Citations and reference listings in rural libraries are based on the format described in publication *Manual of the American Psychological Association*, Fourth Edition, 1994e. Revisions are made in the original texts received to bring footnotes, endnotes and bibliographies into conformation with this standard. However, not all formats received are completely convertible. While research is done to obtain missing information, some omissions are inevitable. We apologize for any inconvenience such omissions may cause.

Clarion University of Pennsylvania is committed to equal employment and equal education opportunities for all qualified individuals regardless of race, color, sex, religion, national origin, affectional or sexual orientation, age, disability, or other classifications that are protected under Title IX of the education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, and other pertinent state and federal laws and regulations.
