## Karlsrud Chorale To Present Concert; Male Chorus Suits All Musical Tastes

The Karlsrud Chorale will perform in the auditorium of Bloomsburg Senior High School, Monday, April 9, under the auspices of the Civic Music Association. This male chorus is currently in its third year of concert touring and has won much critical and popular acclaim since its inception. The Chorale, which is directed by Mr. Edmond Karlsrud, will present an evening of entertainment suited to all musical tastes.

### Prominent Members

Each member of the group is a competent soloist with an extensive professional background. Mr. Karlsrud, bass-baritone, has a record of more than 800 professional concert appearances covering 48 states, Mexico, and all the provinces of Canada. He has entertained on ABC, CBS, and NBC radio and television networks and is a graduate of the University of Minnesota and the Julliard School of Music.

(Continued on page 2)

## Works of Etting Will Be Displayed At Arts Festival

An exhibition of recent oil paintings, portraits, and drawings by Emlen Etting will be on display in Sutliff Hall on May 2. This showing will begin the first Spring Arts Festival sponsored by CGA.

Etting's works are represented in international collections. Articles by this artist have appeared in Fortune, Town and Country, the Atlantic Monthly, etc. He is also a well-known lecturer and muralist, having painted one of the country's largest murals in the Market Street National Bank, Philadelphia. He is President of the Alliance Francaise de Philadelphia, a member of the Century Associations, Honorary President of Artist's Equity Association, and teaches drawing and painting at the Philadelphia Museum College of Art.

The canvases, executed in tempera and oil, are almost all non-figurative — reflecting a return to a painting style Etting used in Paris as early as 1932.

### Titles Reflect Interest

Although most of the titles reflect the artist's varied literary interest, the paintings use a fairly consistent theme of bold Calligraphic images against a flat but modulated background.

The exhibition will thus generate an appearance of quick, lively dance-like motifs, which will represent within a careful sense of decoration and a refined pictorial taste.

Mr. Etting will be the featured speaker, on May 3 and 4, at an Art Lecture Demonstration to be held in Carver Auditorium.

## Coeds Will Model Fashion Show

Twenty BSC coeds will present a sneak preview of the colorful variations in new spring outfits at the sixteenth annual Fashion Show the afternoon and evening of April 5 in Carver Auditorium.

Models have been chosen from each class. Selection of the women was based on figures, personality, poise, and good grooming. Fashions will be selected from various participating stores in Bloomsburg.

### 20 Coeds Model

The models that will participate are Pamela Brown, Alice Halowell, Mary Pursel, Marilyn Rink, and Joy Whiting, freshmen; Donna Brown, Pat Campbell, Joan Dalhausen, Patti Lello, and Stephanie Scott, sophomores; Barbara Flanagan, Chris Harnish, Margie Snook, and Pat Wadsworth, juniors; and Shelby Berman, Nancy Englehardt, Mary Ferner, Carolee Jones, Barbara Shertz, and Mary Shuman, seniors.

### Ben Franklin Students Participate

The faculty adviser for the fashion show is Mrs. Margaret McCern. Head coordinator is Shelby Berman and children's coordinator is Patti Lello. The children for the fashion show have been selected from the Benjamin Franklin School.

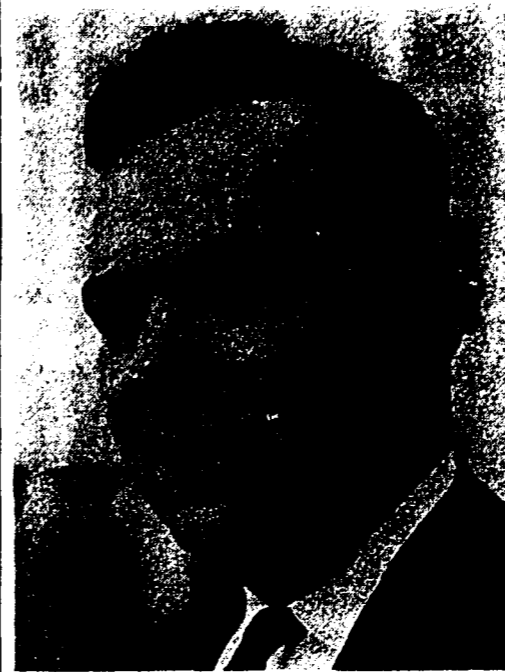

## BSC Will Be Host for Delegates from Pa. State Colleges' Pre-Conference

### Dr. Eshelman Will Speak at Banquet

Dr. W. W. Eshelman, past president of the NEA, will be the speaker at the Student Government Conference banquet in the College Commons on March 31.

Dr. Eshelman is currently Supervising Principal of Upper Dublin School in Fort Washington, Pennsylvania. He organized 6-year secondary school programs in that community and West Pottsgrove. Among his many accomplishments, he has been Chairman of the Resolutions Committee of P.S.E.A. for nine years, he is a life member of NEA, he has taught at Lehigh and Temple Universities — as well as numerous high schools, and has served as president of several associations connected with education.

Graduated from Elizabethtown College, Dr. Eshelman has also received degrees from Blackstone Institute, Chicago; Columbia University, and New York University.

Dr. W. W. Eshelman

## Summer Bulletin Is Now Available

The 1962 Summer Sessions Bulletin of Bloomsburg State College is now available at the offices of Mr. John A. Hoch, Dean of Instruction and Dr. Thomas B. Martin, Director of Graduate Studies.

The program of undergraduate courses is designed to provide an opportunity for full-time students to accelerate their programs, increase their fields of certification, or improve deficient grades. Teachers-in-service may complete work for the degree of Bachelor of Science in Education, take courses for permanent certification, or take courses to extend their fields of certification. Public school nurses may take work toward the degree of Bachelor of Science in Public School Nursing, and public school dental hygienists may earn credits toward the degree of Bachelor of Science in Education.

The Summer Sessions for undergraduate students are: Pre-Session, June 11-29; Main Session, July 2 to August 10; Post Session, August 13 to August 31. The Summer Sessions schedule for graduate student classes is as follows: pre-Session, June 14-29; Main Session, July 2 to August 13-28.

## Junior Class Takes Battle of Classes

The annual battle of the classes, sponsored by Phi Sigma Pi, awarded Steve Stedman, a junior, the highest number of individual points. Tom Little and Betty Dushanko followed Steve for second and third places respectively, while Robert Hensley and Doris Farenkoph tied for fourth.

A score of 27 to 19 was reaped by the upperclassmen over the underclassmen. The juniors were the class winners. Other contestants were: Kay Kerlish, Bea Letterman, and Stanley Derr. Jim Case, Dean John A. Hoch, Mr. Michael E. Flanagan, Mr. Francis E. Albert, and Mr. Richard P. Mease served as officials for the event.

The top four students received a one year subscription to Time Magazine.

## Dave Guard; Kai Winding Highlight Entertainment for Spring Weekend

by Hazel Hunley

Two musical groups, Dave Guard and Kai Winding, will be the center of entertainment attraction for this year's Spring Weekend, April 6 to 8. This "big weekend" of activity is being planned and sponsored by CGA.

A relatively new outfit, Dave Guard and his Whiskeyhill Singers, will present a concert in Centennial Gymnasium, Friday, April 6, at

8:15 p.m. This recently-organized quartet was formed by Dave Guard who resigned as leader of the Kingston Trio to "strike out on his own." Guard with experience as leader and creator of the Kingston Trio has sought out singers with professional backgrounds, knowledge and appreciation of all types of music and ability as instrumentalists.

### Guard's Talents and Techniques

He has combined these merits with what he says is a "new and different sound-exciting, hard driving polyphony combined with the latest theories and modern jazz and the oldest vocal techniques known." The group is presently training and studying voice, music sight reading and dancing lessons. Guard also says, "The result should give rare beauty to the music."

### Winding and "Trombone Sound"

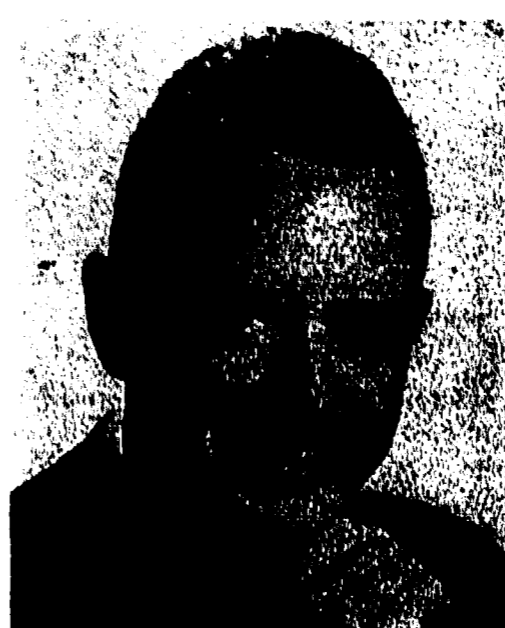

Saturday of Spring Weekend will feature another concert in the afternoon and dancing in the evening with the Kai Winding group. Winding will give a concert in Husky Lounge at 2 p.m. "The

Trombone Sound" with orchestra, will provide dance music in Centennial Gym that evening at 9:00.

The Kai Winding Septet, which combines four trombones and three rhythms is also a new musical organization. The orchestra has appeared at many of the state universities. Birdland, Newport Jazz Festival and many other top-name entertaining spots of America.

Dave Guard

Kai Winding

## State College Govt. To Be Revised in Planning Confab

The first pre-conference planning convention of the Student Government Associations of the State Colleges of Pennsylvania, will be held at BSC on March 31st and April 1st. The purpose is to revise and to reconstruct the governmental structure of the present association.

The convention has been formulated to increase the functional ability of the organization as a whole. Proposals and activities will be stimulated by an atmosphere of informality and a liberally planned program.

### 14 State Colleges Represented

The convention will comprise of approximately 30 delegates representing the 14 State Colleges under the auspices of their chairman, Myles Anderson, President of our CGA. These guests will include presidents of the Student Government Associations and the advisers to these organizations, which in most cases is the Dean of Student Affairs. The delegates will be housed in the dormitories of BSC.

Registration will begin the conference on Saturday morning at 9:30 a.m. followed by a Coffee Hour in the College Commons. The

(Continued on page 2)

## Liberal Arts at BSC Step Closer

A special committee to complete the development of the liberal arts program at BSC has been appointed by Dr. Andruss.

The project began two and one-half years ago when the general faculty began a study of general education in a teacher education curriculum. Further study was taken up in December, 1961 when a two year program was prepared as a basis for a degree program in liberal arts. At this time a report was completed and forwarded to the State Council of Education for future action.

The committee includes Dean Edwards as chairman, Dean Hoch, Dr. Serf, Dr. Seronsy, Mr. Fenstermaker, Mr. Piotrowski, Mr. Leitzel, Mr. Jordan, and Miss Keefer.

## Change of Pace Made in '62 Obliter

The 46th edition of the *Obliter* has been referred to by Dr. E. T. DeVoe as "the most radical departure we've ever made" from previous standards.

The 1962 *Obliter* will have a bur-lap cover with brown ornamentation and brown lettering. The ornamented icons will be featured on the lower right-hand corner of the cover. Extensive use of infrared photography appears throughout the scenic section of the 1962 *Obliter*. The simulated title page bears a moonlight shot of Carver Tower, while page three is a four-color process shot of the shad bush adjacent to the Carver Hall. In addition, there are many scenes of pathways and college landmarks.

Other new features of the *Obliter* include two page dividers, more art work in the background, two color printing, and an increased number of individual captions.

# Job Well Done

Last weekend BSC's wrestling team returned home from the NAIA tournament at Winona, Minn., with the title of National Small College Champions. The team deserves unlimited praise for a great achievement.

The school spirit that has been displayed during the past few weeks has been extremely stimulating to the team. Had it not been for this tumultuous school spirit, the grapplers might not have been given "certain push" to compete for the top title. These titles and trophies certainly prove what our school teams can do when they are given support of the student body. This achievement required a great effort on the part of the team members, but the student support was also a factor.

Last Monday afternoon an organized parade was held to honor the coaches and the team for their fine work at Winona. With the cooperation of the Bloomsburg police, a large per cent of the student body, decorated cars, and fire-engines, to march through Bloomsburg in an overwhelming tribute. This was a fine gesture on the part of the college in honoring the wrestlers.

We would like to take this opportunity to thank all the students who cheered and supported the team in the past few weeks. We also want to congratulate coaches Russell Houk and Michael Flanagan and the Husky wrestling team for the outstanding work they have done during the past year.

# Selection and Election

Carol Bendinsky

James Case

The battle of the sexes is never-ending. Take for example our presidential campaign for CGA President — man against woman! Is this the primary factor that you should base your decision on when voting? Both candidates are qualified as has been proven by their achievements, as well as by their future promise. When you go to the polls to vote, the essential and democratic thought should be "Who is the better candidate qualified to improve and to foster the welfare of our existence?" regardless of your political ties and prejudices.

BSC has earned the reputation of being an example of good student government. In order to maintain the status quo of freedom which we now possess through the accomplishments of our CGA, it becomes necessary to take advantage of the privilege to vote in this institution. There is no room for political apathy.

Look at the unique capabilities of the two nominees for CGA President. Carol Bendinsky, Mildred, Pa., is a Dean's List junior pursuing a major in mathematics, secondary education. She is currently recording secretary of CGA, and a Waller Hall counselor. Carol has been a member of the Governing Board, Customs Committee, Hospitality Committee, the Science Club, and the Spring Arts Festival Committee. She was treasurer of the College Choraleers, and chairman of the '61 Winter Weekend. Jim Case, Trucksville, Pa., is a junior in the elementary curriculum. He is a member of Kappa Delta Pi, Phi Sigma Pi, SPSEA, Pep Committee, and he is at present Vice President of the Junior class.

We can not measure probable election results at BSC, by any opinion poll, but yesterday's expressions of approval and disapproval do show that this year's campaign for CGA will surely prove interesting.

The beginning of convocation found the students with their usual bland facial expressions which seems to symbolize the political apathy on this campus.

### James Campbell

However, the atmosphere began to change as the speeches of the four candidates for the two highest Council offices began. The first vice presidential nominee to give his speech was James Campbell. Jim promised to be "A true representative of the Community Government Association in all decisions," and "to devote all the time and energy necessary to the fulfillment of the duties of this office, which includes any sacrifices that have to be made."

### John Baylor

John Baylor, the other vice presidential candidate, asserted that he will "sincerely follow in the footsteps of those who have brought Big Name entertainment to this campus." John has a strong interest in politics, and remarked that, "we have the best council in the U.S.A. and I hope to keep it that way."

### James Case

The first presidential nominee to speak was James Case, who gave his qualifications and objectives. He took a firm stand in saying "radical changes are unwise for the college and community." He promotes "progressive government to serve the needs of the entire school." He feels it necessary "to sit down and consider whether BSC is a college or just a teacher factory."

### Carol Bendinsky

Carol Bendinsky, Case's opponent for the office of CGA president, was the last candidate to speak. Carol said, "I am on your side and all your suggestions will be taken into consideration. I will devote next year to you with sincere interest." She also remarked that, "I have gained a great deal of the knowledge behind the workings of CGA and this is necessary to be an efficient president. I have this background which my opponent cannot claim."

It is hoped that the students at BSC will display as much enthusiasm in the actual voting as indicated by the ovation that followed the introduction of all the final election candidates.

# In the Commons

by Jinny Hesel

Time to change your ways girls ... the way that you come into the Commons for dinner, that is. The question has been posed as to why the gentlemen must precede the ladies when entering the Commons for dinner. It may be a little obvious, but you may need an answer so that you can help the rushing, seat-finding headwaiter and his assistant.

In 1959 the opposite procedure was used whereby the girls came into the Commons first. However, as would be quite easily understood — and expected, the gentlemen (?) waiting in the lobby produced cat-calls, assorted whistles and distasteful comments. This situation created much embarrassment and unpleasantness for the co-eds. This incident resulted in the change in order that has been used successfully since that time.

Currently, the problem is being created by the girls who insist on filling the tables in the rear of the dining hall first. Mr. Phillips has asked that this be changed to alleviate unnecessary confusion for the waiters who must see that the front of the dining hall be filled first. Service will begin much sooner if you cooperate.

# BSC Hosts Pa. State Colleges

(Continued from page 1)

Guests will be introduced at a luncheon in the Commons, and plans for the construction of a new constitution for CGA's throughout the state will take place in the afternoon. While the student delegates are engaged in this work, Dr. McCauslin will meet with the other Deans.

### Banquet, Dance Planned

Following the afternoon program, a banquet will be held in the College Commons. The delegates will then be escorted by members of BSC's CGA, to a dance that will be held in the Husky Lounge. This dance will feature an orchestra and will be open to all BSC college students and faculty. In pursuing this last part of the program, the delegates will accomplish another of their purposes — observing college life at BSC, as our school is the example of the efficient student government program.

# Bolivian Educators Visit BSC; Meet Internat'l Relations Club

Front row, l. to r.: Rene Castro, Juan Alurralde, Max Rayes, Justo Villegas, Rene Davila. Back row: Max Luna, Jaime Bravo, Orlando Roca, Dr. Johnson (BSC), and Gualberto Martinez.

by Ken Musselman

The Bolivian educators who recently visited BSC told members of the International Relations Club that their nation is on the verge of becoming a communistic or free nation. The factor that will tip the balance is the amount of education that the Bolivian masses can be given, according to these educators. **Communism in Ed. and Labor**

One question asked of these educators from South America concerned how communism has worked through education and labor. The Bolivian delegates replied that teachers are divided into two groups, communist and non-communist. These men exhibiting communistic tendencies try to penetrate unions and occupy key positions through which they can influence the ignorant, laboring masses. These delegates said that Bolivian teachers are not usually communists and that the people of the free world must unite to fight this menace. They also noted that, although communist influence in their country is still strong, it is presently suffering a decline because the Bolivian communists are self-interested communist. These communists have not kept their promises to the masses.

### Illiteracy is Declining

The Bolivian delegates were also asked how much progress they have had in their educational systems. These men replied that not long ago, 70 to 75% of the people were

illiterate in their country. A progressive campaign against this communism-breeding condition has lowered the number of those unable to read and write to 50 per cent. These Bolivian educators also informed their audience that prospective Bolivian teachers must teach for two years and instruct 150 persons in reading and writing before receiving a diploma.

A third point discussed concerned education in Bolivia. How had the students and teachers reacted to that bearded, cigar-smoking, communist menace — Castro? The representatives related that there is a potentially strong movement against Castro. This movement is only potentially strong because those Marxist disciples in key posts suppress any speeches or actions against them.

### Bolivians Impressed by U.S.

This group interview ended as each Bolivian was asked to tell what had impressed him most about the United States. One of the men wondered what it would be like to be born and raised in a country where the government respects the home, religion and the individual. He then challenged America to remember Bolivia because that country, South America, and much of the world are in the grip of communism. Those who are able to free themselves from this grip must do so and unite against the common enemy, communism.

Bolivia is undecided; she may go East or West. But one decision has been made. Education, in Bolivia and the rest of the world, is a deadly poison to communism.

# BSC Honors Champions

Going to a fire? Not quite! However, this was one of the high points of the flaming spirit that burned on campus during the last two weeks. A continuous demonstration of spirit sent the Husky wrestlers to a glorious victory as the National Small College Champions. A victory parade that was organized by Roger Breidinger, Phil Herbert and Edle Hartman, had a police escort, two firetrucks, marching students, and convertibles with Coach Houck and the wrestling champions.

The parade was to honor the champions and also to petition Dr. Andruss to cancel classes for a day. The news was received at the Maroon and Gold office by AG (Associated Grapevine) at approximately 9:30 p.m. ... and the grand celebration ended very happily with a one-day vacation for BSC.

# Karlsruud Chorale To Present Conc'rt

(Continued from page 1)

### Johnson, Touchette

Other members of the Chorale include Norman Johnson, director-accompanist and a graduate of Julliard; and Charles Touchette, arranger-musical director.

Tickets for the event can be obtained free of charge at the Dean of Student Affairs' Office.

# .. CLUB NEWS ..

## CA Will Sponsor Lenten Services

The Student Christian Association is currently sponsoring a series of Lenten services featuring special guest speakers. Harry Logan, a Bloomsburg businessman, will be guest speaker at the April 4th meeting. A Sunrise Service on April 2 will feature Robert Purcell, a BSC student as guest speaker.

## Debaters To Oppose Marywood College

BSC Debating Club has issued the following schedule. On March 23, at 7 p.m., Bloomsburg's John Natras and Lucy Zablocky will oppose a team from Marywood College.

The following day two BSC teams will debate each other at the Central Columbia County Joint High School. Charles Scarantino and Robert Brann will uphold the affirmative, and Edward A'Zary and Bill Mattern will support the negative.

## K3UDK Approval Is Received By Hams

The BSC Amateur Radio Club has received approval from the F.C.C. to operate an amateur radio station, K3UDK, in Science Hall. According to the club's faculty advisor, David K. Shortess, the station will operate on amateur bands assigned by the F.C.C. This will not be a commercial-type station, and any F.C.C.-licensed radio amateur who is a member of the club may operate the station.

## Circle K Volunteers Services To College

The Circle K Club has volunteered its services for Spring Weekend. Among these services are selling tickets, ushering for the evening activities, and delivering of GGA posters to the surrounding community. The club is also conducting a poster contest for Spring Weekend. Prizes will be awarded for the best posters.

A car wash, bake sale, Easter candy sale, and election of new officers are a few of the things in the future for Circle K.

## Chess Team Holds League Record, 2-2

The BSC chess team won their chess match with Kutztown State College on March 15. As of this win, BSC's league record is two wins and two losses.

The score of this double round robin match was 3 to 2. Kurt Koehler, Wayne Marek, and Bob Cook carried through to win their games.

The next conference match will be with Muhlenberg on the BSC campus on March 30, at 8 p.m. in the social rooms of Science Hall.

## Track Team

(Continued from page 4)  
ors, twenty-three sophomores, and nineteen freshmen.

### Plan To Set New Records

The Huskies will be aiming at many of the schools records this year. In 1961, Cocco changed the 220 yard dash and 220 yard curve dash records as well as being on the record-breaking 880 yard relay team comprised also of Peffer, Scott and Painter. Last season also saw Peffer break the 100 yard low hurdles record and Moss tie the 120 yard high hurdles mark of 1940. In the 1960 season, Engleman ran the 3 mile run at Penn Relays in 14:26.5, and Peffer tied BSC's 220 yard low hurdles mark made in 1939. Another recent record was set in the 1 mile run by Engleman in 1959. This year's squad will be shooting for their own records as well as those set years ago.

There are vacancies in the men's dormitory. Anyone eligible to move into the dorm at 9 weeks end please contact the Dean of Men's office by 12:00, Saturday, March 24.

## Science Club Host To 135 Engineers

The BSC Science Club served as host for the monthly dinner meeting of the American Chemical Society, Susquehanna Valley Section, recently held in Science Hall. There were approximately 135 engineers present.

Alex Stepassky, club president, opened the meeting with a welcome address. Dr. Harold Lanterman, chemistry professor at BSC, introduced the speaker, Dr. Mary Willard, Professor of Chemistry at Penn State, who spoke on "Scientific Crime Detection."

## NAIA Title

(Continued from page 4)

Dick, 6-3. Before the finals, Dick decided John DeGeorge of Omaha (2-1) in the quarter-finals and Harlan Leopold of Concordia (3-1) in the semi-finals. Ed Taylor, 130 pounds, and Gene Dixon, 157 lbs., both lost in the quarter-finals. Taylor went on to the finals of the Consolation events but was decided, 5-2, by Charles Walizer of Lock Haven.

The award of outstanding wrestler of the tourney went to Gray Simons of Lock Haven. Simons won his fourth straight individual crown in the 115 pound weight class; it was also his 81st consecutive victory while in college.

Millersville State had a team total of 14 points and an individual title winner, Walt Kottmeyer, in the 157 pound class. West Chester also went to the tournament and their team total was 9 points.

## Ben Franklin 6th Hits the Keys in Experimental Typing Training Class

Mr. Hinkle, Mr. Roberts, and student teacher help Sixth Grade.

The sixth grade of Benjamin Franklin Training School is participating in a five-week typing course being presented on a trial basis. The classes are being conducted five days per week in Sutliff Hall, under the direction of Mr. Clayton

H. Hinkle, of the college faculty. The class practices their typing skills on Monday, Wednesday, and Friday from 9:15 to 9:45, and on Tuesday and Thursday from 2:15 to 2:45. It is the plan of the supervisors that with a half-hour spent on typing every day, the class will develop good typing habits which can stem from continual practice only.

Mr. Hinkle is being assisted by Mr. Kenneth Roberts, the regular Sixth Grade teacher at the training school, and two student teachers.

### Track Team Anticipates Good Year; Intend to Repeat As State Champs

The Bloomsburg track team, with fourteen letter winners returning from last year's undefeated state championship team, has high hopes for the coming season. Optimism reigns in the Husky camp for another good year and possible State Championship. There were two major losses from last year's squad; these were Terry Engleman in the distance runs and Stan Hugo, pole vaulter.

Only the weather and a track of unusual proportions, which is being rapidly encroached upon by the college building program, could be considered hindrances to the program. The team has been holding practice sessions without a track for over a month. This will be a big factor in the outcome of this year's season. The Huskies hope to hold their first home meet on the new track April 7, against Kutztown. Following the Kutztown meet, the Huskies will host Shippensburg on April 10. This will probably prove to be the biggest league meet of the year. Last year Shippensburg and Bloomsburg did not meet because Shippensburg canceled and failed to reschedule the meet.

#### Returning Vets

Coach Mike Flanagan's team is headed by Ed Cocco, whose blazing

speed brought him twin titles in the 180 and 220 yard dashes at last year's championship meet. His recorded time in the 220 yard dash of 20.8 brought him recognition on the NCAA honor roll, as well as being rated by Track and Field News as one of the top twenty-five men in this world in this event. Roy Peffer, second in the States in the 100 yard dash and leading scorer for the team the past 2 years, helps to fortify the dashes and hurdle events. Returning also is Gary Edwards, champion in the discus last year. Others who placed in the championships and who are being counted on for improved performances this year are: Bob Painter, 220 and 440 relay; Joe Enney, discus; Bill Feese, broad jump; Moses Scott, dashes and relay; Wayne Moss, hurdles; and Dave Johnson, relay. Not much is known about the freshman candidates due to the lack of a track. But they are being counted on to figure strongly in the plans which stress Coach Flanagan's philosophy of depth and team balance. Improved performance is looked forward to from Howard Hunter, Don Cole, Wayne Haas, John Taylor and Henry Stutz. Sixteen minor award winners, along with several new aspirants for the squad, have swelled the roster to seventy from which the varsity group will be comprised. At the present time, the squad has been narrowed to seven seniors, ten juniors and two sophomores. (Continued on page 3)

### Wrestlers Take NAIA Championship Title; Tournament to be Held at BSC Next Year

### Garson Retains His Crown in the 191 lbs. Class; Hall Wrestles Way to A Championship With A Pin

Last Saturday night, the Bloomsburg State College wrestling team took the championship title at the NAIA wrestling tournament. The meet was held at Winona State College in Minn.; this national event will occur here at BSC next year. The Huskies totaled 56 points in all. Lock Haven State, champions of the NAIA meet last season, came in second with 47 points. Another Pennsylvania school, Lycom-

ing College, had 39 points for third place. In fourth and fifth places respectively were Moorehead, Minnesota, and Winona State.

Along with team laurels, individual honors went to two Husky matmen. Bill Garson and Bob Hall, both juniors, won national champion titles. This was Garson's second year in a row for this title at the 191 lbs. weight class; Hall took his new title by winning in the 167 lbs. slot. In quarter-finals Friday night, Hall decisioned Roland Neckman of Indiana State, 6-1. Bob then went on to the semi-finals where he wrestled Terry Halverson of River

Falls and also decisioned him, 8-1. In the deciding match, Bob pinned his man, Gary Moyer of Fairmont State, at 6:39 to win his title. Garson outscored Larry Sciacchitano, 10-8, in his semi-final match. In the finals, he retained his crown by decisioning Ben Pulkabek of St. Johns, Minnesota, 6-5.

#### Scorese Second

Dick Scorese, wrestling at 137 pounds, lost in the final round for second place honors. His opponent, now NAIA champ, was John Day of Lock Haven who decisioned

(Continued on page 3)

### Husky Swimmers Fourth in State

The Husky swimming team came in fourth in the state championship swimming meet at East Stroudsburg. West Chester State came in first with 103 points, Slippery Rock was next with 49, and Stroudsburg came in third with 40. BSC followed with 12; Millersville did not score; and Lock Haven failed to show up for the meet.

#### Individual Results

BSC took fourth in the 400 yard medley and then Chuck Jasper took a first place in his individual heat of the 220 yard free style but failed to place in the finals. A new BSC record was set by Don Young in the 50 yard free style, but West Chester took the event. Nelson Swarts and Floyd Grimm placed first and third respectively in their individual heats in the 200 yard individual medley. Swarts' time gave him a fifth place in the qualifications.

#### Grimm

In the 200 yard butterfly, Grimm won his individual heat, but failed to score. Young again placed in the finals in the 100 yard free style. We then took a fifth place in the 200 yard backstroke and a fourth in the 400 yard free style relay.
