“If we do not prepare children to become good citizens — if we do not develop their capacities, if we do not enrich their minds with knowledge, imbue their hearts with love of truth and duty and a reverence for all things sacred and holy, then our republic must go down to destruction, as others have gone before it.”

CANDIDATES

The Degree of Bachelor of Science in Education is conferred on all persons who complete any of the prescribed curriculums. Appearance of a name on this program is presumptive evidence of graduation, but it must not be regarded as conclusive. The diploma, issued through the College by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is the only official testimony to the possession of a degree.

ALMA MATER

California, alma mater

Now we sing to thee

California, dear forever

In **our memory.**

With our voices loudly ringing,

Of thy fame we're ever singing.

California, **alma mater;**

Hail! All hail to thee.

For the friends and joys you gave us,

We give thanks to thee

All thy knowledge we'll make worthy

For Posterity.

May thy reign be ever prosperous

And thy name forever glorious.

California, **alma mater;**

Hail! All hail to thee.

THE CALIFORNIA PLEDGE

I DO SOLEMNLY PLEDGE: That I will never consciously or wilfully bring discredit to this College: that I will faithfully perform any task entrusted to me; that I will respect the privileges of others; that I will do my utmost to raise the academic, social, and civic standards of this College; that I will obey its laws and customs, respect its ideals, and honor its traditions; that I will continually endeavor to prepare myself for the noblest of all professions—that of teaching; and in all these ways I will strive to transmit to my successors a greater, better, and more beautiful California than was inherited by me.
