## BSC Unofficially Expresses Political Views in Recent Poll

### College Prepares to Open Annual Education Conference at 9 Tomorrow

The fourteenth annual conference for teachers and administrators, to be held at BSC next Saturday, will feature lectures and demonstration lessons by BSC faculty members and cooperating teachers in various areas of Business, Elementary, Secondary, and Special Education. The conference will be officially underway when teachers and administrators attending, register at 9:00 a.m., with lectures and demonstrations beginning at 9:30 a.m. After each of the demonstration lessons, a group discussion of the lesson will be held under the direction of a BSC faculty member, or a cooperating teacher. At 11:15 a.m. the general session will begin in Carver Hall Auditorium. The program there will include several selections by the College Choralers, greetings by President Andruss, and the main address by Dr. Ethel Alpenfels. The subject of her address will be "American Values and Education." Luncheon will be served at 1:00 p.m. in the College Commons. The after luncheon program will feature music by the Brahms Trio of Williamsport.

### Frosh Present "Night in Dorm" November 1 & 3

Nearly forty freshmen will appear on stage November 1 and 3 at 2 p.m. in "One Night in a Dorm," this year's Freshman Talent Show.

When asked to comment on the progress of the show, freshman class advisors, Madelyn Scheno and Tom Little commented, "We have a great group of enthusiastic kids working hard to produce a variety of acts. If they perform as well during the show as they have been doing at rehearsal, they'll be sure to top the performances of previous years."

Features of the show include music and dances from "South Pacific," a visit from Nikita Kruschev, a male fashion show, and a guitar and drum duo.

Mr. C. Stuart Edwards and Mr. William Cope are acting as faculty advisors for the production.

### Chemical Society On Campus Jan. 11

BSC science club will host the January 11 meeting of the Susquehanna Valley Section of the American Chemical Society, a group of chemists, engineers, research scientists, and teachers from nearby firms and institutions.

Dr. Robert D. Eddy, an organic chemist and a faculty member of Tufts University, will be the featured speaker.

Nearly 100 are expected to attend the affair which will be held in room 8 and the social rooms of Science Hall.

### Modern Drama Plans N.Y. Trip

The modern drama class of Miss Susan Rusinko is planning a trip to New York City. The 35 to 40 students, under the direction of Miss Rusinko, will leave the campus Saturday morning, November 11, and return Sunday night, November 12.

Since the purpose of the trip is to gain a deeper understanding and appreciation of modern drama, the students plan to see several outstanding shows, some on-Broadway and some off-Broadway. Each individual will see at least two plays, and some of the students will see as many as four plays.

The high point of the trip promises to be *Becket* by Anouilh and starring Sir Laurence Olivier and Anthony Quinn. In addition, the class may see *Dance of Death* by Strindberg, *Hedda Gabler* by Ibsen, *Drums Under the Window* by Shawn O'Casey, and *Thurber Carnival*.

### BSC Poetry Wanted For U.S. Anthology

Attention, all campus poets! The fourth semi-annual anthology of outstanding college poetry is now being compiled by the American College Poetry Society for publication early next year.

All contributions must be the original writings of the student who shall retain all literary rights to his poems. The poems may deal with any subject, but they may not exceed 48 lines and the number is limited to five per individual.

Entries not accepted for publication will be returned only if a stamped, self-addressed envelope is enclosed. The society cannot compensate students for poetry published.

In order to qualify for judging entries must be postmarked not later than midnight, December 9, 1960, and the decisions of the Society judges will be final.

Send your entries with your name, address, and school on each page to:

ALAN C. FOX, Executive Sec'y  
American College Poetry Society  
Box 24463  
Los Angeles 24, Calif.

Members of the MAROON AND GOLD staff are shown preparing to count questionnaires received in the Presidential Poll conducted recently.

### All-College Vote November 15 On CGA Constitution Amendment

The referendum on the proposed changes in Article VI of the Constitution of the Community Government Association will be held on November 15 outside the Council office. This is in accordance with the section of the constitution dealing with amendments (Article XII, Section 2) which states: "These proposed changes must be posted not later than two weeks in advance of the date on which such action is to be taken."

Article VI, Section 2 (f), states

that the faculty members of the College Council include: "The Dean of Instruction, the Deans of Women, the Deans of Men, and the Directors of Business, Elementary, Secondary, and Special Education." Due to the added duties of the Curricula Directors, the following revision has been proposed, "The faculty members of College Council will be five in number: Dean of Instruction, Dean of Women, Dean of Men, Dean of Students and the Director of Public Relations."

### Revised Courses Will Appear in Catalogue

Dean Hoch, chairman of the Academic Council, which consists of the four curricular division directors and the chairmen of the academic departments, announced the possibility of a revision in the categorizing of the courses to be offered at BSC. These groups have prepared a revised curriculum in each division for submission to President Harvey A. Andruss and the Board of State College Presidents. Before approval can be given, however, each of the elective areas in the secondary curriculum have to be developed further. This can only be effected when the course descriptions are completed.

The first official publication of this new method will appear in the new college catalogue in January, 1961.

### N.S.F. Announces Fellowship Plans

The National Science Foundation has released its plans for awarding graduate and postdoctoral fellowships during the 1961-1962 academic year.

Fellowships may be used for advanced study in mathematics, medicine, physical science, biology, engineering, and social studies. They are available to college seniors, graduate and postdoctoral students.

Applicants for graduate awards will be required to take Graduate Record Examination on January 21, 1961, at designated centers throughout the United States. Final selections will be made by the Foundation and awards announced on March 15, 1961.

### Questionnaire Is Returned by 558

by Macyle Phillips

An unofficial poll, conducted by the Maroon and Gold, attempted to determine college interest in the forthcoming November national political election. Faculty and students were asked to make their selections via questionnaires which were placed in the mailboxes. Because the poll was conducted on the honor system, the result cannot be considered the true political feeling of BSC.

Sixteen hundred forms were distributed; 558 were returned. Of these, 24 were declared void, 509 were student votes and 25 were faculty. Approximately 58% voted Republican, 41% Democrat and less than 1% voted for other parties.

Republican, Nixon-Lodge 319

Democrat, Kennedy-Johnson 215

Choices were based on international situation, conservation issues, the farm problem, foreign policy, unemployment, and sincerity. The following comments were received of interest: The debate influenced several BSC voters. One indicated, "... the Great Debate showed that Nixon cannot hold his own against Kennedy, so therefore could not do so against Mr. K."

Five persons were overwhelmed by Kennedy's appearance and one by his wife's appearance.

A Nixon supporter remarked, "I am fearful of the inflationary impact of government spending programs that are being proposed by the Democratic party. Senator Kennedy ... is not well versed in economic principles applicable to our domestic economy."

A Democrat even added a footnote, "The Democratic party has proven by its record of legislation that it is the party that is concerned with the welfare of all Americans ... (See 1940 Book Review Digest under Kennedy, J.F.)"

Change vs. Experience

The views on education were considered, but not of prime importance, according to comments. Six- (Continued on page 2)

### Ghouls Assemble For Oct. 31 Dance

Centennial Gymnasium will be the scene of the October 31 conclave of BSC witches, goblins, and assorted monsters. A costume is required to attend the Social Rec. event, and no one will be allowed past the doors if he is not suitably attired.

The Hallowe'en Dance will begin at 8 p.m. and will include the annual costume judging.

### Oakey Faces Swarts In Mock Campaign

Yesterday's assembly saw Nelson Swarts, as a Democrat, and Ted Oakey, as a Republican, match wits in a mock campaign speech. Ballots were then distributed to the students to be completed. The results of the event, sponsored by Phi Sigma Pi, will be posted sometime before the national election.

### EXPECT SIXTY NEW FROSH IN JANUARY

The Admissions and Placements Office reports that sixty new freshmen are expected to be enrolled in the January semester. Meanwhile, processing applications for the coming freshman class is keeping the office staff busy. Eight hundred applications are presently in the mail, but September admissions will be approximately six hundred.

### ADAMS, JOHNSON GIVEN PROMOTIONS

The Board of Trustees recently approved advancement in rank for two members of the college faculty. Dr. Bruce E. Adams, Associate Professor of Geography, and Dr. Royce O. Johnson, Director of the Division of Elementary Education have been promoted to the rank of Professor. Both of the men completed their undergraduate work at Lock Haven State Teachers College and received their Doctor of Education degrees from Penn State University.

### 15th Sales Rally Features "Gold in Your Backyard"

The fifteenth annual Sales Rally will be held on Thursday, November 3, at 8:00 p.m. in Carver Auditorium at Bloomsburg State College. The principal speakers for the evening will be Mr. Oliver K. Whiting, specialist in Human Relations and Effective Speech, who will present "There's Gold in Your Backyard," and Mr. Charles K. Piercy, manager of domestic sales for Lederle Laboratories, who will present "Communications in Selling."

Mr. Whiting, internationally known as a journalist and a broadcaster, writes for the *New York Times*, the *Herald Tribune*, the *Ladies Home Journal*, and is a commentator for the B.B.C. He has been a member of the Carnegie Institute for the past 14 years.

Mr. Piercy, who has been with Lederle for 23 years, has served as salesman, district manager, and assistant sales manager, and assistant sales manager. He became manager of domestic sales in 1954.

Students and faculty may purchase tickets for the rally by writing or calling Mr. Frank Radice, faculty co-ordinator for the event. Registration fee is 50¢.

### Gavel Presented to Ex-President of CGA

Gary Reddig is shown handing gavel to Joe Zapach, CGA President, 1959-60. The presentation was made during halftime of Bloomsburg-Mansfield game.

# Huskies Win Before Homecoming Crowd, 27-21

Christina halts Mansfield back.

## BSC Scores with Late Game Drives

by Barry Goldberg

The Bloomsburg football team pulled a "Jekyll and Hyde" act Homecoming weekend to treat the returning "old grads" to the most exciting game of the season. The Bloom eleven, after being completely dominated by Mansfield the first half, came roaring back from a fourteen point deficit at the end of the half to win 27-21.

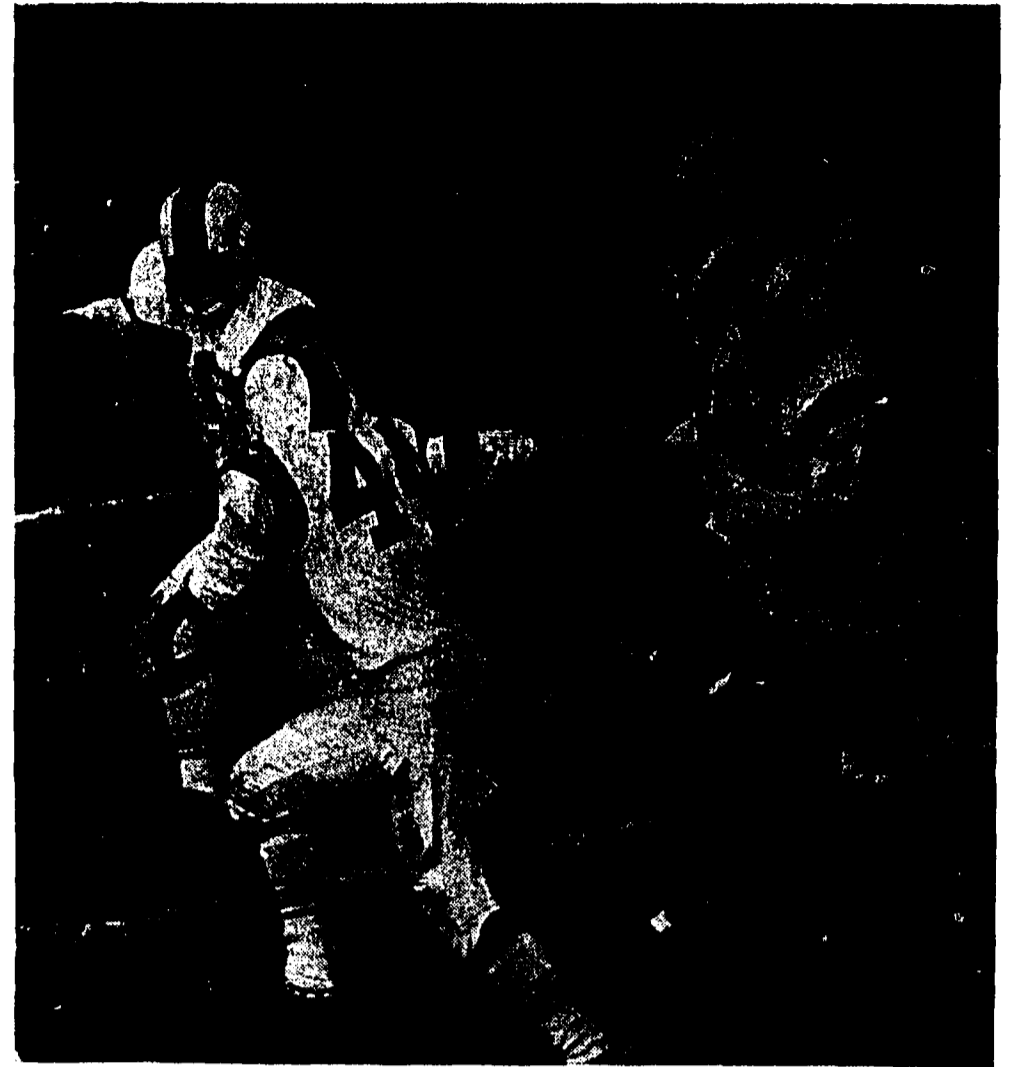

Bloom couldn't get started in the first half while the "Mountaineers" from Mansfield crossed the goal line twice in the second quarter and were thwarted two other times only by the interceptions of Mel Montanye deep in Bloom territory. The Huskies meanwhile were either fumbling or getting penalized to stop any drives from getting started. They looked nothing like the team that last week handcuffed unbeaten Lock Haven.

### Johnson Scores

The Huskies struck back in the third quarter on the running of Moses Scott, Johnny Johnson, and Joe Rishkofski, with Johnson racing across from six yards out for the first Bloom T.D. Moses Scott converted, making the score Mansfield 14, BSC 7. Two minutes later, Bloom hit paydirt again with Scott bursting through the middle for 45 yards and a T.D. He then converted and tied the score at 14-14. Bloom then kicked off, and the "Mountaineers" drove into Bloom territory where Bob Christina picked off a Mansfield aerial, cut across field picking up blocking, and raced 75 yards for another Bloom six pointer. This put Bloom into the lead for the first time, 20-14. Scott then converted, but there was a penalty on the play, and his second attempt failed. With twenty seconds left in the third quarter the "Mountaineers" came back to go into lead again on a stray pitchout by Rohrer. Fetchkan, a swift defensive halfback for Mansfield, intercepted the pitchout on his own 22 and went 78 yards for the T.D. Mansfield then converted making the score Mansfield 21, Bloom 20.

### Bottle Up Offense

BSC's "Chinese Bandits" kept the "Mountaineers" offense bottled up in the fourth quarter, and they nev-

Johnson breaks loose for long gain.

er mounted a serious scoring threat. The Bloom offense went into high gear with the running of Scott and Johnson but a fumble stopped them on the five yard line of the "Mountaineers." After the "Bandits," headed by Nase, Gruber, and Barnaba stopped them again, Mansfield punted out to the fifty yard line. Rohrer then connected on two passes to Scott to bring the ball to Mansfield 21 yard line where Johnny Johnson took over, and on two plays Bloom had the ball on the four yard line of Mansfield. Rishkofski carried the ball twice making it fourth down and goal to go on the one yard line of Mansfield. Rohrer then tried a quarterback sneak, and it looked like defeat for Bloom as the referee signified that he was stopped on the one-foot line. This left only one minute and fifty-five seconds left to play in the game. Mansfield, on second down, punted out of the end zone, after a near safety, to their thirty yard line. After one play there was a fifteen yard penalty against Mansfield, and then with just fifteen seconds left Rohrer

went back and hit a leaping Moses Scott in the end zone to give Bloom a hard-fought, come-from-behind 27-21 victory over a spirited Mansfield eleven.

## SPORTS SHOTS

by

WAYNE T. MORRISSEY

Morrissey

For weeks now I've been talking about the spirit displayed by the big Husky eleven. Up to Saturday's game, I had never seen a squad more hungry for victory. But in that game something obviously was lacking in the first half. Complacency seemed to have replaced desire. And desire has been the keynote to our success. However, thanks to a very awakening half-time talk by our coaching staff, the Huskies once again displayed the brand of football that the local fans are accustomed to seeing from them. In fact, they came back so strongly that they amazed even their most loyal fans.

That second half left the Husky rooters breathless. We had more to cheer about in that half than most fans do on three Saturday afternoons. For instance, something new was even added to our touchdown methods. When Johnny Johnson scores a touchdown, it's not unusual because Johnny has the ability to score from any spot on the field, and when Dick Rohrer throws a pass for a touchdown, it's not unusual either because Dick can pass with the best of them, but when a defensive lineman by the name of Bobby Christina scores from 75 yards out, that's new. Bobby moved down the field as if the whole Russian army was chasing him. But over all it was a fine, combined team effort that refused to be beat by an aroused Mansfield team last Saturday.

All this season our ball club has played as a unit, and to single out one man as the outstanding individual on it would be ridiculous. But I think it's about time this column made mention of the fact that Moses Scott is a handy man to have around. Through-out the present campaign Bloom has been able to come up with the key play that has turned possible defeats into victories. I feel that in at least three of these games Scotty has been the difference. I'm referring to Saturday's game in which he scored fifteen points including the final and deciding six; the Shippensburg game in which he raced 40 yards for the final six, and the Lock Haven game in which he again scored the final six. It seems like Scotty makes a habit of scoring when we need it most.

That about wraps it up for this week in sports. I'm not posting my predictions because of the Maroon and Gold's short issue this week, but I had eight winners, one tie and one loss last week. (Florida 13-LSU 10). This gives me an over all record of 14 wins, 5 losses and 1 tie.)

I'll see you in the next column. Till then get out and support the team at East Stroudsburg. It's their "homecoming," and they're sure to be up for the game. Let's get our men up too.

## BSC Expresses

(Continued from page 1)

teen students felt it is time for a change in the government; however, 90 felt that Nixon was more qualified for the position — "Experience counts." "Nixon has had experience in the White House and Lodge has done much in the United Nations with foreign affairs, which is a very important issue in our country at this time."

... "Our prestige is slowly dwindling. Nixon will not face this fact and has not set forth sufficient measures to be taken. Kennedy realizes our challenge and has planned to meet it."

Religion was not a dominant point, but it did appear.

Several students did not take the election seriously and returned the following comments to the question of their choice:

"The same reason I put on the other ballot." (The honor system has its shortcomings at BSC).

"Because he has crossed eyes" (voted Democratic)

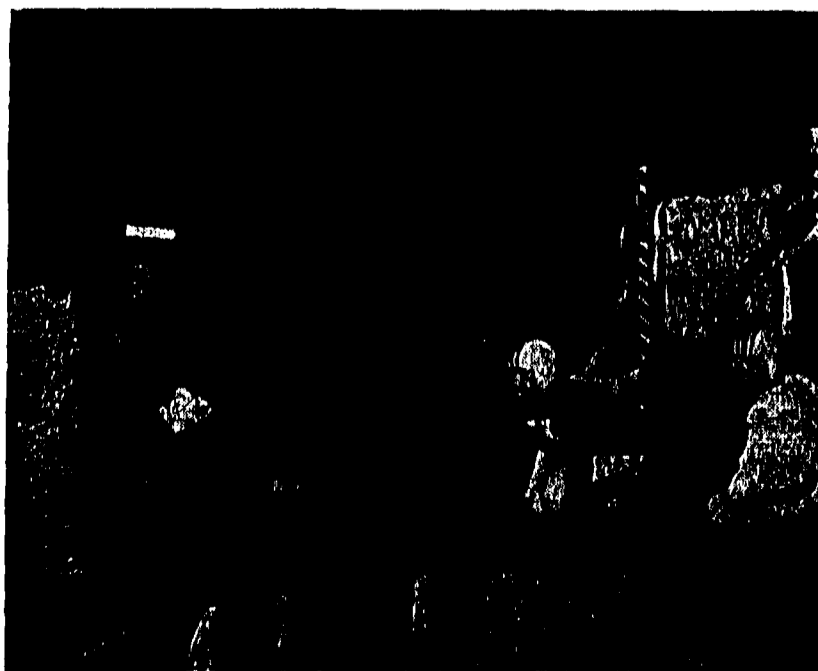

"Nixon made enough money as Vice-President"

"Better spellers" (The M & G shamefully admits to the spelling errors on the questionnaire.)

"Parental influence"

Ballots may be checked for accuracy at the Maroon and Gold office.

## Spartans Cop \$30.00 Prize In Home-coming Parade

The Spartans, one of the unofficial but spirited pep groups on campus, won first prize in the annual Homecoming parade, Thursday, October 31. The Comets, Keds, and Rangers, also "extra-legal" school spirit organizations, participated in the parade but received no cash prizes. Maroon and Gold's contribution, "Maroon and Gold Covers the First Home-

coming," failed to place but was awarded honorable mention. Pat Price engineered the construction of the float. Phi Sigma Pi's entry won second prize for the fraternity. Miss Connie Terzopolos was flanked by Lee Jackson and Bill Hughes.
