## Faculty member to assist in Developmental Project

Dr. Robert Miller, Chairman of the Committee for International Education at BSC and Secretary of the Pennsylvania Council for International Education announced that Thaddeus Piotrowski, Director of the Learning Resources Center at Bloomsburg, has been selected to participate in a faculty development project in Egypt, during the summer of 1972.

This project will emphasize the role of education and modernization in Egypt and will serve to provide both materials development and the development of faculty members with specialization in the area covered by the project. The project is supported by a grant of \$30,000 from the U. S. Office of Education under Public Law 480. Piotrowski is one of 12 faculty members selected from various institutions in the state of Pennsylvania to participate in this 8 week long project, which is sponsored jointly by the Pennsylvania Council for International Education and the American Association of Colleges for Teacher Education.

Particular reference will be made in culture, modernization, and Educational Planning. Basic objectives of this project are: the development of a body of curriculum materials that reflect the patterns of a non-Western culture and its educational system within the dynamics of the modernization process; the development and improvement of faculty competence in international studies by the teacher educators at the various institutions, the development of professional relationships among teacher educators from Egypt and the United States; the development of an increased

commitment by individuals and institutions to the greater internationalization of teacher education and the teaching profession.

During the eight week project, June 4th to July 28th, group members will participate in a workshop to be centered in Cairo with field visits where appropriate to seminar objectives. This project will involve interviews and discussions with key government and educational officials, lectures by distinguished Egyptian scholars, reading of selected materials available only in Egypt, and visits to relevant Educational

Agencies and Institutions.

The project will be completed in the fall with a series of concluding sessions designed to facilitate the incorporation of new ideas and materials in the programs of the participating institutions. The project will be directed by Mahmoud Fahmy, Associate Professor of Education at Wilkes College to the governing board of Pennsylvania Council for International Education. Professor Fahmy is also teaching part time this current semester at Bloomsburg State College in the Department of Educational Studies and Services.

## Guides for Bending the System

by Jay Rochelle

In the wake of Sister Elizabeth McAllister's visit to campus on Thursday, April 20, there may be a number of people who are wondering what kind of response is possible to the information and appeal she gave us. The following is an assorted goody-bag of responses, most of which are workable for college students.

1. GET YOUR HEAD TOGETHER. Find out, through discussion reading, etc., where your values, attitudes, and priorities lie. A good source for material is Clergy and Laymen Concerned, 475 Riverside Drive, NYC. This organization, begun in the mid-sixties in response to Vietnam, has in recent years broadened to look at the total scope of national priorities, economics, the political scene. Many books and guides listed by them will be found at the Community of The Spirit.

2. GET TOGETHER WITH OTHERS. Join or form a group working for consciousness-raising or the renewal of human relations. We are not islands. Remember Sister Elizabeth's emphasis on community as a support system. We all need that. It is a way of exercising the values of love and peace where you are.

3. LOOK AT LEGAL PROBLEMS AND JUSTICE. The ACLU is forming a Susquehanna Valley chapter. Membership will cost \$6.00 per year for students. Rich Scott is very much into this; he can give the information needed. ACLU is one of the unique organizations of our country, committed not only to the dissemination of information on rights, but to action through legal appeal and general watchdogging of the judicial process.

(continued on page two)

## Shapp speaks to vets on Vietnam War

Governor Milton J. Shapp today urged a State veterans group to exert pressure on the Nixon Administration for the immediate withdrawal of all American troops and planes from Southeast Asia.

Shapp spoke to the veterans at the Annual Dinner of the League of United Veterans' Clubs at the Treadway Inn in Wilkes-Barre.

"Two years ago, as a candidate for Governor, I spoke to a veterans convention in Pittsburgh," Shapp noted. "At that time, I expressed my fears about Vietnamization."

"At that convention I said: 'It seems to me that our present policy of pulling out our combat troops first and leaving our support troops to be protected solely by the ARVN is fraught with danger because the fulfillment of such a withdrawal policy depends squarely upon the success of the present program of Vietnamization. And who knows for sure how well Vietnamization is working?'

"In that same speech I noted, 'To my mind it seems that since the national policy is for withdrawal, the maximum safety of our own troops demands that we pull out all our men as quickly as possible.'

"The latest developments in Southeast Asia have served only to confirm the opinions I held and the statements I made back in 1970. Let's face reality, Vietnamization is not working.

"Therefore, it is absolutely essential that the President take the necessary steps to end the futile bombing of North Vietnam, get out of that civil war and bring all Americans home immediately—before we lose another American son in Southeast Asia."

Shapp urged Nixon to take the bombs out of the B-52's, put the troops on our planes and bring them home now, "before we add any more mistakes to compound the original mistake we made in the 50's when we supported Diem instead of free elections to unite

Vietnam.

"Last Thursday, I proposed to President Nixon that the following action be taken at once:

1. Stop the horrible bombing which has failed to dissuade Hanoi and its people during the past and will fail to achieve any benefit for use now. Continued bombing can only prolong the war at a cost of many thousands of lives, both Asian and American.

2. Set a 90-day cease fire during which time our remaining troops would be pulled back from the fighting areas and shipped out of Vietnam. Our fleets of planes could be better utilized for transporting men and their belongings—not bombs.

3. Arrange, as an integral part of the package, for an immediate return of all POW's. Once we're out of Vietnam, the North Vietnamese will have no reason to hold only our POW's. And, we all know that they will not keep them and risk world opinion coming out strongly against them.

4. Advise President Thieu that he's on his own to negotiate as best he can with Hanoi for the future of all Vietnam. If, as Nixon claims, our policy of Vietnamization has been a success, then Thieu should be able to negotiate from a position of some strength.

"I am here tonight to ask your help and the help of all veterans to get us out of the disastrous Vietnam situation," Shapp said. "I also ask your support for legislation recently passed by the United States Senate to keep us from future mistakes—to keep America out of the 'Crusades' which were supposed to have ended hundreds of years ago.

"I urge you to give your support to the legislation limiting the right of the President to commit our troops in hostile action for a maximum of 30 days," Shapp said. "Let's put the responsibility back where it belongs, with our elected Senators and Representatives who are closer to the American people."

## CGA Installations

The officers of CGA for 1972-73 will be installed at the next meeting, on May 1 at 7:00 in Hartline 79, announced the Executive Committee.

At this meeting, College Council will hear a report on the PSASG convention and the Executive Committee report. Council will discuss and vote on the cut, allocation and working policies for members.

Requests for allocations have been received from the Athletic Grant Fund, the French Club, the Student - Faculty Judicial Committee and the Student Film Workshop. These allocations will be considered and nominations

for the new Executive Committee for the summer will be accepted.

The Executive Committee also wishes to announce the CGA Committees for next year. They are as follows: Election Board, Freshman Orientation, Racial Relations, Town Relations, Communications, Dining Room, Housing, Awards, Budget-Finance, Judicial, Student Information Center, Intercollegiate, Legislative, Homecoming, Big Name Entertainment and Academic Affairs. Interested students can sign up for any of these committees next week in the Union Lobby.

# Bending the System

(continued from page one)

For those unaware, ACLU means American Civil Liberties Union.

4. FIGURE OUT A RESPONSE TO THE DRAFT, prior to the fourth year of college. The 1971 revision has simplified the Draft extensively, but simultaneously it has made the issues clearer by the ending of almost all exemptions and deferments other than for reasons of health or conscientious objection. For draft information, check with me at the Community of the Spirit.

5. FIGURE OUT A NATIONAL PRIORITY IN REFERENCE TO THE DRAFT. Should the draft be ended? Many say "yes", because it feeds on lower-income and Black Americans, because it is a cheap way of getting manpower. So far, the Peace Corps and Vista are not alternatives to the draft. But can we live with an all-volunteer army? To find out the meaning of these and other issues, note that the National Committee to Repeal the Draft is now cranking up again. Write them at 245 2nd St., N.E., Washington, D.C. to find out information. Remember June 20, 1973, when the current draft bill expires.

6. DO YOU WANT TO PAY FOR A WAR YOU DON'T MORALLY AGREE WITH? People by the hundreds have been asking themselves this question over the last 7 years. Many have been saying "no", and in individual and collective efforts to end a part of the insanity that passes for reason on this country have refused to pay all of their taxes, or that portion which represents military spending - currently about 61 per cent of your tax dollar. While there is less chance that this applies to students, information on this can be gotten either from the Community of the Spirit or by writing directly to Philadelphia War Tax Resistance, 1307 Sansom St., Philadelphia, P. 19107. We at the Community are in-

terested in forming a local chapter of this group and will begin work on it soon.

7. MAY FOUR MORATORIUM. The Harrisburg Center for Peace and Justice is coordinating a new effort in the light of the recent intensified bombing in Indochina. Write them for information at 1004 N. 3rd St., Harrisburg, Pa. 17103. This is an age for soft confrontation, but there is still a need to collectively show our disapproval of national madness.

8. REMEMBER THOSE IN PRISON. Although it is not possible to communicate with men such as Dan and Phil Berrigan, they and the witness they stand for can be remembered. Dan Berrigan remarks in the introduction to "The Trial of the Catonsville Nine", that among the things the nine had to be patient with were "the students who marched for us, who went home from our trial fervent and turned around; and then promptly forgot to repudiate us within a few months" (p. ix). One of the things that is necessary in our society is

people who do not forget, people who remain consistent in their values and attitudes and priorities. This is no easy commitment; it is long-term, particularly in light of such recent things as the Supreme Court decision to uphold the Massachusetts loyalty oath, a test case which repudiates about 15 years of judicial procedure in the Supreme Court.

9. DO NOT GIVE UP HOPE. In times of stress, hope becomes a more absent virtue than love. Yet it remains a key one! Without hope, without the belief that it is yet possible to seize the handles that will bend this system back toward human values, you put yourself into the hands of those who would manipulate you out of your rights and privileges as an American, as a human being. The system needs us to be collectively depressed, because depression exonerates us from the need to think and feel clearly what is going on around us. Keep your hope alive (to do this, revert back to points 1 and 2 above - and begin the cycle all over again).

by Joe Miklos

Where do you go?

Ever find yourself walking around the campus worrying or wondering where you can obtain birth control information? Up until a few weeks ago, BSC had no accommodations of any kind concerning birth control or sexuality. Now it does.

SOS, the Student Office of Sexuality, located in room 319 Waller Hall, is open and ready to provide Students with the services they need. A qualified group of students runs the center, making available referrals and information for those who need them.

The center was started partially as a result of a survey conducted in the Personality and Culture in Society course offered by Mr. Robert Reeder last semester. The survey indicated that 98 per cent of the students desired a doctor or a referral system on campus. Some people decided to take action.

After conferring with administrators and the Counseling Center, approval for the center was given. A doctor for birth control was an impossibility because a regular doctor for general medicine has not been provided for the campus yet.

The students running the center are, and I stress, qualified. Each has been trained in Human Relations and anything said is strictly confidential. If a student wishes to remain anonymous, he or she may. No records of names are kept.

The center is located on the third floor of Waller Hall in the Student Information Center. It can be reached by dialing 784-4660 and asking for extension 351.

The hours are from 7:00 to 9:00 P.M. from Sunday to Thursday. If a student wants to go to the center itself, the best way to get there is by way of the side stairs just down the hall and directly to the right of the Obiter office. (These are the stairs that are closed off at the rear of the textbook section of the Student Book Store).

SOS offers information concerning all forms of birth control, abortion and adoption. It is primarily a referral center, from which the student can be referred to a doctor or a counselor.

Much information was obtained from a similar center at Bucknell University which is also student operated. Again, the students operating the center are well trained and informed. The average student doesn't have to worry about the services being offered him or her.

BSC has needed a birth control information service for a long time. Now it has one, and the advantages of it are there for all who need them.

## Yea Capitalism

By JOHN DEMPSEY

Are you an aspiring young capitalist? Do you have "old fashioned ideas about the flag and the free enterprise system" and find that all your peers are down on you because of it? Is that what's bothering you, bunko?

Well, dry those tears because James Willis Walter, a "self-made man," wants to give you \$1,000 and make a millionaire out of you.

Who is this J. Beardsford Tipton III of the modern day world? He's no less than the founder of the Jim Walter Corp. of Tampa, Fla., a \$700 million per year home building and Allied Products Co. Mr. Walter is celebrating his 25th anniversary with the company and would like to celebrate by giving 25 "bright young entrepreneurs" an award of \$1,000, a trip to Tampa to attend the Corporation's stockholder meeting in December, 1972 (how about that,

huh?).

Mr. Walter's foundation, named "Yea," (Youth Enterprise Awards) is, as he describes it, "a cheer for the free enterprise system and for young people who are involved in constructive enterprise;" (aren't you sorry you burned down that ROTC building now?). He wants youths "who are doing their thing and making it...within (Mr. Walter's stress, not ours) the system."

This is, believe it or not, on the up and up. Any person between the ages of 18 and 25 is eligible for a Youth Enterprise Award. Further details and an Entry Form can be obtained by writing directly to: Mr. James W. Walter, Chairman, Jim Walter Corporation, 1500 North Dale Mabry, Tampa, Florida, 33607.

Kinda makes you want to get your hair cut and buy a Brooks Brothers tweed vest suit, doesn't it?

# Huskies gain Double Win

by Bob Oliver

The BSC Baseball team bounced back from a double defeat at the hands of Lock Haven to solidly whip the Warriors of East Stroudsburg twice, 7-0 and 6-3, before a sparse crowd at Bloomsburg Town Park Tuesday. Led by the one-hit pitching of Barry Kocher in the second game, after Lanny Sheehan pitched a strong game in the opener, the Huskies upped their record to 3-4.

Kocher, a 6' 170 lb. Southpaw, had a no-hitter until two outs in the top of the last inning, when Warrior rightfielder Dick Shoemaker broke the string with a scorching single into the hole between third and short.

The Huskies scored their runs in the second game, first in the fourth, when Leo Skorupa was plunked by a pitch, and Daryl Saylor tripled him in and was in turn tallied by a Bob Herring single.

In the fifth, Bloom erupted for five tallies, as Al Calvo of Storud was extremely wild. They were aided by three walks, a wild pitch, and an error in their big inning.

Kocher was aided in his efforts by two double plays, which made his work a little easier.

It was a big inning also in the first game that opened things up for the Huskies. In the fourth, the Huskies scored five big runs on singled by Dave Nyce and Glenn Haas, a double by Tom Storer, and a booming triple by catcher Jim Zanzinger. Later, Haas doubled in two runs to ice the game.

Sheehan breezed through the first five innings before being touched for a run in the sixth and a pair in the seventh. He gave up seven hits in this fine performance.

In the first game extra-base hits were collected by Haas, Storer, and Skorupa.

The Huskies had their 3-4 record on the line yesterday when they battled Kutztown State, with the results unavailable at press time. Tomorrow, they will battle Mansfield, at home, in a very important doubleheader. If you in the area, head for Town Park and see them play.

**"To Kill A Mockingbird"** will be shown Monday, May 1, at 7:00 p.m. in Kuster. Everyone is invited to attend.

This enemy golfer hit one of the Frosty Valley bunkers. (Oliver Photo)

## Five in row for Tennesmen

Led by Tom Sweitzer and Duane Greenly, the Bloomsburg State College tennis team remained unbeaten with a 5-4 victory over Wilkes College of Wilkes-Barre yesterday on the Colonel courts.

The win gave Burt Reese's Huskies a 5-0 record setting up a meeting with strong Mansfield State on Thursday. Mansfield was second in the state college conference meet last season and sports a veteran - loaded contingent.

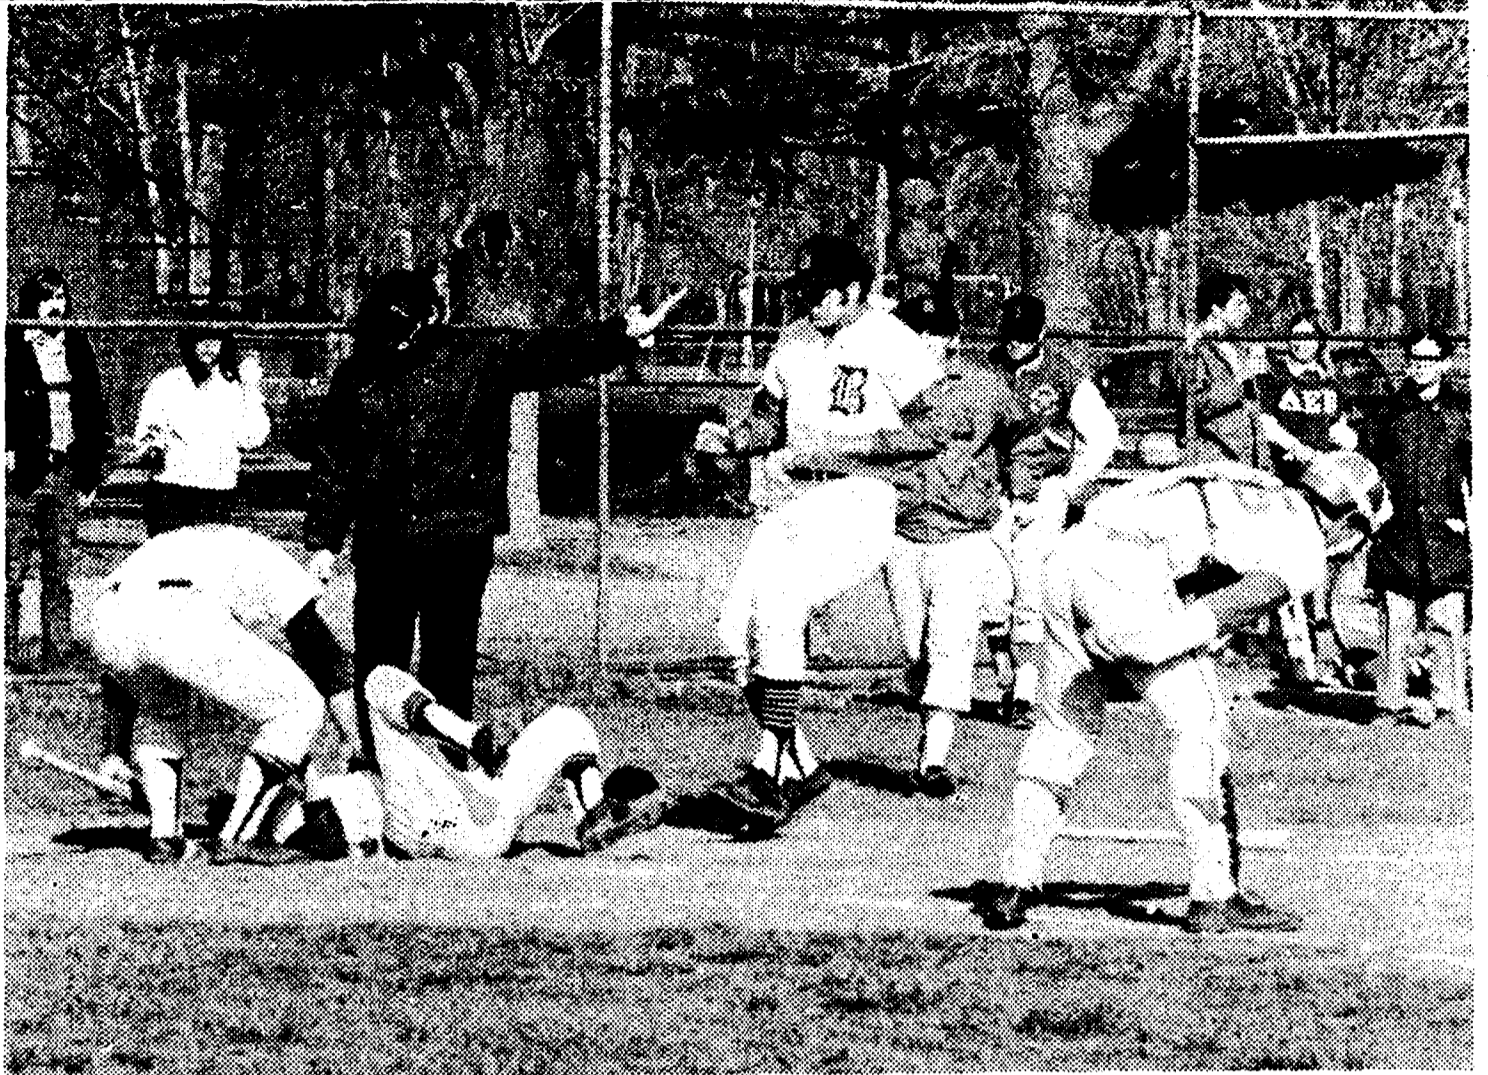

Sweitzer and Greenly each won their singles match and then teamed to post the Maroon and Gold's only doubles triumph.

Dick Grace and Tom Leedom, both of BSC, remained undefeated in singles competition as each posted a victory, however, the duo lost their first doubles match of the season.

Dennis Hartzell, Bloomsburg's seventh man, remained unbeaten in exhibition singles by dumping

his opponent in three sets. The BSC match against Mansfield will be held at the Bloomsburg Town Park courts starting at one o'clock.

- Singles**  
 Tom Sweitzer, B, def. Webb, 6-1 and 6-2  
 Meckback, W, def. Brewer, 6-0, 6-2  
 Patridge, W, def. Hannaman, 7-6, 0-6, 6-4  
 Greenly, B, def. Lukis, 6-2, 3-6, 7-5  
 Grace, B, def. Dombrosky, 6-0, 6-2  
 Leedom, B, def. McGuire, 6-1, 6-3  
 Hartzell, B, def. Massar, 3-6, 6-3, 7-6 (exhibition)
- Doubles**  
 Sweitzer-Greenly, B, def. Webb-Durbin, 6-4, 6-2  
 Meckback - Dombrosky, W, def. Brewer - Hannaman, 6-2, 6-7, 6-4g  
 Porartridge - Chorba, W, def. Grace - Leedom, 6-4, 4-6, 6-4

## Trackmen win two

The Husky Trackmen picked up two important wins this past week by defeating the Lock Haven Eagles and the Mansfield trackmen in separate meets.

In the Mansfield meet, which was a runaway by the score of 109 to 35. John Ficek set a new BSC record in the Shot-put, hitting 52'4 1/2". The team pulled through with 15 first places, including one by Larry Strohl, who is still undefeated in the 880-yd. run.

Leading point scorers for the Huskies were Davis with 15.

Ficek with 10, and Burkholder with 10 also.

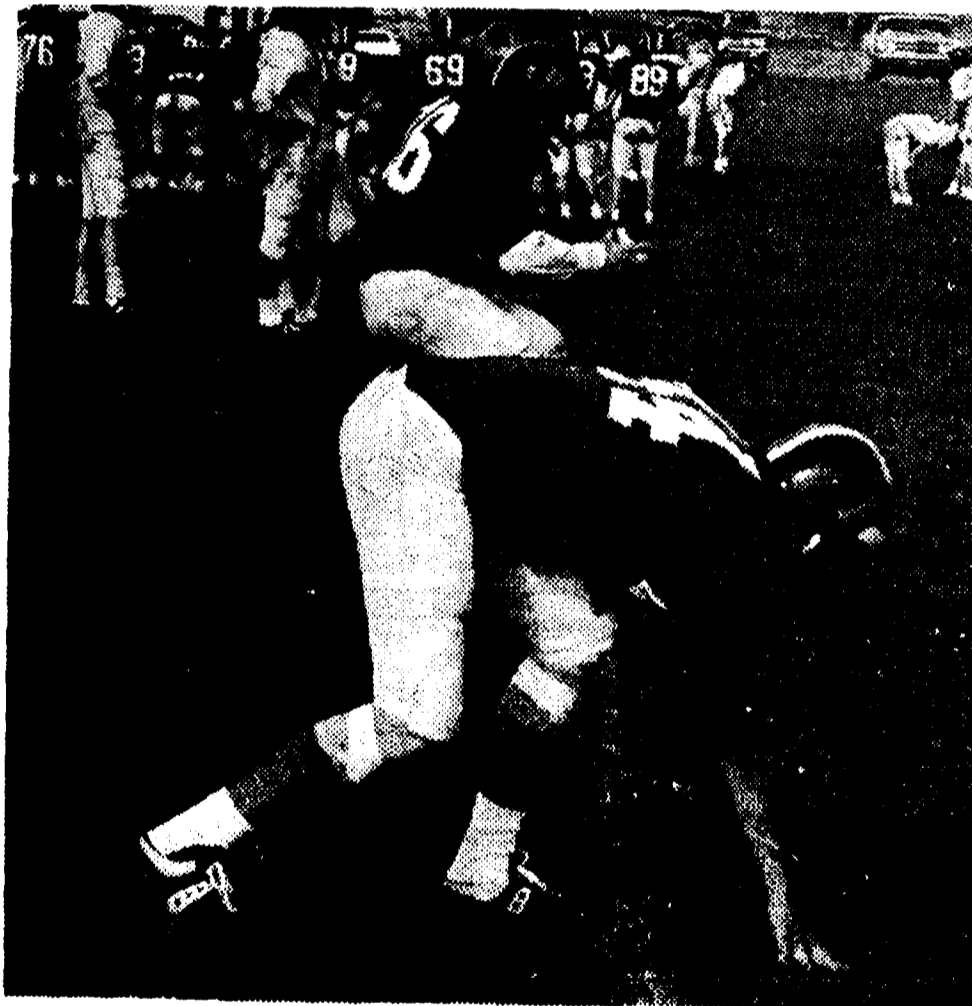

In the Lock Haven meet, which BSC won by a score of 86-59, the high point-men were Rich Echert with 15 points and Ficek with 10.

The meet was held in a strong wind and a cold, dusty track.

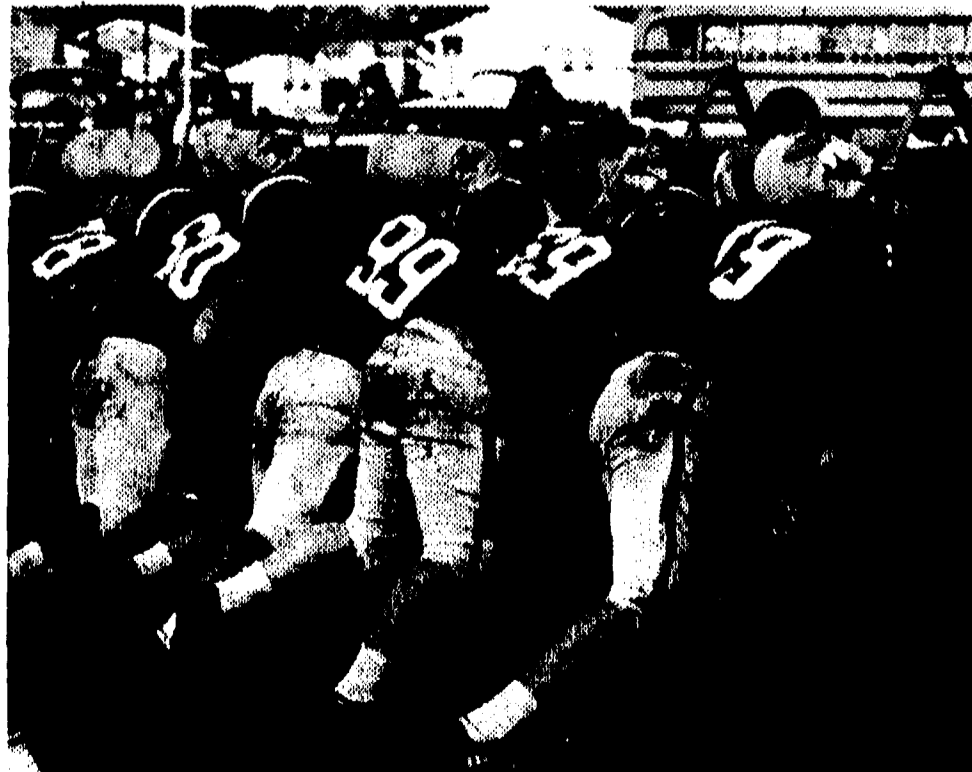

**Results**

- 440 yard relay — Bloomsburg. T— 44 sec.
- Shotput — Ficek, B, Gilbert, B, and Courter, B (tie) D — 49.7 ft
- High jump — Lacock, B, Weaver, LH; Prizer, B. H—6.3 1/2

- Mile run — Podgyny, LH; Lee, B; Horwitz, B. T—4:16.1
- 120 high hurdles — Covington, LH; Kusma, B; Graham, B. T—14.9
- 440-yard dash — Rowan, LH; Burkholder, B; McGill, B. T—51.6
- 100-yard dash — Eckert, B; Boyer, B; Blackwell, LH. T—10.3
- 880-yard run — Strohl, B; Bower, LH; Quairol, B. T—1:56.8
- 440-yard intermediate hurdles (continued on page four)

## Spring Football

by Bill Oblas

Spring football training is here again and coach Bill Sproule is overwhelmed with the showing by his men so far. He was met on the first day by an extremely enthusiastic, well-conditioned, fired-up squad of some 65-plus head hunters. Coach Sproule is blessed with 37 lettermen returning this year to give him plenty of experience for the coming season. Of these 37, Joe Courter, Rich Walton, Dan Greenland, Bill O'Donnell, and Steve Shiffert are out for another spot on the All-Conference squad. According to NCAA rules, the team is allowed to practice 20 days within a period of 36. They are presently working out at the Bloomsburg High School grounds.

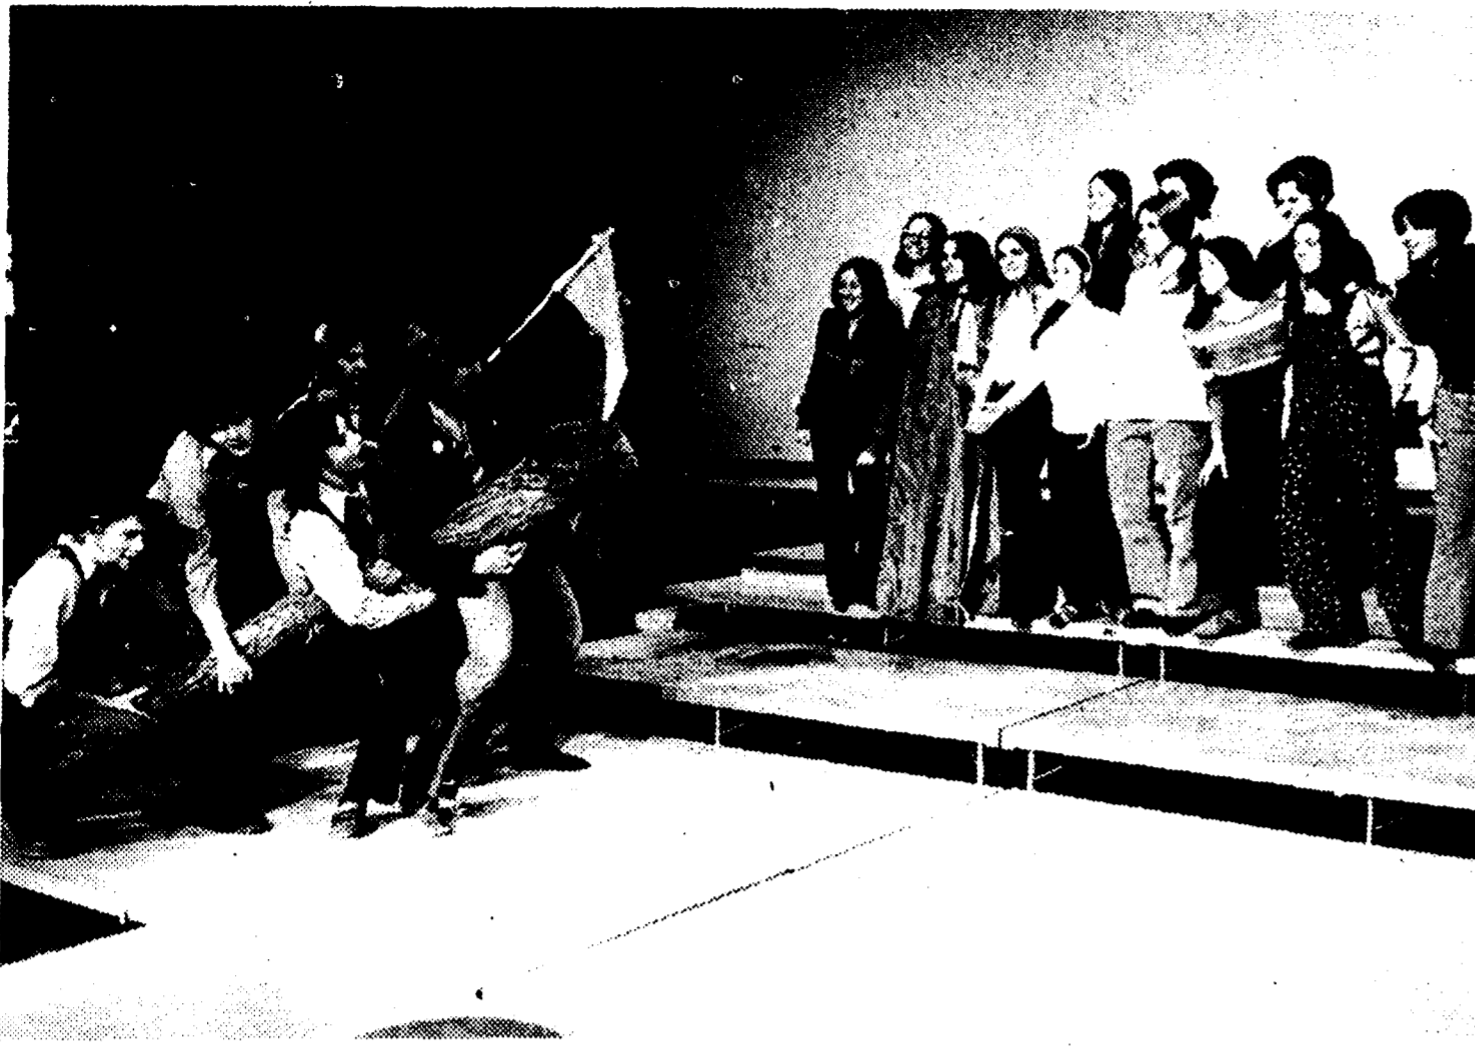

The only starters missing from last year's 4-5 squad are Bob Warner (635 yds., 3.5 per carry), who was selected by the Denver Broncos and Dan Stellfox (40.1 yds. per punt in 45 kicks).

The offense is headed by Joe Geiger, QB, running backs George Gruber and John James, and offensive tackle Rich Walton. Walton was an NAIA Honorable Mention at his position.

The Huskies will feature a new look next year with the completion of the fieldhouse and hopefully, a new field. Also being looked into is the ten game schedule including three night games and a trip to California, Pa.

"The enthusiasm of the team, combined with the experience and talent of the returning personnel should all combine to give us a very exciting and outstanding football season."

### News Briefs

Did you know that there are other things going on in Centennial Gymnasium than aquatics classes? Believe it or

not, the Physical Education Department offers other courses. One of these other courses (that no one ever hears about) is a dancing course, Modern Dance. First come the exercises to limber up. Then you learn some steps; put it all together and then practice, Practice, PRACTICE!  
 On Tuesday, May 2, 1972 at 8:30 P.M. there will be a dance recital in Carver Auditorium. Perhaps this will give you a bit more insight to just what is going on up in that gym, as well as demonstrating the work that goes into dancing. So come. Admission is free.  
 Omicron Delta Epsilon,

ft  
 Long jump — McNelles, LH; Constable, B; Loomis, LH. D—21.2½ ft  
 Mile relay — Bloomsburg. T—3:27.1  
 Discus — Ficek, B; Courter, B; Gilbert, B. D—126.6 ft  
 Triple jump — McNelles, LH; Copeland, LH; Lacock, B. D—44 ft.
