ALMA MATER

California, alma mater
Now we sing to thee
California, dear forever
In our memory.

With our voices loudly ringing,
Of thy fame we're ever singing.
California, alma mater;
Hail! All hail to thee.

For the friends and joys you gave us,
We give thanks to thee
All thy knowledge we'll make worthy
For Posterity.

May thy reign be ever prosperous
And thy name forever glorious.

Frank R. Mascara '72

Doctor of Public Service, *honoris causa*

The Honorable Frank R. Mascara has spent most of his life in the Mon Valley. Since his election to the United States House of Representatives in 1994, he spends much of his time in Washington, DC. But he has never forgotten his roots.

Born in Belle Vernon and a graduate of Vernon High School, Frank Mascara earned a bachelor of science degree in education from California University of Pennsylvania in 1972, graduating *summa cum laude* and receiving the prestigious

George S. Hart Scholar Award for Academic Excellence.

Mascara was a member of the Council of Trustees of California University for 16 years. As a trustee of the University, his concern for California University students and his commitment to providing the best educational environment were clearly evident.

His commitment to the region, California University and its students has recently resulted in California University's inclusion in the federal Transportation Equity Act for the 21st Century (TEA-21). This bill secured one million dollars for the study of various modes of campus transportation that would provide a safer environment for students. TEA-21 also included monies for the Mon Fayette Expressway, which will more directly link California to Pittsburgh.

Mascara was a businessman, accountant, and educator before entering the political arena in 1973, when he was first elected Washington County Controller. He served in that

capacity until 1980, when he was elected chairman of the Board of County Commissioners of Washington.

He served as Commission chairman from 1980 through 1994. During his years in county government, Mascara served as president of the Pennsylvania Association of County Controllers, president of the Pennsylvania State Association of County Commissioners, and chairman of the Southwestern Pennsylvania Regional Planning Commission.

As a member of the United States Congress, he represents the 20th District, which includes all of Washington and Greene counties and portions of Fayette, Westmoreland and Allegheny counties.

Mascara serves on the House Committee on Transportation and Infrastructure and its subcommittees on ground transportation, water resources and the environment. He is a member of the House Committee on Banking and Finance, including its subcommittee on financial institutions and consumer credit and the subcommittee on capital markets,

securities and government sponsored enterprises.

A United States Army veteran himself, Mascara also serves on the House Committee on Veterans' Affairs Oversight subcommittee.

Mascara and his wife Dolores, a California University class of 1979 alumna, have been married since 1954, and they reside in Charleroi. They are the parents of four children and grandparents of nine.

Appearance of a name in this program is presumptive evidence of graduation, but it must not be regarded as conclusive. The diploma, issued through the University by the Commonwealth of Pennsylvania, sealed and signed by the proper authorities, is conclusive testimony to the possession of a degree.

THE ACADEMIC COSTUME CODE

GOWNS

The gown for the bachelor's degree has pointed sleeves, with no trimming and is worn closed. The gown for the master's degree has oblong sleeves, open at the wrist, with the rear part of its oblong sleeve square cut and is worn open or closed. The gown for the doctorate degree has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

For all academic purpose, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Only a single degree from a single institution should ever be indicated by a single garment.

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson

HOODS

The length of the hood worn for the bachelor's degree is three feet, for the master's degree three and one half feet, and for the doctoral degree four feet. The doctoral degree has side panels. The linings of the hoods represent the official color of the college or university conferring the degree. The binding or edging of the hood is two inches, three inches, and five inches for the bachelor's, master's, and doctoral degrees respectively. The color is distinctive of the degree held by the wearer.

CAPS

The cap or mortarboard has a tassel fastened to the middle of the cap and wearing over the left side indicates the completion of a degree. The doctoral cap is indicated by a tassel of gold thread.
