CHRISTMAS CLASSIC

Michael Jones as the heroic Nutcracker himself, Amy Agamedi as a Rosebud and Sam Fierra as the mysterious Drosselmeyer are three CU students featured in this year's performance of Peter Illich Tchaikovsky's ballet "The Nutcracker," which this year celebrates its 100th anniversary. Performances of this Christmas classic will take place on Friday, December 11, at 8 p.m. and Saturday, December 12, at 2 and 8 p.m. in Steele Auditorium. Tickets for the performance are \$5.00, but CU students will be admitted free with ID. Reservations—and you'd better make them quickly—can be made by calling the box office at 938-4221. "The Nutcracker" is sponsored by California University, the Student Association, Inc., the Entertaining Arts Committee, University Players, Children's Theatre and the Mon Valley Dance Council. Photograph by Edward Dunlevy.

AIDS Update Part II: Lauren Burk Speaks

by J.E. Novak from the shot.

Luaren Burk, one of the longest surviving HIV infected women, illustrated how the attitudes of the medical community toward AIDS have changed since she tested positive for the HIV virus in 1984.

Burk married at 19, and at age 20 gave birth to her daughter. Later, she divorced but married her second husband Patrick, a hemophiliac, in 1983.

The couple decided to have a baby; however, Burk, a registered nurse, was concerned about the link between hemophiliacs and the AIDS virus.

"I really wasn't scared because it was still in the newspapers that it was a gay disease," she said. "Straight people did not get it. There wasn't even too much mention about the blood supply.'

The Burks went to Pittsburgh Hemophilia Center to find out if AIDS could be passed on to an unborn child. The Center told Burk that if she had a boy, he would no inherit hemophilia; however, if Burk gave birth to a girl, that child would be a carrier of the disease.

Patrick tested HIV negative, and the Center told the Burks not to worry about AIDS.

During her pregnancy, Burk noticed that her lymph nodes were enlarged. In April 1984, Burk's son Dwight, a diabetic, was born with breathing problems. Again, the doctors informed Burk that she should not worry.

When she was released from the hospital, she was running a fever of 105 degrees. The doctor did not know what the medical problem was and told her to drink fluids.

"An afterthought is I should have asked more questions or I should have kept on demanding on things being done," she said.

Dwight developed an upper respiratory infection and continuously cried. When Burk took Dwight to the doctor for his first baby shots, she asked the doctor is her son could have AIDS.

"The doctor looked me straight in the eye and said, 'Have you ever had anal intercourse?' And I said, 'No.' He said, 'Well, that's the only way AIDS is transmitted, so you can't have AIDS, your baby can't have AIDS," Burk said.

The next day, Burk's family left for a vacation to Virginia Beach. Dwight had a fever, but the doctor assured her the fever developed

While at Busch Gardens amusement park, a woman who was a paramedic advised Burk to rush her son the hospital because he was in respiratory distress. The Burks took Dwight to Williamsburg Hospital, but the baby was immediately transported to Richmond Hospital. For four weeks, the baby remained in intensive care and was kept alive by a respirator. He became addicted to morphine and endured liver and lung biopsies. Again, Burk asked the doctors about possibility of her son having AIDS, but they assured her AIDS was not the problem.

"I had to watch my little baby go through all of this," Burk said. Dwight was three months old at that time.

Dwight was then transported to Children's Hospital in Pittsburgh and was diagnosed with AIDS the following day.

"At first, it was like something was lifted off me because I thought this was the problem the whole time," Burk said. "An then I was so mad because they didn't want to listen to me . . . that he could have

Within 24 hours, the Burks discovered they were both HIV positive. Dwight was released from the hospital because the doctors could do nothing else for his condi-

Three months later, Patrick developed pneumocistic pneumonia and remained in the hospital for four months. While Patrick was in the hospital, Burk's daughter tested negative of the virus, and Dwight's condition improved.

However, in April 1985, Dwight began to regress. Because the child could not sleep, the Burks developed 12-hour shifts to care for him. By December, Dwight was blind, deaf and mentally retarded as a result of the virus; seven machines kept him alive. He died on December 13.

Two months later, Burk received her son's autopsy report: Dwight's entire body, except for the stem of his brain, was infected with the AIDS virus.

After Dwight's death, Patrick attempted suicide.

When I found him, I immediately called the ambulance, and then I called my family doctor in Pittsburgh to tell her what he'd done, or Continued on page 5

ROSWELL Park Cancer Institute at the State University of New York at Buffalo provides a predoctoral and postdoctoral program in basic and biomedical science. Reply cards available at PCS.

UNIVERSITY of Missouri-Columbia Graduate School offers the 1993-94 Chan-cellor's Gus T. Ridgel Graduate Fellow-ship Progeam for minority Americans. Four fellowships are being offered: the G. Ellsworth Huggins Doctoral Scholarship; the D.R. Francis Fellowship; and the Wil-liam Gregory Fellowship. Information at PCS.

THE FOOD and Drug Law Institute announces its 1992-93 H. Thomas Austern Writing Awards and Scholarship Awards competition. The awards were established to encourage students to take an interest in laws that affect foods, drugs, cosmetics, medical devices and biotechnology. More information at PCS.

PART-TIME employment is available through the Computer & Network Systems, Inc. Qualifications: computer science, computer or electrical engineeering, or data processing major or minor. IBM knowlege or experience. Sales and service oriented. Salary \$15-\$20 per hour depending upon experience and skills, plus commission. For more information call 313-254-6806, attn Christine Smith.

INTERNSHIPS are available with the Pennsylvania Historical and Museum Commission, and include the areas of history, museums, historic architecture and material culture. Applications will be accepted until January 15, 1993. Applications and additional information at PCS.

YMCA offers internships at its McKeesport branch. The main facility conducts programs such as fitness testing with Nautilus and cardiovascular equipment. An outdoor program is also conducted. For more information, write Gray Lasinski, 523 Sinclair St., McKeesport, PA 15132-3082 or phone (412) 664-9168.

KICKING A DEAD HORSE

Sam Shurgott (who I bet never thought he'd see his name here) stood up in front of Student Government and asked if people liked what Student Entertainment Committee was dishing out in the way of activities and movies. Most said no. He passed out surveys.

Sure, people show up for comedians and go to the movies. But other activities, such as dances, have an attendance that can be recorded on one hand. Let's face it, the student's want high-priced entertainment. However, the budget doesn't allow S.E.C. to book high-priced entertainment that would be free to the students.

So, you're stuck on campus all weekend long without a vehicle and must rely on the union to keep you occupied. Instead of complaining about the activities, you could sit in at the entertainment meetings and have a voice. But you choose not to.

You'll see the candidates for Student Senate and executive positions. They all say, "I want to give the students of CU fair representation."

Who cares? Most of you (not meaning the candidates) certainly don't. On the average, only 300 people vote in student government elections.

So, instead of belittling you and calling the majority of you selfish, I'm just going to be like you and say, "Whatever."

I'm tired of trying to excite this campus. I'm real good at exciting other people, but not this campus. Every editor before me, and quite possibly every editor after, has taken this prime space to comment on the apathy epidemic on this campus. Each maybe hoping one person would read the piece and change his ways. Well, it just won't happen.

You, students, are so set in your ways. You come as freshman. Some students get involved with campus organizations or fraternities and sororities, which may get them involved with other campus activities. Generally, these freshmen will remain active members of the college community throughout their years in college.

And they'll complain about their peers who decided to go to classes and copies distributed to the members just hang out. These students will not vote for anything other than Home- of the Brownsville Rotary Club at coming all of their academic careers.

So, my dear senators and executive board members, I must inform you The members, who represent the October 30 editorial in the student California High School, it was necthat although you have grand visions of "best representing the students of business and professional commu-newspaper which has been attib-CU," the fact is, you aren't.

The perfect example of a senator representing the students would be the Area, are indignant with your re- you of my opinion that your edito- West Brownsville, over the "old following fictional situation:

President: How do you, Senator Y, feel about this situation? Senator Y: I don't care.

President minutes later: And how do you, Senator Y, feel about this joining efforts throughout the ever assured that your writings will "gooseneck" created just beyond other situation?

Senator Y: I don't care.

I don't care either. Sure, those who are involved, like Sam and some watch a barrier be created between You display little apparent Student Government members. Some Greeks, and commuters will bitch at communities and local citizens by knowledge of the history of Brownsville I was very proud of me about putting down the students. Come to grips, guys. You are few; irresponsible remarks such as Brownsville, the area, its people or the bridge located only a few feet they are many.

Accept the apathy

SPORTS

UPDATE

Tis the season to play hoops and both Cal teams are off to ecouraging starts. The Lady Vulcas improved to a smooth 4-1 with a 77-64 home win over Seton Hill last Wednesday as Annie Malkowiak netted a game-high 24 points while Corrine Vanderwal added 21 points and 15 boards. Cal's PSAC champion men's team (2-2) suffered a frustrating 89-86 setback at Mercyhurst last Tuesday despite a 28-point effort by Ray Gutierrez and 20 points and nine rebounds by Chad Scott. The Vulcans host the O-R

Lady Vulcans' Season Begins with 3-1 Record

After its first four games, the women's basketball team's record stands at 3-1, with wins against Dowling College, Fairmont State and Millersville

Opening night of the Lady Vulcan Tipoff Classic, held Nov. 20-21, had Mercyhurst defeating Dowling, 86-36, and the Lady Vulcans over West Liberty, 81-60.

Veteran post players Traci Cox and Corinne Vanderwal played substantial roles in the season opener. Cox, a junior from St. Mary's, WV, had a game high 22 points, and 14 rebounds. Vanderwal, a senior who hails from Vernon, British Columbia, contributed 14 points, and hauled in 13 boards.

Junior point-guard Lori Richelderfer, from Lancaster, dished out nine assists, while adding nine points. Senior guard Annie Malkowiak, an Ellwood City product, was a perfect three for three from three-point range and finished with 13 points and seven rebounds. Junior guard Lara Thornton, from Milton, WV, hauled in eight boards, and added 11 points.

The championship matchup featured squads that met in the finals of Mercyhurst's tourney a year ago that ended in a 95-79 Mercyhurst victory. In the rematch, the Lady Lakers again prevailed, 73-63.

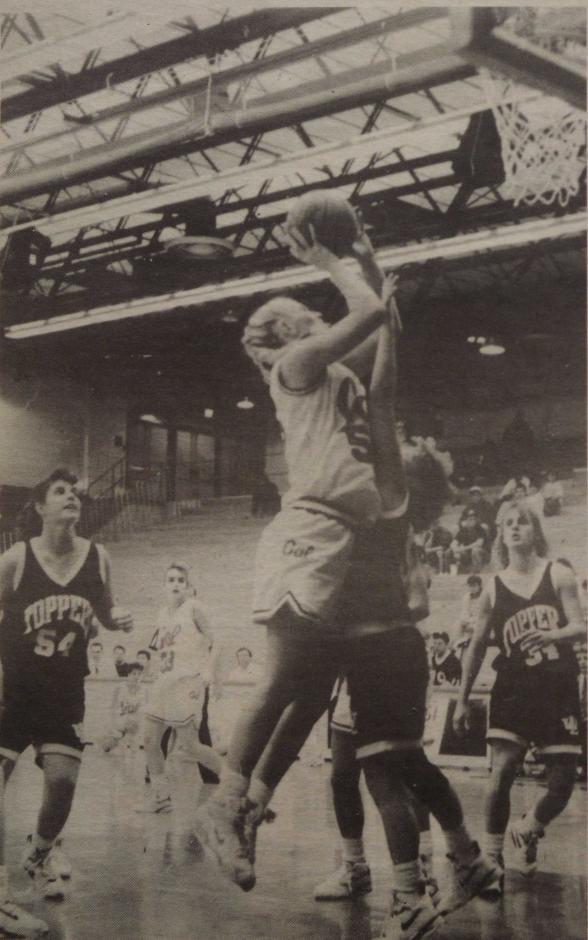

"We got into foul trouble early and missed about ten easy shots which prevented us from establishing a lead," said eighth-year head coach Paul Flores. "This is just one loss and I'm looking for us to bounce back strong.'

For Lady Cal, Thornton made five three-point shots, had four steals, and finished with 17 points. Malkowiak scored 17 points, Richelderfer assisted on seven buckets, and Vanderwal had 15 re-

In the consolation, West Liberty edged Dowling, 73-72. Cox and Richelderfer were named to the alltournament team, as was Julie McChesney and Teresa Szumigala from Mercyhurst, Melissa Hammond from West Liberty, and Marlane Ward from Dowling.

Cal rebounded in their next game, defeating Fairmont State WV, 75-53, in a Thanksgiving eve dual at Hamer Hall.

Thornton scored a game-high 21 points, including three for four from three-point range. Vanderwal hauled in 14 rebounds and went seven for eight from the foul line, ending with 19 points. Malkowiak dished out nine assists, scored 12

Above: Senior center Corinne Vanderwal jumps above a West Liberty defender to score two of her 14 points against the Toppers. Vanderwal, last year's NCAA fieldgoal percentage champion, also pulled down 13 rebounds in the 81-60 first round victory of the Lady Vulcan Tipoff Classic, held November 20-21 in the Hamer Hall gymnasium. Photograph by Kevin Wightman.

points, and had seven boards. Cox netted 16 points, and Richelderfer had eight assists.

In the inter-divisional game against Millersville Nov. 29, host Cal defeated the Lady Marauders

Cal trailed by one at halftime, and Millersville scored seven unanswered points to open the second half to lead 47-39. The Lady Vulcans then went on a 25-7 run, to take a 10 point lead with eight minutes remaining. Millersville never got closer than eight points the rest

"Lara hit some big shots for us in the second half, and the overall play of Lori held us together. (Lori) had some important assists and also did a good job drawing fouls." Flores said.

"This was a nice win against a team that is ranked pretty high in the east.

Richelderfer, who played all forty minutes in Cal's third victory, had six assists, eight rebounds and 12 points. Thornton hit three three-point buckets, went seven for nine from the foul line, and netted a game-high 22 points. Vanderwal had 18 points and 14 rebounds. while Malkowiak scored 14.

Thornton leads the team in scoring, averaging 17.8 points per game. Other leading scorers include Malkowiak and Vanderwal (14.0), Cox (13.5), and Richelderf-

Vanderwal is Cal's top rebounder with 56. Richelderfer averages 7.8 assists per game, and Thornton has a team-high 12 steals.

Adding valuable depth to Cal's inside game are freshmen Doreen Chapman (3.5 ppg), from Akron, OH, and Erin Tortorice, from nearby Elizabeth and Elizabeth Forward High School

Freshmen guards Ashly Pobolish (Moundsville, WV) and Sherri Frisco (Glendale), join sophomore Deanna Slimak (Cleveland) in contributing to Cal's perimeter attack.

The Lady Vulcans will trek up to Mansfield University today and play Holy Family of Philadelphia in the opening game of the Mans-

Rounding out the December schedule, Cal will travel to West Virginia Wesleyan on Monday Dec. 7, host East Stroudsburg on the Dec. 13 in a Sunday afternoon ipoff, and travel to Salem-Teikyo (WV) Wednesday Dec. 16.

The Lady Vulcans hosted Seton Hill on Wednesday. Please see "Update" for the result.

Amazingly, California's women's with collegiate varsity experience ond-team, all-conference honors volleyball team had never even at the first six weight classes, but such is not the case at 167 pounds, where Ersland will look to freshman Jim Bigam.

"Jim comes to us from a really strong program (Connellsville) and has a good wrestling background," said Ersland. "I definitely think he is going to be a solid wrestler and will do a good job for us.

Robin Ersland's Vulcans opened "We just have to wait and see "Regardless of who starts, both Pallo, a two-year starter from their dual season at UPJ with a 19- how Jim will react to his first year guys will see a lot of wrestling, as Vulcans being named to the 1992 North Huntingdon, Pa, and Norwin 19 tie and had three Cal wrestlers at the collegiate level. This should be very challenging for Bigam."

> 177—Cal has both experience turns after producing seven victo-

Also competing for this starting job will be freshmen Matt Canady and Ryan Stouffer.

"Tom Harrington has improved dramatically over the years through hard work and does have the experience factor," said Ersland.

"Both Canady and Stouffer have pressive in practice. They are all team pretty even, which should make for some very interesting wrestle-

freshman—Jerry McCoy, the younger brother of former Cal heavyweight Jim McCoy, Derrick the graduated Bob Bove. Canady could also go at 190.

"This weight class is also very interesting," Ersland said. "All three of these guys are talented, and again we'll have to wait and see how they react to this level."

HWT—Senior Joe DiPonio, a three-year starter and tri-captain, returns and will be challenged by imposing freshman Michael "Mo"

year and finished fifth at the East

will everyone on the squad because it is a long season," said Ersland. "Joe has done a really good job for and talented youth at this weight us, and Mo is our first big-sized heavyweight since Jim McCoy.

"You could say that Mo is our ries last year and a third place re- future and Joe is our present, but the future could come very quick-

Assisting Ersland in 1992-93 are Jeff Lyons, a two-time Division I All-American from Indiana University, and Erik Burnett, a D-I All-American from Clarion

Overall, Ersland is pleased with his program as the Vulcans begin a lot of potential and have been im- their second year as a Division I

"I believe we are progressing said Ersland. "We have eight weights with varsity experience 190—Ersland will look to three and have brought a lot of quality people in.

"We still do not have the depth that we need to win consistently in Robinson and Matt Hill, to replace dual competition, but that takes money, and that is something we're working on.

"A lot will depend on how good our freshman are, but we do have tial to be All-Americans and really do some damage at the national level.

Cal's first home action will be a dual meet with Slippery Rock on Dec. 8, and the annual Red "C" Open on Dec. 12. The Vulcans will also host the PSAC Championships on Jan. 30 and the NCAA I East Regional on Mar. 6-7.

Vulcan Football Gives 1992 Awards

The California University foot- and two caused fumbles. ball team concluded its 1992 season with its annual team banquet.

At the banquet, team awards were given to the players whose efforts this year deserved recogni-Wideout Vic Shandor was

named the team's most valuable offensive player and overall MVP, while noseguard Brian Sutherland received both the special teams most valuable player and defensive lineman MVP awards.

Right tackle Tom Flynn received the most valuable offensive lineman award and the defensive back MVP was Vince DeVivo.

Linebacker John McGowan was Cal's overall defensive MVP and tailback Scott Hoover received the most valuable offensive back

Sutherland, a 6-0, 230-pound three-year starter from Charleroi, PA, and Charleroi High School, led all Vulcan linemen in total tackles this past fall with 43 (31 solo), a team-high three sacks, an interceptions, three break-ups, a interception, a fumble recovery fumble recovery and two caused all be missed dearly next season.

Shandor, a Harlon Hill trophy (Division II's equivalent to the Heisman) regional finalist and 1992 tri-captain, caught 52 passes in 1992 for a team-best 884 yards and eight touchdowns.

Shandor finished his fine career son All-American, McGowan led with 22 career touchdowns and the Vulcans in tackles for the secalso caught a two-point conversion pass this past fall.
