THE EDINBORO QUARTERLY

Summer Number

Vol. VI

July, 1919

No. 3

The Edinboro Quarterly

THE EDINBORO QUARTERLY is issued in January, April, July and October by the Edinboro State Normal School. The April number is the Catalog. The other three numbers are filled with announcements and general news matter.

“Entered as second-class matter, December 11, 1913, at the post-office at Edinboro, Pennsylvania, under the Act of August 24, 1912.”

Vol. VI

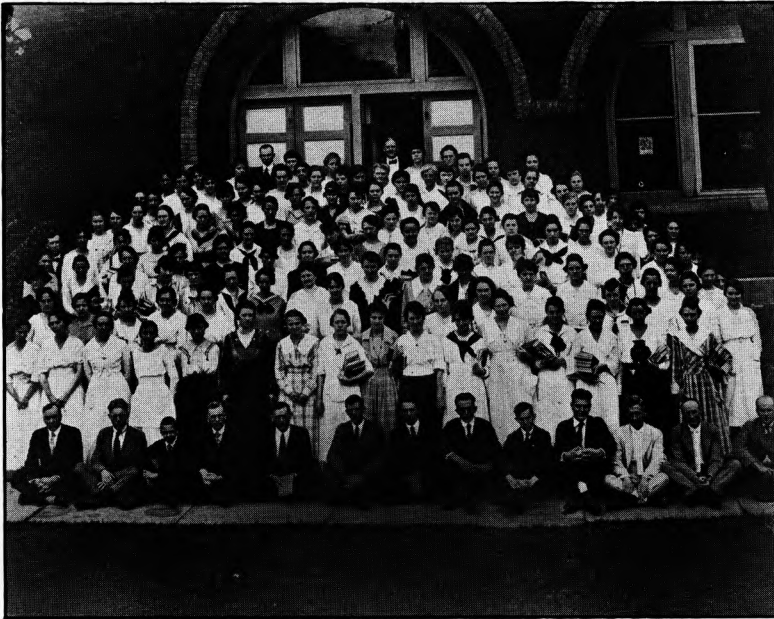

Edinboro, Pa., July, 1919

No. 3

THE SUMMER SCHOOL

The Summer School is a success. All the rooms in Haven Hall were reserved before the students arrived. Girls have been rooming on the first floor of Reeder Hall. The enrollment is over one hundred and sixty. Nearly every student registered on the opening day and all got promptly to work. The school never had a more earnest group of students.

The student body is largely composed of those preparing for teachers' examinations for provisional, professional, or permanent certificates. Not a few students are planning to return this fall or later to take the regular Normal course.

E. S. N. S. SUMMER TERM, 1919

The majority of the faculty are members of the regular faculty. Miss Hussey of Ashtabula has done valuable work in the department of drawing. The six superintendents who on successive weeks have conducted the work in Principles of Education and in the required books on Pedagogy have been a source of inspiration and of broadening outlook. Several evening lectures given by these men and open to the public have been much enjoyed. The superintendents are H. O. Dietrich of Kane, I. H. Russell of Erie County, Edward Sargent of Meadville, Dallas W. Armstrong of Venango County, P. D. Blair of Crawford County, and H. E. McConnell of Mercer County.

In so brief a term a large amount of social activity could hardly be planned or executed. There have been many informal picnics or outings in small groups. Two large affairs have included the whole school. At the end of the third week of the term a dance was given in the gymnasium and simultaneously a party in Haven Hall, that the social tastes of all might be satisfied. Many students attended both gatherings. The faculty is now planning a school picnic for the end of the fifth week.

The closing days of the term will be given to examinations for certificates. Arrangements have been made so that most of these examinations take place at the Edinboro Normal School.

A BETTER CAMPUS

"This campus grows more beautiful every year." Thus spoke a returning alumnus at commencement. We overheard him.

This beauty is obtained by the care of the present campus and careful planting for the future. The campus was treated with lime in the spring. Men have spent many hours removing dandelions from the lawn. A new lawn-mower with gasoline motor cuts the grass neatly and quickly. The hedge of California privet bordering the walk to Reeder Hall was carefully protected for the winter and in the spring the barberry hedge was extended to the south boundary of the campus.

Extensive planting at considerable outlay of money was done this spring. Among the shrubs and flowers planted were several varieties of roses, spirea, japonica, honeysuckle, clematis, peonies, and phlox.

The seniors at their Arbor Day exercises planted three white birch trees near the northwest corner of Reeder Hall.

Several flower beds, the product of private initiative, are adding greatly to the beauty of the campus. Pansies and sweet peas have been most plentiful.

The appearance of the campus was greatly improved last fall by the removal of two frame buildings no longer usable, South Hall and Science Hall. Grading is now being done on these sites.

Electric light poles covered with climbing vines are ornaments to the campus. The tennis courts have several beautiful rambler roses.

The Edinboro Normal School cares as much about the appearance of its rear campus as it does for that open to the public view. Clematis is now growing at the rear entrance of Reeder Hall, and by the planting of shrubs, vines, and flowers a beginning has been made toward making the court between the wings of Haven Hall an attractive place.

The present generation of Edinboro students is fortunate in the heritage of many trees of noble height and spacious shade. Not to care for and improve the campus would be treachery to the past.

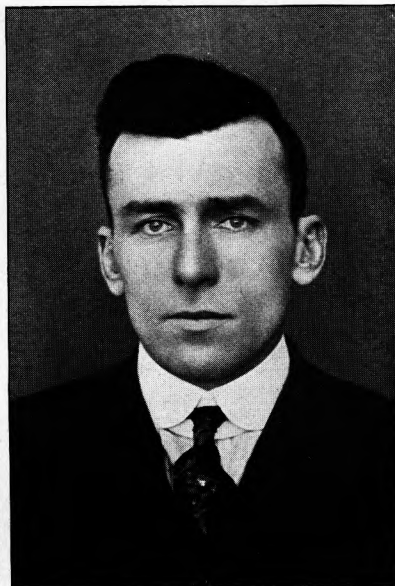

SPRING TERM ATHLETICS

A small number of boys cannot support both track athletics and base ball. Therefore the boys of E. S. N. S. this spring after careful consideration chose track athletics. The Normal's first interscholastic track meet was with the National Polish Alliance College of Cambridge Springs. The score was 58-32 in favor of Edinboro.

Another event of great interest was the inter-class track meet. The seniors won from the underclassmen and the High School by the following score: Seniors, 55 1-2 points; Underclassmen, 28 1-2 points; High School, 52 points. The High School would have taken

MISS ELEANOR K. MAUSER
Director of Women's Athletics

MR. REGIS HARRISON
Director of Men's Athletics

the meet if the Seniors had given them the least chance. It was necessary to run three heats for E. Blystone and A. Blystone to decide first and second place in the hurdles. Several records of last year were equaled or broken. The meet consisted of the following events: 100 yard dash, 220 yard dash, 440 yard dash, 880 yard run, mile run, 120 yard hurdle, shot put, discus, javelin, broad jump, running high jump, pole vault, relay.

Arthur Lewis '19 won the annual pentathlon by taking two first places, one second, one fourth and one fifth. The following events were chosen by the contestants on the day of the meet: 100yard dash, shot put, broad jump, discus throw, and one half mile. The place a man made in the meet scored that many points against him. The final scores against each man were as follows: Lewis 13; Hopkins 19; Mallory 21; Harvey 24; Kirschner 24; E. Blystone 24; A. Blystone 25; Morgan 32. A gold medal was awarded for first place, a silver medal for second place, and three bronze medals for third, fourth and fifth place. Harvey, manager of the track team, resigned his claim to a medal, there being a tie of three men for the fourth place. The meet was hotly contested all the way, the winner being in doubt until the last event. Hopkins and Lewis were tied with 11 points each at the beginning of the half mile.

Normal School Track Record

It is always interesting to know the best that a school has yet done in track athletics. In the following summary Howard, Lingo, and Henry are alumni of the class of 1918; the others are this year's contestants. Will another year make the record better?

50 yard dash	6 sec.	Howard
100 yard dash	11 sec.	Howard-Mallory
220 yard dash	24 2-5 sec.	Lingo
440 yard dash	56 2-5 sec.	Lingo
880 yard dash	2 min. 7 sec.	Lingo
Mile run	4 min. 53 1-5 sec.	Kirschner
120 yard low hurdle	16 3-5 sec.	Howard
12 pound shot put	35 ft. 9 in.	Buchanan
Javelin	129 ft. 7 in.	Lewis
Discus	87 ft.	Lewis
Running high jump	5 ft. 5 1-2 in.	Henry
Running broad jump	19 ft. 5 1-2 in.	Howard
Pole vault	8 ft. 8 in	J. Timmons
Half mile relay	1 min. 49 3-5 sec.	Mallory, J. Timmons, A. Blystone, Skelton.

GYMNASTIC EXHIBITION

The leading athletic event of the term by the girls was an exhibition in gymnastics and dancing by the Girls' Gym Team. About twenty of the best gymnasts among the girls had part in this exhibi-

bition, which consisted of military and fancy marching, apparatus, pyramids, and folk dancing. Many of the parts were given in fancy costume. The performances were notable for accuracy and grace.

*Hopkins**Lewis**Kirschner**Harvey**Blystone***PENTATHLON****THE PLAY**

"Days in Sherwood" was the title of the commencement play which portrayed the daring feats of Robin Hood and his Merry Men. The outlaw being in love with a royal ward, Lady Marion de Baux, was a source of interesting complications. The two leading parts were well taken by Hugh Buchanan and Gertrude McGraw. The cast included over thirty actors. Dialog, singing, and fairy dances combined to make

IN SHERWOOD FOREST

the play. The fairies dancing under colored lights were most beautiful. The performance was fittingly given outdoors, the shrubs and trees south of Recitation Hall contributing forest scenery. This made a beautiful setting and the acting was spirited and appropriate. The temporarily constructed out-door auditorium was filled to its capacity.

ALUMNI INTERESTS

The Alumni have various ways of showing their interest in the school. One is by bringing together on Alumni Day the largest crowd of commencement week. At the annual Alumni meeting a fine loyalty to the school was voiced both in the speeches of individuals and in the resolutions adopted by the association.

The Alumni dinner taxed the capacity of the new dining hall. Mr. Jerome Rusterholtz, the retiring president, was toastmaster. The alumni who responded to toasts were Mr. A. A. Culbertson, '93; Mr. Earl D. Bruner, '01; Mr. Neil Matthews, '15, the new president; and Miss Elizabeth Firth, president of the graduating class. The Alumni heard with much pleasure a newly appointed trustee, Turner W. Shacklett, Esq. of Erie. The concluding speech was made by Principal Frank E. Baker. The cumulative effect of all the speeches was to make one realize how much a school may mean in the lives of its students.

One very practical way in which the Alumni help the school is by contributions to the Alumni Loan Fund. A small loan without interest is often a necessary aid to a worthy student.

REPORT OF ALUMNI FUND TO JULY 10, 1919

Receipts.		
Class of 1915		\$53.00
Jerome K. Rusterholtz		5.00
Class of 1916		90.30
Class of 1917		50.41
Choral Society, Olivia J. Thomas, Director		16.55
3 copies Senior Life, '18		3.00
Class of 1918		75.17
Alanson J. Whitaker, '17		1.00
Earl D. Bruner, '01		5.00
Dean Swift, '95		5.00
Class of 1919		50.00
		<hr/>
		\$354.43
Notes outstanding	\$275.00	
Cash in Bank, July 10, 1919	\$79.43	\$354.43
		<hr/>

Frank E. Baker, Secy-Treas.

VOCATIONAL WORK

The Edinboro High School will offer vocational courses this fall. Its affiliation of several years with the Normal School will be strengthened. The courses in Home-Making and Agriculture will be given in the Normal buildings. N7 will be used as a class room. The new Agriculture laboratory will be used; Manual Training will given in the basement of Reeder Hall and Home Making in the Domestic Science laboratory. Considerable new equipment will be added for this work.

REPAIRS

A special appropriation of \$5000 for necessary repairs has simplified a perplexing problem. Much electric wiring of recitation rooms was already being done, the rooms on the second floor of Reeder Hall were to be redecorated, and arrangements have been made to paint Recitation Hall brick red with white woodwork. Now it will be possible to redecorate the auditorium, which has long been dingy. Slate blackboards will be placed in all class rooms. It is hoped that the auditorium may be so reconstructed as to give adequate stage room. A stage 33 by 14 feet behind the curtain with a depth of 6 feet in front is a possibility. Mr. Cody, an Erie architect, has been called in consultation on this matter.

SUMMER STUDENTS AT DINNER

ANNOUNCEMENTS FOR THE YEAR 1919-1920

FACULTY CHANGES

Athletics

Mr. Regis Harrison, one of the best known athletic coaches in western Pennsylvania, for the past two years coach at the Polish Alliance College, has been appointed director of athletics. Mr. Harrison will teach the men's classes in Physical Culture and coach all men's teams.

Miss Eleanor K. Mauser, of Fairlee, Vt., a graduate of the Posse Normal School of Gymnastics of Boston, has been chosen to teach the girls' classes in Physical Culture and coach girls' basket-ball.

Deans

In order to give our students a certain counsel that may have been lacking in the past, it has been decided by the Board of Trustees to appoint a Dean of Men and a Dean of Women. Mr. H. Sackett, head of the department of history, has been appointed Dean of Men.

In assigning the work of Dean of Women, it was decided to combine this work with, that of the department of modern languages which has been vacant this year. As yet no one has been selected to act as Dean of Women and head of the department of modern languages. Several women of broad culture and experience have made application and are being favorably considered.

EXPENSES

The constantly increasing cost of food stuffs has made it necessary, if the standard of living and service of the past few years was to be maintained, to increase our charge for room and board. At the July meeting of the Board of Trustees, it was decided to increase both the rate and the service. Hereafter, the charge to boarding students will be six dollars (\$6.00) a week. This charge will cover room, board, registration fee and washing. Under this arrangement, the students' washing, not including ironing, will be done in the school laundry. Students may do their own ironing in the laundry room especially equipped for this work, or, they can arrange to have it done at their own expense.

The revised table of expenses follows:

Regular Normal Department

	39 wks. Reg, Sch yr.	Fall Term 15 wks.	Winter Term 12 wks.	Spring Term 12 wks.	Sum'er Term 6 wks.	Less than Term per wk
Enrollment Fee, Room Board and Washing....	\$234.00	\$ 90.00	\$ 72.00	\$ 72.00	\$ 42.00	\$ 6.50
Enrollment Fee, Room Board and Tuition....	312.00	120.00	96.00	96.00	54.00	8.50
Tuition or State Aid....	78.00	30.00	24.00	24.00	12.00	2.00
Enrollment Fee to Day Students	15.00	5.00	5.00	5.00		
Fees:
