Foreword

As another college year terminates, the 1960 yearbook staff proudly presents the first Monocal under our new title—California State College.

Much time and effort has been involved in the presentation. In this annual we have endeavored to bring you an informal picture of our college year.

Vulcan, God of Fire, our school insigne, has been used as the theme throughout the book. The symbol of Vulcan is shown forging a representative for each section of the book.

We, the staff, truly hope you will enjoy this years presentation of the 1959-60 Monocal. As the years pass, this year's book should bring many moments of reminiscence.

Gama Pi Chi

One of the oldest sororities on campus, Gamma Pi Chi was organized to establish lasting friendships, to promote sociability, and to render service to the college and community. It functions on the ideal that "It is one of the most beau-tiful compensations of this life, that no man can sincerely try to help another without also helping himself.

The new members of this sorority are chosen by the direct nomination and election by old members. This year the forty-seven members of Gamma were engaged in many activities, such as Homecoming Float, "Hanging of the Greens" at Christmas, holiday radio shows, Annual Senior Banquet, and many others. The sponsor of Gamma Pi Chi is Miss Isabella King.

Sigma Tau

Sigma Tau, affiliates of Sigma Tau Gamma, is the second oldest social fraternity on the California campus. Organized in the fall of 1958, the group has been constantly striving to achieve the fraternal goals of brotherhood and friendship. Working together through various fraternity projects and undertakings, the Sig Tau's are hoping for an even fuller realization of fraternity life among a group of young men whose ideas and ideals are similar. Qualifications for membership are derived from one's personal scholarship and character record, along with his ambitions to join this fraternity.

Alpha Psi Omega is a member of the Beta Omicron Chapter, the national honorary dramatic fraternity. Its exacting qualifications necessarily limit the membership. It is through this organization that the college students who are talented and extremely interested in dramatics gain added advantages and wider interests in this field. The first step in becoming a member is to gain membership in College Players.

Sigma Alpha Eta, a national fraternity, is an honorary organization of students in the curriculum of speech correction. One speech correction course, plus sufficient interest, enables one to obtain an associate membership. Upon completion of a certain number of credits and obtaining a required scholastic achievement, one then advances to key membership. The sponsors are J. Herschel Bowlen and Herbert Gillis.

Sigma Tau Delta was organized on February 9, 1959, and its members are selected on scholarship and merit by three-fourths vote of active members.

The purpose of the club is to promote the mastery of written expression, encourage worthwhile reading, and to foster a spirit of fellowship among men and women specializing in English.

Some events of the year include Dinner and Installation Service, Tea for the English Club, and discussion panels and speakers.

The Sigma Tau Delta is the National English Fraternity for both graduate and undergraduate students who meet the scholastic requirements.

ATHLETICS

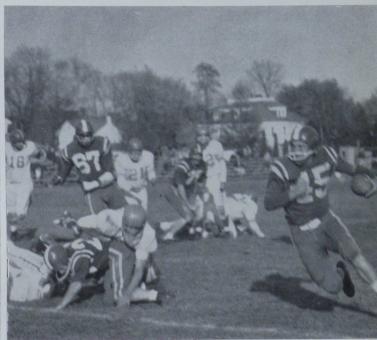

Football

The Vulcans of California State College ended the 1959-1960 football season with a six win, two loss record and placed second in the State Teachers conference, being edged out by West Chester by 13 points.

The Vulcans were hosts to St. Vincents College at Charleroi Saturday night, Sept. 19, to open the season. The Vulcans made good use of fine offensive and defensive play to come out on top by a score of 26-0. The Vulcans next outing was at Indiana and again the Nemethmen came out victors, 18-6. The following two outings were disastrous for California. Lock Haven held on to a 6 point lead they achieved in the first half and became victors, 6-0. Our Homecoming Day with Shippensburg was also bad for Vulcan fans, as they saw California's 13-0 half-time lead dwindle and Shippensburg went on

to win 20-13.

The Slippery Rock game saw the Vulcans snap their two game losing streak by dumping the Rockets on their Homecoming Day, 12-6. Traveling to Clarion proved very prosperous for California as they snapped Clarion's winning streak at five straight and saw the Vulcans climbing to the third spot in the conference. A wet, rainy day greeted the Vulcans as they arrived at Clarion. It was bright and sunny for the California representatives at the end of the game though, as they were victorious, 20-6. Behind 6-0 with two minutes left in the first half, field general Tony Soukovich threw a 65-yard touchdown pass to halfback Phil "Moose" Clifford for six points and a 6-6 halftime score. The second half was all California as they scored two more T. D.'s to make it 20-6.

Fourth Row: Tom Zagar, Pete Petroff, Mike Hardoby, Dick Fields, William Hepner, T. J. Nemeth, Don Skupinsky.

Squad

Dad's Day saw the Dads cheering the Vulcans on to an 18-6 decision over West Liberty. As a finale for the 1959 season, California walloped Edinboro 41-0.

The Vulcans lost four boys through graduation this season. John D'Arrigo, fullback, and Frank Marella, defensive linebacker, were the two graduating co-captains this year. John broke the school scoring record this year by scoring 56 points. Frank Marella sparked the defensive team to holding California's opposition down to a game average of 6.25 points. Fleming Mosely and Mike Hardoby, both defensive guards, were also lost through graduation. These two boys helped the Vulcans compile a game scoring average of 18.50 points.

Wrestling Team

The wrestling team of California State College ended their 1959-1960 season with a 5 win, 7 loss record. The Rossmen started their second season of varsity wrestling by winning their first two matches, then picking up their remaining three victories in the next ten matches. However, Coach Paul Ross can expect many boys to be with him next year for wrestling. George Bordo, Syl Lacey, and Harry Ellsworth are three of the veterans expected to return next year. Coach Ross lost only 4 boys through graduation. They are Lou Timok, 123, Don Matz, 157, and Pete Petroff and Mike Danko, both in the heavyweight division. California was not represented in the State Tournament at Lock Haven this year due to the inclement weather.

Baseball

Under the coaching of Andy Sepsi, the 1959 Firegods finished their season with 5 wins and 4 losses. Their wins were over Slippery Rock, West Liberty, Washington and Jefferson, and Waynesburg, while their losses were to Waynesburg, Bethany, and Indiana S. T. C. The highlight of the season was the game with Waynesburg, which lasted three innings. The Firegods, playing in almost total darkness, squeezed out a 13-12 victory. The nucleus of the team was built around the veterans from last season's squad. Hitting power lay with Andy Machusko, Donald Franks, and Joe Sarra, who had seasonal averages of 485, 333, 333 respectively. Pitching powers were Furiga and Krew, who had 2-0 and 2-1 records respectively. Due to graduation the Firegods will lose senior lettermen Joe Sarra, Joseph Franks, Norm Gregor, and Tony Stavaski. However, with the return of undergraduate lettermen Bakewell, Machusko, Soukovich and other prospects another winning season can be considered excellent.

I'm ready!

A home run, I hope! Safe at home!

Coach Sepsi checks line-up.

Under the direction of coach Paul Ross, the Vulcans came through last season with a four win and five loss record. The four wins registered by the team were conference matches. The Vulcans' two S. T. C. conference losses were handed them by Slippery Rock. All of the scheduled matches for this season were played. Denny Kuremsky, Roger Hotz, Jack McKay, and Bob Walker were the big guns for the Vulcans this season. By graduation the team lost two of its most valuable players in Roger Hotz and Denny Kuremsky. With most of the court men returning next year, prospects are good for a winning season.

Golf Scores 1959

Golf attracted 12 players to Mr. Hester's squad in 1959. The group completed a fair season with four victories against nine defeats.

Patsy Dinardo, Alan Kinder, Tom Odorcich, Ed Drotos, and Ron Sarkett, were the top five point men on the squad.

In the State Teachers College tournament, which was held at Slippery Rock S.T.C. Armoco course, the Vulcans placed last with a total team score of 350. Other teams competing were Indiana, West Chester, Slippery Rock, Mansfield, Clarion S.T.C. With most of the squad returning and a rough card scheduled, the prospects for a winning season are good.

The President's Message

The 1960's promise to be an adventurous, exciting, and challenging decade for the California State College. In this initial year, the faculty, administration and the board of trustees, are jointly analyzing the educational effectiveness of our College by a thorough self-evaluation. This will provide a clearer concept of the College, a realistic appraisal of the performance of its constituent parts, and a new surge of common effort to develop and improve the quality and greatness of the entire College.

It is our profound hope that the College will achieve that greatness which is her destiny. This is the time when the rapid growth of population will bring greater numbers to our doors. It is a time when the faculty will enjoy a greater prestige in our society. The administration and faculty are aware that these developments will make possible an unprecedented opportunity for service. It becomes our task and responsibility to have a greater vision of leadership. We must also excel in the implementation of these visions. We need cooperation, loyalty, and spirit of dedication of the graduates of the Class of 1960 as friends and alumni to fulfill these responsibilities. We are confident that our College will achieve this greatness.

Congratulations!

MICHAEL DUDA President
