THE ACADEMIC COSTUME CODE

GOWNS

The gown for the bachelor's degree has pointed sleeves, with no trimming and is worn closed. The gown for the master's degree has oblong sleeves, open at the wrist, with the rear part of its oblong sleeve square cut and is worn open or closed. The gown for the doctorate degree has bell-shaped sleeves and is faced down the front with velvet and three bars across the sleeves. The facing and crossbars of velvet may be of the color distinctive of the field to which the degree pertains.

For all academic purpose, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Only a single degree from a single institution should ever be indicated by a single garment.

Agriculture	Maize
Allied Health	Green and Gold
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green

Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including Foreign Service	Peacock Blue

HOODS

The length of the hood worn for the bachelor's degree is three feet, for the master's degree three and one half feet, and for the doctoral degree four feet. The doctoral degree has side panels. The linings of the hood represent the official color of the college or university conferring the degree. The binding or edging of the hood is two inches, three inches, and five inches for the bachelor's, master's, and doctoral degrees respectively. The color is distinctive of the degree held by the wearer.

CAPS

The cap or mortarboard has a tassel fastened to the middle of the cap and wearing over the left side indicates the completion of a degree. The doctoral cap is indicated by a tassel of gold thread.

THE UNIVERSITY MACE

Vulcan, the Greek god of fire and metalworking, lifts a hammer high over his head, preparing to strike an anvil which is draped with a triangle inscribed with the words education, research and service. He holds the triangle in place with tongs; his face fierce with determination, he kneels at the forge. Captured forever in the act of creation, this Vulcan is memorialized on the University Mace created by artist Thomas Shimrock of Grantsville, Maryland. His interpretation of the California mascot, cast from six pounds of silver, sits proudly on the top of a 52-inch-high wooden mace that made its debut at the 147th commencement.

Mr. Shimrock was commissioned to design and create the mace, a display cabinet and a carrying case by the Foundation for California University. The display cabinet is a work of art in itself. Crafted from bubinga wood, it holds the mace upright within its circular confines. Three graceful bubinga supports, stretching upward from delicately carved ebony ovals, each topped with a different hand-cast silver finial, cradle the circular cabinet body, made up of two curved glass windows and a curved ebonized anegre wood door set in a bubinga wood frame. The carrying case is made from quarter-cut sycamore lined with velvet.

The University Mace, carried by a senior faculty member in all formal academic processions, is on permanent display in the lobby of the Louis L. Manderino Library.
