Volume XLIV

Bloomsburg State College, Bloomsburg, Pa. — Friday, March 18, 1966

Number 19

## Dean Of Students Earns Doctorate

Dr. Paul S. Riegel

Paul S. Riegel, newly appointed Dean of Students at BSC, has received his Ed.D. recently from Teachers College, Columbia University, New York City. His special field of study is the administration of higher education.

He pursued his undergraduate

studies at Middleburg College, Vermont and graduate studies at Teachers College, Columbia, where he received his M.A. in 1959. He served as financial aid counselor and administration while at Teachers College, Columbia, and as an assistant for special projects at that institution.

### Who's Who

Dean Riegel is a member of a number of Personnel and Guidance Associations, along with the American Association of University Professors, National Education Association and Phi Kappa Delta and Kappa Delta Pi (honor societies in education). In February 1965, his article "Principles of Development and Codification of Personnel Policies for Faculty and Professional Staff" was published in the Journal of the College and University Personnel Association. In addition to these achievements Dr. Riegel is also currently listed in Who's Who in the East.

**ATTENTION: Off-Campus Men** — You are required to pay your rent for the last nine-week period of the spring semester on or before March 29, 1966.

The annual Men's Smoker sponsored by the Men's Residence Association will be held Tuesday, March 29th. An evening program will be held in Carver Auditorium with the entertainment chaired by Mike Heitz. Following the program there will be a buffet style luncheon served in the Commons at 9:30.

## BSC Students 'Bleed' for Blood Drive; Give 808 Pints in Annual Visit

BSC students graphically demonstrated their belief in the spirit of "giving of oneself so that others might live" by contributing 808 pints of blood in the 15th annual visit of the Red Cross Bloodmobile.

### Back Viet Nam

Campus leaders, under the direction of student chairman Michael Fitzpatrick, called for an excellent turnout of donors to show the world that BSC students are behind the U.S. foreign policy in Viet Nam. The response was so great that the 808 pints collected were more than three times greater than any previous contribution made by the college or by the town of Bloomsburg. There were 746 students, 35 faculty and non-instructional personnel and 27 walk-ins. Unfortunately, 313 students did not fulfill their pledges. Next year the goal will be set for 1,000 blood donors.

### Facilities Increased

The Bloodmobile staff provided more than two and one-half times the usual facilities for a visit, with 21 nurses from the Wilkes-Barre Red Cross Staff, two from Johnstown, and a number from the Bloomsburg area in charge of 30 cots.

The visit was extended beyond the normal 4:00 deadline in order to accommodate the heavy afternoon schedule. The Bloodmobile committee thanks the students for being patient, since some did not leave until after 7:00 p.m. "It was a splendid effort by all concerned," said George Stradtman, faculty coordinator.

## Council Expands Kehr-Ward Fund And Revises Service Point Scale

The college community is reminded that the President of the College must give final approval to anything passed by council.

College Council approved a revised Service Key Point Scale and the transfer of \$1,000 into the Kehr-Ward Loan Fund in action at the eleventh regular meeting held on Monday. A number of other topics were discussed at some length and were sent to committee for further discussion pending Council action.

Scott Clarke, chairman of the CGA Awards Committee, presented a revised scale for the awarding of service points for participation in extra-curricular activities. It was felt that the present scale needed revision in light of a number of new activities and increased pressure on many officers due to increased enrollment. Activity presidents and advisors will receive cop-

ies of the revised scale in the near future.

### Fund Increased

Dean Riegel proposed the transfer of \$1,000 from the Book Store Fund to the Kehr-Ward Student Loan Fund. This would bring the total in the fund to \$2,000. The Dean explained that the increase was needed because of increasing enrollment and a corresponding increase in demand, causing depletion of the fund at various times.

Items which came under discussion included: the CGA Standards Committee, and a number of proposed amendments to the CGA Constitution, referred to committee; fund raising requests, and Psychology Club and Obiter pictures, both referred to Dean Riegel.

Gil Gockley announced tentative plans for spring weekend, which will be held May 13-15.

## Newspaper Takes First in Contest

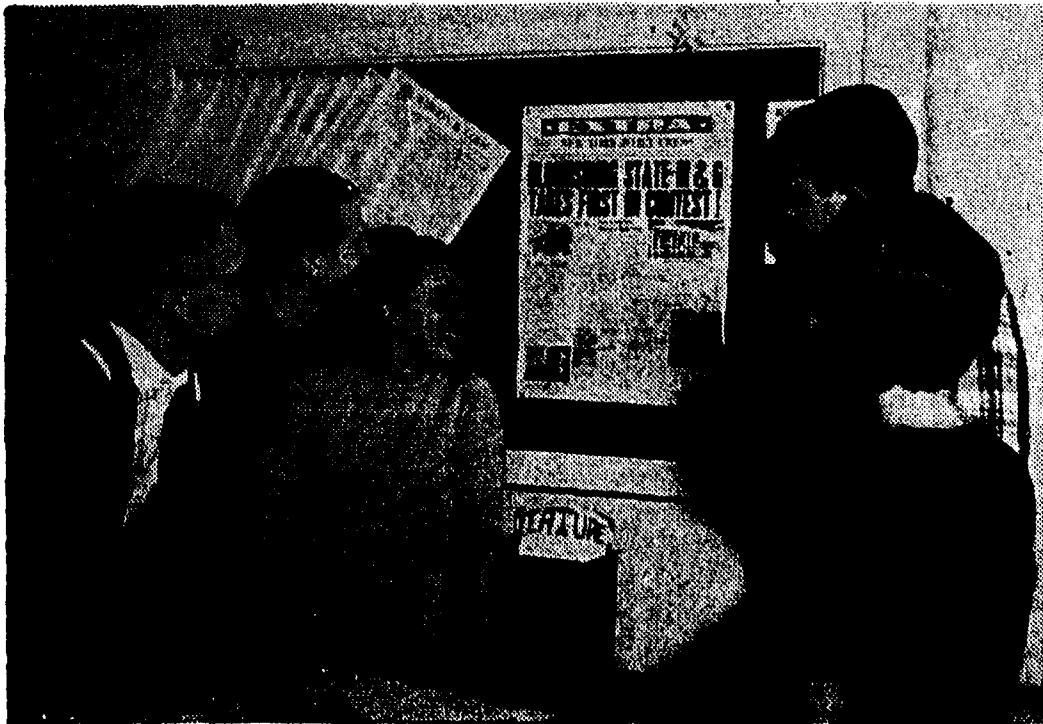

Photo by CARMODY

Headline tells story as staff celebrates.

The Maroon and Gold amassed enough points to capture a first place in the College-Scholarship Press Association. Five members of the staff and their advisor learned of the award while attending the 42nd Annual CSPA convention of editors and staffs from throughout the country. Representing BSC were Bill Howells, editor; Doug Hippenstiel, managing editor; Alice Chapman, copy editor; Judy Gers, feature editor; Ron Jackson, business manager and Mr. Richard Savage, advisor.

### Point Basis

This year marks the first time since 1961 that the M&G received a first place. Newspapers are evaluated on a point basis with all aspects of the newspaper taken into consideration. BSC was second in total points among those in the first division, and finished behind four medal winners.

### Advisor Comments

Mr. Savage noted that the award is especially gratifying in view of the fact that the M&G is published

by a staff almost devoid of senior staff members and their experience due to student teaching obligations. It is encouraging that despite this handicap that BSC finished ahead of many liberal arts colleges and universities who have the benefit of senior staff members. In addition, BSC finished ahead of all her sister state college newspapers, with the exception of Millersville who was a medalist winner in the school of education division.

### Hippenstiel Elected

At a business meeting of the College-University Division, Doug Hippenstiel was elected alternate delegate to the division from the Commonwealth of Pennsylvania.

Featured at the conference was Drew Pearson, who addressed the college-university group in a luncheon meeting, and Vice President Humphrey, who addressed the entire association via television from Washington, D.C., at the closing banquet. Also featured were sessions to promote the improvement of all aspects of scholastic journalism.

## State Educators To Visit Campus

A special committee from the Department of Public Instruction will be visiting BSC during March 23-24. The committee has been chosen to consider the college's programs. During their stay here, the committee members will speak informally with students, meet the faculty and administration, and study the efficiency of the teacher education program offered by the college.

### Informal Meetings

On Wednesday, March 23, at 3 p.m., the visitors will be guests at a reception in the lounge of New North Hall during which the leaders of the student government may speak with the committee members. At 4:00 p.m., representatives of the cooperating teachers and school officials will have an opportunity to speak with the group. Then, at 5:00 p.m. representatives of the student teachers in the various curriculums will confer with guests.

### Approval Impending

If BSC is given program approval by the evaluation group, it will mean that graduates of the college will automatically be granted a teaching certificate by the state. This will eliminate much red tape presently encountered in applying for and receiving a certificate.

The office of the Dean of Students has received a number of reports concerning the soliciting of magazine subscriptions in the dormitories and around campus. This is a violation of college policy. Students are advised to be wary of such soliciting on this campus and to report any future occurrences to the Dean of Students.

## Juniors Win Class Struggle

Photo by CARMODY

Victorious upperclassmen Howells, Partell, Hutterman and Fazzari.

Junior class contestants Bill Howells and Pam Partell captured first place for their class in the annual Battle of the Classes held recently. The current events quiz which pits two contestants from each class against each other is sponsored annually by Phi Sigma Pi, men's educational fraternity. Howells and Miss Partell each re-

ceive a year's subscription to a magazine of their choice for their winning efforts.

Finishing second was the freshmen team of Bob Wynne and Charles Starkowski, placing third and fourth respectively were the senior and sophomore teams of Skip Hutterman and Joe Fazzari, and Austin Kurtz and Kathy Fedin.

# Editorials

## Topic: We're No. 1

This publication takes great pride in announcing its placement in the CSPA newspaper contest. It is most rewarding to receive national recognition. This makes what sometimes seems a drudgery-filled week-to-week rat race somehow worth the effort. We would like to thank the entire college community, students, faculty, and administration for their support and help in achieving this distinction. Special thanks go out to the Office of Public Relations for much valuable assistance. A special note of thanks to our advisor, Mr. Richard Savage, who has given freely of his time and expert counsel, based on knowledge and many years of experience in the field. We thank you all.

## Topic: Swimmers

We would like to direct the attention of the college community to our swimmers. Since the inception of swimming at this college, team members have toiled in relative obscurity. Results were disappointing for the first years, the chief problem being, according to Dean Hoch, "whether or not anyone would drown before the season's end."

### Victory

The team has come along, showing improvement every year. This year BSC has reaped the fruits of victory with a 7-4 season and, most important, a third place finish in the state meet. This is the first trophy the team has earned in state competition. It is our feeling that the entire college community should congratulate them on their successful season.

## Topic: Viet Nam Survey

by Richie Benyo, Survey Committee Chairman

This year, among the other innovations we've made with the format of the M&G, we've begun a Survey Committee for the purpose of sampling the opinions of the students and faculty of our college in regards to some of the vital issues of the day. As our initial attempt in this field, we are in the process of polling the campus on the subject of our war effort in Viet Nam, in conjunction with the Playboy survey given last year.

Within the next week, each student will find a survey sheet in his mail box. We ask you to co-operate with our committee by checking the appropriate spaces and returning the forms as directed. To make this a successful—and an annual—venture, we urge both students, faculty, and administration to return these forms promptly. And, watch for the results in a forthcoming issue of this paper—they may interest you.

## Topic: Bloodmobile Visit

We would like to add our compliments and our praise in echo of that in Mr. Stradtman's and Dr. Sterling's letters to the entire community of BSC for their fine—nay, staggering and awesome turnout at the recent visit of the Bloodmobile to our campus. The crowd that thronged the gym all through the day showed beyond a doubt the mettle of which our students are made, and it is a mettle of which they be justifiably proud. Congratulations BSC!

## Interesting Attitude Change Shown In A Survey By Psychology Class

Near the end of last semester a survey was conducted to determine the effect of college life on the attitudes of students at BSC for Dr. Satz's Social Psychology class. The amount of attitudinal change occurring in students towards certain issues such as education, religion, sex, current events, etc., was measured.

Fifty students from each class were selected randomly by a systematic sampling procedure. However, only 74 questionnaires were completed and returned. Because of this small return, the results of this survey—although interesting—can not be considered truly representative of the entire student population.

### Returns Interesting

The following are some of the most interesting results of the survey. Over all, the attitude most affected by college life was the students' attitude towards current events. Although a large number of students stated that they were now more interested in current events, many of these same students admitted that they were less well-informed about them. Concerning U.S. policy in Viet Nam, 78% of the respondents were pro, 8% were con, 6% were acquiescent, and 7% had no opinion. In comparing classes, freshmen were 91% pro U.S. Viet Nam policy, sophomores 84%, juniors 68%, and seniors 69%.

(Continued on page 3)

## Civic Music Association Presents Charles Castleman Noted Violinist

by Luton Houtz and Howard V. Kearns

Those people who ventured their time last Monday evening to hear violinist, Charles Castleman, found themselves pleasantly surprised to see a young man of twenty-two step out on stage and present a musical program of such unusual depth. With selections from great composers as Mozart, Bach and Tchaikovsky, among others, Mr. Castleman performed before a highly appreciative audience as evidenced by the enthusiastic applause which subsided only after two equally appreciated encores.

### Impressive Background

It isn't often that you find a young violinist with Mr. Castleman's varied and impressive background. Having taken violin lessons at the age of four, Mr. Castleman made his New York debut at nine, and three years later played the Mendelssohn Concerto with the New York Philharmonic after winning a youth contest. Between the ages of thirteen and sixteen, in addition to playing four times in Carnegie Hall, Castleman appeared on

the Jackie Gleason, Arthur Godfrey, Lawrence Welk and Frank Sinatra shows.

### Awards and Tours

He has since been the recipient of many distinguished musical awards which included the Silver Medal at the 1963 Queen Elizabeth Competition in Brussels. Mr. Castleman has toured in Europe, Mexico, and Canada as well as the United States, and in June of this year, he has been chosen to tour Russia as a representative of the State Department. This talented musician matriculated in the undergraduate program at Harvard University and is currently working on his masters degree in musicology at the University of Pennsylvania.

In its continuing effort to present varied cultural programs to the public and college community, the Bloomsburg Civic Music Association has again triumphed in the outstanding performance of Charles Castleman. Throughout the evening, Mr. Castleman charmed his audience with his splendid display of musical talent.

## Letters To the Editor

To the Editor of M&G:

People who work for the Red Cross Bloodmobile, both professional and volunteers, have made statements that it was refreshing in the present day to meet as fine a group of people as the students of Bloomsburg State College.

The Blood Bank was short of help, students had to wait in some instances from 2:00 to 5:00 p.m.; yet these students were cheerful and courteous.

We on the faculty have known this for a long time, so it is no surprise to us.

Do students meet their responsibilities? They did—at the cost of 1 pint of blood each—that is more than I did.

W. B. Sterling  
Faculty

To our college community:

The 15th annual campus Bloodmobile was successful thanks to a wonderful response of donors and to the cooperative efforts of many. Early in our solicitation campaign it became evident that the original modest goal of 500 pints would be exceeded, so a higher goal of 1000 pints was set. Pledges from students, faculty and non-instructional personnel of the College actually exceeded 1025 but, for various reasons, donations were taken from only 808 of those who reported. While the revised goal was not reached, the volume of blood collected in a single day was a new record for not only the Bloomsburg area but for the Northeastern Pennsylvania Regional Blood Center operating out of Wilkes-Barre.

From the out-set of the 1966 Bloodmobile Campaign the spirit of "giving of oneself so that others might live" was a deeply motivating factor contributing to the unprecedented number of student donors. While some youth of today may be staging demoralizing protests and demonstrations against our government's position in Viet Nam, it is refreshing and gratifying to know that Bloomsburg students and College personnel not only give moral support to those

who fight for our nation's cause but are willing to contribute of their own blood to be used in saving lives of the casualties of a brutal war. It is with commendable altruism that our students, particularly, responded in behalf of their fellow fighting youth in Viet Nam.

We cannot praise too highly the splendid work done by the numerous students who worked with Red Cross authorities on this year's Bloodmobile. Michael Fitzpatrick, chairman, his co-chairmen, Priscilla Bangor, Edward Kern, and William Post and their Bloodmobile Committee are especially to be commended for countless hours of planning, soliciting, paper work and general coordinating. The men of Alpha Phi Omega, under President Marlin Kester, did a remarkable job in assisting donors to canteens for after-donor refreshments, carrying blood collections to packing and processing areas, lending moral support as they conversed with donors while assisting nurses and in generally making themselves useful. Appreciation is expressed for the valuable assistance given by the Women's Service Sorority, under President Miriam Malgren, at the canteens and posts of assignment. Those who periodically made P.A. announcements in Husky Lounge kept the donors moving smoothly to the Gym throughout the day. Thanks to Dean Hoch and the faculty who cooperated in ruling out tests for the day and in being tolerant toward donors and Bloodmobile workers who either missed classes or were tardy. Once again Mr. Gorrey and his wonderful grounds crew under Mr. Lou Hess provided reliable services of many descriptions essential to the Bloodmobile operation. Red Cross personnel expressed appreciation for the efforts of Slater Food Service in feeding personnel and in supplying canteens.

Of course, essential to any Bloodmobile is the professional nursing and medical staff and the many non-professional volunteers from the Bloomsburg area who assist in registrations, take histories, keep records and operate canteens. Many of these people worked from ten o'clock until 7 p.m. One team of professional nurses were brought from Johnstown, Pa. to supplement the Wilkes-Barre staff.

In sincere appreciation for everyone's efforts who helped to make our Bloodmobile a success,

George G. Stradtman  
Faculty Co-Ordinator  
Of 1966 Bloodmobile

Psych up, Spring Athletic Teams!!

## Student Poetry

EDITOR'S NOTE: Students who wish to contribute to this column should contact Luton Houtz, P.O. Box #440.

### EARLY THAW

by Brian B. McLernan

Fresh kiss of gentle sunlit breeze  
Blows warm and sweet despite the  
tease  
Of hidden cold and bitter night  
That waits to follow daytime light.

The cool young blush of melting  
snow  
Unbinds, allows the soil to show,  
Dissolves the chill of winter frost  
Relights the fire of life unlost.

### PIOGNANT SPIRAL

by Luton Houtz

The world spins on in a spireless  
spiral  
Bringing man to an endless point;  
Afraid to go on, but too far to turn  
back.

The spearhead of centuries goads  
him on.  
He takes the pace set by the past  
To make his mark on the unfelt  
future.

Free and fight, enslave and peace:  
Create the past, destroy the future;  
For your fun, face your folly!

Man spins on in a spiral spire,  
Bringing the world to a pointless  
point.

### DAWN OF A DIFFERENT DAY

by Richie Benyo

As day by day flies past,  
And new days keep on coming  
fast,  
There is a silence shadows day,  
Coming on bleak wings and leav-  
ing on gold,  
And never staying long enough to  
know.

As time precedes its essence still,  
And summer sets upon the hill,  
I look to spots, both here and there,  
To see a spot where once, upon  
better  
Times, we used to sit and play.

As fondness and love begin to wane,  
And baby speckles leave the  
fawn,  
I glance upon a new-made spot,  
A palace from former ruins,  
And know there is a place for love.

As memories begin to fade,  
as cards change from heart to  
spade,  
I look to clouds to find a way,  
To guide me down the paths,  
Glowing where none have glowed  
before.

As awareness is deprived from me,  
Upon memory's countenance I'll  
see,  
There, within that unbiased smile,  
All there is to know and feel,  
As steps I take, along my way . . .

## Mayor of Town to Address GOP

Bloomsburg Mayor C. Martin Lutz will address the Young Republicans of Columbia County and BSC when they hold their monthly meeting on March 28th. The recently re-organized group, temporarily chaired by Tom Miller, 1965 BSC graduate, will meet at the courtroom at the Courthouse across from Hotel Magee. All members of the BSC community with an interest in government and politics are invited to attend the session.

### Election

Future plans include a spaghetti dinner and election of officers for the next meeting to be held in April. Meetings begin at 8:00 p.m.

The Maroon and Gold is published weekly by the students of Bloomsburg State College, Bloomsburg, Pa. The paper is a member of the Columbia Scholastic Press Association and the Collegiate Press Service. All opinions expressed by columnists and feature writers including letters-to-the-editor are not necessarily those of this publication but those of the individuals.

## Survey

(Continued from page 2)

These figures seem to indicate an inverse relationship with the duration of college attendance or with the nearness of the draft.

### Attitudes Changed

In descending order, the attitudes next most changed by college life were the students' attitudes towards life, education, sex, love, marriage, religion, swearing, drinking, and lastly, smoking. In respect to these topics, 60% of these who responded had changed their attitude towards life, although only 54% changed their life goals; 42% have changed their reason or purpose for coming to college, whereas 28% have changed their majors. Fifty-six percent have changed their attitude towards sex, however, 73% stated that they were now more informed on the subject. In the area of sex, 39% reported that they thought petting is permissible, 32% said it was conditional, and 29% were against it. Of those who replied, 21% thought premarital intercourse to be permissible, 19% implied that it was conditional, and 60% reported they were definitely against it. On this item of premarital intercourse there seemed to be an inverse relationship between those who thought premarital intercourse permissible and college class level; freshmen were the least in favor of premarital intercourse and seniors the most. Under the topics of love and marriage, 14% stated that

they believed in "love at first sight"; 46% reported that there is a "one and only" for them.

### Devoutness Decreases

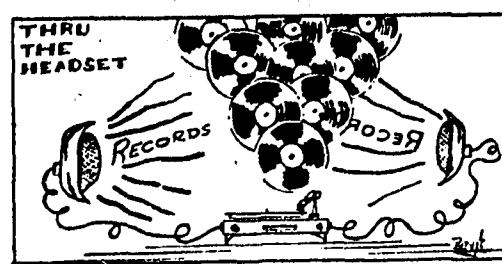

On the subject of religion, 42% stated that college life has affected their attitudes towards religion, whereas 6% have changed their denomination. In comparing classes, there seems to be a direct relationship between those who became less devout in their faith and class, i.e., a decrease in devoutness was recorded from the freshmen to senior year.

In the areas of swearing, drinking, and smoking, college life seemed to have produced a 25% increase of swearers, a 12% increase of drinkers, and a 7% increase of smokers. Of those who swear now, 64% said they swear more now than before coming to college.

An area of particular interest is the total amount of attitudinal change occurring between residents and commuters; 75% of the residents had more than a moderate amount of change as compared to only 42% of the commuters. These results indicate that residents are considerably more affected by college living than are commuters.

Although these were the most interesting results of the survey, it must be remembered that — because of the small return — generalizations cannot be accurately made of the total student body.

## Third New Review Column for BSC Students

Columbia records recently released an album titled *Guitars For Lovers Only* featuring a gentleman whose name is probably quite unfamiliar to BSC students. Harold Bradley has accompanied such vocalists as Connie Francis, Brenda Lee, Ann Margaret and Burl Ives and is known primarily as creator of "mood music" adaptable to almost any occasion. Bradley has done just this in *For Lovers Only* treating such favorites as "Autumn Leaves," "Moon River," and "As Time Goes By," in a very intimate and gentle style. The background of voices and strings provide the ideal support for an album of lush, listenable and danceable tunes... the most listenable of which I feel is "Theme From Picnic." Overall it is a fine selection of background music by a very talented guitarist, and an excellent follow-up to Bradley's first album "Misty Guitar."

### Yesterdays Sounds

My Love by Petula Clark made such record news that Warner Brothers decided to title an album as such but personally only three songs (of which "My Love" is included) would move me to buy this release. For one example, Pet's treatment of the Beatle favorite "We Can Work It Out" sounds extremely amateurish and considering WB's prestige in the industry is a rather poor "fill" for the collector's money. The sound of the other

selections was too repetitious; most were treated with loud background band, overemphasized rhythm section and in many instances too much Petula Clark. I might recommend the buyer be an ardent Pet Clark fan and extremely fond of "yesterday's sound," i.e., drums, guitars, brass, drums and vocalist vainly attempting to be heard atop that noise. "The Life and Soul of the Party" written by arranger and conductor Tony Hatch, in addition to the rock favorite "A Sign of the Times" constitute the only songs that have any chance of making the scene as singles.

### Listenable Lyrics

Dean Martin As Matt Helm sings songs from the Columbia motion picture "The Silencers" looks like this week's winner among our album selections. Dino should be at his best in this movie, apparently type cast as "sophisticate of the world," "Gutty Guy," (I'll drink to that), "virile adventurer and devil with the dollies." Backed by the band of Ernie Freeman and Gene Page, Dino sings something for practically all tastes... "Side by Side," "On the Sunny Side of the Street," "If You Knew Susie," and my favorite "South of the Border." All in all Dean sings many swingers in his inimitable style of "bleary-eyed" musicianship. For a good laugh you might give a listen to Dean's rendition of "The Last Roundup"... there could be nothing more ridiculous than Martin lyricizing "Get Along Little Dogie, Gitalong," it defies description. Outside of the album's listenable credits I refer you to the adorable cover photo picturing our hero in his bachelor quarters surrounded by ten "good friends" that make his "ex" Jerry Lewis look like a pogo stick.

"Songs from the Silencers" is a good album buy for anyone who can take Dean's style with a smile. Next Time: Ray Charles' album "Crying time."

Happy Listening!

## Office Releases Admission Data

More than 5500 applications for admission to the 1966 fall term have been distributed by BSC, according to John L. Walker, Director of Admissions. Of that number, over 2,900 applications have been returned to the Admissions Office by prospective students.

### Next Year's Freshman Class

The freshman class of new students at BSC is not expected to exceed the 885 new students who were admitted last fall when the total enrollment rose to a record 2,838 full-time students. Although the number of new freshmen will not exceed the size of the freshman class which was admitted in September of 1965, the total college enrollment will still climb to a new high of approximately 3,000 students.

The Admissions Office discontinued sending out applications around January 1st to women who would find it necessary to be housed on campus or in private homes in the town of Bloomsburg. Early in February it became impossible to accept any more completed applications from prospective resident women. Walker announced recently that completed applications will continue to be received from men and women who can commute from their own homes and for men who plan to reside on campus or in approved housing in the town of Bloomsburg.

## English Club Has Panel Discussions

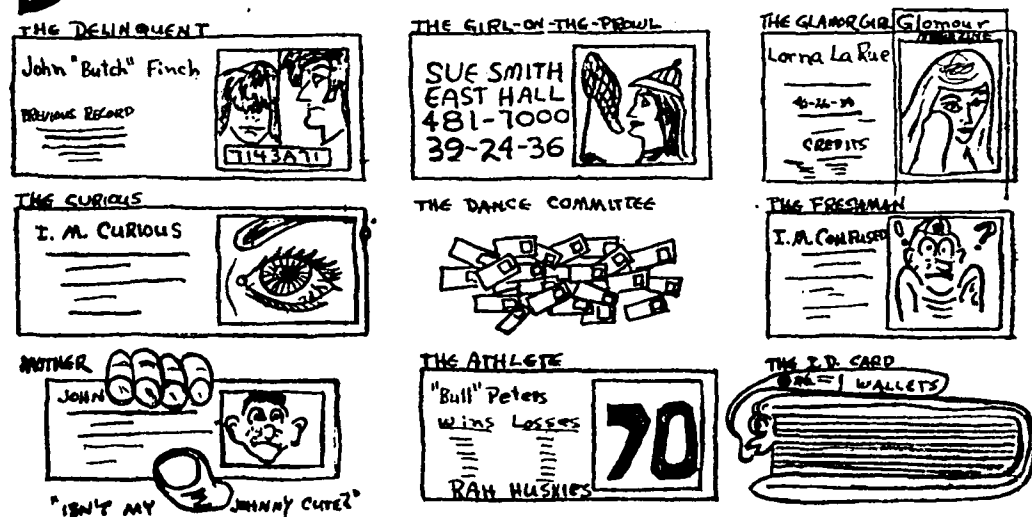

The English Club recently conducted a series of three panel discussions on the subject of censorship. The topic was broken down into three major sub-divisions — academic, political, and moral.

### Reports Presented

At a recent meeting of the English Club the panel leaders presented informative reports which introduced the general nature of their respective topics. Ken Mattfield spoke on academic censorship, giving several recent examples; Kevin McCoy spoke on political censorship, concentrating on opposing political ideologies; and Dave Hibbard spoke on moral censorship, raising question of what should or should not be read.

The M&G continually receives announcements of study tours, summer jobs, and other opportunities. Many times these notices must be omitted due to lack of space. Information may be obtained in the M & G office currently.

## I.D. CARDS... AS SEEN BY...

## Dr. Francis Haas Claimed by Death

Dr. Francis B. Haas, former superintendent of the Pennsylvania Department of Public Instruction and former president of BSC, died recently of a heart attack at the age of 81.

### Ex-President of BSC

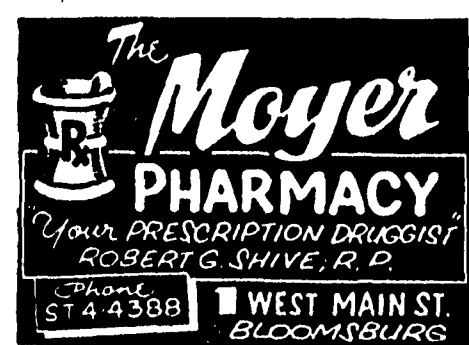

Dr. Haas served as superintendent of the State Department of Public Instruction, for the first term, from 1925 to 1927. In the fall of 1927 he was named President of BSC where he served until 1939 when he was reappointed to the state department position. A native of Philadelphia, Dr. Haas remained as head of the department until 1954 when he retired. He earned degrees from Philadelphia School of Pedagogy, Temple University and the University of Pennsylvania.

The next deadline for publication of news articles, letters-to-the-editor, announcements, and other items will be Monday, Mar. 21, at 4:00 pm. (Submit to Box 58).

# BSC Matmen Third in States; Rolley, Sutter, Vargo Champs . . . SIDELINES

BSC's Joe Gerst wrestling Lock Haven's Bill Blacksmith at the PSAC Championship finals. Joe lost the match 3-0. (Photo by SWISHER)

Bloomsburg finished third behind Lock Haven and East Stroudsburg in the State College Conference wrestling meet at East Stroudsburg but gained three individual state champions. Seniors Jim Rolley and Tom Vargo both concluded their state competition by retaining the titles they won last year at Lock Haven. Sophomore Barry Sutter, wrestling in his first state meet, won the 145 crown by defeating a two-time state champion from Lock Haven.

## Lock Haven Champs

The highly rated Bald Eagles won the championship with a total of 94 points, while East Stroud and Bloom trailed with 80 and 78 respectively. Clarion, defending state champions, dropped to fourth place this year with 56.

**Jim Rolley**, 130, pinned Shippensburg's Colbyn Reddin in the third period of the title match. Earlier in the afternoon, in his best bout, Rolley defeated Stroud's Jim Dutt, 11-6.

## Sutter In Upset

**Barry Sutter** won a 9-4 upset victory over Lock Haven's talented Adam Waltz, NAIA and two-time state champion. In their previous meeting this season at the Wilkes Tournament, Waltz won over his Husky opponent, but in the return bout Sutter was in command until the final minutes when he lost points on an escape and takedown.

**Tom Vargo** won the 191 title by defeating Clarion's Grundler, a defending state champion who won in a different weight class last year. According to Coach Houk, Vargo did a "fantastic job" throughout the meet. In the first day of competition, Vargo won a pair of 9-0 decisions over Mansfield and East Stroud opponents. In the semi-

finals he defeated the Slippery Rock candidate 7-1 and scored a similar victory over Grundler in the title bout.

## Taylor and Gerst Take Seconds

The only other Huskies to gain the final round of competition were **Keith Taylor** in the 115 and **Joe Gerst** in the 152 class. Taylor fought a defensive match and lost to Clarion's aggressive Tom Todd. Joe Gerst battled hard against Lock Haven's Bill Blacksmith, holding him to three points. There were no takedowns in the match and no scoring until the final period when Blacksmith got an escape and two points on riding time. Gerst pressed the four-time state champion hard throughout the bout and won praise from other coaches at the meet. In the semi-final round Gerst decisioned Clarion's Kemp 4-2.

## Seigmen and Centrella Take 4th

Sophomore **Dennis Seigmen** was behind on points when he pinned his Slippery Rock opponent in the third period of his first bout. After losing to East Stroud's 123 champ Bob Guzzo in the semi-finals, Seigman won a consolation match but lost the bid for third place to Clarion's Ray Day.

**Lou Centrella** pinned Millersville's Robert Smith in his first match but lost in the semi-finals to Lock Haven's 167 champ John Smith. In the consolation he lost a tough 5-2 decision to E. Stroud's Bill Elder.

## Moul Does Fine Job

**Jim Lewis** drew a bye and then lost a close 4-3 match, keeping the Huskies from gaining points in the 177 lb. class. Substituting for injured Dave DeWire in the heavy-weight class, **Bill Moul** did an outstanding job. After losing to Mansfield's former champion Bill Logan, Moul took a 7-1 decision from Indiana's Ray Tomb to advance to the consolation finals. Though losing to East Stroud's Reed he gained five points for the Huskies.

With the exception of the NCAA wrestling and NAIA swimming meets this weekend, our winter athletic schedule has ended with a rather impressive showing.

The swimming team captured third place in the "States" and posted an 8-4 season record. To top their accomplishment, our swimmers, for the first time since the sport was initiated, will be sending a BSC Husky John Biggs to the NAIA tournament. Meanwhile, the freshman swimmers did an even better job being undefeated in five meets.

Coach Houk's wrestlers, 9-1-1, also captured a third place in the PSCAC wrestling tournament. We came through with three state champions; Jim Rolley, Barry Sutter, and Tom Vargo. Coach Maurey's freshmen grapplers were undefeated and for the first time in BSC's history, beat Stevens Trade.

Our third sport, basketball, improved somewhat over last year with a 9-11 log. They ended tied for fourth place in the Eastern Division. We hope the team will pick up even more next year with the change of Coach Earl Voss as head mentor. His Freshmen team this year posted a 17-2 record.

We'll be turning our attention to the four spring sports from now till the end of the term. However, at this early stage yours truly is in no position to make any predictions.

Nonetheless, I would like to remind all our Maroon and Gold sports fans that the baseball team is defending State Champions and have almost the same team as last year. However, will be without the valuable services of Roy Bower, Ron Kirk, and Ray Emma. But on the brighter side, we have two of the best pitchers in the league, "By" Hopkins, and Bill Hunter, returning to handle those chores.

We have two new coaches, Mr. Himes and Mr. Boulhower to take over golf and track respectively. With Mr. Mentzer back with baseball, the only remaining team is the tennis squad which will again be coached by Mr. Norton.

We of the M&G sports staff wish to congratulate the Husky wrestling team for its third place finish at East Stroudsburg. And we also wish to congratulate Barry Sutter, Jim Rolley, and Tom Vargo for their victories at states. And it has been announced that Jim Rolley, at 137 lbs., and Tom Vargo, at 177 lbs., have been given honorable mention All-Americans. Good luck to Joe Gerst, Barry Sutter and Tom Vargo at the NCAA tournament.

# Swimmers Third in PSCAC; First State Trophy for BSC

The Bloomsburg State College swimming team came through with a superlative effort to capture third place in the Pennsylvania State Colleges Athletic Conference held at West Chester State College on March 12. The Husky Tankmen with a total of 37 points gained the first swimming competition trophy ever for BSC. Slippery Rock State College took over first place from perennial West Chester State College which finished second.

## 200 Yard Breaststroke Turning Point

Coach McLaughlin stated that the turning point of the meet was the 200 yard breaststroke in which Britt Jones and Fred Bausch finished third and fifth respectively.

## Other Husky Finishers in State Meet

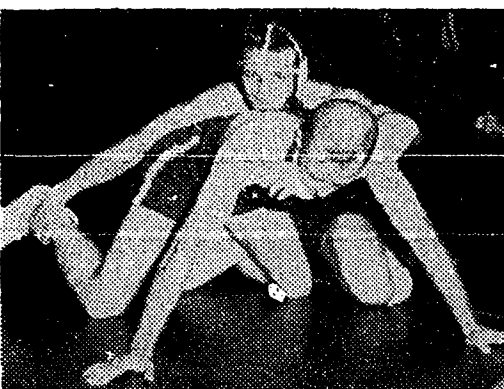

Other Husky finishers are as follows: In the 400 medley relay, Don Beltz, Britt Jones, Ray Fox, and John Biggs set a new Husky record of 4:11.6 and scored a third. John Biggs with his usual fine performance finished second in the 50 yard freestyle setting a new Husky record of :23.2. Walter Fischel placed sixth in the 200 individual medley. In diving, Dick Steidel and Don Bealieu placed fourth and fifth respectively. Jim Poehmann was fourth in the 200 yard butterfly. John Biggs took another place to his credit with a third in the 100 yard freestyle. Pete Wilde finished sixth in the 500 freestyle event. The relay team for the Huskies, Jim Young, Linwood Nester, Jim Poehmann, and Walter Fischel finished sixth in the 400 yard freestyle. The above mentioned swimmers all were awarded conference medals.

## Six Seniors End Careers

The following Bloomsburg State seniors finished their careers: Co-captains **Ray Fox**, Catawissa and **Dick Steidel**, Pottsville; **Jerry Lomis**, Hatboro; **Jim Young**, Upper Darby; and **Don Beltz**, Hazleton.

## Biggs To NAIA Meet

**John Biggs** sophomore Husky Tankman will represent Bloomsburg State College in the NAIA swimming meet to be held this coming weekend at Hendricks College, Conway, Arkansas. He will compete in the 100 and 200 yard freestyle events. John placed second and third in the respective 50 and 100 yard freestyle events in the PSCAC meet.

# Frosh Wrestlers Undefeated 65-66

The BSC Freshman wrestling team closed out their season with an impressive 26-14 victory over Stevens Trade. The victory was the first one against Stevens; Stevens had defeated the pups five previous times. The victory also marked an undefeated season for the pups.

## Stevens Takes Early Lead

Stevens Trade jumped out to an early 9-0 lead. In the 115 lb. class Wayne Heim was defeated by Jim Kline of Stevens 6-2, in the 123 lb. class Bill Sansone was defeated by Gary Rottmund 4-2, and in the 131 lb. class Kurt Grabfelter was defeated by Dave Davis, 5-1. It wasn't

until the 137 lb. class that the Huskies got on the scoreboard with Craig Rogers decisioning Belp 5-1, and Leo Mundy, in the 145 lb. class tying Long 1-1.

## Three Pins Help

It was in the next three weight classes that the Huskies broke open the match. **Bob Ansky** in the 152 lb. match, pinned Salor at the 7:27 mark. And Ansley was followed with two more pins by the Grady brothers. In the 160 lb. match **Dave Grady** pinned Lengyel, 4:03, and Dave's brother, **Doug** pinned Bailley, in the 167 lb. match.

In the 177 lb. match, BSC's **George Jenkins** decisioned Carlos Martinez, 6-1. Stevens managed to win one more match, the 191 lb. class. BSC's **Fred Kressler** was defeated by Stone, 7-1. In the heavy-weight division, BSC's **Mike Cunningham** decisioned Bickel, 2-0.

## Three Frosh Undefeated

There were three Freshmen to finish the season undefeated — **Leo Mundy**, **Dave Grady**, and **Mike Cunningham**. And yesterday and today the team will compete in the plebe tournament at West Point. Last year the Huskies took second, three points behind the Frosh from the University of Maryland. **OK! J. Jackson.**

## ..Highlights..

By Ray Buckno

An old saying goes, "Look to the future, never the past." If this saying is reliable, then there is good reasoning to state that next year could be The Year for our matmen.

All one has to do is scan over the score card of this past season and he or she will note that the Freshmen grapplers went undefeated and boast three unbeaten wrestlers. The most important aspect is that the young Huskies have replacements at the weights in which we lose Jim Rolley, Dave DeWire, Tom Vargo and Jim Lewis through graduation.

The loss of these boys would have been felt deeply but then one stops and sees names like Cunningham, Russo, Mundy, and the "pin twins" Doug and Dave Grady. Along with these men comes Wayne Heim probably the 115 pounder, which will be a compulsory weight in state conference competition next season, according to Coach Gerald Maurey. Also, there will be part-time men in George Jenkins, Kurt Grabfelder, Briggs and Ansley. As Coach Maurey put it, "Some of the boys will definitely be full time varsity and others will be fill in men."

The big test for the undefeated Husky Pups will come this weekend at West Point, where the Plebe Tournament will be staged. According to Coach Maurey, "Things look bright," because last year with only six Freshmen, BSC placed second, only three points behind the mythical team titlist. "This year will be different though for we intend to take twelve boys up to the tournament, with intentions of coming home with the mythical championship." Mythical? Yes, there is no official team trophy or accumulation of team points but only individual championships. But, after all, the counting of heads of individual champions will end up with Bloom's Freshmen grapplers on top with both individual champions and the mythical championship.

The M&G sports staff wishes to congratulate the swimming team for its impressive third place finish at the state swimming meet at West Chester. Rumor has it that it will be possible for the team to capture first place next year. We wish Coach McLaughlin the best of luck in reaching this goal. Also the best of luck to John Biggs in the NAIA swimming meet at Hendricks College, Conway, Ark.

## Women Finish Court Season

The two senior members of the women's extramural basketball team, Lorrie Miller and Ann Smalser, were in charge of the team for the last two games. Lorrie served as captain and Ann was the coach.

The team dropped a game to Susquehanna by the score of 50-49. Lorrie Miller led BSC with 19 points; Carole Gray had 9; Ann Smalser 7; Connie Jarrard 5; Esther Whitesel and Nancy Moyer each had 4; and Brenda Nafzinger 1.

The team under the guidance and leadership of Ann and Lorrie bounced back to win the last game of the year. It was a 48-30 victory over Bucknell. The 3rd quarter in which the BSC girls scored 21 points while holding Bucknell to just two points, proved to be the difference in the game. Carole Gray led the scoring with 15 points; followed by Nancy Moyer with 13; Lorrie Miller 12; Esther Whitesel 7; and Connie Jarrard 1.

In the final game against Bucknell, Lorrie Miller and Ann Smalser participated in their final women's basketball game of their college careers. They have been members of the women's extramural basketball team for the last four years. In their last two games, Lorrie Miller served as captain and scored a total of 21 points, and Ann

## Revitalization Hits IRC's Programs

A recent International Relations Club program featured Mr. Stephen Guild who recently returned from Sierra Leone, West Africa where he served as a Peace Corp Volunteer. He presented the students the challenge that the Peace Corps offers, but also noted the short-comings and achievements of the organization. Following the meeting, a film showing the Peace Corps work in India was presented to interested students.

The elections for the year 1966-1967 were held recently and the following were elected: president, Ann Marie Soley; vice-president, John Hatton; corresponding secretary, Elaine Strong; recording secretary, Sandy Roberts; treasurer, Patrick Lynch; advisor, Mr. Percy.

Also at this meeting, a committee of five was appointed to look into the question of revising the present constitution of the IRC. President Ann Marie Soley is heading this committee.

### Next Meeting

The next meeting featured Mr. Anthony Sylvester of BSC's History Department who discussed the very important Viet Nam situation. For more details see the next issue of the Maroon & Gold.

served as coach and against Susquehanna scored 7 points.

I wish to thank Mr. Russ Houk for securing the two press passes for the PSCAC wrestling tournament. I wish also to thank the Athletic Director of East Stroudsburg State College for helping us, my photographer Larry Swisher and myself, in every way possible. And also to the East Stroudsburg local police for making it possible to let us get close to the mats to take pictures.

— George Yacina  
Sports Editor

## Matmen Bypass NAIA Mat Finals

The Bloomsburg State College wrestling team, defending NAIA champions, have chosen not to defend their title at the national meet to be held in St. Cloud, Minn., Mar. 17-19.

The Huskies had planned to send Keith Taylor, Jim Rolley, Joe Gerst, Barry Sutter, and Tom Vargo. Keith Taylor's suspension from the team and Jim Rolley's decision not to wrestle in the national meet chopped the possible Husky entries to three and eliminated all chances of a good team showing. Taking this into consideration, the wrestlers chose not to attend the annual event. Instead, Gerst, Sutter and Vargo will enter the NCAA

## Chess Team Wins: Kings Fall 7-1

The Bloomsburg State College Chess Team beat an inexperienced King's College Chess Team by a 7-1 score in a match played in North Hall, Thursday, March 10th. Individual scores were: Leonard Thomas (B) 1, Steve Zopotek (K) 0; Reg Berlin (B) 1, Ron Surmick (K) 0; Ray Depew (B) 1, August Biacha (K) 0; Bob Scott (B) 1, Joe Cicon (K) 0; George Underwood (B) 1, Charles Metroke (K) 0; Leonard Latchford (B) 1, Bill Dodson (K) 0; Linda Hummel (B) 0, Paul Bronzzen (K) 1; David Walp (B) 1, Joe Seeber (K) 0.

Although Ray Depew was behind three pawns in the mid-game, August Biacha of King's College lost a piece on an oversight and Ray went on to chalk up the point for the Husky Rooks. George Underwood on fifth board for BSC sacrificed a piece in a combination which resulted in pinning Charles Metroke's queen to his king; the win of the queen by Underwood gave him an easy victory for BSC. This was the first chess match between the two colleges. The visitors played the white pieces on first and succeeding odd numbered boards.

championships as the final competition for BSC wrestlers in the 1965-66 campaign.

Launch an Exciting Career as an

# Intelligence Specialist

Comprehensive Career Development Plan for College Graduates Helps You Grow Swiftly into Positions of Responsibility and Exceptional Challenge.

The Defense Intelligence Agency (DIA) is a unique, independent organization serving diverse intelligence requirements of the Department of Defense. We are active in many areas directly or indirectly related to national security... analyzing not only purely military conditions, trends and forces, but also pertinent economic, social, cultural, physical, geographic and scientific factors.

Each year we seek out qualified individuals for DIA's entry level Career Development Plan. This is a program designed both to equip you for a responsible and challenging permanent career position, and enable you to complete most or all requirements for an advanced degree.

### 1966 DIA College Program for BA/BS, MA/MS Graduates in

Area Studies	Geology
China	Library Science
Far East	Mathematics (majors, minors)
Latin America	Meteorology
Southeast Asia	Nuclear Physics
USSR	Pedology
Chemistry	Photogrammetry
Civil Engineering	Photo-Interpretation
Computer Science	Physics
Economics	Public Health
Electronic Engineering	Structural Engineering
Forestry	Transportation
Geography	Urban Planning

As is evident from the list above, there are career opportunities in many fields and disciplines at DIA. Your salary at entry into the Career Development Plan varies, dependent upon your degree level and grades, but all participants follow essentially the same program.

### THREE-MONTH ORIENTATION COURSE

All college graduate recruits attend a three-month Intelligence Orientation Course. Its objectives are to orient the trainee to the Department of Defense generally and the Defense Intelligence Agency specifically, with particular emphasis on the role of civilian analysts in the military intelligence community.

Following completion of this course, trainees are assigned to substantive areas of work related to their disciplines. At the beginning of the second year, you will be selected for a specific assignment leading to a position as permanent member of the work force.

### OPPORTUNITY FOR ADVANCED STUDY

All trainees are eligible for educational programs leading to advanced degrees. These opportunities—plus many additional training opportunities—may be provided either during or after normal working hours (or both).

You will find that the advantages of a career at DIA are many and varied, including the liberal fringe benefits associated with Federal employment. Our locations (the Pentagon and nearby Arlington, Va.) afford your choice of city, suburban or country living... and a wealth of recreational, cultural, historical and educational attractions are within a few minutes' drive.

And by no means least, you will derive much satisfaction from contributing personally to the achievement of vital national objectives.

### VISIT YOUR PLACEMENT OFFICE NOW

... for further information about DIA career opportunities. You may write DIA headquarters for additional literature. Note: All applicants must be U.S. citizens (preferably by birth), subject to thorough background inquiry and physical examination.

## Bunge Schedules Summer Sessions

Copies of a tentative schedule of courses to be offered during the 1966 summer sessions are now available in the Registrar's Office in Carver Hall.

### Three Periods, Six Credits

The attention of students interested in attending summer classes is directed to a change in the schedule of hours for the Main Session this summer. There will be three class periods, each of ninety minutes duration—the first beginning at 8 a.m., the second at 9:40 a.m., and the last (or third) starting at 11:20 a.m. The normal course load for the main session is six (6) credit hours and students are expected to schedule either one or two courses, but not three during this session. The scheduling of three periods has come about because of a need for better space utilization, a more varied program of course offerings, a greater number of courses, and better scheduling of faculty time.

### Business Ed. Students

Students enrolled in the Business Education and Special Education curriculums must have their summer school schedules approved by the director of their division.

### Probation Students

Those persons enrolled in the Elementary Education, Secondary Education, and Arts and Science curricula who will be attending summer school because they are on probation must have their summer schedule approved by their divisional director.

### Changes Made

The following courses listed in the tentative 1966 Summer Sessions schedule for the main session have been cancelled:

9:40 A.M. — English 207 — Survey of World Literature I  
11:20 A.M. — English 208 — Survey of World Literature II  
— Physics 321 — Atomic Physics

One change in the main session is also being made:

11:20 A.M. — Psychology 202 — General Psychology II (replaced by Psychology 201 — General Psychology I)

## Announce Events For Arts Festival

The 1966 Spring Arts Festival is scheduled to take place on the BSC Campus from April 21st through May 1st. Each day programs of interest will be presented.

### Emphasis on Art

The Festival's special emphasis on art this year includes the three-day artists-in-residency of Mr. Valquero Turcios, a young and dynamic Spanish artist whose mural in the Spanish pavilion at the 1964-65 New York's World Fair drew widespread comment.

### Events

The 1966 Spring Arts Festival includes:

**You Can't Take It With You**, a Bloomsburg Player's Production  
The Pennsylvania Ballet Company  
Lectures by Mr. Turcios  
Lectures by Mr. Scott Elledge, a literary scholar from Cornell University  
Bucknell University Jazz Program  
Poetry Reading by Mr. Richard Eberhart, from Dartmouth College  
Concert by the Curtis String Quartet  
Twentieth Century Music Concert by the BSC Concert Choir.

The Chairman of the 1966 Spring Arts Festival is Miss Susan Rusinko, a member of the BSC English Department.

## Players Present Hart-Kaufman Play

**You Can't Take It With You**, the celebrated play by Moss Hart and George S. Kaufman, will be presented by the Bloomsburg Players on April 21st, 22nd, and 23rd as the first event in the 1966 Spring Arts Festival. The play has been described as "one of the most popular and successful plays of modern times," and a new production of the show is now playing in New York at the Lyceum Theatre.

### BSC Cast

Under the direction of Michael J. McHale, the play features the following BSC students: Jan Feimster, Howard Kearns, Luton Houtz, Bill Kelly, Diane Spielman, David Schnarrs, Carol DeWald, Brian McLernan, Karen Saunders, Russell Walsh, Tim Lavelle, Marcella Douglas, and Sharon Repp. The setting has been designed by Mr. James McCubbin of the Department of Speech. Barbara Kiner is the Assistant Director.

The original Broadway production of **You Can't Take It With You** won the Pulitzer Prize, and the movies version, starring Jean Arthur, Spring Byington, James Stewart, Ann Miller, Edward Arnold and Lionel Barrymore, received the Academy Award as the best picture of the year in 1938.

## Wilson Paintings In Artists' Show

Kenneth Wilson, Assistant Professor of Art on the Bloomsburg State College Faculty, has had two paintings accepted in the Associated Artists of Pittsburgh's 56th Annual Show.

### Judges

The judges chose work from 1,156 entries of the tri-state area to hang in the Carnegie Museum beginning March 4th and ending April 10th. Judges were: Clement Greenburg, one of the leading cultural critics in the world today; Richard Lippold, acclaimed for his imaginative metal sculpture in public buildings and museums; and Kenneth Bates, an outstanding master in the field of enameling and crafts.

### The Entries

Mr. Wilson has been a member of the Associated Artists for the past twelve years. During this time he has had ten paintings chosen for the annual show. The two paintings accepted for this year's showing were done in the past year. The first painting, a landscape entitled "Sea Marsh," was developed from a watercolor done this past summer at the shore. The second painting, entitled "Still Life with Stripped Cloth," was motivated from a collection of objects found in Mr. Wilson's studio.

### Waller Exhibition

Mr. Wilson is also currently participating, along with Mr. DeVore, Mr. Harris, Mr. Pinkston, and Mr. Scherpereel, in an exhibition of art work in the lobby of Waller Hall.

## Director Releases Placement Changes

Dean Hunsinger, Director of Placement, has announced a change in the placement policy. In the past, every senior needed a recommendation from one of the social deans in his placement folder. This procedure has now been eliminated. In the future, recommendations by the social deans for the placement folders will be made only upon request of the seniors. This means that recommendations from the social deans will be handled the same as recommendations by the faculty. Seniors requesting recommendations would present the dean with a permission slip, a blank recommendation slip and a trait sheet.

### Not a Preventative

Dean Hunsinger noted, however, that this would not prevent social deans from including information that would be detrimental to a teaching future.

## Three US Grants Received by BSC

A total of \$179,731 in grants from three divisions of the Federal Government has been approved for BSC. The first of these grants was initiated during the 1964-65 college year and the balance extends throughout the 66-67 college year.

### Federal Government

The three Federal Government divisions issuing the grants are the U.S. Office of Education of the Department of Health, Education, and Welfare (amount \$88,800); the National Science Foundation (amount \$17,030); and the National Defense Education Art Institutes (amount \$73,901.68).

### Financial Assistance Offered

These programs support the various division curriculums at BSC along with offering valuable financial assistance to needy students.

## Dean of Students Requests Results

Results of elections for both organization officers and organizational advisors should be reported to the Office of the Dean of Students as soon as possible after the election.

Dean Riegel made this request in order to maintain an accurate listing for mailing purposes, and to provide information for next year's student handbook. In addition, he is asking for a current copy of each organization's constitutions. These will serve as a reference and guidance for new organizations on campus.

A Saint Patrick's Day Band Dance will be held on March 19, from 8:30-11:30, in Centennial Gym. The dance is being sponsored by the Alpha Delta Chapter of Phi Omega Pi, the National Co-educational Professional Education Fraternity on campus. Students are asked to wear something green.
