State College, Bloomsburg, Pa. — Friday, January 13, 1961

Number 8

Pre-Registration Opens Monday in Girls' Gym; All Fees Are Payable

Pre-registration for the second semester will be held in the girls' auxiliary gymnasium on January 16, 17, and 18 from 9:00 to 12:00 and from 2:00 to 4:00.

At this time, students must pay all fees. Included are the \$100 basic fee, Business Education Fee, Special Education Fee, Student Activity fee (\$20 made payable to "Community Activities Fund") and all housing and board payments. A statement is in the mail for students listing their specific financial requirements. All checks should be made payable to the Commonwealth of Pennsylvania.

In addition, all students will be required to complete the new personal cards. These will then be filed in the Dean of Student's office.

All students who pre-register need not report until February 1, 1961 when second semester classes begin. For those who do not take advantage of this convenience, general registration will be held in Centennial Gymnasium on Tuesday, January 31 from 9:00 to 12:00 and 1:30 to 4:00.

BSC's Graduate Program Proceeding Under Planning Council Supervision

Dr. Harvey A. Andruss has appointed a Graduate Council to develop and supervise a Program of Graduate Studies at BSC which will be instituted during the summer sessions of 1961. Those faculty members appointed to the council are: John A. Hoch, Dr. Royce O. Johnson, Dr. Cecil C. Seronsy, Dr. Ernest H. Engelhardt, Dr. John J. Serff, and Dr. Thomas B. Martin, Chairman.

Since the State Council of Education has authorized Bloomsburg to inaugurate a program of graduate studies leading to a Master of Education degree in Business Education and Elementary Education, the Graduate Council has been given the responsibility of: establishing regulations governing the program; developing available curricula; developing and approving new policies and revising existing policies as the program of graduate studies progresses.

Preliminary Announcements Made

The council has already approved preliminary announcement describing the new Program of Graduate Studies. All graduate classes will be scheduled during late afternoons, evenings, and/or Saturdays during the regular academic year. During the summer the graduate program will be similar to the undergraduate programs as far as calendar and daily time schedule are concerned.

30 Hour Minimum Set

A minimum of thirty semester hours of graduate credit must be completed to fulfill requirements for receiving the degree. During the regular nine-month academic year, a graduate student who is teaching full time will be permitted to en-

(Continued on page 3)

Dr. Andruss Returns

Dr. and Mrs. Harvey A. Andruss, Bloomsburg State College, embarked from New York at noon on December 19, 1960, for a twenty-four day Mediterranean Cruise. Sailing aboard the S. S. Independence, Dr. and Mrs. Andruss visited Santa Cruz, Algaciras, Naples, Genoa, Rome, Cannes, Barcelona, Palma, Casablanca, and Madiera. They returned to New York on Thursday, January 12, 1961.

BSC Women Students Addressed by WAC

"What's In It for You?" was the question asked of BSC Junior and Senior women students Wednesday in a visit by WAC Officer First Lieutenant Rhoda M. Hevnar. Lt. Hevnar is the Selection Officer for the Women's Army Corps in Northeastern Pennsylvania.

In her speech entitled, "What's In It For You?" Lt. Hevnar explained the career, social, educational, and other advantages currently available to young women who enter the U. S. Army as officers. Special emphasis was placed on executive positions, salary and fringe benefits, and opportunity for promotion and travel. She gave details about the Women's Army Corps Direct Commission (Officer) and College Junior Programs.

A special session was held at 4:00 p.m. in Noetling Hall and the officer in charge was available for private interviews to answer questions concerning these programs.

Waller Hall Guest Suite Renovated

The college guest suite is being freshened with a new coat of paint. The formerly flamingo-colored bedroom is now a pale pink shade, while the sitting room and bath keep their shades of beige and yellow, respectively. It is hoped that this renovation will make the visits of BSC guests more memorable and pleasant.

The guest suite, located on the first floor of Waller Hall in the rooms previously used as an office by the Dean of Women, is maintained for the purpose of accommodating officials of the Commonwealth of Pennsylvania who are visiting our college. Guest speakers, artists, friends and relatives of the resident staff, faculty, and of President Andruss are also housed here.

The suite, consisting of the three rooms mentioned above, is furnished with chartreuse and beige modern furniture with wall to wall carpeting. The beautiful harmoniz-

Miss Eggor watches as custodians place drapes in Waller Hall guest suite.

ing draperies will be rehung when the renovation work is completed.

501 Face Last-minute Hard Study

Frosh Officers Begin Duties

Freshman class officers have begun their terms in office. L. to R.: Darkiss Jacobson, Larry Tironi, John Baylor, Gaile Kuhns, and Charles Jasper. For thumbnail sketches of the new officers see page three.

Fraternities Discuss Future Coordination

A plan for an inter-fraternity organization in order to further the ideals of the college was the topic of discussion at the first assembly of the presidents and secretaries of the college fraternities held recently.

A general discussion led to the ideas that the Inter-fraternity Council would have set objectives with which to work in achieving desirable ends for all fraternities and the entire college. It could study the problem of developing a better professional attitude toward such cultural endeavors, and make suggestions as to developing better attitudes on this campus.

An Inter-fraternity Council would coordinate fraternity activities, preparing suggestions or rules for pledging and initiations.

Since there would be a problem as to funds and facilities, the Council would work with Mr. Buckingham and his committee.

The meeting was adjourned with the intention of furthering this discussion at a later date and making definite plans.

Krieger Exhibits Work at Bucknell

Mrs. Myrrl Krieger, a member of the Art Department faculty at Bloomsburg State College, was recently invited to participate in the Mid-States Artists' First Invitational Exhibition at Bucknell University. This first exhibition represented, in the judgment of the Mid-State Exhibitors, the authoritative artistic accomplishments of Central Pennsylvania.

Exhibit at Bloomsburg in April

One of the exhibits presented by Mrs. Krieger was an oil-collage portrait of Miss Patricia Houtz, a former member of the Bloomsburg Business Education Department and now a faculty member at Pennsylvania State University. The exhibit will be seen at many of the colleges, universities, and municipal centers of this area, and is expected to come to Bloomsburg in April.

"Susquehanna" Bought by P.S.U.

Another collage by Mrs. Krieger, entitled "Susquehanna" was bought by Pennsylvania State University through a special purchase fund, and was presented to the University for its permanent collection.

Mrs. Krieger is presently working on a process with beeswax and oils.

The Mid-State Exhibitors is a loose federation of artists dedica-

A new college catalog is now being printed for distribution during second semester.

The catalog will contain newly adopted curriculum for all divisions, newly written course descriptions, and for the first time in Bloomsburg's history, course numbering will be in use.

BSC Hosts Am. Chemical Society

Dr. Robert D. Eddy was the featured speaker at the regular monthly meeting of the Susquehanna Valley Section of the American Chemical Society held here on January 11.

The Science Club was invited to act as host for this event by Dr. Willford of Bucknell University who is Secretary of the American Chemical Society.

Dr. Eddy spoke on "Chemistry 'Dehydrated.'" He is a professor at Tufts University where he is currently on leave in order that he may work with Dr. H. A. Neidig of Lebanon Valley College to set up an experimental curriculum for high schools.

At present, Dr. Eddy is the Assistant Editor of the Journal of Chemical Education and examiner in chemistry of the College Entrance Examination Board.

In addition to the members of the Science Club, fifty engineers and scientists from Merck and Company, Bell Telephone Company, Bucknell University, Scranton University, Lycoming College, and Pennsylvania State University attended.

Maroon and Gold Staff Meeting

MONDAY, JANUARY 16
4:00 p.m.

ROOM L — WALLER HALL

All reporters, editors, editorial board members, feature writers, and photographers must be present.

ted to good craftsmanship with the aim of furthering traditions of various artistic disciplines. The first annual exhibit was made up of invited works, representing the authoritative accomplishments of Central Pennsylvania.

Almost One-Third Of Student Body Now on Probation

Approximately one-third of BSC students are on probation presently. Of the 501 listed, 22 are seniors, 103 are juniors, 150 are sophomores. The remaining 226 names belong to freshmen.

The probation report, issued by the Dean of Instruction's office, is alarming. "Performance in the classroom is the main reason for being in college," Dean John Hoch stated. The report implied that some students have placed performance in a secondary position. Bloomsburg is not the only college hit by low grades. Deans of other State Colleges and heads of nearby institutions also have found an increased number of students on probation this semester.

(Continued on page 4)

New Courses Offered For Second Semester

Many new electives will be offered at BSC for second semester. The addition of these courses was made possible by the increase in faculty.

For the first time in twenty years, a three-credit course in Debate and Argumentation will be given by Mr. Hopkins. Miss Helen Kelly will teach oral interpretation and theater. Deletion of the Roman numeral courses above the intermediate level will be substituted with elective courses.

Additional electives to be offered include 17th century French drama, survey of French literature, Spanish drama of 19th and 20th centuries, survey of the literature of Spain, introduction of modern algebra, differential equations. All math majors must present certificates in the last two courses for graduate work.

Science courses offered by Dr. Kendall and Dr. Superdock include bacteriology, and advanced science courses in mechanics and heat.

Mr. Solenberger will present a course in contemporary social problems.

Brothers Four Scheduled for Inaugural Show

The young Democrats of America attending inaugural festivities in Washington next week will see top entertainment featuring the orchestras of Meyer Davis and Woody Herman with the Brothers Four. The Brothers Four are scheduled as the big entertainment for Spring Weekend at BSC.

A dance, reception and special parade seating have been arranged during the 1961 Inaugural period for members of the Young Democratic Clubs of America. The setting for the dance is the Grand Ballroom of the Mayflower Hotel on January 18. Present plans call for President-elect John F. Kennedy and Mrs. Kennedy and Vice President-elect Lyndon B. Johnson and Mrs. Johnson to attend the dance. The dance will be preceded by a Young Democrats' reception in the Colonial Room of the Mayflower Hotel.

Invitations are being mailed to 7,500 Young Democrats throughout the country offering tickets to the dance, reception, and special seats for the Inaugural parade on January 20.

A Welcome Contribution

Amahl and the Night Visitors, presented by the Choraleers and the Bloomsburg Players, was a welcome contribution to the Christmas season at BSC.

Although the Players cooperated, the Choraleers deserve most of the credit for the quality of the performance. Their hard work resulted in an outstanding production.

Bloomsburg is usually not considered a center for musical theater, and this one performance does not establish it as such. *Amahl*, however, could be the start of a program to present one musical, not necessarily an opera annually. Popular musical comedies draw large crowds, and, though they do not always have the merit of less popular drama, they are usually good publicity for the school and for the drama group. Mansfield and Indiana State Colleges have realized the appeal of musicals and have added yearly musical productions to their theater season. Mansfield and Indiana have strong music departments, but *Amahl* has proved that Bloomsburg has interested students and qualified faculty members who are prepared to meet the additional obstacles of musical presentations.

To all who played in or worked for the production we offer our congratulations.

Common Sense and Social Fraternities

Isn't it about time we separate some of the sense from the nonsense about social fraternities? Later in the year a more detailed study concerning the beneficial and harmful effects of social fraternities will be presented, but, before any useful criticism can be made, much of the Lounge talk about fraternities must be dismissed from consideration.

Among advocates of social fraternities, a common phrase, "Bloomsburg is ready for social fraternities," is often heard. *Ready* implies progress. But would the introduction of social fraternities on campus really be a progressive move?

Many of the top schools in the country prohibit social fraternities, and in some large universities, where social fraternities have been in existence for many years, efforts are being made to curtail the influence and power of the fraternities. One cannot truthfully say that the introduction of social fraternities would be a forward move. Change is not necessarily progress.

Another thought of the pro-socials has been expanded to the point of the ridiculous. The *Ratsheet* stated, "The humorous part about the matter (the Spartans, Rangers, etc.) is that these groups are smiled upon by the front office when social fraternities are condemned as cliques." Equating the Spartans and Rangers with the embryonic forms of social fraternities is erroneous. They are excellent organizations for increasing school spirit, but they are little more than that. We can hope that they will appear each football season, but we can expect that they will disappear when the season closes.

Social fraternities are praised as the panacea for what is termed "BSC's social problems." But would fraternities solve the "problems," or is it possible that they might cause more problems than they solve? This is one of the real questions which must be answered objectively and carefully.

Scores of similar questions also deserve thoughtful answers from students who are willing to examine them rationally. Those who cry, "Bloomsburg is ready for social fraternities" and "We already have the beginnings," should be ignored. Only those willing to weigh the pros and cons before making a decision show any knowledge of the problems involved.

AD LIB

by MYLES ANDERSON

This is the first message for '61 and I would like to utilize the following space to discuss some of the facts and figures concerning Spring Week-end which will be taking place March 10th and 11th. As most of you know by now, the space for the concert on Friday evening has been filled by The Brothers Four. The concert will run from 8:30 to 10:30 p.m. and will be produced in the Round. The Brothers Four's fee for this engagement is \$1,750.00 plus the privilege of 50% of the gate receipts.

College Council plans to have a House Party in Husky Lounge on Saturday afternoon from 2:00 to 5:00 p.m. The entertainment for this activity has not been chosen as yet but Council expects this event to cost approximately \$200.

On Saturday evening there will be a semi-formal dance from 9:00 p.m. to 1:00 a.m. The music will be provided by the big band of Buddy Morrow, which will cost \$1,800.00. So if you go back and add the financial account just presented and tack on \$250.00 for publicity expenses you should get a total that nears \$4,000.

What About Money?

Now you are probably asking yourself "Where in the world is all the money coming from to pay for such a week-end?" Well the answer is that all the money must come from the sale of tickets. The price of admission to each evening performance is \$2.00 per person if you bought separate tickets for each event. But Council has made it possible for students planning to attend everything during the week-end to buy a week-end ticket for only \$3.00 per person. To make this week-end a financial success we must sell 600 week-end tickets at \$3.00 each and 1,100 concert tickets at \$2.00. The dance on Saturday evening is only open to students and their guests. If it becomes financially necessary, we will have to open it to the public. You can easily see that to raise the amount of money needed it will require a lot of work and support from the student body.

Letters

.. to the Editor

Dear Editor,

Every Thursday at dinner time you will see a front table with the sign: "La Table Francaise". If you are interested in becoming a "worldly" international, and if you have a basic knowledge of French; like: "Oui" and "Non", why don't you sign up in the Dean of Women's office to be a member of the party?

It's fun—"On s'amuse".

Pat Whittiker, Jessie Reppy, Jean Valentiner, Lois Ryman, Ted Oakey can tell you—they were there, amongst others. There might be two tables if there is enough interest!

"Au Revoir."

M. M. Egger

WITMER'S WHIMPERINGS

by LINDA WITMER

Pardner! I want to tell you something you just won't believe. No siree, I ain't ever seen nothing like it a'fore in my life. Now, youse just pull up a seat and listen to what I'm agona say.
Enter Cowpoke and Co.

It was during last round-up time, and me and the boys had just delivered the herd from Bar-B-S-C to the train and we was aridin' hard back to the ranch. Well sir, about sundown we ride into a little cowpoke town called Bloomsburg, and we look around for a place to rest for a while. One of the cow hands, a lad by the name of Ozmanski, sets his sights on this little red building with the numbers 1889 apointed on the front, and he won't go no further lessin' we don't go in this here place and see what it's like. Lash Ozmanski says that any place that's been in business since 1889 jes' has to be a good place to deal.

The Plot Thickens

So while Tex Morrissey watered down the horses, the rest of usins ambled into this here little building. It was so dark that I couldn't see awhere we was aheaded. Well sir, first thing I knowed we bumped into this here wall, but it only came half-way up and there was a ledge all around it. I placed my hands on that ledge and right aways something or somebody put a teeny glass in my hand. Well sir, I adrunck it down and it wasn't bad at all. By this time, me and the boys got used to the darkness and we saw other people in this here place.

We ciphered for a spell, and we figured that the place was owned by a Buffalo Bill Hess. He was a right nice feller, but he was always walking around asking people for some kind of little card, and the people didn't like it at all—specially the ones who didn't have no little card!

Three cowpokes were behind that half-wall I told youse about—**one** went by the name of Fighting Frank, another was called Six-gun Howie, and the last one was called Two-gun Tom. Now, don't ask me how Howie had four guns more than Tom. I figered that when any cowboy is acar-ryin' six guns, I ain't agoin'a ask any questions.

After a spell, there was this little blond haired marm' who came adashin' into this place, making all sorts of motions to the rest of the people and atalkin' real fast and excited like, causin' a great commotion. The way she was atalkin' I thought for sure the bank had been robbed, or something just as bad, I heard Buffalo Bill say to Fighting Frank, "Miss D. wants to borrow a cigareet!"

They Ride Away in the Golden Sunset

Well, sir, after that, we left, and I got to thinkin' that that was sure some experience, and I bet you'll never meet any other folks like those down in that little red building in that town called Bloomsburg.

The COMMUTERS

Greetings:

You have been selected, etc. We're not sure exactly how the letter goes, but some of the vets at BSC could probably refresh our memories. The world situation has become quite explosive with Castro in Cuba and his colleagues in Laos. Many vets have been trying on the old uniforms and those of draftable age are wondering whether they'll graduate as planned. The rumor mill says that even some of the faculty are showing signs of insecurity!

Let's face it students! It's that time again. Dig deep into your parents' pockets for registration fees; if you've already spent that, perhaps you had a good Christmas and can pawn your typewriter or watch. Remember the dates: Jan. 16, 17, 18 for advanced registration. Final registration is on Tuesday, Jan. 31.

Are you having trouble arranging a suitable schedule for next semester? So are we! May we suggest that an information booth be placed in Waller Hall Lobby with a well-informed instructor in attendance?

Kiddle Books Moved

The library is in the news again. We hear that the juvenile section has been moved to the training school. That should make it handy for the kiddies. It will also make more room available for our rapidly expanding curricula. Dr. Seronsy is working frantically to eliminate the excuse that "There aren't enough books on that subject in the library." He's responsible for 3500 books for the English Dept.

Does anyone need a mummy? We understand that student teachers Barb Uram and Bill Price have an extra one that takes up too much space. Keep them in mind, you may just need a mummy.

We the commuters are determined to get to BSC regardless of road conditions. College Hill reminds us of the old fairy tale "The Princess of the Glass Mountain." Obtaining an education is simple compared to the problems we encounter trying to get to the institution of higher learning.

College Enrollment Still Seen on Rise

CINCINNATI, O. (I.P.) — For the eighth consecutive year, enrollment of full-time students in American accredited universities and four-year colleges has increased. There are well over 2 million full-time students this fall compared with the 1,973,948 which were reported in 1959 as their final totals by 995 institutions of higher learning.

These facts are indicated by returns based on estimated enrollment figures from more than 600 institutions received by Dr. Garland G. Parker, University of Cincinnati registrar and central admissions officer. Dr. Parker predicts total full-time and part-time enrollment in the nation's accredited universities and four-year colleges will "probably be around 2.9 million" when final totals are known later. In 1959 the figure was 2,811,704.

Since their number presages future total enrollments, Dr. Parker sees significance in the fact that increases in freshman students were noted by seven out of each ten reporting institutions. Arts and sciences colleges generally indicated freshman increases, often very substantial . . . Many are private or church-related colleges.

"It is heartening to note that enrollment of full-time students, including freshmen, has increased in most of the teachers colleges and engineering colleges reporting. These are areas of great national need where we have been falling short in recent years," he said.

"While the upward student surge this fall appears larger than many had expected, the big bulge in college enrollment will arise a few years hence when the present elementary school pupils become college students," Dr. Parker comments.

The Brothers Four have been selected as one of the entertainment groups to appear in March and early reactions to the choice seem quite promising.

There are people with problems and there are people with PROBLEMS! We have been appointed to
(Continued on page 4)

Winter's Chill Brings Warm Memories of Summer in Europe

January, when the wind is rattling the windows in Husky Lounge, seems to be a time for remembering the past summer's experiences and the warm friendships which grew out of them. For one of BSC's students these memories will probably accompany every month of every coming year. Certainly during this winter season Bill Remley will remember those friends he made on his recent trip to Europe.

Bill left the American Continent on the Italian liner, *Irpinia*, in the latter part of June—heading for adventures unlimited and a tour of Italy, France, England, Belgium, Holland, W. Germany, Austria, Switzerland, and Grace Kelly's dominion—Monaco.

Teacher's Dream—Class of Seven

In Geneva he spent some time observing classes at the University of Geneva. His report is that the European classes are very informal, with an average of seven students. Their system of class conduction is very different from ours in that one registers at the first class and need not return to class until exam-time. (What a cut system!) Your text is your Bible, and private conferences with the prof need be your only form of direct guidance.

Liked Switzerland

Apparently, Switzerland was Bill's cup of tea, for he states that his most interesting experience was the time he spent in the Swiss vil-

lage about three miles north of Lucerne in an environment of 4,500 ft. above sea level, a view of the snow capped peaks of the Alps, a temperature of 28° above zero, and no conveniences!

Remley

The Europeans Bill remembers best are law students in Munich, students with whom he spent many hours of congenial, open-minded discussion on the problems students 'round the world face. In discussions elsewhere in Europe, Bill did detect some degree of anti-Americanism. The attitude was especially evident in Austria.

Certainly Bill Remley's memories run deep. To print them here would be an impossibility—but talking to Bill is not an impossibility, and it could prove very interesting.

Five Months of Work Await New Frosh Officers

(Picture on page one)

BSC freshmen have elected John Baylor, of Sunbury, Pa., to be president of their class. An active member of the Maroon and Gold Band, John also performed in District and State Band and was a member of the Key Club while in high school. Primary interests of this secondary curriculum freshman are music, horseback riding, and tennis.

Tironi Is Veep

Chosen as vice-president was Larry Tironi, a business major from Rockway, N.J., who graduated from Morris Hills Regional High School. Interested in sports and cars, Larry played high school football, basketball, and baseball.

Gaile Kuhns, an elementary student from Forty-Fort, Pa., is the newly-elected secretary of the Freshman Class. At Forty-Fort High School, Gaile was a cheerleader, a member of the student council and chorus.

Shuba Handles Money

Freshman class treasurer, Ernest Shuba, from Kingston, Pa., is a member of the College Choraleers and appeared in the male fashions in the Freshman Talent Show. He is enrolled in the secondary curriculum.

Elected as Woman and Man Representatives were Darkiss Jacobson and Charles Jasper. Darkiss, enrolled in the special education curriculum, was a member of the student council, drama club, and school paper staff at Ridgeway High School. "Chuck" Jasper participated in baseball, football, basketball, choir, and varsity club at Collingdale High School, and is a business student at Bloomsburg.

Godwin Will Advise

The freshman class advisor for the year of 1961 will be Mr. J. Gerald Godwin, who began his teaching duties at Bloomsburg State College in September, 1960.

Rygiel Speaks on The Formation of New Business Clubs

The organization of a high school business education club was the prime concern of Mr. Walter Rygiel, the speaker at a recent meeting of the BSC Business Education Club. Steps in the formation of such a club were systematically presented and explained, and remarks concerning programs and activities were added in the hope that they might aid future business teachers. Copies of the campus organization's constitution were distributed as models for high school business clubs to follow.

The club will meet again January 19, and the program will be built around a film presentation.

Dr. G. M. Torkelson spoke about "Teaching Machines" at a recent assembly at Lock Haven State College.

SOON TO BE HEARD

The recently-formed BSC combo is shown during an evening practice session in Navy Hall.

Enthusiastic Musicians Form New Group

Students and instructors have combined their musical talents to form a new organization on campus, the BSC Combo. The group made its first public appearance at the Christmas party sponsored by the Council for Exceptional Children and Sigma Alpha Eta at the Memorial School. The faculty is represented by Mr. Sam Shilling, who plays the clarinet, and Mr. Robert Mease, the bass violist. Rose Marie Fisher, the savaphonist, Don Denick, the accordionist, and Tom Hixon, pianist, are the student members of the Combo. Janet La Coe, Dean McClauslin's secretary, is the vocalist for the group. The Combo is planning to play for one of the Wednesday night dances on campus and is willing to accept more engagements. Any students or faculty members who are musically inclined are urged to contact one of the members.

The Untouchables Receive Awards

The Untouchables, intramural touch football champions of 1960, were recognized in assembly yesterday. Mr. Ziegler, head of the intramural program, presented the team. Each member received the award, a cardigan sweater with the Husky emblem on it.

Two round-robin leagues comprised the tournament. The winner of the second round, the Untouchables, defeated the winner of the first round, the Donkeys, on November 16, 1960.

Members of the Untouchables are Don Cole, captain, Terry Engleman, captain; Bob Webb, Bill Kintzell, Ron Cranford, Don Springer, Richard Rhodes, Paul Ritzinger, Jack Rankin, Ron Benek and Bruce Anderson.

US Students Able To Study Abroad During Vacation

Four British and two Austrian summer schools are offering special six-weeks courses to American undergraduate and graduate students in July and August, 1961, it was announced by the Institute of International Education.

Under the University Summer Schools program, students can apply for study at one of four schools, Stratford-upon-Avon, University of London, Edinburgh School, and Oxford. Courses will include English literature, history, philosophy, art, and music.

Scholarships Available

The inclusive charge for board, residence and tuition for six-weeks at each of the four British summer schools is approximately \$254. A limited number of full and half scholarships are available.

Under the Austrian Summer Schools, courses in the German language, foreign policy, Austrian literature, European music and history of Austrian art will be offered at the Salzburg Summer School. The German language, liberal arts, law and political science, and physical education will be included in the program at the University of Vienna.

Half Terms Offered

The fee for the entire six-week program, which includes registration fee, room, board, tuition, examination fees, several conducted tours and three Salzburg Festival tickets, is approximately \$250. A few full scholarships are available and a half-term program is offered for a fee of \$135.

Overseas Teaching Positions Offered

BSC students with dreams of teaching in foreign lands are urged to investigate opportunities available to them overseas. Many of these positions pay travel expenses and, in most cases, the language of instruction is English.

The Advancement and Placement Institute urges all American educators who are able to do so to take advantage of the many opportunities to teach in foreign lands both for the contributions they can make in interpreting our country abroad and for the enriching experiences in international understanding they can bring to our students in this country upon their return to the schools of the United States.

Journal Publishes Positions

The Institute, a non-commercial professional information and advisory service for the field of education, publishes foreign education positions in its monthly non-fee placement journal, *Crusade for Education*. The issues include specific data, including qualifications and salaries, about actual teaching, administrative, librarian, research, and science positions in many schools in many lands. Among those included are private schools in Australia, Canada, England, Iraq, Peru, Costa Rica, and Switzerland; American-type schools in Austria, Brazil, Columbia, Ecuador, Guatemala, Mexico, Puerto Rico, and Venezuela; universities in England, Hong Kong, Greece and Mexico; language schools in Spain and Finland; public schools in Australia, Canada, Turkey and England; high schools in Jamaica; and U.S. Government Overseas Dependent.

The placement journal may be ordered from The Advancement and Placement Institute, Box 99-M, Station G, Brooklyn 22, N.Y. The fee is \$2.00.

Students at Millersville SC are well on their way to setting up a used book store for the school.

Application for both British and Austrian programs may be obtained from the Information and Counseling Division, Institute of International Education, 1 East 67th St., New York 21, New York, or from one of the Institute's regional offices. British summer school scholarship applications must be received before March 1, 1961, and admission applications before March 31. Scholarship applications for Austrian schools must be returned by March 1, and admission applications by May 1.

Maroon and Gold CLASSIFIEDS

RATE: 25c per 20 words for members of the college community. All classifieds may be placed in Box 58 at the BSC post office.
FOR SALE: Tire, 5.90-15. Tubeless blackwall Firestone. Used one mo. Good deal for quick sale. Box 34.

Co-eds Are Eligible To Enter Competition

All undergraduate college girls between the ages of 17 and 22 are eligible to compete for a national crown and \$5,000 in prizes in the National College Queen Contest. Free entry blanks and complete details can be obtained by writing to: National College Queen Committee, Paramount Building, 1501 Broadway, New York 36, New York. Any co-ed interested in entering the contest may be nominated by herself or by classmates.

Judging will be based on attractiveness, personality, scholastic accomplishments and campus activities. The board of judges does not seek a "beauty queen." Instead, it searches for a truly typical college girl.

Included in the prizes are a two-week tour of Europe, a complete wardrobe, other merchandise gifts, and, if the winner is interested in theater, a \$1,600 scholarship in the Dramatic Workshop in New York City.

The National Finals will be held in Fort Lauderdale, Florida, in April, 1961. Regional contests will precede the national event. The regional prize is an all-expense trip to Florida.

Graduate Programs

(Continued from page 1)

roll in a maximum of four semester hours of graduate courses each semester. A student may enroll during the summer term for a maximum of ten semester hours of courses. The graduate tuition fee will be twenty dollars per semester hour.

Each student admitted to candidacy for the Master of Education degree will be assigned to an advisory committee consisting of two members of the graduate faculty and the Director of Graduate Studies.

Requests for application forms

Departments Compile Extensive Book Lists

Several of the departments of the college are in the process of compiling extensive lists of books for the library or are planning to do so. The department of communications, consisting of English, Foreign Languages, and Speech has brought its compilation almost to an end. Several other departments are beginning work on the same project. Within a year's time a large number of these books should be on hand for use, and thereafter there will probably be a steady flow of such additions to the library.

Best Interpretation Of Poem Worth \$500

An award of 500 dollars will be given for the best oral interpretation of Edna St. Vincent Millay's poem, "Renaissance," in the Webcor college oral interpretation contest.

The speech staff of Southern Illinois University will serve as judges for the contest. The criteria for their decision will be modern standards of oral interpretations techniques.

Tapes Due March 1

Tapes will be submitted no later than March 1, 1961, and will become the property of the Speech Department of Southern Illinois University. One hundred of the best recordings will be kept at the university for study and analysis by any school participating in the contest.

Approval Needed

Any student wishing to submit an entry must be approved by the college speech department. Tapes and requests for further information are to be sent to Louis Sirois, Contest Director of the Southern Illinois University Speech Department, Carbondale, Ill.

The Actors' Lab of Cap and Dagger at Bucknell University presented *Oftot the Troll* by John Wheatcroft for the children of Lewisburg before the Christmas holiday.

and additional information should be addressed to Dr. Thomas B. Martin, Director of Graduate Studies.

Husky Matmen Successful In Early Season Meets

Opening the season with a trip to the Midwest, the Husky wrestling squad faced some of the stiffest competition they will undoubtedly face all year. They came through in true Bloomsburg fashion though, and Coach Houk was well pleased with his charges.

Two of the three matches were in Minnesota. The first was against a very strong Mancato team that is currently ranked among the top ten teams in the nation. Still stiff from the long drive, the grapplers made a valiant bid but dropped a 20-10 outcome to their hosts. Don Sarinelli, Bill Hughes, Dick Scarese, and Don Poust were the chief point-getters. Sarinelli won by decision and the others by virtue of a draw.

Moving on to Winona, Minn., the Huskies rebounded from their loss by beating Winona State 18-12. Bill Hughes, "Otz" Gorant and Gene Dixon defeated their opponents while Scarese, Poust, and Dick Stemfli earned draws.

The next and last stop was at Wisconsin State where our strength became evident by the lop-sided score 20-5. Hughes, Gorant, Scarese, Poust, Dixon, Stemfli, and Garson all helped to insure the boys of a pleasant journey back to campus.

Individual Match Results of the Trip

	W	L	D		W	L	D
Hughes	2	0	1	Poust	1	0	2
Gorant	2	1	0	Dixon	2	1	0
Scarese	1	0	2	Stemfli	1	1	1
Sarinelli	1	2	0	Garson	0	2	1

Huskies Third At Wilkes

The wrestlers also entered the Wilkes Tournament and despite loss of the services of Dixon, Sarinelli, and Garson through varying circumstances, managed to place fourth in a field of over fifty entries. This large an event meant that each weight class contained between 35 and 40 hopefuls. "Chubber" Hughes, Joe Moletski, and Gorant placed third and Don Poust fourth. This is the highest Bloomsburg has ever placed in this tournament.

Huskies Triumph At Shippensburg

The Huskies traveled to Shippensburg last Saturday night and racked up one of the most lop-sided scores of the young season. Bill Hughes, Tom Gorant, and Dick Scarese won their matches by safe margins before Wayne Moss and Don Poust dropped theirs. Dick Stemfli's pin insured Bloom a victory so that wins by Gene Dixon and Bob Hall were icing on the cake. The Huskies open at home on January 14 against Millersville; J. V.'s start at 6:30 and the Varsity at eight.

Swimmers Open With New Coach

The Husky mermen under their new coach, Robert Zeigler, will open the 1961 season against the Bald Eagles of Lock Haven, Saturday, January 14.

The Huskies, led by co-captains Lou Konetski and Floyd Grim and a strong core of returning veterans which include Nelson Swarts, Ron Davidheiser, Don Young, and student coach, Tom Little, should be a formidable contender for State College honors.

Coach Zeigler is counting on a fine group of freshmen to supply the squad's needed depth and improve last year's record of 0-8.

Probation

(Continued from page 1)

Probationary counseling meetings are being planned for BSC students whose names appear on probation lists.

Conditions Must Be Met

Faculty committees will be appointed by divisional directors to meet with students in academic difficulty. The committee will outline the conditions under which the student may remain in college or will suggest requirements which must be met before the semester ends. Following each meeting, students will be informed in writing by the Dean of Instruction's office of the conditions.

Divisional groups for freshmen have already met and discussed probationary policy.

Record-breaking List

Bloomsburg reached an all-time high in the number, and perhaps in the percentage, of students on probation with the release of the recent probation list. Dean Hoch feels there will be a reduction in the number on the list at the end of the second semester. The anticipated number at this time is 350.

Unlimited Senior Cut System Used At N.C.

Greenville, N.C. (I.P.) — Seniors at East Carolina with a "B" average or better may have an unlimited number of class absences in each of their courses of study, beginning with the winter quarter of the present academic year. The new ruling does not apply to seniors doing student teaching.

Departments of instruction have also been authorized to offer on an experimental basis certain courses in which the teacher and the student will meet for a series of conferences and will not be required to

B Club Plans Trip To Lycoming College

Practice for the girls varsity basketball team will begin Monday evening, January 16, in Centennial Gym along with the volleyball and swimming practices. Any girl is eligible to attend these practices.

Miss Wray, B Club advisor, has arranged for the B Club girls to travel to Lycoming College for a playday on February 4. Along with basketball, competition in volleyball, swimming, ping-pong, badminton, and bowling will be offered. Any girl interested in attending this playday may contact Miss Wray. The girls to represent Bloomsburg will be selected from the varsity teams that were organized on Monday evenings. The Bloomsburg girls hope to have the opportunity to extend a similar invitation to Lycoming and other colleges in the surrounding area in the near future.

Basketball intramurals are continuing for the girls every Tuesday and Thursday afternoons and volleyball intramurals will begin soon.

follow a set schedule of class meetings. A plan for independent study will be worked out by the student and his instructor in these courses.

Red Raiders Bow To Husky Quintet In Home Opener

Last Saturday night the Husky "court-men" opened up their 1960-61 home season before a jam-packed Centennial Gymnasium crowd. The fast improving Huskies were out for revenge for an early season 72-66 loss at Shippensburg. In gaining this revenge the Bloom quintet almost ran the Red Raiders right out of the gym as they utilized their fast breaking tactics to score time and again in gaining a 46-30 half-time advantage. Leading the way for the Huskies in the first half were "Flip" Houser with 18 points, and Gary Ruppert with 10 points and 11 assists.

Houser Leads Scoring Attack

In the second half with Norm Shutovich, who had been hampered by three early foul calls in the first half, sweeping the backboards, and Ruppert leading the fast breaks and passing a la Bob Cousy to Fran Curran and Dick Lloyd, the Husky Basketballers coasted to an 87-79 victory. This makes the Husky's record two wins and one loss. The other victory was over Kings College. The Huskies had a well balanced attack in this contest as "Flip" Houser led the way with 22 points. Fran Curran was second high, hitting 13 points in the second half and 17 for the night and Dick Lloyd played a steady, all around game and was tie with Gary Ruppert with 15 points apiece.

Shippers Sink JV's

The JV game was a very close contest which saw some fine shooting by Jeff Garrison, Larry Breiner, and Art Kenney for the Huskies. It was close all the way with Shippensburg pulling ahead by 4 at half-time and then a nip and tuck finish with Shippensburg winning 54-52 as a Bloom desperation play with one second left misfired.

The Huskies are on the road next week with games at Mansfield, Wednesday, and Kutztown, Saturday. The next home games are Monday, Jan. 16, with King's and Friday, Jan. 20, with Lock Haven.

SPORTS SHOTS

by
WAYNE T. MORRISSEY

We were glad to note the Husky grapplers were highly successful during the holidays while we were home sipping on egg nog and what have you. It appears as though Russ Houk has come up with another winner this year and excluding injuries, should be the team to beat in the State Conference. At any rate their impressive 20 to 8 victory at Shippensburg last week should be some indication of their power, and should certainly attract a packed house this Saturday night at Centennial Gym.

Post Season Honors

We notice that the post-seasonal honors are now complete with the placing of Moses Scott and Bob Warren on the honorable mention All-Pennsylvania squad and the placing of Stan Hugo on the honorable mention Little-American. This is quite an accomplishment for boys from such a small college. Congratulations men!

This column does not usually print rumors, merely because of the fact that most of those which we receive are not worth printing, but one has come to our attention lately that seems to fill the bill. We've heard that "Mr. Basketball," Dick Lloyd, who eats, sleeps, talks, walks, crawls, and dreams basketball, even dated basketball on New Year's Eve. How about that Dick?

New Swimming Coach

We notice that there has been an administrative change on the swimming team with Mr. Zeigler taking over as head coach and Tom Little being relegated to student coach. This is indeed a break for the team who are depending on Tom for distant swimming. This will give him a chance to concentrate on conditioning himself, as I understand that during the holidays his waist jumped from 32" to 35". Lots of luck with your weight problem Tom.

Huskies Impressive

We were quite impressed with the fine showing of the Husky "ball-hawks" last Saturday. Their brand of basketball seems much improved over last year. This could be accredited to their new coach, Mr. Foster, who has pressed the boys hard since the beginning of the season. It also might be accredited to the fine performances turned in by newcomers such as Gary Ruppert, and the continued success of last year's stand-outs, Dick Lloyd and Norm Shutovich.

Well, that about wraps it up in sports this week, but first one final word. We are all pressed with this three week grind of exams, but most of us find time to support the efforts of the Huskies. Make sure you do too.

Bowlers Defeated by Wilkes College Team

The Bloomsburg bowling team was defeated by Wilkes College 2589-2542 in a three game match Sunday at Jimmy's Central Lanes in Wilkes-Barre.

The Huskies led through the first three games only to have the Wilkes keggers put together a 914 in the final game to take the match.

Joe Dantas lead the Huskies with a 561 series; Bud Weber was second with 533. Dave Sokira of Wilkes was high man for the day with 591.

The Huskies will face the Keglers of Kings College at Kings on Sunday, January 15.

Five Teams Battle For Intramural Title

The Intramural Basketball tournament, playing under double elimination rules, has just five teams left in contention. These include "The Studs," who are captained by Jim Conrad, "The Donkeys," who are led by Fred Baker and Roy Pfeffer, "Shamokin," "The Unforgiveables," and "The Buckets."

The tournament consist of two leagues, with each league playing a double elimination schedule. The winners of each league will meet in a play-off game to determine the championship.

Summer Job Data Available--For Fee

The new enlarged 1961 Summer Placement Directory, published by The Advancement and Placement Institute, is now available for use by college students, teachers, and librarians. This year's Directory offers many special student training programs or openings of a permanent nature in firms such as Eli-Lilly Co., Vick Chemical Co., Addressograph-Multigraph Corp, Singer Sewing Machine Co.

Study projects, camp positions, jobs and apprenticeships with summer play houses and music theaters, and work at inns, restaurants, hotels, motels, lodges, and dude ranches are some of the other varied offers made to students and educators. Many branches of the U.S. Government in Washington and throughout the country have also requested their openings to be included.

All openings have been submitted directly to the Institute and include job descriptions, dates of employment, necessary qualifications, salaries, number of openings, and the names and addresses of the employers. Helpful information is given on how to apply for positions.

The Summer Placement Directory can be obtained for \$3.00 directly from The Advancement and Placement Institute, Box 99B, Station G, Brooklyn 22, N.Y.
