**RANDY STONEHILL** entertained an enthusiastic crowd in Carver Hall Thursday night. Lester and Markus opened the show.

## Trustee Awarded

Dr. Edwin Weisbond of Shamokin was presented the Outstanding Trustee Award by President James H. McCormick at the 13th annual Awards Convocation of Bloomsburg State College held Sunday, April 25.

Dr. Weisbond has been a member of the BSC Board of Trustees since December 29, 1971 and served as Secretary from July 1, 1972 to June 30, 1979. He was elected Chairman effective July 1, 1979 and served in that capacity through June 30, 1980.

In presenting the award, Dr. McCormick stated, "Those of us who have worked closely with Dr. Weisbond appreciate his dedication to the college and his willingness to help whenever we call upon him. It has been especially gratifying to me to always have a positive supporter as we seek to advance the programs and services of the college. Dr. Weisbond is always ready to respond when needed, and has been extremely dependable in the discharge of his duties as a member of the Board of Trustees.

"Along with his support, Dr. Weisbond has always been willing to offer constructive criticism as well as being a guardian of the public interest. This marks the second year

that the College has presented this award. It follows the criteria established by the Association of Governing Boards of Universities and Colleges as they make their award for Distinguished Service in Trusteeship.

The criteria is based on achievements that have strengthened a college or university and have advanced its purposes; that have enhanced the effectiveness of governing, advisory or coordinating boards; that have contributed to public appreciation of college and university trusteeship; and other achievements or qualifications believed meritorious in promoting greater public understanding of higher education.

A local selection committee, comprised of the advisors to the Board of Trustees and the 1981 award recipient, Joseph Nespoli of Berwick, selected Weisbond for this year's honor.

Dr. Weisbond will now be nominated by the College's Board of Trustees for the 1983 Distinguished Service in Trusteeship Award to be presented at next year's national conference of the Association of Governing Boards of Universities and Colleges.

## 90 Siblings Invade BSC

By SUE McNULTY

This past weekend approximately 90 younger brothers and sisters of BSC students took part in Bloomsburg's annual Sibling's Weekend, which was sponsored by the Kehr Union Program Board.

The fun-filled weekend started at 10:00 Saturday morning and lasted until 4:00 Sunday afternoon. The time between was packed with fun and games for all ages to enjoy.

Check-in and registration for all siblings was from 10:00 noon on Saturday. At 11:00 a story hour, sponsored by the Council for Exceptional Children, took place on the lawn between Montour and the Union.

From noon until 9:00 pm, students and their siblings had a variety of activities from which to choose. There was a video game tournament in the games room, a bowling tournament in the bowling alley, open billiards, and swimming at Nelson Field House.

A kite-flying contest and festival, including mimes, jugglers, and hanggliders took place on Nelson Field House lawn from noon - 5:00 pm, and at 3:00 pm there was a parachutist demonstration.

A special added attraction was that this year the Renaissance-Jamboree, a Spring Celebration, was held downtown during Sibling's Weekend. Many students went down to enjoy the music, dancing, and various other activities.

Buggy and Babe, fire-eating, miming, and juggling clowns, performed on Saturday night in the union. Immediately following their act, two movies, "Bugs Bunny Superstar", and "The Muppet Movie", were shown in Carver Hall.

Mary Priscoe, President of the Program Board, said that although the turnout was good, it might have been better had Sibling's Weekend taken place earlier in the year. "There were a lot of banquets and activities planned this weekend, plus the fact that finals are coming up. I think this might have deterred some people from partaking in the Sibling's Weekend program", said Priscoe.

The festivities came to a close on Sunday with an open swim at Centennial Gym. By 4:00 Sunday afternoon, many tired youngsters were on their way home, with memories of what had to be one of the most exciting and fun-filled weekends ever—until next year!!

## Lensing Retires After Years of Service

By YINDRA STANLEY

After nineteen years of service, to the Business Education Department, Dr. Ellen Lensing will be retiring.

In the Business Department, Dr. Ellen Lensing supervises student teachers. In the past she has taught Introduction to Business, Typing, Shorthand, and a number of graduate level courses and seminars.

Dr. Lensing obtained her Baccalaureate, Masters, and Doctorial degrees in Business Education from the University of Wisconsin.

Her teaching experience is extensive. In addition to teaching at BSC, she has taught graduate courses at Georgia Southern College, and has taught in several high schools in Illinois and North Carolina.

Dr. Lensing is looking forward to her retirement and plans to spend her time traveling, camping and reading. She feels that the students are the ones that made her teaching experience worthwhile.

"My experience at BSC has indeed been a good one," she adds, "If not, I would not have stayed here for 19 years."

Kent Hagedorn

**CRANBERRY LAKE JUG BAND** was one of the major highlights of the Renaissance Jamboree this weekend. Students and townspeople filled Main Street despite the overcast day to enjoy the variety of homemade crafts and food. Entertainment included the popular Dr. John's Frisbee Show, Arista Skating Club Exhibition, the Limber-Limberjack cloggers, the Great Olexy magic show, the Berwick Tumble Jets gymnastic exhibition, and the music of Jay Smar and Rod McDonald.

# Editorial

## Student Voters Are Effective

Few students realize that potential political clout for candidates depends upon their own registration and turnout at the General Primary, May 18. Like others, students use "solid" excuses for not voting. The main arguments seems to be, "We won't be here May 18." This excuse is faulty because there is an alternative to going to the polls. Students can vote by an absentee ballot.

In the Bloomsburg Campus District (3-2) there are 1,387 registered voters; this is not including off-campus students.

According to statistics in the past students have the lowest turnout rates at voting polls. Yet students accumulate by the masses in Harrisburg and Washington to complain that their elected legislators are allowing tuition to increase and financial aid to decrease. Last year very few students voted at the primaries and this made students ineffective.

Historically, students had few direct channels to influence decisions of American institutions. The ratification of the 26th Amendment in 1971 lowered the voting age to 18. Prior to this, many questioned whether students could affect elections. Currently, the turnout of eligible student voters in high registered campus districts may be greater than the general population even when the turnout is low. In both statewide and local elections, student voters have provided margins of victory for several candidates.

One interesting note from the past is that in 1973 when President Reagan was governor of California, student voters helped defeat his proposal to limit state tax revenues. This proposal would have force tuition increases at public colleges.

Students should be sensitive to candidates' ability to speak to student issues. Non-student voters will not be highly sensitive to these issues unless it effects their children in college. Democratic candidates often assume little time and money to increase student voter turnout. Republicans assume little support, yet in the past have received large student support.

Regardless of the important issues facing students, they remain apathetic. Only when they are directly affected by an elected candidates decisions do they begin to complain and place the blame on "those stupid people who voted." This year students should make the effort to vote by an absentee ballot. Only when candidates see where students votes lie will they become concerned and sway legislation in favor of high education.

Application forms for absentee ballots can be obtained from the Court House or the CAS office (3rd floor Kehr). Students will then be mailed a ballot to fill out.

Government officials will only laugh at students next semester when they complain about issues affecting them. These officials will want to pacify those voter groups who affect them. Students should take time to become a part of an active voter group, then and only then will they become a viable political force.

## Study shows women made gains

Campus Digest News Service

Female students have made significant inroads in the academic world since the 1972 law against sex bias in federally funded education programs was implemented, says a study by a presidential advisory board.

Women's share of professional degrees has quadrupled in the past nine years, says the report by the National Advisory Council on Women's Educational Programs. In law, the share has increased from 7 to 40 percent; in engineering, from 1 to 8 percent.

Athletics also has been the area of significant gains, the study says. The number of females in high school sports since 1972 has shot up 527 percent.

And in intercollegiate sports, female participation has moved up to almost one third of the total.

## Letter to the Editor

### Session on Disarmament

Dear Editor:

Alexander Haig wants to fire a nuclear warning shot over Europe. Ronald Reagan thinks a nuclear war is winnable and wouldn't hesitate to strike first to begin a nuclear war.

Is it any wonder, then, that hundreds of thousands of people, outraged and horrified, are converging on New York City from June 11-14 for actions during the U.S. Special Session on Disarmament? On hundreds of campuses, Ground Zero Week, a week of intensive education about nuclear weapons and the dangers of nuclear war, has swept the country.

Why are people becoming so active now when we've had nuclear weapons for a long time? People give many different reasons. An obvious one is the drastic cutbacks in social services that have accompanied the massive increases in military spending. Like the many students unable to continue (or start) their educations because of cutbacks in student loans, people of many backgrounds are being dramatically affected by Reagan's spending policy. The Reagan administration speaks of sending troops into El Salvador. They decide to continue draft registration and prosecute non-registrants. And then Reagan talks about winning a nuclear war! Of course people are scared—and they're ready to do something!

In New York City, the second week of June will be packed full of events. June 12 will experience one of the largest demonstrations for nuclear disarmament and human needs that we have ever seen. On June 13 will be an "Anti-draft festival and Celebration of the Resistance". On June 14, non-violent civil disobedience ac-

tions will take place at the U.N. embassies of the five largest nuclear nations.

Thousands are flying in from England, Germany, Greece and Japan to join us. The government of Greece has loaned its Olympic Torch to the event and runners will carry it from Montreal to New York in time for the U.N. Special Session.

Thousands of children will lead the June 12 march from the U.N. to Central Park. The Talking Heads, Stevie Wonder and Susan Sarandon (Janet) from Rocky Horror Picture Show are using their talents to organize for disarmament.

So what will students be doing between now and June? Who will be arranging buses from your community? Mobilization

for Survival (48 St. Marks Pl, NY NY 10003, 212-533-008) can provide students with detailed information about the events and suggest ideas and materials for organizing on the issues. United States Student Association (2000 P St. NW, Washington DC, 202-775-8943) has leaflets specifically written for campuses about the June activities.

The movement to end the arms race and save the human race is rapidly growing. Those who don't trust Haig's finer on the button will be heading to New York City June 11-14 for the U.N. Second Special Session on Disarmament.

Donna Cooper, Disarmament coordinator  
Mobilization for Survival

# Inner City Dancers Highlight End of Semester

The Human Relations Planning Committee is sponsoring a performance by the Inner City Ensemble Theatre and Dance Company. The performance will be held in Haas Auditorium this Wednesday evening May 5, from 7:30 to 9:30.

The Inner City Ensemble is a performing arts group made up of Paterson New Jersey teenagers. The Company is recognized for their imaginative use of improvisation techniques. The troupe combines music, movement, sound and dialogue in dynamic theatre pieces drawn from scripted scenes as well as original works by company Director Raip Gomez.

The Ensemble will be offering the opportunity for individuals to learn some of their techniques. They will be holding workshops Wednesday afternoon, a dance workshop from 12:00 to 1:30 and a theatre workshop from 2:00 to 3:30. Come uncover your hidden talents.

Admission to the performances and workshops is free and open to the public.

# Netmen Win

(continued from Page 4)

Fate finally caught up with Craig Diehl in the number two doubles final, as he and partner Brett Briscoe lost yet another three setter to Porto and Pittas of ESSC 5-7, 6-4, 6-3. Both Diehl and Porto were coming off their exhausting three-set singles match and were playing on just adrenaline. For Porto it was his third three setter of the day.

Although Diehl failed to set a new record, his seven titles

rank him at the top of the PC list of champions. His play over the past four years certainly ranks him as one of BSC's best ever.

Diehl, along with Coyne and Superdock should receive invitations to the national tournament in Miami, where they will be competing for the second straight year.

See Friday's year ending issue of the Voice for a feature on Senior Craig Diehl.

Kent Hagedorn

KAREN SCHUTZ was a face painter at the Renaissance Jamboree this past weekend. Face painting was popular with the children and even a few adults.

## Diehl Ties Record

# Husky Netmen Win Fourth Straight PC Title

By WADE DOUGLAS

The BSC men's tennis team cruised to a record tying fourth-straight Pennsylvania Conference title over the weekend, claiming three singles and two doubles titles. Coming off last year's tournament, where they swept all nine titles, the Huskies were the overwhelming favorites.

With the team title all but conceded to host Bloomsburg, attention turned towards the Huskies two top players, Marty Coyne and Craig Diehl. Coyne, the defending champ at No. 1 had lost an early season match to Millersville's Mike Gray and desperately wanted a rematch in the finals. Diehl, a defending three-time champ in both singles and doubles, was at-

tempting to become the first player in PC history to win eight championships.

At the end of Friday's play, the netters had lost a total of one set in 12 matches and people began wondering if another sweep was in the making.

The Saturday semifinal action started in the chilly morning hours but two of the Huskies were red hot. Top seeded Dave Superdock, another of BSC's defending champions, toyed with California's Rich Cobbing, winning 6-1, 6-1. Superdock's net game and numerous overheads were just too much for the Cal State lefty, who was a finalist at number two last year.

Captain Craig Diehl continued his record quest with a

default win. The BSC senior had won the first set 6-2 and was playing the opening game of the second when his Edinboro opponent suffered an ankle injury.

No. 1 Marty Coyne wasn't as hot as his teammates, at least not in the beginning of his match. Coyne, who had not dropped a game in his opening round match, lost five quick ones to Edinboro's Jim Abraham. Abraham, it seemed, was looking to avenge his loss to Coyne in the 1981 finals. Trailing 5-1 in the first set, Coyne changed his shirt and then the score with a marvelous comeback. A overhead smash concluded his 7-5 win. With Abraham still in a daze over the turnaround, Coyne easily won the second set 6-0.

BSC, which had lost only once in the previous tournament matches over three years, quickly lost three straight within 20 minutes.

Brett Briscoe was attempting to rejoin Millersville's Ken Loose in the finals but his dreams and those of another

BSC sweep ended when he lost a three setter. After taking the first set 6-0, Briscoe was downed by 6-3 scores in the final two by IUP's Steve Lueschel.

Rob Lario, like Briscoe, was seeded second and like Briscoe lost in three sets to Millersville's Tom Borits 2-6, 6-3, 6-4. Earlier in the season, Lario had won a 3 setter against Borits.

No. 6 Chris Antipas was the third netter to bite the dust and also was downed in three sets. Antipas, down 6-0, 3-0 nearly pulled off a Coyne-like comeback behind the coaching of teammate Diehl. Antipas and his opponent, ESSC's Pete Scarmoutas, had numerous arguments over calls which marred an otherwise fine match.

Dave Superdock opened up the finals by rolling to his third straight PC singled title. The BSC junior again used terrific volleys to whip second seeded Doug Bretherick. It was the second meeting between Superdock and his Millersville opponent and the second Superdock victory.

Marty Coyne got everything he wanted in the number one singles final; his opponent was top seeded Miles Gray and the outcome was a Coyne win.

Bothered by Gray's pre-match antics, Coyne took control of the match early. Although each held serve three times, Coyne dictated the match's tempo and never allowed Gray to get on track. After winning the first set 6-3, the BSC junior broke Gray's serve in the opening game of the second set. Another break in the match's final game allowed Coyne to win his third straight singles championship.

Craig Diehl, the number one seed, was the Husky's third singles finalist and eventual champ. Unfortunately, his win was not as easily accomplished as the first two. Diehl was extended to 3 sets by ESSC's Felipe Porto, who was just coming off a three set win over second seeded Martin Baldrige of Cal St.

Diehl struggled the entire way against Porto even in winning the first set 6-3. Porto, a very heavy hitter, evened the match by taking the second set 6-3.

Set number three was a real battle. With the score tied at four, Porto broke to take a 5-4 lead. However, Diehl broke right back and then held to regain a 6-5 lead. Porto managed to dodge three match points but hit a volley wide the fourth to give Diehl the match and a fourth consecutive singles title. The title allowed Diehl to tie former teammate Ken Grove for singles (4) and total (7) championships.

Coyne and Superdock teamed up to the rip through the number one doubles bracket. They were matched against MSC's Gray and Dave Abrams in the finals and beat the Millersville duo for the second time this year 6-4, 6-1.

BSC's freshmen pair of Lario and Antipas dodged three straight bullets in winning their doubles final 4-6, 6-4, 6-4 to Conroy and Scarmoutas of ESSC. It was their third three set doubles match of the tourney. The match was especially sweet for Antipas, as he gained revenge for his loss to Scarmoutas in singles.
