

MAROON AND GOLD

FOR CAMPUS NEWS AND VIEWS

Volume XL

State College, Bloomsburg, Pa. — Friday, January 19, 1962

Number 9

Jeanne Fischer New CGA Officer

Jeanne Fischer

Jeanne Fischer, a junior business education student, has been appointed CGA Corresponding Secretary for the remainder of this year.

The duties of this newly created office are: to conduct all CGA correspondence within and outside of the college; to send notices of and the agenda for future meetings to all Council members; and to report whatever action is taken by the CGA to the Maroon and Gold staff.

A referendum proposing a change in the present CGA constitution will be voted on by the student body on February 4. The purpose of the referendum will be to place the new office of Corresponding Secretary on the same standing as the other CGA offices.

"Plain and Fancy" To Be Presented

The Choraleers, in cooperation with Bloomsburg Players, will present the musical comedy "Plain and Fancy," February 15 and 16. The play, which deals with life among the Pennsylvania Dutch, is noted as one of the best musicals to appear on the Broadway stage.

The cast for the Bloomsburg production is: Diane Wind, Mary Ellen Horner, Doris Talley, Sterling Smith, George Strine, Mr. Donald Vannan, Theresa McHugh, Mr. Craig Himes, Mr. James Leitzel, Donna Lore, Andrew Hainichar, Karen Hoffman, Mazie Benfield, Billy Lerhard, George Weigand, Robert Hensley, Dean Long, John Sills, David Allspaugh, Evelyn Rink, Jean Valentiner, Marilyn Rink, Mary Ann White, June Getz, Carol Ammon. Dancers for the show are: Serilyn Morell, Dolores Keen, Arlene Butala, Bernadine Ardere, Jeanne Dauksa, and Bonnie Lyshan. The stage manager is Marlon Zelones.

Directors of the show are Mr. William Cope, Miss Mildred Bisgrove, vocal; Miss Mary Homrighous and Miss Helen Kelly, technical; Dr. Charles Carlson, orchestra.

Martin Announces Graduate Courses

Dr. Thomas B. Martin, Director of the Division of Graduate Studies at Bloomsburg State College, announced that courses to be offered during the second semester of the 1961-1962 college term have been planned for the benefit and convenience of three groups of students. These groups consist of business and elementary teachers who wish to earn the Master of Education degree, and certified teachers in other areas who wish to enroll in general professional education courses for the purpose of transferring graduate credit to colleges and universities which offer degrees in the teachers' areas of specialization.

(Continued on page 4)

Announce Increase Of Appropriation Received by BSC

Dr. Harvey A. Andruss, President of BSC has announced that the college will receive \$2,052,660 to cover its expenses from July 1, 1962, to June 30, 1963. This appropriation does not include over two and a half million dollars required for the construction of two dormitories and an addition to the Heating Plant at BSC.

The new appropriation represents a \$95,000 increase over the period covering June 1, 1961, to June 30, 1962. This increase was made possible by the announcement of Governor Lawrence that the budget would provide \$580 per year for each student enrolled as of September, 1961. Previously \$530 had been allotted per student.

Based on the provision of \$580 for each student, the Commonwealth will provide \$1,102,000 of the total appropriation of \$2,052,660. The remainder of the amount will be collected from students at BSC in the form of charges for basic fees and housing.

Frosh Head Semester Probationary Report

Of the 573 probationary BSC students first semester, 247 freshmen comprise the largest percentage of the list. The remainder are upperclassmen whose semester average is lower than 2.0. Many of the students on probation this semester have a cumulative average of 2.0 or better, however. Approximately 80 students now have a critical scholastic standing. These students will meet with their divisional directors to determine the future of their college career. Whether or not they will remain in college will be decided on the basis of their professional promise and the probability of achieving and maintaining a 2.0 average.

BSC Victorious In Basie Suit

College Council, with the approval of the President of the College, Dr. Harvey A. Andruss, accepted the offer of Willard Alexander Inc. to refund \$150 for breach of contract of the Count Basie concert presented October 27.

Myles Anderson, President of College Council, presented a financial suit against Count Basie, Willard Alexander Inc., New York, New York, and Penn-World Attractions, Harrisburg, Pennsylvania, in the amount of \$350 as the reimbursement figure from the contracted amount of \$3000 awarded to the three parties above.

Breach of Contract

Request for breach of contract was based on the following evidence:

The Community Government Association contracted for sixteen musicians and only fifteen were present for the performance—one less than the contracted amount.

Since the absent musician, a drummer, is a key figure in the Count Basie orchestra, the concert presented was of inferior quality; this would not have been true if he were present. The high walk-out number during the concert and intermission accounts for this.

Affects Future Attendance

As a result of the above, it will definitely injure attendance for future Big Name Entertainment as well as reflect upon the character of the institution.

The acceptance of \$150 is not a justifiable amount based on these three elements; however, that consideration was even given to this case, since contracts are so protective in behalf of the musicians, is quite unusual.

Taking this matter to a Court of Law in all probability would mean a higher reimbursement figure, but with the expenditures involved the

Degrees Granted Yesterday; LOOK Editor Speaks

Mr. William B. Arthur

William B. Arthur, Managing Editor of LOOK magazine, was the featured speaker at the annual mid-year Commencement Convocation at Bloomsburg State College. The Commencement exercises were held in Carver Hall Auditorium yesterday, where the Bachelor of Science degree was conferred on sixty-four students by Dr. Harvey A. Andruss, President of the college.

Native of Louisville

A native of Louisville, Kentucky, "Bill" Arthur was graduated from the University of Kentucky and began his career in journalism as a member of the Courier-Journal (Kentucky). He was chief of the Press Branch of the War Department Bureau of Public Relations during World War II. Mr. Arthur was awarded the Legion of Merit for his wartime service and has attained the rank of Lieutenant Colonel.

Following his separation from the Army, Mr. Arthur joined the Washington staff of LOOK in April, 1946; shortly after, he became a member of LOOK's New York editorial staff. Subsequently he moved up to Assistant Managing Editor and assumed the duties of Managing Editor in December, 1953.

An active participant in civic organizations, Mr. Arthur is currently acting president of the New York Chapter of Sigma Delta Chi, national professional journalism fraternity and is a member of the English Speaking Union. He is also on the Advisory Committee for the National Education Association's Golden Key Award.

Commencement Program

The Commencement program began with the processional, "Festal Procession," which was followed by the scripture reading by Richard Lloyd, senior class president. Following announcements, William Arthur presented his address to the graduates after which the Dean of Instruction, John A. Hoch, presented the graduates for graduation. Dr. Harvey Andruss conferred the degrees on the candidates to be graduated. The program closed with the "Alma Mater" and the recessional, "March."

SADIE HAWKINS DAY

Today is another Sadie Hawkins Day. A dance will be held from 8 to 11 in Centennial Gym. Come to the dance in bermudas or slacks, relax, and have a good time round and square dancing to the music of Jack Hartzell.

Girls — don't forget — you're the aggressor for this one.

amount finally received would be lower.

May I say that this episode by (Continued on page 4)

Outstanding January Graduates Honored; Cole, Sharpe, Rinehimer Receive Awards

Service Keys were awarded at the commencement exercises last night to Harry E. Cole and Roger Sharpe for their "outstanding service to the college and to the public". Marilyn Rinehimer has been selected for inclusion in the publication *Who's Who Among Students in American Universities and Colleges*.

Service Keys are awarded to the students having the highest number of points, with a minimum of twenty in activities.

Harry "Zeke" Cole, Bloomsburg, Pennsylvania, was president of the freshman and sophomore classes, member of the College Council for three years during which time he served on the Social Recreation committee, member of the Blooms-

burg Players and served as vice-president in his sophomore year, member of the Maroon and Gold staff as well as becoming Editor-in-Chief, Associate Editor of the *Pilot*, president of Alpha Psi Omega his junior year, and participated in the following organizations: Kappa Delta Pi, Phi Sigma Pi, Student Pennsylvania State Education Association, Dramatic Club, Science Club, English Club, and the *Olympian*.

Roger Sharpe, Royersford, Pennsylvania, was the vice-president of his freshman and sophomore class, treasurer of the Bloomsburg Players, treasurer of the College Council Association, Chairman of the Election Board and Dining Room committee of CGA, and was a

member of the Dramatic Club, Science Club, Phi Sigma Pi, and Student Pennsylvania State Education Association.

Marilyn Rinehimer was selected for inclusion in the "national directory of distinguished students throughout the nation" by the Deans and Directors of Bloomsburg State College on the basis of "actual ability, scholastic achievement, personal achievement, personal traits, leadership, potential usefulness to society, and professional promise."

Miss Rinehimer, Wapwallopen, Pennsylvania, has participated in the Atheneum Club, Kappa Delta Pi, intramurals, CGA Customs, and the Election Board Committee.

Harry Cole

Roger Sharpe

Marilyn Rinehimer

A Vote of Thanks

Criticism of the facilities at BSC often outweighs the expression of appreciation for what is being done. So, let's consider . . .

The facilities and the services of the college library have steadily improved with recent additions and innovations. Microfilm is now available for research, and not too long ago a new system for checking out books and materials was set up. Between June and December 1961, approximately 1400 new books were put into circulation which does not include bound volumes. In the school year 1960-1961, more than 3400 new books were added. This amount was almost double the total number of books that were added in the previous five-year period, 1955-1960.

LIBRARY HOURS EXTENDED

Access to more reference materials and a desire expressed by many students to use the library for study brought about the most recent change — extension of library hours. The result of this change was the work of the Library Policy Committee of CGA and the library staff. The library personnel recommended that the library remain open during dinner hour for students who prefer to study during that time. They have also rescheduled their work hours. Library hours are now 7:50 a.m. until 10:00 p.m. Monday through Friday; 7:50 a.m. until 4:50 p.m. Saturday; and 2:30 until 9:00 p.m. Sunday.

IMPROVEMENTS APPRECIATED

Appreciation for these improvements has been voiced among the students. Publicly, we extend a vote of thanks to the administration for their cooperation; to faculty members and students who have worked to bring about improvements; and to the library staff. The additional amount of time and work involved is recognized by the college community. Is it reflecting on student grades too? The probationary list is not as long as it was previous semesters.

Let's consider . . . and show appreciation by taking advantage of the services and being courteous while doing so.

Letter .. to the Editor

Dear Editor:

What this campus needs is not a good five-cent cigar, but an organization interested in foreign affairs and the world situation. Many of us would like to study or teach abroad, but we just don't know how to find out where we could go, or how to get there, or what to expect once we are there. Others on campus would like the opportunity to talk to foreign students visiting the United States. A number of students have expressed an interest in an organization that would encompass these and many more ideas. Anyone interested in starting such an organization, contact Karen Haywood, Box 427, as soon as possible—we want to get started! (Social studies majors, here's what you have been looking for!)

—Karen Haywood

A.F. Eases Student Prog'm Standards

United States Air Force headquarters has recently eased the qualifications for college graduates who plan to enter the Officer Training School Commissioning Program. Both male and female college graduates may now apply up to age 29½ and seven months prior to graduating from an accredited college or university.

College graduates are required to attend a 90-day pre-commissioning course at Lackland Air Force Base, Texas, and upon completion are assigned to a position for which they are trained at college or are given the opportunity to apply for flying training. Initial salaries for non-flying and flying officers range from \$4056 to \$5460 yearly.

Interested persons contact Technical Sergeant Richard J. Whipple, Recruiter, Office in Sunbury, at 6-6662 or 2046 White Birch Lane, Bloomsburg, 784-2994.

Notes & Quotes

by SUE HALKYARD

One of the "big lies" that has been fed to the American people and is still continually being fed to them this very day is that the appeal of Communism is to the poor, naked, and hungry! This is the Biggest Lie, for the appeal of Communism has always been to the student and the intellectual mind. In every country the Communists have taken over they have used the poor as a means, but the actual take-over has been accomplished by the subversion of the student and intellectual minds.

Communism Challenges Students

The nature of that appeal is a promise that the student and the intellectual can achieve two things by association with the Communist party: He can participate in the conquest of the world; after the conquest of the world he can then participate in a program to change human nature, perfect human character, and populate the entire earth with a new quality of personality infinitely superior to any that history has ever known.

When you ask the Communist a simple question: "How are you going to change human nature?" they would answer with one word—and that word is "science." The reply: "We are scientists. Science has changed the world of animal husbandry. We can use science to change human nature itself."

Infiltrating College Campuses

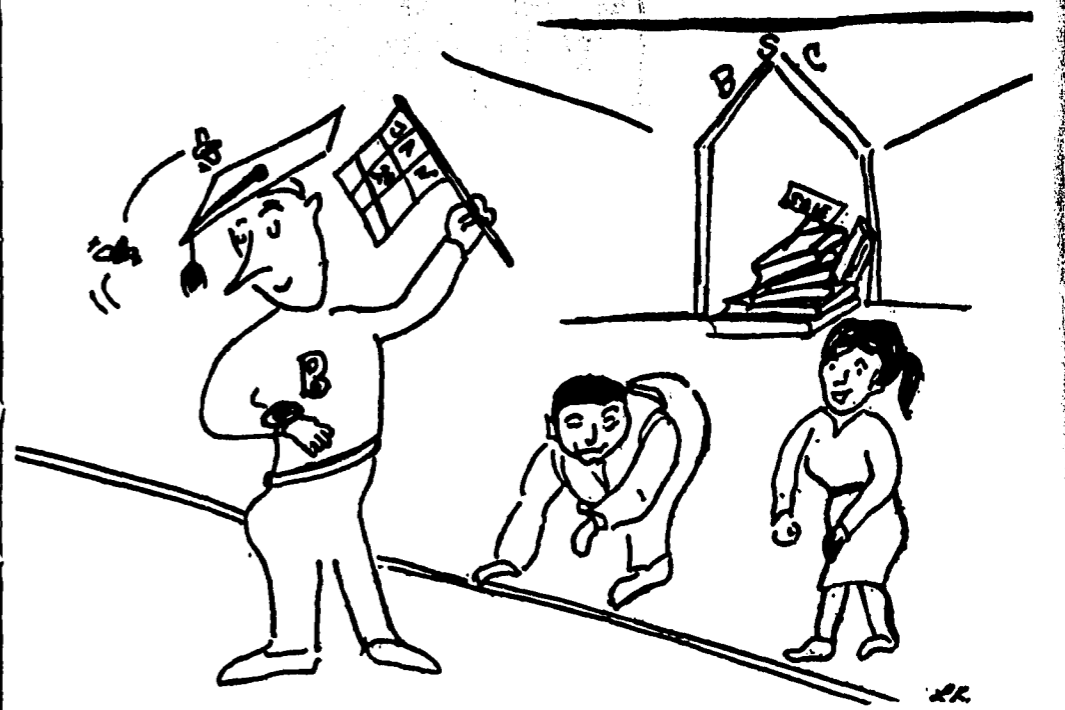

Communists are not born — they are made. They are being formed constantly on the campuses of the world. As long as youth are disillusioned and confused, materialistically oriented and spiritually unfulfilled, there will be no lack of Communist recruits. Herein lies the greatest challenge of education today.

The American people simply refuse to believe that the Communists can ever take over America. Yet what is it the Communists fear the most? It is not our atomic or hydrogen bombs, not our military forces. It has been said that "the only thing in the world that the Communists are afraid of is the fact that the American people will WAKE UP to the danger they are in! They know that if the American public ever become significantly aware of their danger, they will wipe Communism from the face of the earth within three years and do it without resorting to war."

As an educated person, do you feel that you are morally obligated to be well-informed about Communism and that one of your primary responsibilities is to use your education to make others aware of the true nature of this menace? If not, then with whom does the responsibility lie?

BSC Receives AEC Grant for Biology

A \$5,000 grant from the Atomic Energy Commission has been received by Bloomsburg State College for purchasing equipment necessary in the course of radiation biology. The equipment is expected to be installed for a September 1962 semester course.

Twist on Home

Fear not friends, the agony will soon be over!! The tired, strained faces seen on the campus this past week are not indicative of an Asian flu epidemic or galloping consumption—this is but one of the many signs that the "hour of truth" has arrived once again. Those who recently became acquainted with their text-books for the first time may have found these few days a bit rugged—and the infirmary reports a sudden influx of students with "cribsheet-itis." (The medical term for writer's cramp caused by the preparation of too many crib sheets or ponies.)

The faculty has reported many new faces appearing in classes—

faces which had only been seen by them sporadically throughout the semester. More letters have been written home in the past few days than ever before. Most of them begin:

"Dear Folks:

Just in case you get a letter from school that I'm on probation, please disregard it. I've been the victim of unfortunate circumstances and am now proceeding to clear the matter up . . ."

Soon it will be over! The new semester will begin and we will all have a few more months of easy-living before another "hour of truth" arrives. Aren't you glad you came to college? ?

In The Commons

by JINNY HESEL

What's this? You say that you don't get enough to eat in the Commons! Here is some interesting information found in food usage audits that proves you wrong.

A food usage audit is simply a comparison between the food that is purchased per person for a two-week period and according to the standard set up by the United States Department of Agriculture Food Budget, for persons between the ages of seventeen and twenty-six. Here is one such food usage audit for the weeks of October 29 and November 5, 1961:

1. According to the food budget, 9½ pounds of meat, fish, and poultry should be received per person. We received exactly 9½ pounds.
2. Dry beans, peas, and nuts—7 ounces per person. We received exactly this amount.
3. Potatoes—5 pounds per person. We received 8½ pounds per person.
4. Fats—2 pounds per person. We received 2¼ pounds per person.
5. Sugars and syrups—2 pounds per person. We received the same.
6. Leafy greens and yellow greens—1½ pounds per person. We received 2 pounds per person.
7. Citrus fruits and tomatoes—5½ pounds per person. We received 7 pounds per person.
8. Other vegetables and fruits—11½ pounds per person. We received 15½ pounds per person.
9. Flours, cereals, and baked goods—7 pounds per person. We received only 4½ pounds per person.
10. Eggs—14 eggs per person. We fats, sugars and syrups, leafy greens and yellow greens, citrus received 19½ eggs per person.

11. Milk—14 quarts per person. We received exactly 14 quarts.

Therefore, we were over and above the amount for potatoes, fruits and tomatoes, other vegetables and fruits, and eggs. The only category in which we were deficient was flour, cereals, and baked goods. Mr. Phillips explained that this is the result of the unpopularity of these foods among the students. Most surprising is the fact that we receive the specified amount of milk.

Playing Hooky

by B. J. L. Shockley

(Ed's Note: The following is an article reprinted from the Pennsylvania Game News, January, 1962, written by a BSC professor.)

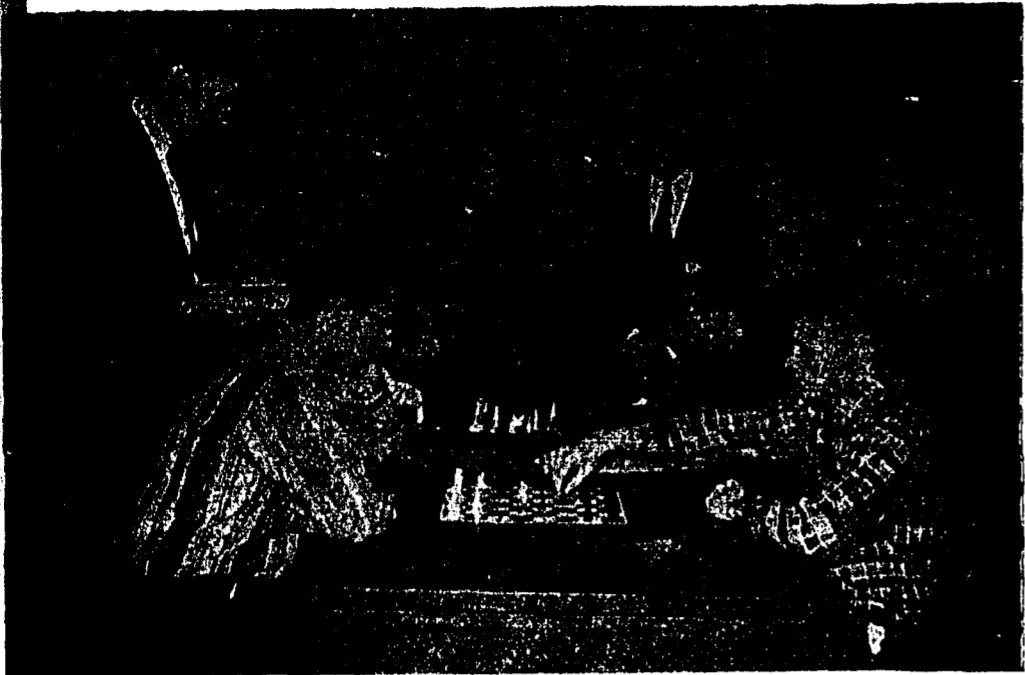

Hunting season is quite an institution in Pennsylvania, U.S.A., and playing hooky to take part in that great American pastime in at least one of our fourteen State Colleges for training teachers is a wonderful sport and quite an excellent test in ingenuity.

Take, for instance, this set of excuses which bids a challenge to the time-honored fleshman's knack for telling tales absolutely and elastically true:

- (1) A slight malady—Rabbit itch (Small game season)
- (2) Upset. Pheasant flu. (Small game season)
- (3) Buck fever (Deer season)
- (4) Contracted the one-day virus (Deer season)
- (5) Family troubles. Children have to be fed. (Small game season)
- (6) Field trip to Pike County and the North Mountain region (Deer season)
- (7) Cross-country meet (Small game season)
- (8) Job interview with C. A. Deare (Deer season)
- (9) Five points and I missed (Deer season)
- (10) Nature study: The Ecological Distribution of Mammalian Habitats (Deer season)
- (11) Nature study: Noting the effect of the *Odocoileus virginianus* borealis on the *Betula lutea* and the *Betula lenta* and the *Acer saccharum*. (I think this means the white-tailed deer on birch trees and the sugar maple)
- (12) Observation of the *Ursus Americanus Americanus* (Bear season).

.. CLUB NEWS ..

Chess Club Holds 2-1 Record

The BSC Chess Club now holds a 2-1 record. This has been achieved by victories over Muhlenburg State College and Lehigh University, both with scores of 7-3. The loss was to Sunbury YMCA with a score of 2-1.

The Chess Club is sponsored by Dr. Gilbert Selders, Mr. Thomas Haulp, and Mr. Donald D'Elia. The club has ten members. The officers

are Bill Kuhns, president; Don Cole, vice president; Jim Schaughnessy, treasurer; and Elaine Starvatow, secretary.

The remainder of the club's schedule includes playing E. Stroudsburg twice and Muhlenburg, Lehigh, and Sunbury YMCA, once each. Practice is held every Thursday at Science Hall.

Players Prepare Mental Health Play

The Bloomsburg Players are preparing a mental health play entitled "Return To Thine Own House" by Nora Stirling. Each year the Players present a play of this type to the civic and church groups in the area.

This year's play deals with the problems of a man recently released from a mental institution. The cast members are: Bruce Van Housen, Elizabeth McDonald, Lovey Kopetz, Steve Stedman, and Robert Hensley.

Debaters Sponsor Assembly Program

The BSC Debating Club will sponsor their Second Annual Assembly Debate on Thursday, February 15. Bucknell University will uphold the affirmative side and BSC the negative.

Representing Bucknell will be John Warner and Al De Prince. Representing BSC will be William Mattern and William Martin.

The subject to be debated will be the national debate topic, "Resolved: labor organizations should be under the jurisdiction of Anti-trust legislation."

These two teams met previously in a regularly scheduled debate on

the BSC campus. So much interest was aroused as a result of this debate that it was decided to present these two teams before the assembly of BSC.

The following day the BSC Debating Squad will participate in the Kings' College Debate Tournament at Wilkes-Barre. Bloomsburg will be one of the many Eastern colleges represented.

Vet's and Business Clubs View Films

Recently films were shown on campus by various clubs. The Veteran's Club viewed the film, "Operation Abolitionist." This film was followed by a talk from Mr. Frank Gaydos who is fighting against Communism through the use of this film. Mr. Jackson, assistant professor of history at BSC, also made a few comments about this film.

The Business Education Club also saw a film "Communist Encirclement, 1961." This film, sponsored by the Berwick Freedom Club, showed the history and progress of Communism, their penetrations throughout the world, and the needed response of Americans to stop Communism. At their next meeting the Business Education Club will show another film in conjunction with their trip to the New York Stock Exchange on February 2, 1962.

Alpha Psi Plans Annual Talent Show

Alpha Psi Omega is making plans for their third Annual Talent Show which will be presented on March 30. Any organization or individual who wishes to appear in the show should contact Jean Valentin, Box 264. The co-operation of the student body is needed to make the show a success.

Carver Hall Aud. Gets Face-Lifting

Work on installation of new seats in Carver Hall Auditorium, beginning next week, will raise the present seating capacity of 863 to 900. The seats will be of green upholstery and grey metal framework. A lighting project is also being considered for installation.

The Town Council of Bloomsburg has assured the college that it now has the money for the drainage facilities which are necessary before the construction of the women's dormitories can be started. Since this problem between the council and the college has been ironed out, the dormitory contracts are slated to be signed in the near future.

The conversion of room 5 in Navy Hall to an art room has been completed.

Treblow To Join Teaching Staff

Mordecai Treblow, a specialist in organic chemistry, will assume his duties as an instructor at BSC next semester. Mr. Treblow earned his B.A. at the University of Pennsylvania, his M.S. from Penn State University and has completed his course work for a Doctorate in organic chemistry. His graduate research has been done in the field of breaking up of organic chemical compounds related to cholesterol.

Mr. Treblow's experience includes working two years as a graduate assistant at Penn State University, teaching undergraduate courses in organic chemistry for two years at Penn State, working as a research chemist with Rohm and Haas Co. of Philadelphia, and as a bio-chemist for one and one-half years at Temple University Medical.

CEC Plans Field Trip in Meeting

The Alpha chapter of the Council for Exceptional Children at its regular monthly meeting discussed plans for its annual field trip in March. The two schools that will be visited by the group this year are: Shallcross Residential School, a school for the emotionally disturbed, and the Wood School for the mentally retarded. Both of these schools are in the Philadelphia area, so it will be possible to visit them in one day.

Professional orientation reports on "The Socially Gifted" and "Home Training vs. The Classroom with Exceptional Children", were given by Darkus Jacobson and Nancy Pickering respectively.

Dr. Martin Satz was the guest speaker for the evening. His topic was "New Trends in Psychology." He expressed the view that in the future medical doctors and psychologists will be working closer together as a team.

Petitions Avail'ble For CGA Election

The open CGA elections will be held on Thursday, March 1, for which petitions can now be obtained. The Chairman of the Election Board must have these petitions no later than February 28. Primary Elections will be held March 13, after which the candidates' speeches will be given on March 22. March 22 will mark the final elections; the installation of the CGA officers for 1962-1963 will be held on May 10.

The qualifications for officers are as follows:

An eligibility rating of 2.3 for the previous semester and not less than 2.0 cumulative rating shall be required for all elective officers.

Section 1, Article 10 of the Constitution states—"The President of the Association shall be a member of the Senior class for both semesters of his term. The Vice-President shall be a member of the Junior class. The Secretary, Treasurer, and Assistant Treasurer shall be members of the Sophomore or Junior class. The citizenship and scholarship records of all nominees shall be satisfactory as certified by the President of the College."

BSC Seeks Co-ed Of Year Nominees

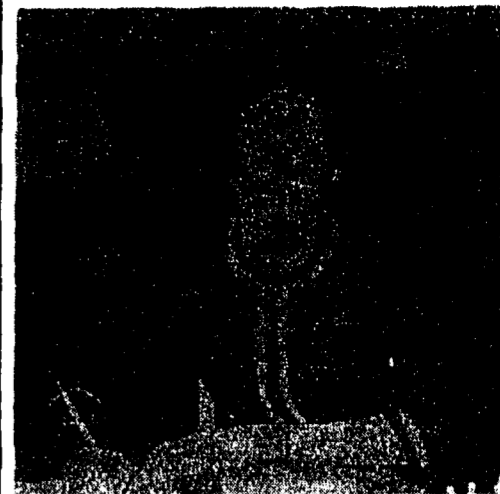

Plans are now under way for the selection of the Co-ed of the year at BSC. This Bloomsburg tradition, sponsored by the Obiter and directed by Manny Gonzalez, is a search for the BSC student who represents the academic and social spirit of the College.

What are the qualifications of a candidate for Co-ed of the year? Every candidate must have a 2.3 scholastic average and be approved by both the Dean of Instruction and the Dean of Students. The co-ed must also be an active member of BSC's student body, an individual who contributes to the College as well as receives.

Each class will select two girls to represent them by February eighth. After the eight candidates are introduced in assembly on February fifteenth, a campus election will be held to determine the candidate most worthy of the title.

The winner of the election will be announced at the Freshman dance February 23.

Dailey Assumes Secretarial Job

Mrs. Elizabeth H. Dailey

Mrs. Elizabeth H. Dailey, Sherwood Village, Pennsylvania, has recently assumed the position of secretary to the Dean of Students, J. Alfred McCauslin. Mrs. Dailey graduated from the College of Wooster, Ohio, where she majored in Spanish.

After receiving a secretarial degree, Mrs. Dailey worked in Cleveland, Ohio, and Pittsburgh, Pennsylvania.

The position, prior to Mrs. Dailey's first day of work, was held by Miss Janet LaCoe, who has worked here since the fall of 1960.

BSC Profs Conduct Courses Off-Campus

Dr. Kendall, Mr. Clayton Hinkle, and Mr. Norman Hilger are conducting courses in cooperation with Penn State University of Continuing Education.

The courses being taught respectively are microbiology at Ashland State Hospital, advance secretarial practices in Berwick, and a recently completed course of accounting and office finance for plumbers.

Graduate Classes

(Continued from page 1)

Dr. Martin also pointed out that credits earned by all teachers-in-service may be used for permanent certification and at the same time help to meet requirements for the Master of Education degree. Any new applicants for admission to graduate study must complete their applications prior to January 27. Students, previously admitted for graduate study, may enroll on January 27 without any other arrangements.

January 27 Registration

Registration for second semester classes will be held from 9:00 to 11:00 a.m. on January 27. The following courses to be offered each Saturday morning, beginning Jan. 27 and ending May 19, include: Corporation Finance (for Business Education); Home, School, and Community Relations (for all certified teachers).

Anyone wishing to secure application blanks or additional information should write or phone Dr. Thomas B. Martin, Director of Graduate Studies, Bloomsburg State College, Bloomsburg, Penna.

CHICKEN SCRATCHES . . .

World: a big ball which revolves on its taxes. . . The ripest apple is the one most ready to rot. . . A budget is a family's attempt to live below its yearnings. . . Conscience is what hurts when everything else feels so good! . . . There are two kinds of little boys: dirty and not yet. . . Too many people work themselves into a lather with soft soap.

Basketball

Coach Bill Foster's cagers have recovered from a loss at Kings College by hitting the win column twice. The Huskies defeated Kings just before the Christmas vacation but dropped a 79-73 tilt on January 6. The Kings' game was lost at the foul line, both teams had 27 baskets. Dick Lloyd was high man for Bloomsburg with 21 points.

On January 10, the Huskies won a squeaker against Mansfield State College. We upset Mansfield's string of 24 consecutive wins with a score of 61-60. Ironically, on February 11, 1961, Mansfield had defeated the Huskies at Bloomsburg by a 72-71 score. The rotation system, involving substitutions, was used throughout the game.

At Cheyney

Cheyney (3-3) was the next competitor. They lost at the hands of the Huskies by nearly a 30 point margin; the score was 94-65. Captain Lloyd was again high man with 25 points (putting him at the 400 field goals mark, a new record for Bloomsburg, the old one being 397) as he continues to lead the squad in individual scoring honors with an average of approximately 20 points per game. Bloomsburg is currently undefeated with a 3-0 record in the Conference competition. The Huskies have had victories over Geneseo State College (88-73), Kutztown (79-74 overtime), Kings College (84-61) and have dropped only the second Kings' game.

Next Games

Bloomsburg will go to Mansfield for a return match tomorrow, January 20. This game could be a vital link in determining the champion in the Eastern Division of the State College Conference. The next home game will be on January 27, against East Stroudsburg.

Husky Grapplers Still Undefeated

Coach Russ Houk's grapplers won their 15th consecutive meet on Saturday, January 13, at Millersville State College. On January 6, the Huskies defeated Shippensburg State College.

Millersville, once a powerhouse, lost to the Huskies 17-11; the score was tied at 11 points by the time of the last two matches. The Husky line-up for the meet was shifted due to the absence of Bill Garson. Dave Stuempfle, Dick Scorese and Bill Paule all wrestled over their weight. Bob Hall, 177, was moved to the unlimited slot.

Individual Results

Scorese was the only BSC wrestler to turn in a pin. Bill Hughes, Ed Taylor, Stuempfle, and Hall each decided. Tom Gorant, a senior who has been student teaching, wrestled the 137 spot and was pinned. Both Paule (157) and Gene Dixon (167) were decided. Dixon wrestled Walt Kottmeier as he did last year when the match came to a tie. The Huskies next meet will be at Lock Haven on January 29; the next home meet will be on January 31, against East Stroudsburg. They also meet Rochester Institute of Technology tomorrow in an away meet.

Count Basie Suit

(Continued from page 1)

no means should reflect upon the character of the two agencies involved for the reason that these people do not have any control over entertainers being present or absent at performances.

This is an unusual case with Count Basie and his orchestra, and unfortunately it happened here. I certainly hope that our students will take this matter into consideration in being empathetic and will not use this as a criteria for attendance for future concerts.

New Husky Swimming Team

Kneeling, left to right: Lou Konetski, Floyd Grimm, Harold Ackerman, Robert Rehkop, Hayden Jones, Don Young, Ron Lazarus, Chuck Jasper. Standing, left to right: Joe Casarella; Mgr. Don Hopkins, Tom Little; co-captain, Nelson Swarts; co-captain, John Lewis, Fred Tegeler, Joe Welter, Don Watkins, William Billet, Larry Tironi, Mgr. Absent from picture: Fred Stoicheff, Mgr. and Dan Rice.

The comparatively young Husky swimming team, coached by Eli McLaughlin, has already started its third year of varsity competition. Although the Husky mermen were winless in 1961, (0-6), the squad has made steady progress and fans are hoping that this year the swimmers will gain recognition in the collegiate ranks. Of the nine returning lettermen, only one — Tom Little, is a senior. Of the seven new swimmers, one is a sophomore and six are freshmen.

Two Losses

The team had their first meet at home against Howard University on January 6, but lost 59-36. On January 13, the swim team met Millersville and again lost, 52-43. The Huskies won six of the eleven events against Millersville. Swarts took both the 200 yard individual medley and the 200 yard back stroke. Don Young won the 50 yard free style, Ron Lazarus the diving, and Lou Konetski the 400 yard free

style. Millersville set a new record for their college in the 400 yard medley; the new time is 4:37.

In spite of the newness of the sport and the relatively inexperienced squad, the Huskies have continued to schedule meets with other colleges where swimming has long been an established varsity sport. Of the eight meets on the schedule, the Huskies, led by co-captains Little and Nelson Swarts, hope to at least break even in the win-loss department. Tomorrow our team will be at Lycoming College and will pull out all stops in an effort to rack up their first victory. The swimmers next home meet will be January 31 (7:00 p.m.) against East Stroudsburg.

Living to be 125 wouldn't be so bad, provided one didn't look and act like it. . . Don't be too eager for rapid progress. The only progress certain to be rapid is progress downhill. . .
