THE EDINBORO QUARTERLY

THE EDINBORO QUARTERLY is issued in January, April, July and October by the Edinboro State Normal School. The July number is the catalog. The other three numbers are filled with announcements and general news matter.

TO THE ALUMNI

The information contained in this book has been gathered at considerable expense and with much effort. It is not nearly so complete and accurate as we wish. There are still approximately two hundred alumni whose addresses we do not certainly know, although we have made commendable progress locating those marked "unheard from" in the 1915 register. We hope that the publication of this list will bring from those who receive it information about class-mates whose addresses are unknown. May it not be possible by the time of the publication of the next register in 1929, that accurate data about every graduate shall be available?

For the cordial co-operation of the alumni in filling out cards and answering inquiries, we make grateful acknowledgement.

CLARENCE C. CRAWFORD, Ph.B.
