

The Maroon and Gold

VOL. II. NO. 4

BLOOMSBURG STATE COLLEGE

FRIDAY, OCTOBER 2, 1970

Publications Director Appointed

MR. KENNETH C. HOFFMAN

Kenneth Hoffman was appointed Director of Publications this summer here at BSC. He is working with staff members of the college publications for the 1970-71 college year.

Mr. Hoffman has his Bachelor of Arts degree, majoring in journalism from The Pennsylvania State University. With his experience in newspaper and publication work, he will be a valuable addition to the BSC faculty and administrative staff.

He was sports editor of the Berwick Enterprise; then joined the Associated Press in New York for 23 years. When he resigned in 1966 he was Supervising Picture Editor; he then became the owner of the Campbell Printing Company in Ber-

wick.

Hoffman is a member of the Lions Club of Berwick, a member of the Board of Directors of the Berwick Chamber of Commerce, and a member of the American Newspaper Guild Sigma Delta Chi.

New Gymnasium Now Under Construction

Artist's conception of the new gymnasium now under construction up on the new golf course.

New Health Service Instituted At BSC

A program of improved and expanded Health Services for members of the college community will become effective Friday, October 2, 1970, according to Dr. Robert J. Nossen, President of Bloomsburg State College and Mr. Robert Baker, Administrator at the Bloomsburg Hospital.

For the first time in the history of BSC, the students, faculty, and non-instructional employees of the college will have access to the services of a physician and the Bloomsburg Hospital Dispensary on a 24-hour daily basis, consistent with the agreement developed and negotiated with the Hospital during the past several months. It is believed that Bloomsburg is the first of the State Colleges in Pennsylvania to implement this type of service.

The college infirmary will continue the present policy of having its staff members on duty from 7:30 a.m. to 11:30 p.m. Monday through Friday for limited medical treatment but will not be able to refer patients to the Dispensary at the Bloomsburg Hospital when the care of a physician is indicated. During the hours from 11:30 p.m. to 7:30 a.m., students in residence halls will report to the person on duty. If medical treatment by a doctor is desired or indicated, the student will be transported immediately to the Hospital Dispensary by members of the College Security Staff. Students who live off-campus may use the college infirmary when it is open. At other times, they should report directly to the Hospital Dispensary where the need for a physician will be determined.

Details involving the daily operation of the new arrangement were developed by Elton Hunsinger, Associate Vice President for Student Affairs. Mr. Paul Martin, Business Manager, developed the guidelines for the contractual agreement.

Maintaining good physical and

mental health is one of the most (continued on page four)

News Briefs

Manley

The initial "rap-in" for 1970-71 will be held on Tuesday, October 6, at 7:00 p.m. in Schuylkill Hall Lounge. The topic will be "What Is The Modern Woman's Role In Society?" The guest speaker will be Mr. Thomas Manley of the BSC Biology department.

A tutoring program is now being organized at BSC. If you are interested in offering your services or in being tutored, see Mr. Zarski in Elwell Hall lobby.

Peace

George Hoffnecker, former BSC student and past GADFLY associate editor, is on the steering committee for the October 31 rally in Philadelphia. As a member of the Peace Committee, he helped initiate plans to get buses to Philadelphia and is trying to coordinate the 14 state colleges for a successful rally.

In the near future, the Peace Committee will be located outside of Husky to sell buttons and provide further information.

Note

The article on the elimination of pre-scheduling (September 25, 1970) does not necessarily reflect the opinion of any member of the MAROON AND GOLD staff. It was a policy statement from Dr. John A. Hoch, Vice-President and Dean of Faculties.

Temporary Parking Permits will not be obtained through the Security Office in Waller Hall. The brochure on Traffic and Parking Regulations is also available in the Security Office.

by Cindy Michener

As you walk towards the upper campus, looking north a steel structure emerges above the horizon. Within a year this structure will take on the form of Bloomsburg's new gymnasium. Originally, the gym was to be located near Centennial Gymnasium, but when the campus plans were revised in 1967, the architect, with advice from consultants and the Department of Education, recommended that all new varsity athletic facilities be located on the upper campus. Here there would be more room available for expansion and for parking areas.

North of the new gym will be a new football stadium, a baseball field and various other practice fields. A recreation area consist-

ing of eighteen all weather tennis courts (nine for night use), a baseball diamond, and a combination football - soccer field for intramurals will be located by the President's house, on the opposite side of Chestnut Street.

Within the new gymnasium is a basketball court surrounded by a composition floor permitting the area to be used for indoor track, tennis, volleyball, shuffleboard, and indoor baseball practice.

The bleachers which retract against the wall providing more floor space when needed, hold a capacity of 2600. There is also enough space at the end of each bleacher to sit an additional 1500, 3000 in all. With supplemental chairs on the floor the gym can hold over 6000 for events such as varsity basketball, wrestling tournaments, cultural events, and commencement exercises.

The new regulation size swimming pool is slightly larger than the pool in Centennial Gym. The bleachers will seat 500 spectators. Adjoining the pool area, there are dressing, shower, and equipment rooms for the pool exclusively.

Among the facilities included are four air-conditioned classrooms, twelve faculty offices,

locker rooms for home and away teams, shower rooms, equipment rooms, two handball courts, a weight room, a physical therapy room, an examination room, a storage area, and a large lobby with display cases and concession area.

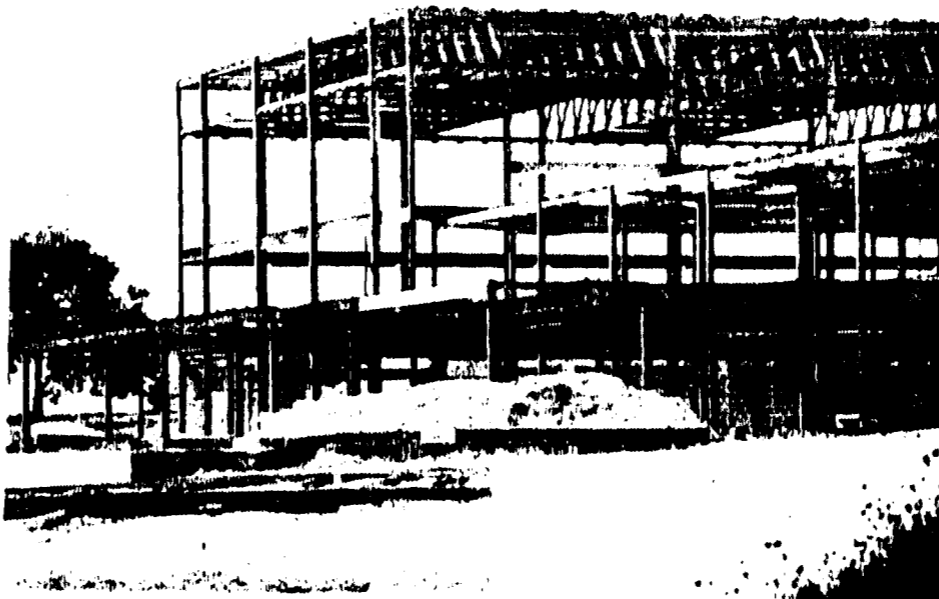

Bloomsburg greatly needed this new gymnasium. Old Centennial Gym (built in 1939) was designed to accommodate 1200-1500 students. Now there are over 4000 enrolled and in 5 to 6 years it is estimated to be as high as 5600-6000.

How much will the gym cost? Originally state legislature approved \$1,875,000 but bids exceeded this amount. The project was rebid but instead of prices going down as was hoped, they

(continued on page four)

Attention Sophs.

Primary Elections for the sophomore class homecoming queen nominee will be held on Monday, Oct. 5th from 9:00 a.m. until 5:00 p.m. in the Student Union building. Final elections will be held on Oct. 12th and 13th. Sophomores: be sure to have a say in the election.

Scheduled for completion in 1971, the new field house pictured above will include an inside track, an olympic size swimming pool, two smaller gyms, a weight room and a hand ball court. (Photo by Foucari)

FORUM

Frank M. Pizzoli

Peace, signs, placards and buttons. Yes, college students are at it again with trying to convince people that peace is not a period between two wars. Peace is a way of life and a sequence of examples which show you really believe in the true American way. The true way of letting everyone express themselves and actually live the way they choose to. It is funny how to live by what you believe in is somewhat of a rarity because the easiest way to live something is to make it easy to follow. Peace is not the easiest way but a never-ending challenge. Do you accept the Challenge?

By accepting the challenge a spirit of concern is necessary which one carries with him everywhere. A concern for something is not like bubble gum; rolled up and put on the bedpost overnight and then forgotten about the next morning. To keep chewing your gum with the flavor of concern is to maintain a physical involvement. A total physical involvement needs to feed on man's energies which are always there but somehow being saved. Stop saving energy and use it for peace in your own way; love your neighbor, the milkman, consider your roommate and maybe stop to think about not joining the Armed Forces to learn a trade.

Bump and Grind

By Allan Maurer

The Bloomsburg Fair, like winter, is predictable. It comes back every year. And with it comes the carnival.

The carnival, too, is predictable. Once you've been to one big one, like the fair, you needn't go back to smell the hot roasted peanuts, spicy sausage, and greasy grab-joint hamburgers. And it only takes a touch of imagination to hear the oompah pah pah of the carousel, the "everybody wins a prize" yell, and the deep-throated bingo caller's "Beeeeee one!"

And finally, you know that somewhere on the gaudy midway you'll see ill-clad young lasses doing bumps and grinds on a postage stamp sized stage - you'll see the "girlie shows."

That's what the rest of this article is about - "come on in and see what you don't see at home" - the hoochie-koochie, the rasa-mataz, the girlie shows. Me, I'm a fan from way back before I was supposed to be. I've seen most of the shows offered at the Bloom Fair over the last few years, and not being particularly particular, I liked them all.

I found out when I was six, lived across the railroad tracks from the fair, and was broke, I could stretch fifty cents or so over an afternoon by talking to carnies, who as people go, are far more interesting than the average.

Because of this, I also discovered that "show biz" or no "show biz", stripper or no stripper, the girls in the girlie shows are just as human, even if they are better adapted to their anatomy, as any body anywhere.

"Silver Stallion" for example, dancer in the Esquire club at this year's fair, is a professional ballet dancer who strips "for kicks." The buxom young lady makes her livelihood dancing with her clothes on - stripping is purely a sideline for her. Another young lady of the Esquire troupe, which is an all-black show, is a pre-med student at Temple University and strips during the Carny season

(continued on page four)

DICK....

A REVIEW BY DAVE WATT

Dick Gregory: The Light Side: The Dark Side (Poppy Industries, Inc.)

Dick Gregory, known for his quick wit, as well as his realistic views and attitudes toward the happenings of today, has a double LP album on the market of one of his college circuit speeches. The album was recorded live at Southampton college in New York last year, but due to the fact that few people will buy an album of a two-hour speech, it is not seeing a very wide circulation.

Gregory, who is a former comedian, is not devoting his time to speaking on campuses and other gatherings where people

are willing to listen to a black man speak his mind.

"Dick Gregory: The Light Side: The Dark" shows Gregory at his apex in speaking. When he talks about learning to live, he speaks in a subdued voice which best puts across his feelings. Yet, within a matter of minutes he is heard shouting "We don't dislike you (whites).. .. We hate your stinking white

racist institution." On this tract of the third side, entitled "White Racist Institutions," Mr. Gregory shows the listener how each of us is responsible for the institution of racism, even if not personally a racist.

In another tract, he emphasizes how this country is owned and controlled by the capitalists, and by putting the capitalists be-

DAY CARE

Again this year, BSC students, faculty, and faculty wives have contributed a large share of the effort to make the Bloomsburg Day Care Center a success.

The center, which cares for young migrant children during the day, concentrates on helping the children maintain good health and prepare for school.

According to Mrs. Sylvester, who directs the local project, students and faculty members from the college have aided the children in many ways. "Students have been particularly helpful in individual work with the children," she said. Faculty members too, have been helpful, she said. "Dr. Satz has given his time as a psychologist, and Dr. McLaughlin helped train leaders."

Cinde Rogers Hippenstiel, 1970 graduate of BSC, was head teacher this year. Cinde said 10-20 college students aided each day at the center. Eager to give the children the individual attention that can really accomplish something, the students also aided in group affairs, like taking the

children to the fair, Cinde added. The real measure of the day care center's success, however, was evident through the expressions of the children.

On both of our visits to the center the children sported happy white smiles, and delighted eyes. Whether riding piggy-back on a student aide or drinking juice from a glass that seemed big in their small hands,

Also, their continuous questions - what's this? how does that work? were answered whenever possible. The students took the children seriously, and the children exhibited their approval - with bright faces and happy energy.

The following students were cited by Mrs. Sylvester for their devotion of time and effort to the center: Judy Claypool, Lillie Maulden, Ed Horvath and Cathy Beer.

Other students who worked at the center and were there when I was are: Anne Murray, Becky Shuman, Carol Bolton, and Joanne Vitale. Many others, of course, helped, and are omitted only because we do not have their names.

SOCCER STARTS THE DUKE PREVIEWS

The Men's intramural Soccer Tournament is currently being sponsored by Mr. Medlock. Most games will be played on the main soccer field located on the "Hill" which was formerly the old Bloomsburg golf course. Games will be played one day a week unless F league fills up, in which case the old football practice field next to the President's home will be utilized. Games will start at 4:15 and 5:00.

Scores so far are as follows:

ABSENTEE LEAGUE	
Zetes	0-1
Coal Crackers	0-1
SIO	1-0

With a decisive 16-3 win over a tenacious Mansfield football club, the Huskies of BSC, will be hoping to continue their winning streak of 2-0 when they face the Rams of Delaware Valley.

Last week the Huskies played excellent ball in the first half against the Mounties; but then in the second half, the heat coupled with a sparked Mansfield team caused them to taper off.

Now for the opponent of the week. Delaware Valley is a team that has been known to be a winner. At this point, in the present season, the Aggies have an 0-2-0 record. They were beaten by Juniata (28-6) and Maravan (13-0). The Aggie coaches overall record is (26-24-0).

Aggie offensive Personnel:

#44-tight end Byko, 6'2", 180 lbs., fr; left tackle #79-Vargo, 6'1", 215 lbs., sr; #61 left guard, KcOwn, 5'11", 190 lbs., So; center #52-Bracchi, 6', 230 lbs., jr; #72-Virostek, right tackle, 6'3", 250 lbs., sr; #89-Arcade, 6'1", 175 lbs., jr., Arcade plays split end, is an outstanding deep receiver; #31-Strother, slot man, at 5'9", 165 lbs., is the fastest receiver on the squad; #43-Ehance, 6'3", 220 lbs., sr., fullback; #21-Glenn, 5'9", 168 lbs., so., left half; #30-Dell, 5'10", 188 lbs., fr., reserve fullback; #71-Fallow, 6'0", 205 lbs., fr., right guard; #41-Meadows, 6'1", 215 lbs., jr., reserve slot man; #42-Tinko, 5'9", 200 lbs., so., flanker; the Aggie quarterback is #1-Foote, 6'1", 200 lbs., so., Foote set up very fast and can throw the ball 55 yards, in high school he ran a 9.9 hundred. The offensive line averages 206 lbs.

The defensive operates with a basic 5-2 Monster with primarily man to man pass coverage.

Defensive members: #65-Russell, 5'11", 185 lbs., sr.; #76-Eisenhart, 6'0", 200 lbs., jr.; #60-

Johnson, 5'11", 190 lbs., sr.; #5-Jannitti, 6'2", 215 lbs., sr.; #80-Corchio, 6'1", 200 lbs., jr.; #62-Beach, 6'1", 200 lbs., jr.; #77-Lehman, 5'11", 190 lbs., so.; #24-Hawkwell, 6'0", 185 lbs., sr.; #23-Thomas, 5'7", 160 lbs., jr.; #10-Denver, 5'10", 170 lbs., fr.; #22-Guers, 5'9", 150 lbs., sr.; #11-Meadows, 6'1", 215 lbs., jr.; #84-Capone, 5'11", 195 lbs., fr.; #69-Dappen, 5'11", 190, sr.

The defensive line average is 205, and hosts eight returning lettermen. The Bloomsburg Huskies tomorrow will not only be representing their own pride, but also that of the P.S.C.C. League as well. Be there, at Delaware Valley at one-thirty.

Dick . . .

(continued from page two)

hind the constitution, rather than letting them walk all over it, we can see more improvement in a week than there has been in fifty years. Among all of the seventeen tracts, it's probably the most profound tract of the entire speech.

The greatest attribute of Dick Gregory's speaking is that he can make you laugh, and at the same time realize that what he's saying is of more importance than your next meal.

It isn't asked of you, the reader, that you go out and buy up all of the copies of the album, but that you make a concerted effort to find someone who has it, and just spend two hours of your time, and experience some terribly funny jokes and a hell of a lot of truth.

ZARSKI GIVES SCHEDULE

Mr. John Zarski, Assistant Dean of Men, announced today the schedule of the ARM's intramural touch football league.

The games will start on Oct. 5th with 4th east Elwell meeting 5th west Elwell. Officials will be Bill Gazan, Ross Susko, and Bob Beierschmidt. On Oct. 6th, 4th west Elwell will meet Phi Sigma Epsilon. Officials will be Carmen Ciullo, David Marr and Donald Seaman.

On Oct. 7th the S.O.B.'s play the 6th floor Elwell. Officials will be Paul Sweitzer Cheese, George Kuzo and Big Lou Mimmo. Oct. 8th: Star Kerry Ruff's North Hall B team takes on 1st floor Elwell. Officials are Smiling Jim Gates, George Lapore and Bob Madden. Oct. 12th North Hall's A team will face Phi Sigma Kappa. Officials for this contest will be Tim Willoughby, Leo Campton and Lenny Kate Wisneski.

The remaining games will be on Oct. 13th with East Eighth St. vs. Third East Elwell; officials (Harry's cousin) Bob James, Chuck Salvo and Handsome George Hamilton, and on Oct. 14th with the Who vs. Al's Crusaders; officials Michael Puhak, Bill Davies, and Fran Massaro.

PARENTS' DAY TO BE HELD OCTOBER 4TH

The Seventeenth Annual Parents Day at BSC has been set for Sunday, October 4, 1970. Invitations were sent out to approximately 1,300 parents of new students by President Robert J. Nossen and the faculty.

The activities will begin with a program in Haas Auditorium at 2 p.m. Parents will be addressed by President Robert J. Nossen; Vice-President and Dean of Faculties, Dr. John A. Hoch; Associate Vice-President for Student Affairs, Elton Hunsinger; and President of the Community Government Association, Michael Pilligalli. John Mulka, Director of Student Activities will preside.

A music presentation will be offered by the college concert choir under the direction of Richard Stanislaw. From 3:00 p.m. to 4:00 p.m. a tea will be held in three locations, the lobbies of Haas Auditorium, Andruss Library, and Hartline Science Center. From 2:00 p.m. to 5:00 p.m. various buildings on campus will be open for tours and inspection.

NEW HEALTH SERVICE

(continued from page one)

important problems faced by every generation, Hunsinger stated. "Of all the factors influencing the college community, none is more important, more powerful, nor more indispensable than the good health of its members. The changes in our health services will provide us with modern facilities and expert medical care at all times."

The following procedures will be followed beginning October 2, relative to the new program for health services:

1. Campus residents will report to the regular infirmary between the hours of 7:30 a.m. and 11:30 p.m. Monday through Friday and up to 10:00 p.m. on Saturday and Sunday. The nurse on duty will call the doctor if she deems it necessary. If transportation is needed, she will arrange that as well.

2. Campus residents who become ill when the infirmary is closed are to notify the Assistant Dean in charge of their residence hall who will arrange transportation to the Hospital. The services of the doctor will be decided there.

3. Students who live off-campus should use the college infirmary when it is open. At other times they should report directly to the Hospital Dispensary where the need for a physician's care will be determined.

4. If at any time the services of an ambulance are needed immediately, call 784-2066 and give careful instructions to the driver so that no time will be lost. Ambulance service is available to all students in the

to pay her tuition.

Billed as "Stormy Winter" her real name is Mary Wilkinson, and she hails from Philadelphia. Lawrence Wiggins, manager of the Esquire Club, claims she is one of the top strippers in the nation, which is what all managers say about their star. Wiggins, however, says if you don't believe him you should "come and see her and dispell all doubts."

Down the midway a pace or so from the Esquire, you'll find Scan-Dolls. The Scan-Dolls show prides itself on its high pay, which attracts fine, young anatomical talent to its stage.

But of course you don't have to take my word for this. Take a walk along the midway and you'll get a sample look from outside, as well as a taste of the carny barker's tongue.

Gymnasium

(continued from page one)
rose even higher. The final cost is \$2,453,483.

The estimated date of completion is July 15, 1971. But Mr. Boyd F. Buckingham, Director of Public Relations at BSC stated, "My feeling is that the gymnasium will not be completed until September, 1971, due to problems with utilities."

POETRY CONTESTS

A first prize of \$100.00 and a second prize of \$50.00 will be awarded by Alkhest, American College Poetry for the best poems published in Alkhest

during the 1970-71 academic year. All undergraduates are invited to submit poetry. The deadline for submission for the Spring 1971 issue is November 1, 1970. All details concerning the contest may be found on the bulletin board of the Department of English, Bakeless Center for the Humanities, first floor.

Prizes totalling \$1,600 are being offered in the eighth annual Kansas City (Mo.) Poetry Contests, announced by Hallmark Cards, Inc. A book-length poetry manuscript also will be chosen for publication.

Full-time undergraduate students in the United States are eligible for one of six \$100 prizes to be awarded for a single poem by Hallmark, one of four contest sponsors.

Other prizes include a \$500 advance on royalties for a book-length poetry manuscript from the Devins Award. The book will be published by the University of Missouri Press.

The Kansas City Star, the third sponsor, is offering four \$100 prizes for single poems.

Entries must be postmarked by February 1, 1971. All entries are judged anonymously. For complete contest rules, send a stamped, self-addressed business envelope to: Kansas City Poetry Contests, P. O. Box 5313, Kansas City, Mo., 64114.

REGISTRAR REVIEW

In an effort to keep students informed and out of trouble with Administrators, the M&G will from time to time provide the most recent procedures and policy statements from various areas that students come in contact with, including: the Financial Aid Office, Counseling Center, Placement Office, Student Activities, and others.

If you have any specific questions or comments on policy that you feel should be published, write the M&G, Box 301.

This week, from the Office of the Registrar, Mr. Robert Bunge, now located in room F-6, Ben Franklin Building comes the following information:

CHANGE OF RECORDED GRADES

When grades have been filed in the records of the Registrar's office, they may not be changed except for a computational or clerical error attested to in writing by the instructor and approved by both the department chairman and Vice President for Academic Affairs.

If students cannot contact their instructors they should call, write or visit the Registrar's office to advise them of the details of the error before the deadline which is approximately two weeks following the mailing of the grade reports to students.

GRADE OF INCOMPLETE

When assignments and or examinations are not completed because of conditions beyond the control of the student, i.e., illness, injury, death in the family, absences approved in advance by the Vice President for Academic Affairs, An "I" (incomplete) may be reported. An incomplete should not be used as a device to allow students to do work after a course ends, except for the above reasons.

Faculty members may obtain forms for reporting the removal of an incomplete grade in the Registrar's office. A grade of incomplete must be made up before the end of the following regular college semester or the grade automatically becomes an "E" forty eight (48) hours after the conclusion of the final examina-

tion week for that semester. Incompletes given during the summer sessions must be reported as removed in the following January by the grade reporting deadline.

An incomplete can never be changed to a "W"—only an A, B, C, D, or E depending on the quantity and quality of the work completed.

REMOVAL OF INCOMPLETE

A grade of "I" recorded during the first semester automatically becomes an "E" at the end of the second semester in May of the same college year, unless previously changed.

A grade of "I" recorded during the second semester automatically becomes an "E" at the end of the first semester in January of the next college year, unless previously changed.

A grade of "I" recorded during the summer sessions automatically becomes an "E" at the end of the first semester in January of the next college year, unless previously changed.

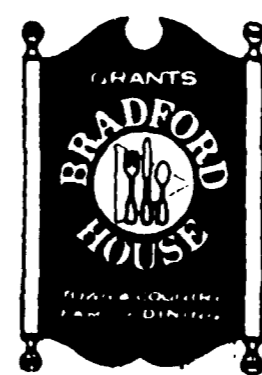

A grade of "I" may be changed to A, B, C, D, or E; NEVER a "W" (withdrawal).

REPORTS OF UNSATISFACTORY PROGRESS

At the end of the first half (nine weeks) of each semester in November and April, each instructor must file with the Registrar's office a report (green form) for each student whose class work is unsatisfactory at the time. Grades should be reported as D, E, or I (incomplete). Appropriate forms can be obtained from the Registrar's office.

Reports of withdrawal from a course without penalty should be made within twenty-four (24) hours of the date designated as the end of the first nine weeks of a semester. The grade to be reported is "W".

During the second half of a semester a student may withdraw from a course at anytime prior to the final examination week. The instructor's permission is not needed for withdrawal from a class, but the instructor is the sole judge of the grade to be recorded, either a "W" or an "E".
