

BSC Wrestlers Trounce LHSC 22-12

"We're No. 1" Is Cry Of Evening

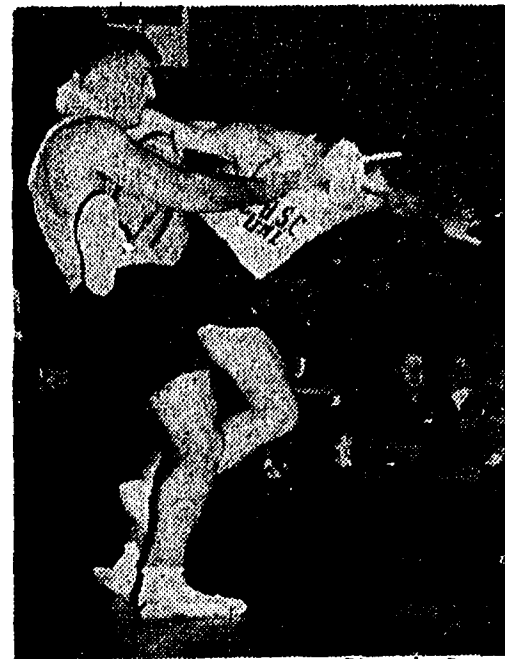

Photo by Sizemore

DeWire icing the cake for BSC.

The biggest wrestling match of the season at Bloomsburg State College was held last Saturday night before a capacity crowd in Centennial Gymnasium. The num-

ber one team in the NAIA, Lock Haven State College, lost 22-12 to Bloomsburg State College team, ranked number three in NAIA competition.

Robb Pins Lorson

The match got off to a fast start. In the 123 pound class, Bill Robb, capitalizing on a Lorson mistake, took his Bald Eagle opponent to the mat for a takedown in 25 seconds. After an exchange of reversals, the score stood at four to two at the end of the first period. Lorson chose the bottom position to start the second period. Robb took advantage of the situation by pinning his opponent in 1:48 of the second period.

Rolley Also Pins

The 130 pound class saw Jim Rolley wrestling against Lock Haven's Paul Kundsens. The first period was filled with action but ended with Rolley on the tailend of a five to four score. After riding his opponent throughout the second period, Rolley quickly reversed Kundsens at the start of the third period

only to find himself being reversed. With time running out and still trailing by one point, the Husky wrestler escaped from his Bald Eagle opponent and immediately gained a takedown, and a pin with only eleven seconds left in the match. After this victory, Rolley's season record is an impressive 8-1.

Taylor Wins

With the Husky spirits riding high, Ed Taylor took charge of his LHSC opponent, Adam Waltz, in the 137 pound class. With a first period takedown and two reversals and an escape in the second period, Taylor built up his lead. Ed defeated his previously undefeated opponent by a score of 9-3. The team score after these first three matches was Huskies 13, Bald Eagles 0.

Forte and Paule Draw

In the 147 pound class and the 157 pound class, Rocco Forte and Bill Paule both drew with their opponents. Forte wrestling against Lock Haven's Klingaman gained a takedown and two escapes while

being taken down and reversed for a 4-4 draw. Paule wrestled previously unbeaten, untied Bill Blacksmith to a 1-1 score. Each wrestler gained a point by way of an escape.

Lou Centrellia, wrestling his first varsity match, was placed against undefeated Frank Eisenhower in the 167 pound class. The LH Bald Eagles won their first match of the evening as Eisenhower decisioned Centrellia 7-2. The team score now stood at 17-7.

DeWire Ices the Cake

Dave DeWire, wrestling for the Huskies at 177 pounds, put the match out of the Bald Eagle's flying range by decisioning Murray by a 5-0 score. This was DeWire's first victory of the season. The Husky wrestler gained a first period takedown and a second period reversal in building up his score. The crowd rose to its feet in the third period as Dave rode his opponent for the entire period to clinch a well-earned victory for the Huskies.

Tom Vargo and Jerry Swope, wrestling in the 191 pound class, placed their unbeaten records on the line. In the first period, Swope gained two takedowns to one Vargo escape, while in the second period, he gained a reverse and another takedown to a lone Husky "get-away." The third period was once again an exchange of takedowns and escapes with the Lock Haven wrestler coming out in the end with a 9-4 decision over Vargo.

Lee Viard, wrestling for the BSC Huskies at heavyweight, drew with Tom Elling by a score of 1-1. Each man gained his one point by way of an escape.

In the varsity contest eight wrestlers placed their undefeated records "on the mat." The Bald Eagles from Lock Haven had six undefeated wrestlers: Jeff Lorson (10-0), Adam Waltz (9-0), Jack Klingaman (3-0), Bill Blacksmith (8-0), Frank Eisenhower (8-0-1), and Jerry Swope (10-0). The unbeaten for the Huskies were Bill Robb (8-0) and Tom Vargo (10-0).

MAROON & GOLD

1839 125th ANNIVERSARY - BSC 1964

CAMPUS NEWS AND VIEWS

Volume XLIII

Bloomsburg State College, Bloomsburg, Pa. — Friday, February 26, 1965

Number 15

Mr. Baldwin To Be Presented By BSC Lecture Fund

The Endowed Artist and Lecture Fund will present Mr. Hanson Baldwin, military editor of the New York Times and a Pulitzer Prize Winner, March 17 at 8:15 pm in Carver. The Fund, which was established three years ago, has brought several outstanding speakers to BSC.

The purpose of the Fund is to give students an opportunity to see and hear lectures, scholars, and artists of national and international repute. It also sends copies of these lectures to Alumni.

The Fund was established with an initial gift of \$1,500 from an alumna, Mrs. Verna Jones, Millville, New Jersey, in memory of her late husband, Daniel J. Jones, also a BSC graduate. Since its inception, several college groups have also contributed. Among these groups are the Community Activities Association, the College Council, the Class of 1959, and the Day Men's Association.

The Fund hopes to raise at least \$50,000.00 which would produce enough income annually to pay honorariums for outstanding programs in the future.

BSC Debate Team Tops Penn State

A BSC debate team, composed of John Natras and William Rowett, defeated Penn State in the second of a series of debates between the two colleges.

The event, which was held at Bloomsburg on February 18, was sponsored by the Pennsylvania Delta Chapter of Pi Kappa Delta and the BSC Forensic Society.

The Bloomsburg Forensic Society will journey to the Penn State campus on March 4 to participate in the Pennsylvania Debator's Congress which is an annual event sponsored by Penn State.

The BSC novice debaters participated in a debate at Susquehanna University on February 20. The team was composed of Joyce Johnson and Tim Gregory, who are negative, and Jean Davidson and Lea Sunaoka, who took the affirmative stand.

Asian Conference Plans Underway

Plans for a Southeast Asian Conference, to be held on campus, are currently being completed under the direction of a committee of the Social Studies Department of BSC. The conference to be held on April 9 will be the first of its kind here at Bloomsburg State.

Well Known Lecturers

Well-known lecturers and resource people will present the program to BSC students and faculty. Students from neighboring colleges and teachers in service, especially those involved in social studies, will be invited.

The conference will include a registration period, two main lectures in Carver, and four sectional meetings. Lunch will be served in the College Commons.

Editors Approve Rights Document

At a recent meeting of the New Jersey Collegiate Press Association, college editors stated their desire for their own "Bill of Rights" — editors, deans, and advisors attending approved the ten-point document.

The document calls for the student press to present all facts objectively, gain all facts from informed and reliable sources, print opinions of any member of the College Community, and be free from pressures of campus factions. The document also calls for the editor to be responsible for the newspaper and its contents and stated "In no case can a representative of a university, whether a board or faculty member, have the implied or expressed power of prior censorship."

Further Guarantees

The press showed further guarantee that no editor be removed from office without adherence to a pre-established due process, avoid personal animosities and be guided by good taste, foster intellectual honesty and have all the courage to stand up for the truth even against the weight of popular opinion or pressure groups, and establish and maintain close relations with the administrator to insure mutual understanding. (N.J.E.A. Review)

Judy Neill Named Coed Of The Year

Judy Neill, a sophomore from Willow Grove, was announced winner of the Coed-of-the-Year Contest last Friday at the freshman "Snowball."

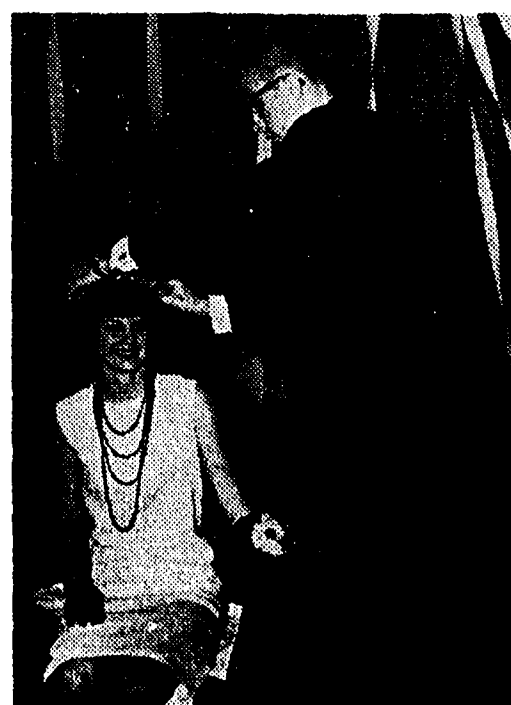

Photo by Sizemore

Judy Neill crowned Coed of Year by William Berger.

Judy was one of eight girls who were nominated to vie in the contest. The other seven were Ellen Czajkoski, Jean Zenke, Jacklyn Kemp, Nancy Raub, Marilyn Rink, Barbara Leta, and Diane DeFrancisco.

Judy is majoring in Business Education here at BSC. She is active in sports and acts as a councilor.

Players Working On One Act Plays

Three one act plays, "Sorry, Wrong Number," "Trifles," and "Maker of Dreams," are currently being produced by members of the Bloomsburg Players who are not in the cast of major productions. The plays, under the direction of Miss Short, are intended to keep the students learning about theater and active in dramatics. The plays will be much like professional plays in the use of costumes, lighting, and scenery.

Murder and Comedy

"Sorry, Wrong Number" is a play about a murder which ends with an O'Henry twist. It depicts the part of society in causing the occurrence of murders. "Trifles" de-

Assembly Speaker Delivers Lecture On Marriage Morals And The Pill

"The stamina to maintain values, which have been proven to be needed by a stable society, is the most serious problem in 'marriage morals' today," declared Dr. Murray A. Cayley in an Assembly address to BSC students and faculty last week.

Dr. Cayley emphasized the importance and worth of values stating, "To preserve ideals and values is something that takes grim determination. But if we don't do this, we destroy our society as we know it."

Illicit Sex Relationships

"Pre-marital and extra-marital experiences," the speaker noted, "are based on selfishness rather

than selfish love. This type of experience represents regression by the individual as well as his refusal to accept adult responsibilities."

Dr. Cayley stressed the fact that, "The worst damage in these situations is not only that resulting from pregnancy but also the damage to the human conscience. It is very difficult for a person to restore a severely damaged conscience to its original healthy form."

Challenging Responsibility

The speaker reminded the college students that they have a more challenging responsibility than did the people of the previous generation. "This is the result of three factors — mobility, pornography, and the 'pill'."

Young people today have greater mobility because the automobile has made it possible to get to out-of-the-way places or just to get away from homes. Pornography has become a more serious problem because it has invaded movies, literature, and art. The 'pill' gives a degree of security against pregnancy that we have never had before, but it can give one a false sense of security because it is by no means perfect.

Respect Is A Must

In order to help solve the problem of establishing and maintaining a desirable moral structure for our society, Dr. Cayley explained, "American women need to learn how to make men become mature, self-respecting, and responsible so that the male will accept his social responsibilities and realize that the next generation will copy and imitate his moral standards."

"Both men and women must have a respect for the personality and rights of the opposite sex."

In his conclusion, he reiterated the need to develop and understand values involving human relationships at every stage of life.

Students Present Battle Of Classes

"The Battle of the Classes," an annual current events contest sponsored by Phi Sigma Pi, was staged last week. Two members of each class participated in the quiz which pitted the underclassmen against the upperclassmen. Dean John A. Hoch played the role of quizmaster and Dr. William Carrough served as judge.

Those participating in the "battle" were Pete Constantino and Dick Muessig, freshmen; Pam Partel and Alan Bartlett, sophomores; Ray Schneider and Linda Stahl, juniors; and Nell Mercando and Larry Bankes, seniors.

The upperclassmen defeated the underclassmen by a score of 23-18 after a slow start. Ray Schneider won the individual honors with Linda Stahl and Pam Partel tying for second.

Smothers Brothers Concert at Bucknell University, Wednesday, March 3 at 8:30 pm. Tickets may be purchased at the door and at the Bucknell Book Store at \$3 each.

fends women who dally with trifles, while the men in the play ridicule them for this characteristic. "Maker Of Dreams" is a light and frothy play about Pierrot and Pierrette. Pierrot, with his devil-may-care attitude is a trial to Pierrette who typifies the sweet, lovable wife.

All secondary students who expect to do their student teaching next school year, 1965-66, who were unable to attend the recent meetings held in Carver Auditorium, should see Mr. A. J. McDonnell, Office 1-B as soon as possible.

Apology Received From LHSC; Student Understanding Needed

In the usual pile of Monday morning mail for the MAROON & GOLD we found a letter from Lock Haven State College addressed to the editor. With some reservation, due to the recent letters, the new one was opened with caution. However, to our pleasant surprise we found that the letter was an apology for the behavior of some of the students of LHSC.

Radical Students

The signed letter was from a member of the staff of THE EAGLE EYE, LHSC campus newspaper, and was written to inform our student body that the original letter (MAROON & GOLD, February 19, 1965) was written by "a group of radical students... who have failed to grow up enough to realize that the educational facilities of all colleges are rapidly becoming inadequate for the number of students desiring admission. This is also true of the recreational facilities."

Take Corrective Measure

The letter continued by stating that they (LHSC students) were going to take some measure to inform the entire LHSC body of the original letter. "The general population of the Lock Haven campus has only heard rumors about a letter that was sent, and it will be very difficult to discover the authors. We of The Eagle Eye staff are very sorry that this show of ill-breeding and boorish manners has come from our students, and feel that the students should know what is going on.

"We are, therefore, having your article, along with an accompanying article of our own, mimeographed and placed on all the campus bulletin boards, in the hopes that this deed will not cause any more ill will between our students and those of the Bloomsburg campus."

Understand Position of BSC

The letter concluded by assuring BSC that the students understood the prevailing situation at Bloomsburg. "We understand the situation of the athletic department, and I know that our students would surely raise the roof if they were told that there was no room for them at a home wrestling match.

"It is our sincere wish that the students of BSC will understand that this letter did not come from the student body, but from a very small minority group."

We Hope So Too

We of the MAROON & GOLD hope that the suggested measures to be taken by members of the LHSC EAGLE EYE are carried through. We hope this because in the words of Coach Houk, the rivalry and spirit created between the two schools would be a definite loss if it were to be ruined forever.

Who Determines A Play's Outcome? Good Audiences Make Good Plays

by Richie Benyo

A play is not a success unto itself; a performance is what its audience makes it.

Just how accurate is this statement? Some, upon first-thought, might contend that this is false, and that the performance, the acting, the directing make the play, and, in a way, they might be right, for all of this is needed for the success of a theatrical venture.

Audience Needed

But, on the reverse side of the coin, what is a play without favorable audience reaction? Completely nothing! The best performance in the world would be for naught were it to fall on a deaf or non-responding house.

The reaction of an audience can, in the final analysis, make or break a play; so much so, that Dorothy Parker says of one performance: "I found myself wishing that the people on stage would keep quiet and not distract my attention..."

Responsibilities

But what does this have to do with the average person? Just about everything, if he plans to attend any type of performance.

Anyone who goes to view a play goes there with the hopes of enjoying the performance, and there are certain types of actions of which he should be aware. This awareness, though, follows the Golden Rule on one hand, and the theory of common sense and observation on the other.

Correct Attitude

For a simple yardstick approach, just ask the question: "What kind of attitude would I like an audience to have while I perform for them?"

It is an attitude like this that adds to the enjoyment of a performance. Why not see how many faults you can find in others, and how many you can avoid yourself?

Recognize Extra-Curricular Clubs, Keys Given As Rewards For Effort

Are you one of the students around campus who spends long dedicated hours smearing paint on yourself—and a theatrical set incidentally—for the Bloomsburg Players? Or is your time spent raising your voice in glorious song as part of the Choraleers?

As one of BSC's many well-rounded students, you without doubt take part in an extra-curricular activity—college sponsored, of course. Perhaps you have wondered, as you broke all your nails typing an article for the M&G, just what you're getting out of all this activity.

According to the PILOT, you're getting a well-developed personality. Besides this priceless asset, you get one other thing, and that is an activity point. Once you have received this hard-earned point, you might well wonder what good it is. For about 90% of all students, its only use will be proof that they participated in the required one activity a year.

The remaining 10% is the concern of the CGA Awards committee, one of CGA's standing committees, which is chaired by Blair Hartman. Its purpose is to count up the points of each senior before graduation, and recommend recipients for service keys. Recipients are recommended on the basis of point accumulation, and the list is given final approval by the President of the College.

These service keys are given at college in extra-curricular activities during the Awards as-

sembly to students who have been outstanding in their service to the ties. A minimum of 20 points is required for a service key, but no more than 10% of the senior class may be considered, except in the case of a tie for last place.

These little piles of points accumulate throughout your four years at BSC. The number of points you receive for an activity depends on who you are and what you do. If you're president of CGA, you can receive up to 20 points; if you're chairman of a CGA committee, 6 points is the limit. A committee member gets 1 point.

There is a scale which is used by the advisor of each organization in awarding points to members. After the advisors have awarded the points, a permanent record of them is kept in the Dean of Student Affairs' office. It is this record which is used by the Awards committee in determining service key recipients.

This scale takes into consideration all activities except music and sports, which have their own award systems. In general, the president of an organization or fraternity can receive up to 4 points, while other offices are worth from 1 to 3 points. Publications, government associations and specialized organizations have more complex systems, which come under the same scale, for determining the number of points earned. Members of a campus group who do not hold an office receive 1 point for participating.

Pulse Of A Nation; Music Sets Pace

The tempo and rate of the eras in the Twentieth Century are felt with the stethoscope of music. Each generation has its own beat to be transmuted into notes and rhythms.

Birth of a Century

Going back to the birth of this century, the music was unrushed and flowing like the people and the times. Sure, the horseless-buggy and the flying machine came along but, these novelties would soon disappear. Songs of the era were: "Everyday Is Ladies' Day With Me" and "Good-a-bye, John."

As the hemlines went up, and men went to war, the heart beat of the nation increased. Tin Pan Alley was born and produced songs to be remembered such as, "Over There," and "How Ya Gonna Keep 'Em Down On the Farm."

Waltzing Out

Yes, we were quickening our pace and did not slow down. We went straight out of the war into the twenties.

Innovation, modernization, jazz, and swing came in and waltz and turkey trot went out. This era was in motion and never slowed down. Here is where the snowball started down the hill, increasing in momentum.

Songs of this era were "Yes Sir That's My Baby" and "Star Dust."

Upbeat Music

When war came again into the musical scene, America and its music went abroad. Music took the upbeat and came out with some immortals such as "The Last Time I Saw Paris" and "The White Cliffs of Dover."

After the war came to an end, music took on another face. "Pop" music was born. Here is where our generation's music began. From the early tunes such as "Steam Heat," we go to today to "Twist and Shout." We are a "rushed for time" and "time for everything" generation.

Music records the tempo and heart beat of a generation. First we have the Beatles and the question is what is next?

Student Poetry

A POEM

Lorraine Kujawa

When I have lost the hope of youth
And caused my cry to fade,
When I have forgotten to understand,
When I have touched the shade

Of not so noble being—me;
Then I shall settle the useless page
Within the tattered useless book,
And weep and blame the age.

Oh God, I pray this cup to pass,
For grasping life while in youths stand

I may hold it tightly while I swoon
And one day settle in golden sand.

Meet New People, Find New Friends

by Richie Benyo

In a place like Bloomsburg, with such an abundance of fellow students about, we are bound to make contacts if we are to lead a normal college life. But, when you come to think of it most of the acquaintances you do meet come as a result of an accident, or thru no effort of your own.

But what about the situation wherein there is someone you wish to meet? Yes, I know, there are some of you who have no problem with this, so you might just as well stop reading now, and save yourself some time that you can put to better use—like making new contacts within the bustling social life of BSC.

This research was done for people who are at a loss as how to "accidentally"—in a purposeful sort of way—make new social acquaintances—people like you and me (we lost the wolves a paragraph back.)

Suppose you're in Husky Lounge and see someone you don't know, but would like to get to know. (I'm sure you have no problems getting the picture—you're lucky most people can't read minds. Hmmm, now there's a way to meet some very interesting people...) How can you get to meet, to know this "Mysterious Someone"?

From personal experience (which is usually bad) the first step is to check among your friends, in hope that one of them knows who M.S. (initials of "Mysterious Someone") is. If they do, take a good look at your friend and ask yourself if you'd really want to know a person who is one of his (or her) friends. If you do, you've got a contact, if not, take Step 2:

There are many methods that have been used in the past, including the "Don't I know you from somewhere?" line, the "accidentally" spilled coffee with appropriate expressions of sorrow, the "Could I borrow a match?" line (when, like you'd never return the match anyway...), etc.

Some novel approaches arise at times, usually more by mishap than by planning, but these are usually unexplainable 10 seconds after they occur.

These days, though, with the stepped-up pace of the world as it is, why waste time with formalities? Yes siree, take the advice of someone who is taking his life into his hands—You see an interesting M.S. you'd like to meet, walk up, take a deep breath, make a quick decision of whether or not to go thru with it, and then say: "Like observe, too ultimate babychops/scrotchlad, and behold thy grape-colored rescuer from the pits of Unknowingness who hath cometh to add/multiply his/her handle to thoust tabloid of pet-like admirers." If you can give that line in one breath, you have things about made, because it is a feat that will make even your dog love and admire you.

forward to the next weekend. The quote "Thank Goodness It's Friday" is often attached to the weekend. But here at BSC, the students usually say "Oh No, it's Monday."

LHS Defeats BS; Frosh Look Good

Last week, the Husky swimmers met the swimmers of Lock Haven State College at Centennial Pool. Although all the events in the meet were very close, the Huskies were touched out by Lock Haven, to lose by a score of 27-68.

Huskies Lose by 3 Seconds

A loss in the 400 yard medley relay was made more bearable by the fact that Don Beltz, Ray Fox, Bill Billett, and Jerry Lomis broke the team record to set a new one of 4:20. This was a particularly exciting event, for it was neck and neck for most of the 16 lengths until the Huskies lost by a three second time difference.

Placing first for the Huskies were Roy Fox in the 200 yard individual medley, and Dick Steidel in the diving.

Frosh Win

An unofficial frosh team (Nester, Fischl, Johnson and Biggs) won the 400 yard freestyle relay in a time of 3:42.0. In the 200 yard breaststroke, Britt Jones, also swimming unofficially came on strong in the eighth length, only to be touched out by Eilers of LHSC.

Some of the greatest bounces are the result of the fall that pride went before.

INTRAMURALS

All students, either male or female, interested in participation in an intramural chess tournament should report to the Day Men's Lounge, Science Hall (Room 2) at 4:00 pm, Thursday, March 4, 1965. This tournament will run for six weeks. Details will be furnished at the meeting by the Chess Club, which is conducting this event.

Men's Intramural team captains should check their mailboxes on Saturday or Monday for charts concerning team standings. At this point, the Giants are in first place.

Inter-team wrestling will begin on Monday, March 8, 1965. Rosters were due on Thursday, February 5, and no late entries will be accepted.

The participants in the basketball tournament are to be congratulated for the general fine sportsmanship and excellent playing that has characterized this year's contests. One serious infraction did occur, however, and it resulted in the dismissal of one participant from the intramural program for the duration of the season. Check the bulletin boards for a note concerning this action.

As a note to the student body at large, the intramural department still extends its invitation to all students to be spectators at any and all intramural events.

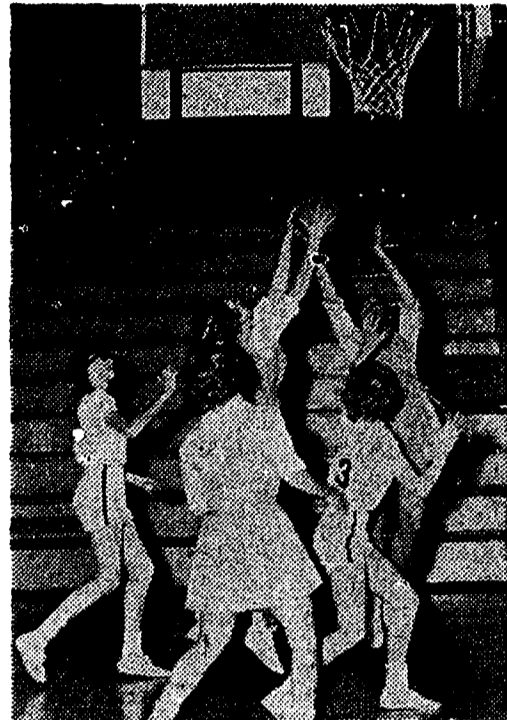

Recreational swimming hours will be as follows:

Tuesdays: 7:50 - 9:30 pm
Saturdays: 2:00 - 4:00 pm

Girls' B'ball Team Lose First Three

The girls' basketball team of BSC dropped their first three games of the 1965 season.

In their first game, the Huskies traveled to Penn State University to be defeated by a score of 39-33. High scorers for Bloom were Lori Miller and Ann Smalser with 10 points each. Carol Gray scored 6.

Girls' basketball team in action against LHSC. Photo by Sizemore.

Lose To Misericordia

The second game was played at Misericordia with the score being Misericordia 49, Bloom 35. Carol Gray tallied 11 points, Lori Miller 9, and Connie Jarrard 8.

Lock Haven Victorious

In the next game Bloomsburg played host to the girls of Lock Haven State College. The final score was Lock Haven 45, Bloomsburg 26. High scorer for this game was Ann Smalser with 11 points. The Jay Vees also met defeat with a score of 35-15. Nancy Moyer led the way with 15 points.

The girls' team will meet Wilkes at Wilkes on March 3.

BSC Frosh Win Over LH Frosh

It was Bloomsburg all the way from the beginning of the freshman meet. Wrestling at 123 pounds for the freshmen was Earl Boyd who decided his Lock Haven opponent, seven to six, in an exciting match which acted as a preview of what was to come.

John Ford, 130, and Dennis Seigman, 147, both drew with their Bald Eagle opponents. For the Huskies, Jim Ross, Barry Sutter, and Bill Moul, all decided their opponents by decisive scores.

Huskies Defeat Lock Haven; BSC Defeated Twice On Road

The Husky Basketball Team bounced back to their winning ways with a 91-77 victory over the Bald Eagles of Lock Haven.

After a close first half, in which the Huskies found it difficult to find the range, they rallied in the closing minutes before intermission to take a 44-38 half time lead.

Huskies Win in Second Half

It was the Huskies all the way in the second half. At one point the lead was up to 20 points, before Lock Haven started back. But it was too late, as the Huskies won 91-77.

Leading scorer for the Huskies was Gene Miller with 20 points and Ed Beck was second with 19.

The Husky five suffered an 86-81 loss Thursday night by Mansfield State College and dropped another close one to East Stroudsburg 83-70 on Saturday evening.

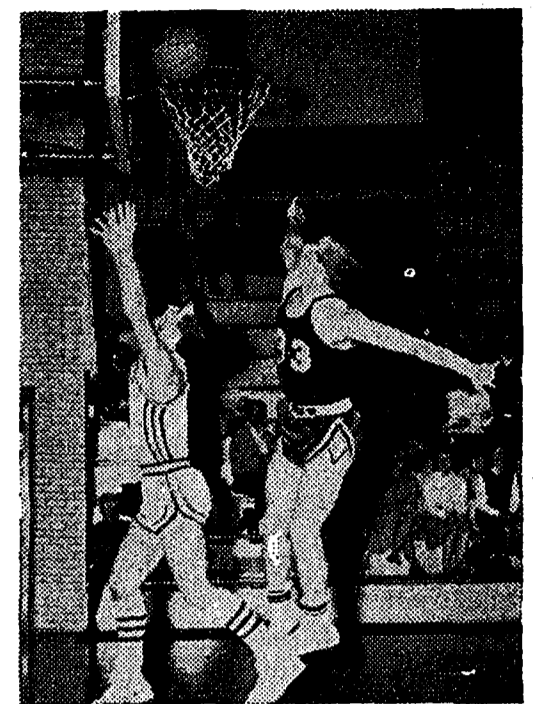

Playing before a packed house, the Huskies battled the Mountaineers of Mansfield on even terms until the final minutes. Bloomsburg had a rough start, not scoring until the first four minutes had gone by. The Huskies were down 11-1 when they battled back to even the score with four minutes remaining in the half.

The second half found the teams exchanging leads, with the Huskies building up an 8-point margin. Mansfield was able to overcome the deficit and pulled the game out 86-81. The boards were controlled by Beck and Miller who had 20 and 18 rebounds respectively. Farina and Miller led the scoring, each hitting the 20-point mark. Jack Garrity came off the bench and scored 16 points.

Despite injuries, Bob Herzig returned to action against East Stroudsburg Saturday night and established a new individual scoring record for the local team. Despite Bob's 25 points, the Huskies

Gerst Wins On Pin

The only pin in the freshman meet came in the 177 pound class with Bloomsburg's Joe Gerst pinning the Bald Eagle in 4:48. In the 157 pound class and the 191 pound class, Steve Peters and Jack Regan both won by forfeit, with their LHSC opponents being ineligible.

Farina tries for two against LHSC.

were defeated, 83-78. Once again the Huskies suffered first half blues, and found themselves on the bottom half of a 44-33 score at intermission. They battled back in the second half and were at one point ahead 53-52. The score stayed close but the ESSC five left the floor on top, 83-77. This was the Huskies twelfth loss of the season.

Herzig Sets Scoring Record

Herzig, a senior from Philadelphia, brought his four-year total at BSC to 1,343 points, 5 more than former Husky star, Dick Lloyd. Miller led rebounding with 23.

The Husky freshman basketball team continued their winning ways as they reached the century mark in scoring for the fifth time this season while romping over East Stroudsburg Freshmen, 103-83. Joe Alansky and Dave Duke accounted for 52 points between them.

A BSC student interested in being photographer for the M&G is needed urgently. We prefer interested freshmen who can and will be with the staff a few years. Contact Blair Hartman, Editor, or Marshall Siegel, Photography Editor at once.

Valley Elementary Supervisors Hold Conference On BSC Campus

The Susquehanna Valley Elementary Supervisors' Association met on BSC's campus recently. President Eugene Keiffer, Elementary Supervisor, Selingsgrove, conducted the business session. Nine counties were represented by fifty elementary supervisors and principals in a radius of seventy-five miles. Guests were also present from Bucknell University and College Misericordia.

Theme Of Day

Theme for the day's program was "Listening and Speaking." President Keiffer introduced Mrs. Iva Mae Beckley, Supervisor of Student Teaching, chairman of the day's program.

Mrs. Beckley presented highlights of a report by four national groups on the topic stating the most frequently used means of communication are listening and speaking. Effective communication is essential for self-fulfillment and for participation in society.

Elementary Demonstrations

Members of the Benjamin Franklin Laboratory School staff presented techniques and devices for stimulating children in the areas of listening and speaking. Children in the elementary grades of the Laboratory School participated in the demonstrations.

Miss Beatrice Englehart, Supervisor of Kindergarten, presented an approach to listening through phonics.

Miss Ann Marie Noakes, Supervisor of Second Grade, assisted by Dr. Donald Vannan, presented a tape and film illustrating "Morning Talks" using second grade children and "Extemporaneous Talks" by sixth grade children.

Members and visitors of the association were guests of the College for luncheon in the College Commons.

Conclusion

The program was continued in the afternoon with a demonstration in critical thinking through the use of poetry. Sixth grade children participated under the direction of Lawrence Recla, a junior in secondary education, majoring in English. He is currently doing his student teaching in Bucks County.

A film, "Effective Listening," concluded the day's program.

Other members serving on the committee were: Dr. Royce Johnson, Dr. Margaret Means, Deborah Griffith, Warren Johnson, Nerine Middle-swarth, Kenneth Roberts, and Ray Sunderland.

M&G Band Tours In Area Schools

The Maroon and Gold Band of BSC, under the direction of Dr. Charles H. Carlson, acting chairman of the Department of Music, is currently making road trips to high schools of the area. The band last week travelled to Nescopeck High School and presented a concert to the student body there. The next engagement will be two concerts before the students of Central Columbia County High School on March 4.

The seventy-piece musical group is presently featuring the trumpet trio of Donald Roberts, Jim Worth, and Ronald Roberts and their rendition of "Bugler's Holiday."

Students Honored At Choral Festival

Sue Harper and Ralph Miller, BSC students, were selected as soloists in Vaughan Williams' *Serenade to Music* at the Pennsylvania Collegiate Choral Festival at California State College, February 18-20. Fourteen colleges and universities were represented from all over the state. Although about one third of the choir members were music majors, BSC was still able to place these two singers in solo categories. Other participants from BSC were Jan Space, John Wise, and Tom Curtis.

PSU Exhibits Art In Waller Lobby

The art display in Waller Hall Lobby is the product of a Junior Art Education Course at Pennsylvania State University. The four types of art work displayed are batik, serigraph, weaving, and stichery.

Jaycees Sponsor Miss Pa. Pageant

Nominations for the Miss Eastern Pennsylvania Pageant, an official Miss America preliminary, must be in the office of the Bloomsburg Junior Chamber of Commerce by Monday, March 1. Nominations may be made by mailing the name of the nominee to Entries Committee, P.O. Box 101, Bloomsburg, or by calling 784-0428.

Give Scholarships

The winner of the April 24 Bloomsburg Jaycee presentation will share in a scholarship and awards totaling over \$2000 and will compete for the title of Miss Pennsylvania at West Chester on June 26. Miss Pennsylvania 1965 will share in a \$3000 Pepsi Cola scholarship and will represent this state in the Miss America Pageant at Atlantic City in September.

Area Entries

Thus far entries have been received from Bloomsburg, Schuylkill Haven, Catawissa, Middle Port, Elysburg, Harveys Lake, Pottsville, St. Clair, Berwick, and Danville. Entries include several students from BSC.

B Club cordially invites all women associated with BSC to a "Fun Night" in Centennial Gym, March 4, from 7 to 9 pm. Activities will consist of volleyball, ping pong, badminton, shuffleboard, and the use of the trampoline. This night is for fun, recreation and socializing. Faculty wives, staff and students are welcome.

Members Elect New IRC Officers

The International Relations Club, which meets twice a month, elected new officers at a recent meeting.

Newly elected officers are as follows: Leatrice Sunaoka, president; Luton Houtz, vice president; Anna Marie Soléy, recording secretary; Connie Rohr, corresponding secretary; Barbara Bensinger, treasurer; and Gerald Depo, program chairman.

The next meeting of the club will be held on March 2. At that time Judith Applegate, BSC student, will show slides of her visit to Spain where she studied for seven months at the University of Valladolid. All students and faculty are welcome.

Bunge Releases Enrollment Totals

BSC has a total enrollment of 2,650 according to figures released by Robert L. Bunge, Registrar. This figure is based on information obtained by the data processing center from registration cards.

A breakdown of this figure indicates the following information: there are 2,450 full-time students and 68 part-time students. Graduate students number 132. Males outnumber females 1353 to 1297.

Anthology Invites Collegiate Poetry

Manuscripts are now being accepted by National Poetry Press for consideration for the Annual Anthology of Collegiate Poetry. The publication will be the first spring anthology of the National Poetry Press in fifteen years.

The student's name, home address and college must be typed or printed on each entry submitted. Failure to follow these rules will disqualify the entrants. In as much as space is limited, more favorable consideration is given to the shorter poems.

Manuscripts must be mailed to National Poetry Press, 3210 Selby Avenue, Los Angeles 34, California, no later than April 10.

Election Marks End Of Contest

The final phase of the Maroon and Gold contest to find the best-dressed BSC co-ed will come to a close today. All students are urged to cast their vote for their choice of the best-dressed girl on campus. Votes may be cast outside of Husky Lounge today beginning at 9:00 am.

The winner of the contest and the first runner-up will receive \$50 and \$25 awards respectively from Arcus' Dress Shop. The names of the winners will be announced in the March 5 issue of the Maroon and Gold.
