I, ....., expect to enroll as a student of the State Normal School, California, Pa., Somerset, Pa., (cross out one) for the summer of 1925, beginning June 15th.

Please reserve a room for me in the { boys' / girls' } dormitory.

I inclose \$10.00 for reservation fee.

I have secured a room at .....

I desire a room in town with private family.

I wish to take my meals in school dining room.

I will travel.

(Cross out above statements not applying to you.)

I am a graduate of the .....

High School in the class of 19....., having completed the full course of ..... years in that school.

I wish to pursue the following courses:

My address is .....

This is the official form on which to make application and in order that our files and enrollment may be complete in every respect we urge you to return this form promptly. Upon receipt of same we will send you copy of program of studies.

NOTE—The fee is merely to secure a room and will be applied on the semester bill upon presentation of receipt. The fee will be returned if application for return is received 10 days preceding the opening of the school, but not at any later date. A room will not be reserved without a fee.

Money orders are advised. Make them payable to the State Normal School, California, Pa. The school is not responsible for currency sent in unregistered letters.

## CALENDAR

Summer Session.....	June 16 to July 26
Registration for all Students.....	Monday, June 16
Classes Begin.....	Tuesday, June 17
Summer Session Closes.....	Saturday, July 26

## REQUIREMENTS FOR ADMISSION

Admission is limited to graduates of approved four year high schools in Pennsylvania and those who have had equivalent education. Equivalent education is determined by the Credentials Bureau of the Department of Public Instruction. Exceptions are made in the cases of teachers of experience who have been previously enrolled in teacher training institutions. Recent high school graduates are advised to enter the regular session in September.

An admission blank, secured from the college, must be properly filled out before a student is legally enrolled.

## RENEWAL OF PARTIAL ELEMENTARY CERTIFICATES

Partial elementary certificates issued before September 1, 1927 may be renewed by presenting six semester hours of additional professional training. Care should be exercised in choosing courses that will also count toward the Normal Certificate.

## STANDARD CERTIFICATE

Teachers desiring information as to the remaining courses required for the Standard Certificate should write to the Teacher Bureau, Department of Public Instruction, Harrisburg. To avoid disappointment, no other advice should be taken.

A transcript of credit will not be sent to Harrisburg unless a written request has been made by the student. This request must be given to the Registrar.

## TWO-YEAR NORMAL CERTIFICATE

Persons desiring to complete any of the two year curricula should consult the Dean of Instruction for evaluation of work already taken and for information as to required courses. Courses should be taken in the order in which they are outlined in the different curricula.

Evaluations of credit cannot be made during the week immediately before or immediately following registration day. Information needed should be secured from the Registrar at least several weeks before the session opens.

## FAILURES

Regular students who fail in one or two courses during the year are advised to return for the summer session to repeat the work and thus be able to pursue a regular third semester schedule.

## STUDENT TEACHING

The demonstration school will be in operation during the summer and provision will be made for a limited number to do student teaching. All candidates who expect to complete the two year curricula by attending summer sessions must satisfy the student teaching requirement. Arrangements for student teaching must be made before May 15.

## DEGREES

The Bachelor of Science degree in Elementary Education is for those persons who wish to improve themselves in the elementary field either as teachers or supervisors. The Bachelor of Science degree in Secondary Education is for those who desire to teach in junior or senior high schools. In the latter curriculum, it is necessary to choose two major fields. California offers superior work in the following fields: Social Studies and History, English, Geography, Natural and Physical Science, Mathematics, and Foreign Languages.

Evaluations toward a degree can be made in the college office for graduates of approved four-year high schools. Evaluations for others must be made by the Department of Public Instruction through this office. It is necessary to submit official transcripts of all post high school work done elsewhere than at California.

## SPECIAL REQUIREMENTS FOR GRADUATION IN ALL CURRICULA

1. All entering students are required to take, without credit, ten lessons on "Using the Library."
2. All students are required to take part in the extra-curricular activities. Participation is under the direction of the Director of Student Activities.
3. All students, before receiving a final grade in English or Arithmetic, must equal eighth grade standards of achievement in these subjects.

The number beside the class room letter designates the semester hour credit.

The first four periods meet six days a week, the fifth period meets the first five days of each week.  
Selection of courses should be made to fit particular needs as to certificates, means of travel, etc. It is very difficult to change the schedule after it is made out. In case of doubt, consult the Dean of Instruction.  
Schedules will be made out in the order in which the requests are received. New classes will not be organized, and classes will be closed when the maximum for good work is reached.

A class in Hand Writing and one in Library will be given the sixth period for which you may register.  
In the training school Miss Evelyn Keller will have charge of the primary work, Miss Sacco the intermediate grades, and Miss Johnson the upper grades.  
Required courses not given in the 1930 summer session will be given in 1931.  
Lunch will be served in the dining room at 12:35.

### Prerequisites for the Election of Fields in the Junior High School Curriculum.

1. To elect Science, a student must present a unit in high school Chemistry and a unit in high school Physics.
2. To elect Social Studies, a student must present two units in high school Social Studies.
3. To elect Mathematics, a student must present one unit in high school Algebra, and one unit in high school Plane Geometry, or two units in Composite Mathematics, at least one of which must have been taken in the senior high school.
4. To elect French, a student must present two units in high school French.

5. To elect Latin, a student must present three units in high school Latin.

When a student has chosen his elective fields, his curriculum becomes a closed series of courses not subject to change without loss of credit.

A graduate in this curriculum is entitled to teach in any high school the subjects in which eighteen semester hours of credit have been attained as electives.

## ROOMS

Rooms are furnished with beds, chairs, tables, dressers, and wardrobes. The beds are supplied with sheets, pillow cases, blankets, and bedspreads. Students should bring their own towels, table napkins, and such personal effects as they may desire. Laundry should not be marked until rooms have been reserved.

A room may be reserved in advance by sending the registration deposit of \$10.00 with your first, second, and third choice of room. The deposit will not be returned unless application for return is received at least three weeks preceding the opening of the college. A room will not be reserved without a deposit. The reservation will be held until 3 o'clock on the regular Registration Day. At that time, the reservation will be withdrawn unless students notify the college by wire or phone of their intention to arrive at the college later.

## LIVING OUTSIDE DORMITORIES

Women will not be permitted to room or board outside of the dormitories except in the home of parents, grandparents, brother or sister, uncle or aunt, unless special permission has been granted by the President. Arrangements must be made with the President before the rooms are engaged. No student will be permitted to room in houses not approved by the Housing Committee. Any change of address must be approved by the Dean of Women prior to the change.

## EXPENSES

Registration Fee .....	\$15.00
Out of State Students.....	35.00
Students less than 17 years of age.....	35.00
Board, Room and Laundry.....	48.00
Diploma Fee .....	5.00

A detailed statement concerning Fees, Deposits, and Repayments may be found on pages 26-29 of the regular catalogue.

Students may save considerable time on registration day by paying the registration fee in advance and requesting a schedule to be made out for them. Schedules will not be made in advance unless the fee is paid. Classes will be closed when the maximum number for good work is reached. A schedule made out in advance will guarantee a place in the class.

A student should decide as early as possible what courses are desired for the summer session. For statement regarding evaluations, see page 3.

Send proposed schedule, registration fee, and request for room reservation to
