Number 13

Dr. E. T. DeVoe To Be Remembered

Dr. Edward T. DeVoe

Dr. Edward T. DeVoe, a member of the English faculty of BSC since 1946, passed away December 22 in the Bloomsburg Hospital. Dr. DeVoe had been hospitalized December 4 suffering from pneumonia and had undergone surgery about a week prior to his death.

The following tribute was written by Dr. Cecil Seronsy, former head of the English Department and one-time advisor to the M&G.

As all of the faculty and students in our college no doubt already know, Professor Edward T. DeVoe has passed on. At the time of his death he was the oldest member of the English staff in point of service, and as an associate of his, I can attest to the respect which he

had earned from colleagues and students alike.

What is of more immediate concern here is that over a period of nearly 20 years, Dr. DeVoe was more actively associated with college student publications than was any other person. For many years he was advisor to all the publications at the same time: Maroon and Gold, Olympian, Obiter. Numerous other publishing responsibilities he undertook most capably — preparation and proofreading of college brochures, handbooks, and catalogues. Up to the time of his death he continued to serve as chairman of the Publications Committee and as advisor to the staff of the yearbook.

It seems fitting that this newspaper, which Dr. DeVoe advised for so many years, before the duty fell to me, then later to Mr. Savage, should pay tribute to one who worked so hard in furthering its growth. One of Dr. DeVoe's admirable traits as advisor was the strictness with which he kept publicity on himself in the background. It is good to recognize that institution — and a newspaper is one — don't just miraculously appear. They have a continuity that sometimes students fail to sense in their brief stay at college. Dr. DeVoe played an important part in that continuity by bringing from his own newspaper experience a professional touch to our paper. His death is a loss to the whole college community.

Student Theatrical Group To Present Shakespeare Comedy, Twelfth Night

William Shakespeare

The Bloomsburg Players, under the direction of Mr. Michael J. McHale, will present William Shakespeare's Twelfth Night in Carver Auditorium at 8:15 p.m. on January 10, 11, 12. This will be the first Shakespearean comedy performed at BSC since Mr. McHale presented The Taming of the Shrew over two years ago.

Play's Cast

Featured Players are: Carol Dewald, Tom Curtis, Bruce Hopkins, Jan Feimster, Iva Klingaman, Larry Gerber, Vince Marion, and Lynn Roccograndi. Others in the cast include Glenn Landis, Bob Wynne, Randall Martin, Fred Harris, Brian McLernan, Fred Kressler, and other members of the Bloomsburg Players.

Twelfth Night is designed to entertain, amuse and broaden the theatrical scope of those witnessing this boisterous comedy. The production has been streamlined and given a modern inventive interpretation to satisfy the most sophisticated playgoer.

All Invited To Attend

All students, faculty and members of the college community are invited to attend. Tickets can be obtained by writing Mr. Robert Richey, Box 133 or by presenting one's student card at the door. Faculty may get their tickets by presenting Activities Ticket #8 to Mrs. Remley in Mr. William's office.

Dept. Establishes Sanitation Policy

An aquatics policy which has been in effect for some time might be of interest to men students. Any men with long hair who are taking aquatics must either get their hair cut or wear a bathing cap. Those who do not wish to comply with this regulation will be able to withdraw with a "W" providing they are passing at the time.

For Sanitation

The policy was established by the health and Physical Education Department to ensure sanitary conditions in the pool, and to protect the pool filter from clogging because of hair in the system.

Housing Contracts Clarified By Dean

The Dean of Men's Office reminds all men on campus and downtown that there will be no housing changes authorized at the semester break. All contracts except those of student teachers who will be teaching away from Bloomsburg are on a 36 week basis and cannot be broken. The men are also reminded that the downtown housing fees must be paid nine weeks in advance, the same as the dormitory residents. Downtown students coming into the dorm at the start of the second semester must find a satisfactory replacement from the incoming class.

Teachers Offered Graduate Courses

Bloomsburg State College has been authorized by the U.S. Office of Education to begin preparations to conduct institutes for advanced study in geography and English this summer, according to Dr. Andruss, College President. Both institutes begin on June 27 and end August 6, 1966.

The Geography Institute will provide an opportunity for 30 geography teachers to improve their academic preparation, to gain competency in the newer emphasis of modern geography, and to acquaint themselves with the philosophy, instructional materials, and teaching techniques most effective in the field. Dr. Bruce Adams, Chairman of the Geography Department, will serve as project director.

English Institute

The English Institute is designed to help 30 secondary school English teachers to improve their own academic preparation in English, particularly in reading, appreciating, analyzing and evaluating literature, in writing and the evaluation of writing. Directing the English Institute will be Dr. Louis Thompson, Chairman of the English Department.

Funds Requested

Federal funds totaling \$73,901 have been requested for the two institutes.

Evening Schedules Released By Dean

Evening classes for the second semester are scheduled to begin February 1, 1966. Registration for new students will be held at the Registrar's Office in Carver Hall on Thursday, January 27, from 7:00 to 9:00 p.m. Application forms, are available in the Registrar's office, must be returned no later than Jan. 3, 1966. Students currently enrolled in the evening classes will be mailed registration cards to be returned by noon, January 15, 1966.

Subjects Offered

The second semester program of adult evening classes is a continuation of the program initiated last September. General Psychology, World Geography, English Composition II, Fundamentals of Mathematics II, and Accounting II are offered to high school graduates who wish to broaden their interests, add to their knowledge of specific subjects, or review their skills.

The classes are not available for teachers-in-service and/or regular college students (except public school nurses and dental hygienists). Other requirements are that the applicant be at least 21 years of age and gainfully employed.

Tuition Fee

For residents of Pennsylvania the tuition fee is \$12.50 per credit hour. The college retains the right to cancel courses with insufficient enrollment and to offer courses in accordance with the demands. A deposit of \$10.00 (payable to the Commonwealth of Pennsylvania) should accompany all applications of students applying for the first time. The deposit is non-refundable.

So that all students may attend the mid-year commencement services in Centennial Gymnasium on Tuesday, January 18, at 2:00 p.m., no finals are being scheduled on that day at 12:00 or 2:00 p.m.

Republican Group To Organize Here

College students and young people of Columbia County met recently and voted unanimously to organize an official Young Republican Club and to affiliate with the State Young Republican Organization. All students with an interest in politics and government are invited to join. A student need not be a resident of Columbia County to be eligible for membership.

Tom Miller, Jr., a 1964 graduate of BSC and past CGA president, has been elected temporary Chairman to make preparations for the organizational meeting to be held January 17, 1966 at the Columbia County Court House in Bloomsburg.

John Actin, chairman of the State Young Republican Federation will be the guest speaker at the organizational meeting which will begin at 8:00 p.m. Mr. Actin will discuss the importance of a Young Republican organization and will explain the complete YR program.

Mr. Miller stated that the main purpose of the Young Republican Organization is to provide the opportunity for young people to become informed on the issues, and Republican principles in government today. He stated that other goals of the YR's are to provide manpower for the Republican Party as a whole and to act as a political training ground for future GOP leaders and candidates.

Interested students are asked to give their names and post office box numbers to Doug Hippenstiel, Box 785.

Editors Attend News Conference

Governor Scranton

Education and politics occupied the spotlight as Governor William W. Scranton hosted representatives of state colleges and universities at his annual news conference for collegians held in Harrisburg last month.

BSC Representatives

William Howells, editor of the M&G, headed the delegation from BSC. Included in the group were Doug Hippenstiel, Managing Edi-

tor; Judy Gers, Feature Editor; Alice Chapman, Copy Editor; and Marshall Siegel, Photography Editor. Mr. Richard Savage, advisor to the M&G, accompanied the group.

The news conference afforded student journalists and representatives the opportunity to question the Governor on matters pertaining to their schools in particular and to education in general. A variety of questions were also raised with regard to county, state, and national politics.

Editor's Answer

A highpoint of the conference came when Bill Howells replied to a question put to the students by a professional journalist with regard to narcotics on the state's campuses. Howells stated that this was not, to his knowledge, a problem at BSC in particular. He further stated that the journalist was perhaps violating a principle preached to amateur-journalists, namely, that of not blowing stories out of proportion. The BSC editor's comment brought a round of applause from the corps of student newsmen and a humorous remark by the Governor.

During the Holiday vacation Paul S. Riegel, Dean of Students, was contacted by the Pennsylvania State Police concerning the theft of two oil paintings from Millersville State College. The paintings were stolen during the weekend of the Millersville-Bloomsburg football game (October 23). The state police have been asked to investigate the possibility of the paintings being taken by BSC students. Dean Riegel has asked that anyone with information concerning the theft of the paintings report it to his office.

A number of positions as typists for the M&G are open. The positions require an average of one hour each Monday evening. Applicants for the positions may leave their names at the post office, Box 58.

Scheduling-Day Confusion

Large Crowd On Steps Alarm Some; Battered Students Schedule At BSC

by Judy Gers

During scheduling, the mob scene that occurred in front of Centennial Gymnasium should not have happened. This could sound like a great understatement to anyone who was pushed and shoved by the crowd. Some were buffeted for well over an hour.

Reasons Presented

One cannot use a scapegoat for the reason of why this happened. The facts are present. Two things happened to cause this delay. First of all, the files were in order of the number of credits. This would have worked as it had in previous years except that they scheduled a special group. That these people would have different amounts of credits was not taken into account. They should have had the files in alphabetical order for these students. This caused a bottleneck.

Secondly, doubling the mistake were the students. Apparently, some decided to cut line again. They arrived early. Pushing and

shoving, these people tried to take "their place". Also, many did not follow the instructions in the Master Schedule. It stated that students were to have their 9 weeks grade reports with them. This would have practically eliminated the oversight of the administration. But, many forgot to read instructions.

It is apparent that both parties made mistakes. But, one problem could have been eliminated by us, the students. Or, have we been so used to cheating that we took this nonchalantly. One can not realize the gravity of the situation. With a leader, that crowd of students could have been a mob. Many could have been hurt. This is theoretical. It did not happen. It probably will never occur again. But . . .

Mr. Bunge would like suggestions from the students concerning how to alleviate the bottlenecks in scheduling. If you have any, write him — Mr. Bunge, Box 81.

New Resolutions Made and Broken In Record Time!

by Judy Gers

Like New Year's Resolutions, the breaking of them is a habitual habit. But, before their fiery commitment to the fires of time, (another way of saying, forgetting them), one looks proudly at the piece of paper bearing their commitments in the New Year.

Resolutions Made

All the thoughts and the regrets of years passed was poured into their creation. A student's New Year's resolutions might read:

1. No more cuts — I have done enough of this nonsense and refuse to spend any more time than necessary in Husky Lounge.

2. Get to class on time — after all, punctuality is the soul of the outside world. I will start out for classes 15 minutes earlier.

3. Learn to spell — too many points, I have been deducted in my composition classes. Also; my gramer ain't too well off. Guess I misewell put that down to.

4. Study in the library — one knows that one can find peace and quiet there. Also the reference section is available. Another asset is that there are no distractions.

5. Eat all meals in the Commons — I have paid for them and this is the time to be thrifty. Also, lately I have been consuming too much crap food. So — I will eat all meals there.

6. Do my term papers upon assignment. Too many times, I have typed all night to get a paper in on time. Not only that, but I got roomed three times for disturbing the peace of the dorm — Had to make this one real good for it was my last commitment.

Yes, these are typical New Year's resolutions. Now, I will do the typical thing — "Rich — Where did you put my matches?!"

Assembly Features A Berlin Lecture

"One Wall — Two Worlds" is the topic of Dr. Carl Bauer's presentation in the assemblies next week. He will tell from experience about Berlin. In 1964 and 1965, he had the opportunity to visit that city. There he took many slides and view it from a political and economic viewpoint. This should prove to be a very interesting program on the 11th and 13th of January.

Motivation Survey Taken By Vannan Psychology Class

Recently, members of Dr. Vannan's Psychology 201 (General Psychology) classes conducted a motivation survey. The survey question "What motivates you to avoid burning your draft card?" was selected as most topical by the classes from a number of questions suggested.

Each of the 67 class members presented the question to four BSC students; one freshman, one sophomore, one junior and one senior.

Varied Answers

The answers received were varied. The top eight categories and the breakdown of each into classes are as follows.

Fear of going to jail: 21 freshmen, 15 sophomores, 9 juniors and 10 seniors for a total of 55.

It's not patriotic: 12 freshmen, 11 sophomores, 19 juniors, and 11 seniors, for a total of 53.

Wouldn't accomplish anything: 6 freshmen, 5 sophomores, 8 juniors, and 8 seniors, for a total of 27.

Against my principles: 3 freshmen, 7 sophomores, 5 juniors, and 6 seniors for a total of 21.

We are obligated in time of war: no freshmen, 2 sophomores, 4 juniors, and 3 seniors, for a total of 9.

My friends would ridicule me: 2 freshmen, 3 sophomores, 4 juniors, and no seniors, for a total of 9. The answers \$10,000 fine and

Pinochle Score-Sheet

WE THEY BID

(You guessed it. We ran out of news.

Army might take me sooner were each given four times by various participants.

A total of 268 students were polled, giving a fairly accurate cross-section of feelings to this question at BSC.

This Week's Agenda

Saturday, January 8
Basketball — Kutztown (home)
Wrestling — Oswego (home)
Freshman Wrestling — West Point

Monday, January 10
"Twelfth night"

Tuesday, January 11
"Twelfth Night"
Swimming — Millersville (away)
Dr. Carl Bauer — Assembly

Wednesday, January 12
Basketball — Shippensburg (home)
"Twelfth Night"

Thursday, January 13
Wrestling — Millersville (away)
Dr. Carl Bauer — Assembly

Friday, January 14
Swimming — St. Joseph's (away)
Longine Symphonette — Carver — 8:15 p.m.

Saturday, January 15
Basketball — Juniata (away)
Freshmen Basketball — Bucknell (away)
Wrestling — East Stroudsburg (home)

Check Husky Lounge Bulletin Board for any additions or changes.

Yule Spirit Ends—

by Frank Garrigan

Is there a sight so sorry as a castaway Christmas tree, lonely, barren, brown and bare; tossed like a tumbleweed by a heartless wind?

But, its entire existence was for a moment of glory, to be displayed and discarded. And, it has served its purpose well. Its period of beauty and usefulness had come to an end. Which one of us would keep a tree until the last needle had fallen? All good things must come to an end.

Christmas is a good thing, a time of joy, a moment of release, a thing of celebration. And like the tree it has served its purpose, and it is over, it is dead. But because of it, each one of us is a little better off, a little more ready to go on. It has refreshed us for the ensuing weeks of trial.

See how simple it is? You understand of course ~~man~~ don't you?

Dean of Instruction Announces Final Examination Schedule

The Dean of Instruction's office has announced the final examination schedule for first semester. Finals will begin Wednesday, January 19, at 8:00 a.m. and will conclude Thursday, January 27 at 1:40 p.m. if a student has more than one exam scheduled for the same hour, he should arrange through his instructor to make-up the exam during a conflict period on Thursday, January 27 at 10:00 a.m. or 12:00 p.m.

The schedule follows:

FINAL EXAMINATION SCHEDULE First Semester 1965 - 1966

(Note: Specific information about sections appears in parenthesis)

Wednesday, January 19, 1966

8:00- 9:40	Bus.Ed.	361	Problems of Business Education in Secondary School	G	205

College Educators Will Evaluate BSC

Bloomsburg State will be visited March 22-24 by a committee of educators and curriculum specialists from Pennsylvania State Colleges and Universities for the purpose of determining the adequacy of our present total curriculum in teacher education.

The Committee will re-evaluate the existing programs to determine if they are of such high quality that the Department of Public Instruction might consider automatically issuing teaching certificates to graduates of the programs. The ultimate purpose of this re-evaluation is to improve teacher education in Pennsylvania.

During the visit members of the committee will speak with the administration, faculty, and students for information regarding courses, the quality of instruction, and the general quality of the existing programs.

Summer Schedules

Summer schedules will be available by the first of February. Those students who for some reason must have information concerning summer schedules before February may receive a mimeographed tentative list before the end of the semester from the registration office.

Graduates Sought For Coast Guard

The US Coast Guard is seeking college graduates for its February 1966 class at the Officers Candidate School, Coast Guard Reserve Training Center, Yorktown, Va.

Successful candidates will be commissioned as ensigns in the Coast Guard Reserve upon graduation and will be required to complete three years on active duty after receiving their commissions. Qualifications

To qualify you must be between 21 and 26 years of age and must be a college graduate or a senior who will graduate before February 13, 1966.

The officer candidates will receive 17 weeks of intensive, highly specialized training in navigation, seamanship, gunnery, damage control, anti-submarine warfare and other subjects. In addition graduates will be eligible for flight training.

Duties

The newly-commissioned ensigns will join the 3,000 Coast Guard officers who serve world-wide in a variety of interesting duties including oceanography, search and rescue, law enforcement, and merchant marine safety.

For complete information write Commandant (P-T P-2), US Coast Guard, Washington, D.C., 20226.

by Ray Buckno

No comment! That little tidbit pertains to the results of the Wilkes Tournament. Reason? This columnist was not there to see what happened and doesn't have any comments to make from hearsay or other newspapers.

In the December 17 issue of the Maroon and Gold, Irv Zablocky's article from The Sidelines criticized our cheering section as being unsportsmanlike and an "in-group crowd" or a special "clique." Well it is my belief that both these statements are false accusations by a 99 44/100 per cent margin. True, every college has its share of poor sports, whether players or fans, but in my books BSC has a very small percentage. Naturally during the heat of a game or wrestling meet, students are bound to get a little carried away with their comments; but I feel that nobody at BSC could be accused of being a poor loser. What was witnessed at Kutztown State College last year at a basketball game between KSC and Bloom could be called not only unsportsmanlike but in very bad taste, when during the course of the game KSC students expectorated on BSC students because their team was losing. These students were reprimanded to the degree of expulsion, and it is my belief that this was a just means of reprimandation. It is a known fact that no BSC student has ever gone to such extremes as mentioned above, and it makes this columnist very happy to see that our student body has more common sense.

As for ridiculing any one special player of the opposition, this is done to "shake" this player up to a degree of which he can't be as effective as usual. If the athlete being ridiculed is as good as he is billed to be, the ridiculing won't bother him. It is only the mediocre athlete that becomes bothered by the crowd and turns to the crowd with disdain and scorn; a good athlete conducts himself during a game as if the crowd doesn't exist. True, fans should not ridicule an athlete about his personal looks or his speech, but there is nothing wrong with attacking an athlete (verbally) for his "hot dog" performances, example Joe Russel, Mansfield State College.

To answer the question of the "in crowd" or the "clique" this is very easy to explain. Explanation being the following: the boys in

Husky Grapplers from the Ninth At Wilkes

The Husky matmen tied for ninth place in the annual Wilkes Open Wrestling Tournament. A record 411 wrestlers from 91 colleges, universities, and athletic clubs took part in the two-day competition, the largest ever held at Wilkes College.

Lock Haven gained an early lead and went on to win the tourney with a total of 51 points. Pennetic Athletic Club took second place with 45 points; Navy was third with 42; the University of Maryland fourth, 41; Cornell fifth, 35; East Stroudsburg sixth, 32; Waynesburg seventh, 30; Wilkes eighth, 28; BSC and Temple, 23. Ohio State and Ohio University were tied for eleventh with 21 points.

Jim Rolley and Barry Sutter were the only Huskies to survive the quarterfinals. Rolley, national champion last year, won the only medal with a third place in the 137 pound class. After winning three matches in the first day of competition, Rolley was decisioned 7-2 by Lansky of the University of Pennsylvania in the semi-finals. Lansky, a medal winner for the United States in international competition last summer in Israel, went into the match with 65 consecutive victories.

Barry Sutter, 145 lb. sophomore, defeated four opponents before losing a close 6-5 decision to Waltz of Lock Haven. Sutter was ahead 5-4 when Waltz got a reverse in the last half minute to go ahead.

In the consolations Rolley won his first match with a 6-2 decision and pinned his second opponent for his third place finish. Sutter lost a 4-2 decision in his last bout.

Two Husky freshmen also went into the finals. Doug Grady, 160, and Mike Cunyngnam, 191, both won their first but lost their second matches.

The average person will believe anything you tell him if you whisper it.

The cheering section on the drums do only that which helps to put atmosphere into the crowd and that which helps everyone to feel like one big family. This helps to psyche the crowd up and those who see different to this are people who don't care to participate in the cheering and would rather sit back and criticize everyone from coaches, referees, and players to the fans who have the spirit and enthusiasm to back their team.

All in all, it is my belief that our student body has, for the majority of my four years at Bloom, used good taste in their cheers and sportsmanship. Or to put it another way, think twice before blurting out with bad calls or with critical remarks of those doing a good job.

... SIDELINES

By Irwin Zablocky

It is amazing how much the PSCAC has improved in the past two or three years. In 1963, for instance, there were 27 runners in the State Cross Country Meet at Slippery Rock. Last November the number jumped to 55 competitors.

In basketball, the old leaders have been surpassed by fast improving teams such as Millersville, East Stroudsburg, and Cheyney. The most prominent being Cheyney who won the PSCAC championship last year with four of their starters being Freshmen.

Even the track and field championships are not dominated by West Chester and Slippery Rock—both having indoor tracks and winter meets. Last spring Lock Haven and Cheyney came through vastly improved teams and should be powerful this coming year.

The other sports — swimming, baseball, football, etc. — have also become more evenly matched among the 14 sister colleges. But the sport which improved the most would have to be wrestling. No longer are Bloomsburg and Lock Haven far above the rest of the state college teams.

Clarion was undefeated in dual competition last year and then surprised everyone by winning the State Championships. In the Wilkes Tournament, in December, Lock Haven won, East Stroudsburg placed fourth, and Bloomsburg ninth. This year's Bloom-Stroud match should really be a contest. Then there are Mansfield, Millersville, and West Chester who are also stronger this year than previously.

The conference is rapidly improving and I'm sure this is directly proportional to the increased enrollments of all the state colleges. Realizing the importance of athletics, college administrations have dipped from their growing treasuries to hire big name coaches. This in return draws bigger and better athletes to that particular school.

Bloomsburg has never taken the back seat in athletics and I only hope our administration or our students never let this happen. We MUST grow bigger and better to keep up with the PSCAC.

Gene Miller was ranked second in the nation in rebounding according to the National Collegiate Athletic Bureau. His 20.8 rebounds per game average was just slightly under the leader's 24.2... Joe Figliolo won the New Jersey State Weightlifting Championship in the 181 lb. class with a total lift of 835 pounds.

BSC CLASS RINGS

5 W. Main St. Bloomsburg

Pictured above are members of BSC's Girls Basketball Team practicing for one of their upcoming games.

... INTRAMURALS ...

The shuffleboard tournament is still underway. The field is gradually being narrowed and the tournament is nearing its conclusion. At this point it is impossible to predict the finalists because several men are very evenly matched.

This tournament is progressing very well despite the factors limiting our use of the gym. Several well played games are on the record. The co-operation of the men involved, despite late games, etc., has been outstanding.

Men's Basketball Results

Giants 62, W. H. Mouses 14; Parasites 51, Packers 40; A's Crusaders 49, "49ers" 13; Men from UNCLE 2, State Boys 0, (forfeit); A's Crusaders 45, Giant Killers 69; Animals 41, Hatchetmen 30; Gibbons Group 41, "76ers" 20; Giants 37, Celtics 38; Parasites 32, Peters Apostles 41; Harters Hasbeens 32, W. H. Mouses 29; Vikings 26, Raiders 44; Animals 40, Gibbons Group 36.

Requests for Postponements

This department intends to make full use of the gym whenever it is available to us. This cannot be done unless the schedule is rigidly adhered to, therefore it will be extremely difficult to gain a postponement. Requests for postponements must be submitted in writing at least 24 hours prior to the event scheduled. The validity of the re-

quest will be determined by this department.

Team captains will please submit their rosters for water polo no later than January 15, 1966.

Rate 1st and 2nd

Sports tid-bits from the PSC-AC news release, again rates Lock Haven and Bloomsburg as 1 and 2 or vice-versa as the best wrestling teams in the conference, with Clarion, the defending state champs, rated third, and behind Clarion, E. Stroudsburg and West Chester.

Bloom's arch-rival, Lock Haven, is rated the No. 1 team in the NAIA and the Huskies are rated as the third top team. But according to the Amateur Wrestling News, which is commonly known as the "bible" of college wrestling, BSC is ranked ahead of Lock Haven in the nations top 20 wrestling teams.

So far this year, Lock Haven lost their opening dual meet against the nation's No. 1 rated NCAA team, Oklahoma State, 21-6. Then Lock Haven ended Clarion's three year string of 32 straight dual meet wins, 23-14, and then defeated Indiana State, Indiana, 22-11.

Husky Rooks Win PSC Chess Title

Trophies won by the Chess Team at the PSC Tournament.

The Bloomsburg State College Husky Rooks recently won the third annual Chess Championship of Pennsylvania State Colleges and retained custody of the Giangulio Memorial Trophy for another year. This year's tournament, sponsored by the Edinboro State College Chess Club, took place in the Student Union Building at Edinboro.

BSC First

BSC finished with a 12-4 score, with second place Edinboro at 8-8 and third place Shippensburg at 4-12.

The top scorers on each team were Robert Latsha, Bloomsburg, senior; Gary Kressler, Shippensburg, senior; and Clyde Kapinos, Edinboro, junior. These men were awarded chess books as prizes.

Other Winners

Other successful Husky Rooks were Leonard Thomas, freshman, Berwick; Ray Depew, sophomore, Levittown; and Reginald Berlin, junior, Mechanicsburg.

Linguists Offered Asian Scholarship

The East-West Center in Asia is offering one hundred full-expense scholarships annually to students interested in studying one of the languages of Asia.

Interchange

Students receiving the scholarships study at the University of Hawaii where American and Asian students are paired off to encourage cultural interchange. Nineteen countries of Asia are represented in the student body.

East-West Center scholarships enable graduate students to receive their Master's Degree in any field relating to Asia, such as Asian art, religion, philosophy, and many other fields. Regardless of their major, all students study an Asia language.

Semester in Asia

During the third semester of the grant, qualified students may complete their research and improve their language with a semester in Asia.

For complete scholarship information write to the Director of Student Selection, East-West Center, Honolulu, Hawaii, 96822.

Adler Announces Summer Sessions

Dr. Robert E. Cralle, Executive Director of the Adler University Study Tour to Hawaii, announced recently that reservations for the 1966 Summer Travel Program to the University of Hawaii Summer Sessions are being accepted.

Special Rates

Special rates beginning at \$549 are being offered to students and teachers. The program includes a 43 day summer session, round-trip Pan American jet travel from the West Coast, accommodations in Waikiki Beach hotels, and a full schedule of 22 planned activities. Extra credits can be earned at the University of Hawaii's Summer Session which are transferable to most mainland colleges.

Date of departure is June 18 returning date is July 30, 1966. Full particulars including a 24 page illustrated bulletin and 1966 Application Form are available by writing to Dr. Robert E. Cralle, Executive Director, The Adler University Study Tours to Hawaii, 345 Stockton Street, San Francisco 8, California, SUtter 1-4544.

NESA Lists 50,000 Summer Openings

More than 50,000 summer employment openings in this country and abroad are listed in the 1966 Summer Employment Guide published by the National Employment Services Institute (NESI), Washington, D.C.

Used By Many Students

The new guide, which sells for \$2.95, is the largest selling summer employment directory in the nation according to the NESI president, Mr. Cortes W. Randell. He also stated that the guide is used by students in over 1,500 colleges and universities, and by hundreds of college faculty members and placement directors.

Work in U.S. or Abroad

The 1966 NESI Summer Employment Guide lists employment opportunities in more than 450 resorts in the U.S., in 20 federal government agencies, and in hundreds of private companies. It also includes complete listings of openings in 37 foreign countries. Information on how to seek particular overseas jobs through foreign employment agencies, consulates and foreign newspapers is another aspect of the guide. The 1966 guide also explains the new summer hiring procedure of the Federal Government, and offers advice concerning the proper way to seek one of the government's summer openings.

10% More Openings

As to the student employment opportunities, Mr. Randell noted that approximately 10% more openings will be available in the summer of 1966. However, he also mentioned that there will be about 16% more students looking for employment which will result in a demand for more experienced help. One consultation is that salaries are expected to rise 3 to 4%.

How To Obtain

The 1966 Student Employment Guides may be obtained by writing B. J. Smith, Circulation Manager, 1750 Pennsylvania Ave., N.W., Washington, D.C. Payment must accompany individual orders, and institutional orders of less than ten booklets.

Placement

Dean Hunsinger, Director of Placement, reminds all of the January graduates to report their positions to the Placement Office immediately. Any one without a position at the time of graduation should notify the Placement Office as to his intentions. Dean Hunsinger noted that many positions in the teaching field are available for January graduates, but that the response from this year's graduating class has been very poor.

Many Toys Given To Area Children

Mr. Shaffer, Ray "Santa" Buckno, Dean Hunsinger, Mr. Jones and friends.

Recently 'representatives of the Men's Resident Association of BSC visited the children's wards in thirteen different hospitals throughout the Bloomsburg area. Toys collected at the annual toy dance sponsored by the Men's Resident Association were distributed to 358 children in the various hospitals by Dean Hunsinger, Mr. Jones, Mr.

Shaffer and Santa Claus. One day Ray Buckno of Allentown had the role and Mike Heitz served as Santa on the other.

The men of the college would like to express their sincere thanks to the faculty, people of the town and the students alike for their splendid cooperation. Once again over 500 toys were collected. Toys, not given to the children in the hospitals, were sent to an orphanage.

Shockley Acts As Panel Consultant

Dr. Barbara Shockley, Associate Professor of Political Science at Bloomsburg State College, recently served as a panel discussant at the Third Regional Philadelphia Area Meeting of the Pennsylvania Political Science and Public Administration Association.

Following a discussion of German Politics by Professor Fritz Nova of Villanova University and Professor Charles Frye of Bryn Mawr College, Dr. Shockley summarized and commented on the discussion and probed deeper into the topic.

Wagner Honored By Psych. Assoc.

Dr. E. Paul Wagner, Professor of Psychology at BSC, has been elected to membership in the American Psychological Association. Invitations to membership in the association are extended by the Board of Directors.

Dr. Wagner, a member of the BSC faculty since 1950, is also a Fellow in the Pennsylvania Psychological Association and he has also been active in a number of other professional organizations at the local, state and national levels.

Adv. Scheduling

The office of the Dean of Instruction appreciates the cooperation and patience of students at the recent advanced scheduling. An analysis of the difficulty is being made by the office, and changes will be affected at the next scheduling.

Two points which, it is believed, will help clear up the situation are alphabetizing the credit groups and giving special groups prestamped cards to eliminate waiting for everyone.
