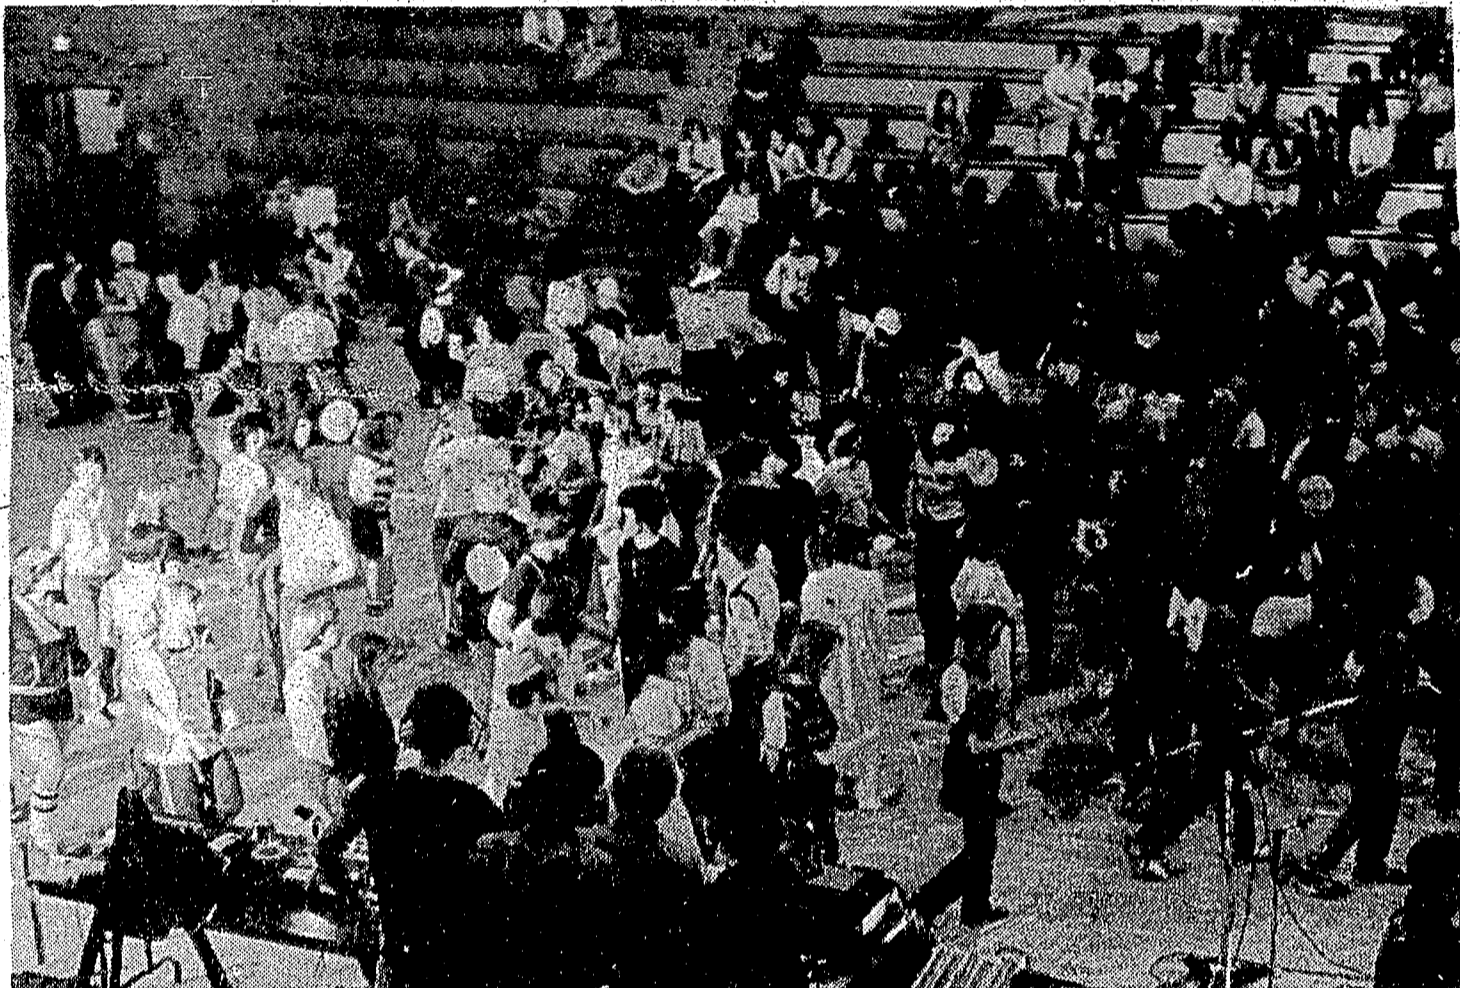

The SCUD Board states in the proposal that they, "have no reason to believe that there will be any substantial change in total enrollments of the state colleges and university system next year."

'PA's percentage of high school graduates going on to college is much lower than the national average.'

However, national statistics indicate that increases in tuition correlates directly with decreases in enrollment.

Presently, PA's percentage of high school graduates going on to college is much lower than the national average (39 percent vs. 60 percent).

The facts are now before you; to fight the unproportionate increase the Commonwealth Association of Students are sending valentines with (hopefully) your name and the slogan "Have A Heart and keep tuition down" to go to Governor Thornburgh who will be working on his proposed budget next week for the 1980-81 fiscal year.

THE SIXTH ANNUAL DANCE MARATHON; sponsored by the Kehr Union Program Board, was held this weekend. 179 dancers began and 52 finished. \$8,000 was raised for the Mental Health Society.

Vandalism strikes Union

An unestimated amount of damage was done to the Kehr Union building by vandals last weekend.

The damage included: a broken pool cue, a broken curtain rod, a torn curtain, and a phone receiver ripped out of the wall. It was also reported that beer was consumed in the

snack bar area.

The campus security police investigated the damage but no arrests were made. An in-

vestigation is continuing. Anyone having any information on the damage should call 389-2617.

A legal problem?

Are you having a legal problem? The campus lawyer will be in the union Thursdays from 6:30 p.m. to 8:30 p.m. to answer all of your legal questions.

Frank Baker, this semester's lawyer, will be in Dr. Mulka's

office (second floor union), every Thursday to assist BSC students.

If you have any questions about the student lawyer call Tom Gordon, Chairperson Student Lawyer Comm., at 387-0772.

Editorial

A Valentine greeting to Governor Dick

DEAR DICK:

The students at BSC love you! You have always stood by our side. We were glad you didn't raise tuition by \$50 this semester, even though it took a class boycott to give you our feelings on the hike.

With love and gratitude, we now beg you not to raise our tuition \$150 as outlined by the SCUD Board (see page one article). This is a lot of money, which many students cannot afford. Besides, it seems illogical to raise tuition, AND room and board, AND THEN RETRENCH FACULTY MEMBERS!

We urge you to research other means of financing the educational deficit than dumping the load on the students each year. For this reason, students will once again show you how we feel by signing valentines and sending them to you.

What a nice thought! You'll be receiving valentine wishes from the state college students and get to hear our views with the help of CAS.

So, you see, we care about you and we want these feelings to be reciprocated. So, Happy Valentine's Day and remember to have a heart when deciding on our finances.

Want ads offer exciting summer jobs

The 1980 Summer Employment Directory of the United States (SED) is a nation-wide "want ads" section of summer jobs, according to its editor, Lynne Lapin. "It takes the leg work out of hunting for a summer job, and it helps you look for a job outside the area where you happen to live or go to school."

SED is an annual paperback. This year it lists 50,000 summer jobs all over the United States. Each listing includes job description, pay rates, working conditions, and a name and address to write to. Lapin said that the SED only lists employers who are actively seeking people to work for the summer. "that way you don't waste time and stamps writing to people just to find out whether or not they have summer jobs available," she said.

Some of the jobs in the 1980 SED could be lead-ins to a chosen career field, Lapin said. Others are geared to the student

who wants to mix fun and adventure with summer work.

"Some of the jobs listed in the 1980 SED even offer college credit," Lapin pointed out. "For example, jobs at summer camps for mentally and physically handicapped children." For other jobs listed in the directory, Lapin suggested that students ask about practicum credit at their respective schools. "If you're in special education, for example, some of these jobs let you test your chosen field and see how well you like it before you graduate. They also give you some practical work experience to put on your resume when you apply for your first job after graduation."

"Other summer jobs listed in the 1980 SED — at national parks or scenic resort areas — give you the opportunity to spend the summer at a place where you'd never go on your own if you had to pay for it," Lapin said. "A summer job at a

Bits-n-pieces

Male ego suffers crisis

by MARTIN T. FILMORE

Since automation and the electronic revolution, men are not only working fewer hours, but are also engaged in more activities, where physical prowess, strength and stamina are unimportant: (They are being paid more for less physical work performed in fewer hours than ever before, this causes a build up of anxiety and frustration).

1. They feel guilty and uncomfortable, because this is the opposite of what they have been taught.

2. They have been brought up to believe that self-worth is only possible by hard painstaking work.

3. Also automation is in direct conflict with the Puritan ethic and is therefore causing men to lose self-esteem.

Now, the male ego has not only been dealt a severe blow by the Electronic Age, but also the Feminine movement, advertisement and television which has caricatured man as an incompetent meatball.

The unfortunate male who has lost his identity and has been ridiculed by the communication media now finds that his masculine preserves

are now being invaded by female population and in defeat he tries to be polite about it.

His chivalry is rebuffed and he is called a Male Chauvinist Pig. He tries to detain his masculine self-concept, but his attempts at romance brand him a sexist female exploiting creep! I ask myself in a society of today based on marriage, "why do so many men remain bachelors?"

Well, adding to the reasons given and that females supposedly mature younger than men, I think it complicates the problem of finding the right women (you know who you are!). Because BSC has so many women it's easy to fall in love when a man is young, the usage in him is strong and the prowess of selectivity are undeveloped.

In my experience:

1. Some men fall in love and

stay in love.

2. There are some men who do not and will never fall in love. Some men have been hurt so bad by emotional heartbreak they never fall in love again and other's who never fall in love.

3. There are many men who keep falling in love and never would start a exclusive relationship.

And as man matures, sooner or later he'll reach the Age of Discretion. Then reason takes over and instead of rushing into marriage he weighs the evidence for and against it!

After the guys reach a certain age, marriage will increase or decrease, it all depends on his experiences. As a man grows older he'll grow more lonely (maybe). He's learned how to live with himself. He'll satisfy his social needs, guaranteed. His standards go up, but the

The Voice reserves the right to edit all letters and copy submitted. A maximum of 400 words will be placed on all letters to the editor with an allowance for exceptions. All letters must be signed and have an address and phone number. Names will be withheld upon request.

The opinions voiced in the columns, articles and notices are not necessarily shared by the entire staff. An unsigned staff editorial denotes a major consensus of the editorial board.

CLEAR SKIES, BRIGHT SUN. Although temperatures are low and bitter, nature makes up for the cold with some beautiful sunsets.

You can spend your vacation learning crafts in England

Are you experienced in some craft? Or just want to learn one?

Want to weave or learn to weave with Gerald Carter in his 18th century English farmhouse, on restored antique looms — eating home-baked bread, home-brewed ale and honey from the hive?

Or how about learning with Mary White, the well-known porcelain potter, at her converted pub studio in Malmesbury, birthplace of Abraham Lincoln's mother?

Or learn wood-turning with John Sainsbury, master wood turner, in his lovely country cottage.

Those are some of the possible craft vacations in Britain by which you can meet a British family — their friends and fellow-craftsmen — and explore medieval towns and ancient villages deep in the garden of the English countryside.

A week's craft vacation is \$345 (plus airfare), or \$300 each if two of you share. It begins by sitting down for evening Saturday meal with your

teacher-host. And you live with him/her as a family until the following Saturday evening. All your meals will be home cooked and you'll have your own bedroom. In addition you'll have a minimum of four hours a day tuition in the craft of your choice. The price includes learning the craft, accommodation, and full board. Materials are extra.

What crafts are available? There are 14, including pottery, weaving, embroidery, calligraphy, wood turning, wood carving, cabinet making and furniture restoration, musical instrument making, glass blowing, glass painting, blacksmithing, jewelry making, silversmithing, and traditional

painting in oils and water colours.

All levels of craft experience can be taken care of, and each will learn at the rate and level of their capability, from beginners to advanced students.

The program is under the auspices of the Association of British Craftsmen, who carefully check all facilities and accommodation to be sure they are up to a high standard.

For booklet and application blank, write, British Tourist Authority, 680 Fifth Avenue, New York City, 10019.

Or call the Association of British Craftsmen, 57 Coomb Avenue, Stoke Bishop, Bristol, England. Telephone number is: Bristol 686 417, England.

Convention Can Be Fun

by MIKE FRANTZ

When Sen. Lowell Weiker came to BSC in 1976 as a speaker for the Simulated Convention, he told the students attending: "Let us build a system that works, rather than begging people to work within one that doesn't."

If one single statement can characterize the purpose of the Simulated Convention, that is it.

But anyone who has taken part in a BSC Simulated Convention knows that building a new system need not be all work.

At the 1976 Convention, for instance, an amendment to the platform proposed returning the thirteen original colonies to Mother England as a Bicentennial gesture of good will. At the '72 Convention, where George McGovern was nominated for president, a

section of the Illinois delegation had come to the Convention

pledged to political prisoner Angela Davis. And again, in '76, a delegation of Beta Sigma fraternity brothers, who

represented the state of Alabama, proposed two rather amusing amendments. One amendment called for male supremacy, but was never voted on because the speaker was reportedly "booed from the podium". The second amendment made a suggestion to legalize pre-marital bigamy.

These comical incidents in no way dominate the Convention. But they do serve to remind everyone that politics can be fun.

Male ego crisis

(continued from page two)

be married.

quality in what he picks up goes down. The availability of the right women gets lower and lower. Oh, and if you're thinking of putting the old refrain, well look at all my friends they're getting divorced line, forget it.

And every time a woman laughs because I open a door or kiss her paw when introduced, I'll just smile and say, "you're the one that's missing out." In

If they grew up, learned values and a deep sense of religion when they were young, well in my opinion, they'd still

the long run I'll meet some woman who's grown up. I'm not against ERA but haven't some of you ladies taken it too far? Don't be criticizing a Gentlemen until you've become Ladies!

BLOOMSBURG RESIDENTS PERFORMED a musical Pops Concert in the Commons this week-end to a large audience of music lovers. The concert was proven a success with the standing ovation given at the finale of the presentation.

Poets sought for competition

International Publications is sponsoring a National College Poetry Contest, which is open to all students who wish to have their poetry anthologized in the American Collegiate Poets Anthology. Cash prizes of \$100, \$50, \$25, \$15 and \$10 will be awarded to the top five poems. Awards of free printing will be given to all accepted manuscripts. The deadline for

entry is March 31.

The contest rules are as follows:

1. Any student is eligible to submit his verse.
2. All entries must be original and unpublished.
3. All entries must be typed, double-spaced, on one side of the page only. Each poem must be on a separate sheet and must bear, in the upper left hand

corner, the name and address of the student as well as the college attended. Put name and address on envelope also.

4. There are no restrictions on form or theme. Length of poems up to fourteen lines. Each poem must have a separate title. (avoid "Untitled") Small black and white illustrations are welcome.

5. The judges' decision will be final.

6. Entrants should keep a copy of all entries as they cannot be returned. Prize winners will be notified immediately after deadline. I.P. will retain first publication rights for accepted poems. Foreign language poems (continued on page six)

Unique summer jobs

(continued from page two)

resort is a great way to go someplace interesting for the summer and get paid for being there."

"Lots of jobs listed in the 1980 SED are fairly unusual," Lapin added. "For example, there are river trips in Colorado, jobs at resorts in Alaska, and paying positions at summer theaters all over the country. Several resorts in upstate New York and some in California are looking for entertainers, too."

Lapin said that the 1980 SED is like the "want ads" in your local newspaper in one other significant way. "The really good jobs go fast," she said. "Smart people who consult the 1980 SED will get summer jobs first and fastest. The 1980 SED lists many positions but they are limited."

This year for the first time, the Summer Employment Directory includes listings from

huge commercial resorts like Disneyland, Disney World, several of the Six Flags resorts, Cedar Point in Ohio and Busch Gardens in Florida. Lapin said that such resorts employ thousands of college students each year, as well as older high school students.

The 1980 SED includes national temporary help organizations that refer your records from your summer job back to their offices at your year-round home and continue to provide temporary or part time jobs for all you all year round, according to Lapin.

The 1980 Summer Employment Directory of the United States (paperback; \$6.95) can be purchased in most bookstores. It is also available from the publisher, Writer's Digest Books, 9933 Alliance Road, Cincinnati, Ohio 45242. Mail orders should include \$1.25 for postage and handling.

Take the high road to adventure

The trend for travel in the 80's will be toward outdoor recreation and creative low-cost trips, according to American Youth Hostels, travel planning specialists for 46 years.

The 1980 "Highroad to Adventure," a new brochure which is available free from AYH, describes a wide variety of trips for all age groups. Some have been specially designed for adults, others for youth and there is a category of trips open

for both, domestically and internationally.

The trips are as diverse as the people who take them. They range in length from 5 to 48 days and in price from \$160 to \$1950. Adventures include snorkeling the colorful reefs off French Polynesia, cycling the green hills of Ireland, a crafts seminar in the Delaware Water Gap and tracking the great grey whale off the coast of California. Methods of travel vary from cycling, hiking, skiing, sailing, canoeing and rafting to automobile and public transportation.

All the trips and tours share one element in common - (continued on page six)

Placement Center needs Career People

How about working at an on-campus job next year that's exciting, challenging, allows you to help fellow students and helps you grow as a person? The job is being a Career Person (CP).

Applications to be a CP are now available and may be picked up at the Career Development and Placement Center (CD & PC), top floor, Ben Franklin Building. The deadline for applying is Feb. 22.

Career People are trained paraprofessional career counselors employed by the CD & PC. Some of the work CP's do entails helping students find jobs by assisting them in writing resumes and cover letters; counseling students who are undeclared and looking for a field of study; assisting students in finding graduate schools; and counseling students with personal and/or school related problems.

Before being "sent out into the field" CP's receive an in-

tensive training program in counseling, job search skills, and interview techniques. And training is continuous throughout the year: Federal Civil Service, Grad Schools, State Civil Service, etc.

You must have the following requirements if you're interested in being a C.P.: You must be in good academic standing, be a junior or senior next year, and you must be filing for BEOG and PHEAA for 1980 - 81 school year.

According to Joanne Day, Assistant Director of the CD & PC, these qualities are essential to being a CP: academic stability, ability to relate well with other students, ability to work on your own, and initiative.

Some other qualities that Debbie Kospiah and Jim Popp, CP's, feel are important are an ability to communicate, interest in helping other students, interest in careers, outgoing, and understanding. Other qualities

that are looked for are enthusiasm and involvement in extra-curricular activities.

Career People are an outreach group helping fellow students in many facets of school life. The job is beneficial, not only to students, but to all CP's.

Kospiah states that she has benefitted by having the satisfaction of helping others and also growing in knowledge of job opportunities for herself.

Also, as a CP you receive the standard pay of a student employee. Below is the timetable of the CP selection process:

Feb. 6-22 — File an application

March 4-7 — Interviews with two current CP's

March 11 — Names posted for group interview

March 18 & 19 — Group interview

March 21 — Names posted for final interview

March 24-28 — Final in-

terview with Tom Davies, director, or Day, asst. director.

April 1 — Final list posted
If you're really interested in

becoming a CP, pick up an application at the Career Development and Placement Center. Don't worry about the interviews: just be yourself.

Take the high road

(continued from page four)

hosteling. Hosteling is many things - living out of backpacks and saddlebags and staying in homes - away - from - home ranging from historic trust properties to farm houses, cabins in the mountains and castles in Europe.

In addition to pre-planned trips, the AYH travel department will design and make arrangements for special groups who wish to create their own tours.

The American Youth Hostels' "1980 Highroad to Adventure" brochure is available free from the AYH Travel Department in

Delaplane, Virginia 22025 or by calling toll free (800) 336-6019.

Men's basketball

KUTZTOWN VICTIM

The Huskies registered a 44-32 second half advantage to break open a close game and win 89-75 over the Kutztown Golden Bears.

Wenrich led the BSC scoring parade with 24 points, tallying ten field goals and four free throws. Conrad also had a great night, as he canned ten shots from the field for 20 points.

Tillman dumped in eight field goals and four foul shots for 18 points. Jon Bardsley tallied 10 points to finish the twin-digit players for Bloomsburg.

McTague led all scorers in the game as he fired in 27 points for KSC. Taylor and Fetzer recorded 16 and 10 points, respectively.

The Huskies are now 11-8 on the season. They travel to Mansfield tonight to face the Mounties.

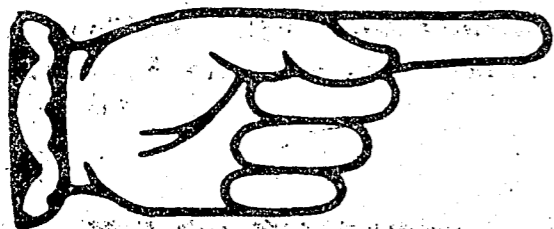

Poets sought

(continued from page four)
welcome.

7. There is an initial one dollar registration fee for the first entry and a fee of fifty cents for each additional poem. It is requested to submit no more than ten poems per entrant.

8. All entries must be post-marked not later than March 31, and fees be paid, cash, check, or money order, to: International Publications, P.O. Box 44927, Los Angeles, CA 90044.

Swimmers down S.U. fall to S.S.C.

by CINDY PECK

The men's swim team now stands at 4-3 after its recent win over Susquehanna (57-44) and loss to Shippensburg (61-52).

VICTORY OVER SUSQUEHANNA

In the 400 yd. medley relay at Susquehanna, the Husky team of Pete Dardaris, Frank Jacoby, Bill Wolfe, and Glenn Miller placed first. Tim Briddes took first in the 200 yd. freestyle, while John Conte placed second.

In the 50 yd. freestyle, Jeff Baskin took first, and Reik Foust won the 200 yd. individual medley. Tom Cole and Eric Slingerland took first and second, respectively, in one meter diving.

Jacoby took first in the 100 yd.

butterfly, while Phil Spampinato finished second. Baskin and Briddes finished in first and second place in the 100 yd. freestyle, and Dardaris and Foust took the first two places in the 100 yd. backstroke.

The remaining events were exhibition to give both teams a chance to experiment with team members in different events.

LOSS AT SHIPPENSBURG

Dardaris garnered a first against Shippensburg in the 1000 yd. freestyle, while Wolfe placed third. Baskin took first in the 200 yd. freestyle, while Briddes placed third in the 50 yd. freestyle.

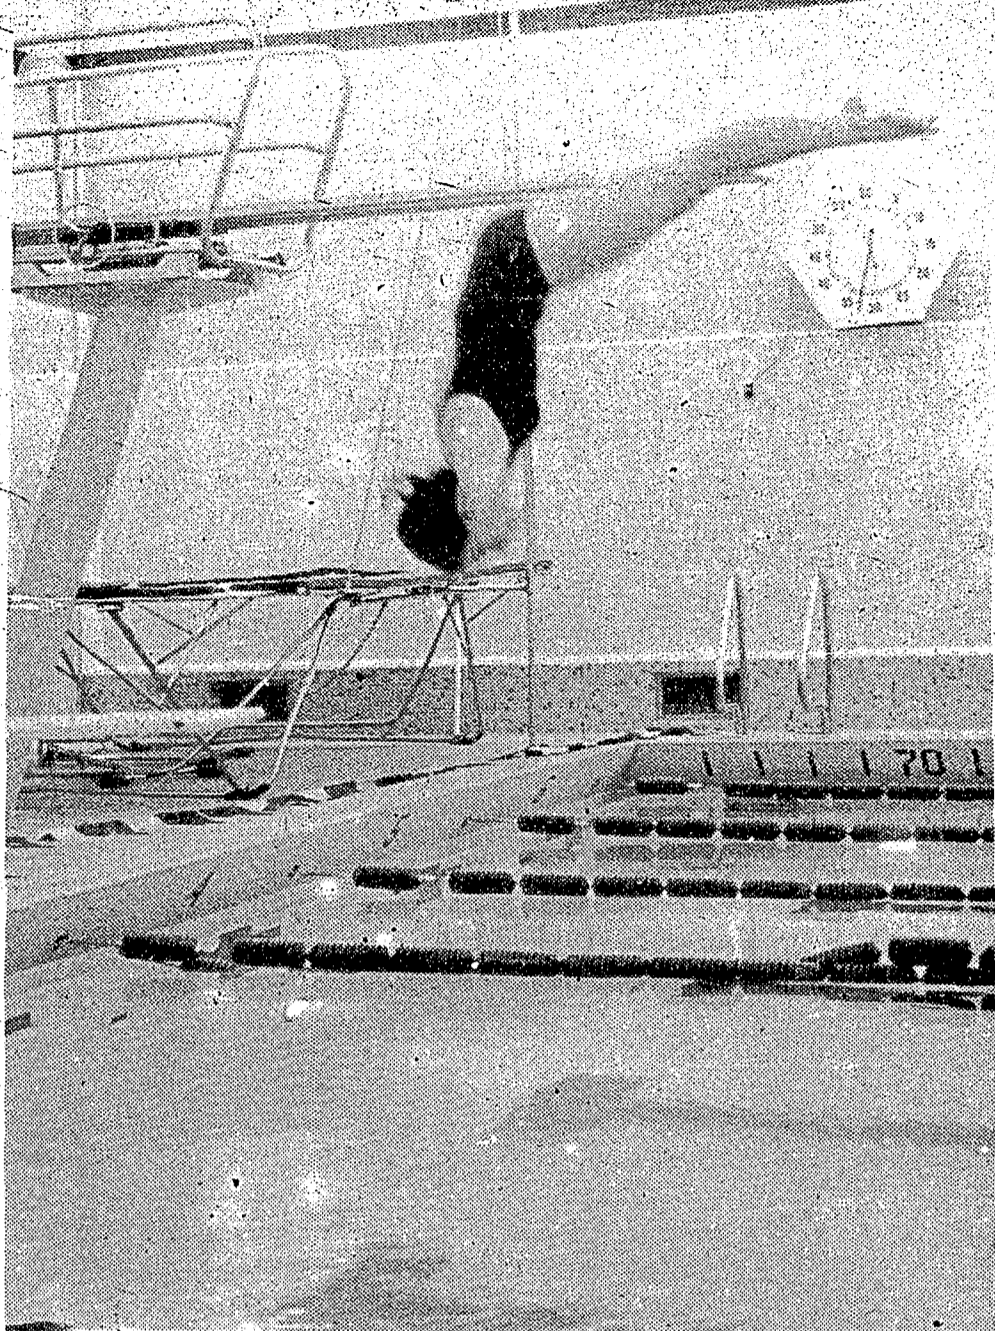

Dardaris nabbed another first, as he won the 200 yd. individual medley. Freshman Spampinato took third place in both the 200 yd. individual medley and the 200 yd. but-

terfly. In one meter diving, Cole finished third, and Briddes took third in the 100 yd. freestyle.

Dardaris again came through with a first in the 200 yd. backstroke, and Foust came in third. Baskin and Wolfe took second and third, respectively, in the 500 yd. freestyle, and Weigand and Cole took first and second in three meter diving.

Conte placed first in the 200 yd. breaststroke, and teammate Jeff Ludroff placed third. The 400 yd. free relay team of Baskin, Briddes, Jacoby, and Wolfe took first place.

The Huskies host Kutztown today at 4:00 p.m. This will be the last home meet for senior captain Dardaris, who remains undefeated in the 200 yd. backstroke, as well as for Weigand and Slingerland, who are also seniors.

MOSCOW, RUSSIA, THE SUMMER OLYMPICS? Not quite, but the women's swim team at BSC is making a splash in collegiate competition. Here a diver tries for first place.

(Photo by Lee Vivian)

Men's Basketball

Huskies on top of their game

by KEVIN KODISH

Charles Chronister and his BSC men's basketball team had a good week, winning two of three outings.

TRIUMPH OVER YORK

The Huskies got a good game from Brad Weber. The sophomore scored 14 points and pulled down five rebounds to lead a balanced scoring attack in the 75-60 win.

Bloomsburg got excellent production from its freshman. Mike Wenrich and Terry Conrad each ended the contest with 12 points. Wenrich had a super rebounding game, as he claimed 13 caroms.

Riddick led the York attack with 23 markers. Following Riddick in double figures for York were Forbes and Crawford. Forbes tallied 13 points and Crawford accounted for 10.

BSC took charge of the game in the first half, as they raced to a 39-28 halftime lead. The Huskies tacked on a 36-32 second half margin to insure the win.

Bloomsburg had an excellent evening from the charity stripe. The Huskies sank 17 of 23 free throws, compared to four of nine for York.

OVERTIME LOSS

The Huskies traveled to Millersville to face the Marauders and returned home with an 82-75 overtime loss.

Conrad topped the BSC scorers with 18 points. Wenrich tallied 17, Bill Tillman 12 and Ron Zynel had 10 markers to round out the Husky double figure performers.

Steve Cottrell dropped in eight field goals and added eight foul shots to lead all scorers with 24 points. Marauder teammates Fassnacht, Ross and Perkins also reached twin digits. Fassnacht had 10 points while Ross and Perkins netted 14 and 11 points, respectively.

The Marauders won the game at the free throw line. The hosts sank 26 of 41 tries, while the Huskies were 11 of 21 from the line.

The game was tied 63-63 at the end of regulation, but Millersville out-pointed BSC 19-12 in the overtime period.

WANTED: SEND US YOUR VAL- ENTINE CLASSIFIEDS EARLY** MUST BE PRE-PAID.

Women close, but fail

by KEVIN KODISH

The women's basketball games played last Thursday night at Nelson Fieldhouse were definitely not for people with weak hearts.

In two close contests, the BSC varsity and junior varsity squads each fell to the Bald Eagles of Lock Haven State. The varsity lost 57-56, while the jayvees were edged 55-52.

VARSITY BATTLE

Mindy Lerit was the only Husky player to reach double figures. The quick junior guard scored a game-high 14 points in the setback.

The Huskies had four other individuals who played well offensively, but did not reach double digits. P.C. Lyons netted nine markers, while Trina Knittel, Cheryl Sedlak and Hilarie Runyon all tallied eight points.

Scoring honors for Lock Haven were shared by Kelly O'Connell and Sandy Miller. The pair each popped in 13 points. Teresa Derksen added 10 markers, all of which came in the second half.

The visitors opened the scoring at the 19:25 mark of the first half, as Donna Wise canned a four foot shot for a 2-0 Bald Eagle lead.

After Miller of LHSC added two free throws for a 4-0 Lock Haven advantage, Gail Hopkins got BSC on the board with a jumper from eight feet away.

Michelle Gilgallon answered Hopkins' bucket with a field goal, but Lerit and Sedlak each dropped in shots to tie the contest at 6-6 with 16:42 left before halftime.

Miller put Lock Haven back on top 7-6 with a foul shot at the 16:26 mark, but the Huskies then broke loose with an eight point surge.

Sedlak and Lerit canned two free throws each before Lyons scored on a perfect give-and-go with Hopkins. Lerit ended the BSC charge with a 20-foot jumper that was all net. The hosts now enjoyed their biggest lead of the night, 14-7.

Later, with the score 18-11, the Bald Eagles put on a flurry of their own. Miller, Donna Griest and Pam Henry all accounted for two points to pull LHSC within a point with 6:13 to go in the first half.

The Huskies were able to forge into a five point lead again

at 24-19, but Lock Haven scored the next eight points to take a 27-24 lead. A major force in the scoring spree was O'Connell. The guard netted six of the eight markers and came up with two steals.

BSC did not break under pressure either, as the Huskies answered the Bald Eagle blitz with six straight points before the half to carry a 30-27 lead into the lockerroom.

FIERCE SECOND HALF

The final period was very tense, close and hard fought. Neither team wanted to give up. The half featured no less than six ties and six lead changes.

The last tie came as a result of a free throw by Hopkins of BSC with 5:26 left. The hoop made it 48-48 and the action was really heating up.

Unfortunately for the Huskies, O'Connell of Lock Haven shoots-free throws very well. Over the next four minutes, O'Connell calmly sank five of six charity stripe attempts, the last of which gave LHSC a 54-48 lead.

Hopkins drove the lane and put in a lay-up with 1:22 to go, cutting the deficit to 54-50. Lerit then came up with the ball and canned a shot with just 49 ticks left on the clock.

With 40 seconds left, Henry of Lock Haven was fouled. She converted one of two foul shots to make the score 55-52 in favor of the guests.

Runyon dropped in a five-footer with 26 seconds remaining, but Miller answered for LHSC with a lay-up with just 11 seconds to go.

The Huskies got the ball up the floor quickly and Runyon swished another short shot with four seconds remaining. The deficit was just one, but the clock expired before Lock Haven made the inbounds pass. The result was a one-point loss for BSC, 57-56.

JAYVEE SETBACK

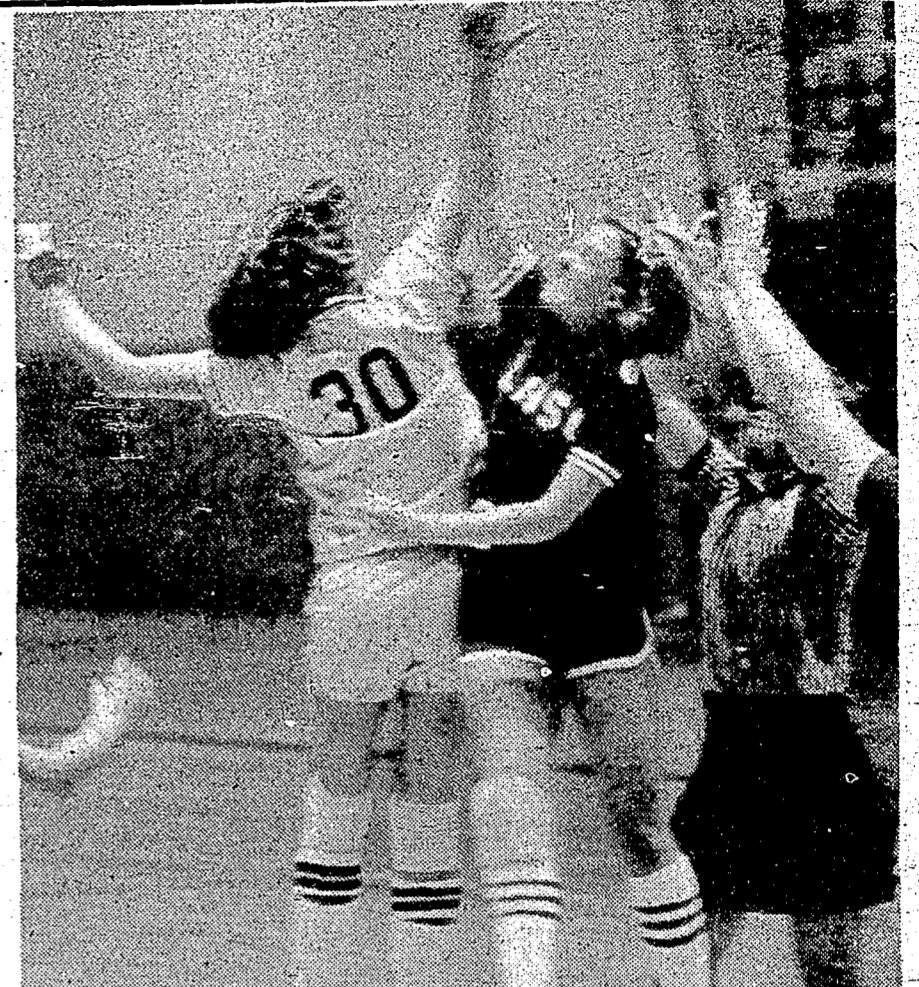

Julie Loucks fired in 18 points and Diane Alfonsi dropped in 13 and added 29 rebounds, but that wasn't enough to stop Laurie Kratger of Lock Haven.

The Bald Eagle guard pumped in a game-high 22 points and came up with some key defensive plays to lead LHSC to a come-from-behind win.

The Huskies held a 27-20 lead with 17:00 to go in the game, but Kratger and her teammates scored 17 of the next 19 points to pull into a 37-29 advantage.

Trailing 55-46 with 1:13 left, BSC put on a final surge. Alfonsi, Loucks and Debbie Thom netted hoops, but the clock ran out with the locals down by three points, 55-52.

The loss made the varsity record 3-7. The jayvees slipped to 1-3. Both teams meet Wilkes tonight at Nelson Fieldhouse. The jayvee game begins at 6 p.m.
