Commencement Honors are awarded to students in the graduating class who have earned at least 60 credits at California University of Pennsylvania, a baccalaureate degree program and achieved the required QPA of 3.25 or higher. Credits, grades, and quality points earned at other institutions, or a previously completed associate or first degree, unless earned at the University, are not used to calculate commencement honors designations. Final eligibility for, or the level of, graduation honors will be determined following the posting of grades for the final semester at California University of Pennsylvania and will be reflected on the official California University of Pennsylvania transcript.

The gown for the bachelor's degree has pointed sleeves, with no trimming and is worn closed. The gown for the master's degree has oblong sleeves, open at the wrist, with the rear part of its oblong sleeve square cut and is worn open or closed. The gown for the doctorate degree has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

For all academic purpose, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Only a single degree from a single institution should ever be indicated by a single garment.

The linings of the hood represent the official color of the college or university conferring the degree. The binding or edging of the hood is two inches, three inches, and five inches for the bachelor's, master's, and doctoral degrees respectively. The color is distinctive of the degree held by the wearer.

CAPS

The cap or mortarboard has a tassel fastened to the middle of the cap and wearing over the left side indicates the completion of a degree. The doctoral cap is indicated by a tassel of gold thread.

THE UNIVERSITY MACE

Vulcan, the Greek god of fire and metalworking, lifts a hammer high over his head, preparing to strike an anvil which is draped with a triangle inscribed with the words education, research and service. He holds the triangle in place with tongs; his face fierce with determination, he kneels at the forge. Captured forever in the act of creation, this Vulcan is memorialized on the University Mace created by artist Thomas Shimrock of Grantsville, Maryland. His interpretation of the California mascot, cast from six pounds of silver, sits proudly on the top of a 52-inch-high wooden mace that made its debut at the 147th commencement.

Mr. Shimrock was commissioned to design and create the mace, a display cabinet and a carrying case by the Foundation for California University. The display cabinet is a work of art in itself. Crafted from bubinga wood, it holds the mace upright within its circular confines. Three graceful bubinga supports, stretching upward from delicately carved ebony ovals, each topped with a different hand-cast silver finial, cradle the circular cabinet body, made up of two curved glass windows and a curved ebonized anegre wood door set in a bubinga wood frame. The carrying case is made from quarter-cut sycamore lined with velvet.

The University Mace, carried by a senior faculty member in all formal academic processions, is on permanent display in the lobby of the Louis L. Manderino Library.

ALMA MATER

California, alma mater

Now we sing to thee

California, dear forever

In our memory.

With our voices loudly ringing,

Of thy fame we're ever singing.

California, alma mater;

Hail! All hail to thee.

For the friends and joys you gave us,

We give thanks to thee

All thy knowledge we'll make worthy

For Posterity.

May thy reign be ever prosperous

And thy name forever glorious.

California, alma mater;

Hail! All hail to thee.
