Eight New Members Appointed To Staff

The eight new staff members ho have joined the college teachg and administration staffs this year bring with them a wealth of verse interests and experiences. Dr. Leeland Van Laningham, who is director of student teaching, as his bachelor's degree from the lirkville, Mo., State Teachers ollege, and his master's and docr's degrees from the University Missouri. He had three years of xperience as a high school princpal and seven years of experiene as an elementary principal at Kirkville and Jefferson City, Mo.; e served as assistant to the suprintendent of the Jefferson City chools in 1946. For the past two ears he has been superintendent schools at Belleville, Ill., a city f 35,000. From 1942 to 1946 he erved in the Army Air Corps.

Mr. Russell L. V. Morgan comes the college from the public chools of Greenville, to serve as irector of student activities. He is graduate of the Slippery Rock State Teachers College, and has ompleted all classwork for the octorate at the University of was in the United States Navy.

member of the English departnent, received his bachelor's denee from the University of Michian, and taught for thirteen years high schools in Monroe, Michihe fields of English and speech. secondary school curriculum. He studied at Harvard University rom Columbia University; he has also completed all course work for his doctorate at Temple University. Mr. Dume taught in the Engish department of Temple Univerity while working on his doctorwhich he expects to complete program for curriculum changes. y January 1, 1950. He served with anti-aircraft divisions while the Army from 1943 to 1945.

The Dean of Instruction's Office as released the following enrollment statistics for the fall term:

Fieshinen:	
Penn State	189
Edinboro	195
Commercial Art	25
Total	409
Sophomores:	
77 44 4	142
Commercial Art	13
The second secon	
Total	155
Juniors:	107
Seniors:	91
(D) 4-1 TO	•••••
	762
Men:	536

Women: 226 The total enrollment for this year hows a 9% drop as compared with last year. Part of the reason for this is that only ten Penn State girls are enrolled. This 9% drop is slightly lower than the average prevailing roughout the country. This year's total of 195 Edinboro freshmen represents an increase of 22 students ver last year's 173.

Warm Up Your Shoes . . . They're Coming!

The College now boasts a popular dance band, playing under the sponsorship of faculty advisor Mr. George Neel, and directed by Andy Paykos. Front row, from left to right: Hugh Pointeani, Richard Testa, Louis Richards, Mr. Neel, Warren Williams, pianist, and Jack Anderson. Second row, same order: Andy Paykos, leader, Jim Jack, Ross Gessford, Alan Seligsohn, Ronald Sauers, Eugene Thomas, Bob McVeigh, and Donald Turchan. Another member of the orchestra, drummer Heinz Johnson, is not shown in the picture.

Greetings!

A hearty welcome is extended by The Spectator to all students enrolled for the 1949-1950 academic year here at Edinboro State Teachers College. The Spectator would like, at present, to go on record as a newspaper written, planned, and edited by the student body. You are The Spectator, and The Spectator is you personified. We, the staff, are open to all suggestions, aids, or criticisms which you, individual, or group, may make.

To the seniors, for whom this will be the last year on our campus, we offer little advice. But we do commend you for successfully completing three years of undergraduate work. These past three years have been difficult for you, but we hope that they have also been enjoyable. You will soon enter the serious business that both Chavern and Mustoe are of student teaching, and are on the brink of entering a demanding profession. You are looking forward to the end for which this college was founded - may you make the most of it.

To the juniors falls the lot of leadership development, more so than to any other class. One 1 If of your undergraduate education has been completed, and you are beginning to dominate the limelight. Yours is the job of organizing and publishing the Conneautteean, our yearbook. May you succeed well, for it will be your irrefutable record of work accomplished. To you also falls the task of developing this year's leaders to insure next year's class security. May you also find the courage and inspiration necessary to fulfill the requirements set upon you.

We look to the sophomores for scholarship and strong unification. Unity is an asset to any group and a necessity to any college interest in each of us and our probclass which expects to be a success. At the recent election of sophomore representatives to the Student Council, forty sophomores, out of a class of one hundred fifty-five, showed up at the The first few classes involved the designated time to vote. Democracy is powerful; voting in a noting down of a long list of sup-Democracy is essential. Such evidence of lack of interest cannot be overlooked. Pull yourself together, both individually and as beating a path to Cooper's in high a group, and demonstrate that you are made of the stock required hopes that our drawing boards, et of leading citizens.

The freshmen have not had a chance as yet to prove their worth, but we look to you for unspoiled ability and avid participation in all college activities. It is your right and duty to contribute actively to the furthering of clubs, organizations, and sports. Your talent is needed to compensate for the loss of last year's. Do not be shy; offset your inexperience with aggressiveness. Yours can be a powerful class, for your complement far outnumbers that of any other class. Yours is also a class of diverse interests, but your basic interest is common: education. By working together for this end you will find ample opportunity to express yourself as a unified group. This is your first year of college life. It can be enjoyable, for many graduates regard it as the most joyful. The balance can be tipped in either direction, but only by you.

After this brief word of cheer and advice, may we once again urge you to feel free at any time to make suggestions or criticisms as to what you think should appear in The Spectator.

Short Short

Seldom is the dining hall mentioned in The Spectator, except in vital statistics or as the switchboard for our "grapevine". The main reason for this is that it is a predetermined assumption that all students are ladies and gentlemen. This can hold water in the majority of cases, but on occasion there are a few students who either have forgotten their manners or never took time to learn them. This leads to the subject of unnecessary noise. Food is best consumed in a pleasant atmosphere, and it is extremely irritating October 16: to be forced to listen to piercing gales of unrestrained laughter or otherwise uncontrolled emotions while trying to eat. We are sure that in the future those who are responsible for unneccessary outbursts in the past will try to control their volume while in the

The ScaRab Club has been geting ready for another year's activities. Under the direction of its newly elected officers - Alvin Saul, president; Joe Koshute, vicepresident; Richard Moffatt, secretary; and Jean Portz, treasurer the club is planning to have a oigger and better organization. A dance was held in Loveland Hall on October 10, with refreshments and entertainment under the supervision of Nick Muto, social chairman. On the agenda of coming events the club plans to see some of the art exhibits in Pittsburgh and other cities.

The club's faculty advisors are Mr. Bruce and Mr. Yost, who will offer assistance and guidance to the ScaRabs throughout the school year. In a recent meeting of the club's council, plans were made for both professional and social meetings, probably to be held every other Monday night.

Currently on exhibit in Loveand Hall are paintings done by students of last summer's advanced oil and water color class. Also on exhibit are houses designed in Skinner's interior design class and sculpture and pottery done in Mr. Haller's classes.

Two of Edinboro's former art students, Robert Chavern and Bill Mustoe, have forsaken the American scene in favor of painting abroad. From what information we could receive, it is believed attending The Academie Julien, an art school in Paris, where they no doubt hope to enrich their artistic faculties.

Art Classes Seen Through A Freshman's Eyes . .

We all approached each new class with the expectation of something totally unfamiliar and professors who were perhaps very stern. However, as we checked in free periods. and out of each class, we began to feel at ease and to look forward to our next time there, with an almost noticeable smacking of lips.

The professors we found were really very human and took great lems. We were used to this in high school, but in coming to college we presumed it would be different plies, and then a stampede to obtain them. Many of us are still cetera, will be in.

Some of our first attempts to fulfill the assignments must have brought tears to the eyes of our able professors, for in modeling and drawing, any resemblance between the actual project and our feeble attempts was purely coincidental. On the brighter side, though, we freshmen are becoming real professional like, well almost — well, we're trying anyhow

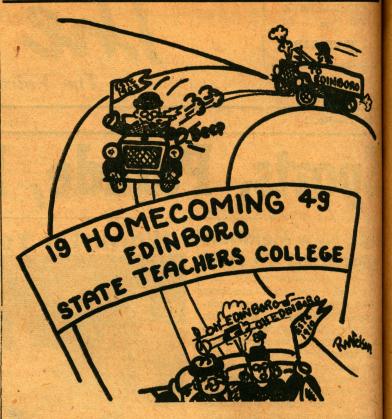

Happy Birthday

The birthday column proved so popular last year that The Spectator staff has decided to continue issue there will appear a list of the it. names of those students whose birthdays fall on any of the inclusive dates between that issue and the next.

So here goes for the first installment. We'll start off by extending best wishes to the five stalwart ESTC males listed for October 12: Nick Muto, Gordon Myer, Earl Lorshbaugh, Ronald Wiestling, and Stanley Wilkinson. October 13:

Louis Aquilino John Biser James Kirby October 15: Tom Brown Mary Jane Rozelle Norman Wirth Robert Brown

Margret Funk October 18: Louis Gardei Robert Leightner

INQUIRING REPORTER

by Dick Swick

Our leading question for the rear is, "If you had the power to make a lasting change or improvement at Edinboro, what change or improvement would you make?" Here are some of the answers proffered by your fellow students.

Harvey Symonds: Build a frat nouse for the Phi Sigma Pi.

Connie Torgler: We definitely need a student book store

Keith Waddell: Build two new dorms, one for the girls and one for the men.

Raymon Streich: Have more

Richard Conrad: Develop a popllar recreation center

Irene Cristea: I really wouldn't know where to begin.

Colleen Foley: A novel necessity vould be elevators in the dorm.

Marjorie Boyd: A College-operated grill and beanery is needed.

Reno Anderson: Have fewer re trictions on girls.

Larry Daley: We need bette recreation facilities.

Ralph Keller: A student-opera ed "dairy bar" would be in heav demand.

Charles Mullen: I would spo sor an inter-fraternity-soror council. Peggy Lutz: The first thing

would do would be to install men professors, none of them or twenty-five.

Priscilla Holt: Change the hea ing system so it would not wake me in the morning.

Douglas Stevens: I think t we should have a larger, better de veloped rec room.

James Hamilton: I would pr cure better and more mode equipment to improve the impro

ed "Spectator. Melvin Kelley: Classes show not start until ten in the mornin and breakfast should be served

This year The Spectator is again exchanging with student newspapers of other colleges. This column will present some of the outstanding jokes, poetry, and excerpts from these papers.

How To Stay In College:

1. Bring the professor newspaper clippings dealing with his subject. Demonstrate fiery interest and give him timely items to mention to the class. If you can't find clippings dealing with his subject, bring in any clippings at random. He thinks everything deals with his subject.

2. Look alert. Take notes eagerly. If you look at your watch, don't the feature again this year. In each stare at it unbelievingly and shake

FALL — the nicest time of the year except for spring, summer and winter. It can mean a lot of pleasant things such as football games, new fall clothes, turning leaves, cider and the return to school. DON'T LAUGH! A lot of people were anxious to get back to school.

You want proof? Consider Pug Sarachine and Lucia Downing. where she could keep an eye on later. him. And then there are Daisy Tucker and Wayne Wilkins, Mary Jane Rozelle and Bill Stright, Connie Torgler and Bob Rosequist, vacation too much. Do you get the fect the Farmer."

Of course, on the other hand, as it happens every year, a lot of people's hearts went along to Penn State with last year's freshman class. Already the pilgrimages have started for that fair campus. Jim Shaffer, Peggy Zuzula, Bunny Petruso and Ted Davenport were among the first to start the procession.

Penn Staters wno visited here recently included Georgia Heidsh, John Offner, Bruce Bailey, Tom Scott, and Red Raeburg. To find where the interests of the other students lie, just ask Stretch McKinney how many airmail letters from service men he delivers rangements for the April affair. to Haven Hall, and how many perfumed letters he dispatches to the fellows with home-town addresses.

EIGHT NEW MEMBERS -(Continued from page 1)

He received his bachelor's degree from Albright College; has attended Johns Hopkins University, and has a master's degree from Columbia University. He has also taken further work at Columbia. Mr. Bailey has taught in high schools in Pennsylvania, and for the past six years has been mathematics teacher in Mercersburg Academy.

Mrs. Ruthann Bagshaw is a new critic teacher in the Training School. She is a graduate of the California, Pa., State Teachers College, and has her master's degree from the University of Pittsburgh, specializing in elementary education.

Mr. Carl A. Sapper, who for twenty-seven years was business manager of the Erie Public Schools, is in charge of purchases and supervision of certain non-instructional activities, and is in charge of the buildings and grounds.

Miss Margaret M. Biven, assistant director of food service, is a graduate of the University of Virginia, and comes to the college from service as a dietitian in the Statler Hotels. Her home is in Erie.

Defeat Edinboro

Despite a 90-yard run on an intercepted pass by Chuck Lodge, a hard-charging California State California on September 23.

The swift-moving California team rolled up 13 points in the first half while holding the determined Edinboroites scoreless. In the last half the Red Raiders hit Edinboro displayed even more pay dirt twice but still fell short fight but lost by a 2-1 margin to

Lodge, Nardone Stand Out

On Saturday, October 1, the Red Raiders opened their home season with Clarion State Teachers College. After a hard-fought, close first half that ended 7-0 in favor of Clarion, the second half broke wide open, with the big reserve power of Clarion turning the tide.

Chuck Lodge and Evan Nardone stood out on defense for the Raiders. The Clarion backfield, sparked by Wall, right half, played brilliant ball. The outstanding play came in the fourth quarter when the opposing left halfback broke loose on a 92-yard run.

band performed with drills and musical selections.

California, Clarion Booters Drop Two By Close Margins

Opening the season October 4 on a slippery field, "Sox" Harri-Edinboro was subdued, 25-12, by son's booters dropped a 2-0 decision to Westminster. The locals had Teachers eleven under the lights at the ball in enemy territory most of the game, and the nod might easily have gone the other way. The Red Sox showed a lot of fight and savvy in their "trial by fire."

> In the second outing, Friday, Grove City. The Crimson got off on the right foot by scoring in the first two minutes, but Grove City countered in the third period, thus deadlocking the issue after the four regulation stanzas, then scored again in the overtime for the nod. The locals proved themselves hard to beat in determination, at least, as no fewer than three opponents were laid low in the fracas.

The booters were scheduled to play Allegheny yesterday; but since it had already gone to press, The Spectator could not cover the

During half-time the Edinboro Raiders First To Score On "The Rock"

The Crimson Raiders went down to defeat at the hands of the powerful Slippery Rock Rockets by a score of 27-6 on the home field last Saturday. The game was featured for Edinboro by the excellent run-ning of Don Lepley, Chuck Oldach, and Don Edmonds.

A first-class half-time show was put on by the forty-two piece Slippery Rock band. This performance consisted of precision marching by the band and acrobatic twirling by the seven majorettes.

Edinboro started out as if they meant business, but a costly fumble early in the game gave the ball to Slippery Rock. The Rockets soon capitalized on this opportunity when McCullough went over for the touchdown from the Edinboro eight-yard line. Late in the second quarter Slippery Rock intercepted an Edinboro pass and turned it into a touchdown on a Barron-to-Phillips pass covering twenty-three yards.

Slippery Rock again scored in the third period when McCullough went around end for fifteen yards and a touchdown. The Rockets completed their scoring early in the fourth period when Karpa went over from the nine.

The Raiders scored their only ouchdown when, following the last Slippery Rock kickoff, they marched sixty-three yards, with Don Lepley going over from the

looks on the juniors, the pained veloped, and after dust and turf look on the sophomores, and the weary look on the freshmen girls, ed to see the Delt retreating to just disregard it, because they their goal's territory because of a have been exposed to "Tennisitis", a nerve-wracking, fatiguing ailment peculiar to this college.

they are juniors.

Vicious circle, "eh wot?"

— On The Field —

As a Phi saw the Phi-Delt Hockey game:

After a stirring demonstration of how one may identify at a glance which of two girls is a "Phi", the Phis demonstrated to an excited audience how a Phi plays hockey.

Lucia Downing started the Phi offensive movement aided and abetted by Margaret Lucas and Marilyn Wetzel, only to be halted by the Delt's capable goalie, Ann second point.

The Delts began to get a similar idea and started off en-force to-

ward the Phi goal. However, Bertha Hammermeister changed their course by intercepting and bang- the big game with Indiana, a team ing the ball down the center into If you have noticed the worried Delt territory. A bit of a melee dehad cleared away, the Phis cheerslight penalty for charging.

The inimitable Lucas sisters, a team in themselves, kept the ball The juniors have to teach the bouncing about in Delt territory, freshmen; the sophomores have to working inch by inch toward the learn so they can teach it when old goal posts. Wetzel tried a goal, but Ann Markham and a little white line in back of Ann kept the Phis from scoring in the first half.

> Time out for artificial respiration to the panting red-faced girls, and the game resumed with the score still 0-0. Then Bertha Hammermeister decided enough was enough, and drove a beauty into the goal, giving the Phis their first point. Carol Sundean interrupted a Phi-ne three-some of Hammermeister, Wetzel and Mag Lucas but lost the ball again to the Lucas sisters, who wormed their way down to the Delt goal to give it to Marilyn Wetzel to drive in for the

Then to the cheering crowd's great astonishment, Marilyn slammed two more goals into the Delt's net within a few minutes of each other, giving the Phis the winning score of 4-0.

The game concluded the Phi-Delt Color Rush for 1949, giving the laurels to the Phis, who amassed 40 points to the Delt's 30 points.

Alumnae Favored

This Saturday is Homecoming Day, a time set aside each year for the alumni of the school to return to renew old friendships.

To start off the big day will be the annual hockey game between the W. A. A. and the Alumni at 10:45 A. M. The varsity will have tough going in this game because the alumni team will comprise the finest Miss Ruttle has ever turned out. They have had three years of experience at varsity hockey while this year's varsity is fairly new, tle has a willing bunch of girls this year, and with a couple of breaks in the right place it will be anyone's game.

In the afternoon the Raiders will face Indiana at 2:30 P. M. All this week coaches McComb, Reed and Nan will be putting the Red Raiders through their paces for which has a 1-2 record. They defeated Mansfield 14-0, but were out-charged by California 26-7. The coaches have been haunted in the last three games with injuries of many of their best players, but the men that have replaced these injured players are doing a fine

Indiana has also suffered from injuries, and taking every thing into account, the teams will go on the gridiron fairly evenly matched except for a slight weight advantage favored by Indiana. Indiana pass defense isn't up to par, but this is compensated with a hard charging line and behind them a hard driving backfield led by their star fullback, Grabiak.

If the Red Raider's line can out charge the Indiana line in the beginning, they will take the game in hand and put their opponents on the defense. This will be an exciting game, and it the Red Raiders have the team play they displayed in last week's game, the writer predicts that Edinboro will win.

In the evening there will be a football dance sponsored by the
