157TH COMMENCEMENT

DECEMBER 13, 2003
HAMER HALL

Education must, then, be not only a transmission of culture but also a provider of alternative views of the world and a strengthener of the will to explore them.

ALMA MATER

California, alma mater
Now we sing to thee
California, dear forever
In our memory.

With our voices loudly ringing,
Of thy fame we're ever singing.
California, alma mater;
Hail! All hail to thee.

For the friends and joys you gave us,
We give thanks to thee.
All thy knowledge we'll make worthy
For Posterity.
May thy reign be ever prosperous
And thy name forever glorious.
California, alma mater;
Hail! All hail to thee.

Philip Rossi '37

THE ACADEMIC COSTUME CODE

GOWNS

The gown for the bachelor's degree has pointed sleeves, with no trimming and is worn closed. The gown for the master's degree has oblong sleeves, open at the wrist, with the rear part of its oblong sleeve square cut and is worn open or closed. The gown for the doctorate degree has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

For all academic purpose, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Only a single degree from a single institution should ever be indicated by a single garment.

The binding or edging of the hood is two inches, three inches, and five inches for the bachelor's, master's, and doctoral degrees respectively. The color is distinctive of the degree held by the wearer.

CAPS

The cap or mortarboard has a tassel fastened to the middle of the cap and wearing over the left side indicates the completion of a degree. The doctoral cap is indicated by a tassel of gold thread.
